PURPOSE OF INFORMATION STATEMENT

This Information Statement (the "Information Statement") is being mailed on or about July [23], 2007 to the shareholders of record of Energroup Technologies Corporation, a Utah corporation (the "Company"), in connection with a special meeting of the Company's shareholders (the "Special Meeting") that will be at 12890 Hilltop Road, Argyle, Texas 76226 on August 14, 2007, at 10:00 a.m., local time. The Board of Directors has fixed the close of business on July 9, 2007 (the "Record Date") as the record date for determining the shareholders entitled to notice of and to vote at the Special Meeting and any adjournment or postponement thereof. Except as otherwise indicated by the context, references in this Information Statement to "Company," "we," "us," or "our" are references to Energroup Technologies Corporation.

At the Special Meeting, the Shareholders will be asked to consider and vote on the following proposals:

1. To approve a reverse split of our issued and outstanding shares of Common Stock on a 1-for-7 basis so that shareholders of record on the effective date for such split shall receive one (1) share of our Common Stock for each seven (7) shares now held by them. In connection with the reverse split, no shareholder of record on the Record Date who holds fewer than 100 shares shall be affected by the reverse split and no shareholder of record on the Record Date who holds more than 100 shares shall have his or her ownership reduced to fewer than 100 shares of our post-split Common Stock.
2. To approve a change in the state of incorporation of the Company from Utah to Nevada by merging the Company with and into a newly formed Nevada subsidiary, in connection with which the Articles of Incorporation and Bylaws of the Nevada corporation shall become the Articles of Incorporation and Bylaws of the Company.

The Common Stock is the only class of the Company's stock outstanding and entitled to vote at the Special Meeting. Each share of Common Stock is entitled to one vote. We had, as of the Record Date, 13,497,421 shares of Common Stock outstanding, meaning that there will be 13,497,421 votes eligible to be cast at the Special Meeting. Both of the proposals require the approval of a majority of the issued and outstanding shares of our voting stock, or at least 6,748,711 affirmative votes, in order to be adopted. Shareholders have no right to cumulative voting as to any matter.

Halter Financial Investments, L.P. ("HFI"), which holds 11,200,000 shares of Common Stock, or approximately 83% of our outstanding Common Stock and a majority of the outstanding Common Stock entitled to vote at the Special Meeting, has advised us that it presently intends to vote in favor of both proposals. It is anticipated, therefore, that both proposals will be approved at the Special Meeting.

Assuming both proposals are approved at the Special Meeting, the Company will file Articles of Amendment with the Utah Department of Commerce and

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

Merger with the Nevada Secretary of State and the Utah Department of Commerce and Commercial Code to effectuate the merger of the Company with and into Energroup-Nevada. These documents will become effective on the dates specified in such filings, which we anticipate to be within three business days after the Special Meeting.

AUTHORIZATION BY THE BOARD OF DIRECTORS

On July 9, 2007, our board of directors unanimously adopted resolutions declaring the advisability of the reverse stock split and the change in our state of incorporation and recommended that shareholders approve such actions.

We undertake to deliver promptly, upon written or oral request, a separate copy of the Information Statement to a shareholder at a shared address to which a single copy of the Information Statement is delivered. RECENT EVENTS

As reported in Item 5.01 of our Current Report on Form 8-K filed with the Securities and Exchange Commission on May 23, 2007, on May 22, 2007 we completed the sale of 11,200,000 restricted shares of our Common Stock to HFI for a cash purchase price of \$350,000 pursuant to the Stock Purchase Agreement entered into between the Company and HFI dated as of May 3, 2007. The shares acquired by HFI represent approximately 83% of the issued and outstanding shares of the Company's Common Stock and the transaction resulted in a change of control of the Company.

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

The Stock Purchase Agreement included a covenant to the effect that until such time as the Company enters into a business combination transaction with a business with current operations, HFI, as the controlling shareholder of the Company, would not permit the Company to effect any reverse stock split other than a one-time split on a basis of not greater than 1-for-7 and that shareholders would generally not have their total share ownership reduced below 100 shares as a result of any such stock split.

On May 3, 2007, acting pursuant to the terms of the Stock Purchase Agreement, our board of directors declared a special cash distribution in an amount equal to \$0.1219 per share, or a total of approximately \$280,000, to our shareholders of record on May 17, 2007 who held approximately 2,297,421 shares of our Common Stock. HFI did not participate in the special cash distribution.

The foregoing discussion of the Stock Purchase Agreement is not complete and is qualified by reference to our Current Reports on Form 8-K filed with the Commission on May 3 and May 23, 2007, respectively.

The Stock Purchase Agreement did not change the Company's status as a "shell corporation" and our current principal business activity is to seek a reverse acquisition candidate through acquisition, merger or other suitable business combination method.

We have very limited capital, and it is unlikely that we will be able to take advantage of more than one such business opportunity. We intend to seek opportunities which we believe demonstrate potential for long-term growth. At the present time, we have not identified any business opportunity that we plan to pursue, nor have we reached any agreement or definitive understanding with any person concerning an acquisition.

No assurance can be given that we will be successful in finding or acquiring a desirable business opportunity. Furthermore, no assurance can be given that any acquisition, which does occur, will be on terms that are favorable to the Company or its current shareholders.

MAJORITY SHAREHOLDER

HFI, which holds 11,200,000 shares of Common Stock, or a majority of our Common Stock and a majority of the outstanding Common Stock entitled to vote at the Special Meeting, has advised us that it presently intends to vote in favor of the proposals to approve the reverse stock split and change our state of incorporation from Utah to Nevada. It is anticipated, therefore, that both of such proposals will be approved at the Special Meeting. Information regarding HFI is set forth below:

PROPOSAL 1 1-FOR-7 REVERSE STOCK SPLIT

General

On July 9, 2007, our Board of Directors unanimously approved and recommended that the shareholders approve, a 1-for-7 reverse stock split of our issued and outstanding shares of Common Stock. The Board of Directors determined that by reducing the number of shares of our Common Stock from 13,497,421 shares to approximately 1,928,203 shares, the Company will be better positioned to effect our business strategy of entering into a business combination with a private entity that has current business operations. The reverse split recommended by the Board of Directors is the maximum split permitted by the Stock Purchase Agreement with HFI.

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

The reverse stock split, when implemented, will not change the par value of our Common Stock or change the number of authorized shares of our Common Stock. Except for any changes resulting from the policy of not reducing a person's holdings below 100 shares and the treatment of fractional shares as discussed below, following the reverse split shareholders will hold approximately the same percentage of our outstanding Common Stock immediately following the reverse stock split as such shareholder did immediately prior to the reverse stock split.

Uncertainties with Regard to the Reverse Stock Split

There is no assurance that once the reverse stock split is effected we will be able to consummate a business combination.

Although our Common Stock is currently quoted on the OTC Bulletin Board under the symbol "EGRT," there is no active or liquid trading market for our Common Stock and there can be no assurance that an active or liquid trading market will develop in the future. As such, we are not able to predict what, if any, impact the reverse stock split will have on the market or market price for our Common Stock. The bid quotation per new share of our Common Stock after the reverse stock split may not rise or remain constant in proportion to the reduction in the number of old shares of our Common Stock outstanding before the

5

reverse stock split. Accordingly, the total market capitalization of our Common Stock after the reverse stock split may be lower than the total market capitalization before the reverse stock split.

Principal Effects of the Reverse Stock Split

Corporate Matters.

The reverse stock split will be effected simultaneously for all of our Common Stock and, except as provided below, the exchange ratio will be the same for all of our Common Stock. No shareholder of record on the Record Date who holds fewer than 100 shares shall be affected by the reverse split; no shareholder of record on the Record Date who holds more than 100 shares shall have his or her ownership reduced to fewer than 100 shares of our post-split Common Stock as a result of the reverse stock split; and any fractional shares that would otherwise be issuable to any shareholder as a result of the reverse stock split shall be rounded up to the nearest whole share. Except for any changes resulting from the policy of not reducing a person's holdings below 100 shares and the treatment of fractional shares, following the reverse split shareholders will hold approximately the same percentage of our outstanding Common Stock immediately following the reverse stock split as such shareholder did immediately prior to the reverse stock split.

Following the reverse stock split, we will continue to be subject to the periodic reporting requirements of the Securities Exchange Act of 1934, as amended.

Fractional Shares.

No scrip or fractional certificates will be issued in connection with the reverse stock split. Instead, any fractional share that results from the reverse stock split will be rounded up to the next whole share. This is being done to avoid the expense and inconvenience of issuing and transferring fractional shares of our Common Stock as a result of the reverse stock split.

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

Effective Increase in Authorized and Unissued Shares.

As of the Record Date, there were authorized 50,000,000 shares of our Common Stock of which 13,497,421 shares were issued and outstanding. Although the number of shares of Common Stock we are authorized to issue will not change as a result of the reverse stock split, the reverse split will reduce the number of issued and outstanding shares of our Common Stock and effectively increase the number of authorized and unissued shares available for future issuance. Authorized and unissued shares may be issued for such purpose or purposes as may be determined by the Board of Directors including, but not limited to, financings and acquisitions. If we issue additional shares, the ownership interest of holders of Common Stock will be diluted. The proposed change in our state of incorporation, which is discussed below, will result in a further increase in our authorized and unissued shares of Common Stock because Energroup-Nevada has a larger number of authorized shares than does Energroup-Utah.

Accounting Matters.

The reverse stock split will not affect the par value of our Common Stock. As a result, as of the effective time of the reverse stock split, the stated capital on our balance sheet attributable to our Common Stock will be reduced proportionately based on the reverse stock split ratio and the additional paid-in capital account will be credited with the amount by which the stated capital is reduced. The per share net income or loss and net book value of our Common Stock will also change because there will be fewer shares of our Common Stock outstanding.

6

Potential Anti-Takeover Effect.

Although, the increased proportion of unissued authorized shares to issued shares could, under certain circumstances, have an anti-takeover effect (for example, by permitting issuances that would dilute the stock ownership of a person seeking to effect a change in the composition of our Board of Directors or contemplating a tender offer or other transaction for the combination of us with another company), the reverse stock split is not a response to any effort of which we are aware to accumulate our shares of Common Stock or obtain control of the Company, nor is it part of a plan by our management to recommend a series of similar amendments to our Board of Directors and shareholders.

Your Board of Directors recommends a vote "FOR" the 1-for-7 reverse stock split of our issued and outstanding shares of Common Stock

PROPOSAL 2

CHANGE IN OUR STATE OF INCORPORATION FROM UTAH TO NEVADA

General

The Board of Directors has adopted resolutions, subject to shareholder approval, to change the Company's state of incorporation from Utah to Nevada. The Board of Directors believes the change in the state of incorporation is desirable because it will result in the Company being incorporated in a state with a widely recognized body of corporate law and no state income tax, and having a large number of authorized and unissued shares of Common Stock and preferred stock available for issuance in the future. The Board of Directors believes these will be positive factors in the Company's attempt to locate a

Edgar Filing: ENERGROUPT TECHNOLOGIES CORP - Form PRE 14C

business opportunity for acquisition or participation by the Company, although no assurances can be given that these beliefs are accurate or that the Company will be able to acquire a business opportunity.

In order to accomplish the change in the state of incorporation, the Company will merge with and into a corporation which has been incorporated in Nevada specifically for that purpose under the name "Energroup Holdings Corporation" ("Energroup Nevada"). Pursuant to the terms of the merger, Energroup Nevada will be the surviving corporation and the issued and outstanding shares of the Company's Common Stock, after giving effect to the reverse stock split described above, will automatically be converted into shares of Energroup Nevada common stock at the rate of one share of Energroup Nevada common stock for each one share of the Company's post-split Common Stock. The form of the Articles and Plan of Merger of Energroup Technologies Corporation with and into Energroup Holdings Corporation is attached hereto as Appendix B. Upon completion of the merger, the Articles of Incorporation and Bylaws of Energroup Nevada will become the governing instruments of the Company and will differ in several respects from the current Articles of Incorporation and Bylaws of the Company.

Certain Effects of the Change in State of Incorporation

As previously noted, the Articles of Incorporation of Energroup Nevada will be the governing instrument of the surviving corporation following the merger with the Company, resulting in several changes from the current Articles of Incorporation of the Company. Some of these changes are purely procedural in nature, such as a change in the registered office and agent of the Company from an office and agent in Utah to an office and agent in Nevada. Some changes, however, will be substantive in nature and certain of such substantive changes are discussed below. Such summary does not purport to be complete and is qualified in its entirety by reference to the corporate laws of the State of Nevada and the Articles of Incorporation of Energroup Nevada, a copy of which is included herewith as Appendix "C." For ease of comparison, the Company's current Articles of Incorporation are included herewith as Appendix "D."

7

Change in Capitalization

The Company's authorized capital on the Record Date consisted of 50,000,000 shares of Common Stock, par value \$0.001 per share, of which 13,497,421 shares were issued and outstanding. As a result of the reverse stock split, the number of our issued and outstanding shares of common stock immediately prior to the merger will be reduced to approximately 1,928,203. The total authorized capital of Energroup Nevada consists of 110,000,000 shares of capital stock, divided into 100,000,000 shares of common stock, par value \$0.001 per share, and 10,000,000 shares of preferred stock, par value \$0.001 per share, with the right conferred upon the Board of Directors to establish the dividend, voting, conversion, liquidation and other rights, privileges and preferences, as well as the qualifications, limitations and restrictions, with respect to such preferred stock as it may determine from time to time. As a result of the reverse stock split and the subsequent reincorporation in Nevada, Energroup Nevada will have issued and outstanding approximately 1,928,203 shares of common stock and no shares of preferred stock. Accordingly, the Board of Directors of Energroup Nevada will have available for issuance in the future approximately 98,071,797 shares of common stock and 10,000,000 shares of preferred stock. This will provide management with increased flexibility in taking prompt advantage of future potential merger and acquisition transactions without the expense and delay of calling meetings of the stockholders to authorize increases in

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

authorized capital. The issuance of additional shares of common stock may, among other things, have a dilutive effect on the earnings per share and on the equity and voting power of existing holders of Common Stock and may adversely affect the market price of the Common Stock. The Company has not entered into any agreement with respect to a merger or acquisition transaction and has no current plans to utilize the newly authorized shares of common or preferred stock.

The additional shares of common stock authorized under Energroup Nevada's Articles of Incorporation will be substantially identical to the shares of Common Stock now authorized under the Company's Articles of Incorporation. Holders of Common Stock are not entitled under the Company's Articles of Incorporation, and will not be entitled under Energroup Nevada's Articles of Incorporation, to preemptive rights to subscribe for additional securities that may be issued by Energroup Nevada in the future.

The Board of Directors of Energroup Nevada has not adopted any designations, rights or preferences for the authorized preferred stock of Energroup Nevada. The Board of Directors of Energroup Nevada may authorize, without further shareholder approval, the issuance of such shares of preferred stock to such persons, for such consideration, and upon such terms as the Board of Directors determines. These issuances could result in a significant dilution of the voting rights and/or the shareholders' equity of the existing shareholders. There are no present plans, understandings or agreements, and the Company is not engaged in any negotiations, that will involve the issuance of preferred stock. However, the Board of Directors believes it prudent to have shares of preferred stock available for such corporate purposes as the Board of Directors may from time to time deem necessary and advisable including for acquisitions and the raising of additional capital, for which there are no present agreements or understandings.

The issuance of additional authorized common stock or preferred stock may have the effect of: deterring or thwarting persons seeking to take control of Energroup Nevada through a tender offer, proxy fight or otherwise; inhibiting the removal of incumbent management; or impeding a corporate transaction such as a merger. For example, the issuance of common stock or preferred stock could be used to deter or prevent such a change of control through dilution of stock ownership of persons seeking to take control or by rendering a transaction proposed by such persons more costly.

8

Change in Number of Directors

The articles of merger provide that upon the effectiveness of the merger, the directors and officers of Energroup Nevada shall be the officers and directors of the surviving corporation. Accordingly, Timothy P. Halter, who is the sole director of Energroup Nevada, will be the sole director of the surviving corporation and Stephen Fry and Thomas Howells will resign from their positions as directors of the Company effective upon the merger of the Company with and into Energroup Nevada. Timothy P. Halter, who is the President, Secretary and Treasurer of both the Company and Energroup Nevada will continue to hold those offices with the surviving corporation.

Limited Liability of Directors

The Articles of Incorporation of Energroup Nevada limit the liability of the Company's directors to the maximum extent permitted by Nevada law. As a

Edgar Filing: ENERGROUPT TECHNOLOGIES CORP - Form PRE 14C

result, a director will have no personal liability to the Company or its shareholders for damages for breach of fiduciary duty as a director or officer, except for (a) acts or omissions which involve intentional misconduct, fraud or a knowing violation of law, or (b) the payment of distributions in violation of section 78.300 of the Nevada Revised Statutes. The Company's current Articles of Incorporation do not contain any provision limiting the liability of the Company's directors under Utah law.

No Restrictions on Control Share Acquisitions

The Articles of Incorporation of Energroupt Nevada provide that Energroupt Nevada elects not to be governed by the terms and provisions of Sections 78.378 through 78.3793, inclusive, of the Nevada Revised Statutes, which are designed to provide stockholder protection by placing restrictions and imposing requirements with respect to certain acquisitions of a controlling interest in a corporation. The Company's current Articles of Incorporation do not contain any similar provision.

No Restrictions on Business Combinations with Interested Stockholders

The Articles of Incorporation of Energroupt Nevada provide that Energroupt Nevada elects not to be governed by the terms and provisions of Sections 78.411 through 78.444, inclusive, of the Nevada Revised Statutes, which are designed to provide stockholder protection by placing restrictions and imposing requirements with respect to certain business combinations with persons who are included within the definition of "interested stockholders." The Company's current Articles of Incorporation do not contain any similar provision.

Some of the Differences Between Nevada Law and Utah Law

Nevada corporate law differs from Utah corporate law in certain respects. Although it is not practical to state all such differences, some of the differences which management believes could materially affect the rights of shareholders of the Company are summarized below:

(a) Under Utah law, a special meeting of shareholders may be called by the board of directors, by such persons who may be authorized by the articles of incorporation or bylaws, or by shareholders holding not less than 10% of all shares entitled to vote at a meeting. Under Nevada law, a special meeting of shareholders may only be called by the board of directors or by such persons as may be authorized by the articles of incorporation or the bylaws. The bylaws of Energroupt Nevada provide that a special meeting may be called by the Chairman of the Board, the President, and the board of directors and will be called by the President or the Secretary at the request in writing of holders of not less than 30% of all issued and outstanding voting shares of the Company.

(b) While Utah law provides that proxies may be valid for 11 months unless a longer period is provided in the proxy, Nevada law provides that proxies may not be valid for more than 6 months, unless the proxy is coupled with an interest or the shareholder specifies that the proxy is to continue in force for a longer period.

(c) The laws of Utah confer upon dissenting shareholders the right of appraisal in cases where all or substantially all of the assets of the corporation are sold. While the law of Nevada permits such rights of

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

appraisal in cases of mergers or consolidations, it does not permit such rights where all or substantially all of the assets of a corporation are sold.

(d) Utah law provides that a director or the entire board of directors may be removed, with or without cause, at a meeting called expressly for the purpose of removing a director or directors if the number of votes cast for removal exceeds the number of votes cast against removal. Nevada law provides that any director may be removed by the vote or written consent of shareholders representing not less than two-thirds of issued and outstanding capital stock entitled to voting power, subject to certain exceptions with respect to corporations having cumulative voting rights.

Anticipated Federal Tax Consequences

The Company has not requested and will not request a ruling from the Internal Revenue Service, nor has the Company requested or received a tax opinion from an attorney, as to the various tax consequences of the reincorporation in the state of Nevada.

The Company is structuring the reincorporation in an effort to obtain the following consequences:

(a) the reincorporation of the Company in the state of Nevada to be accomplished by a merger between the Company and Energroup Nevada, will constitute a tax-free reorganization within the meaning of section 368(a)(1)(F) of the Internal Revenue Code of 1986;

(b) no gain or loss for federal income tax purposes will be recognized by the shareholders of the Company on receipt by them of the Common Stock of Energroup Nevada in exchange for shares of the Company's Common Stock;

(c) the basis of the Energroup Nevada common stock received by the shareholders of the Company in exchange for their shares of the Company's Common Stock pursuant to the reincorporation in the state of Nevada will be the same as the basis for the Company's Common Stock; and

(d) the holding period for the Energroup Nevada common stock for capital gains treatment received in exchange for the Company's Common Stock will include the period during which the Company's Common Stock exchanged therefor is held.

It should be noted that the foregoing positions are not binding on the Internal Revenue Service, which may challenge the tax-free nature of the reincorporation in the state of Nevada. A successful challenge by the Internal Revenue Service could result in taxable income to the Company, Energroup Nevada, and the shareholders, as well as other adverse tax consequences. ACCORDINGLY, EACH SHAREHOLDER SHOULD CONSULT WITH HIS OR HER OWN TAX ADVISOR WITH RESPECT TO ALL OF THE POTENTIAL TAX CONSEQUENCES TO HIM OR HER OF THE REVERSE STOCK SPLIT AND CHANGE IN DOMICILE.

Bylaws of Energroup Nevada

Upon completion of the merger, the Bylaws of Energroup Nevada will become

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

the Bylaws of the Company. While the By-laws of Energroun Nevada are similar to the By-laws of the Company, there are differences that may affect the rights of the shareholders. A copy of the Energroun Nevada Bylaws is included in Appendix C hereto and, for ease of comparison, a copy of the Company's current Bylaws is included in Appendix "D" hereto.

Your Board of Directors recommends a vote "FOR" the change in our state of incorporation from Utah to Nevada.

RIGHTS OF DISSENTING SHAREHOLDERS

Because the change in the Company's state of incorporation will be effected pursuant to a merger of the Company with and into a Nevada corporation, shareholders who oppose the proposed merger will have the right to receive payment of the fair value of their shares as set forth in sections 16-10a-1301 through 16-10a-1331 of the Utah Revised Business Corporation Act. Copies of such statutes are included as Appendix E to this Information Statement and any discussion herein of dissenters' rights is qualified in its entirety by reference to such statutes.

In general, a shareholder wishing to exercise his or her dissenters' rights must cause the corporation to receive, before the vote is taken at the Special Meeting, written notice of his or her intent to demand payment for shares if the proposed action is effectuated and may not vote any of his or her shares in favor of the proposed action. The dissenting shareholder must also have been a shareholder of the Company as of the date the proposed corporate action creating dissenters' rights is approved by the Company's shareholders. Within 10 days after the effective date of the merger, the Company must send a written dissenters' notice to each shareholder who is entitled to demand payment for his or her shares which notice shall: state that the corporate action was authorized and the date or proposed effective date of the action; set forth an address at which the Corporation will receive payment demands and an address at which certificates for certificated shares must be deposited; supply a form for demanding payment, which form requests a dissenter to state an address to which payment is to be made; set a date by which the corporation must receive the payment demand and by which certificates for certificated shares must be deposited at the address indicated, which dates may not be fewer than 30 nor more than 70 days after the date of the dissenters' notice; state the requirement contemplated by subsection 16-10a-1303(3) if applicable; and be accompanied by a copy of the statutes. The shareholders must then return the demand for payment and deposit his or her shares with the Company, all as indicated in the dissenters' notice. Upon expiration of the period set forth in the notice, the Company must pay to each dissenting shareholder the amount the Company estimates to be the fair value of the dissenter's shares, plus interest, which payment must be accompanied by certain financial information of the Company. The remaining procedures and the procedures to be followed in the event a shareholder disputes the Company's estimate of the fair value of the dissenting shares are set forth in the statutes.

EXCHANGE OF STOCK CERTIFICATES

Following effectiveness of the reverse stock split and the reincorporation in Nevada, all stock certificates which represented shares of the Company's Common Stock shall represent ownership of Energroun Nevada common stock. We will print new stock certificates and we will obtain a new CUSIP number for our common stock that reflects the reverse stock split, name change and change in our state of incorporation, although shareholders will not be required to tender their old stock certificates for transfer. However, to eliminate confusion in transactions in the Company's securities in the over-the-counter market, management urges shareholders to surrender their old certificates in exchange for new certificates issued in the new name of the Company and has adopted a policy to facilitate this process. Each shareholder will be entitled to submit

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

his or her old stock certificates (any certificates issued prior to the

11

effective date of the change in the Company's state of incorporation) to the transfer agent of the Company, Western States Transfer & Registrar, Inc., 1911 East Ryan Park Ave., Sandy, Utah 84092, Telephone (801) 523-1547, and be issued in exchange therefor new common stock certificates representing the number of shares of Energroup Nevada Common Stock of which each shareholder is the record owner after giving effect to the reverse stock split and change in state of incorporation.

For a period of 30 days, commencing with the date of the change of domicile merger, the Company will pay, on one occasion only, for the issuance of new stock certificates in exchange for old stock certificates submitted during such 30 day period; provided, the Company shall not pay any of the costs of issuing new stock certificates in the name of a person other than the name appearing on the old certificate or the issuance of new stock certificates in excess of the number of old certificates submitted by a shareholder. SHAREHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATE(S).

No scrip or fractional shares will be issued in connection with the reverse split and any fractional interests will be rounded up to the nearest whole share. The reverse split will not result in any modification of the rights of stockholders, and will have no effect on the stockholders' equity in the Corporation except for a transfer from stated capital to additional paid-in capital. All shares returned to the Corporation as a result of the reverse split will be canceled and returned to the status of authorized and unissued shares.

2. Effective Date. This Amendment shall become effective on August [___], 2007 (the "Effective Date").

(iii) the Surviving Corporation shall have all the rights, privileges, immunities, and powers and shall be subject to all duties and liabilities of a corporation organized under the laws of Nevada; and

(iv) the Surviving Corporation shall thereupon and thereafter possess all the rights, privileges, immunities, and franchises, of a public as well as a private nature, of each of the Constituent Corporations; and all property, real personal, and mixed, and all debts due of whatever account, including subscriptions to shares, and all other choses in action, and all and every other interest, of or belonging to or due to each of the Constituent Corporations, shall be taken and deemed to be transferred to and vested in the Surviving Corporation without further act or deed; the title to any real estate, or any interest therein, vested in either constituent Corporation shall not revert or be in any way impaired by reason of the merger; the Surviving Corporation shall thenceforth be responsible and liable for all the liabilities and obligations of each of the Constituent Corporations; any claim existing or action or proceeding pending by or against either of such Constituent Corporations may be prosecuted as if the merger had not taken place, or the Surviving Corporation may be substituted in place of either of the Constituent Corporations; and neither the rights of creditors nor any liens on the property of either of the Constituent Corporations shall be impaired by the merger.

2

Article III

Manner and Basis of Converting Shares

The manner and basis of converting the shares of Common Stock of Energroun-Utah into shares of the Common Stock of Energroun-Nevada, and the mode of carrying the merger into effect are as follows:

(a) Each share of Common Stock of Energroun-Utah outstanding on the effective date of the merger shall, without any action on the part of the holder thereof, be converted into one fully paid and nonassessable share of Common Stock of Energroun-Nevada, so that the approximately 1,928,203 shares of Common Stock of Energroun-Utah outstanding following implementation of the 1-for-7 reverse stock split are converted into an aggregate of approximately 1,928,203 shares of Common Stock of Energroun-Nevada, which shares of Common Stock of Energroun-Nevada shall thereupon be duly and validly issued and outstanding, fully paid, and nonassessable, and shall not be liable to any further call, nor shall the holders thereof be liable for any further payments with respect thereto. After the effective date of the merger, each holder of an outstanding certificate which prior thereto represented shares of the Common Stock of Energroun-Utah shall be entitled on surrender thereof to the transfer and exchange agent of Energroun-Nevada, to receive in exchange therefor a certificate or certificates representing the number of whole shares of Common Stock of Energroun-Nevada into which the shares of Common Stock of Energroun-Utah so surrendered shall have been converted as set forth above, in such denominations and registered in such names as such holder may request. Until so surrendered, each such outstanding certificate which, prior to the effective date of the merger, represented shares of the Common Stock of Energroun-Utah shall for all purposes evidence the ownership of the shares of Common Stock of Energroun-Nevada into which such shares shall have been converted; provided, that dividends or other distributions which are payable in respect to shares of Common Stock of Energroun-Nevada into which shares of Common Stock of Energroun-Utah shall have been converted shall be set aside by Energroun-Nevada and shall not be paid to holders of certificates, representing

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

such shares of Common Stock of Energroun-Utah until such certificates shall have been surrendered in exchange for certificates representing shares of Common Stock of Energroun-Nevada, and on such surrender, holders of such shares shall be entitled to receive such dividends or other distributions without interest.

(c) All shares of Common Stock of Energroun-Nevada into which shares of the Common Stock of Energroun-Utah shall have been converted pursuant to this Article III shall be issued in full satisfaction of all rights pertaining to the shares of Common Stock of Energroun-Utah.

(d) If any certificate for shares of Common Stock of Energroun-Nevada is to be issued in a name other than that in which the certificate surrendered in exchange therefor is registered, it shall be a condition of the issuance thereof that the certificate so surrendered shall be properly endorsed and otherwise in proper form for transfer and that the person requesting such exchange pay to Energroun-Nevada or any agent designated by it any transfer or other taxes required by reason of the issuance of a certificate for shares of Common Stock of Energroun-Nevada in any name other than that of the registered holder of the certificate surrendered, or established to the satisfaction of Energroun-Nevada or any agent designated by it that such tax has been paid or is not payable.

(e) The 1,000 shares of Common Stock of Energroun-Nevada held by Energroun-Utah shall be canceled and returned to the status of authorized and unissued shares.

ENERGROUP HOLDINGS CORPORATION

ARTICLE I

OFFICES

Section 1.
Registered Office.

Edgar Filing: ENERGROUPT TECHNOLOGIES CORP - Form PRE 14C

The registered office and registered agent of Energroupt Holdings Corporation (the "Corporation") will be as from time to time set forth in the Corporation's Articles of Incorporation or in any certificate filed with the Secretary of State of the State of Nevada, and the appropriate county Recorder or Recorders, as the case may be, to amend such information.

Section 2.

Other Offices.

The Corporation may also have offices at such other places both within and without the State of Nevada as the Board of Directors may from time to time determine or the business of the Corporation may require.

ARTICLE II

STOCKHOLDERS

Section 1.

Place of Meetings.

All meetings of the stockholders for the election of Directors will be held at such place, within or without the State of Nevada, as may be fixed from time to time by the Board of Directors. Meetings of stockholders for any other purpose may be held at such time and place, within or without the State of Nevada, as may be stated in the notice of the meeting or in a duly executed waiver of notice thereof.

Section 2.

Annual Meeting.

An annual meeting of the stockholders will be held at such time as may be determined by the Board of Directors, at which meeting the stockholders will elect a Board of Directors, and transact such other business as may properly be brought before the meeting.

Section 3.

List of Stockholders.

At least ten days before each meeting of stockholders, a complete list of the stockholders entitled to vote at said meeting, arranged in alphabetical order, with the address of and the number of voting shares registered in the name of each, will be prepared by the officer or agent having charge of the stock transfer books. Such list will be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten days prior to the meeting, at the principal place of business of the Corporation. Such list will be produced and kept open at the time and place of the meeting during the whole time thereof, and will be subject to the inspection of any stockholder who may be present.

Section 4.

Special Meetings.

Special meetings of the stockholders, for any purpose or purposes, unless otherwise prescribed by law, the Articles of Incorporation or these Bylaws, may be called by the Chairman of the Board, the President or the Board of Directors, or will be called by the President or Secretary at the request in writing of the holders of not less than 30% of all the shares issued, outstanding and entitled to vote. Such request will state the purpose or purposes of the proposed meeting. Business transacted at all special meetings will be confined to the purposes stated in the notice of the meeting unless all stockholders entitled to vote are present and consent.

Section 5.

Notice.

Written or printed notice stating the place, day and hour of any meeting of the stockholders and, in case of a special meeting, the purpose or purposes for which the meeting is called, will be delivered not less than ten nor more than

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

sixty days before the date of the meeting, either personally or by mail, by or at the direction of the Chairman of the Board, the President, the Secretary, or the officer or person calling the meeting, to each stockholder of record entitled to vote at the meeting. If mailed, such notice will be deemed to be delivered when deposited in the United States mail, addressed to the stockholder at his address as it appears on the stock transfer books of the Corporation, with postage thereon prepaid.

Section 6.

Quorum.

At all meetings of the stockholders, the presence in person or by proxy of the holders of a majority of the shares issued and outstanding and entitled to vote on that matter will be necessary and sufficient to constitute a quorum for the transaction of business except as otherwise provided by law, the Articles of Incorporation or these Bylaws. If, however, such quorum is not present or represented at any meeting of the stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, will have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present or represented. If the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting will be given to each stockholder of record entitled to vote at the meeting. At such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally notified.

Section 7.

Voting.

When a quorum is present at any meeting of the Corporation's stockholders, the vote of the holders of a majority of the shares present in person or by proxy entitled to vote on, and voted for or against, any matter will decide any questions brought before such meeting, unless the question is one upon which, by express provision of law, the Articles of Incorporation or these Bylaws, a different vote is required, in which case such express provision will govern and control the decision of such question. The stockholders present in person or by proxy at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum.

Section 8.

Method of Voting.

Each outstanding share of the Corporation's capital stock, regardless of class or series, will be entitled to one vote on each matter submitted to a vote at a meeting of stockholders, except to the extent that the voting rights of the shares of any class or series are limited or denied by the Articles of Incorporation, as amended from time to time. At any meeting of the stockholders, every stockholder having the right to vote will be entitled to vote in person, or by proxy appointed by an instrument in writing subscribed by such stockholder and bearing a date not more than three years prior to such meeting, unless such instrument provides for a longer period. A telegram, telex, cablegram or similar transmission by the stockholder, or a photographic, photostatic, facsimile or similar reproduction of a writing executed by the stockholder, shall be treated as an execution in writing for purposes of the preceding sentence. Each proxy will be revocable unless expressly provided therein to be irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A proxy may be made irrevocable regardless of whether the interest with which it is coupled is an interest in the stock itself or an interest in the Corporation generally. Such proxy will be filed with the

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

Secretary of the Corporation prior to or at the time of the meeting. Voting on any question or in any election, other than for directors, may be by voice vote or show of hands unless the presiding officer orders, or any stockholder demands, that voting be by written ballot.

Section 9.

Record Date.

The Board of Directors may fix in advance a record date for the purpose of determining stockholders entitled to notice of or to vote at a meeting of stockholders, which record date will not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date will not be less than ten nor more than sixty days prior to such meeting. In the absence of any action by the Board of Directors, the close of business on the date next preceding the day on which the notice is given will be the record date, or, if notice is waived, the close of business on the day next preceding the day on which the meeting is held will be the record date.

Section 10.

Action by Consent.

Except as prohibited by law, any action required or permitted by law, the Articles of Incorporation or these Bylaws to be taken at a meeting of the stockholders of the Corporation may be taken without a meeting if a consent or consents in writing, setting forth the action so taken, is signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and will be delivered to the Corporation by delivery to its registered office in Nevada, its principal place of business or an officer or agent of the Corporation having custody of the minute book.

2

ARTICLE III

BOARD OF DIRECTORS

Section 1.

Management.

The business and affairs of the Corporation will be managed by or under the direction of its Board of Directors who may exercise all such powers of the Corporation and do all such lawful acts and things as are not by law, by the Articles of Incorporation or by these Bylaws directed or required to be exercised or done by the stockholders.

Section 2.

Qualification; Election; Term.

Each Director must be a natural person at least 18 years of age. None of the Directors need be a stockholder of the Corporation or a resident of the State of Nevada. The Directors will be elected by written ballot, by plurality vote at the annual meeting of the stockholders, except as hereinafter provided, and each Director elected will hold office until whichever of the following occurs first: his successor is elected and qualified, his resignation, his removal from office by the stockholders or his death.

Section 3.

Number; Election; Term; Qualification.

The number of Directors which shall constitute the Board of Directors shall be not less than one. The first Board of Directors shall consist of the number of Directors named in the Articles of Incorporation. Thereafter, the number of

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

Directors which shall constitute the entire Board of Directors shall be determined by resolution of the Board of Directors at any meeting thereof, but shall never be less than one. No decrease in the number of Directors will have the effect of shortening the term of any incumbent Director. At each annual meeting of stockholders, Directors shall be elected to hold office until their successors are elected and qualified or until their earlier resignation, removal from office or death. No Director need be a stockholder, a resident of the State of Nevada, or a citizen of the United States.

Section 4.

Removal.

Any Director may be removed either for or without cause at any special meeting of stockholders by the affirmative vote of the stockholders representing not less than two-thirds of the voting power of the issued and outstanding stock entitled to vote for the election of such Director; provided, that notice of intention to act upon such matter has been given in the notice calling such meeting.

Section 5.

Vacancies.

Newly created directorships resulting from any increase in the authorized number of Directors and any vacancies occurring in the Board of Directors caused by death, resignation, retirement, disqualification or removal from office of any Directors or otherwise, may be filled by the vote of a majority of the Directors then in office, though less than a quorum, or a successor or successors may be chosen at a special meeting of the stockholders called for that purpose. A Director elected to fill a vacancy will be elected for the unexpired term of his predecessor in office or until whichever of the following occurs first: his successor is elected and qualified, his resignation, his removal from office by the stockholders or his death.

Section 6.

Place of Meetings.

Meetings of the Board of Directors, regular or special, may be held at such place within or without the State of Nevada as may be fixed from time to time by the Board of Directors.

Section 7.

Annual Meeting.

The first meeting of each newly elected Board of Directors will be held without further notice immediately following the annual meeting of stockholders and at the same place, unless by unanimous consent, the Directors then elected and serving change such time or place.

Section 8.

Regular Meetings.

Regular meetings of the Board of Directors may be held with or without notice and at such time and place as is from time to time determined by resolution of the Board of Directors.

Section 9.

Special Meetings.

Special meetings of the Board of Directors may be called by the Chairman of the Board or the President on oral or written notice to each Director, given either personally, by telephone, by facsimile or by mail, delivered not less than twenty-four hours in advance of the meeting; special meetings will be called by the Chairman of the Board, President or Secretary in like manner and on like notice on the written request of at least two Directors. Except as may be otherwise expressly provided by law, the Articles of Incorporation or these Bylaws, neither the business to be transacted at, nor the purpose of, any special meeting need be specified in a notice or waiver of notice.

Section 10.

Quorum.

At all meetings of the Board of Directors the presence of a majority of the number of Directors then in office will be necessary and sufficient to constitute a quorum for the transaction of business, and the affirmative vote of at least a majority of the Directors present at any meeting at which there is a quorum will be the act of the Board of Directors, except as may be otherwise specifically provided by law, the Articles of Incorporation or these Bylaws. If a quorum is not present at any meeting of the Board of Directors, the Directors present thereat may adjourn the meeting from time to time without notice other than announcement at the meeting, until a quorum is present.

Section 11.

Interested Directors.

No contract or transaction between the Corporation and one or more of its Directors or officers, or between the Corporation and any other corporation, partnership, association or other organization in which one or more of the Corporation's Directors or officers are directors or officers or have a financial interest, will be void or voidable solely for this reason, solely because the Director or officer is present at or participates in the meeting of the Board of Directors or committee thereof that authorizes the contract or transaction, or solely because his or their votes are counted for such purpose, if: (i) the material facts as to his relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum, (ii) the material facts as to his relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified by the Board of Directors, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee that authorizes the contract or transaction.

Section 12.

Action by Consent.

Any action required or permitted to be taken at any meeting of the Board of Directors or any committee of the Board of Directors may be taken without such a meeting if a consent or consents in writing, setting forth the action so taken, is signed by all the members of the Board of Directors or such committee, as the case may be.

Section 13.

Compensation of Directors.

Directors will receive such compensation for their services and reimbursement for their expenses as the Board of Directors, by resolution, may establish; provided that nothing herein contained will be construed to preclude any Director from serving the Corporation in any other capacity and receiving compensation therefor.

ARTICLE IV.

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

Section 5.

Removal.

Any committee member may be removed by the Board of Directors by the affirmative vote of a majority of the whole Board, whenever in its judgment the best interests of the Corporation will be served thereby.

Section 6.

Vacancies.

A vacancy occurring in any committee (by death, resignation, removal or otherwise) may be filled by the Board of Directors in the manner provided for original designation in Section 1 of this Article.

Section 7.

Meetings.

Time, place and notice (if any) of all committee meetings shall be determined by the respective committee. Unless otherwise determined by a particular committee, meetings of the committees may be called by any Director of the Corporation on not less than 12 hours notice to each member of the committee, either personally or by mail, telephone (including voice mail), email or other electronic or other delivery means. Neither the business to be transacted at, nor the purpose of, any meeting need be specified in a notice or waiver of notice of any meeting. (See also Section 3 of Article VIII).

Section 8.

Quorum; Majority Vote.

At meetings of any committee, a majority of the number of members designated by the Board of Directors shall constitute a quorum for the transaction of business. The act of a majority of the members present at any meeting at which a quorum is present shall be the act of the committee, except as otherwise specifically provided by statute or by the Articles of Incorporation or by these Bylaws. If a quorum is not present at a meeting of the committee, the members present thereat may adjourn the meeting from time to time, without notice other than an announcement at the meeting until a quorum is present.

Any committee designated by the Board of Directors may adopt a charter governing any of the matters covered by Sections 2 and 4 through 9 of this Article and, to the extent approved by the Board of Directors, any such charter shall supercede the provisions of Sections 2 and 4 through 9 of this Article.

5

ARTICLE V.

NOTICE

Section 1.

Form of Notice.

Whenever by law, the Articles of Incorporation or of these Bylaws, notice is to be given to any Director or stockholder, and no provision is

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

made as to how such notice will be given, such notice may be given: (i) in writing, by mail, postage prepaid, addressed to such Director or stockholder at such address as appears on the books of the Corporation or (ii) in any other method permitted by law. Any notice required or permitted to be given by mail will be deemed to be given at the time the same is deposited in the United States mail.

Section 2.

Waiver.

Whenever any notice is required to be given to any stockholder or Director of the Corporation as required by law, the Articles of Incorporation or these Bylaws, a waiver thereof in writing signed by the person or persons entitled to such notice, whether before or after the time stated in such notice, will be equivalent to the giving of such notice. Attendance of a stockholder or Director at a meeting will constitute a waiver of notice of such meeting, except where such stockholder or Director attends for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business on the ground that the meeting has not been lawfully called or convened.

ARTICLE VI.

Section 1.

Section 5.

Term of Office and Removal.

Each officer of the Corporation will hold office until his death, his resignation or removal from office, or the election and qualification of his successor, whichever occurs first. Any officer or agent elected or appointed by the Board of Directors may be removed at any time, for or without cause, by the affirmative vote of a majority of the entire Board of Directors, but such removal will not prejudice the contract rights, if any, of the person so removed. If the office of any officer becomes vacant for any reason, the vacancy may be filled by the Board of Directors.

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

Section 6.

Employment and Other Contracts.

The Board of Directors may authorize any officer or officers or agent or agents to enter into any contract or execute and deliver any instrument in the name or on behalf of the Corporation, and such authority may be general or confined to specific instances. The Board of Directors may, when it believes the interest of the Corporation will best be served thereby, authorize executive employment contracts that will have terms no longer than ten years and contain such other terms and conditions as the Board of Directors deems appropriate. Nothing herein will limit the authority of the Board of Directors to authorize employment contracts for shorter terms.

6

Section 7.

Chairman of the Board of Directors.

If the Board of Directors has elected a Chairman of the Board, he will preside at all meetings of the stockholders and the Board of Directors. Except where by law the signature of the President is required, the Chairman will have the same power as the President to sign all certificates, contracts and other instruments of the Corporation. During the absence or disability of the President, the Chairman will exercise the powers and perform the duties of the President.

Section 8.

President.

The President will be the Chief Executive Officer of the Corporation and, subject to the control of the Board of Directors, will supervise and control all of the business and affairs of the Corporation. He will, in the absence of the Chairman of the Board, preside at all meetings of the stockholders and the Board of Directors. The President will have all powers and perform all duties incident to the office of President and will have such other powers and perform such other duties as the Board of Directors may from time to time prescribe.

Section 9.

Vice Presidents.

Each Vice President will have the usual and customary powers and perform the usual and customary duties incident to the office of Vice President, and will have such other powers and perform such other duties as the Board of Directors or any committee thereof may from time to time prescribe or as the President may from time to time delegate to him. In the absence or disability of the President and the Chairman of the Board, a Vice President designated by the Board of Directors, or in the absence of such designation the Vice Presidents in the order of their seniority in office, will exercise the powers and perform the duties of the President.

Section 10.

Secretary.

The Secretary will attend all meetings of the stockholders and record all votes and the minutes of all proceedings in a book to be kept for that purpose. The Secretary will perform like duties for the Board of Directors and committees thereof when required. The Secretary will give, or cause to be given, notice of all meetings of the stockholders and special meetings of the Board of Directors. The Secretary will keep in safe custody the seal of the Corporation. The Secretary will be under the supervision of the President. The Secretary will have such other powers and perform such other duties as the Board of Directors may from time to time prescribe or as the

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

President may from time to time delegate to him.

Section 11.

Assistant Secretaries.

The Assistant Secretaries in the order of their seniority in office, unless otherwise determined by the Board of Directors, will, in the absence or disability of the Secretary, exercise the powers and perform the duties of the Secretary. They will have such other powers and perform such other duties as the Board of Directors may from time to time prescribe or as the President may from time to time delegate to them.

Section 12.

Treasurer.

The Treasurer will have responsibility for the receipt and disbursement of all corporate funds and securities, will keep full and accurate accounts of such receipts and disbursements, and will deposit or cause to be deposited all moneys and other valuable effects in the name and to the credit of the Corporation in such depositories as may be designated by the Board of Directors. The Treasurer will render to the Directors whenever they may require it an account of the operating results and financial condition of the Corporation, and will have such other powers and perform such other duties as the Board of Directors may from time to time prescribe or as the President may from time to time delegate to him.

Section 13.

Assistant Treasurers.

The Assistant Treasurers in the order of their seniority in office, unless otherwise determined by the Board of Directors, will, in the absence or disability of the Treasurer, exercise the powers and perform the duties of the Treasurer. They will have such other powers and perform such other duties as the Board of Directors may from time to time prescribe or as the President may from time to time delegate to them.

Section 14.

Bonding.

The Corporation may secure a bond to protect the Corporation from loss in the event of defalcation by any of the officers, which bond may be in such form and amount and with such surety as the Board of Directors may deem appropriate.

7

ARTICLE VII.

CERTIFICATES REPRESENTING SHARES

Section 1.

Form of Certificates.

Certificates, in such form as may be determined by the Board of Directors, representing shares to which stockholders are entitled will be delivered to each stockholder. Such certificates will be consecutively numbered and will be entered in the stock book of the Corporation as they are issued. Each certificate will state on the face thereof the holder's name, the number, class of shares, and the par value of such shares or a statement that such shares are without par value. They will be signed by the President or a Vice President and the Secretary or an Assistant Secretary, and may be sealed with the seal of the Corporation or a facsimile thereof. If any certificate is countersigned by a transfer agent,

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

or an assistant transfer agent or registered by a registrar, either of which is other than the Corporation or an employee of the Corporation, the signatures of the Corporation's officers may be facsimiles. In case any officer or officers who have signed, or whose facsimile signature or signatures have been used on such certificate or certificates, ceases to be such officer or officers of the Corporation, whether because of death, resignation or otherwise, before such certificate or certificates have been delivered by the Corporation or its agents, such certificate or certificates may nevertheless be adopted by the Corporation and be issued and delivered as though the person or persons who signed such certificate or certificates or whose facsimile signature or signatures have been used thereon had not ceased to be such officer or officers of the Corporation.

Section 2.

Lost Certificates.

The Board of Directors may direct that a new certificate be issued in place of any certificate theretofore issued by the Corporation alleged to have been lost or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate to be lost or destroyed. When authorizing such issue of a new certificate, the Board of Directors, in its discretion and as a condition precedent to the issuance thereof, may require the owner of such lost or destroyed certificate, or his legal representative, to advertise the same in such manner as it may require and/or to give the Corporation a bond, in such form, in such sum, and with such surety or sureties as it may direct as indemnity against any claim that may be made against the Corporation with respect to the certificate alleged to have been lost or destroyed. When a certificate has been lost, apparently destroyed or wrongfully taken, and the holder of record fails to notify the Corporation within a reasonable time after such holder has notice of it, and the Corporation registers a transfer of the shares represented by the certificate before receiving such notification, the holder of record is precluded from making any claim against the Corporation for the transfer of a new certificate.

Section 3.

Transfer of Shares.

Shares of stock will be transferable only on the books of the Corporation by the holder thereof in person or by such holder's duly authorized attorney. Upon surrender to the Corporation or the transfer agent of the Corporation of a certificate representing shares duly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer, it will be the duty of the Corporation or the transfer agent of the Corporation to issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction upon its books.

Section 4.

Section 1.02

Principal Office.

The address of the principal office of the corporation shall be at the address of the registered office of the corporation as so designated in the office of the Lieutenant Governor/Secretary of State of the state of incorporation, or at such other address as the Board of Directors shall from time to time determine.

ARTICLE II
SHAREHOLDERS

Section 2.01

Annual Meeting.

The annual meeting of the shareholders shall be held in May of each year or at such other time designated by the Board of Directors and as is provided for in the notice of the meeting, for the purpose of electing directors and for the transaction of such other business as may come before the meeting. If the election of directors shall not be held on the day designated for the annual meeting of the shareholders, or at any adjournment thereof, the Board of Directors shall cause the election to be held at a special meeting of the shareholders as soon thereafter as may be convenient.

Section 2.02

Edgar Filing: ENERGROUPT TECHNOLOGIES CORP - Form PRE 14C

Special Meetings.

Special meetings of the shareholders may be called at any time by the chairman of the board, the president, or by the Board of Directors, or in their absence or disability, by any vice president, and shall be called by the president or, in his or her absence or disability, by a vice president or by the secretary on the written request of the holders of not less than one-tenth of all the shares entitled to vote at the meeting, such written request to state the purpose or purposes of the meeting and to be delivered to the president, each vice-president, or secretary. In case of failure to call such meeting within 60 days after such request, such shareholder or shareholders may call the same.

Section 2.03

Place of Meetings.

The Board of Directors may designate any place, either within or without the state of incorporation, as the place of meeting for any annual meeting or for any special meeting called by the Board of Directors. A waiver of notice signed by all shareholders entitled to vote at a meeting may designate any place, either within or without the state of incorporation, as the place for the holding of such meeting. If no designation is made, or if a special meeting be otherwise called, the place of meeting shall be at the principal office of the corporation.

Section 2.04

Notice of Meetings.

The secretary or assistant secretary, if any, shall cause notice of the time, place, and purpose or purposes of all meetings of the shareholders (whether annual or special), to be mailed at least ten (10) days, but not more than fifty (50) days, prior to the meeting, to each shareholder of record entitled to vote.

Section 2.05

Waiver of Notice.

Any shareholder may waive notice of any meeting of shareholders (however called or noticed, whether or not called or noticed and whether before, during, or after the meeting), by signing a written waiver of notice or a consent to the holding of such meeting, or an approval of the minutes thereof. Attendance at a meeting, in person or by proxy, shall constitute waiver of all defects of call or notice regardless of whether waiver, consent, or approval is signed or any objections are made. All such waivers, consents, or approvals shall be made a part of the minutes of the meeting.

Section 2.06

Fixing Record Date.

For the purpose of determining shareholders entitled to notice of or to vote at any annual meeting of shareholders or any adjournment thereof, or shareholders entitled to receive payment of any dividend or in order to make a determination of shareholders for any other proper purpose, the Board of

Directors of the corporation may provide that the share transfer books shall be closed, for the purpose of determining shareholders entitled to notice of or to vote at such meeting, but not for a period exceeding fifty (50) days. If the share transfer books are closed for the purpose of determining shareholders entitled to notice of or to vote at such meeting, such books shall be closed for at least ten (10) days immediately preceding such meeting.

In lieu of closing the share transfer books, the Board of Directors may fix in advance a date as the record date for any such determination of shareholders,

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

such date in any case to be not more than fifty (50) and, in case of a meeting of shareholders, not less than ten (10) days prior to the date on which the particular action requiring such determination of shareholders is to be taken. If the share transfer books are not closed and no record date is fixed for the determination of shareholders entitled to notice of or to vote at a meeting or to receive payment of a dividend, the date on which notice of the meeting is mailed or the date on which the resolution of the Board of Directors declaring such dividend is adopted, as the case may be, shall be the record date for such determination of shareholders. When a determination of shareholders entitled to vote at any meeting of shareholders has been made as provided in this Section, such determination shall apply to any adjournment thereof. Failure to comply with this Section shall not affect the validity of any action taken at a meeting of shareholders.

Section 2.07 Voting Lists.

The officer or agent of the corporation having charge of the share transfer books for shares of the corporation shall make, at least ten (10) days before each meeting of shareholders, a complete list of the shareholders entitled to vote at such meeting or any adjournment thereof, arranged in alphabetical order, with the address of, and the number of shares held by each, which list, for a period of ten (10) days prior to such meeting, shall be kept on file at the registered office of the corporation and shall be subject to inspection by any shareholder during the whole time of the meeting. The original share transfer book shall be prima facia evidence as to the shareholders who are entitled to examine such list or transfer books, or to vote at any meeting of shareholders.

Section 2.08 Quorum.

One-half of the total voting power of the outstanding shares of the corporation entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of the shareholders. If a quorum is present, the affirmative vote of the majority of the voting power represented by shares at the meeting and entitled to vote on the subject shall constitute action by the shareholders, unless the vote of a greater number or voting by classes is required by the laws of the state of incorporation of the corporation or the Articles of Incorporation. If less than one-half of the outstanding voting power is represented at a meeting, a majority of the voting power represented by shares so present may adjourn the meeting from time to time without further notice. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed.

Section 2.09 Voting of Shares.

Each outstanding share of the corporation entitled to vote shall be entitled to one vote on each matter submitted to vote at a meeting of shareholders, except to the extent that the voting rights of the shares of any class or series of stock are determined and specified as greater or lesser than one vote per share in the manner provided by the Articles of Incorporation.

Section 2.10 Proxies.

At each meeting of the shareholders, each shareholder entitled to vote shall be entitled to vote in person or by proxy; provided, however, that the right to vote by proxy shall exist only in case the instrument authorizing such proxy to act shall have been executed in writing by the registered holder or holders of such shares, as the case may be, as shown on the share transfer of the corporation or by his or her or her attorney thereunto duly authorized in writing. Such instrument authorizing a proxy to act shall be delivered at the beginning of such meeting to the secretary of the corporation or to such other officer or person who may, in the absence of the secretary, be acting as

secretary of the meeting. In the event that any such instrument shall designate two or more persons to act as proxies, a majority of such persons present at the meeting, or if only one be present, that one shall (unless the instrument shall otherwise provide) have all of the powers conferred by the instrument on all persons so designated. Persons holding stock in a fiduciary capacity shall be entitled to vote the shares so held and the persons whose shares are pledged shall be entitled to vote, unless in the transfer by the pledge or on the books of the corporation he or she shall have expressly empowered the pledgee to vote thereon, in which case the pledgee, or his or her proxy, may represent such shares and vote thereon.

2

Section 2.11

Written Consent to Action by Shareholders.

Any action required to be taken at a meeting of the shareholders, or any other action which may be taken at a meeting of the shareholders, may be taken without a meeting, if a consent in writing, setting forth the action so taken, shall be signed by all of the shareholders entitled to vote with respect to the subject matter thereof.

ARTICLE III
DIRECTORS

Section 3.01

General Powers.

The property, affairs, and business of the corporation shall be managed by its Board of Directors. The Board of Directors may exercise all the powers of the corporation whether derived from law or the Articles of Incorporation, except such powers as are by statute, by the Articles of Incorporation or by these Bylaws, vested solely in the shareholders of the corporation.

Section 3.02

Number, Term, and Qualifications.

The Board of Directors shall consist of three to nine persons. Increases or decreases to said number may be made, within the numbers authorized by the Articles of Incorporation, as the Board of Directors shall from time to time determine by amendment to these Bylaws. An increase or a decrease in the number of the members of the Board of Directors may also be had upon amendment to these Bylaws by a majority vote of all of the shareholders, and the number of directors to be so increased or decreased shall be fixed upon a majority vote of all of the shareholders of the corporation. Each director shall hold office until the next annual meeting of shareholders of the corporation and until his or her successor shall have been elected and shall have qualified. Directors need not be residents of the state of incorporation or shareholders of the corporation.

Section 3.03

Classification of Directors.

In lieu of electing the entire number of directors annually, the Board of Directors may provide that the directors be divided into either two or three classes, each class to be as nearly equal in number as possible, the term of office of the directors of the first class to expire at the first annual meeting of shareholders after their election, that of the second class to expire at the second annual meeting after their election, and that of the third class, if any, to expire at the third annual meeting after their election. At each annual meeting after such classification, the number of directors equal to the number of the class whose term expires at the time of such meeting shall be elected to hold office until the second succeeding annual meeting, if there be two classes,

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

or until the third succeeding annual meeting, if there be three classes.

Section 3.04

Regular Meetings.

A regular meeting of the Board of Directors shall be held without other notice than this Bylaw immediately following, and at the same place as, the annual meeting of shareholders. The Board of Directors may provide by resolution the time and place, either within or without the state of incorporation, for the holding of additional regular meetings without other notice than such resolution.

Section 3.05

Special Meetings.

Special meetings of the Board of Directors may be called by or at the request of the president, vice president, or any two directors. The person or persons authorized to call special meetings of the Board of Directors may fix any place, either within or without the state of incorporation, as the place for holding any special meeting of the Board of Directors called by them.

Section 3.06

Meetings by Telephone Conference Call.

Members of the Board of Directors may participate in a meeting of the Board of Directors or a committee of the Board of Directors by means of conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section shall constitute presence in person at such meeting.

Section 3.07

Notice.

Notice of any special meeting shall be given at least ten (10) days prior thereto by written notice delivered personally or mailed to each director at his or her regular business address or residence, or by telegram. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage thereon prepaid. If notice be given by telegram, such notice shall be deemed to be delivered when the telegram is delivered to the telegraph company. Any director may waive notice of any meeting. Attendance of a director at a meeting shall constitute a waiver of notice of such meeting,

3

except where a director attends a meeting solely for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 3.08

Quorum.

A majority of the number of directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, but if less than a majority is present at a meeting, a majority of the directors present may adjourn the meeting from time to time without further notice.

Section 3.09

Manner of Acting.

The act of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, and the individual directors shall have no power as such.

Section 3.10

Vacancies and Newly Created Directorship.

If any vacancies shall occur in the Board of Directors by reason of death,

Edgar Filing: ENERGROUP TECHNOLOGIES CORP - Form PRE 14C

resignation or otherwise, or if the number of directors shall be increased, the directors then in office shall continue to act and such vacancies or newly created directorships shall be filled by a vote of the directors then in office, though less than a quorum, in any way approved by the meeting. Any directorship to be filled by reason of removal of one or more directors by the shareholders may be filled by election by the shareholders at the meeting at which the director or directors are removed.

Section 3.11 Compensation.

By resolution of the Board of Directors, the directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors, and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as director. No such payment shall preclude any director from serving the corporation in any other capacity and receiving compensation therefor.

Section 3.12 Presumption of Assent.

A director of the corporation who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless his or her or her dissent shall be entered in the minutes of the meeting, unless he or she shall file his or her or her written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof, or shall forward such dissent by registered or certified mail to the secretary of the corporation immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

Section 3.13 Resignations.

A director may resign at any time by delivering a written resignation to either the president, a vice president, the secretary, or assistant secretary, if any. The resignation shall become effective on its acceptance by the Board of Directors; provided, that if the board has not acted thereon within ten days (10) from the date presented, the resignation shall be deemed accepted.

Section 3.14 Written Consent to Action by Directors.

Any action required to be taken at a meeting of the directors of the corporation or any other action which may be taken at a meeting of the directors or of a committee, may be taken without a meeting, if a consent in writing, setting forth the action so taken, shall be signed by all of the directors, or all of the members of the committee, as the case may be. Such consent shall have the same legal effect as a unanimous vote of all the directors or members of the committee.

Section 3.15 Removal.

At a meeting expressly called for that purpose, one or more directors may be removed by a vote of a majority of the shares of outstanding stock of the corporation entitled to vote at an election of directors.

ARTICLE IV OFFICERS

Section 4.01 Number.
