Sprint shareholders receive SoftBank proxy statements, voting instructions

5/24/2013

Recently, we sent proxy materials for the special meeting June 12 of Sprint shareholders, when among other things Sprint shareholders will vote on a proposal to adopt the merger agreement with SoftBank.

To adopt the merger agreement, a majority of outstanding shares of Sprint common stock entitled to vote at the special meeting must vote in favor of the adoption of the merger agreement.

A Sprint shareholder's failure to vote or an abstention will have the same effect as a vote against the adoption of the merger agreement. Accordingly, your vote is very important.

The Sprint board of directors recommends that you vote "FOR" the adoption of the merger agreement; however, shareholders should review the proxy materials carefully before voting. For more information on the transaction employees can also visit the SoftBank microsite on i-Connect.

Please vote TODAY by telephone, via the Internet, or by signing, dating and returning the enclosed proxy card in the envelope provided with your proxy materials.

Remember:

You can vote your shares by telephone, or via the Internet.

Please follow the easy instructions on the enclosed card.

If you have questions, or need assistance in voting your shares, please call our proxy solicitor,

Georgeson Inc.

#### Cautionary Statement Regarding Forward Looking Statements

This document includes "forward-looking statements" within the meaning of the securities laws. The words "may," "could," "should," "estimate," "project," "forecast," "intend," "expect," "anticipate," "believe," "target," "plan," "providing guidance" and other expressions are intended to identify information that is not historical in nature.

This document contains forward-looking statements relating to the proposed transactions between Sprint Nextel Corporation ("Sprint") and SoftBank Corp. ("SoftBank") and its group companies, including Starburst II, Inc. ("Starburst II"), and the proposed acquisition by Sprint of Clearwire Corporation ("Clearwire"). All statements, other than historical facts, including, but not limited to: statements regarding the expected timing of the closing of the transactions; the ability of the parties to complete the transactions considering the various closing conditions; the expected benefits of the transactions such as improved operations, enhanced revenues and cash flow, growth potential, market profile and financial strength; the competitive ability and position of SoftBank or Sprint; and any assumptions underlying any of the foregoing, are forward-looking statements. Such statements are based upon current plans, estimates and expectations that are subject to risks, uncertainties and assumptions. The inclusion of such statements should not be regarded as a representation that such plans, estimates or expectations will be achieved. You should not place undue reliance on such statements. Important factors that could cause actual results to differ materially from such plans, estimates or expectations include, among others, that (1) there may be a material adverse change of SoftBank; (2) the proposed financing may involve unexpected costs, liabilities or delays or may not be completed on terms acceptable to SoftBank, if at all; and (3) other factors as detailed from time to time in Sprint's, Starburst II's and Clearwire's filings with the Securities and Exchange Commission ("SEC"), including Sprint's and Clearwire's Annual Reports on Form 10-K for the year ended December 31, 2012, and other factors that are set forth in the proxy statement/prospectus

contained in Starburst II's Registration Statement on Form S-4, which was declared effective by the SEC on May 1, 2013, and in other materials that will be filed by Sprint, Starburst II and Clearwire in connection with the transactions, which will be available on the SEC's web site ([www.sec.gov](http://www.sec.gov)). There can be no assurance that the transactions will be completed, or if completed, that such transactions will close within the anticipated time period or that the expected benefits of such transactions will be realized.

All forward-looking statements contained in this document and the documents referenced herein are made only as of the date of the document in which they are contained, and none of Sprint, SoftBank or Starburst II undertakes any obligation to update any forward-looking statement to reflect events or circumstances after the date on which the statement is made or to reflect the occurrence of unanticipated events except as required by law. Readers are cautioned not to place undue reliance on any of these forward-looking statements.
