ITEM 3.01 NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED LISTING
RULE OR STANDARD

On October 25, 2005, the American Stock Exchange ("AMEX") notified Island Pacific, Inc. (the "Company") of the decision by the AMEX Listing Qualifications Panel (the "Panel") to delist the Company's common stock from AMEX. The decision follows a hearing before the Panel on October 18, 2005. The Panel affirmed the AMEX staff's determination to delist the Company's common stock due to the Company's non-compliance with certain Amex continued listing standards. Specifically, the Panel agreed with the AMEX staff's analysis that the Company is not in compliance with: (1) Sections 134 and 1101 of the Amex Company Guide (the "Company Guide"), in that the Company has failed to file its Form 10-K for the fiscal year ended March 31, 2005 and its Form 10-Q for the quarter ended June 30, 2005; and (2) Section 1003(a)(iv) of the Company Guide, in that the Company has sustained losses which are so substantial in relation to its overall operations or its existing financial resources, or its financial condition has

become so impaired that it appears questionable, in the opinion of AMEX, as to whether the Company will be able to continue operations and/or meet its obligations as they mature.

AMEX will suspend trading in the Company's common stock as soon as practicable in accordance with Section 1204(d) of the AMEX Company Guide and will file an application with the U.S. Securities and Exchange Commission to strike the Company's common stock from listing and registration when and if authorized in accordance with Sections 1205(g), 1206(d) and 1206(e) of the AMEX Company Guide.

Following delisting, the Company expects its common stock to be quoted on the Pink Sheets.

The Company issued a press release on October 31, 2005, announcing the foregoing, a copy of which is attached as hereto as Exhibit 99.1.
