PROXY STATEMENT

Edgar Filing: VALLEY FORGE SCIENTIFIC CORP - Form DEF 14A

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Valley Forge Scientific Corp., a Pennsylvania corporation (the "Company"), in connection with the Company's Annual Meeting of Shareholders (the "Meeting"), which is scheduled to be held at 10:30 a.m., local time, on Wednesday, March 13, 2002, at the Hampton Inn, Route 422 and Egypt Road, Oaks, Pennsylvania, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of the Meeting. This Proxy Statement, the foregoing notice, the enclosed proxy, and the Annual Report to Shareholders are being sent to shareholders on or about February 5, 2002.

The Board of Directors knows of no matters that are likely to be brought before the Meeting, other than the matters specifically referred to in the Notice of the Meeting. If any other matter properly comes before the Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters. If the enclosed proxy is properly executed and returned prior to voting at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. In the absence of instructions, executed proxies will be voted "FOR" the five nominees of the Board of Directors for election as directors.

Any proxy may be revoked at any time prior to its exercise by notifying the Secretary of the Company in writing, by delivering a duly executed proxy bearing a later date, or by attending the Meeting and voting in person.

RECORD DATE

The record date for determining the holders of common stock ("Common Stock") of the Company who are entitled to notice and to vote at the Meeting was February 1, 2002.

VOTING SECURITIES

At February 1, 2002, the Company had 8,067,812 shares of Common Stock outstanding. Holders of record of Common Stock as of such date will be entitled to one vote for each share held.

The presence at the meeting, in person or by proxy, of holders of shares of Common Stock having, in the aggregate, a majority of the votes entitled to cast at the Meeting will constitute a quorum for the Meeting. The affirmative vote by the holders of a plurality of the shares of Common Stock represented at the Meeting is required for the election of Directors, provided a quorum is present in person or by proxy.

[1]

Abstentions are included in the shares present at the Meeting for purposes of determining whether a quorum is present, and are counted as a vote against for purposes of determining whether a proposal is approved. Broker non-votes (when shares are represented at the Meeting by a proxy specifically conferring only limited authority to vote on certain matters and no authority to vote on other matters) are included in the determination of the number of shares represented at the Meeting for purposes of determining whether a quorum is present but are not counted for purposes of determining whether a proposal has been approved and thus have no effect on the outcome.

PROPOSALS TO BE ACTED UPON AT THE ANNUAL MEETING

PROPOSAL 1 ELECTION OF DIRECTORS

Edgar Filing: VALLEY FORGE SCIENTIFIC CORP - Form DEF 14A

At the Meeting, the shareholders will elect five directors to hold office until the Annual Meeting of Shareholders in 2003, and until their respective successors are duly elected and qualified.

The Company's by-laws provide that the Board of Directors shall consist of not fewer than three members. The Board of Directors has fixed the number of directors at five. Jerry L. Malis, Leonard I. All directors hold office until the next annual meeting of shareholders, or until their successors are elected and qualified.

It is the intention of the persons named in the accompanying proxy to vote, unless otherwise instructed, "FOR" the election as directors of the five nominees named above. All nominees have expressed their willingness to serve as directors. If any of the nominees should be unable to serve, the proxies will be voted for the election of such other person or persons as shall be determined by the person in the proxy in accordance with their judgment. The Company is not aware of any reason why any of the nominees, if elected, should be unable to serve as a director. Effective July 1, 1994, the Company entered into employment agreements with Jerry L. Malis, President, and Thomas J. Gilloway, Executive Vice President, for terms of 63 months expiring on September 30, 1999. The agreements provided for annual base salaries to Mr. Malis and Mr. Gilloway of \$148,720 and \$126,940, respectively with annual base salary increases of 10% commencing on October 1, 1994. In addition the agreements provided that Messrs. Malis and Gilloway may receive such other cash and stock bonus and benefits as may be determined from time to time by the Board of Directors. On September 30, 1999, the Company amended the employment agreements with Messrs. Malis and Gilloway to extend the terms for an additional year effective October 1, 1999. As extended the employment agreements provided for annual base salary of \$198,950 for Jerry L. Malis and \$90,000 for Thomas J. Gilloway. Although the employment agreements for Messrs.
