1. Purpose of the Plan

The Gap, Inc. hereby establishes The Gap, Inc. Employee Stock Purchase Plan, effective as of December 1, 1994, in order to provide eligible employees of the Company and its participating Subsidiaries with the opportunity to purchase Common Stock through payroll deductions. The Plan is intended to qualify as an employee stock purchase plan under Section 423(b) of the Code.

2. Definitions

2.1 "1934 Act" means the Securities Exchange Act of 1934, as amended. Reference to a specific Section of the 1934 Act or regulation thereunder shall include such Section or regulation, any valid regulation promulgated under such Section, and any comparable provision of any future legislation or regulation amending, supplementing or superseding such Section or regulation.

2.4 "Committee" shall mean the committee appointed by the company's Chief Executive Officer to administer the Plan. The members of the Committee shall serve at the pleasure of the Chief Executive Officer. Any member of the Committee may resign at any time by notice in writing mailed or delivered to the Secretary of the Company. As of the effective date of the Plan, the members of the Committee shall consist of the Retirement Committee appointed under GapShare, the Company's "401(k)" Plan.

2.5 "Common Stock" means the common stock of the Company.

2.6 "Company" means The Gap, Inc., a Delaware corporation.

2.7 "Compensation" means a Participant's salary, wages, commissions and overtime pay. A Participant's compensation shall not include any other type of remuneration.

2.8 "Eligible Employee" means every Employee of an Employer, except any Employee who, immediately after the grant of an option under the Plan, would own stock and/or hold outstanding options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any Subsidiary of the Company (including stock attributed to such Employee pursuant to Section 424(d) of the Code).

2.9 "Employee" means an individual who is a common-law employee of any Employer, whether such employee is so employed at the time the Plan is adopted or becomes so employed subsequent to the adoption of the Plan. Notwithstanding

Edgar Filing: GAP INC - Form DEFA14A

the preceding sentence, the term "Employee" shall not include any individual who is classified as a "seasonal employee" (i.e., an employee whose customary employment is for not more than 5 months in any calendar year).

2.10 "Employer" or "Employers" means any one or all of the Company and those Subsidiaries which, with the consent of the Board, have adopted the Plan.

2.11 "Enrollment Date" means December 1, 1994, each June 1 of each subsequent year, and/or such other dates determined by the Committee (in its discretion) from time to time.

2.12 "Grant Date" means any date on which a Participant is granted an option under the Plan.

2.13 "Participant" means an Eligible Employee who (a) has become a Participant in the Plan pursuant to Section 4.1 and (b) has not ceased to be a Participant pursuant to Section 7 or Section 8.

2.14 "Plan" means The Gap, Inc. Employee Stock Purchase Plan, as set forth in this instrument and as hereafter amended from time to time.

2.15 "Purchase Date" means the last business day of May and November, or such other specific business days as may be established by the Committee from time to time prior to an Enrollment Date for all options to be granted on such Enrollment Date.

2.16 "Subsidiary" means any corporation (other than the Company) in an unbroken chain of corporations beginning with the Company if, at the time of granting options under the Plan, each of the corporations other than the last corporation in the unbroken chain owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in such chain.

3. Shares Subject to the Plan

3.1 Number Available. 24,500,000 shares of Common Stock are available for issuance pursuant to the Plan. Shares sold under the Plan may be newly issued shares or treasury shares.

3.2 Adjustments. In the event of any reorganization, recapitalization, stock split, reverse stock split, stock dividend, combination of shares, merger, consolidation, offering of rights or other similar change in the capital structure of the Company, the Board may make such adjustment, if any, as it deems appropriate in the number, kind and purchase price of the shares available for purchase under the Plan and in the maximum number of shares subject to any option under the Plan.

4. Enrollment

4.1 Participation. Each Eligible Employee may elect to become a Participant by enrolling or re-enrolling in the Plan effective as of any Enrollment Date. In order to enroll, an eligible employee must complete, sign and submit to the Company an enrollment form in such form as may be specified by the Committee from time to time. Any enrollment form received by the Company no later than seven (7) calendar days before an Enrollment Date shall be effective on that Enrollment Date, provided that the Committee, in its discretion, may (on a uniform and nondiscriminatory basis) specify an earlier or later deadline for the submission of enrollment forms. Any Participant whose option expires and who

Edgar Filing: GAP INC - Form DEFA14A

has not withdrawn from the Plan automatically will be re-enrolled in the Plan on the Enrollment Date immediately following the Purchase Date on which his or her option expires.

4.2 Payroll Withholding. On his or her enrollment form, each Participant must elect to make Plan contributions via payroll withholding from his or her Compensation at a rate equal to any whole percentage from 1% to 15%, or such lesser percentage that the Committee may establish from time to time for all options to be granted on any Enrollment Date. A Participant may elect to increase or decrease his or her rate of payroll withholding (effective as of any Enrollment Date) by submitting a new enrollment form in accordance with such procedures as may be established by the Committee from time to time. A Participant may stop his or her payroll withholding by submitting a new enrollment form in accordance with such procedures as may be established by the Committee from time to time. In order to be effective, an enrollment form must be received by the Company no later than seven (7) calendar days before the date elected for the change or cessation, provided that the Committee, in its discretion, may (on a uniform and nondiscriminatory basis) specify an earlier or later deadline for the submission of enrollment forms. Any participant who is automatically re-enrolled in the Plan will be deemed to have elected to continue his or her contributions at the percentage last elected by the Participant.

5. Options to Purchase Common Stock

5.1 Grant of Option. On each Enrollment Date on which the Participant enrolls or re-enrolls in the Plan, he or she shall be granted an option to purchase shares of Common Stock.

5.2 Duration of Option. Each option granted under the Plan shall expire on the earliest to occur of (a) the completion of the purchase of shares on the last Purchase Date occurring within 27 months of the Grant Date of such option, (b) such shorter option period as may be established by the Committee from time to time prior to an Enrollment Date for all options to be granted on such Enrollment Date, or (c) the date on which the participant ceases to be such for any reason. Until otherwise determined by the Committee for all options to be granted on an Enrollment Date, the period referred to in clause (b) in the preceding sentence shall mean (a) for options granted on December 1, 1994, the period from December 1, 1994, through May 31, 1995, and (b) for options granted on or after June 1, 1995, the period from the applicable Enrollment Date through the last business day of the May next following the Enrollment Date.

5.3 Number of Shares Subject to Option. The number of shares available for purchase by each Participant under the option will be established by the Committee from time to time prior to an Enrollment Date for all options to be granted on such Enrollment Date. Notwithstanding the preceding, an option (taken together with all other options then outstanding under this Plan and under all other similar employee stock purchase plans of the Employers) shall not give the Participant the right to purchase shares at a rate which accrues in excess of \$25,000 of fair market value at the applicable Grant Dates of such shares (less the fair market value at the applicable Grant Dates of any shares previously purchased during such year under options which have expired or terminated) in any calendar year during which such Participant is enrolled in the Plan at any time. Notwithstanding the preceding, in no event shall a Participant have the right to purchase in excess of 25,000 shares of Common Stock in any calendar year.

5.4 Other Terms and Conditions. Each option shall be subject to the following additional terms and conditions:

Edgar Filing: GAP INC - Form DEFA14A

(a) payment for shares purchased under the option shall be made only through payroll withholding under Section 4.2;

(b) purchase of shares upon exercise of the option will be accomplished only in installments in accordance with Section 6.1;

(c) the price per share under the option will be determined as provided in Section 6.1; and

(d) the option in all respects shall be subject to such other terms and conditions (applied on a uniform and nondiscriminatory basis), as the Committee shall determine from time to time in its discretion.

6. Purchase of Shares

6.1 Exercise of Option. On each Purchase Date, the funds then credited to each Participant's account shall be used to purchase whole shares of Common Stock, or fractional shares of Common Stock at the Committee's discretion. Any cash remaining after whole shares of Common Stock have been purchased shall be carried forward in the Participant's account for the purchase of shares on the next Purchase Date. The price of the shares purchased under any option shall be 85% of the lower of:

(a) the closing price of Common Stock on the Grant Date for such option on the New York Stock Exchange Composite Transactions Index; or

(b) the closing price of Common Stock on the Purchase Date on the New York Stock Exchange Composite Transactions Index.

6.2 Crediting of Shares. Shares purchased on any Purchase Date shall be delivered to a broker designated by the Committee to hold shares for the benefit of the Participants. As determined by the Committee from time to time, such shares shall be delivered as physical certificates or by means of a book entry system. Although the Participant may direct the broker to sell such shares at any time (subject to applicable securities laws), the shares may not be transferred to another broker or to any other person (including the Participant) until 24 months after the Grant Date of the option with which the shares were purchased.

6.3 Exhaustion of Shares. If at any time the shares available under the Plan are over-enrolled, enrollments shall be reduced proportionately to eliminate the over-enrollment. Any funds that cannot be applied to the purchase of shares due to over-enrollment shall be refunded to the Participants (without interest).

7. Withdrawal

7.1 Withdrawal. A Participant may withdraw from the Plan by submitting a completed enrollment form to the Company. A withdrawal will be effective only if it is received by the Company at least seven (7) calendar days before the proposed date of withdrawal, provided that the Committee, in its discretion, may specify (on a uniform and nondiscriminatory basis) an earlier or later deadline for the submission of enrollment forms. When a withdrawal becomes effective, the Participant's payroll contributions shall cease and all amounts then credited to the Participant's account shall be distributed to him or her (without interest).

8. Cessation of Participation

Edgar Filing: GAP INC - Form DEFA14A

8.1 Termination of Status as Eligible Employee. A Participant shall cease to be a Participant immediately upon the cessation of his or her status as an Eligible Employee (for example, because of his or her termination of employment from all Employers for any reason). As soon as practicable after such cessation, the Participant's payroll contributions shall cease and all amounts then credited to the Participant's account shall be distributed to him or her (without interest). Notwithstanding the preceding sentence, if the Participant's termination is not entered into the Company's payroll system in sufficient time to prevent the purchase of shares on the next Purchase Date, the amounts then credited to the Participant's account shall be used to purchase whole shares of Common Stock, with any remaining amount refunded to the Participant (without interest).

9. Designation of Beneficiary

9.1 Designation. Each Participant may, pursuant to such uniform and nondiscriminatory procedures as the Committee may specify from time to time, designate one or more Beneficiaries to receive any amounts credited to the Participant's account at the time of his or her death. Notwithstanding any contrary provision of this Section 9, Sections 9.1 and 9.2 shall be operative only after (and for so long as) the Committee determines (on a uniform and nondiscriminatory basis) to permit the designation of Beneficiaries.

9.2 Changes. A Participant may designate different Beneficiaries (or may revoke a prior Beneficiary designation) at any time by delivering a new designation (or revocation of a prior designation) in like manner. Any designation or revocation shall be effective only if it is received by the Committee. However, when so received, the designation or revocation shall be effective as of the date the designation or revocation is executed (whether or not the Participant still is living), but without prejudice to the Committee on account of any payment made before the change is recorded. The last effective designation received by the Committee shall supersede all prior designations.

9.3 Failed Designations. If a Participant dies without having effectively designated a Beneficiary, or if no Beneficiary survives the Participant, the Participant's Account shall be payable to his or her estate.

10. Administration

10.1 Plan Administrator. The Plan shall be administered by the Committee. The Committee shall have the authority to control and manage the operation and administration of the Plan.

10.2 Actions by Committee. Each decision of a majority of the members of the Committee then in office shall constitute the final and binding act of the Committee. The Committee may act with or without a meeting being called or held and shall keep minutes of all meetings held and a record of all actions taken by written consent.

10.3 Powers of Committee. The Committee shall have all powers and discretion necessary or appropriate to supervise the administration of the Plan and to control its operation in accordance with its terms, including, but not by way of limitation, the following discretionary powers:

(a) To interpret and determine the meaning and validity of the provisions of the Plan and the options and to determine any question arising under, or in connection with, the administration, operation or validity of the Plan or the

Edgar Filing: GAP INC - Form DEFA14A

options;

(b) To determine any and all considerations affecting the eligibility of any employee to become a Participant or to remain a Participant in the Plan;

(c) To cause an account or accounts to be maintained for each Participant;

(d) To determine the time or times when, and the number of shares for which, options shall be granted;

(e) To establish and revise an accounting method or formula for the plan;

(f) To designate a broker to receive shares purchased under the Plan and to determine the manner and form in which shares are to be delivered to the designated broker;

(g) To determine the status and rights of Participants and their Beneficiaries or estates;

(h) To employ such brokers, counsel, agents and advisers, and to obtain such broker, legal, clerical and other services, as it may deem necessary or appropriate in carrying out the provisions of the Plan;

(i) To establish, from time to time, rules for the performance of its powers and duties and for the administration of the Plan;

(j) To adopt such procedures and subplans as are necessary or appropriate to permit participation in the Plan by employees who are foreign nationals or employed outside of the United States;

(k) To delegate to any one or more of its members or to any other person, severally or jointly, the authority to perform for and on behalf of the Committee one or more of the functions of the Committee under the Plan.

10.4 Decisions of Committee. All actions, interpretations, and decisions of the Committee shall be conclusive and binding on all persons, and shall be given the maximum possible deference allowed by law.

10.5 Administrative Expenses. All expenses incurred in the administration of the Plan by the Committee, or otherwise, including legal fees and expenses, shall be paid and borne by the Employers, except any stamp duties or transfer taxes applicable to the purchase of shares may be charged to the

account of each Participant. Any brokerage fees for the purchase of shares by a Participant shall be paid by the Company, but brokerage fees for the resale of shares by a Participant shall be borne by the Participant.

10.6 Eligibility to Participate. No member of the Committee who is also an employee of an Employer shall be excluded from participating in the Plan if otherwise eligible, but he or she shall not be entitled, as a member of the Committee, to act or pass upon any matters pertaining specifically to his or her own account under the Plan.

10.7 Indemnification. Each of the Employers shall, and hereby does, indemnify and hold harmless the members of the Committee and the Board, from and against any and all losses, claims, damages or liabilities (including attorneys' fees and amounts paid, with the approval of the Board, in settlement of any claim) arising out of or resulting from the implementation of a duty, act or decision with respect to the Plan, so long as such duty, act or decision does not involve gross negligence or willful misconduct on the part of any such

individual.

11. Amendment, Termination and Duration

11.1 Amendment, Suspension, or Termination. The Board, in its sole discretion, may amend or terminate the Plan, or any part thereof, at any time and for any reason. If the Plan is terminated, the Board, in its discretion, may elect to terminate all outstanding options either immediately or upon completion of the purchase of shares on the next Purchase Date, or may elect to permit options to expire in accordance with their terms (and participation to continue through such expiration dates). If the options are terminated prior to expiration, all amounts then credited to Participants' accounts which have not been used to purchase shares shall be returned to the Participants (without interest) as soon as administratively practicable.

11.2 Duration of the Plan. The Plan shall commence on the date specified herein, and subject to Section 11.1 (regarding the Board's right to amend or terminate the Plan), shall remain in effect thereafter.

12. General Provisions

12.1 Participation by Subsidiaries. One or more Subsidiaries of the Company may become participating Employers by adopting the Plan and obtaining approval for such adoption from the Board. By adopting the Plan, a Subsidiary shall be deemed to agree to all of its terms, including (but not limited to) the provisions granting exclusive authority (a) to the Board to amend the Plan, and (b) to the Committee to administer and interpret the Plan. Any Subsidiary may terminate its participation in the Plan at any time. The liabilities incurred under the Plan to the Participants employed by each Employer shall be solely the liabilities of the Employer, and no other Employer shall be liable for benefits accrued by a Participant during any period when he or she was not employed by such Employer.

12.2 Inalienability. In no event may either a Participant, a former Participant or his or her Beneficiary, spouse or estate sell, transfer, anticipate, assign, hypothecate, or otherwise dispose of any right or interest under the Plan; and such rights and interests shall not at any time be subject to the claims of creditors nor be liable to attachment, execution or other legal process. Accordingly, for example, a Participant's interest in the Plan is not transferable pursuant to a domestic relations order. The preceding shall not affect the Participant's right to direct the sale or transfer of shares that have been allocated to the Participant's account at the broker designated by the Committee (subject to the provisions of the Plan).

12.3 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

12.4 Requirements of Law. The granting of options and the issuance of shares shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or securities exchanges as the Committee may determine are necessary or appropriate.

12.5 No Enlargement of Employment Rights. Neither the establishment or maintenance of the Plan, the granting of options, the purchase of shares, nor any action of any Employer or the Committee, shall be held or construed to confer upon any individual any right to be continued as an employee of the

Edgar Filing: GAP INC - Form DEFA14A

Employer nor, upon dismissal, any right or interest in any specific assets of the Employers other than as provided in the Plan. Each Employer expressly reserves the right to discharge any employee at any time, with or without cause.

12.6 Apportionment of Cost and Duties. All acts required of the Employers under the Plan may be performed by the Company for itself and its Subsidiary, and the costs of the Plan may be equitably apportioned by the Committee among the Company and the other Employers. Whenever an Employer is permitted or required under the terms of the Plan to do or perform any act, matter or thing, it shall be done and performed by any officer or employee of the Employers who is thereunto duly authorized by the Employers.

12.7 Construction and Applicable Law. The Plan is intended to qualify as an "employee stock purchase plan" within the meaning of Section 423 of the Code. Any provision of Plan which is inconsistent with Section 423 of the Code shall without further act or amendment by the Company or the Board be reformed to comply with the requirements of ss. 423. The provisions of the Plan shall be construed, administered and enforced in accordance with such Section and with the laws of the State of California (excluding California's conflict of laws provisions).

12.8 Captions. The captions contained in and the table of contents prefixed to the Plan are inserted only as a matter of convenience, and in no way define, limit, enlarge or describe the scope or intent of the Plan nor in any way shall affect the construction of any provision of the Plan.
