Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements with Certain Officers.

Kilroy Realty Corporation (the “Company”) held its 2014 annual meeting of stockholders (the “Annual Meeting”) on May 22, 2014. At the Annual Meeting, the stockholders of the Company approved an amended and restated Kilroy Realty 2006 Incentive Award Plan (the “Plan”). The amended and restated Plan reflects the following amendments:

The limit on the aggregate number of shares of the Company’s common stock that may be delivered pursuant to all awards granted under the Plan was increased by an additional 1,000,000 shares so that the new aggregate share limit under the Plan is 7,120,000 shares (the “Share Limit”).

The Plan previously provided that shares issued in respect of any “full-value award” (which generally includes awards other than stock option grants and stock appreciation rights) were counted against the Share Limit as 2.92 shares for every one share actually issued in connection with the award. The Plan also previously provided that shares issued in respect of certain types of stock options and other awards were counted against the Share Limit at certain premium ratios ranging from 1.15 shares to 1.29 shares for every one share actually issued in connection with the award. The amended and restated Plan eliminates all of these fungible or premium share counting rules as to awards granted under the Plan on or after March 31, 2014 so that shares issued in respect of any award granted under the Plan on or after March 31, 2014 will be counted against the Share Limit on a one-for-one basis.

Shares tendered by an award-holder or withheld by the Company to satisfy the exercise price or tax withholding obligations in connection with an award under the Plan will be available for new grants under the Plan.

The authority to grant new awards under the Plan was extended until March 19, 2024.

One element of the Plan is the flexibility to grant certain performance-based awards designed to satisfy the requirements for deductibility of compensation under Section 162(m) of the U.S. Internal Revenue Code (“Section 162(m”). These awards are referred to as “Performance-Based Awards” and are in addition to other awards, such as stock options and stock appreciation rights, expressly authorized under the Plan which may also qualify as performance-based compensation for Section 162(m) purposes. The Performance-Based Award feature of the Plan was extended through the first annual meeting of the Company’s stockholders that occurs in 2019 (this expiration is earlier than the general expiration date of the Plan and is required under applicable tax rules).

The preceding summary is qualified in its entirety by reference to the text of the amended and restated Plan, which is filed as Exhibit 10.1 hereto and incorporated herein by reference
