USCI, INC.
Notes to Condensed Consolidated Financial Statements
March 31, 2001
(Unaudited)

Note 1: BASIS OF PRESENTATION

The unaudited financial information furnished herein, in the opinion of management, reflects all adjustments which are necessary to fairly state the Company's financial position, the results of its operations and its cash flows. For further information, refer to the consolidated financial statements and footnotes thereto included in the Company's Form 10-K for the year ended December 31, 2000. Footnote disclosure, which would substantially duplicate the disclosure contained in those documents has been omitted. Operating results for the three-month period ended March 31, 2001 are not necessarily indicative of the results that may be expected for the year ended December 31, 2001.

The accompanying consolidated financial statements of the Company and its subsidiaries include the assets, liabilities, revenues and expenses of all majority-owned subsidiaries over which the Company exercises control, and for which control is other than temporary. Intercompany transactions and balances are eliminated in consolidation. The Company's subsidiary, Ameritel, filed for reorganization under Chapter 11 in October 1999. Investments in nonconsolidated affiliates (wholly owned subsidiaries over which the Company does not exercise control) are accounted for on the equity basis. Accordingly, due to Ameritel's filing for reorganization under Chapter 11 in October 1999, the Company began accounting for its investment in Ameritel under the equity method of accounting retroactively, as of January 1, 1999.

The bankruptcy case was dismissed on June 7, 2001. We have been advised by the secured creditor that it intends to foreclose on the assets of Ameritel in order to partially satisfy the debt owed to the secured creditor by Ameritel. If this is done, then it is anticipated that, upon conclusion of such a sale, all operations of Ameritel would immediately cease.

Note 2: CREDIT FACILITY/REORGANIZATION UNDER BANKRUPTCY PROCEEDINGS

On April 14, 1999, Ameritel Communications, Inc., a wholly owned subsidiary of

Edgar Filing: USCI INC - Form 10QSB

the Company ("Ameritel") entered into an Amended and Restated Loan and Security Agreement with Foothill Capital Corp. ("Foothill") in which the original Loan and Security Agreement entered into on September 5, 1998 was amended to restructure the existing credit facility by reducing the total facility to \$17.5 million. Additionally, certain of our preferred shareholders and certain other persons have entered into a Participation Agreement with Foothill in connection with the restructuring of the our outstanding \$20 million credit facility with Foothill. The participants in the Foothill facility made an aggregate of \$7 million available as term loans. Although the limit of the credit facility was reduced from \$20 million to \$17.5 million, the \$7 million allocated for term loans was available for working capital upon certain conditions. The \$10.5 million limit was structured as part revolver, part term loan and part letter of credit. Also, there were approximately \$1 million in standby letters of credit outstanding under the line. The Company guaranteed payment of amounts due under the above Agreement.

6

On October 29, 1999, Ameritel filed a voluntary petition under Chapter 11 of U.S.C. Title 11 with the United States Bankruptcy Court for the Southern District of New York (Case No. 99-11081) (the "Bankruptcy Court").

On April 28, 2000, a Release of Guaranty and Termination of Security Interests was reached between Tranche B, Inc. and Foothill. Tranche B, Inc. is owned and controlled by shareholders that hold a controlling interest in the Company. Under the terms of the agreement, Foothill agreed to sell, transfer and assign without recourse, all rights, title and interest in and to claims of Ameritel, including any and all security interests against Ameritel and guarantees against the Company, together with their right to receive cash, instruments or other property issued in connection with the proceedings in the Bankruptcy Court. In addition, the transaction included the release of all guarantees of that indebtedness by the Company and its affiliates other than Ameritel. As consideration for the release and termination, Foothill received 4,000,000 shares of common stock of the Company. On the eighteenth month anniversary of the agreement date, Tranche B, Inc. shall also transfer to Foothill, such additional shares of common stock of the Company to make the aggregate fair market value of the shares in the initial transfer equal to \$4,000,000, based on an agreed upon weighted average formula. The number of additional shares to be issued under the agreement will not exceed 2,000,000.

The bankruptcy case was dismissed on June 7, 2001. We have been advised by the secured creditor that it intends to foreclose on the assets of Ameritel in order to partially satisfy the debt owed to the secured creditor by Ameritel. If this is done, then it is anticipated that, upon conclusion of such a sale, all operations of Ameritel would immediately cease.

USCI does not have any commitments with regard to additional sources of financing and there can be no assurance that any such commitments will be obtained in the foreseeable future.

Failure to obtain such financing or restructure its debt may compel the Company and all of its subsidiaries to seek protection under the federal bankruptcy statutes or otherwise cease operating and wind up its business affairs.

7

Note 3: INVESTMENT IN AMERITEL

Edgar Filing: USCI INC - Form 10QSB

Summarized financial information of Ameritel as of March 31, 2000 and December 31, 2000 and for the Three Months Ended March 31, 2001 and 2000 were as follows:

As of:	March 31, 2001	December 31, 2000
	-----	-----
Total assets	\$403,062	\$3,262,387
Total liabilities	\$51,505,957	\$55,674,605
Stockholder's deficit	(\$51,102,895)	(\$52,412,218)
For the Three Months Ended March 31,	2001	2000
	-----	-----
Revenues	\$265,777	\$1,700,000
Other Income	\$1,636,303	0
Costs	\$598,392	\$725,000
Interest expense	\$2,265	\$359,192
Gain/(Loss) before income taxes	\$1,301,423	(\$763,494)

Total liabilities include intercompany payables to USCI, Inc. of \$21,606,822 and \$21,606,822 at March 31, 2001 and December 31, 2000, respectively. The Investment in Ameritel is shown in the accompanying Consolidated Balance Sheets as of December 31, 2000 as a liability and consists of the intercompany amounts due to USCI offset by the Stockholder's deficit of Ameritel.

8

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

This Form 10-QSB contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. The Company's actual results could differ materially from those set forth in the forward-looking statements. Certain factors that might cause such a difference are discussed herein.

Bankruptcy of Ameritel

During 1999, Ameritel Communications, Inc., our primary operating subsidiary, substantially downsized its operations, restructured certain loan provisions, converted certain preferred stock into common stock and filed for protection under Chapter 11 of the U.S. Bankruptcy Code. As a result of the bankruptcy filing, operations of Ameritel have been presented under the equity method and are not included in the consolidated financial statements of USCI. The bankruptcy case was dismissed on June 7, 2001. We have been advised by the secured creditor that it intends to foreclose on the assets of Ameritel in order to partially satisfy the debt owed to the secured creditor by Ameritel. If this is done, then it is anticipated that, upon conclusion of such a sale, all operations of Ameritel would immediately cease.

Alteration of Operating Strategy

In the second half of 1999, we substantially altered our operations in an effort to achieve profitability, including establishing an e-commerce platform to market services and products, downsizing of staff and facilities and other cost cutting efforts to reduce overhead and adoption of our IP Telephony initiative. In the first quarter 2000, our wholly owned subsidiary, AmericomOnline.com, Inc., entered into a marketing distribution agreement with Net2Phone, Inc. to market their IP telephony products and services to and through their specific mass market channels. Negotiations are currently underway

Edgar Filing: USCI INC - Form 10QSB

to expand this agreement to include additional products and customers. While we expect that those efforts will position us favorably to grow revenues, improve operating margins and minimize operating costs, there can be no assurance that we will be successful in our IP Telephony marketing activities, growing revenues or operating profitably.

TelCollect

Through our subsidiaries, we are engaged in the marketing of such telecommunications products and services as IP Telephony, wireless telephone and long distance calling cards. We have recently formed TelCollect, Inc. (TelCollect), a wholly owned subsidiary of USCI which specializes in accounts receivable management and the recovery of past due consumer and commercial debts.

9

To support the TelCollect operations, the company has developed and deployed a proprietary collection/receivables management software application. This web based application is capable of handling data in a variety of formats, and combines the benefits of standard collections systems with advanced employee management and reporting systems in an integrated package. We have not found this unique combination in any other collections systems available to the market today.

TelCollect has in place agreements with other clients intent on using TelCollect to remedy issues with their past due accounts. There can be no assurances that this new business will be successful.

Results of Operations-- Three Months Ended March 31, 2001 Compared to Three Months Ended March 31, 2000

Revenues. Consolidated revenues of USCI, excluding Ameritel, were \$255,995 during the quarter ended March 31, 2001 and \$-0- during quarter ended March 31, 2000.

Consolidated revenues during the 2001 period were attributable entirely to A/R Management Services, which commenced during the fourth quarter of 2000.

Cost of sales. The Company reported \$146,447 of cost of sales and \$109,548 of gross margin on a consolidated basis during 2001 and no cost of sales or gross margin during 2000. Consolidated cost of sales during 2001 were attributable to A/R Management Services.

Selling, general and administrative expenses ("SG&A"). SG&A for the 2001 Quarter aggregated \$507,263 as compared to \$613,660 for the 2000 Quarter. Consulting fees totaled \$300,000 in the 2000 Quarter due to an amortization of the value of shares granted to a consultant under a consulting contract that began in May, 1999. No similar consulting fees were recorded during the 2001 quarter. Depreciation expense decreased by approximately \$304,979 in the 2001 Quarter due to a write down of certain long lived assets in 1999. Professional and other fees decreased by approximately \$511,981 in the 2001 Quarter due to a reduced need for restructuring and general legal counsel during the 2001 Quarter.

Interest Income. Interest income aggregated \$3,756 in the 2000 Quarter and \$4,245 in the 2001 Quarter.

10

Edgar Filing: USCI INC - Form 10QSB

Liquidity and Capital Resources

Working capital deficiency at March 31, 2001 was \$5,800,000 compared to \$5,600,000 at December 31, 2000. Ameritel had a working capital deficiency of \$32,855,000 and \$33,585,000 at March 31, 2001 and December 31, 2000, respectively excluding amounts due to USCI and affiliates. Cash and cash equivalents at March 31, 2001 totaled \$332,000 compared to \$400,000 at December 31, 2000 (of which \$300,000 was restricted at March 31, 2001 and December 31, 2000 respectively). Ameritel had a cash balance of \$86,000 at March 31, 2001 and \$286,000 at December 31, 2000 (of which \$50,500 was restricted at December 31, 2000). The increase in working capital deficiency is primarily due to losses suffered in the 2001 Quarter. We expect to continue to experience monthly losses and negative cash flow from operations for the foreseeable future.

We continue to operate at a loss and have limited capital resources.

We currently require substantial amounts of capital to fund current operations, for the settlement and payment of past due obligations, and the deployment of our new business strategy. Due to recurring losses from operations, an accumulated deficit, stockholders' deficit, negative working capital, being in default under the terms of our letters of credit advances, having significant litigation instituted against us, and our inability to date to obtain sufficient financing to support current and anticipated levels of operations, our independent public accountant audit opinion states that these matters raise substantial doubt about our ability to continue as a going concern.

On April 14, 1999, we entered into an Amended and Restated Loan and Security Agreement with Foothill Capital ("Foothill") in which the original Loan and Security Agreement entered into on June 5, 1998 was amended to restructure the existing credit facility by reducing the total facility to \$17.5 million. Additionally, certain of our preferred shareholders and certain other persons have entered into a Participation Agreement with Foothill in connection with the restructuring of the outstanding \$20 million credit facility with Foothill. An aggregate of \$7 million was made available by the participants in the Foothill facility as term loans.

On April 28, 2000, a Release of Guaranty and Termination of Security Interests was reached between Tranche B, Inc. and Foothill. Tranche B, Inc. is owned and controlled by shareholders that hold a controlling interest in the Company. Under the terms of the agreement, Foothill agreed to sell, transfer and assign without recourse, all rights, title and interest in and to claims of Ameritel, including any and all security interests against Ameritel and guarantees against the Company, together with their right to receive cash, instruments or other property issued in connection with the proceedings in the United States Bankruptcy Court. In addition, the transaction included the release of all guarantees of that indebtedness by the Company and its affiliates other than Ameritel. As consideration for the release and termination, the secured lender received 4,000,000 shares of common stock of the Company. On the eighteenth month anniversary of the agreement date, the Company shall also issue to the secured lender, such additional shares of common stock of the Company to make the aggregate fair market value of the shares in the initial transfer equal to \$4,000,000, based on an agreed upon weighted average formula. The number of additional shares to be issued under the agreement will not exceed 2,000,000.

Our operations continue to be dependent upon operating cash flow and funding pursuant to the credit facility assumed by Tranche B. At March 31, 2001, approximately \$13.4 million had been advanced under our credit facility. The

Edgar Filing: USCI INC - Form 10QSB

term credit facility is due in September 2002. There is no assurance that we will be able to pay the credit facility when it comes due or that the credit facility will be adequate to meet our capital needs for the next 12 months. The amounts available from operating cash flows and funds available from our credit facility with Tranche B are not expected to be adequate to meet our expected operating needs through the end of 2001. We are seeking an expansion of our cash collateral financing and restructuring certain debt. We do not have any commitments with regard to additional sources of financing and there can be no assurance that any such commitments will be obtained in the foreseeable future.

On October 29, 1999, Ameritel Communications, Inc., a wholly owned subsidiary of the Company ("Ameritel"), filed a voluntary petition under Chapter 11 of U.S.C. Title 11 with the United States Bankruptcy Court for the Southern District of New York (Case No. 99-11081) (the "Bankruptcy Court"). The bankruptcy case was dismissed on June 7, 2001. We have been advised by the secured creditor that it intends to foreclose on the assets of Ameritel in order to partially satisfy the debt owed to the secured creditor by Ameritel. If this is done, then it is anticipated that, upon conclusion of such a sale, all operations of Ameritel would immediately cease.

The financial statements as of and for the year ended December 31, 2000 and the quarter ended March 31, 2001, do not include any effect of the bankruptcy which was filed on October 29, 1999.

Because the cost of implementing our new e-commerce strategies, which began in the fourth quarter of 1999 with immaterial operations, will depend upon a variety of factors (including our ability to negotiate additional distribution agreements, our ability to negotiate favorable wholesale prices with carriers, the number of new customers and services for which they subscribe, the nature and penetration of services that we may offer, regulatory changes and changes in technology), actual costs and revenues will vary from expected amounts, possibly to a material degree, and such variations will affect our future capital requirements.

PART II

ITEM 1. LEGAL PROCEEDINGS

In October 1999, our wholly-owned subsidiary, Ameritel, filed a voluntary petition under Chapter 11 of U.S.C. Title 11 with the United States Bankruptcy Court for the Southern District of New York (Case No. 99-11081) (the "Bankruptcy Court"). The bankruptcy case was dismissed on June 7, 2001.

12

ITEM 6. EXHIBITS AND REPORTS ON FORM 8-K

(a) Exhibits

None

(b) Reports on Form 8-K

Form 8-K dated February 2, 2001 reporting under Item 4 the appointment of Tauber and Balser as the Company's new independent public accountants.

Amendment to Form 8-K dated December 29, 2000 providing letter from accountants relating to resignation of Arthur Andersen as the Company's independent public accountants.
