Rule 13e-4(c)
under the Exchange
Act (17 CFR
240.13e-4(c))

ITEM 1.01 ENTRY INTO
A MATERIAL
DEFINITIVE
AGREEMENT.

On October 6, 2005, ProLogis and certain of its affiliates entered into a U.S. \$2,600,000,000 equivalent Global Senior Credit Agreement (the Global Facility) with various lenders and Bank of America, N.A., as global administrative agent. The Global Facility provides for the making of revolving loans and the issuance of letters of credit, denominated in U.S. dollars and other specified currencies, to or for the account of ProLogis and/or such affiliates. The Global Facility is scheduled to mature on October 6, 2009, but ProLogis may, at its option and subject to the satisfaction of certain conditions, extend the maturity date of the Global Facility to October 6, 2010.

Based on ProLogis current public debt ratings, (a) interest on the revolving loans under the Global Facility denominated in currencies other than the lawful currency of The Republic of Korea (KRW) accrues at a rate per annum equal to (i) the London interbank offered rate (or another quoted rate in the case of Canadian dollar loans and BA Rate Loans (as defined in the Global Facility)) plus a margin of 0.475% or (ii) a prime-based rate and (b) interest on the loans under the Global Facility denominated in KRW accrues at a rate per annum equal to the KRW Rate (as defined in the Global Facility) plus a margin of 0.775%. A facility fee is also payable on the total commitments under the Global Facility. The interest rate margins and facility fee are based on grid pricing tied to the public debt ratings of ProLogis. The Global Facility contains customary covenants (including certain financial tests) and defaults (including a cross-default to other indebtedness of more than \$50,000,000). The Global Facility has been filed as Exhibit 10.1 to this Form 8-K and is hereby incorporated herein by reference.

Concurrently with the effectiveness of the Global Facility, ProLogis and its affiliates cancelled a number of previously existing credit facilities.
