Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On November 19, 2015, the Board of Directors (the "Board") of Pioneer Natural Resources Company (the "Company") approved the amendment and restatement of the bylaws of the Company (the "Bylaws"), effective as of such date. The Bylaws implement proxy access by permitting a stockholder, or a group of up to 20 stockholders (with funds having specified relationships constituting a single stockholder), owning 3% or more of the Company's outstanding common stock continuously for at least three years to nominate and include in the Company's proxy materials director candidates constituting up to 20% of the Board (rounded down to the nearest whole number) or two directors, whichever is greater, provided that the stockholder(s) and the nominee(s) satisfy the requirements specified in the Bylaws. Shares that have been loaned during any portion of the three-year holding period count as being owned as long as certain conditions for the recall of shares are met.

In addition, the Bylaws were amended to designate Delaware as the exclusive forum for certain internal corporate claims (such as claims of breach of fiduciary duty and derivative suits), unless the Company agrees to a different forum. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Company shall be deemed to have notice of and consented to the provisions of this amended bylaw.

The amendments also include various updates, wording changes and clarifications.

The foregoing description of the amendments to the Bylaws is qualified in its entirety by reference to the full text of the Bylaws, a copy of which is attached hereto as Exhibit 3.1 and incorporated herein by reference.
