**THIS INFORMATION STATEMENT IS BEING PROVIDED TO YOU BY
THE BOARD OF DIRECTORS OF THE COMPANY.
WE ARE NOT ASKING YOU FOR A PROXY
AND YOU ARE REQUESTED
NOT TO SEND US A PROXY.**

This Information Statement is furnished to holders of shares of common stock, \$0.0001 par value (the "Common Stock"), of **TRITON PETROLEUM GROUP, INC. f/k/a AMERICAN PETROLEUM GROUP, INC.** (the "Company") to notify such stockholders that on or about April 20, 2007, the Company received written consents in lieu of a meeting of stockholders from holders of a majority of the shares of Common Stock representing in excess of 50.1 % of the total issued and outstanding shares of voting stock of the Company (the "Majority Stockholders") approving the Certificate of Amendment to the Certificate of Incorporation of the Company, pursuant to which the Company's name will change to "**High Velocity Alternative Energy Corp.**" (the "Name Change").

The Company had previously filed a Schedule 14C Information Statement on December 5, 2005, wherein we notified our shareholders that the name of the Company was being changed from American Petroleum Group, Inc. to Triton Petroleum Group, Inc. In light of the determination of the Company that it wants its corporate name to not be so restrictive and indicate its ability to expand into other possible opportunities the Board of Directors determined to change the name of the Corporation to **High Velocity Alternative Energy Corp.**

This Information Statement describing the approval of the Name Change (the "Stockholder Matter") is first being mailed or furnished to the Company's stockholders on or about May 1, 2007, and such matters shall not become effective until at least 20 days thereafter. Expenses in connection with the distribution of this Information Statement will be paid by the Company and are anticipated to be less than \$2,500.

The Board of Directors knows of no other matters other than those described in this Information Statement which have been recently approved or considered by the holders of a majority of the shares of the Company's voting stock.

OUTSTANDING VOTING SECURITIES

As of April 13, 2007 (the "Record Date"), out of the 100,000,000 shares of Common Stock authorized there were 47,303,400 shares of Common Stock issued and outstanding, and out of the 10,000,000 shares of preferred stock authorized there were 1,500,000 shares of the preferred stock issued and outstanding.

Only holders of record of the Common Stock at the close of business on the Record Date were entitled to participate in the written consent of the Company's stockholders. Each share of Common Stock was entitled to one (1) vote. Each share of Series B Convertible Preferred Stock was entitled to forty-five (45) votes.

The Company's Board of Directors approved this action as of April 20, 2007 and recommended that the Articles of Incorporation be amended in order to effectuate the name change.

The proposed Amendment to the Articles of Incorporation to amend the name of the Corporation to "**High Velocity Alternative Energy Corp.**" will be filed with the Nevada Secretary of State and will be effective upon filing by the Secretary of State of Nevada on May 21, 2007. If the proposed Amendment were not adopted by written majority shareholder consent, it would have been necessary for this action to be considered by the Company's shareholders at a special shareholder's meeting convened for the specific purpose of approving the Amendment.

The elimination of the need for a special meeting of the shareholders to approve the Amendment is authorized by Section 78.320 of the Nevada Revised Statutes, (the "*Nevada Law*"). This Section provides that the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take the action at a meeting at which all shares entitled to vote on a matter were present and voted, may be substituted for the special meeting. According to this Section 78.390 of the Nevada Law, a majority of the outstanding shares of voting capital stock entitled to vote on the matter is required in order to amend the Company's Articles of Incorporation. In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the Amendment as early as possible in order to accomplish the purposes of the Company, the Board of Directors of the Company voted to utilize the written consent of the majority shareholders of the Company.

The Board of Directors of the Company has determined that all Shareholders ARE NOT REQUIRED to return their certificates to have them re-issued by the Transfer Agent.
