PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MARCH 16, 2004**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors and management of Todhunter International, Inc., a Delaware corporation (the "Company"), of proxies for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at the offices of Gunster, Yoakley & Stewart, P.A., at 777 South Flagler Drive, Suite 500 East, West Palm Beach, Florida 33401, on Tuesday, March 16, 2004, at 11:00 a.m., Eastern Standard Time, or at any and all postponements or adjournments, for the purposes set forth in the accompanying Notice of Annual Meeting.

This Proxy Statement, the Notice of Annual Meeting and the accompanying proxy card are first being mailed to stockholders on or about January 22, 2004.

Only stockholders of record at the close of business on January 20, 2004, will be entitled to notice of the Annual Meeting and to vote the shares of common stock of the Company, par value \$.01 per share ("Common Stock"), held by them at such time at the Annual Meeting or any and all postponements or adjournments. At January 20, 2004, 5,611,134 shares of Common Stock were outstanding and entitled to vote at the Annual Meeting.

Each share of Common Stock entitles the holder to cast one vote on each matter to be voted upon at the Annual Meeting. Abstentions and broker non-votes are counted only for purposes of determining the presence or absence of a quorum for the transaction of business and are not counted for purposes of electing directors (see Proposal One).

If the accompanying proxy card is properly signed and returned to the Company and not revoked, it will be voted in accordance with the instructions contained in the card. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying proxy card will vote FOR the Board of Directors' nominees as directors and as recommended by the Board of Directors with regard to all other matters that properly come before the Annual Meeting or, if no such recommendation is given, in their own discretion. Each such proxy granted may be revoked by the stockholder at any time before it is exercised by filing with the Secretary of the Company a revoking instrument or a duly executed proxy bearing a later date, or by voting in person at the Annual Meeting; attendance at the Annual Meeting will not, in itself, revoke the proxy.

The cost of soliciting proxies will be borne by the Company. In addition to soliciting proxies by mail, the Company, through its directors, officers, employees and agents, may also solicit proxies personally or by telephone. The Company will also request persons, firms and corporations holding shares in their names, or in the names of their nominees, that are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in doing so.

The presence at the Annual Meeting, in person or by proxy, of a majority of the shares of Common Stock outstanding at January 20, 2004, will constitute a quorum.

The number of shares beneficially owned by each director, executive officer and stockholder is determined under rules of the Securities and Exchange Commission (the "Commission"), and the information provided under those rules is not necessarily indicative of beneficial ownership for any other purpose. Under those rules, beneficial ownership includes any shares as to which the individual has sole or shared voting power or investment power and any shares that the individual has the right to acquire within 60 days after January 20, 2004, including through the exercise of options granted under the Company's 1992 Employee Stock Option Plan, as amended ("Presently Exercisable Options"). The inclusion of shares covered by Presently Exercisable Options, however, does not constitute an admission that the named stockholder is a direct or indirect beneficial owner of such shares. Unless otherwise indicated, each person or entity named in the table has sole voting power and investment power (or shares such power with his spouse) with respect to all shares of Common Stock listed as owned by such person or entity.

(2)

Number of shares outstanding consists of the 5,611,134 shares of Common Stock outstanding at January 20, 2003, plus any shares subject to Presently Exercisable Options held by the person in question.

(3)

Mr. Carballo has been nominated to fill the vacancy on the Board of Directors created on December 8, 2003, when Mr. Godfrey Bain, a member of the Board of Directors and the Audit Committee, resigned his positions. On December 16, 2003, the Board of Directors

Edgar Filing: TODHUNTER INTERNATIONAL INC - Form DEF 14A

appointed Mr. Edward F. McDonnell, a current director, to replace Mr. Bain on the Audit Committee.

- (4) Includes 3,580,298 shares beneficially owned by Angostura Limited.
- (5) Angostura Limited has reported in a Schedule 13D/A that, as of January 31, 2003, it beneficially owned, and had sole voting and investment power with respect to, 3,580,298 shares of the Company's Common Stock.
- (6) Reflects ownership at December 31, 2002, as reported on a Schedule 13G/A filed with the Commission by Dimensional Fund Advisors Inc. Dimensional Fund Advisors Inc. has advised the Company that it has sole voting and dispositive power with respect to all such shares.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's directors and executive officers, and anyone who beneficially owns 10% or more of the Company's Common Stock, to file with the Commission and the American Stock Exchange ("Amex") initial reports of beneficial ownership and reports of changes in beneficial ownership of Common Stock. Such persons are required by regulations of the Commission to furnish the Company with copies of all Section 16(a) forms they file.

Based solely upon on a review of (i) copies of the Section 16(a) filings received by the Company during or with respect to fiscal 2003 and (ii) certain written representations of its officers and directors with respect to the filing of annual reports of changes in beneficial ownership on Form 5, the Company believes that each filing required to be made pursuant to Section 16(a) of the Exchange Act during and with respect to fiscal 2003 was filed in a timely manner.

Board of Directors Compensation; Meetings; Committees

Compensation

Each non-employee director of the Company receives \$20,000 per year, payable quarterly, and is reimbursed for out-of-pocket expenses incurred in attending meetings. Each member of the Audit Committee and the Compensation and Stock Option Committee receives an additional \$500 per Committee meeting attended. In addition, in 2003, Messrs. Kasun and Rogers each received \$60,000 for their services on a special committee of independent directors formed to explore the possibility of entering into a "going private" transaction.

Meetings

The Board of Directors of the Company held a total of five meetings during fiscal 2003. In addition, the Board took one action by unanimous written consent in lieu of a meeting. Each incumbent director attended at least 75% of the aggregate number of Board of Directors and committee meetings held during fiscal 2003, or the period in which such individual was a director of the Company and served on such committee.

Committees

The Board of Directors has an Audit Committee and a Compensation and Stock Option Committee. The Board does not have a standing nominating committee or a charter with respect to the process for nominating directors for election to the Company's Board of Directors. The Company qualifies as a "controlled company" under American Stock Exchange ("Amex") rules, as Angostura Limited controls more than 50% of the Company's voting power, as evidenced by the Company's ownership records. As a result, the Amex continued listing standards do not require the Company to have a nominating committee or a written charter. Shareholders and members of the Company's Board submit nominees for election to the Company's Board of Directors to the entire Board for its consideration.

The Company's Bylaws contain provisions that address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at the Company's Annual Meeting of Stockholders. Historically, the Company has not had a formal policy concerning stockholder recommendations to the Board of Directors. To date, other than from Angostura Limited, the Company's controlling stockholder, the Company has not received any recommendations from stockholders requesting that the Board consider a candidate for inclusion among the slate

Edgar Filing: TODHUNTER INTERNATIONAL INC - Form DEF 14A

of nominees in the Company's Proxy Statement. The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received. The Board would consider

6

any candidate proposed in good faith by a stockholder. To do so, a stockholder should send the candidate's name, credentials, contact information, and his or her consent to be considered as a candidate to the Company's Chief Executive Officer and Chairman of the Board Directors, Jay S. Maltby. The proposing stockholder should also include his or her contact information and a statement of his or her share ownership (how many shares owned and for how long).

In evaluating director nominees, the Board considers the following factors:

the appropriate size of the Company's Board of Directors;

the needs of the Company with respect to the particular talents and experience of its directors;

the knowledge, skills and experience of nominees, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;

familiarity with the beverage alcohol industry;

experience in political affairs;

experience with accounting rules and practices; and

the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

The Company's goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Board of Directors may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Board does, however, believe it appropriate for at least one, and, preferably, several, members of the Board to meet the criteria for an "audit committee financial expert" as defined by Commission rules and for a "financially sophisticated" audit committee member as defined by Amex rules. The Company also believes it appropriate for certain key members of the Company's management to participate as members of the Board.

The Board of Directors identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the Board decides not to re-nominate a member for re-election, the Board then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, the Company has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third party search firm, if necessary.

Director nominee Michael E. Carballo was submitted for nomination for election to the Company's Board of Directors by Angostura Limited.

Audit Committee

Edgar Filing: TODHUNTER INTERNATIONAL INC - Form DEF 14A

The Audit Committee: (i) appoints the Company's independent auditors and monitors the independence of the Company's independent auditors; (ii) reviews the Company's policies and procedures on maintaining its accounting records and the adequacy of its internal controls; (iii) reviews management's implementation of recommendations made by the independent auditors and internal

7

auditors; (iv) considers and pre-approves the range of audit and non-audit services performed by independent auditors and fees for such services; and (v) reviews and votes on all transactions between the Company and any of its officers, directors or other affiliates. The Audit Committee held five meetings during fiscal 2003. The Board of Directors has adopted a written charter for the Audit Committee, included as Exhibit A to this Proxy Statement.

Throughout fiscal 2003, the Audit Committee consisted of Donald L. Kasun, Leonard G. Rogers and Godfrey D. Bain. At the time of their appointment to the Audit Committee, Messrs. Kasun and Rogers were "independent," satisfying the Amex listing requirements. Although Mr. Bain did not qualify as "independent" because of his employment with Angostura Limited, the majority shareholder of the Company, the Board believed that it was nevertheless in the best interest of the Company for Mr. Bain to serve on the Audit Committee because of (i) his strong financial and accounting background and significant experience in the Company's industry, and (ii) the expense of adding an additional member to the Board. On December 8, 2003, Mr. Bain resigned his positions with the Board of Directors and the Audit Committee. On December 16, 2003, the Board appointed Mr. Edward F. McDonnell to replace Mr. Bain on the Audit Committee. Although Mr. McDonnell does not qualify as "independent" because each of he and the Company owns a 45% interest in Premier Wines & Spirits, Ltd. ("Premier"), a wholesale liquor distributor in St. Thomas, United States Virgin Islands, the Board believes that it is nevertheless in the best interest of the Company for Mr. McDonnell to serve on the Audit Committee because of (i) his strong financial and accounting background and significant experience in the Company's industry, and (ii) the expense of adding an additional member to the Board. The Company is exploring alternatives with respect to replacing Mr. McDonnell on the Audit Committee with an "independent" director.

The Board has determined that Mr. Rogers is an audit committee financial expert as defined by Commission rules and is financially sophisticated as defined by Amex rules.

Compensation and Stock Option Committee

The Compensation and Stock Option Committee of the Board of Directors was established to determine the cash and other incentive compensation, if any, to be paid to the Company's executive officers. The Compensation and Stock Option Committee is also responsible for the administration of and awards under the Company's 1992 Employee Stock Option Plan, as amended (the "Option Plan"). This Committee met twice during fiscal 2003. This Committee currently consists of Messrs. Kasun, Cook and Rogers. Because the Company qualifies as a "controlled company" under Amex rules, the Amex continued listing standards regarding Executive Compensation are not applicable to the Company.

Compensation Committee Interlocks and Insider Participation

No executive officer of the Company serves as an officer, director or member of a compensation committee of any other entity, an executive officer or director of which is a member of the Compensation and Stock Option Committee of the Company.

Stockholder Communications with the Board of Directors

Historically, the Company has not adopted a formal process for stockholder communications with the Board. Nevertheless, every effort has been made to ensure that the Board or individual directors, as applicable, hear the views of stockholders and that appropriate responses are provided to stockholders in a timely manner. Any matter intended for the Board, or for any individual member or members of the Board, should be directed to the Company's Chief Executive Officer and Chairman of the Board of Directors, Jay S. Maltby, with a request to forward the same to the intended recipient. All such communications will be forwarded unopened.

8

Director Attendance at Annual Meeting of Stockholders

Edgar Filing: TODHUNTER INTERNATIONAL INC - Form DEF 14A

The Company encourages all incumbent directors, as well as all nominees for election as director, to attend the Annual Meeting of Stockholders. All of the Company's then-incumbent directors attended the Company's Annual Meeting in March 2003.

COMPENSATION AND STOCK OPTION COMMITTEE REPORT

Compensation Philosophy

The philosophy of the Company's Compensation and Stock Option Committee (the "Committee") for fiscal 2003 was to provide competitive levels of compensation, link management's pay to the achievement of the Company's annual and long-term performance goals, reward above average corporate performance, recognize individual initiative and achievement, and assist the Company in attracting and retaining qualified management. Management compensation was intended to be set at levels that the Committee believes is consistent with others in the Company's industry (beverage alcohol and bottling), with senior management's compensation packages being weighted toward programs contingent upon the Company's level of performance. However, because of the limited number of companies that can be compared to the Company in terms of product mix, net sales, net income, and similar items, a significant amount of subjectivity was involved in the Committee's decisions.

Base Salaries

Base salaries for new management employees are determined initially by evaluating the responsibilities of the position held and the experience of the individual, and by reference to the competitive marketplace for management talent, including a comparison of base salaries for comparable positions at comparable companies within the beverage alcohol industry. Annual salary adjustments are determined by evaluating the competitive marketplace, the performance of the Company, the performance of the executive, and any increased responsibilities assumed by the executive. The Committee believes the base salaries of executive officers are below those of similar companies in the beverage alcohol industry.

Bonus Arrangement

To encourage and reward outstanding corporate and individual performance, the Company has adopted a discretionary bonus arrangement for its executive officers, based on the Company's operating results and the achievement of certain defined major business objectives. Bonuses are paid on an annual basis based on the results during the past fiscal year. The Company anticipates that it will continue to maintain a discretionary bonus arrangement for its executive officers during the current year and thereafter.

Compensation of Chief Executive Officer

Pursuant to an employment agreement with the Company, the Company's Chief Executive Officer is entitled to a minimum base salary, subject to increases at the discretion of the Board of Directors. The Committee may recommend to the Board of Directors increases in base compensation to the

13

Company's Chief Executive Officer based upon quantitative and qualitative factors, including: (i) the Company's financial performance, including but not limited to the Company's gross sales, gross profit and net earnings; (ii) the Chief Executive Officer's level of leadership and responsibility for the management, operation and growth of the Company, including his experience in the beverage alcohol industry and his ability to locate, negotiate and consummate growth-oriented acquisitions of other companies; and (iii) the Company's compensation philosophy for management generally. In addition, under his employment agreement, the Chief Executive Officer is entitled to a minimum annual bonus, subject to increases at the discretion of the Board of Directors. The amount of the Chief Executive Officer's annual base salary and bonus were determined in accordance with the principles discussed in this paragraph and were based upon a subjective evaluation by the Committee of the leadership demonstrated during the past 12 months.

Employee Stock Option Plan

The Board of Directors endorses the position that equity ownership by management is beneficial in aligning management's and stockholders' interests in the enhancement of stockholder value. The Company adopted the Option Plan in 1992 and amended it in 1995 and in 1997. The Option Plan authorizes the grant of options to key employees (including officers and directors) and consultants and independent contractors of the Company or any subsidiaries. Options granted under the Option Plan may be either incentive or non-statutory stock options. A total of 1,400,000 shares of Common Stock was initially reserved for issuance under the Option Plan and as of September 30, 2003, 853,000 shares of Common Stock remained available for future issuance under the Option Plan.

The Option Plan is administered by the Committee, which has full authority to determine the individuals who are eligible to receive option grants, the number of shares to be covered by each such option, the time or times at which an option is to be exercisable, the maximum term the option is to be outstanding, and whether or not the option granted is to be an incentive stock option. The Committee also has the authority to grant stock appreciation rights entitling the grantee to surrender an unexercised option in exchange for a cash distribution from the Company equal to the difference between the fair market value of the shares represented by such option and the exercise price payable for such shares. No Board member may serve on the Committee if he has been granted options or stock appreciation rights pursuant to the Option Plan during the previous year.

Deferred Compensation Program

The Committee has approved a Deferred Compensation Program to provide death benefits, retirement benefits and disability benefits to certain of the executive officers named in the Summary Compensation Table. The purpose of the Deferred Program is to encourage the executives to remain in the service of the Company.

Pension Plan

The Company has a defined contribution pension plan. Generally, all employees age 21 and over become eligible to participate in the pension plan after one year of service with the Company. Participants may make contributions based on their eligible compensation and are immediately vested in their contributions and related earnings, if any. Generally, employer contributions begin to vest to the benefit of the participant after three years of service. The Company contributed \$967,962, \$1,043,311 and \$915,998 to the plan for the years ended September 30, 2003, 2002 and 2001, respectively.

The Company and Angostura Limited each invested \$521,860 in Todhunter-Angostura, and Angostura Limited provided an additional \$1.5 million loan to Todhunter-Angostura to finance the acquisition of AUXIL S.A. During 2003, the Company sold its investment in Todhunter-Angostura to CL World Brands Limited, an affiliate of Angostura Limited through common ownership, for a \$500,000 note. The note bears interest at 1.99% with principal and interest due annually through June 2008.

In September 2000, the Company sold all of its remaining operating assets in the Bahamas to British Fidelity Holdings Limited, an affiliate of Angostura Limited through common ownership, for \$3.5 million, the approximate book value of those assets. The note bears interest at 6% with principal and interest payments of \$20,000 due monthly through July 2005, and the remaining balance of \$3,305,560 due in August 2005. The outstanding principal amount of the note at September 30, 2003 was \$3,377,726. The note is guaranteed by British Fidelity Assurance, Ltd. The terms of the transaction resulted from negotiation between the parties, and the Company believes that the terms were substantially the same as those that would have resulted from arm's length negotiations with an independent party.

The Company has made advances to BF Enterprises Limited, an affiliate of Angostura Limited through common ownership, of \$397,047. The Company received an unsecured note which bears interest at 7%, interest payable monthly through July 2004, with the principal due August 1, 2004.

All payments on the notes referenced above are current.

In March 2003, the Board of Directors approved the formation of a special committee of independent directors to explore the possibility of entering into a "going private" transaction. In connection with this possible transaction, CL Financial Limited agreed to reimburse the Company for one half of all expenses related to the going private transaction. As of September 30, 2003, the Company had a receivable from CL Financial Limited of \$426,621 related to these expenses.

The Company has paid Joseph R. Cook, a director, \$158,690 for legal fees relating to the possible going private transaction described above and recorded a receivable for \$79,345 from CL Financial Limited which is included in the \$426,621 discussed in the preceding paragraph.

At least one member of the Audit Committee must have past employment experience in finance or accounting, requisite professional experience in finance or accounting, or other comparable experience or background which results in such member's financial sophistication, including, but not limited to, being or having been a chief executive officer, chief financial officer, other senior officer with financial oversight responsibilities, or an active participant on one or more public company audit committees.

The independence and qualifications of the Audit Committee members will be monitored on an annual basis by the Board of Directors.

Reporting Structure

The independent auditors will report to the Audit Committee and will be ultimately accountable to the Board of Directors and the Audit Committee, as representatives of the shareholders.

Purposes

The primary function of the Audit Committee is to provide independent and objective oversight of the accounting and financial reporting functions and internal controls over financial reporting of the Company and its subsidiaries and to ensure the objectivity of the Company's financial statements. The Audit Committee's function is one of oversight and review, and it is not required to prepare or audit the financial statements, to define the scope of the audit, to control the Company's accounting policies and practices, or to define the standards used in preparing the financial statements. In furtherance of its purposes, the Audit Committee shall:

1. Provide assistance to the Board of Directors in fulfilling its fiduciary responsibilities relating to corporate accounting and reporting practices.
2. Facilitate communications between the Board of Directors and the independent auditors.
3. Oversee the business risk management process that identifies, sources, measures, and prioritizes business and financial reporting risks, and monitor the effectiveness of the control and risk management processes established to manage those risks.
4. Provide to the independent auditors a private, confidential audience at any time it is desired or requested, with or without the knowledge of management.

20

5. Review with the auditors (internal and external) and company management the quality and acceptability of material financial reporting decisions and judgments.
6. Oversee and evaluate the independent auditors' qualifications and independence.

Duties and Responsibilities

A. Relationship with the Independent Auditors

Edgar Filing: TODHUNTER INTERNATIONAL INC - Form DEF 14A

1. The Audit Committee will have the sole authority to appoint or replace the independent auditors. The Audit Committee will be directly responsible for the compensation and oversight of the work of the independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work.
2. The Audit Committee will pre-approve all auditing services and permitted non-audit services (including the fees and terms of such services) to be performed for the Company by its independent auditors, subject to the *de minimis* exceptions for non-audit services described in the Exchange Act that are approved by the Audit Committee prior to the completion of the audit. Approval of any permitted non-audit service by the Company's independent auditors must be disclosed to investors in the Company's periodic reports.
3. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.
4. The Audit Committee will ensure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit (the "Lead Partner") and the audit partner responsible for reviewing the audit (the "Reviewing Partner"), such that the Lead Partner and the Reviewing Partner do not provide audit services for the Company for five consecutive fiscal years, or as otherwise required by law. The Audit Committee must consider whether, in order to assure continuing auditor independence, it is appropriate to adopt a policy of rotating the independent auditing firm itself on a regular basis.
5. The Audit Committee will ensure that the Company will not hire a chief executive officer, controller, chief financial officer, chief accounting officer, or any person serving in an equivalent position, if such person was employed by the Company's independent auditors and participated in any capacity in the audit of the Company during the 1-year period preceding the date of the initiation of the current year's audit, unless the Company also replaces such independent auditor. In all other circumstances, the Audit Committee will recommend to the Board policies for the Company's hiring of employees or former employees of the independent auditors who participated in any capacity in the audit of the Company.
6. The Audit Committee will obtain from the independent auditors assurance that Section 10A(b) of the Exchange Act (regarding the auditors' required response to the discovery by the auditors that any "illegal act" (as defined in Section 10A(f) of the Exchange Act) whether or not material has or may have occurred) has not been implicated.
7. At least annually, the Audit Committee will consider the independence of the independent auditors, including whether the provision by the independent auditors of permitted non-audit services is compatible with independence, and obtain and review a report from the independent auditors delineating all relationships between the independent auditors and the Company.

21

B. Corporate Oversight and Communications with the Independent Auditors

1. The Audit Committee will meet with the independent auditors at least annually to review the scope of the audit for the current year and the audit procedures to be utilized. This review is to include the potential effects of business and financial statement risks on the Company's control systems and quality of financial reporting, and a discussion of the extent to which the financial statements contain all disclosures that could reasonably be deemed "material" within the meaning of applicable requirements. At the conclusion of this meeting, the Audit Committee will review any comments or recommendations made by the independent auditors.
2. The Audit Committee will discuss with the independent auditors a common framework to assess financial reporting quality and facilitate a common vocabulary and understanding about quality among the Audit Committee, management, and the auditors.
- 3.

Edgar Filing: TODHUNTER INTERNATIONAL INC - Form DEF 14A

The Audit Committee will review and discuss quarterly reports from the independent auditors, including:

All critical accounting policies and practices to be used;

All alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditors; and

Other material written communications between the independent auditors and management, such as any management letter or schedule of unadjusted differences.

4. The Audit Committee will discuss with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit, including any difficulties encountered in the course of the audit work, any restrictions on the scope of activities or access to requested information, and any significant disagreements with management.
5. The Audit Committee will review disclosures made to the Audit Committee by the Company's CEO and CFO during their certification process for the Form 10-K and Form 10-Q about any significant deficiencies in the design or operation of internal controls over financial reporting or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls over financial reporting.
6. EXHIBIT B

TODHUNTER INTERNATIONAL, INC. AUDIT COMMITTEE

AUDIT AND NON-AUDIT SERVICES PRE-APPROVAL POLICY

I.

Statement of Principles

Under the Sarbanes-Oxley Act of 2002 (the "Act"), the Audit Committee of the Board of Directors is responsible for the appointment, compensation and oversight of the work of the independent auditor. As a result, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that such services do not impair the auditor's independence from the Company. To implement these provisions of the Act, the Securities and Exchange Commission (the "SEC") has issued rules regarding the Audit Committee's administration of the engagement of the independent auditor and has specified the types of services that an independent auditor

Edgar Filing: TODHUNTER INTERNATIONAL INC - Form DEF 14A

may not provide to its audit client. In light of these rules, the Audit Committee has adopted, and the Board of Directors has ratified, this Audit and Non-Audit Services Pre-Approval Policy (this "Policy"), which sets forth the procedures for pre-approving the audit and non-audit services provided by the independent auditor and itemizes those services that the independent auditor may not provide.

The appendices to this Policy describe the Audit, Audit-Related, Tax and All Other services that have the general pre-approval of the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period. The Audit Committee shall periodically revise, as needed, the list of pre-approved services.

II. Delegation

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members who have been delegated such authority, must report any pre-approval decisions to the Audit Committee at its next regularly scheduled meeting. This Policy does not, in any way, delegate the Audit Committee's pre-approval responsibilities to management.

III. Audit Services

The Audit Committee will pre-approve all Audit Services to be performed by the Company's independent auditor. Audit services include (a) annual financial statement audits, (b) quarterly reviews of financial statements, (c) subsidiary audits, (d) attest services, (e) comfort letters and (f) all other procedures performed by the independent auditor to form an opinion on the Company's consolidated financial statements. The Audit Committee will also approve any changes in terms, conditions or fees resulting from any change of audit scope or Company structure.

The Audit Committee has determined that the provision of Audit Services does not impair the independence of the Company's auditor, and has pre-approved the Audit Services set forth in Appendix A. All other Audit Services not listed in Appendix A must be separately pre-approved by the Audit Committee.

IV. Audit-Related Services

Audit-Related Services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and that are traditionally performed by the independent auditor.

The Audit Committee believes that the provision of Audit-Related Services does not impair the independence of the auditors and has pre-approved the Audit-Related Services set forth in Appendix B.

25

All other Audit-Related Services not listed in Appendix B must be separately pre-approved by the Audit Committee.

V. Tax Services

The Audit Committee believes that the independent auditor can provide Tax Services to the Company such as (a) tax compliance, (b) tax planning and (c) tax advice, each without impairing the auditor's independence. Hence, the Audit Committee believes it may grant general pre-approval for those Tax Services that have historically been provided by the Company's independent auditor, that the Audit Committee has reviewed and believes would not impair the independence of the auditor, and that are consistent with the SEC's rules on auditor independence. The Audit Committee will not permit the retention of the independent auditor in connection with a transaction initially recommended by the independent auditor, the purpose of which may be tax avoidance or the tax treatment of which may not be supported by the Internal Revenue Code and related regulations.

Pursuant to the preceding paragraph, the Audit Committee has pre-approved the Tax Services set forth in Appendix C. All Tax Services not listed in Appendix C must be separately pre-approved by the Audit Committee.

VI. All Other Services

Edgar Filing: TODHUNTER INTERNATIONAL INC - Form DEF 14A

The Audit Committee may permit the independent auditor to provide the Company with certain non-audit services that it believes are routine and recurring services, and would not impair the independence of the auditor. Accordingly, the Audit Committee has pre-approved the All Other Services set forth in Appendix D. Permissible All Other Services not listed in Appendix D must be separately pre-approved by the Audit Committee.

The SEC's list of non-audit services that cannot be provided by the Company's independent auditor is attached to this Policy as Exhibit 1. In the event the Company seeks to engage the independent auditor to provide a prohibited non-audit service, the Audit Committee should consult the SEC's rules and relevant guidelines to determine the precise definitions of these services and the applicability of relevant exceptions to the prohibitions.

VII.

Pre-Approval Fee Levels

Pre-approval fee levels or budgeted amounts for all services to be provided by the independent auditor will be established periodically by the Audit Committee. Any proposed services exceeding these levels or amounts will require specific pre-approval by the Audit Committee. In addition, any services estimated to exceed \$100,000 would require specific pre-approval.

VIII.

Supporting Documentation

With respect to each proposed pre-approved service, the independent auditor will provide to the Audit Committee detailed back-up documentation regarding the specific services to be provided.

IX.

Procedures

All requests for services to be provided by the independent auditor shall be submitted to the Company's Chief Financial Officer and must include a detailed description of the proposed services. The Company's Chief Financial Officer will determine whether the proposed services are included in the list of services that have received the general pre-approval of the Audit Committee.

All requests to provide services that require separate approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditor and the Company's Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with SEC rules and continued auditor independence.
