Items 1.01 and 2.03 Entry into a Material Definitive Agreement; Creation of a Direct Financial Obligation.

On November 19, Plains Marketing, L.P. ("PMLP"), a wholly-owned subsidiary of Plains All American Pipeline, L.P., entered into a Restated Credit Agreement (the "Agreement") by and among PMLP as Borrower, Bank of America, N.A., as Administrative Agent, Banc of America Securities LLC, as Lead Arranger and Book Manager, and certain financial institutions as Lenders.

The Agreement documents a \$400,000,000 Uncommitted Senior Secured Discretionary Contango Facility (replacing a similar \$300 million facility) pursuant to which PMLP may borrow for purposes of purchasing hedged crude oil inventory. Borrowings are secured by liens on the inventory against which borrowings are made, as well as the purchase contracts and receivables related to such inventory. Interest accrues on any borrowings at a rate equal to either LIBOR or the Administrative Agent's prime rate (at the election of the borrower) plus, in the case of a LIBOR loan, an additional margin that depends on the Partnership's credit rating at the time. Currently, the additional margin is 0.625%. PLMP has the right to increase the facility amount to a maximum of \$500,000,000 by adding a lender or lenders to the facility, or by allowing an existing lender to increase its portion of the facility. The lenders are not committed to lend under the facility until they have agreed to lend under a specific borrowing request. Pursuant to the Agreement, PMLP may submit borrowing requests through November 19, 2005.
