PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of BioClinica, Inc., a Delaware corporation, referred to as the Company or BioClinica, we, us or our, of proxies to be voted at the Special Meeting of Stockholders of BioClinica to be held on [], 2013, referred to as the Meeting, at the Company's principal executive offices at 826 Newtown-Yardley Road, Newtown, Pennsylvania 18940, at [], local time, and at any adjournment or adjournments thereof. Holders of record of common stock, \$0.00025 par value, referred to as our common stock, as of the close of business on [], 2013, will be entitled to notice of and to vote at the Meeting and any adjournment or adjournments thereof. As of that date, there were [] shares of common stock issued and outstanding and entitled to vote. Each share of common stock is entitled to one vote on any matter presented at the Meeting. The aggregate number of votes entitled to be cast at the Meeting is [].

If proxies in the accompanying form are properly executed and returned, the shares of common stock represented thereby will be voted in the manner specified therein. If not otherwise specified, the shares of common stock represented by the proxies will be voted: (i) FOR the adoption of the Agreement and Plan of Merger, dated as of January 29, 2013, by and among BioClinica, Parent and Purchaser (the "Merger Agreement"); (ii) FOR the approval of a non-binding, advisory proposal regarding certain executive compensation described below that will be payable as a result of the Merger (as defined below); and (iii) in the discretion of the persons named in the enclosed form of proxy on any other proposals which may properly come before the Meeting or any adjournment or adjournments thereof. Any stockholder who has submitted a proxy may revoke it at any time before it is voted, by written notice addressed to and received by the Secretary of BioClinica, by submitting a duly executed proxy bearing a later date or by electing to vote in person at the Meeting. The mere presence at the Meeting of the person appointing a proxy does not, however, revoke the appointment.

The presence, in person or by proxy, of holders of shares of common stock having, in the aggregate, a majority of the votes entitled to be cast at the Meeting shall constitute a quorum. The affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote as of the record date of the Meeting is required for the adoption of the Merger Agreement, provided a quorum is present in person or by proxy. Provided a quorum is present in person or by proxy, the approval of the non-binding advisory proposal regarding certain executive compensation that will be payable as a result of the merger requires the affirmative vote of the holders of a majority of the shares represented in person or by proxy at the Meeting and entitled to vote thereon.

Abstentions are included in the shares present at the Meeting for purposes of determining whether a quorum is present, and are counted as a vote against for purposes of determining whether a proposal is approved. Broker non-votes (when shares are represented at the Meeting by a proxy conferring only limited authority to vote on certain matters and no authority to vote on other matters) are included in the determination of the number of shares represented at the Meeting for purposes of determining whether a quorum is present but are not counted for purposes of determining whether a proposal has been approved. Thus, a broker non-vote will have the effect as a vote against the adoption of the Merger Agreement but will have no effect on the outcome of the vote on the approval of the non-binding advisory proposal regarding certain executive compensation that will be payable as a result of the merger.

This Proxy Statement, together with the related proxy card, is being mailed to our stockholders on or about [], 2013.

SUMMARY TERM SHEET

This summary term sheet highlights material information contained in this proxy statement, but may not contain all of the information in this proxy statement that is important to your voting decision. To understand the Merger Agreement fully, and for a more complete description of the terms of the Merger (as defined herein), you should carefully read this entire proxy statement, the attached annexes and the documents referred to and incorporated by reference herein as such documents contain important business and financial information about BioClinica that has been filed with the Securities and Exchange Commission (the "SEC"). We have included section references in parentheses to direct you to more complete descriptions of the topics presented in this summary term sheet. In this proxy statement: (1) the terms "BioClinica," "we," "us," and "our" refer to BioClinica, Inc., a Delaware corporation, (2) the term "Parent" refers to BioCore Holdings, Inc., a Delaware corporation, and (3) the term "Purchaser" refers to BC Acquisition Corp., a Delaware corporation and wholly-owned subsidiary of Parent.

Proposals. You are being asked to vote on a proposal to adopt the Merger Agreement. Subject to the terms and conditions of the Merger Agreement, Purchaser will be merged with and into BioClinica (the "Merger"), with BioClinica continuing after the Merger as the surviving corporation and a wholly-owned subsidiary of Parent. Pursuant to the Merger Agreement, the Merger will follow the closing of a tender offer (the "Offer") made by Purchaser for all of the outstanding shares of BioClinica common stock. [The Offer expired on [], 2013 and Purchaser acquired [] shares of BioClinica common stock that were validly tendered and not withdrawn in the Offer, representing approximately []% of the outstanding shares of BioClinica common stock]. In addition, you are being asked to vote on a non-binding, advisory proposal regarding certain executive compensation described below that will be payable as a result of the Merger. See "The Meeting" beginning on page 7.

Parties to the Merger Agreement.

BioClinica BioClinica, Inc., a Delaware corporation, provides integrated clinical research technology solutions to pharmaceutical, biotechnology, and medical device companies, and other organizations such as contract research organizations, or CROs, engaged in global clinical studies. BioClinica's products and services include: medical image management, electronic data capture, clinical data management, interactive voice and web response, clinical trial supply forecasting tools, clinical trial management systems, and electronic image transport and archive solutions. See "Information About BioClinica" beginning on page 6.

Parent BioCore Holdings, Inc., a Delaware corporation, was incorporated on January 22, 2013. Contemporaneously with its execution of the Merger Agreement, Parent also executed an agreement pursuant to which Parent would acquire CoreLab Partners, Inc. ("CoreLabs"), subject to the terms and conditions set forth therein (the "CoreLabs Purchase Agreement"). CoreLabs is a provider of medical imaging services and cardiac safety solutions for clinical trials. The terms and conditions of the CoreLabs Purchase Agreement have not been publicly disclosed, however the closing of the transactions contemplated therein is conditioned upon the closing of the Merger. To-date, Parent has engaged in no activities other than those incident to its formation, the Offer, the Merger, the CoreLabs Purchase Agreement and the related financing. Parent is a wholly-owned subsidiary of BioCore Holdings, LLC, a Delaware limited liability company. See "Information About Parent, Purchaser and Affiliates" beginning on page 6.

Purchaser BC Acquisition Corp., a Delaware corporation, was incorporated on January 22, 2013 solely for the purpose of the Merger. To-date, Purchaser has engaged in no activities other than those incident to its formation and to the Offer and Merger. Purchaser currently owns [] shares of BioClinica common stock, representing approximately []% of

Table of Contents

the outstanding shares of common stock. Purchaser is a wholly-owned subsidiary of Parent. See "Information About Parent, Purchaser and Affiliates" beginning on page 6.

Board Recommendation. The Board of Director of BioClinica (the "Board of Directors") has unanimously (i) determined that the Offer, the Merger, the Merger Agreement and the transactions contemplated thereby are advisable and in the best interests of BioClinica and its stockholders; (ii) adopted the Merger Agreement and approved the transactions contemplated thereby; (iii) resolved to recommend acceptance of the Offer and, if required, adoption of the Merger Agreement by BioClinica's stockholders; and (iv) taken all other actions necessary to exempt the Offer, the Merger, the Merger Agreement and the transactions contemplated thereby from any "fair price," "moratorium," "control share acquisition," "interested stockholder," "business combination" or other similar statute or regulation. In addition, the Board of Directors also has adopted a resolution approving an amendment to the Amended and Restated Rights Agreement, dated as of March 23, 2011, between BioClinica and Computershare Trust Company, N.A. (the "Rights Agreement") essentially providing that the Rights Agreement shall be inapplicable to the Merger Agreement and the transactions contemplated thereby, including the Offer and the Merger. **Accordingly, the Board of Directors recommends that you vote FOR the adoption of the Merger Agreement.** See "Proposal One: The Merger Recommendation of the Board of Directors; Reasons for the Merger" beginning on page 13.

Opinion of EP Securities LLC. In connection with the Merger, the Board of Directors received a written opinion from EP Securities LLC ("Excel"), as to the fairness, from a financial point of view and as of the date of its opinion, of the merger consideration to be received by holders of BioClinica common stock pursuant to the Merger Agreement. The full text of Excel's written opinion, dated as of January 29, 2013, is attached to this proxy statement as Annex B. Holders of BioClinica common stock are encouraged to read this opinion carefully in its entirety for a description of the assumptions made, procedures followed, matters considered and limitation on the review undertaken. **Excel's opinion was provided to the Board of Directors in connection with, and for the purposes of, its evaluation of the merger consideration from a financial point of view. Excel's opinion does not address any other aspect of the Merger or any related transaction and does not constitute a recommendation to any stockholder of BioClinica as to how such stockholder should vote or act with respect to the Merger or any related transaction.** See "Proposal One: The Merger Opinion of BioClinica's Financial Advisor" beginning on page 17.

Purpose of the Merger. The purpose of the Offer and the Merger is for Parent, through Purchaser, to acquire control of, and the entire equity interest in, BioClinica. The acquisition will be accomplished by a merger of Purchaser with and into BioClinica, with BioClinica surviving the Merger as a wholly-owned subsidiary of Parent. If the Merger is consummated, each outstanding share of BioClinica common stock (other than shares held in BioClinica's treasury, shares owned by BioClinica's subsidiaries, Parent or Purchaser or shares held by stockholders who perfect appraisal rights in accordance with Delaware law), will be converted into the right to receive \$7.25 in cash without interest and less applicable withholdings. See "Proposal One: The Merger Purpose and Effects of the Merger; Merger Consideration" beginning on page 16.

Procedure for Receiving Merger Consideration. As soon as reasonably practicable after the consummation of the Merger, a paying agent will mail a letter of transmittal and instructions to you and other BioClinica stockholders. The letter of transmittal and instructions will tell you how to surrender your stock certificates or book-entry shares in exchange for the merger consideration. **You should not return your stock certificates with the enclosed proxy card, and you should not forward your stock certificates to the paying agent without a letter of transmittal.**

Table of Contents

Non-Solicitation. We have agreed not to solicit, initiate, induce, encourage or assist proposals from any person relating to any alternative acquisition transaction or, subject to certain exceptions, participate or engage in any discussions or negotiations with any person concerning any alternative acquisition transaction. We may take certain actions if the Board of Directors determines in good faith that it has received an unsolicited bona fide "superior proposal" as specified in the Merger Agreement.

Conditions to Closing. Before we can complete the Merger, a number of conditions must be satisfied (or waived to the extent permitted by law). These conditions include, among others:

the Merger Agreement having been adopted by the requisite vote of the stockholders of BioClinica, if necessary or required by applicable law; and

there not being in effect any order, judgment, decision, decree, injunction, ruling, writ or assessment of any governmental authority of competent jurisdiction, and no law having been enacted (and remaining in effect) by any governmental authority of competent jurisdiction, which, in any case, prohibits or makes illegal the consummation of the Merger.

See "The Merger Agreement The Merger" beginning on page 37.

Date, Time, Place and Purpose of the Meeting. The Meeting will be held at BioClinica's principal executive offices located at 826 Newtown-Yardley Road, Newtown, Pennsylvania 18940, on [], 2013, at [] a.m., local time, for BioClinica stockholders to consider and vote on (i) the proposal to adopt the Merger Agreement and (ii) the non-binding, advisory proposal regarding certain executive compensation that will be payable as a result of the Merger. See "The Meeting Date, Time, Place and Purpose of the Meeting" beginning on page 7.

Record Date and Quorum. You are entitled to vote at the Meeting if you owned shares of BioClinica common stock at the close of business on [], 2013, which is the record date for the Meeting. You will have one vote for each share of BioClinica common stock that you owned on the record date. As of the record date, there were [] shares of BioClinica common stock entitled to vote at the Meeting. The holders of a majority of the outstanding shares of BioClinica common stock at the close of business on the record date represented in person or by proxy will constitute a quorum for purposes of the Meeting. See "The Meeting Record Date and Quorum" beginning on page 8.

Vote Required. Adoption of the Merger Agreement requires the affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote as of the record date of the Meeting. Each outstanding share of BioClinica common stock on the record date entitles the holder to one vote on this proposal. **If you fail both to attend the Meeting in person and to submit a proxy, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the Meeting. In addition, if you fail to vote by proxy or in person or if you ABSTAIN from voting and a quorum is present, your failure to vote or your abstention will have the same effect as a vote against the adoption of the Merger Agreement.** Broker non-votes will also have the same effect as voting against the adoption of the Merger Agreement for purposes of the votes described above. Furthermore, the vote on the non-binding, advisory proposal regarding certain executive compensation payable as a result of the Merger requires the affirmative vote of the holders of a majority of the shares represented in person or by proxy at the Meeting and entitled to vote thereon. An abstention will have the same effect as a vote against the non-binding, advisory proposal regarding certain executive compensation. Because brokers do not have discretionary authority to vote on proposals presented at the Meeting, broker non-votes will not count as votes either for or against the non-binding, advisory proposal regarding certain executive compensation. **Purchaser owns [] shares of BioClinica common stock, representing approximately []% of the**

outstanding shares of common stock. Purchaser has indicated that it intends to vote all such shares in favor of the proposals. Thus, the approval of both proposals is assured without the vote of any other stockholder. See "The Meeting Vote Required" beginning on page 8.

Delisting and Deregistration of BioClinica common stock. We have agreed that prior to the effective time of the Merger we will cooperate with Parent and use commercially reasonable efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable under applicable laws and rules and policies of The NASDAQ Global Market (the "NASDAQ") to cause the delisting of BioClinica and the shares from the NASDAQ as promptly as practicable after the effective time of the Merger and the deregistration of the shares under the Exchange Act as promptly as practicable after such delisting.

Interests of BioClinica's Directors and Executive Officers in the Merger. In considering the recommendations of the Board of Directors with respect to the Merger, you should be aware that certain members of management and the Board of Directors may be deemed to have certain interests in the transactions contemplated by the Merger Agreement that are in addition to the interests of BioClinica's stockholders generally. The Board of Directors was aware of these interests and considered that such interests may be different from or in addition to the interests of BioClinica's stockholders generally, among other matters, in determining to approve the Merger Agreement and the transactions contemplated thereby. See "Proposal One: The Merger Interests of BioClinica's Directors and Executive Officers in the Merger" beginning on page 26.

Appraisal Rights. Pursuant to Delaware law, our stockholders have the right to dissent from the Merger and receive a cash payment for the judicially determined fair value of their shares of BioClinica common stock, plus interest, if any, on the amount determined to be the fair value. The judicially determined fair value could be greater than, equal to or less than the \$7.25 per share that our stockholders are entitled to receive in the Merger. To exercise their appraisal rights, stockholders must not vote in favor of the adoption of the Merger Agreement and must strictly comply with specific procedures set forth in Section 262 of the General Corporation Law of the State of Delaware (the "DGCL"). If you vote for the adoption of the Merger Agreement, you will waive your rights to seek appraisal of your shares of BioClinica common stock under Delaware law. This proxy statement constitutes our notice to our stockholders of the availability of appraisal rights in connection with the Merger in compliance with the requirements of Section 262 of the DGCL. The procedural requirements for perfecting appraisal rights under Section 262 of the DGCL are summarized in this proxy statement in the section titled "Appraisal Rights" beginning on page 55. Additionally, a copy of Section 262, which grants appraisal rights and governs the procedures for perfecting such rights, is attached to this proxy statement as Annex C.

Financing. Upon the closing of the Offer, an aggregate of \$[] was contributed to Parent by JLL Partners Fund VI, L.P., a Delaware limited partnership (the "Sponsor"), and certain other investors. See "Proposal One: The Merger Financing; Source of Funds" beginning on page 33. Pursuant to the Offer, Purchaser acquired [] shares for an aggregate of \$[], which amount was provided by Parent. Purchaser estimates that the total amount of cash required to acquire all currently outstanding shares pursuant to the Merger (other than shares held by Purchaser) and to pay related fees and expenses will be approximately \$[]. All such funds will be provided by Parent and from available cash of BioClinica. Parent and Purchaser do not anticipate the need to seek alternate sources of funding.

tax purposes. In general, a U.S. holder who receives cash in exchange for shares in the Merger will recognize capital gain or loss for United States federal income tax purposes equal to the difference, if any, between the amount of cash received and such U.S. holder's adjusted tax basis in the shares surrendered. Any such gain or loss would be long-term capital gain or loss if the holding period for the shares exceeded one year. The deductibility of capital losses is subject to certain limitations. Gain or loss must be calculated separately for each block of shares (i.e., shares acquired at the same cost in a single transaction) exchanged for cash in the Merger. **We recommend that our stockholders consult their own tax advisors as to the particular tax consequences to them of the Merger.** See "Proposal One: The Merger Material U.S. Federal Income Tax Consequences of the Merger" beginning on page 33.

Treatment of Options. Neither Parent nor Purchaser will assume any of BioClinica's stock options in connection with the Merger or any other transactions contemplated in the Merger Agreement. All outstanding options vested and became exercisable for shares upon the closing of the Offer. To the extent not exercised prior to the effective time of the Merger, each outstanding, unexercised option will be deemed exercised and cancelled in connection with the Merger and, in consideration for such deemed exercise and cancellation, each former holder of any such cancelled option will receive a cash payment equal to the product of (i) the excess, if any, of \$7.25 over the exercise price per share previously subject to such option times (ii) the total number of shares subject to such option; *provided, that*, if the exercise price per share of any such option is equal to or greater than \$7.25, such option will be cancelled and terminated without any cash payment being made in respect thereof. BioClinica will take all actions necessary under BioClinica's plans and arrangements to effect the foregoing, including delivering all notices and making any determinations or resolutions of the Board of Directors.

Anticipated Closing of Merger. We are working toward completing the Merger as soon as practicable, and assuming the adoption of the Merger Agreement by our stockholders, we anticipate that the Merger will be completed promptly following the Meeting. See "The Merger Agreement The Merger" beginning on page 37.

Additional Information. You can find more information about BioClinica in the periodic reports and other information we file with the SEC. QUESTIONS AND ANSWERS ABOUT THE MEETING AND THE MERGER

This section of the proxy statement provides brief answers to some of the questions that may be raised by the Merger Agreement and the Merger, but it may not contain all of the information about the Merger that is important to you. You are encouraged to read the entire proxy statement carefully, including the information in the annexes.

Q: What is the proposed transaction?

A: The proposed transaction is the acquisition of BioClinica by Parent, pursuant to the Merger Agreement. Once the Merger Agreement has been adopted by our stockholders at the Meeting and subject to the absence of any injunction or law prohibiting consummation of the Merger, Purchaser, a wholly-owned subsidiary of Parent, will be merged with and into BioClinica, with BioClinica surviving as a wholly-owned subsidiary of Parent.

Q: What will I be entitled to receive in the Merger?

A: Upon completion of the Merger, holders of BioClinica common stock (other than any shares held in BioClinica's treasury, any shares owned by BioClinica's subsidiaries, Parent or Purchaser, or any shares held by BioClinica stockholders who perfect appraisal rights in accordance with Delaware law), will be entitled to receive \$7.25 in cash, without interest and less any required withholding taxes, for each share of BioClinica common stock held by them. Holders of BioClinica common stock will not own shares in the surviving corporation and will no longer hold any stock of BioClinica. Upon the consummation of the Merger, each outstanding stock option to purchase shares of BioClinica common stock will be cancelled and converted into the right to receive an amount in cash (subject to applicable withholding taxes) equal to (a) the excess, if any, of the merger consideration of \$7.25 per share over the per share exercise price of the stock option, multiplied by (b) the number of shares of BioClinica common stock subject to the stock option.

Q: Where and when is the Meeting?

A: The Meeting will take place at BioClinica's principal executive offices located at 826 Newtown-Yardley Road, Newtown, Pennsylvania 18940, on [], 2013, at [] a.m., local time.

Q: May I attend the Meeting?

A: All stockholders of record at the close of business on [], 2013, which is the record date for the Meeting, may attend the Meeting. In order to be admitted to the Meeting, a form of government-issued personal identification will be required.

In addition, if your shares are held in the name of a bank, broker or other holder of record, and you plan to attend the Meeting, you must present proof of your ownership of BioClinica common stock, such as a bank or brokerage account statement, to be admitted to the Meeting. You also must present a proxy issued to you by the holder of record of your shares at the Meeting.

No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted at the Meeting.

Q: What other proposals are being voted on at the Meeting?

A: In addition to the proposal to adopt the Merger Agreement, stockholders will vote at the Meeting on a non-binding, advisory proposal regarding certain executive compensation that will be payable as a result of the Merger.

Table of Contents

Q: What vote of stockholders is required to approve the proposals?

A: The Merger Agreement must be adopted by the affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote as of the record date of the Meeting. The vote on the non-binding, advisory proposal regarding certain executive compensation that will be payable as a result of the Merger requires the affirmative vote of the holders of a majority of the shares represented in person or by proxy at the Meeting and entitled to vote thereon. **As a result of the Offer, Purchaser owns [] shares of BioClinica common stock, representing approximately []% of the outstanding shares of common stock. Purchaser has indicated that it will vote all such shares in favor of the proposals. Thus, the approval of both proposals is assured without the vote of any other stockholder.**

Q: How does the Board of Directors recommend that I vote?

A: The Board of Directors recommends that you vote FOR the proposal to adopt the Merger Agreement and FOR the non-binding, advisory proposal regarding certain executive compensation that will be payable as a result of the Merger. Before voting, you should read "Proposal One: The Merger Recommendation of the Board of Directors; Reasons for the Merger" for a discussion of the factors that the Board of Directors considered in deciding to recommend the adoption of the Merger Agreement.

Q: Who may vote at the Meeting?

A: You may vote at the Meeting if you were a holder of BioClinica common stock at the close of business on [], 2013, which is the record date for the Meeting.

Q: How many shares are entitled to vote at the Meeting?

A: Each share of BioClinica common stock on the record date is entitled to one vote on the proposal to adopt the Merger Agreement and one vote on the non-binding, advisory proposal regarding certain executive compensation that will be payable as a result of the Merger. As of the close of business on the record date, there were [] shares of BioClinica common stock outstanding held by approximately [] stockholders of record. See "The Meeting" beginning on page 7.

Q: What does it mean if I get more than one proxy card?

A: If you have shares of BioClinica common stock that are registered differently and are in more than one account, you will receive more than one proxy card. Please follow the directions for voting on each of the proxy cards you receive to ensure that all of your shares are voted.

Q: How do I vote?

A: In order to vote, you must either designate a proxy to vote on your behalf or attend the Meeting and vote your shares in person. The Board of Directors requests your proxy, even if you plan to attend the Meeting, so your shares will be counted toward a quorum and will be voted at the Meeting even if you later decide not to attend.

Q: How can I vote in person at the Meeting?

A: If you hold shares in your name as the stockholder of record, you may vote those shares in person at the Meeting by giving us a signed proxy card or ballot before voting is closed. If you want to do that, please bring a form of government-issued personal identification with you to the Meeting. Even if you plan to attend the Meeting, we recommend that you submit a proxy for your shares in advance as

Edgar Filing: BIOCLINICA INC - Form PREM14A

described above, so your vote will be counted even if you later decide not to attend. If

Table of Contents

you hold shares in "street name" (that is, through a broker, bank or other nominee), you may vote those shares in person at the Meeting only if you obtain and bring with you a signed proxy from the necessary nominees giving you the right to vote the shares. To do this, you should contact your broker, bank or other nominee.

Q:
How can I vote without attending the Meeting?

A:
If you hold shares in your name as the stockholder of record, then you received this proxy statement and a proxy card from us. In that event, you may complete, sign, date and return your proxy card in the postage-paid envelope provided. If your shares are held in street name, please follow the instructions on your proxy card to instruct your broker or other nominee to vote your shares. Without those instructions, your shares will not be voted.

Q:
How can I revoke my proxy?

A:
If you are a stockholder of record, you may change your mind and revoke your proxy at any time before it is voted at the Meeting by:

sending a written notice to revoke your proxy to the Secretary of BioClinica, 826 Newtown-Yardley Road, Newtown, Pennsylvania 18940, which must be received by BioClinica before the Meeting commences;

transmitting a proxy by mail at a later date than your prior proxy, which must be received by BioClinica before the Meeting commences; or

attending the Meeting and voting in person or by proxy. Please note that attendance at the Meeting will not by itself constitute revocation of a proxy.

If you hold your shares in street name, you should contact your broker, bank or other nominee if you wish to revoke your proxy.

Q:
What is a quorum?

A:
A quorum of the holders of the outstanding shares of BioClinica common stock must be present for the Meeting to be held. A quorum is present if the holders of a majority of the outstanding shares of BioClinica common stock, counted as a single class, entitled to vote are present at the Meeting, either in person or represented by proxy. Withheld votes, abstentions and broker non-votes are counted as present for the purpose of determining whether a quorum is present. **Since Purchaser currently owns approximately []% of the outstanding shares of common stock, Purchaser's presence at the Meeting, in person or by proxy, is sufficient to constitute a quorum without the presence of any other BioClinica stockholder.**

Q:
How are votes counted?

A:
You may vote "FOR," AGAINST or ABSTAIN from voting on each of the proposals. Abstentions will count for the purpose of determining whether a quorum is present, but will not count as votes cast on a proposal. If you ABSTAIN with respect to the proposal to adopt the Merger Agreement, it has the same effect as if you vote AGAINST the approval of that matter. However, abstentions will not have an effect on the outcome of the vote on the non-binding, advisory proposal regarding certain executive compensation described below that will be payable as a result of the Merger.

A broker non-vote generally occurs when a broker, bank or other nominee holding shares on your behalf does not vote on a proposal because the nominee has not received your voting instructions and lacks discretionary power to vote the shares. Broker non-votes will count for the purpose of determining whether a quorum is present, but will not count as votes cast on a proposal. A broker

non-vote will have the same effect as a vote AGAINST the adoption of the Merger Agreement, but will have no effect on the outcome of the vote on the non-binding, advisory proposal regarding certain executive compensation described below that will be payable as a result of the Merger.

A properly executed proxy card received by the Secretary of BioClinica before the Meeting, and not revoked, will be voted as directed by you. If you properly execute and deliver your proxy card without indicating your vote, your shares will be voted FOR the adoption of the Merger Agreement and FOR the non-binding, advisory proposal regarding certain executive compensation described below that will be payable as a result of the Merger.

Q: Who will bear the costs of this solicitation?

A: We will pay the costs of this solicitation, which will be made primarily by mail. Proxies also may be solicited in person, by telephone, facsimile or similar means, or by our directors, officers or employees without additional compensation.

Q: When do you expect the Merger to be completed?

A: We are working toward completing the Merger as soon as practicable, and assuming that no law or governmental order, judgment, decision, decree, injunction, ruling, writ or assessment prohibits the consummation of the Merger, we anticipate that the Merger will be completed promptly following the Meeting. See "The Merger Agreement The Merger" beginning on page 37.

Q: Should I send in my stock certificates now?

A: No. Shortly after the Merger is completed, you will receive a letter of transmittal with instructions informing you how to surrender your stock certificates or book-entry shares to the paying agent in order to receive the merger consideration, without interest. You should use the letter of transmittal to exchange your BioClinica stock certificates or book-entry shares for the merger consideration to which you are entitled as a result of the Merger. If your shares are held in street name by your broker, you will receive instructions from your broker as to how to effect the surrender of your shares and receive cash for those shares. **Do not send any stock certificates with your proxy.**

Q: What do I need to do now?

A: We encourage you to read this proxy statement carefully in its entirety, including its annexes, and to consider how the Merger affects you. If you are a stockholder of record, then you can ensure that your shares are voted at the Meeting by completing, signing and dating the enclosed proxy card and returning it in the envelope provided. If you hold your shares in "street name," you can ensure that your shares are voted at the Meeting by instructing your broker on how to vote, as discussed below.

INFORMATION ABOUT BIOCLINICA

BioClinica provides integrated clinical research technology solutions to pharmaceutical, biotechnology, medical device companies and other organizations such as contract research organizations, or CROs, engaged in global clinical studies. BioClinica's products and services include: medical image management, electronic image transport and archive solutions, electronic data capture, clinical data management, interactive voice and web response, clinical trial supply forecasting tools and clinical trial management software solutions. By supplying enterprise-class software and hosted solutions accompanied by expert services to fully utilize these tools, BioClinica believes that its offerings provide its clients, large and small, improved speed and efficiency in the execution of clinical studies, with reduced clinical and business risk.

Table of Contents

BioClinica's solutions support clinical stage research and development, or R&D, functions for our clients, and specifically, the collection, cleaning, and reporting of data related to their clinical trials. For large pharmaceutical and biotechnology companies, outsourcing these services to BioClinica is a cost effective alternative to the fixed cost model associated with internal drug development. Moreover, these large companies can benefit from BioClinica's technical resource pool, broad therapeutic expertise, and global infrastructure to support simultaneous multi-country clinical trials. For smaller companies, BioClinica provides the focused expertise and the manpower that they simply may not have in-house to pursue the resource-intensive clinical stages of drug development.

BioClinica's vision is to build critical mass in the complementary disciplines of clinical research related to data collection and processing especially those which can benefit from our information technology products and support services and to integrate these offerings in ways that yield efficiency and value for our clients. BioClinica's goal is to provide demonstrable benefits to sponsor clients through this strategy, that is, more reliable, faster and less expensive drug development. BioClinica believes that the outsourcing of these services should continue to increase in the future because of continued pressure on clinical trial sponsors, including factors such as: the need to more tightly manage costs, capacity limitations, reductions in marketing exclusivity periods, the desire to reduce development time, increased globalization of clinical trials, productivity challenges, imminent patent expirations, and more stringent regulation. BioClinica believes these trends will continue to create opportunities for companies like BioClinica that are focused on improving the efficiency of drug and medical device development.

The purpose of the Meeting is to consider and vote upon a proposal to adopt the Merger Agreement and a non-binding, advisory proposal regarding certain executive compensation described below that will be payable as a result of the Merger. Our stockholders must adopt the Merger Agreement in order for the Merger to occur. A copy of the Merger Agreement is attached to this proxy statement as Annex A and is incorporated by reference herein.

The Board of Directors has unanimously (i) determined that the Offer, the Merger, the Merger Agreement and the transactions contemplated thereby are advisable and in the best interests of BioClinica and its stockholders; (ii) adopted the Merger Agreement and approved the transactions contemplated thereby; (iii) resolved to recommend acceptance of the Offer and, if required, adoption of the Merger Agreement by BioClinica's stockholders; and (iv) taken all other actions necessary to exempt the Offer, the Merger, the Merger Agreement and the transactions contemplated thereby from any "fair price," "moratorium," "control share acquisition," "interested stockholder," "business combination" or other similar statute or regulation. Record Date and Quorum

The holders of record of BioClinica common stock at the close of business on [], 2013, which is the record date for the Meeting, are entitled to receive notice of, and to vote at, the Meeting. Each holder will have one vote for each share of BioClinica common stock that such holder owns on the record date. As of the close of business on the record date, there were [] shares of BioClinica common stock outstanding held by approximately [] stockholders of record.

The holders of a majority of the outstanding shares of BioClinica common stock at the close of business on the record date represented in person or by proxy will constitute a quorum for purposes of the Meeting. A quorum is necessary to hold the Meeting. Any shares of common stock held in treasury by BioClinica or by any of our subsidiaries are not considered to be outstanding for purposes of determining whether a quorum is present. Once a share is represented at the Meeting, it will be counted for the purpose of determining a quorum at the Meeting and any adjournment or postponement of the Meeting. However, if a new record date is set for the adjourned or postponed Meeting, then a new quorum will have to be established. If a quorum is not present, the Meeting may be adjourned or postponed from time to time without further notice, if the time and place of the adjourned or postponed meeting are announced at the Meeting, until a quorum is obtained. **Since Purchaser currently owns approximately []% of the outstanding shares of BioClinica common stock, Purchaser's presence at the Meeting, in person or by proxy, is sufficient to constitute a quorum without the presence of any other BioClinica stockholder.**

Vote Required

Adoption of the Merger Agreement requires the affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote as of the record date of the Meeting. Each outstanding share of BioClinica common stock on the record date entitles the holder to one vote on this proposal.

Approval of the non-binding, advisory proposal regarding certain executive compensation described below that will be payable as a result of the Merger requires the affirmative vote of the holders of a majority of the shares represented in person or by proxy at the Meeting and entitled to vote thereon. Each outstanding share of BioClinica common stock on the record date entitles the holder to one vote on this proposal.

Purchaser currently owns approximately []% of the outstanding shares of BioClinica common stock and has indicated that it intends to vote its shares in favor of both proposals. Thus, the approval of both proposals is assured without the vote of any other stockholder.

Proxies; Revocability of Proxies

If you are a stockholder of record and submit a proxy by mail, your shares will be voted at the Meeting as you indicate on your proxy card. If no instructions are indicated on your proxy card, your shares of BioClinica common stock will be voted FOR the adoption of the Merger Agreement and FOR the non-binding, advisory proposal regarding certain executive compensation payable as a result of the Merger.

If your shares are held in street name by your broker, bank or other nominee, you should instruct your broker how to vote your shares using the instructions provided by your broker. If you have not received voting instructions or require further information regarding such voting instructions, contact your broker, bank or other nominee for directions on how to vote your shares. Brokers who hold shares in street name for customers may not be permitted to exercise their voting discretion with respect to the approval of the proposals before the Meeting and in such instance, absent specific instructions from the beneficial owner of such shares, are not empowered to vote such shares with

Table of Contents

respect to the adoption of the Merger Agreement. Such shares will constitute "broker non-votes." shares of common stock held by persons attending the Meeting but not voting, or shares for which BioClinica has received proxies with respect to which holders have abstained from voting, will be considered abstentions. Abstentions and broker non-votes will be treated as shares that are present and entitled to vote at the Meeting for purposes of determining whether a quorum exists, but will have the same effect as a vote AGAINST adoption of the Merger Agreement. However, abstentions and broker non-votes will have no effect on the outcome of the vote on the non-binding, advisory proposal regarding certain executive compensation described below that will be payable as a result of the Merger.

You may revoke your proxy at any time before the vote is taken at the Meeting. To revoke your proxy, you must advise the Secretary of BioClinica, 826 Newtown-Yardley Road, Newtown, Pennsylvania 18940, in writing, submit a proxy dated after the date of the proxy you wish to revoke or attend the Meeting and vote your shares in person. Attendance at the Meeting will not by itself constitute revocation of a proxy.

Please note that if you have instructed your broker to vote your shares, the options for revoking your proxy described in the paragraph above do not apply and instead you must follow the directions provided by your broker to change these instructions.

The Board of Directors is not aware of any matter to be presented for action at the Meeting other than the adoption of the Merger Agreement and the non-binding, advisory proposal regarding certain executive compensation that will be payable as a result of the Merger, and does not intend to bring any other matters before the Meeting.

Solicitation of Proxies

We will pay the costs associated with this proxy solicitation. In addition to soliciting proxies by mail, our directors, officers and employees may solicit proxies personally and by telephone, facsimile or other electronic means of communication. These persons will not receive additional or special compensation for such solicitation services.

PROPOSAL ONE: THE MERGER

This section of the proxy statement describes certain material aspects of the Merger, but it may not contain all of the information about the Merger that is important to you. For a more complete understanding of the Merger, we encourage you to carefully read this entire proxy statement, including the copy of the Merger Agreement attached to this proxy statement as Annex A, in its entirety.

Background of the Merger

The decision by the Board of Directors to approve the Merger Agreement was the outcome of more than an eight-month process in which 17 private equity funds and four potential strategic partners were contacted to assess potential strategic alternatives available to BioClinica in an effort to maximize delivered stockholder value. The Board of Directors considered numerous factors when approving the Merger Agreement, as more fully set forth below in the section entitled "Proposal One: The Merger Recommendation of the Board of Directors; Reasons for the Merger" such as various stock market conditions negatively impacting BioClinica, including the relative performance of BioClinica's common stock in the public trading market and low trading volume relative to its positive business developments this past year, coupled with the increasing cost of being a public company in the United States.

On May 16, 2012, the Board of Directors met with BioClinica senior management and Morgan, Lewis & Bockius, LLP ("Morgan Lewis"), BioClinica's outside legal counsel, and Excel, to discuss BioClinica's status as a publicly-traded company and to discuss potential strategic alternatives through

which BioClinica could increase stockholder value. There was a discussion of potential alternative strategic transactions through which the Board of Directors could potentially increase stockholder value. Following these discussions, the Board of Directors decided to move forward with an exploratory process regarding potential strategic alternatives while reiterating that BioClinica was not up for sale at that time. Morgan Lewis then discussed with the members of the Board of Directors their fiduciary duties related to the exploratory process. The Board of Directors considered the engagement of Excel to assist BioClinica in connection with its efforts to explore potential strategic alternatives. In addition, the Board of Directors decided to form a strategic committee (the "Committee") to review potential strategic alternatives going forward. The purpose of the Committee was to (i) review and negotiate any potential transaction and (ii) make recommendations to the Board of Directors, in order to streamline the process for the Board of Directors. The Committee consisted of Dr. Nowicki, Mr. Coyne, Mr. Parker and Ms. LoCastro, each of whom is an independent director within the meaning of the applicable rules of the NASDAQ Global Market. The Board of Directors chose these individuals to be members of the Committee because of the Board of Directors' determination that they were independent, disinterested directors and because they had experience with strategic alternatives by virtue of their experience with other public companies. The Board of Directors also agreed that Dr. Nowicki would lead this process and any negotiations, and he would coordinate directly with Morgan Lewis and Excel.

Following the meeting on May 16, 2012, the Committee and Excel negotiated an engagement letter whereby Excel would act as BioClinica's financial advisor during the exploratory process with respect to a potential transaction. On June 8, 2012, BioClinica formally engaged Excel. The Committee authorized Excel to conduct a preliminary review of potential private equity acquirers and to determine the market's receptiveness to a potential sale process. The Committee determined to focus on private equity firms during the initial stages of the process, and not to approach strategic buyers until later in the process in order to avoid disclosing confidential information to BioClinica's potential competitors if the Committee ultimately determined not to pursue a sale process.

Beginning in June, at the direction of the Committee, Excel introduced BioClinica to several potential private equity acquirers. Several of these potential private equity acquirers executed non-disclosure agreements and met with members of BioClinica's management team and Excel. They were provided with financial projections prepared by BioClinica management and other information about BioClinica. These firms were asked to provide an indication of interest in pursuing a transaction with BioClinica. JLL was contacted during this period but declined to participate in the process at that time.

On August 13, 2012, the Committee held a telephonic meeting which was also attended by Excel and Morgan Lewis. Representatives of Excel updated the Committee regarding discussions with potential private equity partners and a non-competitive strategic partner that had taken place, indicating that three of the potential private equity partners had indicated an interest in a potential transaction. The Committee determined that the financial terms proposed by these private equity firms were below those deemed acceptable by the Committee. There was then a discussion regarding whether it would be advisable to contact potential strategic partners at this point in the process. After further discussion, the Committee instructed Excel to reach out to the potential strategic partners mentioned during the meeting.

On August 15, 2012, the Board of Directors met with BioClinica senior management, Excel and Morgan Lewis. During this meeting, Excel updated the Board of Directors regarding recent conversations with potential private equity partners. The Board of Directors discussed the results of the conversations and reviewed BioClinica's strategic plan. The Board of Directors determined that, unless BioClinica received a financially-acceptable offer, a strategic transaction may not be in the best interests of the stockholders at that time. The Board of Directors and management discussed three potential avenues through which stockholder value could be maximized: (i) a sale of BioClinica to a

strategic or private equity partner; (ii) an acquisition by BioClinica of a strategic partner; or (iii) an internal review of the operations of BioClinica in an effort to increase value. After a discussion of the alternatives, the Board of Directors determined that it would be in the best interests of the stockholders of BioClinica to explore all three potential opportunities simultaneously, including authorizing Excel to expand its outreach to potential private equity and strategic acquirers.

During September 2012, BioClinica executed non-disclosure agreements with two potential strategic acquirers ("Strategic Buyer A" and "Strategic Buyer B") and provided them with preliminary due diligence information about BioClinica. On September 25, 2012 and September 27, members of BioClinica management and Excel met with Strategic Buyers A and B, respectively, and presented an overview of BioClinica, including projections prepared by BioClinica management. Subsequent to the meetings, BioClinica and Excel continued to hold discussions and share information with both Strategic Buyer A and Strategic Buyer B.

On October 12, 2012, Excel was contacted by a representative of JLL stating its interest in BioClinica. After JLL executed a non-disclosure agreement on October 15, 2012, BioClinica management and Excel met with JLL on October 16, 2012 to present an overview of BioClinica and share financial information including projections prepared by BioClinica management.

On October 17, 2012, Strategic Buyer A informed Excel that it would not pursue a transaction.

Also on October 17, 2012, BioClinica received a preliminary indication of interest from Strategic Buyer B. The preliminary indication of interest from Strategic Buyer B was in the price range of \$6.85 to \$7.26 per share. This preliminary indication of interest was subject to many conditions, including additional due diligence and approval by the board of Strategic Buyer B.

On October 22, 2012, the Committee held a telephonic meeting with Excel and Morgan Lewis to discuss recent updates in Excel's discussions with potential strategic and private equity partners. Excel reported that aside from Strategic Buyer B, the other potential strategic partners had not shown an interest in a potential deal. The Committee granted Excel authority to follow up with Strategic Buyer B in order to clarify the indication of interest and to gauge the seriousness of the offer. Morgan Lewis again reviewed with the Committee its fiduciary duties and responsibilities.

At BioClinica's direction, Excel shared information and held discussions with both JLL and Strategic Buyer B from October 22, 2012 through November 14, 2012.

On October 26, 2012, the Committee agreed to engage Richards, Layton & Finger, P.A. ("RLF") to work with Morgan Lewis as Delaware counsel to assist the Board of Directors in understanding its fiduciary duties under Delaware law.

On November 12, 2012, representatives of JLL met for dinner with BioClinica senior management and Excel in Princeton, NJ.

On November 14, 2012, the Board of Directors met with BioClinica senior management, Excel and Morgan Lewis. Excel updated the Board of Directors regarding its discussions with potential strategic and private equity partners. Excel reported to the Board of Directors that although the senior management of Strategic Buyer B indicated that it was serious about pursuing a transaction, the board of Strategic Buyer B declined to authorize the submission of a formal bid. The Board of Directors reviewed the costs of remaining a public company, potential growth opportunities for BioClinica and the relative lack of trading in BioClinica's common stock. The Board of Directors determined that it was in the best interests of BioClinica's stockholders to move forward with reviewing potential strategic opportunities while continuing to work to improve the growth potential of BioClinica.

Later that same day, after the Board of Directors meeting, Excel received and forwarded to the Board of Directors a letter from JLL indicating that JLL was interested in acquiring 100% of the outstanding shares of BioClinica at a price per share of \$7.00 - \$7.25 in cash and not subject to a financing contingency, subject to customary due diligence requirements and the entry by BioClinica into an exclusivity period during which JLL would complete the due diligence process and negotiate the transaction with BioClinica.

On November 19, 2012, the Committee met with Excel and Morgan Lewis to review the JLL indication of interest as well as the status of the other potential strategic and private equity partners. Excel presented its analysis of the financial terms proposed by JLL; and Excel and Morgan Lewis presented to the Committee a background report on JLL. The Committee noted that Strategic Buyer B had indicated to Excel its decision not to submit a final bid to BioClinica. Following the review, the Committee discussed JLL's request for exclusivity with Excel and Morgan Lewis. Excel reported to the Committee that throughout the process, they had contacted 17 private equity funds and four potential strategic partners, of which, 15 funds or companies signed Non-Disclosure Agreements and participated in meetings with senior management of BioClinica. Morgan Lewis reviewed the fiduciary responsibilities of the Committee with regard to the granting of exclusivity to a bidder and the Committee discussed the lack of any other serious potential partners at that time, the financial terms of JLL's proposal not being subject to any financing contingency and circumstances that would allow JLL to expedite its due diligence review. After a lengthy discussion, the Committee decided to grant JLL 30 days of exclusivity during which JLL could conduct its due diligence review of BioClinica and submit its final offer, so long as the final offer from JLL was no lower than the high end of the range.

After the meeting, the Committee, Excel and Morgan Lewis negotiated an exclusivity letter with JLL, which was executed on November 23, 2012. In the letter, JLL confirmed that it would be prepared to offer \$7.25 per share subject to its due diligence review.

On December 4, 2012, representatives of JLL met with BioClinica senior management and Excel in Morgan Lewis' Philadelphia, PA offices to review BioClinica's strategic plan and business prospects.

On December 10, 2012, Excel posted a copy of a form of merger agreement to the data room.

On December 26, 2012, JLL requested an extension of the exclusivity period from December 23, 2012 to January 15, 2013. In addition, JLL disclosed that they were considering purchasing a third party in a similar industry that could be synergistic with the BioClinica acquisition. The private equity firm that owns a majority of this third party requested access to certain BioClinica due diligence materials.

On December 28, 2012, the Committee met to discuss the current status of the negotiations, the request for an extension of exclusivity and the third party due diligence request. The Committee agreed to extend the exclusivity period with JLL until January 11, 2013. At that time, the Committee also decided not to open due diligence to the third party private equity firm at this stage.

On December 28, 2012, Morgan Lewis spoke with Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden"), JLL's outside legal counsel, to relay this position.

On December 29, 2012, Excel spoke to JLL, and JLL again requested offering the third-party private equity firm limited due diligence.

On the morning of January 2, 2013, the BioClinica's Chairman spoke to JLL, and JLL again asked for an extension of its exclusivity period, and stated the following: (i) there were certain financial issues that were discussed, including a concern regarding BioClinica's projected capital expenditures in the coming years, during due diligence which raised concerns regarding the \$7.25 offer price for BioClinica alone, but that JLL was more confident with the \$7.25 offer price if JLL was also able to acquire such third party; (ii) JLL was willing to deal with the third-party private equity firm directly so BioClinica management would not be distracted; and (iii) BioClinica management could work with JLL to redact

confidential information. Throughout this process, Excel, on behalf and at the direction of the Committee, negotiated with JLL to seek an offer greater than \$7.25 per share, while JLL communicated to Excel that as a result of projected increased capital expenditures, it was considering revising its offer to less than \$7.25 per share, which Excel relayed to the Committee.

With this new information, the Committee met by teleconference again during the afternoon of January 2, 2013, with Excel and Morgan Lewis on the call. The Committee decided to allow the third-party private equity firm to review certain due diligence materials subject to the conditions discussed above, as well as extend exclusivity until January 23, 2013.

Following the Committee call, Morgan Lewis called Skadden to discuss an amendment to the non-disclosure agreement between the parties to provide for the decision of the Committee discussed above. On January 3, 2013, the parties executed an amended non-disclosure agreement and extension of exclusivity until January 23, 2013.

On January 11, 2013, BioClinica senior management met with Excel, JLL and the third-party private equity firm to discuss the ongoing due diligence review process.

On January 14, 2013, BioClinica senior management met in person with Ernst & Young LLP, JLL's accounting advisors. Also on January 14, 2013, Morgan Lewis discussed due diligence issues with Skadden.

On January 17, 2013, Morgan Lewis received comments on the initial draft of the Merger Agreement from Skadden.

Throughout the weekend, Excel corresponded with JLL and Morgan Lewis corresponded with Skadden regarding high-level issues in the Merger Agreement.

On January 22, 2013, BioClinica senior management met with JLL and a consortium of potential lenders. Additionally, on January 22, 2013, Morgan Lewis circulated a revised draft of the Merger Agreement.

On January 23, 2013, JLL confirmed their prior offer of \$7.25 per share. The Committee then met telephonically with BioClinica senior management, Excel and Morgan Lewis to discuss JLL's offer and the revised draft of the Merger Agreement. After the discussion, the Committee agreed to recommend the offer and the revised draft of the Merger Agreement to the Board of Directors.

On January 25, 2013, the Board of Directors met with BioClinica senior management, Excel and Morgan Lewis to discuss JLL's offer and the revised draft of the Merger Agreement and to consider the Committee's recommendation. Excel made a presentation and delivered its oral opinion as to the fairness, from a financial point of view, of the consideration to be received by BioClinica's stockholders (other than BioClinica, Purchaser and Parent and their respective subsidiaries and other than Appraisal Shares (as defined in the Merger Agreement)). After discussing in detail the risks of potentially extending the process further, including the risk of JLL withdrawing from the sale process, any potential material changes in BioClinica's business and the Board of Directors' opinion that receiving an offer (from JLL or another potential acquirer) at a price per share higher than \$7.25 was unlikely, the Board of Directors unanimously decided to move forward with the Offer and the Merger with JLL and instructed management to finalize the Merger Agreement with JLL.

From January 25, 2013 to January 29, 2013, the Merger Agreement was finalized.

On January 29, 2013, the Board of Directors met telephonically with BioClinica senior management, Excel and Morgan Lewis to confirm that there had been no material changes to BioClinica's business or Excel's opinion with respect to the fairness, from a financial point of view, of the consideration to be received by BioClinica's stockholders. The Board of Directors also reviewed the changes that had been made to finalize the Merger Agreement. After receiving confirmation from

management that there were no changes to the business, from Excel that there were no changes to its opinion, and after its review of the final Merger Agreement, the Board of Directors unanimously approved, by all of the directors present (Ms. LoCastro was unable to attend the meeting due to a prior engagement), the Offer and the Merger Agreement. Excel provided its written opinion with respect to the fairness, from a financial point of view, of the consideration to be received by BioClinica's stockholders (other than BioClinica, Purchaser and Parent and their respective subsidiaries and other than shares held by stockholders who perfect appraisal rights in accordance with Delaware law) later that night.

Later, on January 29, 2013, BioClinica and JLL executed the Merger Agreement, and on January 30, 2013, BioClinica and JLL issued a press release announcing the execution of the Merger Agreement and related transactions.

On February 11, 2013, Purchaser announced the commencement of the Offer. That same day, BioClinica and JLL issued a press release regarding the commencement of the Offer.

On [March 11], 2013, Purchaser acquired [] shares of common stock validly tendered and not withdrawn in the Offer, representing approximately []% of the outstanding shares of common stock. [Following expiration of the initial offering period, Purchaser announced a subsequent offering period that expires at 5:00 p.m., local time, on [], 2013.] [To-date, Purchaser has acquired an additional [] shares of common stock during the subsequent offering period and owns an aggregate [] shares of common stock, or approximately []% of the outstanding shares of common stock.]

Recommendation of the Board of Directors; Reasons for the Merger

In evaluating the Offer and the Merger, the Board of Directors consulted with BioClinica's senior management, BioClinica's outside legal advisor, Morgan Lewis, and BioClinica's financial advisor, Excel, and, in the course of reaching its determinations to approve the Merger Agreement, the Offer, the Merger and the other transactions contemplated thereby and to recommend that BioClinica's stockholders accept the Offer and tender their shares pursuant to the Offer, the Board of Directors considered numerous factors, including the following material factors and benefits of the Offer and the Merger, each of which the Board of Directors believed supported its determinations:

The Board of Directors considered certain factors and benefits, including:

the \$7.25 per share price to be paid in cash for each share tendered in the Offer and each share outstanding as of the Merger, which represents a 23.2% premium over the average closing price of the shares for the 90 days ended January 29, 2013, and 28.7% over the average price for the 52-week period ended January 29, 2013, as disclosed in the joint press release issued by BioClinica and JLL on January 30, 2013;

the Board of Directors' belief that \$7.25 per share in cash to be received by BioClinica's stockholders in the Offer and the Merger represented the best price available in the sale process;

the opinion of Excel dated January 29, 2013, to the Board of Directors as to the fairness, from a financial point of view and as of the date of the opinion, of the consideration to be received in the Offer and the Merger by the holders of shares (other than BioClinica, Purchaser and Parent and their respective subsidiaries and other than shares held by stockholders who perfect appraisal rights in accordance with Delaware law), as more fully described below in the section entitled "Proposal 1 The Merger Opinion of BioClinica's Financial Advisor";

the Board of Directors' belief that, with the assistance of the BioClinica senior management, Excel and Morgan Lewis, the Board of Directors had used all reasonable efforts to identify,

pursue and evaluate a broad range of potential strategic alternatives, including (i) selling BioClinica to a third party and (ii) engaging in one or more strategic transactions to expand BioClinica;

the Board of Directors' belief that BioClinica had conducted, with the assistance of Excel, a thorough market check during the sale process;

the Board of Directors' discussions with Excel at the Board meetings on October 22, 2012, November 14, 2012, November 19, 2012, January 23, 2012 and January 25, 2013 regarding financial aspects of the proposals received in the sale process;

the Board of Directors' belief that each of the possible strategic alternatives to the Offer and the Merger that had been evaluated would be less favorable to BioClinica's stockholders;

that the form of consideration to be paid to holders of shares in the Offer and the Merger is cash, which will provide certainty of value and liquidity to BioClinica's stockholders;

the current and historical financial condition, results of operations, business and prospects of BioClinica, as well as BioClinica's financial plan and prospects if it were to remain an independent public company. The Board of Directors discussed BioClinica's current financial plan, working capital, and cash position, including the risks associated with achieving and executing upon BioClinica's business plan, as well as the general risks of market conditions that could further reduce BioClinica's stock price. The Board of Directors considered that the holders of shares would continue to be subject to the risks and uncertainties of BioClinica's financial plan, and prospects, all in an unstable economic environment, unless the shares were acquired for cash;

the Board of Directors' belief that the Offer could be completed relatively quickly and in an orderly manner;

the terms and conditions of the Offer and the Merger Agreement, including the parties' representations, warranties and covenants, the conditions to their respective obligations, the specified limited ability of the parties to terminate the Merger Agreement and the fact that (1) neither the Offer nor the Merger is subject to a financing condition, (2) the conditions to the Offer are specific and limited, and a majority are not within the control or discretion of JLL and, in the Board of Directors' judgment, are likely to be satisfied, and (3) subject to compliance with the terms and conditions of the Merger Agreement, BioClinica is permitted, under certain circumstances, to terminate the Merger Agreement at any time in order to approve an alternative transaction proposed by a third party that is a superior proposal upon the payment to Parent of a \$4,500,000 termination fee plus expenses of up to \$2,000,000, and the Board of Directors' belief that such termination fee was reasonable in the context of break-up fees that were payable in other comparable transactions;

JLL's ability to complete the Offer and the Merger;

the Board of Directors' understanding that BioClinica is a third-party beneficiary with the right to specific performance under JLL's equity commitment letter;

the two-step structure of the transaction, which would enable stockholders to receive the cash offer price pursuant to the Offer in a relatively short time frame, followed by the second-step Merger in which stockholders who do not tender their shares in the Offer will receive the same cash price as is paid in the Offer;

the likelihood and anticipated timing of completing the Offer, in light of the scope of the conditions to completion; and

the availability of statutory appraisal rights under Delaware law in the second-step Merger for stockholders who do not tender their shares in the Offer and do not vote their shares in favor of adoption of the Merger Agreement (and who otherwise comply with the statutory requirements of Delaware law), and who believe that exercising such rights would yield them a greater per share amount than the offer price, while simultaneously avoiding delays in the transaction so that other stockholders of BioClinica will be able to receive the offer price for their shares in the Offer and Merger.

In the course of its deliberations, the Board of Directors also considered a variety of risks and other countervailing factors related to entering into the Merger Agreement and consummating the Offer and the Merger, including:

the effect of the public announcement of the Merger Agreement, including effects on BioClinica's sales, operating results and stock price;

the fact that if the transaction closes, BioClinica's stockholders would be unable to share in any benefit resulting from any improvement in the performance of BioClinica or its share price;

the restriction that the Merger Agreement imposes on soliciting competing proposals;

the fact that BioClinica must pay Parent a termination fee of \$4,500,000 plus expenses of up to \$2,000,000 if BioClinica terminates the Merger Agreement in certain circumstances;

the possibility that the termination fee and expense reimbursement payable by BioClinica to Parent may discourage other bidders and, if the Merger Agreement is terminated, affect BioClinica's ability to engage in another transaction for up to 9 months following the termination date should the Offer not be completed;

the risk that the Offer may not receive the requisite tenders from BioClinica's stockholders and therefore may not be consummated;

the risks and costs to BioClinica if the transaction does not close, including the diversion of management and employee attention, potential employee attrition and the potential disruptive effect on business and client relationships;

the restrictions on the conduct of BioClinica's business prior to the completion of the transaction, requiring BioClinica to conduct its business in the ordinary course of business, and to use its commercially reasonable efforts to preserve intact its business organization and its business relationships, subject to specific limitations, which may delay or prevent BioClinica from undertaking business opportunities that may arise pending completion of the Offer and the Merger;

the fact that BioClinica's executive officers and directors may have interests in the transaction that are different from, or in addition to, those of BioClinica's other stockholders; and

the fact that the all-cash consideration would be a taxable transaction to the holders of shares that are U.S. persons for U.S. federal income tax purposes.

The foregoing discussion of the factors considered by the Board of Directors is intended to be a summary, and is not intended to be exhaustive, but does set forth the principal factors considered by the Board of Directors. After considering these factors, the Board of Directors concluded that the positive factors relating to the Merger Agreement, the Offer and the Merger substantially outweighed the potential negative factors. The Board of Directors collectively reached the conclusion to approve the Merger Agreement and the related transactions in light of the various factors described above and other factors that the members of the Board of Directors believed were appropriate. In view of the wide

variety of factors considered by the Board of Directors in connection with its evaluation of the Merger Agreement, the Offer, the Merger and the related transactions and the complexity of these

Table of Contents

matters, the Board of Directors did not consider it practical, and did not attempt, to quantify, rank or otherwise assign relative weights to the specific factors it considered in reaching its decision. Rather, the Board of Directors made its recommendation based on the totality of information presented to and the investigation conducted by it. In considering the factors discussed above, individual directors may have given different weights to different factors.

Purpose and Effects of the Merger; Merger Consideration

The purpose of the Offer and the Merger is for Parent, through Purchaser, to acquire control of, and the entire equity interest in, BioClinica. See "Proposal 1 The Merger Background of the Merger" above. The acquisition will be accomplished by a merger of Purchaser with and into BioClinica, with BioClinica surviving the Merger as a wholly-owned subsidiary of Parent. If the Merger is consummated, each outstanding share of BioClinica common stock (other than shares held in our treasury, shares owned by our subsidiaries, Parent or Purchaser and shares held by stockholders who perfect appraisal rights in accordance with Delaware law), will be converted into the right to receive \$7.25 in cash.

We have agreed that prior to the effective time of the Merger we will cooperate with Parent and use commercially reasonable efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable under applicable laws and rules and policies of The NASDAQ Global Market (the "NASDAQ") to cause the delisting of BioClinica and the shares from the NASDAQ as promptly as practicable after the effective time of the Merger and the deregistration of the shares under the Exchange Act as promptly as practicable after such delisting.

Effects of the Merger Not Being Consummated

Following the consummation of the Offer, Parent, which owns 100% of the common stock of Purchaser, indirectly controls [] shares of common stock (representing approximately []% of the outstanding shares of common stock), acquired by Purchaser pursuant to the Offer. As a result thereof and pursuant to the terms of the Merger Agreement, on March [], 2013, BioClinica caused a pro rata portion (based on the percentage of outstanding shares beneficially owned by Parent, Purchaser or any of their respective affiliates) of the directors of BioClinica to consist of persons designated by Purchaser. On [], 2013, [] resigned from their positions as directors of BioClinica and, pursuant to Purchaser's designation, the Board of Directors appointed [] to fill the vacancies created by such resignations. As a result of its ownership of such shares and right to designate nominees for election to the Board of Directors, Parent indirectly is able to control decisions of the Board of Directors and the decisions of Purchaser as a stockholder of BioClinica. This concentration of control in one stockholder may adversely affect the market value of the shares.

If the Merger is not consummated, stockholders of BioClinica, other than those affiliated with Parent, will lack sufficient voting power to elect directors or to cause other actions to be taken that require majority approval.

Pursuant to the terms of the Merger Agreement, until the effective time of the Merger, the Board of Directors will have at least three "Continuing Directors" who were directors of BioClinica on January 29, 2013, and who are "independent directors" as defined by NASDAQ Marketplace Rule 5605(a)(2). As of [], 2013, the three Continuing Directors are [], [] and []. Any (i) amendment or modification of the Merger Agreement which materially affects the holders of common stock, (ii) termination of the Merger Agreement by BioClinica, (iii) extension of time for performance of any of the obligations of Parent or Purchaser under the Merger Agreement, (iv) waiver of any condition to BioClinica's obligation under the Merger Agreement, (v) exercise or waiver of BioClinica's rights or remedies under the Merger Agreement, (vi) amendment to BioClinica's certificate of incorporation or by-laws, (vii) authorization of any agreement between BioClinica and any of its

Table of Contents

subsidiaries, on the one hand, and Parent, Purchaser or any of their affiliates on the other hand, or (viii) taking of any other action by BioClinica in connection with the Merger Agreement or the transactions contemplated thereby may, in each case, be effected only if such action is approved by a majority of the Continuing Directors then in office. To-date, none of these events has occurred.

Opinion of BioClinica's Financial Advisor

Financial Analyses and Opinion.

BioClinica retained Excel to act as its financial advisor in connection with the Offer and the Merger. In connection with this engagement, BioClinica requested Excel's opinion as to the fairness, from a financial point of view, of the \$7.25 per share cash consideration to be received in the Offer and the Merger by the holders of shares of BioClinica's common stock pursuant to the Merger Agreement. On January 29, 2013, Excel confirmed its oral opinion previously delivered on January 25 to the Board of Directors and subsequently delivered its written opinion dated January 29, 2013, to the effect that, as of that date and based upon and subject to various assumptions, matters considered and limitations and qualifications described in its opinion, the \$7.25 per share cash consideration to be received in the Offer and the Merger pursuant to the Merger Agreement by holders of BioClinica's common stock (other than BioClinica, Parent and Purchaser and their respective subsidiaries and other than shares held by stockholders who perfect appraisal rights in accordance with Delaware law) was fair, from a financial point of view, to such holders.

The following is a summary of the written opinion of Excel and the methodology used to render such opinion. The summary of such opinion is qualified in its entirety by reference to the full text of such opinion.

The full text of Excel's written opinion, dated as of January 29, 2013, is attached hereto as Annex B and is incorporated into this document by reference in its entirety. BioClinica's stockholders are urged to read this opinion carefully and in its entirety for information regarding the assumptions made, methodologies used, factors considered and limitations upon the review undertaken by Excel in rendering its opinion. Excel has not assumed any responsibility for updating or revising its opinion based on circumstances or events occurring after the date thereof. Excel provided its opinion for the information and assistance of the Board of Directors in connection with its consideration of the transactions contemplated by the Merger Agreement, and Excel's opinion is not intended to be and does not constitute a recommendation as to whether any stockholder should tender shares of BioClinica common stock in the Offer or how any stockholder should act on any matters relating to the Offer, the Merger or otherwise.

In connection with rendering the opinion described above and performing its related financial analyses, Excel reviewed, among other things:

the Merger Agreement;

annual reports to stockholders and Annual Reports on Form 10-K of BioClinica for the five years ended December 31, 2011;

certain interim reports to stockholders and Quarterly Reports on Form 10-Q of BioClinica;

certain other communications from BioClinica to its stockholders; and

certain internal financial analyses and forecasts for BioClinica prepared by its management, as reviewed and approved for use in connection with Excel's opinion by management of BioClinica summarized below under "Projected Financial Information."

Excel also held discussions with members of the senior management of BioClinica regarding its assessment of the strategic rationale for the Offer and the Merger and the past and current business operations, financial condition and future prospects of BioClinica. In addition, Excel reviewed the reported price and trading activity for the shares of BioClinica common stock, compared certain financial and stock market information for BioClinica with similar information for certain other companies the securities of which are publicly traded, reviewed the financial terms of recent business combinations in the pharmaceutical clinical support services industry, and performed such other studies and analyses, and considered such other factors, as it considered appropriate.

Excel relied upon the accuracy and completeness of all of the financial, accounting, legal, tax and other information discussed with or reviewed by it and assumed such accuracy and completeness for purposes of rendering the opinion described above. In that regard, Excel assumed with the consent of BioClinica that the forecasts referenced above were reasonably prepared by the management of BioClinica on a basis reflecting the best currently available estimates and judgments of the management of BioClinica. Excel did not independently verify the accuracy or completeness of any such information, nor will it do so in the future, and Excel did not and does not assume any responsibility for doing so. In addition, Excel did not make an independent evaluation or appraisal of the assets and liabilities of BioClinica or any of its subsidiaries and was not furnished with any such evaluation or appraisal, nor did Excel evaluate the solvency of any party to the Merger Agreement under any state or federal laws relating to bankruptcy, insolvency or similar matters.

Excel assumed, with BioClinica's consent, that the Offer and the Merger will be consummated in accordance with their terms without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary regulatory or third party approvals, consents and releases for the Offer and the Merger, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on BioClinica. Representatives of BioClinica advised Excel, and Excel also assumed, that the final terms of the Merger Agreement would not vary materially from those set forth in the version Excel reviewed. Excel expressed no view as to the federal, state or local tax consequences of the Offer or the Merger.

In connection with rendering its opinion, Excel performed certain financial, comparative and other analyses as summarized below. The preparation of a fairness opinion is a complex process that involves various determinations as to the most appropriate and relevant methods of financial and comparative analysis and the application of those methods to the particular circumstances. Therefore, such an opinion is not readily susceptible to summary description. Accordingly, Excel believes that its analyses must be considered as a whole and that considering any portion of such analysis and factors, without considering all of its analyses and factors as a whole, could create a misleading or incomplete view of the process underlying its opinion.

In arriving at its opinion, Excel did not ascribe a specific range of value to BioClinica, but rather made its determination as to the fairness, from a financial point of view, to holders of BioClinica's common stock of the consideration to be received by them in the Offer and the Merger on the basis of such financial, comparative and other analyses as of the date of such opinion. Further, in arriving at its opinion, Excel did not attribute any particular weight to any analysis or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Excel, in its analysis, made numerous assumptions with respect to industry performance, general business, financial and economic conditions and other matters, many of which are beyond the control of BioClinica. No company, business or transaction reviewed is identical to BioClinica or the Offer and the Merger. An evaluation of these analyses is not entirely mathematical; rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or other values of the companies, business segments or transactions reviewed. For purposes of the analyses described below, implied multiples for selected companies and selected transactions that were considered not meaningful or were not publicly available

Table of Contents

were not included in overall low to high multiples ranges. Estimates of future financial performance for BioClinica were based on forecasts prepared by BioClinica's management. Any estimates contained in these analyses were not and are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than as set forth in these analyses. In addition, such analyses relating to the valuation of a business do not purport to be appraisals or to reflect the prices at which such business would be sold.

Excel's opinion did not address the underlying business decision of BioClinica to engage in the Offer or the Merger, the relative merits of the Offer or the Merger as compared to any alternative business strategies that might exist for BioClinica or the effect of any other transaction in which BioClinica might engage. Excel was not asked to, nor did it, offer any opinion as to the material terms of the Merger Agreement (other than the per share cash consideration) or the form of the transaction. Excel's opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to it as of, the date of its written opinion. Excel did not express any view as to, and its opinion does not address, the fairness (financial or otherwise) of the amount or nature of any other aspect of any compensation to any officers, directors or employees of any parties to the Offer or the Merger, or any class of such persons, relative to the per share cash consideration.

The following is a summary of the material financial analyses used by Excel in connection with providing its opinion to the Board of Directors. Certain of the summaries of financial analyses include information presented in tabular format. In order to fully understand the financial analyses used by Excel, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses of Excel. Accordingly, the analyses listed in the tables and described below must be considered as a whole. Considering any portion of such analyses and of the factors considered, without considering all analyses and factors, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the results of Excel's opinion.

Summary of Proposal. Excel reviewed the financial terms of the proposed transaction. As more fully described in the Merger Agreement, all of the outstanding shares of BioClinica's common stock (other than those shares owned by BioClinica, Parent and Purchaser and their respective subsidiaries and other than shares held by stockholders who perfect appraisal rights in accordance with Delaware law) will be purchased pursuant to the Offer or exchanged pursuant to the Merger for cash consideration of \$7.25 per share. Based upon 16.8 million shares of BioClinica common stock outstanding on a fully-diluted basis as of January 23, 2013, Excel calculated a total cash consideration of approximately \$122 million. Based on cash (net of debt) of approximately \$9 million as of December 31, 2012, this implied an enterprise value of approximately \$113 million.

Transaction Premium Analysis. Excel analyzed acquisition premiums for the period January 1, 2011 through January 23, 2013 for completed transactions involving all U.S. public companies with premiums between 0% and 100% and for completed transactions involving U.S. public companies with premiums between 0% and 100% acquired for a purchase price of less than \$250 million and, for each category, the premium for the 25th percentile of such transactions to the premium for the 75th percentile of such transactions. Excel obtained the information for this analysis from Capital IQ.

	Stock Price	Purchase Price	Implied Premium
Current Price(1)	\$ 6.00	\$ 7.25	21%
One-Month Average(2)	\$ 5.83	\$ 7.25	24%

- (2) Volume weighted average stock price for the one month period ended January 23, 2013
- (3) Volume weighted average stock price for the three month period ended January 23, 2013

In addition to the foregoing, Excel calculated the following valuation multiples:

Valuation Multiples

	LTM(2)	2012E(2)(3)	2013F
EBITDA(1)	9.2x	8.9x	7.2x
EBITDA Capital Expenditures	31.5x	30.5x	30.6x
Price/Earnings	28.0x	27.9x	22.2x

- (1) "EBITDA" means earnings before interest, taxes, depreciation and amortization.
- (2) "LTM" means the twelve-month period ended September 30, 2012. LTM and 2012E exclude a restructuring charge of \$839,000 in the third quarter of 2012.
- (3) Valuation multiples were calculated using BioClinica's enterprise value for EBITDA and EBITDA Capital Expenditures, and BioClinica's equity value for Price/Earnings.

Comparable Companies Analysis. Excel reviewed and compared certain financial multiples relating to BioClinica to corresponding financial multiples relating to publicly traded pharmaceutical service companies, consisting of the following companies:

Accelrys, Inc. ("Accelrys")

Charles River Laboratories International, Inc. ("Charles River")

Medidata Solutions, Inc. ("Medidata")

Edgar Filing: BIOCLINICA INC - Form PREM14A

Simulations Plus, Inc. ("Simulations Plus")

In addition, Excel reviewed and compared certain financial multiples relating to BioClinica to corresponding financial multiples relating to publicly traded contract research organizations, consisting of the following companies:

Covance Inc. ("Covance")

ICON plc ("ICON")

PAREXEL International Corporation ("PAREXEL")

Although none of the above-mentioned companies is directly comparable to BioClinica, the companies included were chosen because they are publicly traded companies with operations that for

purposes of analysis may be considered similar to certain operations of BioClinica. Excel obtained the information for this analysis from Capital IQ and public filings. Stock prices and other financial information for the above-mentioned companies were determined as of January 23, 2013. BioClinica's stock price was determined as of January 23, 2013. Information specific to BioClinica was based on projections provided by BioClinica's management as described in "Projected Financial Information."

Excel calculated valuation multiples implied by the contemplated transactions and compared those valuation multiples to comparable valuation multiples of the selected companies. The valuation multiples for each company were calculated by dividing (a) the enterprise value by LTM EBITDA and expected EBITDA for 2013, (b) the enterprise value by (i) LTM EBITDA less LTM capital expenditures and (ii) expected EBITDA for 2013 less expected capital expenditures for 2013, (c) the market price per share of the comparable company's common stock as of January 23, 2013 to such comparable company's LTM earnings and expected earnings per share for 2013 and (d) the "Adjusted P/E" for the comparable company, which equals the comparable company's market capitalization less cash divided by net income for companies with net cash positions, for the LTM period and as expected for 2013. The following table summarizes the results of this analysis for pharmaceutical services companies:

Company	EV/EBITDA		EV/(EBITDA CapEx)		Price/Earnings		Adjusted P/E	
	LTM	2013	LTM	2013	LTM	2013	LTM	2013

Not meaningful. Due to Accelrys' low earnings, it is an extreme outlier.

The following table summarizes the results of this analysis for contract research organizations:

Comparable Transaction Analysis. Excel analyzed certain information relating to the following selected transactions (acquirer/target):

Genstar Capital LLC/eResearch Technology, Inc.

The Carlyle Group/Pharmaceutical Product Development, Inc.

INC Research, LLC/Kendle International Inc. ("Kendle")

Edgar Filing: BIOCLINICA INC - Form PREM14A

Table of Contents

For each of the selected transactions, Excel calculated and compared the enterprise value to EBITDA and the purchase price per share of the target company's common stock to such comparable company's earnings per share for the twelve months immediately preceding the applicable closing date of each transaction. Excel obtained the information for this analysis for each transaction from Capital IQ and public filings through January 23, 2013. Comparable transactions were selected based on their having occurred within the most recent two years and involved public company targets in industries similar to BioClinica. The following table presents the results of this analysis:

Closing Date	Target	Acquiror	EV/EBITDA	Price/Earnings	Premium
July 3, 2012	eResearch Technology, Inc.	Genstar Capital LLC	9.0x	27.5x	18%(1)
December 5, 2011	Pharmaceutical Product Development, Inc.	The Carlyle Group	10.4x	22.7x	7%(1)
July 12, 2011	Kendle International Inc.	INC Research, LLC	14.2x	NM	42%(1)(2)
Pending	BioClinica	Parent	9.2x	28.0x	21%(3)

- (1) Premiums to the closing price of the common stock for the day which was 30 calendar days prior to the announcement of the transaction.
- (2) Kendle premium to undisturbed stock price was 28%..
- (3) Premium to the closing price of the common stock on January 23, 2013. This was the format that Excel presented to the Board of Directors. Excel discussed generally with the Board the fact that the offer represented a premium over the trading price of BioClinica's stock during the 30 days prior to the date of the offer. The offer represents a 27% premium over BioClinica's closing stock price on December 31, 2012, the date that was 30 calendar days prior to the announcement of the transaction.

Stock Trading History. Excel reviewed the history of the daily reported trading prices and volume of BioClinica's common stock and the relationship between the movements in the prices of BioClinica's common stock to movements in the Russell 2000 Index. Excel considered the average price and average daily trading volume beginning January 2, 2009 and ended January 23, 2013. As reflected in the table shown below, during this four-year period, BioClinica's common stock generally traded in line with the Russell 2000 Index and has always traded below the purchase price of \$7.25 per share.

Four-Year Stock Performance

	Beginning Index Value January 2, 2009	Ending Index Value January 23, 2013
BioClinica	\$ 3.19	\$ 6.00
Russell 2000 Index	\$ 505.84	\$ 896.70

Discounted Cash Flow Analysis. Excel performed a discounted cash flow sensitivity analysis of BioClinica to determine indications of implied equity values per share of BioClinica common stock based on financial information provided by BioClinica's management. This analysis assumed 16.8 million shares of BioClinica common stock outstanding on a fully-diluted basis.

In performing the illustrative discounted cash flow analyses, Excel applied discount rates ranging from 10% to 12% to the projected free cash flows of BioClinica for 2013-2016. In calculating the terminal value, Excel also applied exit value EBITDA multiples ranging from 6.0x to 8.0x on \$8.8 million of net cash of BioClinica. Based on the foregoing, Excel derived implied equity values per share ranging from \$7.24 to \$9.86 with respect to BioClinica's common stock.

Table of Contents**Exit Value EBITDA Multiple Approach****Exit Value EBITDA Multiple Approach**

WACC*	EBITDA Exit Multiple		
	6.0x	7.0x	8.0x
10%	\$ 7.73	\$ 8.80	\$ 9.86
11%	\$ 7.48	\$ 8.51	\$ 9.54
12%	\$ 7.24	\$ 8.23	\$ 9.22

*
Weighted average cost of capital.

Using the same forecasts and assumptions set forth in the immediately preceding paragraph, Excel calculated the terminal value by applying perpetual growth rates ranging from 3% to 5%. Based on the foregoing, Excel derived implied equity values per share ranging from \$4.52 to \$7.71:

Perpetual Growth Rate Approach

WACC	Perpetual Growth Rate		
	3%	4%	5%
10%	\$ 5.80	\$ 6.60	\$ 7.71
11%	\$ 5.08	\$ 5.66	\$ 6.44
12%	\$ 4.52	\$ 4.96	\$ 5.53

The EBITDA multiple ranges used in the above analyses were selected to be consistent with the EBITDA multiples at which BioClinica trades as a public company. The growth rate range was selected as a market-standard to be consistent with long-term growth in the economy. The discount rates were generated by undertaking a weighted average cost of capital analysis on BioClinica. Excel used discount rates ranging from 10% to 12% based on its judgment of BioClinica's estimated weighted average cost of capital, as adjusted upward to account for BioClinica's capital expenditure requirements.

Leveraged Buyout Analysis. Excel performed a leveraged buyout sensitivity analysis based on financial information provided by BioClinica's management to determine indications of implied internal rates of return that would be achieved by a financial sponsor if it were to effect a leveraged buyout of BioClinica.

This analysis assumed 16.8 million shares of BioClinica common stock outstanding on a fully-diluted basis, that the financial sponsor would acquire BioClinica using total debt of approximately \$40 million (approximately 2.5x LTM EBITDA adjusted for certain synergies) at interest rates of 7.5% for senior debt and 15% for mezzanine debt and that the financial sponsor would sell BioClinica after 2016.

In performing the illustrative leveraged buyout analysis, Excel applied a range of acquisition prices that the financial sponsor would pay to acquire BioClinica of \$6.75 to \$7.75 per share and a range of exit multiples of EBITDA of 6.0x to 8.0x (which is based on the range of multiples observed in these types of transactions). Based on those projections and assumptions, among others, Excel calculated a range of internal rates of return to be earned in such a transaction from 16% to 33%.

Excel performed no work for JLL or its affiliates during the four years prior to delivery of its opinion.

Projected Financial Information

In connection with Parent's due diligence review, BioClinica provided certain projected and budgeted financial information concerning BioClinica to Parent. BioClinica's internal financial forecasts (upon which the projections provided to Parent were based in part) are, in general, prepared solely for internal use and capital budgeting and other management decisions and are subjective in many respects, and, thus, susceptible to multiple interpretations and periodic revisions based on actual experience and business developments.

The projections reflect numerous variables and assumptions that are inherently uncertain and may be beyond the control of BioClinica, including but not limited to meeting certain sales performance criteria and implementing certain cost saving initiatives. BioClinica adopted the projections as its most realistic estimate of BioClinica's future financial performance. Important factors that may affect actual results and result in projected results not being achieved include, but are not limited to, fluctuations in demand for BioClinica's services; change in customer budgets; client contract cancellations and

postponements of client clinical trials; failure of BioClinica to retain, recruit and hire key management, sales and technical personnel; inability to achieve cost saving initiatives; the failure to adequately enable the sales force to achieve certain sales performance objectives; the impact of the current economic environment; our ability to generate new client contracts and maintain our existing clients' contracts; our evaluation of our backlog and the potential cancellation of contracts; the possibility we under-price our contracts or overrun cost estimates and the effect on our financial results by failure to receive approval for change orders and by delays in documenting change orders; our ability to implement our business strategy; international economic, political and other risks that could negatively affect our results of operations or financial position; changes in outsourcing trends and regulatory requirements affecting the branded pharmaceutical, biotechnology, generic drug and medical device industries; the reduction of expenditures by branded pharmaceutical, biotechnology, generic drug or medical device companies; actions or inspections by regulatory authorities and the impact on our clients' decisions to not award future contracts to us or to cancel existing contracts; the impact of healthcare reform; the fact that one or a limited number of clients may account for a large percentage of our revenues; the incurrence of significant taxes to repatriate funds; the fluctuation of our operating results from period to period; our assessment of our goodwill valuation; the impact of foreign currency fluctuations; tax law changes in foreign jurisdictions; investigations by governmental authorities regarding our inter-company transfer pricing policies or changes to their laws in a manner that could increase our effective tax rate or otherwise harm our business; our lack of the resources needed to compete effectively with larger competitors; our potential liability in connection with the conducting of clinical trials; our handling and disposal of medical information; failure to comply with applicable governmental regulations; the continued effectiveness and availability of our information technology infrastructure; losses related to our self-insurance of our employees' healthcare costs in the United States; the material weaknesses relating to our internal controls, and risks and uncertainties associated with discontinued operations and other risks described in BioClinica's Annual Report on Form 10-K filed with the SEC for the fiscal year ended December 31, 2012, and subsequent SEC reports. The projections also may be affected by BioClinica's ability to achieve strategic goals, objectives and targets over the applicable period. The assumptions upon which the projections were based necessarily involve judgments with respect to, among other things, future economic and competitive conditions which are difficult to predict and many of which are beyond BioClinica's control. Moreover, the assumptions are based on certain business decisions that are subject to change. Therefore, there can be no assurance that the projections will be realized, and actual results may be materially greater or less than those contained in the projections.

The inclusion of the projections in this proxy statement should not be regarded as an indication that any of BioClinica or its affiliates, advisors or representatives considered or consider the projections to be necessarily predictive of actual future events, and the projections should not be relied upon as such. Neither BioClinica nor its affiliates, advisors, officers, directors or representatives can give any assurance that actual results will not differ from the projections, and none of them undertakes any obligation to update or otherwise revise or reconcile the projections to reflect circumstances existing after the date such projections were generated or to reflect the occurrence of future events even in the event that any or all of the assumptions underlying the projections are shown to be in error. BioClinica does not intend to make publicly available any update or other revisions to the projections, except as required by law. None of BioClinica or its affiliates, advisors, officers, directors or representatives has made or makes any representation to any shareholder or other person regarding the ultimate performance of BioClinica compared to the information contained in the projections or that forecasted results will be achieved. BioClinica has made no representation to Parent, in the Merger Agreement or otherwise, concerning the projections. Furthermore, neither BioClinica nor any of its affiliates or representatives makes any representation to any other person regarding the projections. The projections are not being included in this proxy statement to influence a stockholder's decision whether to tender his or her Shares in the Offer, but because the projections were made available by BioClinica to Parent.

Table of Contents**BIOCLINICA'S STOCKHOLDERS ARE CAUTIONED NOT TO PLACE UNDUE RELIANCE ON THE PROJECTED INFORMATION PROVIDED IN THIS PROXY STATEMENT.**

In connection with Parent's due diligence review, BioClinica provided the following projected financial information to Parent for years 2012-2014. BioClinica provided the same financial information to Excel, including 2015 projections which were not provided to Parent.

(\$ in millions except per share data)

Fiscal Period End	FYE 2012(1)	FYE 2013	FYE 2014	FYE 2015
Statement of Operations				
Service Revenues	79.0	89.1	101.5	115.0

Operating Income(4)	6.5	9.2	12.0	15.5
Earnings Per Share	0.23	0.33	0.43	0.54

- (1) These results are the same as our actual 2012 results which were disclosed on February 6, 2013.
- (2) EBITDA is a non-GAAP (as defined below) financial measure. For these purposes, EBITDA means GAAP earnings before interest, taxes, depreciation, amortization and restructuring costs, where applicable.
- (3) EBITDA minus Capital Expenditures results reflect EBITDA less actual capital expenditures for 2012 and less the estimated capital expenditures for 2013-2015. In addition to the above financial information, BioClinica provided estimated capital expenditures to Parent for 2012 of \$9.5 million and for 2013 of \$6 million to \$8 million, while the actual 2012 capital expenditure as reflected in the financial statements filed on February 6, 2013 was \$8.9 million, and subsequently, BioClinica provided a revised capital expenditure budget to Parent for 2013 of \$11.9 million.
- (4) The following table is a reconciliation of GAAP Operating Income to EBITDA. (\$ in thousands)

	FYE 2012	FYE 2013	FYE 2014	FYE 2015
GAAP Operating Income	6,508	9,193	12,046	15,520
Adjustments:				
Restructuring costs	839			
Depreciation and amortization	5,251	6,437	7,609	8,660
EBITDA	12,598	15,630	19,655	24,180

The above projections reflect forecasted results relating to the existing BioClinica services and new services currently under development. In addition, the projections assumed the implementation of certain profitability improvement drivers and did not assume any new acquisitions or divestiture of current business.

The projections also refer to EBITDA, which is a non-GAAP financial measure. BioClinica has referenced such non-GAAP financial measures because they provide supplemental information that facilitates forecasting operating results and internal comparisons to the historical operating performance of prior periods. BioClinica is disclosing this non-GAAP financial measure in order to provide transparency to its stockholders.

These projections should be read together with BioClinica's financial statements that can be obtained from the SEC. Interests of BioClinica's Directors and Executive Officers in the Merger

Certain members of management and the Board of Directors may be deemed to have certain interests in the transactions contemplated by the Merger Agreement that are in addition to the interests of BioClinica's stockholders generally, and are described below in this section. The Board of Directors was aware of these interests and considered that such interests may be different from or in addition to the interests of BioClinica's stockholders generally, among other matters, in the Merger Agreement and the transactions contemplated thereby. As described below, consummation of the Merger will constitute a change of control of BioClinica under employment agreements between BioClinica and each of its executive officers.

Executive Retention Agreements

BioClinica has entered into an executive retention agreement with each of its Named Executive Officers (as defined below) and certain other officers of BioClinica. BioClinica's "Named Executive Officers" are Mark L. Weinstein, its President and Chief Executive Officer, Ted I. Kaminer, its Executive Vice President of Finance and Administration and its Chief Financial Officer, Peter S. Benton, its Executive Vice President, President eClinical Solutions, and Garry D. Johnson, its Executive Vice President, Chief Technology Officer. Pursuant to the terms of those agreements, in the event a Named Executive Officer's employment is terminated without cause or such executive resigns for good reason within 60 days prior to a change in control or within 24 months following a change in control, the executive will become entitled to the following payments and benefits:

A pro-rated cash bonus payment based on the greater of (A) the Named Executive Officer's largest annual bonus for the most recently completed 3 fiscal years and (B) the Named Executive Officer's target annual bonus at time of termination. Such payment will become payable in a lump sum within 30 days following the Named Executive Officer's termination date.

A cash payment in an amount equal to (A) 1.5 (2.0 for Mr. Weinstein) multiplied by (B) the sum of (x) the greater of (i) the Named Executive Officer's annual base salary for the most recently completed fiscal year or (ii) the Named Executive Officer's current annual base salary at the time of termination and (y) the greater of (i) the Named Executive Officer's largest annual bonus for the most recently completed 3 fiscal years and (ii) the Named Executive Officer's target annual bonus at time of termination. Such payment will become payable in 18 (24 for Mr. Weinstein) equal monthly installments beginning within 30 days following the Named Executive Officer's termination date.

Each outstanding option to purchase shares of common stock held by the Named Executive Officer at the time of termination shall automatically become fully vested and exercisable and each outstanding restricted stock award shall automatically become fully vested. Each option

shall remain so exercisable until the expiration date of the option term or (if earlier) the termination of that option in accordance with the provisions of the applicable stock option agreement.

Up to 18 months (24 Months for Mr. Weinstein) of continued COBRA coverage at BioClinica's expense, plus, a tax gross up payment in the event the continued COBRA coverage results in the recognition of taxable income by the Named Executive Officer. Any tax gross-up payment will generally be paid at the time the related tax is remitted to the appropriate tax authorities.

A lump sum cash payment, not to exceed \$15,000, to cover the cost to obtain post-employment continued coverage under life and accidental death or dismemberment insurance and disability insurance plans for a period of 18 months (24 Months for Mr. Weinstein) following the Named Executive Officer's termination date.

For purposes of determining eligibility of the Named Executive Officer for retiree benefits to which he is entitled, he shall be considered to have remained employed by BioClinica until 18 months following his termination date.

A tax gross up payment for any Internal Revenue Code Section 280G Excise Tax Liability. The tax gross-up payment will generally be paid at the time the related excise tax is remitted to the appropriate tax authorities.

Mr. Weinstein Employment Agreement

On February 22, 2012, BioClinica entered into an employment agreement with Mr. Weinstein. The term of the agreement is three years; beginning on February 29, 2012 and ending on February 28, 2015. The terms and conditions of the employment agreement are: (i) an annual base salary, currently \$475,000, in addition to certain benefits and perquisites; (ii) cash bonuses in amounts that are to be determined by the Compensation Committee of the Board of Directors in accordance with BioClinica's management incentive policy; and (iii) equity incentive compensation awards from BioClinica's incentive compensation plans on a basis commensurate with Mr. Weinstein's position and responsibility at the sole discretion of the Compensation Committee. In the event that Mr. Weinstein's employment is terminated without cause, or in the event Mr. Weinstein resigns for good reason, subject to his timely execution of a release of claims, he will receive (i) continued payment of his base salary for a period of 12 months, (ii) 6 cash payments in an aggregate amount equal to the bonus paid to Mr. Weinstein for the fiscal year immediately preceding the fiscal year in which his termination occurs, (iii) continued health care coverage for a period of 120 days, and (iv) a lump sum cash payment in an amount not to exceed \$15,000, representing the cost of certain lost benefits. In the event Mr. Weinstein's employment is terminated for reasons other than cause, death or disability, or in the event Mr. Weinstein resigns for good reason, both within a specified time period before or after a change of control of BioClinica, subject to his timely execution of a release of claims, Mr. Weinstein will also receive a grant of 225,000 unregistered securities of BioClinica less the number of shares subject to any equity awards granted to him during the term of his employment agreement (or other consideration provided to stockholders in connection with a change of control), payable within 5 days after the triggering event, or, if later, Mr. Weinstein's execution of the release.

In the event Mr. Weinstein becomes entitled to a payment under his Executive Retention Agreement, he will receive payments solely pursuant to that agreement, except, he shall also become entitled to the grant of unregistered shares pursuant to the terms of his Employment Agreement.

Mr. Kaminer Employment Agreement

On February 24, 2010, BioClinica entered into an amended and restated employment agreement with Mr. Kaminer for an initial term of one-year, which automatically renews each year unless otherwise terminated by its Board of Directors. The employment agreement provides for an annual base salary, currently \$340,000, subject to periodic increase at the discretion of the Compensation Committee in addition to certain benefits and perquisites, and incentive compensation awards under its incentive compensation plans on a basis commensurate with his position and responsibility. In the event Mr. Kaminer is terminated without cause or he resigns for good reason, he will become entitled to the following payments, subject to his timely execution of a release of claims: (i) salary and benefit continuation (including continued vesting of stock options and health care coverage at BioClinica's expense) for a period of 180 days, (ii) a pro-rated bonus (the proration period to include the 180 day salary continuation period), and (iii) a lump sum cash payment in the amount of \$5,000.

Mr. Kaminer's Employment Agreement provides for the automatic accelerated vesting of all of his outstanding stock options and other equity awards in the event of a change in control of BioClinica, and (if applicable) each such award shall remain exercisable for a period of not less than one (1) year after the date of the change in control.

Mr. Benton Employment Agreement

On September 30, 2008, BioClinica entered into an employment agreement with Mr. Benton for an initial term of one-year, which automatically renews each year unless otherwise terminated by its Board of Directors. The terms and conditions of the employment agreement are: (i) an annual base salary, currently \$315,000, subject to periodic increase at the discretion of the Compensation Committee in addition to certain benefits and perquisites; (ii) incentive compensation awards under BioClinica's incentive compensation plans on a basis commensurate with his position and responsibility; and (iii) an option to purchase 100,000 shares of common stock, with an exercise price of \$7.72 per share, the fair market value of common stock on the date of the execution of his employment agreement. In the event Mr. Benton is terminated without cause or he resigns for good reason, he will become entitled to the following payments, subject to his timely execution of a release of claims: (i) salary and benefit continuation (including continued vesting of stock options and health care coverage at BioClinica's expense) for a period of 180 days, (ii) a pro-rated bonus (the proration period to include the 180 day salary continuation period), and (iii) a lump sum cash payment in the amount of \$5,000.

In the event Mr. Benton becomes entitled to a payment under his Executive Retention Agreement, he will receive payments solely pursuant to that agreement.

Potential Payments in Connection with a Change in Control

The following table quantifies the value of payments and benefits that would be paid or become payable to each Named Executive Officer of BioClinica in connection with the Merger pursuant to the employment and/or retention arrangements described above, assuming (i) the proposed tender offer transaction closes at midnight on March 11, 2013, (ii) the purchase price per share of common stock is \$7.25, and (iii) for purposes of estimating the value of benefits that are conditioned upon termination of the Named Executive Officer's service under certain circumstances in connection with or following the transaction (such benefits, "double-trigger" benefits), that the Named Executive Officer's service terminates under those circumstances entitling him to those double trigger benefits on March 12, 2013.

(a)

Represents the sum of a pro-rated cash bonus and severance pay, that will become payable in the event of a qualifying termination under each Named Executive Officer's applicable retention agreement, calculated as described under the heading "Executive Retention Agreements" above. These cash payments are double-trigger benefits in that they will be paid only if the Named Executive Officer experiences a qualifying termination under his retention agreement. The following table quantifies the dollar amount potentially to be received by each Named Executive Officer as a pro-rated cash bonus and as severance pay.

Name	Pro-Rated Cash		Cash	Total

(b)

Represents the intrinsic value of each option share and/or each restricted stock unit vesting on an accelerated basis in connection with the Merger. Unless the Named Executive Officer's employment terminates under designated circumstances following the Merger, the accelerated vesting is the only benefit that will be received by the Named Executive Officer as a result of the Merger. The intrinsic value is calculated by multiplying (i) the aggregate number of shares which vest on an accelerated basis by (ii) the amount by which the \$7.25 per share consideration exceeds the exercise price or other issue price (if any) payable per accelerated share. The following table identifies the option shares and the restricted stock units vesting on an accelerated basis in connection with the proposed transaction. For Mr. Weinstein, the number of RSUs Accelerating column includes 145,000 unregistered shares granted pursuant to the terms of his employment agreement in connection with the Merger.

(c)

Includes the dollar amount of COBRA and life insurance premiums that will become payable in the event of a qualifying termination under each Named Executive Officer's applicable retention agreement, with payments to be made for a period of up to 18 months (24 Months for Mr. Weinstein). The values of the COBRA premiums reflected in the table are based on the assumption that the current monthly cost of such benefits would apply immediately upon commencement of such coverage and that these costs would increase by 10% annually. The payment of the COBRA and life-insurance premiums are double-trigger benefits in that they will

be paid only if the Named Executive Officer experiences a qualifying termination under his retention agreement. The following table quantifies the dollar amount potentially to be received by each Named Executive Officer as BioClinica-paid COBRA premiums and life insurance premiums.

Mark L. Weinstein	\$ 40,372	\$ 15,000	\$ 55,372

(d)

Represents a tax gross-up payment for any Internal Revenue Code Section 280G excise tax liability and a tax gross up payment that will be owed to the Named Executive Officer in the event the continued COBRA coverage results in taxable income to the Named Executive Officer. The tax gross up on the COBRA coverage is a double trigger benefit in that it will only be paid in the event the Named Executive Officer experiences a qualifying termination under his retention agreement. In addition, based on the value of the benefits to be received by the Named Executive Officers in connection with the Merger, as those benefits are valued for purposes of Section 280G under the applicable treasury regulations, a 280G excise tax gross-up payment will only be paid in the event a Named Executive Officer experiences a qualifying termination under his retention agreement. The following table quantifies the dollar amount potentially to be received by each Named Executive Officer as a tax gross up payment on BioClinica-paid COBRA premiums and as a tax gross up payment for any Internal Revenue Code Section 280G excise tax liability.

Name	COBRA Coverage Tax Gross Up (\$)	Section 280G Excise Tax Gross Up (\$)	Total
Mark L. Weinstein	\$ 34,419	\$ 2,106,534	\$ 2,140,953

Peter S. Benton	\$ 30,648	\$ 829,563	\$ 860,211
Garry D. Johnson		\$ 825,955	\$ 825,955

(e)

Were the table only to include "single trigger" payments that are to be paid to the Named Executive Officers in connection with the proposed transaction, the total of the benefits to be paid to each Named Executive Officer would be equal to the total benefit received in connection with the accelerated equity as noted in footnote (b) above, as follows: Mr. Weinstein, \$2,138,750; Mr. Kaminer, \$978,750; Mr. Benton, \$978,750; and Mr. Johnson, \$812,200.

- (d) Represents the consideration payable in respect of restricted stock units and stock options that will vest on an accelerated basis and the 145,000 unregistered shares granted pursuant to the terms of Mr. Weinstein's employment agreement in connection with the proposed transaction, each, as more fully described in footnote (b) under "Golden Parachute Compensation" and under "Potential Accelerated Vesting for Directors in Connection with a Change in Control," respectively.

Indemnification of Executive Officers and Directors

Parent will cause the Surviving corporation and its subsidiaries to honor and fulfill in all respects the obligations of BioClinica and its subsidiaries under (i) any indemnification, expense advancement and exculpation provision set forth in any certificate of incorporation or by-laws or comparable organizational documents as in effect on the date of the Merger Agreement and (ii) all indemnification agreements between BioClinica or any of its subsidiaries and any of their respective current or former directors and officers, whom are referred to as "indemnified persons."

For six years after the effective time of the Merger, Parent will cause BioClinica to indemnify and hold harmless indemnified persons, to the fullest extent permitted by law, against all losses, claims, damages, liabilities, costs, expenses, judgments, fines and, subject to approval by Parent (not to be unreasonably withheld, delayed or conditioned), amounts paid in settlement in connection with any actual or threatened claim, action, suit, proceeding or investigation, whether civil or criminal, arising from or pertaining to the fact that such indemnified party is or was serving as a director or officer of BioClinica or its subsidiaries or the Merger Agreement and the transactions contemplated thereby.

Directors' and Officers' Insurance

BioClinica will maintain a tail prepaid insurance policy with a claims period of at least six (6) years from and after the effective time of the Merger with coverage at least as favorable in the aggregate as BioClinica's current policies, except that neither Parent nor BioClinica will be required to pay, and (if obtained prior to the Merger) BioClinica will not be permitted to pay, with respect to such insurance policies an annualized premium of more than 200% of the annual premium paid by BioClinica for such insurance prior to the Merger.

The foregoing summary of the indemnification of executive officers and directors and directors' and officers' insurance does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which has been filed as Annex A to this proxy statement and is incorporated herein by reference.

Table of Contents

Delisting and Deregistration of BioClinica common stock

We have agreed that prior to the effective time of the Merger we will cooperate with Parent and use commercially reasonable efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable under applicable laws and rules and policies of The NASDAQ Global Market (the "NASDAQ") to cause the delisting of BioClinica and the shares from the NASDAQ as promptly as practicable after the effective time of the Merger and the deregistration of the shares under the Exchange Act as promptly as practicable after such delisting.

Appraisal Rights

If the Merger is consummated, a stockholder of BioClinica will have rights under Section 262 of the DGCL to demand appraisal of, and obtain payment in cash for the "fair value" of, that stockholder's shares. Those rights, if the statutory procedures are complied with, could lead to a judicial determination of the fair value (immediately prior to the effective time of the Merger) required to be paid in cash to dissenting stockholders of BioClinica for their shares. Any such judicial determination of the fair value of the shares would exclude any element of value arising from the accomplishment or expectation of the Merger and could be based upon considerations other than, or in addition to, the market value of the shares, including asset values and the investment value of the shares. The value so determined could be more or less than, or the same as, the merger consideration. BioClinica's stockholders should be aware that investment banking opinions as to the fairness from a financial point of view of the consideration payable in a merger are not opinions as to, and do not in any manner address, fair value under Section 262 of the DGCL. Similarly, the absence of such an opinion does not necessarily suggest that the intrinsic value of the shares is greater than the merger consideration. If any BioClinica stockholder who demands appraisal under Section 262 of the DGCL fails to perfect, or effectively withdraws or loses his or her right to appraisal and payment under the DGCL, such holder's shares will thereupon be deemed to have been converted as of the effective time of the Merger into the right to receive the merger consideration, without any interest thereon, in accordance with the Merger Agreement.

Failure to follow the steps required by Section 262 of the DGCL for perfecting appraisal rights may result in the loss of such rights.

The preceding discussion is not a complete statement of the law pertaining to appraisal rights under the DGCL and is qualified in its entirety by Section 262 of the DGCL attached as Annex C to this proxy statement. Any stockholder that wishes to exercise the rights described above should carefully review Section 262 of the DGCL in full, as attached to this proxy statement as Annex C. See "Appraisal Rights" beginning on page 55.

Pursuant to the Offer, Purchaser acquired [] shares for an aggregate of \$[], which amount was provided by Parent. Purchaser estimates that the total amount of cash required to acquire all currently outstanding shares pursuant to the Merger (other than shares held by Purchaser) and to pay related fees and expenses will be approximately \$[]. Material U.S. Federal Income Tax Consequences of the Merger

The following is a summary of the material United States federal income tax consequences of the Merger to U.S. Holders (as defined below) of shares sold in the Offer or converted into cash in the Merger. This summary is based on the Internal Revenue Code of 1986, as amended (the "Code"),

Table of Contents

applicable Treasury Regulations, and administrative and judicial interpretations thereof, each as in effect as of the date hereof, all of which may change, possibly with retroactive effect. No ruling has been or will be sought from the Internal Revenue Service (the "IRS") with respect to the matters discussed below, and there can be no assurance that the IRS will not take a contrary position regarding the tax consequences of the Merger or that any such contrary position would not be sustained by a court.

This summary is limited to U.S. Holders who hold shares as capital assets. In addition, this summary does not address tax considerations which may be applicable to a U.S. Holder's particular circumstances or to U.S. Holders that may be subject to special tax rules (e.g., financial institutions, insurance companies, broker-dealers, and tax-exempt organizations) or to U.S. Holders who acquired shares in connection with stock option, stock purchase or restricted stock plans or in other compensatory transactions, or as part of a straddle, hedge, conversion, constructive sale, or other integrated security transaction for United States federal income tax purposes, all of whom may be subject to tax rules that differ significantly from those discussed below. In addition, this summary does not address any United States federal estate or gift tax consequences, nor any state, local or foreign tax consequences, of the Merger.

BECAUSE YOUR INDIVIDUAL CIRCUMSTANCES MAY DIFFER, YOU ARE URGED TO CONSULT YOUR TAX ADVISOR WITH RESPECT TO THE APPLICATION OF THE UNITED STATES FEDERAL INCOME TAX LAWS TO YOUR PARTICULAR SITUATION, AS WELL AS ANY TAX CONSEQUENCES OF THE OFFER AND THE MERGER ARISING UNDER THE FEDERAL ESTATE OR GIFT TAX RULES OR UNDER THE LAWS OF ANY STATE, LOCAL, FOREIGN OR OTHER TAXING JURISDICTION OR UNDER ANY APPLICABLE TAX TREATY.

For purposes of this summary, a "U.S. Holder" is a BioClinica stockholder that is, for United States federal income tax purposes, (i) an individual citizen or resident of the United States; (ii) a corporation or an entity treated as a corporation for United States federal income tax purposes created or organized in or under the laws of the United States, or any state or political subdivision thereof; (iii) an estate, the income of which is subject to United States federal income tax regardless of its source; or (iv) a trust, (A) the administration of which is subject to the primary supervision of a United States court and which has one or more United States persons who have the authority to control all substantial decisions of the trust or (B) that has validly elected to be treated as a U.S. person for United States federal income tax purposes.

If a partnership (or other entity taxed as a partnership for United States federal income tax purposes) holds shares, the tax treatment of a partner in such partnership generally will depend upon the status of the partner and the activities of the partnership. Accordingly, partnerships that hold shares and partners in such partnerships are urged to consult their tax advisors regarding the specific United States federal income tax consequences to them of the Merger.

Effect of the Merger. The receipt of cash in exchange for shares in the Merger will be a taxable transaction for United States federal income tax purposes. In general, a U.S. Holder who receives cash in exchange for shares in the Merger will recognize capital gain or loss for United States federal income tax purposes equal to the difference, if any, between the amount of cash received and such U.S. Holder's adjusted tax basis in the shares surrendered. Any such gain or loss would be long-term capital gain or loss if the holding period for the shares exceeded one year. The deductibility of capital losses is subject to certain limitations. Gain or loss must be calculated separately for each block of shares (i.e., shares acquired at the same cost in a single transaction) exchanged for cash in the Merger.

Information Reporting and Backup Withholding. Payments made to U.S. Holders in the Merger generally will be subject to information reporting and may be subject to backup withholding. To avoid backup withholding, U.S. Holders that do not otherwise establish an exemption should complete and return the Form W-9 included in the letter of transmittal, certifying that such holder is a U.S. person,

Table of Contents

the taxpayer identification number provided is correct, and that such holder is not subject to backup withholding. Regulatory Matters

Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act") and the rules that have been promulgated thereunder by the Federal Trade Commission (the "FTC") and the Antitrust Division of the Department of Justice (the "DOJ"), certain acquisition transactions may not be consummated unless certain information has been furnished to the DOJ and the FTC and certain waiting period requirements have been satisfied. The Merger and the purchase of shares of common stock pursuant to the Offer is subject to such requirements. The Sponsor filed a Notification and Report Form for Certain Mergers and Acquisitions on February 8, 2013 with respect to the Merger and the Offer with the FTC and the DOJ. The waiting period applicable to the Merger and the purchase of shares of common stock pursuant to the Offer was terminated early by the FTC on February 21, 2013.

Litigation Relating to the Merger

On February 1, 2013, a purported stockholder of BioClinica filed a complaint styled as a class action lawsuit in the Court of Chancery of the State of Delaware (the "Court of Chancery"). The case caption of this complaint is: James Gerson, on behalf of himself and all others similarly situated, v. BioClinica, Inc. JLL Partners, Inc., BioCore Holdings, Inc., BC Acquisition Corp., David E. Nowicki, Mark L. Weinstein, Jeffrey H. Berg, Martin M. Coyne, E. Martin Davidoff, Marcella Locastro, Adeoye Y. Olukotun, Wallace P. Parker, Jr. and John P. Repko, C.A. No. 8272-VCG. On February 8, 2013, a second purported stockholder of BioClinica filed a complaint styled as a class action lawsuit in the Court of Chancery captioned Joel Powers, Individually and On Behalf of All Others Similarly Situated, v. BioClinica, Inc., et al., C.A. No. 8291-VCG. The complaints allege, among other things, that the board of directors of BioClinica conducted an unfair sales process resulting in an unfair consideration to the BioClinica stockholders in the Offer. On February 12, 2013, a third purported stockholder of BioClinica filed a complaint styled as a class action lawsuit in the Court of Chancery captioned Jordan Hauer, individually and on behalf of all others similarly situated, v. Weinstein, et al., C.A. No. 8308-VCG. Also on February 12, 2013, a fourth purported stockholder of BioClinica filed a complaint styled as a class action lawsuit in the Court of Chancery captioned Gary Curtis v. Nowicki, et al., C.A. No. 8309-VCG. On February 13, 2013, a fifth purported stockholder of BioClinica filed a complaint styled as a class action lawsuit in the Court of Chancery captioned Melvin Lax, on Behalf of Himself and All Other Similarly Situated, v. Berg, et al., C.A. No. 8313-VCG. On February 14, 2013, plaintiff in the Gerson action filed an amended complaint. On February 15, 2013, a sixth purported stockholder of BioClinica filed a complaint styled as a class action lawsuit in the Court of Chancery captioned Ellen Balter, on behalf of herself and all others similarly situated, v. BioClinica, Inc., et al., C.A. No. 8327-VCG. On February 18, 2013, the Court of Chancery consolidated the Delaware actions, captioned In re BioClinica, Inc. Shareholder Litigation, Consolidated C.A. No. 8272-VCG, and designated the amended complaint filed by plaintiff Gerson as the operative complaint for the consolidated action. The operative complaint asserts that BioClinica's board members breached their fiduciary duties in agreeing to the Offer and filing a materially misleading Schedule 14D-9 with the Securities and Exchange Commission, and that BioClinica, JLL, Parent and Purchaser aided and abetted in the breaches of fiduciary duties. The operative complaint seeks to enjoin the Offer and seek other equitable relief and unspecified monetary damages.

On February 25, 2013, the Court of Chancery denied Plaintiffs' Motion for Expedited Proceedings.

The Board of Directors recommends that Stockholders vote FOR the adoption of the Merger Agreement.

THE MERGER AGREEMENT

This section of the proxy statement describes certain material provisions of the Merger Agreement, but it may not contain all of the information about the Merger Agreement that is important to you. A copy of the Merger Agreement is attached as Annex A to this proxy statement and is incorporated into this proxy statement by reference. We encourage you to carefully read the Merger Agreement in its entirety. The copy of the Merger Agreement has been attached as Annex A to this proxy statement to provide you with information regarding its terms. Except for its status as a legal document governing the contractual rights among the parties thereto, the Merger Agreement is not intended to provide any factual, business or operational information about BioClinica. The Merger Agreement contains representations and warranties that the parties thereto made to and solely for the benefit of the other parties thereto. The assertions embodied in such representations and warranties are qualified by information contained in confidential disclosure letters that the parties exchanged in connection with the execution of the Merger Agreement. Accordingly, you should not rely on such representations and warranties as characterizations of the actual state of facts or circumstances, since they were only made as of the date of the Merger Agreement and are modified in important part by the underlying disclosure letters. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in BioClinica's public disclosures.

The Offer

The Merger Agreement provides that Purchaser would commence the Offer as promptly as reasonably practicable after the execution of the Merger Agreement, and that, subject to the satisfaction of the minimum tender condition and the other conditions, Purchaser would accept for payment and pay for all shares validly tendered and not withdrawn in the Offer promptly after the expiration date of the Offer.

The Merger Agreement also provides that if, as of Monday, March 11, 2013, any of the conditions to the Offer were not satisfied or waived, then, subject to the rights of BioClinica, Parent and Purchaser to terminate the Merger Agreement, Purchaser could extend the Offer for successive periods of up to ten business days each ending no later than April 30, 2013, with the length of each such period to be determined by Parent in its sole discretion, in order to permit the satisfaction of the conditions. Purchaser also agreed to extend the Offer for any period or periods required by applicable law or applicable rules, regulations, interpretations or positions of the SEC or the NASDAQ Global Market.

After acceptance for payment of shares in the Offer, if Parent and Purchaser do not hold, in the aggregate, at least 90% of the issued and outstanding shares, then Purchaser may (but is not required to) elect to provide a subsequent offering period (and one or more extensions thereof) for the Offer in accordance with Rule 14d-11 under the Exchange Act. A subsequent offering period, if Purchaser elects to provide one or more, will be up to ten business days each. Purchaser is required to immediately accept for payment, and pay for, all shares validly tendered in any Subsequent Offering Period.

Purchaser has agreed that it will not terminate the Offer prior to any scheduled expiration date without the written consent of BioClinica, except if the Merger Agreement is terminated pursuant to its terms. If the Merger Agreement is terminated pursuant to its terms, then Purchaser is required to promptly, and in any event within 24 hours, terminate the Offer and cause the depositary to return, in accordance with applicable law, all tendered shares to the registered holders thereof.

On [March 11], 2013, Purchaser acquired [] shares of common stock validly tendered and not withdrawn in the Offer, representing approximately []% of the outstanding shares of common stock. [Following expiration of the initial offering period, Purchaser announced a subsequent offering period that expires at 5:00 p.m., local time, on [], 2013.] [To-date, Purchaser has acquired an additional [] shares of common stock during the subsequent offering period and owns an

aggregate [] shares of common stock, or approximately []% of the outstanding shares of common stock.]

The Board of Directors

Pursuant to the Merger Agreement, as of the date Purchaser first accepted for payment any shares validly tendered in the Offer (the "Acceptance Time"), Parent was entitled to elect or designate a number of directors, rounded up to the next whole number, to the Board of Directors that is equal to the total number of directors on the Board of Directors multiplied by the percentage that the shares beneficially owned by Parent, Purchaser and any of their affiliates, in the aggregate, bears to the total number of shares then outstanding. On March [], 2013, BioClinica caused Purchaser's designees to be so elected or designated. BioClinica also caused Purchaser's designees to constitute the same percentage (rounded up to the next whole number) of each committee of the Board of Directors [BioClinica also elected to be treated as a "controlled company" as defined by NASDAQ Marketplace Rule 5615(c).] See our Schedule 14D-9, filed with the SEC on February 11, 2013, for information regarding the directors designated by Parent.

Pursuant to the terms of the Merger Agreement, until the effective time of the Merger, the Board of Directors will have at least three directors who were directors of BioClinica on January 29, 2013, and who are "independent directors" as defined by NASDAQ Marketplace Rule 5605(a)(2) and at least one of whom will be an "audit committee financial expert" as defined in Item 407(d)(5) of Regulation S-K (the "Continuing Directors"); *provided, however*, that if any Continuing Director is unable to serve due to death, disability or resignation, BioClinica will take all necessary action (including creating a committee of the Board of Directors) so that the remaining Continuing Director or Continuing Directors will be entitled to elect or designate another person who satisfies the foregoing independence requirements to fill such vacancy, and such person will be deemed to be a Continuing Director for purposes of the Merger Agreement. As of [], 2013, the three Continuing Directors are [], [] and []. Prior to the effective time of the Merger, in addition to any approvals of the Board of Directors or the stockholders of BioClinica as may be required by the certificate of incorporation of BioClinica, the by-law of BioClinica or applicable law, any (i) amendment or modification of the Merger Agreement which materially affects the holders of common stock, (ii) termination of the Merger Agreement by BioClinica, (iii) extension of time for performance of any of the obligations of Parent or Purchaser under the Merger Agreement, (iv) waiver of any condition to BioClinica's obligation under the Merger Agreement, (v) exercise or waiver of BioClinica's rights or remedies under the Merger Agreement, (vi) amendment to BioClinica's certificate of incorporation or by-laws, (vii) authorization of any agreement between BioClinica and any of its subsidiaries, on the one hand, and Parent, Purchaser or any of their affiliates on the other hand, or (viii) taking of any other action by BioClinica in connection with the Merger Agreement or the transactions contemplated thereby may, in each case, be effected only if there are in office one or more Continuing Directors and such action is approved by a majority of the Continuing Directors then in office; *provided, however*, that BioClinica will designate, prior to the Acceptance Time, two alternate Continuing Directors that the Board of Directors will appoint in the event of the death, disability or resignation of the Continuing Directors, each of whom will, following such appointment to the Board of Directors, be deemed to be a Continuing Director for purposes of the Merger Agreement. The Continuing Directors will have, and Parent will cause the Continuing Directors to have, the authority to retain such counsel (which may include current counsel to BioClinica or the Board of Directors) and other advisors at the expense of BioClinica as determined by the Continuing Directors, and the authority to institute any action on behalf of BioClinica to enforce performance of the Merger Agreement.

The Merger

The Merger Agreement provides that, following completion of the Offer and subject to the terms and conditions of the Merger Agreement, and in accordance with the DGCL, at the effective time of the Merger:

Purchaser will be merged with and into BioClinica and, as a result of the Merger, the separate corporate existence of Purchaser will cease;

BioClinica will be the surviving corporation in the Merger; and

all of the rights, privileges, powers, franchises, properties and assets of BioClinica and Purchaser will vest in the surviving corporation and continue unaffected by the Merger.

The obligations of Parent and Purchaser, on the one hand, and BioClinica, on the other hand, to complete the Merger are subject to the satisfaction of the following conditions:

the Merger Agreement having been adopted and the Merger approved by the requisite vote of the stockholders of BioClinica, if necessary or required by applicable law;

there not being in effect any order, judgment, decision, decree, injunction, ruling, writ or assessment of and governmental authority, and no law having been enacted (and remaining in effect) by any governmental authority, which, in any case, prohibits or makes illegal the consummation of the Merger; and

Purchaser having accepted for payment and paid for the shares validly tendered and not withdrawn in the Offer.

The certificate of incorporation and the bylaws of Purchaser will be the certificate of incorporation and the bylaws of the surviving corporation until changed or amended. Purchaser's directors immediately prior to the effective time of the Merger will be the initial directors of the Surviving corporation until the earlier of their resignation or removal or until their respective successors are duly designated, and the officers of BioClinica immediately prior to the effective time of the Merger will be the initial officers of the Surviving corporation until the earlier of their resignation or removal or until their respective successors are duly designated.

Conversion of Capital Stock

At the effective time of the Merger, by virtue of the Merger:

each issued and outstanding share of Purchaser's capital stock will be converted into and become one fully paid and nonassessable share of common stock of the Surviving corporation;

all shares owned by BioClinica or by Parent, Purchaser or any of their respective subsidiaries will be cancelled and will cease to exist, and no consideration will be delivered in exchange for those shares; and

each issued and outstanding share (other than shares to be cancelled as set forth above, and other than shares held by a holder who exercises appraisal rights with respect to the shares) will be converted into the right to receive the Offer Price in cash, without interest.

Edgar Filing: BIOCLINICA INC - Form PREM14A

After the effective time of the Merger, the shares will no longer be outstanding and will cease to exist, and each holder of a certificate representing shares will cease to have any rights with respect thereto, except the right to receive the offer price in cash, without interest, upon the surrender of such certificate. At or prior to the effective time of the Merger, Parent will deposit with the paying agent the aggregate consideration to be paid to holders of shares in the Merger.

Treatment of Restricted Stock and Options

Each holder of an outstanding award of BioClinica restricted stock will have the right to tender such restricted stock in the Offer. Effective upon the Acceptance Time, each share of restricted stock fully vested, and the restrictions thereon elapsed. At the effective time of the Merger, holders of such shares will be entitled to receive \$7.25 in cash, without interest and less any applicable withholding taxes, for each share held.

Neither Parent nor Purchaser will assume any of BioClinica's options in connection with the Offer, the Merger or any other transactions contemplated in the Merger Agreement. Upon the Acceptance Time, each outstanding and unexercised Option vested and became exercisable for shares. To the extent not exercised prior to the effective time of the Merger, each outstanding, unexercised Option will be deemed exercised and cancelled in connection with the Merger and, in consideration for such deemed exercise and cancellation, each former holder of any such cancelled option will receive a cash payment equal to the product of (i) the excess, if any, of over the exercise price per share previously subject to such option times (ii) the total number of shares subject to such option; *provided, that*, if the exercise price per share of any such option is equal to or greater than \$7.25, such option will be cancelled and terminated without any cash payment being made in respect thereof. BioClinica will take all actions necessary under BioClinica's plans and arrangements to effect the foregoing, including delivering all notices and making any determinations or resolutions of the Board of Directors.

Representations and Warranties

The Merger Agreement contains representations and warranties made by BioClinica to Parent and Purchaser and representations and warranties made by Parent and Purchaser to BioClinica. The assertions embodied in those representations and warranties were made solely for purposes of the Merger Agreement and are subject to important qualifications and limitations agreed to by the parties in connection with negotiating the terms of the Merger Agreement, including those qualifications and limitations contained in a confidential disclosure letter provided by BioClinica to Parent and Purchaser the terms of which have not been disclosed. Moreover, some of those representations and warranties may not be accurate or complete as of any particular date because they are subject to a contractual standard of materiality or material adverse effect different from that generally applicable to public disclosures to stockholders or used for the purpose of allocating risk between the parties to the Merger Agreement rather than establishing matters of fact. For the foregoing reasons, you should not rely on the representations and warranties contained in the Merger Agreement as statements of factual information.

In the Merger Agreement, BioClinica has made customary representations and warranties to Parent and Purchaser with respect to, among other things:

corporate matters related to BioClinica and its subsidiaries, such as organization, good standing, corporate power and enforceability;

approval by the Board of Directors;

Some of the representations and warranties in the Merger Agreement made by BioClinica are qualified as to "materiality" or "Company Material Adverse Effect." For purposes of the Merger Agreement, a "Company Material Adverse Effect" means any change, effect, event or development (each a "Change", and collectively, "Changes") that, individually or taken together with all other Changes, has had a material adverse effect on the business, financial condition or results of operations of BioClinica and its subsidiaries, taken as a whole; *provided, however*, that no Change (by itself or when aggregated or taken together with any and all other Changes) directly or indirectly resulting from, relating to or arising out of any of the following will be deemed to be or constitute a "Company Material Adverse Effect," and no Change (by

itself or when aggregated or taken together with any and all other such Changes) resulting from, arising out of or attributable to any of the following will be taken into account when determining whether a "Company Material Adverse Effect" has occurred or may, would or could occur:

general economic conditions (or changes in such conditions) in the United States or any other country or region in the world, or conditions in the global economy generally;

conditions (or changes in such conditions) in the securities markets, capital markets, credit markets, currency markets or other financial markets in the United States or any other country or region in the world, including (A) changes in interest rates in the United States or any other country or region in the world and changes in exchange rates for the currencies of any countries and (B) any suspension of trading in securities (whether equity, debt, derivative or hybrid securities) generally on any securities exchange or over the counter market operating in the United States or any other country or region in the world;

the announcement of the Merger Agreement or the pendency or consummation of the transactions contemplated thereby, including (A) the identity of Parent, (B) the loss or departure of officers or other employees of BioClinica or any of its subsidiaries resulting from, arising out of, or attributable to the transactions contemplated by the Merger Agreement, (C) the termination or potential termination of (or the failure or potential failure to renew or enter into) any contracts with customers, suppliers, distributors or other business partners, whether as a result of the loss or departure of officers or employees of BioClinica or otherwise, resulting from, arising out of, or attributable to the transactions contemplated by this Agreement (but not, for the avoidance of doubt, the failure of any third party to grant a consent contemplated by this Agreement), and (D) any other negative development (or potential negative development) in BioClinica's relationships with any of its customers, suppliers, distributors or other business partners, whether as a result of the loss or departure of officers or employees of BioClinica or otherwise, directly resulting from, arising out of, or attributable to the transactions contemplated by this Agreement;

any actions taken or failure to take action, in each case, by Parent or any of its controlled affiliates, or to which Parent has approved, consented to or requested; or compliance with the terms of, or the taking of any action required by, the Merger Agreement; or the failure to take any action prohibited by the Merger Agreement;

changes in BioClinica's stock price or the trading volume of BioClinica's stock, in and of itself, or any failure by BioClinica to meet any public estimates or expectations of BioClinica's revenue, earnings or other financial performance or results of operations for any period, in and of itself, or any failure by BioClinica to meet any internal budgets, plans or forecasts of its revenues, earnings or other financial performance or results of operations, in and of itself (but not, in each case, the underlying cause of such changes or failures, unless such changes or failures would otherwise be excepted from this definition); and

any legal proceedings made or brought by any of the current or former stockholders of BioClinica (on their own behalf or on behalf of BioClinica) against BioClinica arising out of the Merger Agreement, the Offer, the Merger or in connection with any other transactions contemplated by the Merger Agreement.

Notwithstanding the foregoing proviso, to the extent a Change (by itself or when aggregated or taken together with any and all other Changes) both (A) results from, arises out of, or is attributable to the matters described in any of the first six bullets above, and (B) disproportionately affects BioClinica and its subsidiaries, taken as a whole, as compared to other companies that conduct business in the countries and regions in the world and in the industries in which BioClinica and its subsidiaries conduct business, the disproportionate aspect of such Change may be taken into account when determining whether a "Company Material Adverse Effect" has occurred any fact, circumstance, event, change, effect or occurrence that, individually or in the aggregate with all other facts, circumstances, events, changes, effects, or occurrences, has or would be reasonably expected to have a material adverse effect

on or with respect to the business, results of operation or financial condition of BioClinica and its subsidiaries, taken as a whole.

In the Merger Agreement, Parent and Purchaser have made customary representations and warranties to BioClinica with respect to, among other things:

corporate matters related to Parent and Purchaser, such as organization, good standing, corporate power and enforceability;

None of the representations and warranties contained in the Merger Agreement or in any instrument delivered pursuant to the Merger Agreement survive the effective time of the Merger of the Merger. This limit does not apply to any covenant or agreement of the parties which by its terms contemplates performance after the effective time of the Merger.

No Solicitation

As of the date of the Merger Agreement, BioClinica has agreed that it and its subsidiaries will cease, and cause their representatives to cease) any and all existing discussions or negotiations with any persons conducted prior to the date of the Merger Agreement with respect to any Acquisition Proposal (as defined below).

From the date of the Merger Agreement until completion of the Merger or, if earlier, the termination of the Merger Agreement, BioClinica agreed that it and its subsidiaries will not, and will use their respective reasonable best efforts to cause their directors, officers, employees, controlled affiliates, investment bankers, attorneys and other agents and representatives, whom we refer to collectively as "representatives," not to, directly or indirectly:

solicit, initiate or knowingly induce the making, submission or announcement of, or knowingly encourage or assist, an Acquisition Proposal;

furnish to any person (other than parent, Purchaser or their designees) any non-public information relating to BioClinica or any of its subsidiaries, in each case with the intent to induce the making, submission or announcement of, or the intent to encourage or assist, an Acquisition proposal or any inquiries or the making of any proposal that could reasonably be expected to lead to an Acquisition Proposal;

participate or engage in discussions or negotiations with any person with respect to an Acquisition Proposal;

approve, endorse or recommend, or propose publicly to approve, endorse or recommend, any Acquisition Proposal;

enter into any letter of intent, agreement in principle, merger agreement, stock purchase agreement, acquisition agreement, option agreement or other agreement contemplating or otherwise relating to any Acquisition Proposal; or

resolve to propose or agree to do any of the foregoing.

The foregoing restrictions do not prohibit BioClinica or its representatives from contacting in writing any person or group of persons who have made an acquisition proposal after the date of the Merger Agreement solely to request clarification of the terms and conditions thereof so as to determine whether such Acquisition Proposal (as defined below) is, or could reasonably be expected to lead to, a Superior Proposal (as defined below).

Notwithstanding the restrictions described above, at any time before the first acceptance of shares for payment in the Offer, BioClinica, its subsidiaries and their respective representatives may:

participate or engage in discussions or negotiations with any person or group of persons that has made an unsolicited Acquisition Proposal after the date of the Merger Agreement that did not result from a material breach of the provisions of the Merger Agreement, if the Board of Directors determines in good faith, after consultation with its financial advisor and outside legal counsel, that such unsolicited Acquisition Proposal either constitutes or could reasonably be expected to lead to a Superior Proposal and that the failure to take such action would be inconsistent with its fiduciary duties under applicable law;

grant a waiver, amendment or release under any standstill agreement (or standstill provision of any agreement) for the purpose of allowing any person or group of persons to make an Acquisition Proposal; and/or

furnish to any person or group of persons that has made an unsolicited Acquisition Proposal, if the Board of Directors determines in good faith, after consultation with its financial advisor and outside legal counsel, that the Acquisition Proposal either constitutes or could reasonably be expected to lead to a Superior Proposal and that the failure to take such action would be inconsistent with its fiduciary duties under applicable law, information relating to BioClinica or its subsidiaries and/or afford to any such person or group of persons access to the business, properties, assets, books, records and other non-public information, or to any personnel, of BioClinica and its subsidiaries, in each case subject to a confidentiality agreement on terms not less favorable to BioClinica in the aggregate than those contained in the confidentiality agreement governing the relationship between BioClinica and Purchaser.

BioClinica has agreed that, in connection with taking any of the foregoing actions, it will give Parent written notice of the identity of the person or group of persons and the material terms of such Acquisition Proposal (unless such Acquisition Proposal is in written form, in which case BioClinica will give Parent a copy thereof), and will, contemporaneously with furnishing any non-public information to such person or group of persons, furnish or make available such non-public information to Parent to the extent such information has not previously been furnished or made available to Parent.

If BioClinica receives (i) any Acquisition Proposal, (ii) any request for information that could reasonably be expected to lead to an Acquisition Proposal, or (iii) any inquiry with respect to, or which could reasonably be expected to lead to, any Acquisition Proposal, BioClinica is required under the Merger Agreement to promptly (and in any event within 48 hours) notify Parent of the material terms and conditions of such Acquisition Proposal, request or inquiry, and the identity of the person or group of persons making any such Acquisition Proposal, request or inquiry. BioClinica is further required to keep Parent reasonably informed on a reasonably prompt basis of any material change in the status or terms of any such Acquisition Proposal, request or inquiry and any related discussions or negotiations.

Board Recommendation

Subject to the provisions described below, the Board of Directors agreed to recommend that the holders of the shares accept the Offer, tender their shares to Purchaser in the Offer and, if required under applicable law, adopt the Merger Agreement. This is referred to as the "Recommendation." The Board of Directors also agreed to include the recommendation in the Schedule 14D-9 filed with the SEC on February 11, 2013 and to permit Parent to include the Recommendation in this Offer to Purchase and related Offer documents. The Merger Agreement provides that the Board of Directors will not effect a Recommendation Change except as described below.

Neither the Board of Directors nor any committee thereof will withhold, withdraw, amend or modify the Recommendation (which we refer to as a "Recommendation Change") in a manner adverse to Parent or Purchaser, or publicly propose to do so; *provided, that*, a "stop, look and listen" communication by the Board of Directors to BioClinica's stockholders pursuant to Rule 14d-9(f) of the Exchange Act is not deemed to be a Recommendation Change .

Notwithstanding the foregoing, the Board of Directors may effect a Recommendation Change at any time prior to the Acceptance Time:

if the Board of Directors receives an Acquisition Proposal that it determines in good faith constitutes a Superior Proposal after consultation with its financial advisor and outside legal counsel and the Board of Directors determines that the failure to effect a Recommendation Change would be inconsistent with its fiduciary duties under applicable law (a "Superior Proposal Recommendation Change"); or

in response to an Intervening Event (as defined below), if the Board of Directors determines in good faith (after consultation with its financial advisors and its outside legal counsel) that, in light of such Intervening Event, the failure to effect a Recommendation Change would be inconsistent with its fiduciary duties under applicable law (an "Intervening Event Recommendation Change").

No such Recommendation Change may be made unless, prior to making such Recommendation Change:

BioClinica has complied in all material respects with the requirements described above under "Summary of the Merger Agreement No Solicitation";

BioClinica has notified Parent in writing that it intends to effect a Recommendation Change, describing in reasonable detail the reasons for such Recommendation Change (a "Recommendation Change Notice") including (X) in the case of a Superior Proposal Recommendation Change, the identity of the person making the Acquisition Proposal, the most current written agreement relating to the transaction that constitutes a Superior Proposal and all related transaction agreements and (Y) in the case of an Intervening Event Recommendation Change, describing such Intervening Event in reasonable detail (it being agreed that the Recommendation Change Notice and any amendment or update to such notice and the determination to so deliver such notice will not constitute a Recommendation Change for purposes of the Merger Agreement); and

if requested by Parent, BioClinica will make its representatives available during the period beginning at 5:00 p.m. Central Time on the day of delivery by BioClinica to Parent of such Recommendation Change Notice and ending four business days later at 5:00 p.m. Central Time (the "Recommendation Change Notice Period") to discuss with Parent's representatives any proposed modifications to the terms and conditions of the Merger Agreement intended by Parent to cause such Superior Proposal to no longer constitute a Superior Proposal or to eliminate the need for the Board of Directors to effect a Recommendation Change as a result of

an Intervening Event, as applicable; *provided, however*, that in the event that (x) after delivery of a Recommendation Change Notice in connection with a Superior Proposal, there has been a material change or revision to the terms of such Superior Proposal or (y) after delivery of a Recommendation Change Notice in connection with an Intervening Event, there has been a material change in the facts, events or circumstances relating to such Intervening Event, then, in either case, BioClinica will notify Parent of such material change or revision within 24 hours following such change or revision, and in connection with such change or revision the then-current Recommendation Change Notice Period will be extended such that at least two business days remain in such Recommendation Change Notice Period subsequent to the time BioClinica so notifies Parent of such material change or revision; and

Parent will have notified BioClinica that it has elected not to negotiate with BioClinica with respect to modification to the terms and conditions of the Merger Agreement or the Board of Directors will have determined in good faith (after consultation with financial advisor and outside legal counsel), after considering the terms of any amendment or modification to the Merger Agreement proposed by Parent, that the failure to effect a Recommendation Change would still be inconsistent with its fiduciary duties under applicable law.

The Merger Agreement does not prohibit BioClinica or the Board of Directors from taking and disclosing to its stockholders a position as required by Rule 14d-9 promulgated under the Exchange Act or complying with the provisions of Rule 14d-9 promulgated under the Exchange Act or from making any required disclosure to BioClinica's stockholders if the Board of Directors determines in good faith, after consultation with its outside counsel, that the failure to make such disclosure would be inconsistent with its fiduciary duties to BioClinica's stockholders under applicable law, *provided, that*, any Recommendation Change is subject to the limitations set forth above.

For purposes of the Merger Agreement:

"*Acquisition Proposal*" means any offer or proposal (other than an offer or proposal by Parent or Purchaser) to engage in any transaction or series of related transactions (other than the transactions contemplated by the Merger Agreement) involving: (i) the purchase or other acquisition by any person or group of persons, directly or indirectly, of more than twenty percent (20%) of the shares outstanding as of the consummation of such purchase or other acquisition, or any tender offer or exchange offer by any person or group of persons that, if consummated in accordance with its terms, would result in such person or group of persons beneficially owning more than twenty percent (20%) of the shares outstanding as of the consummation of such tender or exchange offer; (ii) a merger, consolidation, joint venture, business combination or other similar transaction involving BioClinica pursuant to which the stockholders of BioClinica immediately preceding such transaction hold less than eighty percent (80%) of the voting equity interests in the surviving or resulting entity of such transaction; (iii) a sale, transfer, acquisition or disposition of more than twenty percent (20%) of the consolidated assets of BioClinica and its subsidiaries taken as a whole (measured by the fair market value thereof); or (iv) a liquidation, dissolution or other winding up of BioClinica and its subsidiaries, taken as a whole.

"*Intervening Event*" means any event, development or change in circumstances that is material to BioClinica and its subsidiaries, taken as a whole, that (i) was not known to the Board of Directors (or if known, the consequences of which were not known or reasonably foreseeable) as of January 29, 2013 and (ii) does not relate to any Acquisition Proposal or any events, changes or circumstances relating to Parent, Purchaser or any of their affiliates.

"*Superior Proposal*" means any bona fide written Acquisition Proposal on terms that the Board of Directors will have determined in good faith (after consultation with its financial advisor and outside legal counsel), would be more favorable from a financial point of view to the stockholders of BioClinica than the Offer and the Merger, taking into account, after consultation

with outside counsel and BioClinica's financial advisors, the terms and conditions of such Acquisition Proposal (including legal, financial (including financing terms), regulatory and other aspects of the transaction contemplated therein, as well as the likelihood and timing of consummation thereof) and the Merger Agreement (including any changes to the terms of the Merger Agreement committed to by Parent in good faith to BioClinica in response to such Acquisition Proposal or otherwise) that the Board of Directors determines to be relevant; *provided, that*, for purposes of the definition of "Superior Proposal", the references to "20% and 80%" in the definition above of Acquisition Proposal will be deemed to be references to "50%".

Access

From the date of the Merger Agreement until the effective time of the Merger or, if earlier, the termination of the Merger Agreement, BioClinica has agreed to give Parent and Parent's representatives reasonable access to all of its properties, books and personnel, subject to certain customary limitations.

Notification of Certain Matters

BioClinica will give prompt notice to Parent, and Parent will give prompt notice to BioClinica, of (i) any litigation commenced after the date of the Merger Agreement against such party or its directors or officers (in such capacity) by any stockholder of BioClinica (on such stockholder's own behalf or on behalf of BioClinica) relating to the Offer, the Merger or the other transactions contemplated in the Merger Agreement, (ii) any notice received by such party from any governmental authority or person in connection with the Offer or the Merger or the other transactions contemplated by the Merger Agreement that the consent of such entity or person is or may be required in connection with the Offer or the Merger or the other transactions contemplated by the Merger Agreement, or (iii) the discovery of any fact or circumstance that, or the occurrence or non-occurrence of any event the occurrence or non-occurrence of which, would cause or result in any of the conditions to the Offer or the Merger not being satisfied or satisfaction of those conditions being materially delayed in violation of any provision of the Merger Agreement.

Section 16(b) Exemption

BioClinica has agreed to take all actions reasonably necessary to cause the transactions contemplated by the Merger Agreement and any other dispositions of equity securities of BioClinica (including derivative securities) in connection with the transactions contemplated by the Merger Agreement by each individual who is a director or executive officer of BioClinica to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Stock Exchange Delisting

BioClinica has agreed that prior to the effective time of the merger BioClinica will cooperate with Parent and use commercially reasonable efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable laws and rules and policies of the NASDAQ to cause the delisting of BioClinica and the shares from the NASDAQ as promptly as practicable after the effective time of the Merger and the deregistration of the shares under the Exchange Act as promptly as practicable after such delisting.

Financing Cooperation

BioClinica will, and will cause its subsidiaries to and use its commercially reasonable efforts to cause the officers, directors, employees, agents and representatives of BioClinica and its subsidiaries to provide Parent and its representative with certain customary cooperation in connection with Parent's

and Purchaser's financing of the transactions contemplated in the Merger Agreement, in each case at Parent's sole expense and *provided, that*, such efforts do not interfere unreasonably with the business or operations of BioClinica and its subsidiaries.

Indemnification and Insurance

Parent will cause BioClinica and its subsidiaries to honor and fulfill in all respects the obligations of BioClinica and its subsidiaries under (i) any indemnification, expense advancement and exculpation provision set forth in any certificate of incorporation or by-laws or comparable organizational documents as in effect on the date of the Merger Agreement and (ii) all indemnification agreements between BioClinica or any of its subsidiaries and any of their respective current or former directors and officers, whom we refer to as "indemnified persons".

For six years after the effective time of the Merger, Parent will cause BioClinica to indemnify and hold harmless indemnified persons, to the fullest extent permitted by law, against all losses, claims, damages, liabilities, costs, expenses, judgments, fines and, subject to approval by Parent (not to be unreasonably withheld, delayed or conditioned), amounts paid in settlement in connection with any actual or threatened claim, action, suit, proceeding or investigation, whether civil or criminal, arising from or pertaining to the fact that such indemnified party is or was serving as a director or officer of BioClinica or its subsidiaries or the Merger Agreement and the transactions contemplated thereby.

BioClinica will maintain a tail prepaid insurance policy with a claims period of at least six (6) years from and after the effective time of the Merger, with coverage at least as favorable in the aggregate as BioClinica's current policies, except that neither Parent nor BioClinica will be required to pay, and (if obtained prior to the Merger) BioClinica will not be permitted to pay, with respect to such insurance policies an annualized premium of more than 200% of the annual premium paid by BioClinica for such insurance prior to the Merger.

Employee Matters

From and after the effective time of the Merger, BioClinica will honor all employee benefit plans and arrangements of BioClinica in accordance with their terms as in effect immediately prior to the effective time of the Merger and unless otherwise expressly terminated in accordance with their terms, such plans and arrangements will survive after the effective time of the Merger, *provided, that*, BioClinica will be permitted to amend or terminate any such plan or arrangement in accordance its terms or as otherwise required by law.

For a period of not less than one year following the effective time of the Merger, BioClinica will provide continuing employees compensation and employee benefits (exclusive of equity-based compensation) substantially no less favorable in the aggregate than the compensation and benefits provided to the respective employees immediately before the effective time of the Merger. Continuing employees will generally receive full credit for prior service for purposes of eligibility and vesting and, for purposes of vacation and severance only for purposes of benefit accruals.

No provision of the Merger Agreement will be deemed to guarantee employment for any period of time for, or preclude the ability of Parent or BioClinica to terminate the employment of, any continuing employee for any reason.

Tax Matters

Any transfer, stamp, documentary, sales, use, registration, value-added and other similar taxes incurred by the parties in connection with the transactions contemplated in the Merger Agreement will be borne by Parent.

Efforts and Regulatory Filings

Each of the parties to the Merger Agreement has agreed to use its reasonable best efforts to take all actions, and do all things necessary, proper or advisable under applicable law to consummate the transactions contemplated by the Merger Agreement in the most expeditious manner practicable, including causing the conditions to the Offer to be satisfied and obtaining all necessary actions or nonactions, waivers, consents, clearances, approvals, orders and authorizations from any governmental authorities and the making of all necessary registrations, declarations and filings with governmental authorities that are necessary to consummate the Offer, the Merger and the other transactions contemplated by the Merger Agreement.

BioClinica, Parent and Purchaser also agreed that they will:

as soon as practicable, but in no event later than ten (10) business days after the date of the Merger Agreement, make the filings required under the HSR Act with respect to the Offer, the Merger and the other transactions contemplated by the Merger Agreement;

as soon as practicable, file comparable pre-merger or post-merger notification filings, forms and submissions with any foreign governmental authority that is required by antitrust laws;

use reasonable best efforts to cooperate with each other in making all such filings, supply one another with any information that reasonably may be required in order to make such filings, supply to any governmental authority any additional information that may be requested pursuant to any law or by such governmental authority, and, subject to limitations described below, take all action necessary to cause the expiration or termination of the applicable waiting periods under the HSR Act or other antitrust laws and to obtain any required consents thereunder as soon as practicable; and

use reasonable best efforts to take promptly all other actions as reasonably may be necessary to resolve such objections, if any, of U.S. or foreign antitrust authorities with respect to the Offer, the Merger and the other transactions contemplated by the Merger Agreement.

Parent and BioClinica agreed to take any and all actions necessary to obtain any consents, clearances or approvals required under or in connection with any domestic or foreign antitrust law, and to enable all waiting periods under any antitrust law to expire, and to avoid or eliminate each and every impediment under any antitrust law asserted by any governmental authority, in each case, to cause the Merger and the other transactions contemplated by the Merger Agreement to occur prior to April 30, 2013, including but not limited to :

promptly complying with or modifying any requests for additional information (including any second request) by any governmental authority;

if necessary to obtain clearance by any governmental authority before April 30, 2013, offering, negotiating, committing to and effecting, by consent decree, hold separate order or otherwise, the sale, divestiture, license or other disposition of any and all of the capital stock, assets, rights, products or businesses of Parent, its subsidiaries and its and their affiliates and BioClinica and its subsidiaries, and any other restrictions on the activities of Parent, its subsidiaries and its and their affiliates and BioClinica and its subsidiaries (collectively a "Remedy"); *provided, however:*

that none of Parent, its subsidiaries or its and their affiliates will be required to enter into any Remedy that would materially impair the overall benefits expected to be realized from the consummation of the transactions contemplated by the Merger Agreement;

none of BioClinica nor any of its subsidiaries or affiliates will agree to enter into any Remedy without the prior written consent of Parent, assuming such Remedy is conditioned on the consummation of the transactions

contemplated by the Merger Agreement; and

contesting, defending and appealing any threatened or pending preliminary or permanent injunction or other order, decree or ruling or statute, rule, regulation or executive order that would adversely affect the ability of any party to the Merger Agreement to consummate the transactions contemplated thereby, unless Parent reasonably determines that litigation is not in its best interests.

Anti-Takeover Laws

If any takeover statute is or becomes applicable to the Offer, the Merger, the Top-Up or any other transaction contemplated by the Merger Agreement, then each of BioClinica (other than as a result of the inaccuracy of the representations and warranties of Parent and Purchaser in the Merger Agreement), Parent and Purchaser will use their respective reasonable best efforts to ensure that the transactions contemplated by the Merger Agreement may be consummated as promptly as practicable on the terms and subject to the conditions set forth in the Merger Agreement and otherwise to minimize the effect of such law on the Merger Agreement and the transactions contemplated thereby.

Public Statements and Disclosure

BioClinica, Parent and Purchaser agreed that after an initial joint press release none of them will issue any public release or make any public announcement concerning the transactions contemplated in the Merger Agreement without the prior written consent of the other (which consent may not be unreasonably withheld, conditioned or delayed), except as may be required by applicable law or by obligations pursuant to any listing agreement with any national securities exchange or the NASDAQ (in which case the party required to make the release or announcement will use its reasonable best efforts to allow the other parties reasonable time to comment on such release or announcement in advance of issuance (it being understood that the final form is in the discretion of the disclosing party). The foregoing restrictions do not apply to any release or announcement made or proposed to be made by BioClinica in relating to any Acquisition Proposal or following a Recommendation Change pursuant to the limitations described above under "The Merger Agreement No Solicitation".

Termination

The Merger Agreement may be terminated at any time prior to the effective time of the Merger only as follows:

by mutual written agreement of Parent and BioClinica;

by either Parent or BioClinica in the event that the first acceptance for payment by Purchaser of shares pursuant to the Offer will not have occurred on or before April 30, 2013, which we refer to as the "outside date"; *provided, however*, that such right to terminate the Merger Agreement is not be available to a party if such party's actions or omissions have been a principal cause of, or primarily resulted in, the failure of the consummation of the Offer to occur on or before such date and such action or failure to act constitutes a breach of the Merger Agreement or such party is in material breach of the Merger Agreement (we refer to this termination right as the "Outside Date Termination Right");

by either Parent or BioClinica if any order (whether temporary, preliminary or permanent in nature) issued by any court of competent jurisdiction or other restraint or prohibition of any governmental authority of competent jurisdiction will be in effect, or if any law will have been enacted, entered, promulgated, enforced or deemed applicable by any governmental authority of competent jurisdiction and remain in effect, that, in any such case, prohibits or makes illegal the consummation of the Offer or the Merger, and such order or law will have become final and nonappealable (which order or law the party seeking to terminate the Merger Agreement will

have used its reasonable best efforts to resist, resolve or lift, as applicable, subject to the limitations described above under "The Merger Agreement Efforts and Regulatory Filings";

by BioClinica, subject to and conditioned upon compliance with the provisions described above under "Summary of the Merger Agreement Board Recommendation", in the event that the Board of Directors has received an Acquisition Proposal that it determines in good faith constitutes a Superior Proposal after consultation with its financial advisor and outside legal counsel and that the failure to terminate the Merger Agreement in order to enter into an agreement with respect to such a Superior Proposal would be inconsistent with its fiduciary duties under applicable Law; *provided*, that, BioClinica contemporaneously enters into a definitive transaction agreement with respect to such Superior Proposal and that BioClinica pays Parent the Termination Fee described below under "The Merger Agreement Fees and Expenses" (we refer to this termination right as the "Superior Proposal Termination Right");

by Parent, in the event that BioClinica will have breached any of its representations, warranties or covenants under the Merger Agreement such that prior to the consummation of the Offer either:

any of the representations and warranties of BioClinica set forth in the Merger Agreement will not be true and correct (disregarding all qualifications or limitations as to materiality and Company Material Adverse Effect and words of similar import set forth therein), except where the failure of such representations and warranties to be so true and correct would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect and except, in each case, to the extent such representations and warranties are made as of a specific date (in which case such representations and warranties will not be true and correct (subject to such qualifications) as of such specific date only); or

BioClinica will have failed to perform or comply in all material respects with its obligations required to be performed or complied with by it under this Agreement;

and BioClinica will have failed to cure such breach within ten business days after BioClinica has received written notice of such breach from Parent (but Parent will not be permitted to so terminate the Merger Agreement in respect of the breach set forth in any such written notice (x) at any time during such ten business day period, and (y) at any time after such ten business day period if BioClinica will have cured such breach during such ten business day period) (we refer to this termination right as the "Breach Termination Right");

by Parent, in the event that (i) the Board of Directors will have effected a Recommendation Change; *provided, however*, that Parent's right to so terminate the Merger Agreement will expire ten business days after the first date upon which BioClinica makes such Recommendation Change, or (ii) a tender or exchange offer for shares that constitutes an Acquisition Proposal (whether or not a Superior Proposal) is commenced by a person unaffiliated with Parent and, within ten business days after the public announcement of the commencement of such Acquisition Proposal, BioClinica will not have filed a Schedule 14D-9 pursuant to Rule 14e-2 and Rule 14d-9 promulgated under the Exchange Act recommending that BioClinica's stockholders reject such Acquisition Proposal and not tender any shares into such tender or exchange offer; *provided, however*, that Parent's right to so terminate the Merger Agreement in respect of such a failure to act will expire ten business days after such failure (we refer to this termination right as the "Recommendation Change Termination Right");

by BioClinica, in the event that Parent or Purchaser will have breached any of its representations, warranties or covenants under the Merger Agreement (which breach would or could reasonably be expected to individually or in the aggregate, prevent or materially impede, hinder or delay the performance by Parent or Purchaser of any of their respective obligations

Table of Contents

under the Merger Agreement or the consummation of the Offer or the Merger), and will have failed to cure such breach within ten business days after Parent has received written notice of such breach from BioClinica (it being understood that BioClinica will not be permitted to so terminate the Merger Agreement in respect of the breach set forth in any such written notice at any time during such ten business day period, and at any time after such ten business day period if Parent and Purchaser will have cured such breach during such ten business day period); or

by BioClinica, in the event that (i) Purchaser fails to commence the Offer within the required time period or terminates or makes any change to the Offer in violation of the terms of the Merger Agreement or (ii) at any scheduled expiration date of the Offer, Purchaser fails to accept for payment and pay for shares validly tendered and not withdrawn in the Offer subject to the terms of and in accordance with the Merger Agreement and at such time all of the conditions to the Offer are satisfied and no subsequent expiration date for the Offer is established pursuant to an authorized extension of the Offer.

Notice of Termination; Effect of Termination

Any proper and valid termination of the Merger Agreement in accordance with the provisions described above under "The Merger Agreement Termination" will be effective immediately upon the delivery of written notice of the terminating party to the other parties to the Merger Agreement. In the event of such termination of the Merger Agreement, the Merger Agreement will be of no further force or effect without liability of any party thereto (or any director, officer, employee, affiliate, agent or other representative of such party) to the other parties thereto, except for the provisions described below under "The Merger Agreement Termination Fees and Expenses" and certain other provisions as described in the Merger Agreement. Nothing in the Merger Agreement will relieve any party from liability for any knowing and intentional breach of, or fraud in connection with, the Merger Agreement, except that if the termination fee is paid then such payment will be the sole and exclusive remedy of Parent and Purchaser against BioClinica and its subsidiaries and any of their respective former, current or future officers, directors, partners, equity holders, managers, members, affiliates or successors.

Termination Fees and Expenses

Except for provisions described below and certain transfer and filing fees as described in the Merger Agreement, all fees and expenses incurred in connection with the Merger Agreement and the transactions contemplated thereby will be paid by the party incurring such expenses whether or not the Offer or the Merger is consummated.

BioClinica has agreed to pay Parent a termination fee equal to the sum of (x) all reasonably documented fees and expenses incurred by Parent or its subsidiaries in connection with the Merger Agreement and the transactions contemplated thereby, including all reasonable out-of-pocket fees and expenses incurred by or on behalf of Parent or its subsidiaries in connection with the authorization, preparation, negotiation, execution and performance of the Merger Agreement and the transactions contemplated thereby up to a maximum of \$2,000,000 (the "Parent Expenses") and (y) \$4,500,000 (collectively, the "Termination Fee"), if:

the Merger Agreement is validly terminated by either Parent or BioClinica pursuant to the Outside Date Termination Right or by Parent pursuant to the Breach Termination Right;

at or prior to the time of any such termination a third party will have publicly disclosed a bona fide Acquisition Proposal pursuant to which the holders of shares would be paid a price per share in excess of the Merger Consideration; and

within nine (9) months following the termination of the Merger Agreement, BioClinica enters into a definitive agreement with respect to an Acquisition Proposal or an Acquisition Proposal is

Table of Contents

consummated (it being understood that for purposes of the preceding two references to "Acquisition Proposal", the references to "20%" and "80%" in the definition of "Acquisition Proposal" will be deemed to be references to "50%").

In the event that the Merger Agreement is validly terminated under the circumstances set forth in either of the first two bullets of the preceding sentence, then at the time of such termination, BioClinica will pay to Parent the Parent Expenses, and in the event that the Termination Fee later becomes payable by BioClinica, then any Parent Expenses, to the extent previously paid by BioClinica, will be credited against the Termination Fee then payable.

In the event that the Agreement is terminated by BioClinica pursuant to the Superior Proposal Termination Right, BioClinica will pay to Parent the Termination Fee as a condition to the effectiveness of such termination.

In the event that this Agreement is terminated by Parent pursuant to the Recommendation Change Termination Right, BioClinica will pay to Parent the Termination Fee within two (2) business days after such termination.

The Termination Fee is required to be paid by wire transfer of immediately available funds to an account designated in writing by Parent. BioClinica is not obligated to pay the Termination Fee on more than one occasion.

The parties acknowledged that the agreements contained in the provisions regarding the Termination Fee are an integral part of the transactions contemplated by the Merger Agreement. If BioClinica fails promptly to pay the Termination Fee when due, and, in order to obtain such payment, Parent commences a legal proceeding that results in an award against BioClinica for such fee, BioClinica will pay Parent its costs and expenses in connection with such legal proceeding, together with interest.

Amendment

The Merger Agreement may be amended by the parties at any time before or after the Offer closing will have occurred or stockholder approval will have been obtained; *provided, however*, that after the Offer closing, and subject to certain limitations, there will be no amendment that decreases the offer price or the merger consideration, and after stockholder approval has been obtained, there will be made no amendment that by applicable law requires further approval by BioClinica's stockholders without such further approval having been obtained. The Merger Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties; *provided, however*, that after the first acceptance by Parent of shares for payment in the Offer, any amendment will also require the approval of the independent directors of BioClinica.

Extensions and Waiver

At any time and from time to time prior to the effective time of the Merger, any party to the Merger Agreement may, to the extent legally allowed and except as otherwise set forth therein, extend the time for the performance of any of the obligations or other acts of the other parties thereto, as applicable, waive any inaccuracies in the representations and warranties made to such other parties thereto contained therein or in any document delivered pursuant thereto, and waive compliance with any of the agreements or conditions for the benefit of such other parties thereto contained therein (other than, for the avoidance of doubt, the minimum tender condition unless such waiver is consented to in writing by BioClinica).

The Board of Directors recommends a vote FOR the vote on the adoption of the Merger Agreement.

**PROPOSAL TWO: NON-BINDING, ADVISORY PROPOSAL REGARDING
CHANGE OF CONTROL COMPENSATION**

As required by Section 14A of the Exchange Act and the applicable SEC rules issued thereunder, which were enacted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, BioClinica is required to submit a proposal to BioClinica stockholders for a non-binding, advisory vote to approve the payment by BioClinica of certain compensation to the named executive officers of BioClinica that is based on or otherwise relates to the Merger. This proposal, commonly known as "say-on-golden parachute," and which we refer to as the named executive officer merger-related compensation proposal, gives BioClinica stockholders the opportunity to vote on an advisory basis on the compensation that BioClinica's named executive officers will or may be entitled to receive from BioClinica that is based on or otherwise relates to the Merger.

The compensation that BioClinica's named executive officers may be entitled to receive from BioClinica that is based on or otherwise relates to the Merger is summarized in the table entitled "Golden Parachute Compensation," which is included above under "Proposal 1 The Merger Interests of BioClinica's Directors and Executive Officers in the Merger," including the associated narrative discussion. That summary includes all compensation and benefits that may be paid or become payable to BioClinica's named executive officers that are based on or otherwise relate to the Merger. The Board of Directors encourages you to review carefully the named executive officer merger-related compensation information disclosed in this proxy statement.

The Board of Directors recommends that the BioClinica stockholders approve the following resolution:

"RESOLVED, that the BioClinica stockholders approve, on a non-binding, advisory basis, the compensation that will or may become payable to the named executive officers that is based on or otherwise relates to the Merger as disclosed pursuant to Item 402(t) of Regulation S-K in the Golden Parachute Compensation table and the related narrative disclosures."

The vote on the named executive officer merger-related compensation proposal is a vote separate and apart from the vote on the proposal to adopt the Merger Agreement. Accordingly, you may vote to approve the proposal to adopt the Merger Agreement and vote not to approve the named executive officer merger-related compensation proposal and vice versa. Because the vote on named executive officer merger-related compensation proposal is advisory only, it will not be binding on either BioClinica or Cypress. Accordingly, if the Merger Agreement is adopted and the Merger is completed, the compensation will be payable, subject only to the conditions applicable thereto, regardless of the outcome of the non-binding, advisory vote of BioClinica stockholders.

The Board of Directors recommends that Stockholders vote FOR the approval of the non-binding, advisory proposal regarding Change of Control Compensation.

APPRAISAL RIGHTS

The discussion of the provisions set forth below is not a complete summary regarding your appraisal rights under Delaware law and is qualified in its entirety by reference to the text of Section 262 of the DGCL, a copy of which is attached to this proxy statement as Annex C. Stockholders intending to exercise appraisal rights should carefully review Annex C. Failure to follow any of the statutory procedures precisely may result in a termination or waiver of these rights.

If the Merger is consummated, dissenting holders of BioClinica common stock who follow the procedures specified in Section 262 of the DGCL within the appropriate time periods will be entitled to have their shares of BioClinica common stock appraised by the Delaware Court of Chancery (the "Court") and to receive the "fair value" of such shares in cash as determined by the Delaware Court of Chancery, together with a fair rate of interest, if any, to be paid on the amount determined to be the fair value, in lieu of the consideration that such stockholder would otherwise be entitled to receive pursuant to the Merger Agreement.

The following is a brief summary of Section 262, which sets forth the procedures for dissenting from the Merger and demanding and perfecting appraisal rights. Failure to follow the procedures set forth in Section 262 precisely could result in the loss of appraisal rights. Under Section 262, where a merger is to be submitted for approval at a meeting of stockholders, such as the Meeting, not less than 20 days prior to the meeting a constituent corporation must notify each of its holders of its stock for whom appraisal rights are available that such appraisal rights are available and include in each such notice a copy of Section 262. This proxy statement constitutes such notice to holders of BioClinica common stock concerning the availability of appraisal rights under Section 262. A stockholder of record wishing to assert appraisal rights must hold the shares of stock on the date of making a demand for appraisal rights with respect to such shares and must continuously hold such shares through the effective time of the Merger.

Stockholders who desire to exercise their appraisal rights must satisfy all of the conditions of Section 262. A written demand for appraisal of shares must be filed with us before the Meeting. This written demand for appraisal of shares must be in addition to and separate from a vote against the adoption of the Merger Agreement, or an abstention or failure to vote for the adoption of the Merger Agreement. Stockholders electing to exercise their appraisal rights must not vote FOR the adoption of the Merger Agreement. Any proxy or vote against the Merger will not constitute a demand for appraisal within the meaning of Section 262.

A demand for appraisal must be executed by or for the stockholder of record, fully and correctly, as such stockholder's name appears on the share certificate. If the shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, the demand must be executed by or for the record owner. If the shares are owned by or for more than one person, as in a joint tenancy or tenancy in common, the demand must be executed by or for all joint owners. An authorized agent, including an agent for two or more joint owners, may execute the demand for appraisal for a stockholder of record; however, the agent must identify the record owner or owners and expressly disclose the fact that, in exercising the demand, he is acting as agent for the record owner or owners. A person having a beneficial interest in BioClinica common stock held of record in the name of another person, such as a broker or nominee, must act promptly to cause the record holder to follow the steps summarized herein and in a timely manner to perfect whatever appraisal rights the beneficial owner may have. If common stock is held through a broker who in turn holds the common stock through a central securities depository nominee such as Cede & Co., a demand for appraisal of such common stock must be made by or on behalf of the depository nominee and must identify the depository nominee as record holder.

A stockholder who elects to exercise appraisal rights should mail or deliver the required written demand to us at BioClinica, Inc., 826 Newtown-Yardley Road, Newtown, Pennsylvania 18940,

Table of Contents

Attention: []. The demand must reasonably inform us of the identity of the holder as well as the holder's intention to demand an appraisal of the "fair value" of the shares held by the holder. A stockholder's failure to make the written demand prior to the taking of the vote on the adoption of the Merger Agreement at the Meeting will constitute a waiver of appraisal rights. Within 10 days after the effective time of the Merger, we must provide notice of the effective time of the Merger to all of our stockholders who have complied with Section 262 and have not voted for the adoption of the Merger Agreement.

Within 120 days after the effective time of the Merger (but not thereafter), any stockholder who has satisfied the requirements of entitlement to perfection of appraisal rights will be entitled, upon written request, to receive from us a statement listing the aggregate number of shares not voted in favor of the Merger and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. The statement must be mailed within 10 days after a written request therefor has been received by us or within 10 days after the expiration of the period for delivery of demands for appraisal, whichever is later. A person who is the beneficial owner of shares of common stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, request from us the statement described in this paragraph.

Within 120 days after the effective time of the Merger (but not thereafter), either we or any stockholder who has complied with the required conditions of Section 262 and who is otherwise entitled to appraisal rights may commence an appraisal proceeding by filing a petition in the Court demanding a determination of the fair value of the shares of BioClinica common stock owned by stockholders entitled to appraisal rights. We have no obligation or present intention to file such a petition if demand for appraisal is made, and holders should not assume that we will file a petition. Accordingly, it is the obligation of the holders of common stock to initiate all necessary action to perfect their appraisal rights in respect of shares of common stock within the time prescribed in Section 262. A person who is the beneficial owner of shares of common stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file such a petition.

Upon the filing of any petition by a stockholder in accordance with Section 262, service of a copy must be made upon us. We must, within 20 days after service, file in the office of the Register in Chancery in which the petition was filed, a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom we have not reached agreements as to the value of their shares. The Court may require the stockholders who have demanded an appraisal for their shares (and who hold stock represented by certificates) to submit their stock certificates to the Register in Chancery for notation of the pendency of the appraisal proceedings and the Court may dismiss the proceedings as to any stockholder that fails to comply with such direction.

After notice to the stockholders as required by the Court, the Court is empowered to conduct a hearing on the petition to determine those stockholders who have complied with Section 262 and who have become entitled to appraisal rights thereunder. After the Court determines the holders of common stock entitled to appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court, including any rules specifically governing appraisal proceedings. Through such proceeding, the Court shall determine the "fair value" of the shares, exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the Merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the Merger and the date of payment of the judgment.

In determining fair value, the Court will take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Supreme Court of Delaware discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that "proof of value by any techniques or methods that are generally considered acceptable in the financial community and otherwise admissible in court" should be considered, and that "fair price obviously requires consideration of all relevant factors involving the value of a company." The Delaware Supreme Court stated that, in making this determination of fair value, the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts that could be ascertained as of the date of the Merger that throw any light on future prospects of the merged corporation. Section 262 provides that fair value is to be "exclusive of any element of value arising from the accomplishment or expectation of the Merger." In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a "narrow exclusion [that] does not encompass known elements of value," but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Supreme Court of Delaware also stated that "elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the Merger and not the product of speculation, may be considered." Stockholders considering seeking appraisal of their shares should note that the fair value of their shares determined under Section 262 could be more, or less than, or equal to, the consideration they would receive pursuant to the Merger Agreement if they did not seek appraisal of their shares. Although we believe that the merger consideration is fair, no representation is made as to the outcome of the appraisal of fair value as determined by the Court.

The costs of the appraisal proceeding (which do not include attorneys' fees or the fees and expenses of experts) may be determined by the Court and taxed against the parties as the Court deems equitable under the circumstances. Upon application of a dissenting stockholder, the Court may order all or a portion of the expenses incurred by any dissenting stockholder in connection with the appraisal proceeding, including reasonable attorneys' fees and the fees and expenses of experts, to be charged pro rata against the value of all shares entitled to appraisal. In the absence of a determination or assessment, each party bears his, her or its own expenses. The exchange of shares for cash pursuant to the exercise of appraisal rights generally will be a taxable transaction for United States federal income tax purposes and possibly state, local and foreign income tax purposes as well. See "Proposal One: The Merger Material U.S. Federal Income Tax Consequences of the Merger" beginning on page 33.

Any stockholder who has duly demanded appraisal in compliance with Section 262 will not, after the effective time of the Merger, be entitled to vote for any purpose the shares subject to demand or to receive payment of dividends or other distributions on such shares, except for dividends or distributions payable to stockholders of record at a date prior to the effective time of the Merger.

At any time within 60 days after the effective time of the Merger, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party will have the right to withdraw his, her or its demand for appraisal and to accept the terms offered in the Merger Agreement. After this period, a stockholder may withdraw his, her or its demand for appraisal and receive payment for his, her or its shares as provided in the Merger Agreement only with our consent. No appraisal proceeding in the Court will be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; *provided, however*, that any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party may withdraw his, her or its demand for appraisal and accept the merger consideration offered pursuant to the Merger Agreement within 60 days after the effective time of the Merger. If we do not approve a request to withdraw a demand for appraisal when that approval is required, or, except with respect to any stockholder who withdraws such stockholder's right to appraisal in accordance with the proviso in the immediately preceding sentence, if the Court does not approve the dismissal of an appraisal proceeding, the stockholder will be entitled to receive only the appraised

value determined in any such appraisal proceeding, which value could be more or less than, or equal to, the consideration being offered pursuant to the Merger Agreement. If no petition for appraisal is filed with the court within 120 days after the effective time of the Merger, stockholders' rights to appraisal (if available) will cease. Inasmuch as we have no obligation to file such a petition, any stockholder who desires a petition to be filed is advised to file it on a timely basis.

Failure by any stockholder to comply fully with the procedures of Section 262 of the DGCL (as reproduced in Annex C to this proxy statement) may result in termination of such stockholder's appraisal rights. In view of the complexity of Section 262, stockholders of BioClinica who may wish to dissent from the Merger and pursue appraisal rights should consult their legal advisors.

STOCKHOLDER PROPOSALS

If the Merger is completed, BioClinica will not hold an Annual Meeting of Stockholders in 2013. If the Merger is not completed, Stockholders will continue to be entitled to attend and participate in BioClinica's stockholder meetings and BioClinica intends on holding a 2013 Annual Meeting of Stockholders.

Stockholders who wish to submit proposals for inclusion in our proxy statement and form of proxy relating to the 2013 Annual Meeting of Stockholders must have advised the Secretary of BioClinica of such proposals in writing by December 10, 2012; *provided, however*, that in the event that the date of this year's annual meeting has been changed by more than thirty (30) days from the date of the previous year's annual meeting, then the deadline is a reasonable time before we begins to print and send our proxy materials for this year's annual meeting.

Our bylaws provide that Stockholders who intend to present a proposal at such meeting without inclusion of such proposal in our proxy materials pursuant to Rule 14a-8 under the Exchange Act were required to provide advance notice of such proposal to the Secretary of BioClinica at the aforementioned address not later than February 15, 2013 nor earlier than January 16, 2013; *provided, however*, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after the first anniversary of the preceding year's annual meeting, notice by the stockholder must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by us).

If we did not receive notice of a stockholder proposal within this timeframe, our management will use its discretionary authority to vote the shares they represent, as the Board of Directors may recommend. We reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these or other applicable requirements.

HOUSEHOLDING OF MEETING MATERIALS

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of our proxy statement may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of the document to you if you call or write us at the following address or phone number: 826 Newtown-Yardley Road, Newtown, Pennsylvania 18940, (267) 757-3000. This AGREEMENT AND PLAN OF MERGER (this "**Agreement**"), dated as of January 29, 2013, is entered into by and among BioCore Holdings, Inc., a Delaware corporation ("**Parent**"), BC Acquisition Corp., a Delaware corporation and a wholly owned Subsidiary of Parent ("**Acquisition Sub**"), and BioClinica, Inc., a Delaware corporation (the "**Company**"). Each of Parent, Acquisition Sub and the Company are referred to herein as a "**Party**" and together as the "**Parties**." Capitalized terms used but not otherwise defined in this Agreement shall have the respective meanings ascribed thereto in *ARTICLE I*.

WITNESSETH:

WHEREAS, the respective boards of directors of each of Parent, Acquisition Sub and the Company have (i) determined that this Agreement and the transactions contemplated hereby, including the Offer and the Merger, are advisable, fair to and in the best interests of their respective securityholders and (ii) approved this Agreement and the transactions contemplated hereby, including the Offer and the Merger, on the terms and subject to the conditions set forth in this Agreement;

WHEREAS, Parent proposes to cause Acquisition Sub to commence a tender offer (as it may be amended from time to time as permitted under this Agreement, the "**Offer**") to purchase all the outstanding shares of Company Common Stock at a price per share of Company Common Stock of \$7.25, without interest (such amount, or any other amount per share of Company Common Stock paid pursuant to the Offer and this Agreement, the "**Offer Price**"), net to the seller thereof in cash, on the terms and subject to the conditions set forth in this Agreement;

THE OFFER

2.1 *The Offer.*

(a) *Commencement of the Offer.* As promptly as reasonably practicable (and, in any event, within seven (7) Business Days) after the date of this Agreement, Acquisition Sub shall, and Parent shall cause Acquisition Sub to, commence (within the meaning of Rule 14d-2 under the Exchange Act) the Offer to purchase all of the outstanding shares of Company Common Stock at a price per share equal to the Offer Price (as adjusted as provided in *Section 2.1(c)*, if applicable).

Edgar Filing: BIOCLINICA INC - Form PREM14A

(b) *Terms and Conditions of the Offer.* The obligations of Acquisition Sub to, and of Parent to cause Acquisition Sub to, accept for payment, and pay for, any shares of Company Common Stock tendered pursuant to the Offer are subject to the conditions set forth in *Annex A* (the "**Offer Conditions**"). The Offer Conditions are for the sole benefit of Parent and Acquisition Sub, and Parent and Acquisition Sub may waive, in whole or in part, any Offer Condition at any time and from time to time, in their sole discretion, other than the Minimum Tender Condition, which may be waived by Parent and Acquisition Sub only with the prior written consent of the Company, and may be asserted by Parent or Acquisition Sub regardless of the circumstances giving rise to any such conditions other than as a result of a breach by Parent or Acquisition Sub. Parent and Acquisition Sub expressly reserve the right to increase the Offer Price or to waive or make any other changes in the terms and conditions of the Offer; *provided, however*, that unless otherwise provided in this Agreement or previously approved by the Company in writing, Acquisition Sub shall not, and Parent shall not permit Acquisition Sub to, (i) reduce the number of shares of Company Common Stock sought to be purchased in the Offer, (ii) reduce the Offer Price, (iii) change the form of consideration payable in the Offer, (iv) amend, modify or waive the Minimum Tender Condition, (v) add to the Offer Conditions or amend, modify or supplement any Offer Condition in a manner adverse to any holder of Company Common Stock, (vi) terminate the Offer, or extend or otherwise amend or modify the expiration date of the Offer, in any manner

Table of Contents

other than in compliance with the terms of this Agreement or (vii) except as provided in *Section 2.1(d)*, provide any "subsequent offering period" within the meaning of Rule 14d-11 promulgated under the Exchange Act.

(c) *Adjustments to Offer Price.* The Offer Price shall be adjusted appropriately to reflect the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into Company Common Stock), reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to Company Common Stock occurring on or after the date hereof and prior to Acquisition Sub's acceptance for payment of, and payment for, Company Common Stock tendered in the Offer, and such adjustment to the Offer Price shall provide to the holders of Company Common Stock the same economic effect as contemplated by this Agreement prior to such action.

(d) *Expiration and Extension of the Offer.* Unless extended as provided in this Agreement, the Offer shall expire on the date (the "**Initial Expiration Date**") that is no sooner than twenty (20) Business Days (calculated as set forth in Rule 14d-1(g)(3) and Rule 14e-1(a) under the Exchange Act) after the commencement of the Offer. Notwithstanding the foregoing, if, on the Initial Expiration Date or any subsequent date as of which the Offer is scheduled to expire, any Offer Condition is not satisfied and has not been waived (to the extent waivable in accordance with the terms hereof), subject to Parent's and the Company's right to terminate this Agreement pursuant to *Section 10.1*, then Acquisition Sub shall extend (and re-extend) the Offer and its expiration date beyond the Initial Expiration Date for one or more periods, in consecutive increments of up to ten (10) Business Days each, ending no later than the Outside Date (the length of each such period to be determined by Parent in its sole discretion subject to the foregoing conditions), to permit such Offer Condition to be satisfied. Notwithstanding anything herein to the contrary, Acquisition Sub shall, without the consent of the Company, extend the Offer for any period required by any rule, regulation, interpretation or position of the SEC or its staff or any rule or regulation of the Nasdaq, in each case, applicable to the Offer; *provided, however*, that if Acquisition Sub elects to increase the Offer Price it shall be required to extend the Initial Expiration Date or such other subsequent date as of which the Offer is scheduled to expire for the minimum period required under the Securities Laws. If necessary to obtain sufficient shares of Company Common Stock (without regard to shares of Company Common Stock issuable upon the exercise of the Top-Up or shares of Company Common Stock tendered pursuant to guaranteed delivery procedures that have not yet been delivered in settlement or satisfaction of such guarantee) to reach the Short-From Threshold, Acquisition Sub may, in its sole discretion, provide for a "subsequent offering period" (and one or more extensions thereof) in accordance with Rule 14d-11 under the Exchange Act of up to ten (10) Business Days. Subject to the terms and conditions of this Agreement and the Offer, Acquisition Sub shall (and Parent shall cause Acquisition Sub to) immediately accept for payment, and pay for, all shares of Company Common Stock that are validly tendered pursuant to the Offer during such "subsequent offering period".

(e) *Payment.* On the terms and subject to the conditions of the Offer and this Agreement, Acquisition Sub shall, and Parent shall cause Acquisition Sub to, accept for payment, and pay for, all shares of Company Common Stock validly tendered and not withdrawn pursuant to the Offer promptly after the applicable expiration date of the Offer (as it may be extended in accordance with *Section 2.1(d)*) and in any event in compliance with Rule 14e-1(c) promulgated under the Exchange Act. The last payment for shares of Company Common Stock accepted for payment pursuant to and subject to the conditions of the Offer, including pursuant to any subsequent offering period, is referred to in this Agreement as the "**Offer Closing**", and the date on which the Offer Closing occurs is referred to in this Agreement as the "**Offer Closing Date**".

(f) *Termination of Offer.* The Offer may not be terminated prior to the Initial Expiration Date, or any subsequent date as of which the Offer is scheduled to expire, unless this Agreement

is validly terminated in accordance with *Section 10.1*. If this Agreement is validly terminated pursuant to *Section 10.1*, Acquisition Sub shall, and Parent shall cause Acquisition Sub to, (i) promptly (and in any event within twenty-four (24) hours of such termination) terminate the Offer and in any event shall not acquire any shares of Company Common Stock pursuant thereto and (ii) promptly return, and shall cause any depository acting on behalf of Acquisition Sub to return, in accordance with applicable Law, all tendered shares of Company Common Stock to the registered holders thereof.

(g) *Offer Documents.* On the date of commencement of the Offer, Parent and Acquisition Sub shall file with the SEC a Tender Offer Statement on Schedule TO with respect to the Offer (together with all amendments and supplements thereto, and including all exhibits thereto, the "**Schedule TO**"), which shall include, as exhibits, an offer to purchase and a related letter of transmittal, a summary advertisement and other ancillary Offer documents pursuant to which the Offer will be made (such Schedule TO and the documents attached as exhibits thereto, together with any supplements or amendments thereto, the "**Offer Documents**") and promptly thereafter shall cause the proper dissemination of the Offer Documents to the holders of the Company Common Stock as required by applicable Law. The Company shall promptly furnish to Parent and Acquisition Sub all information concerning the Company that may be required by applicable securities Laws or reasonably requested by Parent or Acquisition Sub for inclusion in the Offer Documents. Each of Parent, Acquisition Sub and the Company shall promptly correct any information provided by it for use in the Offer Documents if and to the extent that such information shall have become false or misleading in any material respect and provide additional information for use in the Offer Documents if and to the extent that such Party determines that failure to include such information would cause the Offer Documents to omit to state any material fact required to be stated therein. Parent and Acquisition Sub shall take all steps necessary to cause the Offer Documents, as so corrected, to be filed with the SEC and the Offer Documents, as so corrected, to be disseminated to the holders of Company Common Stock, in each case as and to the extent required by applicable federal securities Laws. Parent and Acquisition Sub shall promptly notify the Company upon the receipt of any comments from the SEC or the staff of the SEC or any request from the SEC or the staff of the SEC for amendments or supplements to the Offer Documents, and shall provide the Company with copies of all correspondence between Parent, Acquisition Sub and their respective Representatives, on the one hand, and the SEC or the staff of the SEC, on the other hand. Parent and Acquisition Sub shall use reasonable best efforts to respond as promptly as reasonably practicable to any comments of the SEC or the staff of the SEC with respect to the Offer Documents, and Parent and Acquisition Sub shall provide the Company and its counsel a reasonable opportunity to participate in the formulation of any written response to any such written comments of the SEC or the staff of the SEC. Prior to the filing of the Offer Documents (or any amendment or supplement thereto) or the dissemination thereof to the holders of Company Common Stock, or responding to any comments of the SEC or the staff of the SEC with respect thereto, Parent and Acquisition Sub shall provide the Company and its counsel a reasonable opportunity to review and to propose comments on such document or response.

(h) *Funds.* Subject in all respects to the other terms and conditions of this Agreement and the Offer Conditions, Parent shall provide or cause to be provided to Acquisition Sub on a timely basis the funds necessary to purchase any shares of Company Common Stock that Acquisition Sub becomes obligated to purchase pursuant to the Offer.

2.2 *Company Actions.*

(a) *Schedule 14D-9.* On the date the Offer Documents are filed with the SEC, the Company shall file with the SEC a Solicitation/Recommendation Statement on Schedule 14D-9 with respect to the Offer (such Schedule 14D-9, together with any supplements or amendments

thereto, the "**Schedule 14D-9**") that, subject to the terms and conditions of this Agreement, shall contain the Company Board Recommendation, and promptly thereafter shall mail the Schedule 14D-9 to the holders of the Company Common Stock. Parent and Acquisition Sub shall promptly furnish to the Company in writing all information concerning Parent and Acquisition Sub that may be required by applicable securities laws or reasonably requested by the Company for inclusion in the Schedule 14D-9. Each of Parent, Acquisition Sub and the Company shall promptly correct any information provided by it for use in the Schedule 14D-9 if and to the extent that such information shall have become false or misleading in any material respect and provide additional information for use in the Offer Documents if and to the extent that such Party determines that failure to include such information would cause the Offer Documents to omit to state any material fact required to be stated therein. The Company shall take all steps necessary to cause the Schedule 14D-9, as so corrected, to be filed with the SEC and the Schedule 14D-9, as so corrected, to be disseminated to the holders of Company Common Stock, in each case as and to the extent required by applicable federal securities Laws. The Company shall promptly notify Parent and Acquisition Sub upon the receipt of any comments from the SEC or the staff of the SEC or any request from the SEC or the staff of the SEC for amendments or supplements to the Schedule 14D-9, and shall provide Parent and Acquisition Sub with copies of all correspondence between the Company and its Representatives, on the one hand, and the SEC or the staff of the SEC, on the other hand. The Company shall use reasonable best efforts to respond as promptly as reasonably practicable to any comments of the SEC or the staff of the SEC with respect to the Schedule 14D-9, and the Company shall provide Parent and Acquisition Sub and their respective counsel a reasonable opportunity to participate in the formulation of any written response to any such written comments of the SEC or the staff of the SEC. Prior to the filing of the Schedule 14D-9 (or any amendment or supplement thereto) or the dissemination thereof to the holders of Company Common Stock, or responding to any comments of the SEC or the staff of the SEC with respect thereto, the Company shall provide Parent and Acquisition Sub and their respective counsel a reasonable opportunity to review and to propose comments on such document or response. The Company hereby consents to the inclusion in the Offer Documents of a description of the Company Board Recommendation.

(b) *Stockholder Lists.* In connection with the Offer and the Merger, the Company shall cause its transfer agent to furnish Acquisition Sub promptly with mailing labels containing the names and addresses of the record holders of Company Common Stock as of the most recent practicable date, together with copies of all lists of stockholders, security position listings, computer files and all other information in the Company's possession or control regarding the beneficial owners of Company Common Stock, and shall furnish to Acquisition Sub such information (including updated lists of stockholders, security position listings and computer files) and assistance as Parent or Acquisition Sub may reasonably request in communicating the Offer to the record and beneficial holders of the Company Common Stock. Subject to the requirements of applicable Law, and except for such steps as are necessary to disseminate the Offer Documents and any other documents necessary to consummate the transactions contemplated by this Agreement, Parent and Acquisition Sub shall not use or disclose the information contained in any such labels, lists, listings and files other than in connection with the Offer and the Merger and, if this Agreement shall be terminated, shall, upon request, deliver to the Company or destroy all copies of such information then in their possession or control in accordance with the Confidentiality Agreement.

(c) *Directors.*

(i) As of the Acceptance Date, and at all times thereafter, Parent shall be entitled to elect or designate such number of directors, rounded up to the next whole number, on the Company Board as is equal to the product of the total number of directors on the Company Board (giving effect to the directors elected or designated by Parent pursuant to this sentence) multiplied by the percentage that the aggregate number of shares of Company Common Stock beneficially owned by Parent, Acquisition Sub and their Affiliates bears to the total number of shares of Company Common Stock then outstanding. After the Acceptance Date, the Company shall, upon Parent's reasonable request, take all actions as are reasonably necessary or desirable to enable Parent's designees to be so elected or designated to the Company Board, including promptly filling vacancies or newly created directorships on the Company Board, promptly increasing the size of the Company Board (including amending the Company By-Laws if necessary to increase the size of the Company Board) and/or promptly securing the resignations of such number of its incumbent directors as is necessary to effect the foregoing agreement, and shall cause the Parent's designees to be so elected or designated at such time. After the Acceptance Date, the Company shall also, upon Parent's request, cause the directors elected or designated by Parent to the Company Board to serve on and constitute the same percentage (rounded up to the next whole number) as is on the Company Board of (i) each committee of the Company Board, (ii) each board of directors (or similar body) of each of the Company's Subsidiaries and (iii) each committee (or similar body) of each such board, in each case to the extent permitted by applicable Law and the Nasdaq. After the Acceptance Date, the Company shall also, upon Parent's request, take all action necessary to elect to be treated as a "controlled company" as defined by Nasdaq Marketplace Rule 4350(c) and make all necessary filings and disclosures associated with such status. The provisions of this *Section 2.2(c)* are in addition to and shall not limit any rights that Parent, Acquisition Sub or any of their respective Affiliates may have as a record holder or beneficial owner of shares of Company Common Stock as a matter of applicable Law with respect to the election of directors or otherwise.

(ii) The Company's obligations to appoint Parent's designees to the Company Board shall be subject to Section 14(f) of the Exchange Act and Rule 14f-1 promulgated thereunder. The Company shall promptly take all actions required pursuant to Section 14(f) and Rule 14f-1 in order to fulfill its obligations under this *Section 2.2(c)*, including mailing to stockholders (together with Schedule 14D-9) any information required by Section 14(f) and Rule 14f-1 to enable Parent's designees to be elected or designated to the Company Board at the time or times contemplated by this *Section 2.2(c)*. Parent shall supply or cause to be supplied to the Company any information with respect to Parent, Acquisition Sub, their respective officers, directors and Affiliates and the proposed designees to the Company Board as shall be required by Section 14(f) and Rule 14f-1.

(iii) After Parent's designees are elected or designated to, and constitute a majority of, the Company Board pursuant to *Section 2.2(c)(i)*, and prior to the Effective Time, the Company shall cause the Company Board to maintain at least three (3) directors who are members of the Company Board on the date hereof, each of whom shall be an "independent director" as defined by Rule 4200(a)(15) of the Nasdaq Marketplace Rules and eligible to serve on the Company's audit committee under the Exchange Act and Nasdaq rules and at least one of whom shall be an "audit committee financial expert" as defined in Item 401(h) of Regulation S-K and the instructions thereto (the "**Continuing Directors**"); *provided, however*, that if any Continuing Director is unable to serve due to death, disability or resignation, the Company shall take all necessary action (including creating a committee of the Company Board) so that the remaining Continuing Director or Continuing Directors shall be entitled to

elect or designate another Person who satisfies the foregoing independence requirements to fill such vacancy, and such Person shall be deemed to be a Continuing Director for purposes of this Agreement. After Parent's designees are elected or designated to, and constitute a majority of, the Company Board pursuant to *Section 2.2(c)(i)*, and prior to the Effective Time, in addition to any approvals of the Company Board or the Company Stockholders as may be required by the Company Certificate of Incorporation, the Company By-Laws or applicable Law, any (i) amendment or modification of this Agreement which materially effects the holder of the Common Stock, (ii) termination of this Agreement by the Company, (iii) extension of time for performance of any obligations of Parent or Acquisition Sub hereunder, (iv) waiver of any condition to the Company's obligations hereunder, (v) exercise or waiver of the Company's rights or remedies hereunder, (vi) amendments to the Company Certificate of Incorporation or the Company By-Laws, (vii) authorization of any agreement between the Company and any of its Subsidiaries, on the one hand, and Parent, Acquisition Sub or any of their Affiliates, on the other hand, or (viii) taking of any other action by the Company in connection with this Agreement or the transactions contemplated hereby may, in each case, be effected only if there are in office one (1) or more Continuing Directors and such action has been approved by a majority of the Continuing Directors then in office; *provided, however*, that the Company shall designate, prior to the Acceptance Date, two (2) alternative Continuing Directors that the Company Board shall appoint in the event of the death, disability or resignation of the Continuing Directors, each of whom shall, following such appointment to the Company Board, be deemed to be a Continuing Director for purposes of this Agreement. The Continuing Directors shall have, and Parent shall cause the Continuing Directors to have, the authority to retain such counsel (which may include current counsel to the Company or the Company Board) and other advisors at the expense of the Company as determined by the Continuing Directors, and the authority to institute any action on behalf of the Company to enforce performance of this Agreement.

2.3 *Top-Up.*

(a) *Top-Up.* The Company hereby grants to Acquisition Sub an irrevocable right (the "**Top-Up**"), exercisable only on the terms and conditions set forth in this *Section 2.3*, and only for so long as this Agreement has not been terminated pursuant to *Section 10.1*, to purchase at a price per share equal to the Offer Price that number of newly issued, fully paid and nonassessable shares of Company Common Stock (the "**Top-Up Shares**") that, when added to the number of shares of Company Common Stock directly or indirectly owned by Parent and its Subsidiaries at the time of the Top-Up Closing (after giving effect to the Offer Closing), shall constitute 90% of the shares of the Company Common Stock outstanding immediately after the issuance of the Top-Up Shares; *provided, however*, that the Top-Up may not be exercised (i) to purchase an amount of Top-Up Shares in excess of the number of shares of Company Common Stock authorized and unissued (treating shares owned by the Company as treasury stock as unissued) and not otherwise reserved or committed for issuance at the time of exercise of the Top-Up, (ii) unless the Offer Closing shall have occurred and (iii) unless, immediately after such exercise, Parent and its Subsidiaries would own 90% of the Company Common Stock then outstanding. The Top-Up shall be exercisable only once and must be exercised in whole, not in part.

(b) *Exercise of Top-Up; Top-Up Closing.* Subject to the limitations set forth in *Section 2.3(a)* and the satisfaction of the conditions to the Merger, including *Section 9.1(b)*, if there shall not have been validly tendered in the Offer and not validly withdrawn that number of shares of Company Common Stock which, when added to the shares of Company Common Stock owned by Parent and its Subsidiaries, would represent at least 90% of the shares of the Company Common Stock outstanding on the Offer Closing Date (the "**Short-Form Threshold**"), Acquisition Sub shall be deemed to have exercised the Top-Up for such number of Top-Up Shares as is necessary for

Table of Contents

Acquisition Sub to reach the Short-Form Threshold and on such date shall give the Company prior written notice specifying the number of shares of Company Common Stock directly or indirectly owned by Parent and its Subsidiaries at the time of such notice (giving effect to the Offer Closing). The Company shall, as soon as practicable following receipt of such notice (and in any event no later than the Offer Closing Date), deliver written notice to Acquisition Sub specifying, based on the information provided by Acquisition Sub in its notice, the number of Top-Up Shares to be purchased. At the closing of the purchase of the Top-Up Shares (the "**Top-Up Closing**"), which shall take place at the location of the Merger Closing specified in *Section 3.2* and shall take place simultaneously with, or as soon as reasonably practicable after, the Offer Closing, the purchase price owed by Acquisition Sub to the Company to purchase the Top-Up Shares shall be paid to the Company, at Acquisition Sub's option, (i) in cash, by wire transfer of same-day funds, or (ii) by (x) paying in cash, by wire transfer of same-day funds, an amount equal to not less than the aggregate par value of the Top-Up Shares and (y) executing and delivering to the Company a promissory note having a principal amount equal to the aggregate purchase price pursuant to the Top-Up less the amount paid in cash pursuant to the preceding *clause (x)* (the "**Promissory Note**"). The Promissory Note (i) shall be unsecured, non-transferable and due on the first anniversary of the Top-Up Closing, (ii) shall bear simple interest of 5% per annum (payable on maturity), (iii) shall be full recourse to Parent and Acquisition Sub, (iv) may be prepaid, in whole or in part, at any time without premium or penalty, and (v) shall have no other material terms. At the Top-Up Closing, the Company shall cause a Certificate representing the Top-Up Shares to be issued and delivered to Acquisition Sub, which Certificate shall include any legends that are required under applicable Law.

(c) *Exemption from Registration.* Parent and Acquisition Sub acknowledge that the Top-Up Shares that Acquisition Sub may acquire upon exercise of the Top-Up will not be registered under the Securities Act, and will be issued in reliance upon an applicable exemption from registration under the Securities Act. Each of Parent and Acquisition Sub hereby represents and warrants to the Company that Acquisition Sub will be, upon the purchase of the Top-Up Shares, an "accredited investor", as defined in Rule 501 of Regulation D under the Securities Act. Acquisition Sub agrees that the Top-Up is being, and the Top-Up Shares to be acquired upon exercise of the Top-Up will be, acquired by Acquisition Sub for the purpose of investment and not with a view to, or for resale in connection with, any distribution thereof (within the meaning of the Securities Act).

(d) *No Effect on Appraisal Rights.* The Parties agree that any impact on the value of the shares of Company Common Stock as a result of the issuance of the Top-Up Shares will not be taken into account in any determination of the fair value of any Appraisal Shares pursuant to Section 262 of the DGCL as contemplated by *Section 3.7(c)*, and that none of the Parties shall take any position to the contrary in any appraisal proceeding.

2.4 *Notices of Guaranteed Delivery.* For purposes of this Agreement, including the exercise of the Top-Up, and the Offer, unless otherwise mutually agreed to by the Company and Parent, any shares of Company Common Stock subject to notices of guaranteed delivery shall be deemed not to be validly tendered into the Offer unless and until the shares of Company Common Stock underlying such notices of guaranteed delivery are delivered to or on behalf of Acquisition Sub.

**ARTICLE III
THE MERGER**

3.1 *The Merger.* Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with the General Corporation Law of the State of Delaware (the "**DGCL**"), Acquisition Sub shall be merged with and into the Company at the Effective Time. Following the Effective Time,

the separate corporate existence of Acquisition Sub shall cease, and the Company shall continue as the surviving corporation in the Merger (the "**Surviving Corporation**").

3.2 *The Closing.* The closing of the Merger (the "**Merger Closing**") will take place at 10:00 a.m. local time on the date of, or as soon as reasonably practicable (but in no event later than the second Business Day) following, the Offer Closing (or the Top-Up Closing if the Top-Up has been exercised), provided that the conditions set forth in *ARTICLE IX* have been satisfied or (to the extent permitted by Law) waived (other than those conditions that by their terms are to be satisfied at the Merger Closing, but subject to the satisfaction or (to the extent permitted by Law) waiver of those conditions) at such time, at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, located at 4 Times Square, New York, NY 10036, unless another time, date or place is agreed to in writing by Parent and the Company. The date on which the Merger Closing occurs is referred to in this Agreement as the "**Merger Closing Date**".

3.3 *The Effective Time.* Subject to the provisions of this Agreement, as promptly as reasonably practicable on the Merger Closing Date, the Parties shall file a certificate of ownership and merger or a certificate of merger (in either case, the "**Certificate of Merger**") in such form as is required by, and executed and acknowledged in accordance with, the relevant provisions of the DGCL, and shall make all other filings and recordings required under the DGCL. The Merger shall become effective on such date and time as the Certificate of Merger is filed with the Secretary of State of the State of Delaware or at such other date and time as Parent and the Company shall agree and specify in the Certificate of Merger. The date and time at which the Merger becomes effective is referred to in this Agreement as the "**Effective Time**".

3.4 *Effect of the Merger.* The Merger shall have the effects set forth herein and in the applicable provisions of the DGCL. Without limiting the generality of the foregoing, from and after the Effective Time, the Surviving Corporation shall possess all properties, rights, privileges, powers and franchises of the Company and Acquisition Sub, and all of the claims, obligations, liabilities, debts and duties of the Company and Acquisition Sub shall become the claims, obligations, liabilities, debts and duties of the Surviving Corporation.

3.5 *Certificate of Incorporation and By-Laws.*

(a) At the Effective Time, the Company Certificate of Incorporation as in effect immediately prior to the Effective Time shall be amended so as to read in its entirety as set forth in **Exhibit A** attached hereto and, as so amended, shall be the certificate of incorporation of the Surviving Corporation, until thereafter changed or amended as provided therein or by applicable Law, subject to *Section 7.1*.

(b) The Parties shall take all necessary action such that, at the Effective Time, the Company By-Laws as in effect immediately prior to the Effective Time shall be amended so as to read in their entirety as set forth in **Exhibit B** attached hereto and, as so amended, shall be the by-laws of the Surviving Corporation, until thereafter changed or amended as provided therein or by applicable Law, subject to *Section 7.1*.

3.6 *Directors and Officers.*

3.7 *Effect on Capital Stock.*

(a) *Capital Stock.* Upon the terms and subject to the conditions set forth in this Agreement, at the Effective Time, by virtue of the Merger and without any action on the part of Parent, Acquisition Sub, the Company, or the holders of any of the following securities, the following shall occur:

(i) Capital Stock of Acquisition Sub. Each share of capital stock of Acquisition Sub that is outstanding immediately prior to the Effective Time shall be converted into one validly issued, fully paid and nonassessable share of common stock, par value \$0.00025 per share, of the Surviving Corporation. Each certificate evidencing ownership of such shares of common stock of Acquisition Sub shall thereafter evidence ownership of shares of common stock of the Surviving Corporation.

(ii) Company Common Stock. Each share of Company Common Stock that is issued and outstanding immediately prior to the Effective Time (other than (A) shares of Company Common Stock owned by Parent, Acquisition Sub or the Company, or by any direct or indirect wholly-owned Subsidiary of Parent, Acquisition Sub or the Company, in each case immediately prior to the Effective Time, and (B) except as provided in *Section 3.7(c)*, the Appraisal Shares) shall be automatically converted, subject to *Section 3.7(b)*, into the right to receive the Offer Price in cash, without interest (the "**Merger Consideration**"). At the Effective Time, all such shares of Company Common Stock shall no longer be outstanding and shall automatically be canceled and shall cease to exist, and each holder of a certificate (or evidence of shares in book-entry form) that immediately prior to the Effective Time represented any such shares of Company Common Stock (each, a "**Certificate**") shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration and any dividends declared from and after the date hereof with a record date prior to the Effective Time that remain unpaid at the Effective Time and that are due to such holder.

(iii) Owned Company Common Stock. Each share of Company Common Stock owned by Parent, Acquisition Sub or the Company or by any direct or indirect wholly-owned Subsidiary of Parent, Acquisition Sub or the Company, in each case immediately prior to the Effective Time, shall be cancelled and extinguished without any conversion thereof or consideration paid therefor.

(b) *Adjustment to the Merger Consideration.* Without limiting the other provisions of this Agreement but without duplication of the provisions of *Section 2.1(c)*, if at any time during the period between the date of this Agreement and the Effective Time, there shall be any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into Company Common Stock), reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to Company Common Stock occurring on or after the date hereof and prior to the Effective Time, the Merger Consideration as provided in *Section 3.7(a)(ii)* shall be equitably adjusted to reflect the effect thereof, and such adjustment to the Merger Consideration shall provide to the holders of Company Common Stock the same economic effect as contemplated by this Agreement prior to such action.

(c) *Appraisal Rights.* Notwithstanding anything in this Agreement to the contrary, shares of Company Common Stock issued and outstanding immediately prior to the Effective Time that are held by any holder who is entitled to demand and properly demands appraisal of such shares pursuant to, and who complies in all respects with, the provisions of Section 262 of the DGCL (the "**Appraisal Shares**") shall not be converted into the right to receive the Merger Consideration as provided in *Section 3.7(a)(ii)*, but instead such holder shall be entitled to payment of the fair value of such shares in accordance with the provisions of Section 262 of the DGCL. At the Effective Time, the Appraisal Shares shall no longer be outstanding and shall automatically be canceled and

Table of Contents

shall cease to exist, and each holder of Appraisal Shares shall cease to have any rights with respect thereto, except the right to receive the fair value of such Appraisal Shares in accordance with the provisions of Section 262 of the DGCL. Notwithstanding the foregoing, if any such holder shall fail to perfect or otherwise shall waive, withdraw or lose the right to appraisal under Section 262 of the DGCL or a court of competent jurisdiction shall determine that such holder is not entitled to the right of appraisal provided by Section 262 of the DGCL, then the right of such holder to be paid the fair value of such holder's Appraisal Shares under Section 262 of the DGCL shall cease and such Appraisal Shares shall be deemed to have been converted at the Effective Time into, and shall have become, the right to receive the Merger Consideration as provided in *Section 3.7(a)(ii)*, without any interest thereon. The Company shall give prompt notice to Parent of any demands for appraisal of any shares of Company Common Stock, withdrawals of such demands and any other instruments served pursuant to the DGCL received by the Company, and Parent shall have the right to direct all negotiations and proceedings with respect to such demands. Prior to the Effective Time, the Company shall not, without the prior written consent of Parent (which consent shall not be unreasonably withheld or delayed), voluntarily make any payment with respect to, or settle or offer to settle, any such demands, or agree to do or commit to do any of the foregoing.

(d) *Company Restricted Stock.* Each holder of an outstanding award of Company Restricted Stock shall have the right to tender such Company Restricted Stock into the Offer. Effective upon the first acceptance for payment by Acquisition Sub of shares of Company Common Stock pursuant to the Offer (the "**Acceptance Time**"), each share of Company Restricted Stock shall become fully vested, and the restrictions thereon shall lapse. The Company shall take all actions necessary to effect the transactions contemplated by this *Section 3.7(d)* under the Company Stock Plans and any other plan or arrangement of the Company, including delivering all notices and making any determinations and/or resolutions of the Company Board or a committee thereof.

(e) *Company Options.* Neither Parent nor Acquisition Sub shall assume any Company Stock Options in connection with the Offer, Merger or any other transactions contemplated by this Agreement. At the Acceptance Time, each outstanding, unexpired and unexercised Company Stock Option shall vest and become exercisable. To the extent not exercised prior to the Effective Time, then upon the Effective Time each Company Stock Option shall be deemed to be exercised and canceled, with each former holder of any such cancelled Company Stock Option becoming entitled to receive from the Company, at the Effective Time or as soon as practicable thereafter, in consideration of the deemed exercise and cancellation of such Company Stock Option, an amount in cash, without interest, equal to (i) the excess, if any, of (A) the Merger Consideration over (B) the exercise price per share of Company Common Stock subject to such Company Stock Option multiplied by (ii) the total number of shares of Company Common Stock subject to such Company Stock Option; *provided* that if the exercise price per share of any such Company Option is equal to or greater than the per share Merger Consideration, such Company Option shall be canceled and terminated without any cash payment being made in respect thereof. The Company shall take all actions necessary to effect the transactions contemplated by this *Section 3.7(e)* under all Company Stock Option agreements and any other plan or arrangement of the Company, including delivering all required notices and making any determinations and/or resolutions of the Company Board or a committee thereof.

3.8 *Exchange of Certificates.*

(a) *Payment Agent.* Prior to the Merger Closing Date, Parent shall appoint a bank or trust company reasonably acceptable to the Company to act as paying agent (the "**Paying Agent**") for the payment of the Merger Consideration in accordance with this *ARTICLE III* and, in connection therewith, shall enter into an agreement with the Paying Agent in the form reasonably acceptable to the Company (the "**Paying Agency Agreement**"). At or prior to the Effective Time, Parent shall deposit with the Paying Agent cash in an amount sufficient to pay the aggregate Merger

Consideration as required to be paid pursuant to this Agreement (such cash being hereinafter referred to as the "**Exchange Fund**"). If any holder of Appraisal Shares shall fail to perfect or otherwise shall waive, withdraw or lose the right to appraisal under Section 262 of the DGCL, or a court of competent jurisdiction shall determine that such holder is not entitled to the relief provided by Section 262 of the DGCL, then Parent shall deposit with the Paying Agent cash in an amount sufficient to pay the aggregate Merger Consideration as required to be paid pursuant to this Agreement with respect to such Appraisal Shares, and the Exchange Fund shall be deemed to include the cash so deposited.

(b) *Certificate Exchange Procedures.* As promptly as reasonably practicable after the Effective Time, Parent shall cause the Paying Agent to mail to each holder of record of a Certificate (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates to the Paying Agent and which shall otherwise be in customary form (including customary provisions with respect to delivery of an "agent's message" with respect to shares held in book-entry form)), and (ii) instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration. Each holder of record of a Certificate shall, upon surrender to the Paying Agent of such Certificate, together with such letter of transmittal, duly executed, and such other documents as may reasonably be required by the Paying Agent, be entitled to receive in exchange therefor the amount of cash which the number of shares of Company Common Stock previously represented by such Certificate shall have been converted into the right to receive pursuant to *Section 3.7(a)(ii)*, and the Certificate so surrendered shall forthwith be canceled. In the event of a transfer of ownership of Company Common Stock which is not registered in the transfer records of the Company, payment of the Merger Consideration and any dividends declared with a record date prior to the Effective Time that remain unpaid at the Effective Time with respect to such Company Common Stock may be made to a Person other than the Person in whose name the Certificate so surrendered is registered if such Certificate shall be properly endorsed or otherwise be in proper form for transfer and the Person requesting such payment shall pay any transfer or other similar taxes required by reason of the payment of the Merger Consideration and any such dividends to a Person other than the registered holder of such Certificate or establish to the reasonable satisfaction of Parent that such tax has been paid or is not applicable. Until surrendered as contemplated by this *Section 3.8(b)*, each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration which the holder thereof has the right to receive in respect of such Certificate pursuant to this *ARTICLE III* and any dividends declared with a record date prior to the Effective Time that remain unpaid at the Effective Time and that are due to such holder. No interest shall be paid or will accrue on any cash payable to holders of Certificates pursuant to the provisions of this *ARTICLE III*.

(c) *No Further Ownership Rights in Company Common Stock.* All cash paid upon the surrender of Certificates in accordance with the terms of this *ARTICLE III* shall be deemed to have been paid in full satisfaction of all rights pertaining to the shares of Company Common Stock formerly represented by such Certificates. At the close of business on the day on which the Effective Time occurs, the stock transfer books of the Company shall be closed, and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the shares of Company Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any Certificate is presented to the Surviving Corporation for transfer, it shall be canceled against delivery of cash to the holder thereof as provided in this *ARTICLE III*.

(d) *Termination of the Exchange Fund.* Any portion of the Exchange Fund that remains undistributed to the holders of the Certificates for twelve (12) months after the Effective Time shall be delivered to Parent, upon demand, and any holders of the Certificates who have not

theretofore complied with this *ARTICLE III* shall thereafter look only to Parent for, and Parent shall remain liable for, payment of their claims for the Merger Consideration pursuant to the provisions of this *ARTICLE III* and any dividends declared with a record date prior to the Effective Time that remain unpaid at the Effective Time and that are due to any such holder.

(e) *No Liability.* None of Parent, Acquisition Sub, the Company, the Surviving Corporation or the Paying Agent shall be liable to any Person in respect of any cash from the Exchange Fund delivered to a public official in compliance with any applicable state, federal or other abandoned property, escheat or similar Law. If any Certificate shall not have been surrendered prior to the date on which the related Merger Consideration would, pursuant to applicable Law, escheat to or become the property of any Governmental Authority, any such Merger Consideration shall, to the extent permitted by applicable Law, immediately prior to such time, become the property of the Surviving Corporation, free and clear of all claims or interests of any Person previously entitled thereto.

(f) *Investment of Exchange Fund.* The Paying Agent shall invest the cash in the Exchange Fund as directed by Parent; *provided, however,* that such investments shall be in obligations of or guaranteed by the United States of America or any agency or instrumentality thereof and backed by the full faith and credit of the United States of America, in commercial paper obligations rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Corporation, respectively, or in certificates of deposit, bank repurchase agreements or banker's acceptances of commercial banks with capital exceeding \$5.0 billion (based on the most recent financial statements of such bank that are then publicly available). Any interest and other income resulting from such investments shall be paid solely to Parent, and any Taxes resulting therefrom shall be paid by Parent. Nothing contained herein and no investment losses resulting from investment of the Exchange Fund shall diminish the rights of any holder of Certificates to receive the Merger Consideration as provided herein. To the extent that there are any losses with respect to any investments of the Exchange Fund, or the Exchange Fund diminishes for any reason below the level required for the Payment Agent to promptly pay the Merger Consideration to all holders of Certificates, Parent shall, or shall cause the Surviving Corporation to, promptly replace or restore the cash in the Exchange Fund so as to ensure that the Exchange Fund is at all times maintained at a level sufficient for the Payment Agent to make such payments.

(g) *Lost Certificates.* If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent, the posting by such Person of a bond in such reasonable amount as Parent may direct as indemnity against any claim that may be made against it with respect to such Certificate, the Paying Agent shall deliver in exchange for such lost, stolen or destroyed Certificate the applicable Merger Consideration and any dividends declared with a record date prior to the Effective Time that remain unpaid at the Effective Time with respect thereto.

(h) *Withholding Rights.* Notwithstanding anything in this Agreement to the contrary, Parent, Acquisition Sub, the Surviving Corporation or the Paying Agent shall be entitled to deduct and withhold from the Offer Price, Merger Consideration, Equity Award Amount and any amounts otherwise payable pursuant to this Agreement to any holder of shares of Company Common Stock or any holder of a Company Stock Option or Company Restricted Stock (together, the "**Company Equity Awards**"), as applicable, such amounts as Parent, Acquisition Sub, the Surviving Corporation or the Paying Agent are required to deduct and withhold with respect to the making of such payment under the Code or any provision of applicable tax Law. To the extent that amounts are so withheld and paid over to the appropriate taxing authority by Parent, Acquisition Sub, the Surviving Corporation or the Paying Agent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the shares of Company Common Stock or the holder of the Company Equity Award, as the case may be, in respect of which such deduction and withholding was made by Parent, Acquisition Sub, the Surviving Corporation or the Paying Agent.

3.9 *Necessary Further Actions.* If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement and to vest the Surviving Corporation with full right, title and possession to all assets, property, rights, privileges, powers and franchises of the Company and Acquisition Sub, the directors and officers of the Surviving Corporation shall be authorized to execute and deliver, in the name and on behalf of the Company and Acquisition Sub, all such deeds, bills of sale, assignments and assurances, and to do, in the name and on behalf of either the Company or Acquisition Sub, all such other acts and things as may be necessary or desirable to carry out the purposes of this Agreement.

4.1 *Organization; Good Standing.* The Company is a corporation duly organized and validly existing under Delaware Law, and has the requisite corporate power and authority to conduct its business as it is presently being conducted and to own, lease or operate its properties and assets. The Company is duly qualified to do business and is in good standing (to the extent either such concept is recognized under applicable Law) in each jurisdiction where the character of its properties owned or leased or the nature of its activities make such qualification necessary, except where the failure to be so qualified or in good standing has not had, individually or in the aggregate, a Company Material Adverse Effect. The Company has publicly filed with the SEC or made available to Parent complete and correct copies of the Company Certificate of Incorporation and Company By-Laws, as amended to date.

4.2 *Corporate Power; Enforceability.* Assuming the accuracy of the representations and warranties of Parent and Acquisition Sub in *Section 5.7(a)*, the Company has all requisite corporate power and authority to execute and deliver this Agreement, to perform its covenants and obligations hereunder and, subject, in the case of the Merger, to obtaining the Stockholder Approval if required under applicable Law, to consummate the transactions contemplated hereby. This Agreement has been duly executed and delivered by the Company and, assuming the due authorization, execution and delivery by Parent and Acquisition Sub, and the accuracy of the representations and warranties of Parent and Acquisition Sub in *Section 5.7(a)*, constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except that such enforceability (x) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting or relating to creditors' rights generally, and (y) is subject to general principles of equity (*clause (x)* and (*y*) collectively, the "**Enforceability Exception**").

(b) The Company Board has taken all necessary action so that (i) none of the execution or delivery of this Agreement or the consummation of the Offer, the Merger or any other transaction contemplated by this Agreement will result in (A) Parent or Acquisition Sub being deemed to be an Acquiring Person (as defined in the Rights Plan), (B) the occurrence of a Triggering Event (as defined in the Rights Plan), or (C) the distribution of Rights Certificates (as defined in the Rights Plan) separate from the certificates representing the shares of Company Common Stock, and (ii) the Rights Plan will expire pursuant to the terms of the Rights Plan immediately prior to the consummation of the Offer.

4.6 *Required Governmental Approvals.* No material consent, approval, Order or authorization of, or filing or registration with, or notification to (any of the foregoing being referred to herein as a "**Consent**"), any Governmental Authority is required on the part of the Company in connection with the execution and delivery by the Company of this Agreement, the performance by the Company of its covenants and obligations hereunder and the consummation by the Company of the transactions contemplated hereby, except (a) the filing of the Certificate of Merger with the Secretary of State of the State of Delaware, (b) such filings and approvals as may be required by any federal or state securities laws, including compliance with any applicable requirements of the Exchange Act, including the Schedule 14D-9 and, if required by applicable Law, the Proxy Statement, (c) Consents required under, and compliance with any other applicable requirements of the HSR Act and any applicable foreign Antitrust Laws, and (d) any filings or notices required under the rules and regulations of the Nasdaq.

concept is recognized under applicable Law) in each jurisdiction where the character of its properties owned or leased or the nature of its activities make such qualification necessary, except where the failure to be so qualified or in good standing would not, individually or in the aggregate, prevent or materially delay the consummation by Parent and Acquisition Sub of the transactions contemplated hereby or the performance by Parent and Acquisition Sub of their respective covenants and obligations hereunder. Parent has delivered or made available to the Company complete and correct copies of the certificate of incorporation and by-laws or other organizational documents, as amended to date, of Parent and Acquisition Sub.

5.2 Corporate Power; Enforceability. 5.5 Litigation.

As of the date hereof, there is no Legal Proceeding pending or, to the knowledge of Parent or any of its Affiliates, threatened against or affecting Parent or Acquisition Sub or any of their Affiliates or any of their respective properties that would, individually or in the aggregate, prevent or materially delay the consummation by Parent and Acquisition Sub of the transactions contemplated hereby or the performance by Parent and Acquisition Sub of their respective covenants and obligations hereunder. Neither Parent nor Acquisition Sub is subject to any outstanding Order that would, individually or in the aggregate, prevent or materially delay the consummation by Parent and Acquisition Sub of the transactions contemplated hereby or the performance by Parent and Acquisition Sub of their respective covenants and obligations hereunder.

5.6 Information Supplied. None of the information supplied or to be supplied by or on behalf of Parent or Acquisition Sub or any of their Subsidiaries expressly for inclusion or incorporation by reference in the Schedule 14D-9 will, at the at the time such document is filed with the SEC, at any time such document is amended or supplemented or at the time such document is first published, sent or given to the Company Stockholders, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. Each Offer Document will not, at the time such document is filed with the SEC, at any time such document is amended or supplemented or at the time such document is first published, sent or given to the Company Stockholders, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. The representations and warranties contained in this *Section 5.6* will not apply to statements included in, or omissions from, the Offer Documents based upon information furnished to Parent or Acquisition Sub by or on behalf of the Company or any Affiliate of the Company or known to the Company but not known to Parent or Acquisition Sub.

5.9 *Operations and Ownership of Acquisition Sub.* Acquisition Sub has been formed solely for the purpose of engaging in the transactions contemplated hereby and, prior to the Effective Time, Acquisition Sub will not have engaged in any other business activities and will not have incurred any Liabilities or obligations other than as contemplated by this Agreement. Parent owns, beneficially and of record, all the outstanding shares of capital stock of Acquisition Sub, free and clear of all Liens.

5.10 *Available Funds.* Parent has, or shall have at the Acceptance Date, sufficient funds to consummate the Offer and the Merger on the terms contemplated by this Agreement, and, at the Acceptance Time and the Effective Time, Parent will have available, and will make available to Acquisition Sub, all of the funds necessary for the acquisition of all shares of Company Common Stock pursuant to the Offer and the consummation of the Merger and the other transactions contemplated hereby

5.11 *Solvency.* Subject to the assumptions set forth in the final sentence of this *Section 5.11*, as of the Effective Time and immediately after giving effect to all of the transactions contemplated by this Agreement, including the Offer, the Merger and the payment of the aggregate Merger Consideration pursuant hereto, and payment of all related fees and expenses of Parent, and Acquisition Sub, the Company and their respective Subsidiaries in connection therewith, (i) the amount of the "fair saleable value" of the assets of each of the Surviving Corporation and its Subsidiaries will exceed (A) the value of all liabilities of the Surviving Corporation and such Subsidiaries, including contingent and other liabilities, and (B) the amount that will be required to pay the probable liabilities of the Surviving Corporation and such Subsidiaries on their existing debts (including contingent liabilities) as such debts become absolute and matured, (ii) each of the Surviving Corporation and its Subsidiaries will not have an unreasonably small amount of capital for the operation of the businesses in which it is engaged or proposed to be engaged, and (iii) each of the Surviving Corporation and its Subsidiaries will be able to pay its liabilities, including contingent and other liabilities, as they mature. For purposes of the foregoing, "not have an unreasonably small amount of capital for the operation of the businesses in which it is engaged or proposed to be engaged" and "able to pay its liabilities, including contingent and other liabilities, as they mature" means that such Person will be able to generate enough cash from operations, asset dispositions or refinancing, or a combination thereof, to meet its obligations as they become due. The provisions of this *Section 5.11* assume, and are conditioned upon, (a) satisfaction of the conditions to Parent's obligation to consummate the Offer and the Merger, and (b) the accuracy of the representations and warranties of the Company set forth in *ARTICLE IV* hereof (for such purposes, such representations and warranties shall be true and correct in all material respects without giving effect to any knowledge, materiality or "Company Material Adverse Effect" qualifications or exceptions).

5.12 *No Other Company Representations or Warranties.* Except for the representations and warranties set forth in *ARTICLE IV*, Parent and Acquisition Sub hereby acknowledge and agree that (a) neither the Company or any of its Subsidiaries, nor any of their respective Affiliates, stockholders, directors, officers, employees, agents, representatives or advisors, nor any other Person, has made or is making any other express or implied representation or warranty with respect to the Company or any of its Subsidiaries or their respective business or operations, including with respect to any information provided or made available to Parent, Acquisition Sub or any of their respective Affiliates, stockholders, directors, officers, employees, agents, representatives or advisors, or any other Person, and (b) neither the Company nor any of its Subsidiaries, nor or any of their respective Affiliates, stockholders, directors, officers, employees, agents, representatives or advisors, nor any other Person, will have or be subject to any liability or indemnification obligation or other obligation of any kind or nature to Parent, Acquisition Sub or any of their respective Affiliates, stockholders, directors, officers, employees, agents, representatives or advisors, or any other Person, resulting from the delivery, dissemination or any other distribution to Parent, Acquisition Sub or any of their respective Affiliates, stockholders, directors, officers, employees, agents, representatives or advisors, or any other Person, or

5.13 *Non-Reliance on Company Estimates, Projections, Forecasts, Forward-Looking Statements and Business Plans.* In connection with the due diligence investigation of the Company by Parent and Acquisition Sub and their respective Affiliates, stockholders, directors, officers, employees, agents, representatives or advisors, Parent and Acquisition Sub and their respective Affiliates, stockholders, directors, officers, employees, agents, representatives and advisors have received and may continue to receive after the date hereof from the Company and its Affiliates, stockholders, directors, officers, employees, agents, representatives and advisors certain estimates, projections, forecasts and other forward-looking information, as well as certain business plan information, regarding the Company and its business and operations. Parent and Acquisition Sub hereby acknowledge and agree (a) that there are uncertainties inherent in attempting to make such estimates, projections, forecasts and other forward-looking statements, as well as in such business plans, with which Parent and Acquisition Sub are familiar, (b) that Parent and Acquisition Sub are taking full responsibility for making their own evaluation of the adequacy and accuracy of all estimates, projections, forecasts and other forward-looking information, as well as such business plans, so furnished to them (including the reasonableness of the assumptions underlying such estimates, projections, forecasts, forward-looking information or business plans), and (c) that Parent and Acquisition Sub will have no claim against the Company or any of its Subsidiaries, or any of their respective Affiliates, stockholders, directors, officers, employees, agents, representatives or advisors, or any other Person, with respect thereto. Accordingly, Parent and Acquisition Sub hereby acknowledge and agree that none of the Company or any of its Subsidiaries, nor any of their respective Affiliates, stockholders, directors, officers, employees, agents, representatives or advisors, nor any other Person, has made or is making any express or implied representation or warranty with respect to such estimates, projections, forecasts, forward-looking statements or business plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts, forward-looking statements or business plans). Nothing in this *Section 5.13* shall be construed to limit or otherwise affect the interpretation of the representations and warranties made by the Company in *ARTICLE IV*.

6.3 *Company Board Recommendation.*

(a) Neither the Company Board nor any committee thereof shall withhold, withdraw, amend or modify in a manner adverse to Parent, or publicly propose to withhold, withdraw, amend or modify in a manner adverse to Parent, the Company Board Recommendation (a "**Company Board Recommendation Change**"); *provided, however*, that a "stop, look and listen" communication by the Company Board to the Company Stockholders pursuant to Rule 14-d9(f) of the Exchange Act shall not be deemed to be a Company Board Recommendation Change.

(b) Notwithstanding the foregoing or anything to the contrary set forth in this Agreement, at any time prior to the Acceptance Time, the Company Board may, subject to compliance with *Section 6.3(c)*, effect a Company Board Recommendation Change and, in the case of *Section 6.3(b)(i)* terminate this Agreement in accordance with *Section 10.1(d)* hereof:

(i) if the Company Board receives an Acquisition Proposal that it determines in good faith constitutes a Superior Proposal after consultation with its financial advisor and outside legal counsel and the Company Board determines that the failure to effect a Company Board Recommendation Change would be inconsistent with its fiduciary duties under applicable Law; or

(ii) in response to an Intervening Event, if the Company Board determines in good faith (after consultation with its financial advisors and its outside legal counsel) that, in light of such Intervening Event, the failure to effect a Company Board Recommendation Change would be inconsistent with its fiduciary duties under applicable Law.

(c) Notwithstanding anything to the contrary in this Agreement, the Company Board shall not be entitled to effect any Company Board Recommendation Change pursuant to *Section 6.3(b)* unless, prior to making such Company Board Recommendation Change:

(i) the Company has complied in all material respects with *Section 6.2*;

(ii) the Company has notified Parent in writing that it intends to effect a Company Board Recommendation Change, describing in reasonable detail the reasons for such Company Board Recommendation Change (a "**Recommendation Change Notice**") including (X) in the case of Company Board Recommendation Change pursuant to *Section 6.3(b)(i)*, the identity of the Person making the Acquisition Proposal, the most current written agreement relating to the transaction that constitutes a Superior Proposal and all related transaction agreements and (Y) in the case of Company Board Recommendation Change pursuant to *Section 6.3(b)(ii)*, information describing such Intervening Event in reasonable detail (it being agreed that the Recommendation Change Notice and any amendment or update to such notice and the determination to so deliver such notice shall not constitute a Company Board Recommendation Change for purposes of this Agreement); and

(iii) if requested by Parent, the Company shall have made its Representatives available during the period beginning at 5:00 p.m. Central Time on the day of delivery by the Company to Parent of such Recommendation Change Notice and ending four (4) Business Days later at 5:00 p.m. Central Time (the "**Recommendation Change Notice Period**") to discuss with Parent's Representatives any proposed modifications to the terms and conditions of this Agreement intended by Parent to cause such Superior Proposal to no longer constitute a Superior Proposal or to eliminate the need for the Company Board to effect a Company Board Recommendation Change as a result of an Intervening Event, as applicable; *provided, however*, that in the event that (x) after delivery of a Recommendation Change Notice in connection with a Superior Proposal, there has been a material change or revision to the terms of such Superior Proposal or (y) after delivery of a Recommendation Change Notice in connection with an Intervening Event, there has been a material change in the facts, events or

circumstances relating to such Intervening Event, then, in either case, the Company shall notify Parent of such material change or revision within 24 hours following such change or revision, and in connection with such change or revision the then-current Recommendation Change Notice Period shall be extended such that at least two (2) Business Days remain in such Recommendation Change Notice Period subsequent to the time the Company so notifies Parent of such material change or revision;

(iv) Parent shall have notified the Company that it has elected not to negotiate with the Company with respect to modification to the terms and conditions of this Agreement or the Company Board shall have determined in good faith (after consultation with financial advisor and outside legal counsel), after considering the terms of any amendment or modification to this Agreement proposed by Parent, that the failure to effect a Company Board Recommendation Change would still be inconsistent with its fiduciary duties under applicable Law.

(d) Nothing in this Agreement shall prohibit the Company Board from (i) taking and disclosing to the Company Stockholders a position contemplated by Rule 14e-2(a) under the Exchange Act or complying with the provisions of Rule 14d-9 promulgated under the Exchange Act, and/or (ii) making any disclosure to the Company Stockholders if the Company Board determines in good faith (after consultation with its outside legal counsel) that the failure to make such disclosure would be inconsistent with its fiduciary duties to the Company Stockholders under applicable Law; *provided* that any Company Board Recommendation Change will be subject to the terms and conditions of this Agreement.

6.4 *Access.* At all reasonable times during the period commencing upon the execution and delivery of this Agreement and continuing until the earlier to occur of the termination of this Agreement pursuant to *Section 10.1* and the Effective Time, the Company shall afford Parent and its financial advisors, business consultants, legal counsel, accountants and other agents and representatives reasonable access during normal business hours, upon reasonable notice, to the properties, books and records and personnel of the Company; *provided, however*, that the Company may restrict or otherwise prohibit access to any documents or information to the extent that (i) any applicable Law requires the Company to restrict or otherwise prohibit access to such documents or information, (ii) access to such documents or information would give rise to a material risk of waiving any attorney-client privilege, work product doctrine or other applicable privilege applicable to such documents or information which cannot be cured by entering into a joint defense agreement, or (iii) access to a Contract to which the Company or any of its Subsidiaries is a party or otherwise bound would violate or cause a default under, or give a third party the right to terminate or accelerate the rights under, such Contract; and provided further, that no information or knowledge obtained by Parent in any investigation conducted pursuant to the access contemplated by this Section 6.4 shall affect or be deemed to modify any representation or warranty of the Company set forth in this Agreement. Any investigation conducted pursuant to the access contemplated by this *Section 6.4* shall be conducted in a manner that does not unreasonably interfere with the conduct of the business of the Company and its Subsidiaries or create a material risk of damage or destruction to any property or assets of the Company or any of its Subsidiaries. Any access to the Company's properties shall be subject to the Company's reasonable security measures and insurance requirements and shall not include the right to perform invasive testing. The terms and conditions of the Confidentiality Agreement shall apply to any information obtained by Parent or any of its financial advisors, business consultants, legal counsel, accountants and other agents and representatives in connection with any investigation conducted pursuant to the access contemplated by this *Section 6.4*.

(b) Each Party hereto shall promptly advise the other Parties of (i) any notice or other communication received by such party from any Governmental Authority in connection with the Offer or the Merger or the other transactions contemplated hereby or from any Person alleging that the consent of such person is or may be required in connection with the Offer or the Merger or the other transaction contemplated hereby, or (ii) the discovery of any fact or circumstance that, or the occurrence or non-occurrence of any event the occurrence or non-occurrence of which, would cause or result in any of the conditions to the Offer or the Merger set forth in *Annex A* or *ARTICLE IX* not being satisfied or satisfaction of those conditions being materially delayed in violation or any provision of this Agreement; *provided, however*, that the delivery of any notice pursuant to this Section 6.5(b) shall not cure any breach of, or non-compliance with, any other provision of this Agreement or limit the remedies available to the party receiving such notice.

6.6 *Section 16(b) Exemption.* The Company shall take all actions reasonably necessary to cause the transactions contemplated by this Agreement and any other dispositions of equity securities of the Company (including derivative securities) in connection with the transactions contemplated by this Agreement by each individual who is a director or executive officer of the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act.

6.7 *Stock Exchange Delisting.* Prior to the Merger Closing Date, the Company shall cooperate with Parent and use commercially reasonable efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable Laws and rules and policies of the Nasdaq to cause the delisting of the Company and the Company Common Stock from the Nasdaq as promptly as practicable after the Effective Time and the deregistration of the Company Common Stock under the Exchange Act as promptly as practicable after such delisting.

6.8 *Financing Cooperation.*

(a) Prior to the consummation of the Offer and subject to clauses (b) and (c) of this *Section 6.8*, the Company shall, and shall cause its Subsidiaries to, and shall use its reasonable efforts to cause the Company's and its Subsidiaries' officers, directors, employees, agents and representatives (collectively, the "**Company Representatives**") to, in each case at Parent's sole expense and *provided* that such efforts do not interfere unreasonably with the business or operations of the Company and its Subsidiaries, provide to Parent all cooperation reasonably requested by Parent that is necessary or desirable in connection with any financing that Parent may raise or seek to raise in connection with the transactions contemplated by this Agreement, including using its good faith efforts to:

(i) furnish Parent, reasonably promptly after Parent's request for specified items, all financial statements, financial data and other information reasonably available to the Company relating to the Company and its Subsidiaries as may be reasonably requested by Parent in connection with such financing;

(ii) participate as reasonably requested by Parent in due diligence meetings in connection with any such financing in order to respond to questions concerning the Company, its Subsidiaries and the information provided by the Company pursuant to clause (i) above; and

(iii) update the information provided by the Company pursuant to clause (i) above reasonably promptly after Parent's request for such update as necessary so that such information does not contain any untrue statement of material fact or omit to state any material fact necessary in order to make the statements contained therein not misleading.

(b) Parent acknowledges and agrees that the Company (prior to the Acceptance Time) and its Subsidiaries and the Company Representatives shall not have any responsibility for, or incur any liability to any person under, any financing that Parent may raise or seek to raise in connection with the transactions contemplated by this Agreement or any cooperation provided pursuant to this *Section 6.8* and that Parent and Acquisition Sub shall indemnify and hold harmless the Company, its Subsidiaries and the Company Representatives from and against any and all losses, damages, claims, costs or expenses suffered or incurred by any of them in connection with the arrangement of any financing Parent elects to seek and any information utilized in connection therewith except for:

(i) as to financial statements or other information appearing in a Company SEC Report, any incorrectness or omission that renders the Company SEC Report materially false or materially misleading; or

(ii) as to information provided pursuant to clause (a)(i) of this *Section 6.8* other than financial statements or other information appearing in a Company SEC Report, such information was materially false or misleading when provided and such falsity or misleading character was known to the Company or resulted from the Company's gross negligence.

(c) Notwithstanding anything contained in this Agreement, the Company, Parent and Acquisition Sub expressly acknowledge and agree that Parent's and Acquisition Sub's obligations hereunder are not conditioned in any manner upon Parent or Acquisition Sub obtaining any financing.

**ARTICLE VII
COVENANTS OF PARENT AND ACQUISITION SUB**

7.1 Directors' and Officers' Indemnification and Insurance.

(a) The Surviving Corporation and its Subsidiaries shall (and Parent shall cause the Surviving Corporation and its Subsidiaries to) honor and fulfill in all respects the obligations of the Company and its Subsidiaries under (i) any indemnification, expense advancement and exculpation provision set forth in any certificate of incorporation or by-laws or comparable organizational documents of the Company or any of its Subsidiaries as in effect on the date of this Agreement and (ii) all indemnification agreements between the Company or any of its Subsidiaries and any of their respective current or former directors and officers and any person who becomes a director or officer of the Company or any of its Subsidiaries prior to the Effective Time (the "**Indemnified Persons**").

(b) For a period of six (6) years from and after the Effective Time, Parent shall cause the Surviving Corporation to indemnify and hold harmless the Indemnified Persons to the fullest extent permitted by applicable Law against any losses, claims, damages, liabilities, costs, expenses (including advances for reasonable fees and expenses as incurred to the fullest extent permitted under applicable Law, provided the person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined that such person is not entitled to indemnification), judgments, fines and, subject to approval by Parent (which shall not be

unreasonably withheld, delayed or conditioned), amounts paid in settlement in connection with any threatened or actual Action to which such Indemnified Person is, or is threatened to be, made a party based in whole or in part on, or arising in whole or in part out of, or pertaining to (i) the fact that such individual is or was a director or officer of the Company or any of its Subsidiaries, or is or was serving at the request of the Company or any of its Subsidiaries as a director or officer of another person or (ii) this Agreement or any of the transactions contemplated hereby, whether asserted or arising before or after the Effective Time.

(c) Prior to the Effective Time, the Company shall, in cooperation with Parent, and, if the Company is unable to, Parent shall (or shall cause the Surviving Corporation to) obtain and fully pay for "tail" prepaid insurance policies with a claims period of at least six years from and after the Effective Time from an insurance carrier with the same or better rating as the Company's current insurance carrier with respect to directors' and officers' liability insurance and fiduciary insurance (collectively, "**D&O Insurance**"), for the Indemnified Persons, with terms, conditions, retentions and levels of coverage at least as favorable, in the aggregate, as the Company's existing D&O Insurance with respect to matters existing or occurring prior to the Effective Time (including with respect to acts or omissions occurring in connection with this Agreement and the consummation of the transactions contemplated hereby). If such "tail" prepaid insurance policies have been obtained, Parent shall cause the Surviving Corporation after the Effective Time to maintain such policies in full force and effect, for their full term, and to continue to honor its respective obligations thereunder. If the Company fails to obtain such "tail" prepaid insurance policies as of the Effective Time, the Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, continue to maintain in effect, at no expense to the beneficiaries, for a period of at least six years from and after the Effective Time for the Indemnified Persons, the D&O Insurance (provided that Parent (or any successor) may substitute therefor policies of at least the same terms, conditions, retentions and levels of coverage and amounts which are, in the aggregate, as favorable to the Indemnified Persons as provided in the existing policies as of the date of this Agreement, from an insurance carrier with the same or better rating as the Company's current insurance carrier); *provided, however*, that in no event will Parent or the Surviving Corporation be required, and the Company shall not be permitted, to expend for such policies pursuant to this *Section 7.1* an annualized premium amount in excess of 200% of the annual premiums currently paid by the Company for such insurance and, if the annual premiums of such insurance coverage exceed such amount, Parent or the Surviving Corporation shall, and the Company may, obtain a substantially similar policy (from an insurance carrier with the same or better rating as the Company's current insurance carrier) with the greatest coverage available for a cost not exceeding such amount. Each Indemnified Person is, and the Indemnified Persons collectively are, intended third party beneficiaries of this *Section 7.1*, and each such Person shall have a right to enforce the rights hereunder as if such person was a party to this Agreement.

(d) Any Indemnified Person wishing to claim indemnification under paragraph (b) of this *Section 7.1*, upon learning of any such Legal Proceeding, shall promptly notify Parent thereof, but the failure to so notify shall not relieve Parent or the Surviving Corporation of any liability it may have to such Indemnified Person, except to the extent such failure materially prejudices the indemnifying party. In the event of any such Legal Proceeding arising after the Effective Time, (i) Parent or the Surviving Corporation shall have the right to assume the defense thereof, with counsel reasonably acceptable to the Indemnified Persons (which acceptance shall not be unreasonably withheld, delayed or conditioned), and Parent and the Surviving Corporation shall not be liable to such Indemnified Persons for any legal expenses of other counsel or any other expenses subsequently incurred by such Indemnified Parties in connection with the defense thereof, except that if Parent or the Surviving Corporation elects not to assume such defense or counsel for the Indemnified Persons advises that there are issues which raise conflicts of interest between Parent or the Surviving Corporation and the Indemnified Persons, or between the Indemnified

Persons, the Indemnified Persons may retain counsel satisfactory to them, and Parent or the Surviving Corporation shall pay all reasonable fees and expenses of such counsel for the Indemnified Persons promptly as statements therefor are received; *provided, however,* that Parent and the Surviving Corporation shall be obligated pursuant to this paragraph (d) to pay for only one firm of counsel for all Indemnified Persons in any jurisdiction unless the use of one counsel for such Indemnified Persons would present such counsel with a conflict of interest; *provided* that the fewest number of counsels necessary to avoid conflicts of interest shall be used, (ii) the Indemnified Persons will cooperate in the defense of any such matter and (iii) Parent and the Surviving Corporation shall not be liable for any settlement effected without their prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned; and *provided, further,* that Parent and the Surviving Corporation shall not have any obligation hereunder to any Indemnified Person if and to the extent that a court of competent jurisdiction shall ultimately determine, and such determination shall have become final, that the indemnification of such Indemnified Person in the manner contemplated hereby is prohibited by applicable Law.

(e) Each Indemnified Person is, and the Indemnified Persons collectively are, intended third party beneficiaries of this Section

(f) Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors' and officers' insurance claims under any policy that is or has been in existence with respect to the Company or any of its Subsidiaries for any of their respective directors, officers or other employees, it being understood and agreed that the indemnification provided for in this *Section 7.1* is not prior to or in substitution for any such claims under such policies.

7.2 *Employee Matters.*

(a) Parent hereby acknowledges that a "change of control" (or similar phrase) within the meaning of the Employee Plans and Arrangements (to the extent applicable) will occur as of the Effective Time.

(b) From and after the Effective Time, the Surviving Corporation shall honor all Employee Plans and Arrangements in accordance with their terms as in effect immediately prior to the Effective Time and unless otherwise expressly terminated in accordance with their terms, the Employee Plans shall survive after the Effective Time, *provided* that nothing in this sentence shall prohibit the Surviving Corporation from amending or terminating, or prohibit Parent from causing the Surviving Corporation to amend or terminate, any such Employee Plans, arrangements or agreements in accordance with their terms or if otherwise required by applicable Law.

(c) For a period of not less than one year following the Effective Time, the Surviving Corporation shall (and Parent shall cause the Surviving Corporation to) provide Continuing Employees (to the extent they remain employed by the Surviving Corporation, Parent or any of their respective Subsidiaries following the Effective Time), compensation and employee benefits (exclusive of equity-based compensation) substantially no less favorable in the aggregate than the compensation and benefits provided to the respective Continuing Employees immediately before the Effective Time.

(d) Parent shall, or shall cause the Surviving Corporation or Parent's or the Surviving Corporation's Subsidiaries, as applicable, to, give each Continuing Employee full credit for such Continuing Employees' service with the Company and its Subsidiaries for purposes of eligibility and vesting and, for purposes of vacation and severance only for purposes of benefit accruals, under any benefit plans made available to the Continuing Employee by Parent, the Surviving Corporation or any of their respective Subsidiaries to the same extent recognized by the Company immediately prior to the Effective Time; *provided, however,* that such service shall not be

recognized to the extent that such recognition would result in a duplication of benefits with respect to the same period of service.

(e) Parent shall, or shall cause the Surviving Corporation or Parent's or the Surviving Corporation's Subsidiaries, as applicable, to (i) waive any preexisting condition limitations otherwise applicable to Continuing Employees and their eligible dependents under any plan of Parent or any Subsidiary of Parent that provides health benefits in which Continuing Employees may be eligible to participate following the Effective Time, other than any limitations that were in effect with respect to such employees as of the Effective Time under the analogous Employee Plan, (ii) honor any deductible, co-payment and out-of-pocket maximums incurred by the Continuing Employees and their eligible dependents under the health plans in which they participated immediately prior to the Effective Time during the portion of the calendar year prior to the Effective Time in satisfying any deductibles, co-payments or out-of-pocket maximums under health plans of Parent, the Surviving Corporation or any of their respective Subsidiaries in which they are eligible to participate after the Effective Time in the same plan year in which such deductibles, co-payments or out-of-pocket maximums were incurred, (iii) waive any waiting period limitation or evidence of insurability requirement that would otherwise be applicable to a Continuing Employee and his or her eligible dependents at or after the Effective Time, in each case to the extent such Continuing Employee or eligible dependent had satisfied any similar limitation or requirement under an analogous Employee Plan prior to the Effective Time, and (iv) credit the accounts of Continuing Employees under any plan of Parent, the Surviving Corporation or any of their respective Subsidiaries which is a flexible spending plan with any unused balance in the account of such Continuing Employee under the analogous Employee Plan. Any vacation or paid time off accrued but unused by a Continuing Employee as of immediately prior to the Effective Time shall be credited to such Continuing Employee following the Effective Time, and shall not be subject to accrual limits or other forfeiture and shall not limit future accruals.

(f) Notwithstanding anything to the contrary set forth in this Agreement, no provision of this Agreement shall be deemed to (i) guarantee employment for any period of time for, or preclude the ability of Parent or the Surviving Corporation to terminate the employment of, any Continuing Employee for any reason, or (ii) subject to the limitations and requirements specifically set forth in this *Section 7.2*, require Parent or the Surviving Corporation to continue in effect any Employee Plan or prevent the amendment, modification or termination thereof after the Effective Time.

7.3 Obligations of Acquisition Sub. Parent shall take all action necessary to cause Acquisition Sub and the Surviving Corporation to perform their respective obligations under this Agreement and to consummate the transactions contemplated hereby upon the terms and subject to the conditions set forth in this Agreement.

7.4 Other Actions by Parent and Acquisition Sub. Parent shall, promptly following the execution of this Agreement, approve and adopt this Agreement in its capacity as sole stockholder of Acquisition Sub in accordance with applicable Law and the certificate of incorporation and by-laws of Acquisition Sub and deliver to the Company evidence of its vote or action by written consent so approving and adopting this Agreement.

7.5 Tax Matters. All transfer, stamp, documentary, sales, use, registration, value-added and other similar Taxes (including all applicable real estate transfer Taxes and real property transfer gains Taxes and including any filing and recording fees) and related amounts (including any penalties, interest and additions to Tax) and all such reasonable costs (including accounting and legal fees) associated with filing all Tax Returns related to transfer Taxes incurred by the Company or any of its Subsidiaries in connection with this Agreement and the other transactions contemplated hereby ("**Transfer Taxes**") shall be paid by Parent. Parent shall be responsible for filing all Tax Returns related to Transfer Taxes.

All Parties hereto shall use their commercially reasonable efforts to avail themselves of any available exemptions from any such Transfer Taxes, and to cooperate with the other Parties hereto in providing any information and documentation that may be necessary to obtain such exemptions.

**ARTICLE VIII
ADDITIONAL COVENANTS OF ALL PARTIES**

8.1 *Reasonable Best Efforts to Complete.* Upon the terms and subject to the conditions set forth in this Agreement, each of Parent, Acquisition Sub and the Company shall use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other Party or Parties hereto in doing, all things reasonably necessary, proper or advisable under applicable Law or otherwise to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated by this Agreement, including using reasonable best efforts to: (i) cause the conditions set forth in *Annex A* and *ARTICLE IX* to be satisfied; and (ii) obtain all necessary actions or non-actions, waivers, consents, approvals, orders and authorizations from Governmental Authorities and make all necessary registrations, declarations and filings with Governmental Authorities, that are necessary to consummate the Offer, the Merger and the transactions contemplated hereby. In addition to the foregoing, neither Parent or Acquisition Sub, on the one hand, nor the Company, on the other hand, shall take any action, or fail to take any action, that is intended to, or has (or could reasonably be expected to have) the effect of, preventing, impairing, delaying or otherwise adversely affecting the consummation of the Offer or the Merger or the ability of such Party to fully perform its obligations under this Agreement; *provided, however*, that, for the avoidance of doubt, no action permitted to be taken pursuant to *Section 6.2* or *Section 6.3* shall be prohibited, or required to be taken, by this sentence.

8.2 *Regulatory Filings.*

(a) Each of Parent and Acquisition Sub shall, and shall cause their respective Affiliates to, and the Company shall, (x) file with the FTC and the Antitrust Division of the DOJ a Notification and Report Form relating to this Agreement and the transactions contemplated hereby as required by the HSR Act as soon as practicable after the date of this Agreement but in no event later than ten (10) Business Days following the execution and delivery of this Agreement, and (y) file comparable pre-merger or post-merger notification filings, forms and submissions with any foreign Governmental Authority that is required by any other Antitrust Laws as soon as practicable after the date of this Agreement. Each of Parent and the Company shall use reasonable best efforts to (i) cooperate and coordinate with the other in the making of such filings, (ii) supply the other with any information that reasonably may be required in order to make such filings, (iii) supply any additional information that reasonably may be required or requested by the FTC, the DOJ or the Governmental Authorities of any other applicable jurisdiction in which any such filing is made under any other Antitrust Laws, and (iv) subject to *Section 8.2(d)*, take all action necessary to cause the expiration or termination of the applicable waiting periods under the HSR Act or other Antitrust Laws as soon as practicable, and to obtain any required consents under any other Antitrust Laws applicable to the Offer or the Merger as soon as practicable, and to avoid any impediment to the consummation of the Offer or the Merger under any Antitrust Laws, including using reasonable best efforts to take all such action as reasonably may be necessary to resolve such objections, if any, as the FTC, the DOJ, or any other Governmental Authority or Person may assert under any applicable Antitrust Laws with respect to the Offer or the Merger. Parent and the Company shall each pay one half ($1/2$) of all filing fees under the HSR Act and any fees or other payments to any Governmental Authority in connection with any filings under the HSR Act or such other filings as may be required under the applicable Antitrust Laws.

(b) Each of Parent and Acquisition Sub shall, and shall cause their respective Affiliates to, and the Company shall, promptly inform the other Parties of any communication from any

Governmental Authority regarding any of the transactions contemplated by this Agreement in connection with any filings or investigations with, by or before any Governmental Authority relating to this Agreement or the transactions contemplated hereby, including any proceedings initiated by a private party. If any Party hereto or Affiliate thereof shall receive a request for additional information or documentary material from any Governmental Authority with respect to the transactions contemplated by this Agreement pursuant to the HSR Act or any other Antitrust Laws with respect to which any such filings have been made, then such Party shall use its reasonable best efforts to make, or cause to be made, as soon as reasonably practicable and after consultation with the other Party, an appropriate response in compliance with such request. In connection with and without limiting the foregoing, to the extent reasonably practicable and unless prohibited by applicable Law or by the applicable Governmental Authority, the Parties agree to (i) give each other reasonable advance notice of all meetings and teleconferences with any Governmental Authority relating to the Offer or the Merger, (ii) give each other an opportunity to participate in each of such meetings or teleconferences, (iii) keep the other Parties reasonably apprised with respect to any oral communications with any Governmental Authority regarding the Offer or the Merger, (iv) cooperate in the filing of any analyses, presentations, memoranda, briefs, arguments, opinions or other written communications explaining or defending the Offer or the Merger, articulating any regulatory or competitive argument and/or responding to requests or objections made by any Governmental Authority, (v) provide each other Party with a reasonable advance opportunity to review and comment upon, and consider in good faith the views of the other with respect to, all communications (including any analyses, presentations, memoranda, briefs, arguments and opinions) with a Governmental Authority regarding the Offer or the Merger, (vi) provide each other (or counsel of each Party, as appropriate) with copies of all written communications to or from any Governmental Authority relating to the Offer or the Merger, and (vii) cooperate and provide each other with a reasonable opportunity to participate in, and consider in good faith the views of the other with respect to, all material deliberations with respect to all efforts to satisfy the conditions set forth in *Section 9.1(b)*. Any such disclosures, rights to participate or provisions of information by one Party to the others may be made on a counsel-only basis to the extent required under applicable Law or as appropriate to protect Confidential Information.

(c) Each of Parent, Acquisition Sub and the Company shall cooperate with one another in good faith to (i) promptly determine whether any filings not contemplated by *Section 8.2(a)* are required to be or should be made, and whether any other consents, approvals, permits or authorizations not contemplated by *Section 8.2(a)* are required to be or should be obtained, from any Governmental Authority under any other applicable Law in connection with the transactions contemplated hereby, and (ii) promptly make any filings, furnish information required in connection therewith and seek to obtain timely any such consents, permits, authorizations, approvals or waivers that the Parties determine are required to be or should be made or obtained in connection with the transactions contemplated hereby.

(d) Notwithstanding anything in this Agreement to the contrary, Parent agrees and the Company agrees, and shall cause each of its Subsidiaries, to take any and all actions necessary to obtain any consents, clearances or approvals required under or in connection with any domestic or foreign Antitrust Law, and to enable all waiting periods under any Antitrust Law to expire, and to avoid or eliminate each and every impediment under any Antitrust Law asserted by any Governmental Authority, in each case, to cause the Merger and the other transactions contemplated hereby to occur prior to the Outside Date, including but not limited to (i) promptly complying with or modifying any requests for additional information (including any second request) by any Governmental Authority, (ii) if necessary to obtain clearance by any Governmental Authority before the Outside Date, offering, negotiating, committing to and effecting, by consent decree, hold separate order or otherwise, the sale, divestiture, license or other disposition of any

and all of the capital stock, assets, rights, products or businesses of Parent, its Subsidiaries and its and their Affiliates and the Company and its Subsidiaries, and any other restrictions on the activities of Parent, its Subsidiaries and its and their Affiliates and the Company and its Subsidiaries (collectively a "**Remedy**"); *provided, however*, (A) that none of Parent, its Subsidiaries or its and their Affiliates shall be required to enter into any Remedy that would materially impair the overall benefits expected to be realized from the consummation of the transactions contemplated by this Agreement, and (B) none of the Company nor any of its Subsidiaries or Affiliates shall agree to enter into any Remedy without the prior written consent of Parent, assuming such Remedy is conditioned on the consummation of the transactions contemplated by this Agreement and (iii) contesting, defending and appealing any threatened or pending preliminary or permanent injunction or other order, decree or ruling or statute, rule, regulation or executive order that would adversely affect the ability of any Party hereto to consummate the transactions contemplated hereby, unless Parent reasonably determines that litigation is not in its best interests.

8.3 *Company Stockholders Meeting.*

(a) Subject to *Section 8.3(f)*, the Company shall, as soon as practicable following the Acceptance Time, set (in consultation with Parent) a record date for, and cause a meeting (the "**Stockholders' Meeting**") to be duly called and held (on such date as is determined in consultation with Parent) for the purpose of voting on the adoption of this Agreement.

(b) Subject to *Section 8.3(f)*, the Company shall, as soon as practicable following the Acceptance Time (i) solicit from the Company Stockholders entitled to vote at the Stockholders' Meeting proxies in favor of adoption of this Agreement and (ii) use its commercially reasonable efforts to take all other actions reasonably necessary to secure the vote or consent of such holders required by the DGCL or this Agreement to effect the Merger.

(c) Subject to *Section 8.3(f)*, as soon as practicable following the Acceptance Time, the Company shall, in accordance with applicable Law: (i) prepare and file with the SEC a preliminary proxy statement (the "**Preliminary Proxy Statement**") relating to this Agreement and the transactions contemplated by this Agreement; (ii) respond as promptly as reasonably practicable to any comments made by the SEC with respect to the Preliminary Proxy Statement (including filing as promptly as reasonably practicable any amendments or supplements thereto necessary to be filed in response to any such comments or as required by Law); (iii) use commercially reasonable efforts to have the SEC confirm that it has no further comments thereto; and (iv) cause a definitive proxy statement, letter to stockholders, notice of meeting and form of proxy accompanying the proxy statement that will be provided to the Company Stockholders in connection with the solicitation of proxies for use at the Stockholders' Meeting (collectively, as amended or supplemented, the "**Proxy Statement**"), to be mailed to the Company Stockholders at the earliest practicable date after the date that the SEC confirms it has no further comments. The Company and Parent shall cooperate to: (i) respond as promptly as reasonably practicable to any comments received from the SEC with respect to such filings; and (ii) prepare and file any amendments or supplements necessary to be filed in response to any SEC comments or as required by Law. Subject to the terms and conditions of this Agreement, the Company shall include the Company Board Recommendation in the Preliminary Proxy Statement and the Proxy Statement.

(d) Parent shall provide to the Company all information concerning Parent and Acquisition Sub as may be reasonably requested by the Company in connection with the Preliminary Proxy Statement and the Proxy Statement and shall otherwise assist and cooperate with the Company in the preparation of the Preliminary Proxy Statement and the Proxy Statement and resolution of comments of the SEC or its staff related thereto. Parent will cause the information relating to

Parent or Acquisition Sub supplied by it for inclusion in the Preliminary Proxy Statement and the Proxy Statement, at the time of the mailing of the Proxy Statement or any amendments or supplements thereto, and at the time of the Stockholders' Meeting, not to contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided, however*, that no representation or warranty is made by Parent or Acquisition Sub with respect to information supplied by the Company for inclusion or incorporation by reference in the Proxy Statement. Each of Parent and Acquisition Sub will furnish to the Company the information relating to it required by the Exchange Act to be set forth in the Preliminary Proxy Statement and the Proxy Statement promptly following request therefor from the Company.

(e) Each of Parent and Acquisition Sub shall vote or cause to be voted all shares of Company Common Stock acquired in the Offer or otherwise beneficially owned by it or any of its affiliates as of the applicable record date or with respect to which it or any of its affiliates has the power (by agreement, proxy or otherwise) to cause to be voted, in favor of the adoption of this Agreement at the Stockholders' Meeting and at all adjournments or postponements thereof or otherwise (or, if applicable, by any action of stockholders of the Company by consent in lieu of a meeting).

(f) Notwithstanding the foregoing or anything else herein to the contrary, if, following the Offer Closing and the exercise, if any, of the Top-Up, Parent and its Subsidiaries shall own at least 90% of the outstanding shares of the Company Common Stock, the Parties shall take all necessary and appropriate action, including (i) with respect to the transfer to Acquisition Sub of any shares of Company Common Stock held by Parent or its Affiliates and (ii) causing the board of directors of Acquisition Sub to adopt the resolutions required by Section 253 of the DGCL, to cause the Merger to become effective as soon as practicable after the Offer Closing without the Stockholders' Meeting in accordance with Section 253 of the DGCL.

8.4 *Anti-Takeover Laws.* In the event that the restrictions of any state anti-takeover or other similar Law are or become applicable to this Agreement or any of the transactions contemplated by this Agreement (other than, with respect to the Company, as a result of the inaccuracy of the representations and warranties of Parent and Acquisition Sub in *Section 5.7(a)*), the Company, Parent and Acquisition Sub shall use their respective reasonable best efforts to ensure that the transactions contemplated by this Agreement may be consummated as promptly as practicable on the terms and subject to the conditions set forth in this Agreement and otherwise to minimize the effect of such Law on this Agreement and the transactions contemplated hereby.

8.5 *Public Statements and Disclosure.* The initial press release relating to this Agreement shall be a joint press release prepared and issued by the Company and Parent, and thereafter, none of the Company, on the one hand, or Parent and Acquisition Sub, on the other hand, shall issue any public release or make any public announcement concerning this Agreement or the transactions contemplated by this Agreement without the prior written consent of the other (which consent shall not be unreasonably withheld, conditioned or delayed), except as such release or announcement may be required by applicable Law or the rules or regulations of any applicable United States securities exchange or regulatory or Governmental Authority to which the relevant Party is subject or submits, wherever situated, in which case the Party required to make the release or announcement shall use its reasonable best efforts to allow the other Party or Parties reasonable time to comment on such release or announcement in advance of such issuance (it being understood that the final form and content of any such release or announcement, as well as the timing of any such release or announcement, shall be at the final discretion of the disclosing Party); *provided, however*, that the restrictions set forth in this *Section 8.5* shall not apply to any release or announcement made or proposed to be made by the Company pursuant to *Section 6.3*, relating to any Acquisition Proposal or following a Company Board Recommendation Change.

- (c) *Purchase of Tendered Shares.* Acquisition Sub shall have accepted for payment and paid for the shares of Company Common Stock validly tendered and not withdrawn pursuant to the Offer; *provided, however,* that neither Parent nor Acquisition Sub shall be entitled to assert the failure of this condition if, in breach of this Agreement, Acquisition Sub fails to purchase any shares of Company Common Stock validly tendered and not validly withdrawn pursuant to the Offer.

**ARTICLE X

10.1 *Termination.* This Agreement may be validly terminated and the Offer, the Merger and the other transactions contemplated by this Agreement may be abandoned at any time prior to the Acceptance Time (or in the case of the termination right set forth in *Section 10.1(c)*, at any time prior to the Effective Time) only as follows (it being understood and hereby agreed that this Agreement may not be terminated for any other reason or on any other basis):

(d) by the Company, subject to and conditioned upon compliance with *Section 6.3 in all material respects*, in the event that the Company Board has received an Acquisition Proposal that it determines in good faith constitutes a Superior Proposal after consultation with its financial advisor and outside legal counsel and that the failure to terminate this Agreement in order to enter into an agreement with respect to such a Superior Proposal would be inconsistent with its fiduciary duties under applicable Law; *provided, that*, the Company contemporaneously enters into a definitive transaction agreement with respect to such Superior Proposal and that the Company pays Parent the Termination Fee pursuant to *Section 10.3(c)*.

(e) by Parent, in the event that the Company shall have breached any of its representations, warranties or covenants under this Agreement such that the conditions set forth in *clauses (iii) or (iv) of Annex A* would not be satisfied and shall have failed to cure such breach within ten (10) Business Days after the Company has received written notice of such breach from Parent (it being understood that Parent shall not be permitted to terminate this Agreement pursuant to this *Section 10.1(e)* in respect of the breach set forth in any such written notice (x) at any time during such ten (10) Business Day period, and (y) at any time after such ten (10) Business Day period if the Company shall have cured such breach during such ten (10) Business Day period);

(f) by Parent, in the event that (i) the Company Board shall have effected a Company Board Recommendation Change; *provided, however*, that Parent's right to terminate this Agreement pursuant to this *Section 10.1(f)* in respect of a Company Board Recommendation Change shall expire ten (10) Business Days after the first date upon which the Company makes such Company Board Recommendation Change, or (ii) a tender or exchange offer for Company Common Stock that constitutes an Acquisition Proposal (whether or not a Superior Proposal) is commenced by a Person unaffiliated with Parent and, within ten (10) Business Days after the public announcement of the commencement of such Acquisition Proposal, the Company shall not have filed a Schedule 14D-9 pursuant to Rule 14e-2 and Rule 14d-9 promulgated under the Exchange Act recommending that the Company Stockholders reject such Acquisition Proposal and not tender any shares of Company Common Stock into such tender or exchange offer; *provided, however*, that Parent's right to terminate this Agreement pursuant to this *Section 10.1(f)* in respect of such a failure to act shall expire ten (10) Business Days after such failure;

(g) by the Company, in the event that Parent or Acquisition Sub shall have breached any of its representations, warranties or covenants under this Agreement (which breach would or could reasonably be expected to individually or in the aggregate, prevent or materially impede, hinder or delay the performance by Parent or Acquisition Sub of any of their respective obligations under this Agreement or the consummation of the Offer or the Merger), and shall have failed to cure such breach within ten (10) Business Days after Parent has received written notice of such breach from the Company (it being understood that the Company shall not be permitted to terminate this Agreement pursuant to this *Section 10.1(g)* in respect of the breach set forth in any such written notice (A) at any time during such ten (10) Business Day period, and (B) at any time after such ten (10) Business Day period if Parent and Acquisition Sub shall have cured such breach during such ten (10) Business Day period); or

Acquisition Sub fails to accept for payment and pay for shares of Company Common Stock validly tendered and not withdrawn in the Offer subject to the terms of and in accordance with *Section 2.1(a)* and at such time all of the conditions set forth in *Annex A* are satisfied and no subsequent expiration date for the Offer is established pursuant to an authorized extension of the Offer.

10.2 *Notice of Termination; Effect of Termination.* Any proper and valid termination of this Agreement pursuant to *Section 10.1* shall be effective immediately upon the delivery of written notice of the terminating Party to the other Party or Parties hereto, as applicable. In the event of the termination of this Agreement pursuant to *Section 10.1*, this Agreement shall be of no further force or effect without liability of any Party or Parties hereto, as applicable (or any director, officer, employee, affiliate, agent or other representative of such Party or Parties) to the other Party or Parties hereto, as applicable, except (a) for the terms of *ARTICLE I*, the last sentence of *Section 2.2(b)*, the last sentence of *Section 6.4*, *Section 8.6*, this *Section 10.2*, *Section 10.3* and *ARTICLE XI*, each of which shall survive the termination of this Agreement, and (b) subject to *Section 10.3(f)*, nothing in this Agreement shall relieve any Party or Parties hereto, as applicable, from liability for any knowing and intentional breach of, or fraud in connection with, this Agreement.

10.3 *Fees and Expenses.*

(a) *General.* Except as set forth in *Sections 7.5*, *8.2* and *10.3*, all fees and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the Party or Parties, as applicable, incurring such expenses whether or not the Offer or the Merger is consummated.

(b) In the event that (i) this Agreement is validly terminated by either Parent or the Company pursuant to *Section 10.1(b)* or by Parent pursuant to *Section 10.1(e)*, (ii) at or prior to the time of any such termination of this Agreement a third party shall have publicly disclosed a *bona fide* Acquisition Proposal pursuant to which the holders of Company Common Stock would be paid a price per share of Company Common Stock in excess of the Merger Consideration, and (iii) within nine (9) months following the termination of this Agreement, the Company enters into a definitive agreement with respect to an Acquisition Proposal or an Acquisition Proposal is consummated (it being understood that for purposes of the preceding two references to "Acquisition Proposal", the references to "20%" and "80%" in the definition of "Acquisition Transaction" shall be deemed to be references to "50%"), then, in any such case, the Company shall pay to Parent an amount equal to the sum of (x) \$4,500,000 and (y) all reasonably documented fees and expenses incurred by Parent or its Subsidiaries in connection with this Agreement and the transactions contemplated hereby, including all reasonable out-of-pocket fees and expenses (including all reasonable fees and expenses of outside counsel, accountants, investment bankers, experts and consultants to Parent or its Subsidiaries) incurred by or on behalf of Parent or its Subsidiaries in connection with the authorization, preparation, negotiation, execution and performance of this Agreement and the transactions contemplated hereby up to a maximum of \$2,000,000 (the "**Parent Expenses**") (the sum of (x) and (y) being hereinafter referred to as the "**Termination Fee**"), by wire transfer of immediately available funds to an account or accounts designated in writing by Parent, within two (2) Business Days after such transaction is consummated. In the event that this Agreement is validly terminated under the circumstances set forth in clauses (i) and (ii) of the preceding sentence, then at the time of such termination, the Company shall pay to Parent the Parent Expenses, and in the event that the Termination Fee later becomes payable by the Company pursuant to the first sentence of this *Section 10.3(b)*, then any Parent Expenses, to the extent previously paid by the Company, shall be credited against the Termination Fee then payable.

(c) In the event that this Agreement is terminated by the Company pursuant to *Section 10.1(d)*, the Company shall pay to Parent the Termination Fee, by wire transfer of immediately available funds to an account or accounts designated in writing by Parent, as a condition to the effectiveness of such termination.

(d) In the event that this Agreement is terminated by Parent pursuant to *Section 10.1(f)*, the Company shall pay to Parent the Termination Fee, by wire transfer of immediately available funds to an account or accounts designated in writing by Parent, within two (2) Business Days after such termination.

(e) Each of the Company and Parent acknowledges and agrees that the agreements contained in this *Section 10.3* are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, neither the Company nor Parent would have entered into this Agreement; accordingly, if the Company fails promptly to pay the Termination Fee due pursuant to *Section 10.3*, and, in order to obtain such payment, Parent commences a Legal Proceeding that results in an award against the Company for such fee, the Company shall pay Parent its costs and expenses (including reasonable attorneys' fees and expenses) in connection with such Legal Proceeding, together with interest on the amount of the applicable fee from the date such payment was required to be made until the date of payment at the prime lending rate as published in *The Wall Street Journal* in effect on the date such payment was required to be made.

(f) In no event shall the Company be required to pay the Termination Fee on more than one occasion. Notwithstanding anything to the contrary in this Agreement, if the Company pays the Termination Fee pursuant to *Section 10.3*, then any such payment shall be the sole and exclusive remedy of Parent and Acquisition Sub against the Company and its Subsidiaries and any of their respective former, current or future officers, directors, partners, equity holders, managers, members, Affiliates or successors and none of the Company, any of its Subsidiaries or any of their respective former, current or future officers, directors, partners, stockholders, managers, members, Affiliates or successors shall have any further liability or obligation relating to or arising out of this Agreement or the transactions contemplated hereby.

10.4 *Amendment.* This Agreement may be amended by the Parties at any time before or after the Offer Closing shall have occurred or the Stockholder Approval shall have been obtained; *provided, however*, that (x) after the Offer Closing and subject to *Section 3.7(b)*, there shall be no amendment that decreases the Offer Price or the Merger Consideration, and (y) after the Stockholder Approval has been obtained, there shall be made no amendment that by applicable Law requires further approval by the Company Stockholders without such further approval having been obtained. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the Parties; *provided, however*, that after the Acceptance Time, any amendment shall also require the approval of the independent directors of the Company.

10.5 *Extension; Waiver.* At any time and from time to time prior to the Effective Time, any Party or Parties hereto may, to the extent legally allowed and except as otherwise set forth herein, (a) extend the time for the performance of any of the obligations or other acts of the other Party or Parties hereto, as applicable, (b) waive any inaccuracies in the representations and warranties made to such Party or Parties hereto contained herein or in any document delivered pursuant hereto and (c) waive compliance with any of the agreements or conditions for the benefit of such Party or Parties hereto contained herein (other than, for the avoidance of doubt, the Minimum Tender Condition unless such waiver is consented to in writing by the Company). Any agreement on the part of a Party or Parties hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party or Parties, as applicable. Any delay in exercising any right under this Agreement shall not constitute a waiver of such right.

Agreement shall (i) be binding upon the Parties hereto and their respective successors and permitted assigns and (ii) inure to the benefit of the Parties hereto and their respective successors and permitted assigns.

11.4 *Entire Agreement.* This Agreement and the documents and instruments and other agreements among the Parties hereto as contemplated by or referred to herein or therein, including the Company Disclosure Letter and the Annexes hereto, constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof; *provided, however*, the Confidentiality Agreement shall not be superseded, shall survive any termination of this Agreement and shall continue in full force and effect until the earlier to occur of (a) the Effective Time and (b) the date on which the Confidentiality Agreement expires in accordance with its terms or is validly terminated by the parties thereto. EACH PARTY HERETO AGREES THAT, EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES CONTAINED IN THIS AGREEMENT, NEITHER PARENT, ACQUISITION SUB OR ANY OF THEIR AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES OR REPRESENTATIVES, ON THE ONE HAND, NOR THE COMPANY OR ANY OF ITS AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES OR REPRESENTATIVES, ON THE OTHER HAND, MAKES ANY REPRESENTATIONS OR WARRANTIES TO THE OTHER, AND EACH PARTY HEREBY DISCLAIMS ANY OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE), OR AS TO THE ACCURACY OR COMPLETENESS OF ANY OTHER INFORMATION, MADE (OR MADE AVAILABLE) BY ITSELF OR ANY OF ITS REPRESENTATIVES, WITH RESPECT TO, OR IN CONNECTION WITH, THE NEGOTIATION, EXECUTION OR DELIVERY OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY, NOTWITHSTANDING THE DELIVERY OR DISCLOSURE TO THE OTHER OR THE OTHER'S REPRESENTATIVES OF ANY DOCUMENTATION OR OTHER INFORMATION WITH RESPECT TO ANY ONE OR MORE OF THE FOREGOING.

11.5 *Third Party Beneficiaries.* This Agreement is not intended to, and shall not, confer upon any other Person any rights or remedies hereunder, except (a) for the provisions of *Section 7.1*, (b) prior to the Effective Time, for the right of the Company, on behalf of the Company Stockholders, to pursue damages (including damages based on loss of the economic benefits of the transaction to Company Stockholders based on the consideration that would have otherwise been payable to holders of shares of the Company Common Stock, the loss of market value or decline in stock price of such Company Common Stock or otherwise) and other relief (including equitable relief) in the event of Parent's or Acquisition Sub's breach of this Agreement, and (c) from and after the Effective Time, the rights of holders of shares of the Company Common Stock and other Company Securities to receive the Merger Consideration, as set forth in *ARTICLE III*.

11.6 *Severability.* In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other persons or circumstances will be interpreted so as reasonably to effect the intent of the Parties. The Parties further agree to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

11.7 *Specific Performance.* The Parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached and that in any such case any breach of this Agreement could not be adequately compensated by monetary damages alone. Accordingly, the Parties agree that, prior to the valid termination of this Agreement in accordance with *Section 10.1*, each Party shall be entitled to an

injunction or injunctions, or any other appropriate form of specific performance or equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any court of competent jurisdiction, in each case in accordance with *Section 11.9*, this being in addition to any other remedy to which they are entitled under the terms of this Agreement at law or in equity. Each Party hereto accordingly agrees not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of such Party under this Agreement all in accordance with the terms of this *Section 11.7*. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to post a bond or undertaking in connection with such order or injunction sought in accordance with the terms of this *Section 11.7*.

11.8 *Governing Law.* THIS AGREEMENT AND ANY LEGAL PROCEEDING (WHETHER AT LAW, IN CONTRACT OR IN TORT) THAT MAY BE DIRECTLY OR INDIRECTLY BASED UPON, RELATING TO ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY, OR THE NEGOTIATION, EXECUTION OR PERFORMANCE HEREOF OR THEREOF, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE, REGARDLESS OF THE LAWS THAT MIGHT OTHERWISE GOVERN UNDER APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS THEREOF.

11.9 *Consent to Jurisdiction.*

(a) Each of the Parties irrevocably submits to the exclusive jurisdiction of the Court of Chancery of the State of Delaware or, if such court lacks subject matter jurisdiction, the United States District Court sitting in New Castle County in the State of Delaware or Delaware Superior Court, for the purpose of any Legal Proceeding directly or indirectly based upon, relating to or arising out of this Agreement or any transaction contemplated hereby or the negotiation, execution or performance hereof or thereof, and each of the Parties hereby irrevocably agrees that all claims in respect to such action or proceeding shall be brought in, and may be heard and determined exclusively in, such state or federal courts. Each of the Parties irrevocably and unconditionally waives any objection to the laying of venue in, and any defense of inconvenient forum to the maintenance of, any action or proceeding so brought. Each of the Parties agrees that a final judgment in any action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.

(b) Each of the Parties irrevocably consents to the service of the summons and complaint and any other process in any other action or proceeding relating to the transactions contemplated by this Agreement, on behalf of itself or its property, by personal delivery of copies of such process to such Party at the addresses set forth in *Section 11.2*. Nothing in this *Section 11.9* shall affect the right of any Party to serve legal process in any other manner permitted by Law.

11.10 *WAIVER OF JURY TRIAL.* EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN ANY LITIGATION DIRECTLY OR INDIRECTLY BASED UPON, RELATING TO OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY OR THE NEGOTIATION, EXECUTION OR PERFORMANCE HEREOF OR THEREOF. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER,

(II) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATION OF THIS WAIVER, (III) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (IV) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.11 *Company Disclosure Letter References.* The Parties agree that the disclosure set forth in any particular section or subsection of the Company Disclosure Letter shall be deemed to be an exception to (or, as applicable, a disclosure for purposes of) (i) the representations and warranties (or covenants, as applicable) of the Company that are set forth in the corresponding section or subsection of this Agreement, and (ii) any other representations and warranties (or covenants, as applicable) of the Company that are set forth in this Agreement as though fully set forth in such other representation and warranty (or covenant, as applicable), but in the case of this *clause (ii)* only if the relevance of that disclosure as an exception to (or a disclosure for purposes of) such other representations and warranties (or covenants, as applicable) is reasonably apparent on the face of such disclosure. No reference to or disclosure of any item or other matter in the Company Disclosure Letter shall be construed as an admission or indication that such item or other matter is material or that such item or other matter is required to be referred to or disclosed in the Company Disclosure Letter. The information set forth in the Company Disclosure Letter is disclosed solely for the purposes of this Agreement, and no information set forth therein shall be deemed to be an admission by any Party to any third party of any matter whatsoever, including of any violation of Law or breach of any agreement.

11.12 *Counterparts.* This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart.

Conditions to the Offer

Notwithstanding any other term of the Offer or this Agreement, Acquisition Sub shall not be required to, and Parent shall not be required to cause Acquisition Sub to, accept for payment or, subject to any applicable rules and regulations of the SEC, including Rule 14e-1(c) under the Exchange Act (relating to Acquisition Sub's obligation to pay for or return tendered shares of Company Common Stock promptly after the termination or withdrawal of the Offer), pay for any shares of Company Common Stock tendered pursuant to the Offer if: (a) there shall not be validly tendered prior to the expiration of the Offer a number of shares of Company Common Stock that when added to the number of shares owned by Parent and Acquisition Sub and their respective Affiliates, represent a majority of the sum of (x) the issued and outstanding shares of Company Common Stock as of the expiration of the Offer, *plus* (y) the aggregate number of shares of Company Common Stock issuable to holders of Company Stock Options with respect to which either (i) the exercise price is less than the Offer Price or (ii) the Company or its Representatives have received notices of exercise prior to the expiration of the Offer (and as to which shares of Company Common Stock have not yet been issued to such exercising holders of Company Stock Options) (the "**Minimum Tender Condition**"); (b) the waiting period applicable to the purchase of shares of Company Common Stock pursuant to the Offer and the consummation of the Merger under the HSR Act (or any extension thereof) shall have neither expired nor terminated; or (c) any of the following conditions shall have occurred and be continuing as of the expiration of the Offer:

(i) there shall be pending any Legal Proceeding brought by any Governmental Authority against Parent, Acquisition Sub or the Company challenging the acquisition by Parent or Acquisition Sub of any shares of Company Common Stock pursuant to the Offer or seeking to make illegal, restrain or prohibit the making or consummation of the Offer or the Merger;

(ii) there shall be any Order (whether temporary, preliminary or permanent in nature) issued by any court of competent jurisdiction or other restraint or prohibition of any Governmental Authority of competent jurisdiction in effect, or any Law enacted, entered, promulgated, enforced or deemed applicable by any Governmental Authority of competent jurisdiction and remaining in effect, that, in any such case, prohibits or makes illegal the consummation of the Offer or the Merger;

(iii) any of the representations and warranties of the Company set forth in this Agreement shall not be true and correct (disregarding all qualifications or limitations as to "materiality," "Company Material Adverse Effect" and words of similar import set forth therein), except where the failure of such representations and warranties to be so true and correct would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect and except, in each case, to the extent such representations and warranties are made as of a specific date (in which case such representations and warranties shall not be true and correct (subject to such qualifications) as of such specific date only);

(iv) the Company shall have failed to perform or comply in all material respects with its obligations required to be performed or complied with by it under this Agreement;

(v) since the date of this Agreement, there shall have occurred any change, circumstance, event or occurrence that has had or could reasonably be expected to have a Company Material Adverse Effect; or

(vi) this Agreement shall have been terminated in accordance with its terms.

At the request of Parent, the Company shall deliver to Parent a certificate executed on behalf of the Company by the chief executive officer or the chief financial officer of the Company certifying that

none of the conditions set forth in *clauses (c)(iii), (c)(iv), and (c)(v)* above shall have occurred and be continuing as of the expiration of the Offer.

The foregoing conditions are for the sole benefit of Parent and Acquisition Sub and, subject to the terms and conditions of this Agreement and the applicable rules and regulations of the SEC, may be waived by Parent and Acquisition Sub in whole or in part at any time and from time to time in their sole discretion (other than the Minimum Tender Condition unless such waiver is consented to in writing by the Company), and may be asserted by Parent or Acquisition Sub regardless of the circumstances giving rise to any such conditions (other than as a result of a material breach by Parent or Acquisition Sub). The foregoing conditions shall be in addition to, and not a limitation of, the rights of Parent and Acquisition Sub to extend, terminate, amend and/or modify the Offer pursuant to the terms and conditions of this Agreement. The failure by Parent or Acquisition Sub at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right and each such right shall be deemed an ongoing right which may be asserted at any time and from time to time.

OF

BIOLCINICA, INC.

(hereinafter called the "Corporation")

ARTICLE I

OFFICES

Section 1.1 *Registered Office.* The registered office of the Corporation shall be in the City of Wilmington, New Castle County, State of Delaware.

Section 1.2 *Other Offices.* The Corporation may also have offices at such other places, both within and without the State of Delaware, as the Board of Directors may from time to time determine.

ARTICLE II

MEETINGS OF STOCKHOLDERS

Section 2.1 *Place of Meetings.* Meetings of the stockholders for the election of directors or for any other purpose shall be held at such time and place, either within or without the State of Delaware, as shall be designated from time to time by the Board of Directors.

Section 2.2 *Annual Meetings.* The Annual Meeting of Stockholders for the election of directors shall be held on such date and at such time as shall be designated from time to time by the Board of Directors. Any other proper business may be transacted at the Annual Meeting of Stockholders.

Section 2.3 *Special Meetings.* Unless otherwise required by law or by the certificate of incorporation of the Corporation, as amended and restated from time to time (the "Certificate of Incorporation"), Special Meetings of Stockholders, for any purpose or purposes, may be called by either (i) the Chairman, if there be one, or (ii) the President, (iii) any Vice President, if there be one, (iv) the Secretary or (v) any Assistant Secretary, if there be one, and shall be called by any such officer at the request in writing of (i) the Board of Directors, (ii) a committee of the Board of Directors that has been duly designated by the Board of Directors and whose powers and authority include the power to call such meetings or (iii) stockholders owning a majority of the capital stock of the Corporation issued and outstanding and entitled to vote. Such request shall state the purpose or purposes of the proposed meeting. At a Special Meeting of Stockholders, only such business shall be conducted as shall be specified in the notice of meeting (or any supplement thereto).

Section 2.4 *Notice.* Whenever stockholders are required or permitted to take any action at a meeting, a written notice of the meeting shall be given which shall state the place, date and hour of the meeting, and, in the case of a Special Meeting, the purpose or purposes for which the meeting is called. Unless otherwise required by law, written notice of any meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to notice of and to vote at such meeting.

Section 2.5 *Adjournments.* Any meeting of the stockholders may be adjourned from time to time to reconvene at the same or some other place, and notice need not be given of any such adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Corporation may transact any business which might have been transacted at the original

meeting. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, notice of the adjourned meeting in

accordance with the requirements of Section 4 hereof shall be given to each stockholder of record entitled to notice of and to vote at the meeting.

Section 2.6 *Quorum.* Unless otherwise required by applicable law or the Certificate of Incorporation, the holders of a majority of the Corporation's capital stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business. A quorum, once established, shall not be broken by the withdrawal of enough votes to leave less than a quorum. If, however, such quorum shall not be present or represented at any meeting of the stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, in the manner provided in Section 5 hereof, until a quorum shall be present or represented.

Section 2.7 *Voting.* Unless otherwise required by law, the Certificate of Incorporation or these By-Laws or permitted by the rules of any stock exchange on which the Corporation's shares are listed and traded, any question brought before any meeting of the stockholders, other than the election of directors, shall be decided by the vote of the holders of a majority of the total number of votes of the Corporation's capital stock represented at the meeting and entitled to vote on such question, voting as a single class. Unless otherwise provided in the Certificate of Incorporation, and subject to Section 11(a) of this Article II, each stockholder represented at a meeting of the stockholders shall be entitled to cast one (1) vote for each share of the capital stock entitled to vote thereat held by such stockholder. Such votes may be cast in person or by proxy as provided in Section 8 of this Article II. The Board of Directors, in its discretion, or the officer of the Corporation presiding at a meeting of the stockholders, in such officer's discretion, may require that any votes cast at such meeting shall be cast by written ballot.

Section 2.8 *Proxies.* Each stockholder entitled to vote at a meeting of the stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder as proxy, but no such proxy shall be voted upon after three years from its date, unless such proxy provides for a longer period. Without limiting the manner in which a stockholder may authorize another person or persons to act for such stockholder as proxy, the following shall constitute a valid means by which a stockholder may grant such authority:

(i) A stockholder may execute a writing authorizing another person or persons to act for such stockholder as proxy. Execution may be accomplished by the stockholder or such stockholder's authorized officer, director, employee or agent signing such writing or causing such person's signature to be affixed to such writing by any reasonable means, including, but not limited to, by facsimile signature.

(ii) A stockholder may authorize another person or persons to act for such stockholder as proxy by transmitting or authorizing the transmission of a telegram or cablegram to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like agent duly authorized by the person who will be the holder of the proxy to receive such telegram or cablegram, provided that any such telegram or cablegram must either set forth or be submitted with information from which it can be determined that the telegram or cablegram was authorized by the stockholder. If it is determined that such telegrams or cablegrams are valid, the inspectors or, if there are no inspectors, such other persons making that determination shall specify the information on which they relied.

Any copy, facsimile telecommunication or other reliable reproduction of the writing, telegram or cablegram authorizing another person or persons to act as proxy for a stockholder may be substituted or used in lieu of the original writing, telegram or cablegram for any and all purposes for which the original writing, telegram or cablegram could be used; provided, however, that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original writing, telegram or cablegram.

Section 2.9 *Consent of Stockholders in Lieu of Meeting.* Unless otherwise provided in the Certificate of Incorporation, any action required or permitted to be taken at any Annual or Special Meeting of Stockholders of the Corporation may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of the stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. Every written consent shall bear the date of signature of each stockholder who signs the consent and no written consent shall be effective to take the corporate action referred to therein unless, within sixty (60) days of the earliest dated consent delivered in the manner required by this Section 9 to the Corporation, written consents signed by a sufficient number of holders to take action are delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of the stockholders are recorded. Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of holders to take the action were delivered to the Corporation as provided above in this Section 9 of Article II.

Section 2.10 *List of Stockholders Entitled to Vote.* The officer of the Corporation who has charge of the stock ledger of the Corporation shall prepare and make, at least ten (10) days before every meeting of the stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting (i) either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held or (ii) during ordinary business hours, at the principal place of business of the Corporation. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present.

Section 2.11 *Record Date.*

(a) In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of the stockholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of the stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of the stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

(b) In order that the Corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is required by applicable law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of the stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by applicable law, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

Section 2.12 *Stock Ledger.* The stock ledger of the Corporation shall be the only evidence as to who are the stockholders entitled to examine the stock ledger, the list required by Section 10 of this Article II or the books of the Corporation, or to vote in person or by proxy at any meeting of the stockholders.

Section 2.13 *Conduct of Meetings.* The Board of Directors of the Corporation may adopt by resolution such rules and regulations for the conduct of any meeting of the stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the chairman of any meeting of the stockholders shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the chairman of the meeting, may include, without limitation, the following: (i) the establishment of an agenda or order of business for the meeting; (ii) the determination of when the polls shall open and close for any given matter to be voted on at the meeting; (iii) rules and procedures for maintaining order at the meeting and the safety of those present; (iv) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the chairman of the meeting shall determine; (v) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (vi) limitations on the time allotted to questions or comments by participants.

ARTICLE III

DIRECTORS

Section 3.1 *Number and Election of Directors.* The Board of Directors shall consist of not less than one nor more than fifteen members, the exact number of which shall initially be fixed by the Incorporator and thereafter from time to time by the Board of Directors. Except as provided in Section 2 of this Article III, directors shall be elected by a plurality of the votes cast at each Annual Meeting of Stockholders and each director so elected shall hold office until the next Annual Meeting of Stockholders and until such director's successor is duly elected and qualified, or until such director's earlier death, resignation or removal. Directors need not be stockholders.

Table of Contents

Section 3.2 *Vacancies.* Unless otherwise required by law or the Certificate of Incorporation, vacancies on the Board of Directors or any committee thereof arising through death, resignation, removal, an increase in the number of directors constituting the Board of Directors or such committee or otherwise may be filled only by a majority of the directors then in office, though less than a quorum, or by a sole remaining director. The directors so chosen shall, in the case of the Board of Directors, hold office until the next annual election and until their successors are duly elected and qualified, or until their earlier death, resignation or removal and, in the case of any committee of the Board of Directors, shall hold office until their successors are duly appointed by the Board of Directors or until their earlier death, resignation or removal.

Section 3.3 *Duties and Powers.* The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these By-Laws required to be exercised or done by the stockholders.

Section 3.4 *Meetings.* The Board of Directors and any committee thereof may hold meetings, both regular and special, either within or without the State of Delaware. Regular meetings of the Board of Directors or any committee thereof may be held without notice at such time and at such place as may from time to time be determined by the Board of Directors or such committee, respectively. Special meetings of the Board of Directors may be called by the Chairman, if there be one, the President, or by any director. Special meetings of any committee of the Board of Directors may be called by the chairman of such committee, if there be one, the President, or any director serving on such committee. Notice thereof stating the place, date and hour of the meeting shall be given to each director (or, in the case of a committee, to each member of such committee) either by mail not less than forty-eight (48) hours before the date of the meeting, by telephone or telegram on twenty-four (24) hours' notice, or on such shorter notice as the person or persons calling such meeting may deem necessary or appropriate in the circumstances.

Section 3.5 *Organization.* At each meeting of the Board of Directors or any committee thereof, the Chairman of the Board of Directors or the chairman of such committee, as the case may be, or, in his or her absence or if there be none, a director chosen by a majority of the directors present, shall act as chairman. Except as provided below, the Secretary of the Corporation shall act as secretary at each meeting of the Board of Directors and of each committee thereof. In case the Secretary shall be absent from any meeting of the Board of Directors or of any committee thereof, an Assistant Secretary shall perform the duties of secretary at such meeting; and in the absence from any such meeting of the Secretary and all the Assistant Secretaries, the chairman of the meeting may appoint any person to act as secretary of the meeting. Notwithstanding the foregoing, the members of each committee of the Board of Directors may appoint any person to act as secretary of any meeting of such committee and the Secretary or any Assistant Secretary of the Corporation may, but need not if such committee so elects, serve in such capacity.

Section 3.6 *Resignations and Removals of Directors.* Any director of the Corporation may resign from the Board of Directors or any committee thereof at any time, by giving notice in writing to the Chairman of the Board of Directors, if there be one, the President or the Secretary of the Corporation and, in the case of a committee, to the chairman of such committee, if there be one. Such resignation shall take effect at the time therein specified or, if no time is specified, immediately; and, unless otherwise specified in such notice, the acceptance of such resignation shall not be necessary to make it effective. Except as otherwise required by applicable law and subject to the rights, if any, of the holders of shares of preferred stock then outstanding, any director or the entire Board of Directors may be removed from office at any time by the affirmative vote of the holders of at least a majority in voting power of the issued and outstanding capital stock of the Corporation entitled to vote in the election of directors. Any director serving on a committee of the Board of Directors may be removed from such committee at any time by the Board of Directors.

Section 3.7 *Quorum.* Except as otherwise required by law, the Certificate of Incorporation or the rules and regulations of any securities exchange or quotation system on which the Corporation's securities are listed or quoted for trading, at all meetings of the Board of Directors or any committee thereof, a majority of the entire Board of Directors or a majority of the directors constituting such committee, as the case may be, shall constitute a quorum for the transaction of business and the act of a majority of the directors or committee members present at any meeting at which there is a quorum shall be the act of the Board of Directors or such committee, as applicable. If a quorum shall not be present at any meeting of the Board of Directors or any committee thereof, the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting of the time and place of the adjourned meeting, until a quorum shall be present.

Section 3.8 *Actions of the Board by Written Consent.* Unless otherwise provided in the Certificate of Incorporation or these By-Laws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all the members of the Board of Directors or such committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board of Directors or such committee.

Section 3.9 *Meetings by Means of Conference Telephone.* Unless otherwise provided in the Certificate of Incorporation or these By-Laws, members of the Board of Directors of the Corporation, or any committee thereof, may participate in a meeting of the Board of Directors or such committee by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section 9 shall constitute presence in person at such meeting.

Section 3.10 *Committees.* The Board of Directors may designate one or more committees, each committee to consist of one or more of the directors of the Corporation. Each member of a committee must meet the requirements for membership, if any, imposed by applicable law and the rules and regulations of any securities exchange or quotation system on which the securities of the Corporation are listed or quoted for trading. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of any such committee. Subject to the rules and regulations of any securities exchange or quotation system on which the securities of the Corporation are listed or quoted for trading, in the absence or disqualification of a member of a committee, and in the absence of a designation by the Board of Directors of an alternate member to replace the absent or disqualified member, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another qualified member of the Board of Directors to act at the meeting in the place of any absent or disqualified member. Any committee, to the extent permitted by law and provided in the resolution establishing such committee, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it. Each committee shall keep regular minutes and report to the Board of Directors when required. Notwithstanding anything to the contrary contained in this Article III, the resolution of the Board of Directors establishing any committee of the Board of Directors and/or the charter of any such committee may establish requirements or procedures relating to the governance and/or operation of such committee that are different from, or in addition to, those set forth in these By-Laws and, to the extent that there is any inconsistency between these By-Laws and any such resolution or charter, the terms of such resolution or charter shall be controlling.

Section 3.11 *Compensation.* The directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary for service as director, payable in cash or securities. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving

compensation therefor. Members of special or standing committees may be allowed like compensation for service as committee members.

Section 3.12 *Interested Directors.* No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association or other organization in which one or more of its directors or officers are directors or officers or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board of Directors or committee thereof which authorizes the contract or transaction, or solely because any such director's or officer's vote is counted for such purpose if: (i) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or (ii) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders; or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified by the Board of Directors, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction.

ARTICLE IV

OFFICERS

Section 4.1 *General.* The officers of the Corporation shall be chosen by the Board of Directors and shall be a President, a Secretary and a Treasurer. The Board of Directors, in its discretion, also may choose a Chairman of the Board of Directors (who must be a director) and one or more Vice Presidents, Assistant Secretaries, Assistant Treasurers and other officers. Any number of offices may be held by the same person, unless otherwise prohibited by law, the Certificate of Incorporation or these By-Laws. The officers of the Corporation need not be stockholders of the Corporation nor, except in the case of the Chairman of the Board of Directors, need such officers be directors of the Corporation.

Section 4.2 *Election.* The Board of Directors, at its first meeting held after each Annual Meeting of Stockholders (or action by written consent of stockholders in lieu of the Annual Meeting of Stockholders), shall elect the officers of the Corporation who shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined from time to time by the Board of Directors; and each officer of the Corporation shall hold office until such officer's successor is elected and qualified, or until such officer's earlier death, resignation or removal. Any officer elected by the Board of Directors may be removed at any time by the Board of Directors. Any vacancy occurring in any office of the Corporation shall be filled by the Board of Directors. The salaries of all officers of the Corporation shall be fixed by the Board of Directors.

Section 4.3 *Voting Securities Owned by the Corporation.* Powers of attorney, proxies, waivers of notice of meeting, consents and other instruments relating to securities owned by the Corporation may be executed in the name of and on behalf of the Corporation by the President or any Vice President or any other officer authorized to do so by the Board of Directors and any such officer may, in the name of and on behalf of the Corporation, take all such action as any such officer may deem advisable to vote in person or by proxy at any meeting of security holders of any corporation in which the Corporation may own securities and at any such meeting shall possess and may exercise any and all rights and power incident to the ownership of such securities and which, as the owner thereof, the Corporation might have exercised and possessed if present. The Board of Directors may, by resolution, from time to time confer like powers upon any other person or persons.

Table of Contents

Section 4.4 *Chairman of the Board of Directors.* The Chairman of the Board of Directors, if there be one, shall preside at all meetings of the stockholders and of the Board of Directors. The Chairman of the Board of Directors shall be the Chief Executive Officer of the Corporation, unless the Board of Directors designates the President as the Chief Executive Officer, and, except where by law the signature of the President is required, the Chairman of the Board of Directors shall possess the same power as the President to sign all contracts, certificates and other instruments of the Corporation which may be authorized by the Board of Directors. During the absence or disability of the President, the Chairman of the Board of Directors shall exercise all the powers and discharge all the duties of the President. The Chairman of the Board of Directors shall also perform such other duties and may exercise such other powers as may from time to time be assigned by these By-Laws or by the Board of Directors.

Section 4.5 *President.* The President shall, subject to the control of the Board of Directors and, if there be one, the Chairman of the Board of Directors, have general supervision of the business of the Corporation and shall see that all orders and resolutions of the Board of Directors are carried into effect. The President shall execute all bonds, mortgages, contracts and other instruments of the Corporation requiring a seal, under the seal of the Corporation, except where required or permitted by law to be otherwise signed and executed and except that the other officers of the Corporation may sign and execute documents when so authorized by these By-Laws, the Board of Directors or the President. In the absence or disability of the Chairman of the Board of Directors, or if there be none, the President shall preside at all meetings of the stockholders and, provided the President is also a director, the Board of Directors. If there be no Chairman of the Board of Directors, or if the Board of Directors shall otherwise designate, the President shall be the Chief Executive Officer of the Corporation. The President shall also perform such other duties and may exercise such other powers as may from time to time be assigned to such officer by these By-Laws or by the Board of Directors.

Section 4.7 *Secretary.* The Secretary shall attend all meetings of the Board of Directors and all meetings of the stockholders and record all the proceedings thereat in a book or books to be kept for that purpose; the Secretary shall also perform like duties for committees of the Board of Directors when required. The Secretary shall give, or cause to be given, notice of all meetings of the stockholders and special meetings of the Board of Directors, and shall perform such other duties as may be prescribed by the Board of Directors, the Chairman of the Board of Directors or the President, under whose supervision the Secretary shall be. If the Secretary shall be unable or shall refuse to cause to be given notice of all meetings of the stockholders and special meetings of the Board of Directors, and if there be no Assistant Secretary, then either the Board of Directors or the President may choose another officer to cause such notice to be given. The Secretary shall have custody of the seal of the Corporation and the Secretary or any Assistant Secretary, if there be one, shall have authority to affix the same to any instrument requiring it and when so affixed, it may be attested by the signature of the Secretary or by the signature of any such Assistant Secretary. The Board of Directors may give general authority to any other officer to affix the seal of the Corporation and to attest to the affixing by such officer's signature. The Treasurer shall disburse the funds of the Corporation as may be ordered by the Board of Directors, taking proper vouchers for such disbursements, and shall render to the President and the Board of Directors, at its regular meetings, or when the Board of Directors so requires, an account of all transactions as Treasurer and of the financial condition of the Corporation. If required by the Board of Directors, the Treasurer shall give the Corporation a bond in such sum and with such surety or sureties as shall be satisfactory to the Board of Directors for the faithful performance of the duties of the office of the Treasurer and for the restoration to the Corporation, in case of the Treasurer's death, resignation, retirement or removal from office, of all books, papers, vouchers, money and other property of whatever kind in the Treasurer's possession or under the Treasurer's control belonging to the Corporation.

Section 5.2 *Signatures.* Any or all of the signatures on a certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar at the date of issue.

Table of Contents

Section 5.3 *Lost Certificates.* The Board of Directors may direct a new certificate to be issued in place of any certificate theretofore issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such issuance of a new certificate, the Board of Directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate, or such owner's legal representative, to advertise the same in such manner as the Board of Directors shall require and/or to give the Corporation a bond in such sum as it may direct as indemnity against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate or the issuance of such new certificate.

Section 5.4 *Transfers.* Stock of the Corporation shall be transferable in the manner prescribed by applicable law and in these By-Laws. Transfers of stock shall be made on the books of the Corporation only by the person named in the certificate or by such person's attorney lawfully constituted in writing and upon the surrender of the certificate therefor, properly endorsed for transfer and payment of all necessary transfer taxes; provided, however, that such surrender and endorsement or payment of taxes shall not be required in any case in which the officers of the Corporation shall determine to waive such requirement. Every certificate exchanged, returned or surrendered to the Corporation shall be marked "Cancelled," with the date of cancellation, by the Secretary or Assistant Secretary of the Corporation or the transfer agent thereof. No transfer of stock shall be valid as against the Corporation for any purpose until it shall have been entered in the stock records of the Corporation by an entry showing from and to whom transferred.

Section 5.5 *Dividend Record Date.* In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 5.6 *Record Owners.* The Corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends, and to vote as such owner, and to hold liable for calls and assessments a person registered on its books as the owner of shares, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise required by law.

Section 5.7 *Transfer and Registry Agents.* The Corporation may from time to time maintain one or more transfer offices or agencies and registry offices or agencies at such place or places as may be determined from time to time by the Board of Directors.

ARTICLE VI

NOTICES

Section 6.1 *Notices.* Whenever written notice is required by law, the Certificate of Incorporation or these By-Laws, to be given to any director, member of a committee or stockholder, such notice may be given by mail, addressed to such director, member of a committee or stockholder, at such person's address as it appears on the records of the Corporation, with postage thereon prepaid, and such notice shall be deemed to be given at the time when the same shall be deposited in the United States mail. Written notice may also be given personally or by telegram, telex or cable.

Table of Contents

Section 6.2 *Waivers of Notice.* Whenever any notice is required by applicable law, the Certificate of Incorporation or these By-Laws, to be given to any director, member of a committee or stockholder, a waiver thereof in writing, signed by the person or persons entitled to notice, whether before or after the time stated therein, shall be deemed equivalent thereto. Attendance of a person at a meeting, present in person or represented by proxy, shall constitute a waiver of notice of such meeting, except where the person attends the meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any Annual or Special Meeting of Stockholders or any regular or special meeting of the directors or members of a committee of directors need be specified in any written waiver of notice unless so required by law, the Certificate of Incorporation or these By-Laws.

ARTICLE VII

GENERAL PROVISIONS

Section 7.1 *Dividends.* Dividends upon the capital stock of the Corporation, subject to the requirements of the General Corporation Law of the State of Delaware (the "DGCL") and the provisions of the Certificate of Incorporation, if any, may be declared by the Board of Directors at any regular or special meeting of the Board of Directors (or any action by written consent in lieu thereof in accordance with Section 8 of Article III hereof), and may be paid in cash, in property, or in shares of the Corporation's capital stock. Before payment of any dividend, there may be set aside out of any funds of the Corporation available for dividends such sum or sums as the Board of Directors from time to time, in its absolute discretion, deems proper as a reserve or reserves to meet contingencies, or for purchasing any of the shares of capital stock, warrants, rights, options, bonds, debentures, notes, scrip or other securities or evidences of indebtedness of the Corporation, or for equalizing dividends, or for repairing or maintaining any property of the Corporation, or for any proper purpose, and the Board of Directors may modify or abolish any such reserve.

Section 7.2 *Disbursements.* All checks or demands for money and notes of the Corporation shall be signed by such officer or officers or such other person or persons as the Board of Directors may from time to time designate.

Section 7.3 *Fiscal Year.* The fiscal year of the Corporation shall be fixed by resolution of the Board of Directors.

Section 7.4 *Corporate Seal.* The corporate seal shall have inscribed thereon the name of the Corporation, the year of its organization and the words "Corporate Seal, Delaware". The seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise.

ARTICLE VIII

INDEMNIFICATION

Section 8.1 *Power to Indemnify in Actions, Suits or Proceedings other than Those by or in the Right of the Corporation.* Subject to Section 3 of this Article VIII, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation), by reason of the fact that such person is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such

person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.

Section 8.2 *Power to Indemnify in Actions, Suits or Proceedings by or in the Right of the Corporation.* Subject to Section 3 of this Article VIII, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 8.3 *Authorization of Indemnification.* Any indemnification under this Article VIII (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the present or former director or officer is proper in the circumstances because such person has met the applicable standard of conduct set forth in Section 1 or Section 2 of this Article VIII, as the case may be. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (i) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (ii) by a committee of such directors designated by a majority vote of such directors, even though less than a quorum, or (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion or (iv) by the stockholders. Such determination shall be made, with respect to former directors and officers, by any person or persons having the authority to act on the matter on behalf of the Corporation. To the extent, however, that a present or former director or officer of the Corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding described above, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith, without the necessity of authorization in the specific case.

Section 8.4 *Good Faith Defined.* For purposes of any determination under Section 3 of this Article VIII, a person shall be deemed to have acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation, or, with respect to any criminal action or proceeding, to have had no reasonable cause to believe such person's conduct was unlawful, if such person's action is based on the records or books of account of the Corporation or another enterprise, or on information supplied to such person by the officers of the Corporation or another enterprise in the course of their duties, or on the advice of legal counsel for the Corporation or another enterprise or on information or records given or reports made to the Corporation or another enterprise by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Corporation or another enterprise. The provisions of this Section 4

shall not be deemed to be exclusive or to limit in any way the circumstances in which a person may be deemed to have met the applicable standard of conduct set forth in Section 1 or Section 2 of this Article VIII, as the case may be.

Section 8.5 *Indemnification by a Court.* Notwithstanding any contrary determination in the specific case under Section 3 of this Article VIII, and notwithstanding the absence of any determination thereunder, any director or officer may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction in the State of Delaware for indemnification to the extent otherwise permissible under Section 1 or Section 2 of this Article VIII. The basis of such indemnification by a court shall be a determination by such court that indemnification of the director or officer is proper in the circumstances because such person has met the applicable standard of conduct set forth in Section 1 or Section 2 of this Article VIII, as the case may be. Neither a contrary determination in the specific case under Section 3 of this Article VIII nor the absence of any determination thereunder shall be a defense to such application or create a presumption that the director or officer seeking indemnification has not met any applicable standard of conduct. Notice of any application for indemnification pursuant to this Section 5 shall be given to the Corporation promptly upon the filing of such application. If successful, in whole or in part, the director or officer seeking indemnification shall also be entitled to be paid the expense of prosecuting such application.

Section 8.6 *Expenses Payable in Advance.* Expenses (including attorneys' fees) incurred by a director or officer in defending any civil, criminal, administrative or investigative action, suit or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation as authorized in this Article VIII. Such expenses (including attorneys' fees) incurred by former directors and officers or other employees and agents may be so paid upon such terms and conditions, if any, as the Corporation deems appropriate.

Section 8.7 *Nonexclusivity of Indemnification and Advancement of Expenses.* The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VIII shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under the Certificate of Incorporation, these By-Laws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office, it being the policy of the Corporation that indemnification of the persons specified in Section 1 and Section 2 of this Article VIII shall be made to the fullest extent permitted by law. The provisions of this Article VIII shall not be deemed to preclude the indemnification of any person who is not specified in Section 1 or Section 2 of this Article VIII but whom the Corporation has the power or obligation to indemnify under the provisions of the DGCL, or otherwise.

Section 8.8 *Insurance.* The Corporation may purchase and maintain insurance on behalf of any person who is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power or the obligation to indemnify such person against such liability under the provisions of this Article VIII.

Table of Contents

Section 8.9 *Certain Definitions.* For purposes of this Article VIII, references to "the Corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors or officers, so that any person who is or was a director or officer of such constituent corporation, or is or was a director or officer of such constituent corporation serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article VIII with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued. The term "another enterprise" as used in this Article VIII shall mean any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise of which such person is or was serving at the request of the Corporation as a director, officer, employee or agent. For purposes of this Article VIII, references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to "serving at the request of the Corporation" shall include any service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves services by, such director or officer with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the Corporation" as referred to in this Article VIII.

Section 8.10 *Survival of Indemnification and Advancement of Expenses.* The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VIII shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 8.11 *Limitation on Indemnification.* Notwithstanding anything contained in this Article VIII to the contrary, except for proceedings to enforce rights to indemnification (which shall be governed by Section 5 of this Article VIII), the Corporation shall not be obligated to indemnify any director or officer (or his or her heirs, executors or personal or legal representatives) or advance expenses in connection with a proceeding (or part thereof) initiated by such person unless such proceeding (or part thereof) was authorized or consented to by the Board of Directors of the Corporation.

Section 8.12 *Indemnification of Employees and Agents.* The Corporation may, to the extent authorized from time to time by the Board of Directors, provide rights to indemnification and to the advancement of expenses to employees and agents of the Corporation similar to those conferred in this Article VIII to directors and officers of the Corporation.

ARTICLE IX

AMENDMENTS

Section 9.1 *Amendments.* These By-Laws may be altered, amended or repealed, in whole or in part, or new By-Laws may be adopted by the stockholders or by the Board of Directors; provided, however, that notice of such alteration, amendment, repeal or adoption of new By-Laws be contained in the notice of such meeting of the stockholders or Board of Directors, as the case may be. All such amendments must be approved by either the holders of a majority of the outstanding capital stock entitled to vote thereon or by a majority of the entire Board of Directors then in office.

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and *further provided* that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the Merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

- a. shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
- b. shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the Merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;
- c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or
- d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 or § 267 of this title is not owned by the parent immediately prior to the Merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the Merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the Merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the Merger or consolidation of the date that the Merger or consolidation has become effective; or

(2) If the Merger or consolidation was approved pursuant to § 228, § 253, or § 267 of this title, then either a constituent corporation before the effective date of the Merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the Merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the Merger or consolidation, shall, also notify such stockholders of the effective date of the Merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the Merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the Merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the Merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; *provided, however,* that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give

either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, *provided*, that if the notice is given on or after the effective date of the Merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the Merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the Merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the Merger or consolidation. Within 120 days after the effective date of the Merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the Merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the Merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the

fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the Merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the Merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the Merger and the date of payment of the judgment. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the Merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the Merger or consolidation); *provided, however*, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the Merger or consolidation, either within 60 days after the effective date of the Merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; *provided, however* that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the Merger or consolidation within 60 days after the effective date of the Merger or consolidation, as set forth in subsection (e) of this section.
