Mr. Clark had a solid background as a chartered accountant before becoming an accomplished entrepreneur involved in investment banking and in investment and management of natural resource companies in Canada. Mr. Clark's understanding of accounting procedures and controls, coupled with his knowledge of the Corporation's projects and their financial requirements qualifies him to serve effectively as the Chairman of the Audit Committee and contribute to the financial management of the Corporation. Mr. Earnest relates well to government leaders in all jurisdictions where we are advancing projects. The Corporation believes that his continued involvement in the execution of the Corporation's business plan will lead to increased shareholder value. Furthermore, Mr. Earnest has demonstrated both integrity and high ethical standards in his business dealings and personal affairs to date, qualities which a person must possess under the Mandate of the Board of Directors (attached as Appendix "B" to this Information Circular) in order to be considered for nomination and election to the Board. Given the international reputation and wealth of experience that Mr. Eppler has in the commercial and investment banking aspects of the global resource sector, the Corporation believes that he should once again serve on the Board of Directors to help further develop the business and success of the Corporation. Mr. Eppler's commercial and investment banking experience are important to the Corporation. Dr. Adshead-Bell has indicated that she does not desire to stand for re-election at the Meeting.

There are no family relationships among any directors, officers or persons nominated to be directors of the Corporation. No directors of the Corporation are also directors of issuers with a class of securities registered under Section 12 of the United States *Securities Exchange Act of 1934*, as amended (the "**Exchange Act**") (or which otherwise are required to file periodic reports under the Exchange Act) except for W. Durand Eppler who is a director of Augusta Resource Corporation and Tracy A. Stevenson who is a director of Quaterra Resources Inc.

None of the above directors has entered into any arrangement or understanding with any other person pursuant to which he or she was, or is to be, elected as a director of the Corporation or a nominee of any other person.

No director or officer of the Corporation is a party adverse to the Corporation or any of its subsidiaries, or has a material interest adverse to the Corporation or any of its subsidiaries. During the past ten years, no director or executive officer of the Corporation has:

- (a) filed or has had filed against such person, a petition under the U.S. federal bankruptcy laws or any state insolvency law, nor has a receiver, fiscal agent or similar officer been appointed by a court for the business or property of such person, or any partnership in which such person was a general partner, at or within two years before the time of filing, or any corporation or business association of which such person was an executive officer, at or within two years before such filings;
- (b) been convicted or pleaded guilty or *nolo contendere* in a criminal proceeding or is a named subject of a pending criminal proceeding (excluding traffic violations and other minor offences);
- (c) been the subject of any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting such person's activities in any type of business, securities, trading, commodity or banking activities;
- (d) been the subject of any order, judgment or decree, not subsequently reversed, suspended or vacated, of any U.S. federal or state authority barring, suspending or otherwise limiting for more than 60 days the right of such person to engage in any type of business, securities, trading, commodity or banking activities, or to be associated with persons engaged in any such activity;
- (e) been found by a court of competent jurisdiction in a civil action or by the U.S. Securities and Exchange Commission (the "**SEC**"), or by the U.S. Commodity Futures Trading Commission to have violated a U.S. federal or state securities or commodities law, and the judgment has not been reversed, suspended, or vacated;
- (f) been the subject of, or a party to, any U.S. federal or state judicial or administrative order, judgment, decree, or finding, not subsequently reversed, suspended or vacated, relating to an alleged violation of: (i) any U.S. federal or state securities or commodities law or regulation; or (ii) any law or regulation respecting financial institutions or insurance companies including, but not limited to, a temporary or

permanent injunction, order of disgorgement or restitution, civil money penalty or temporary or permanent cease-and-desist order, or removal or prohibition order; or (iii) any law or regulation prohibiting mail or wire fraud or fraud in connection with any business entity; or

been the subject of, or a party to, any sanction or order, not subsequently reversed, suspended or vacated, of any self-regulatory organization (as defined in Section 3(a)(26) of the Exchange Act (15 U.S.C.78c(a)(26))), any registered entity (as defined in Section 1(a)(29) of the U.S. Commodity Exchange Act (7 U.S.C.1(a)(29))), or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

Additional information regarding the various committees of the Board of Directors, and the attendance of each director at meetings of the Board of Directors and its committees held during 2012, is set out below under "Corporate Governance".

The TSX has adopted amendments to its Company Manual, which became effective December 31, 2012, requiring listed companies to disclose whether they have adopted a majority voting policy for the election of directors. Shareholders are entitled to vote "for" or "withhold" their vote in respect of the election of each director. A majority voting policy generally provides that a director who receives a majority of "withhold" votes but is elected as a matter of law, must tender his resignation for consideration by the Board of Directors. The Board of Directors is generally expected to accept the director's resignation and make a public announcement of its decision.

The Corporation has not adopted a majority voting policy. The Board believes that additional consideration is required before determining whether to change the manner in which the Corporation's directors are elected. The current practice of the Corporation is to consider individual directors elected in accordance with applicable corporate and securities laws.

Cumulative voting (*i.e.*, a form of voting where shareholders are permitted to cast all of their aggregate votes for a single nominee) will not be permitted. **The directors must be elected by an affirmative vote of a plurality of the votes cast, either in person or by proxy, at the Meeting on this matter.**

The Board recommends a vote "FOR" each of the nominees for director.

Appointment of Auditor

The Corporation has proposed the appointment of PricewaterhouseCoopers LLP of Denver, Colorado, as the auditor of the Corporation to hold office until the close of the next annual general meeting of the Corporation or until a successor is appointed. It is proposed that the remuneration to be paid to the auditor be fixed by the Board of Directors through the Audit Committee.

Effective on May 31, 2012, the Corporation changed its auditors from PricewaterhouseCoopers LLP, Vancouver, British Columbia ("**PWC Vancouver**") to PricewaterhouseCoopers LLP, Denver, Colorado ("**PWC Denver**"). The change was made because the Corporation switched to reporting its financial statements pursuant to United States generally accepted accounting principles and its principal place of business is located in a suburb of Denver. Therefore, conducting the Corporation's audit out of the Vancouver office of PricewaterhouseCoopers LLP was no longer cost effective to the Corporation. On May 31, 2012, at the request of the Corporation and upon mutual agreement, PWC Vancouver resigned as the principal independent registered public accountant of the Corporation, and PWC Denver was engaged as the Corporation's principal independent registered public accountant. For United States securities law purposes, PWC Vancouver and PWC Denver are separate accounting firms, and therefore for United States securities law purposes, the switch from PricewaterhouseCoopers LLP's Vancouver office to the Denver office constituted a change of auditor for the Corporation. For purposes of complying with National Instrument 51-102 Continuous Disclosure Obligations of the Canadian Securities Administrators, and for complying with the requirements of Schedule 14A, a copy of the Corporation's disclosure in regard to the change of auditor in the U.S. is attached as Appendix "C" and incorporated herein by reference.

Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted "FOR" the appointment of PricewaterhouseCoopers LLP as the auditor of the Corporation to hold office until the close of the next annual general meeting of the Corporation or until a successor is appointed and that the remuneration to be paid to the auditor be fixed by the Board of Directors through the Audit Committee. PricewaterhouseCoopers LLP (then Coopers & Lybrand) was first appointed as the auditor of the Corporation on June 28, 1985.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Meeting and to be available to respond to appropriate questions from persons present at the Meeting. If representatives of PricewaterhouseCoopers LLP are present at the Meeting, the Chairman of the Meeting will provide such representatives with the opportunity to make a statement if they so desire.

The auditors must be appointed by an affirmative vote of a simple majority of the votes cast, either in person or by proxy, at the Meeting on this matter.

The Board recommends a vote "FOR" the appointment of PricewaterhouseCoopers LLP of Denver, Colorado as the auditor of the Corporation.

Fees Paid to Auditor and their Independence from the Corporation

The Corporation retained PricewaterhouseCoopers LLP to provide services which were billed for the years ended December 31, 2012 and 2011 in the following categories and amounts:

	2012		2011	
Audit Fees ⁽¹⁾	\$	387,000	Cdn\$	243,000
Audit Related Fees ⁽²⁾	\$	84,000	Cdn\$	130,000
Tax Fees ⁽³⁾	\$	86,000	Cdn\$	108,000
All Other Fees ⁽⁴⁾				
Totals	\$	557,000	Cdn\$	481,000

- (1) "Audit Fees" represent fees for the audit of the Corporation's consolidated annual financial statements, review of the Corporation's interim financial statements and review in connection with regulatory financial filings.
- (2) "Audit Related Fees" represent fees for assistance with the application of accounting and financial reporting standards and regulatory filings.
- (3) "Tax Fees" represent fees for tax compliance, tax consulting and tax planning.
- (4) For 2012 and 2011, no other fees were paid for legal compliance and business practice reviews, financial information systems design and implementation, internal audit co-sourcing services or other matters not covered by Audit Fees, Audit Related Fees or Tax Fees.

Policy on Pre-Approval by Audit Committee of Services Performed by Independent Auditors

The Audit Committee has adopted procedures requiring the Audit Committee to review and approve in advance of all particular engagements for services provided by the Corporation's independent auditor. Consistent with applicable laws, the procedures permit limited amounts of services, other than audit, review or attestation services, to be approved by one or more members of the Audit Committee pursuant to authority delegated by the Audit Committee, provided that the Audit Committee is informed of each particular service. All of the engagements and fees for 2012 were pre-approved by the Audit Committee. The Audit Committee reviews with the auditor whether the non-audit services to be provided are compatible with maintaining the auditor's independence. The Board has determined that fees paid to the independent auditors for non-audit services in any year will not exceed the fees paid for audit services during the year. Permissible non-audit services will be limited to fees for tax services, accounting assistance or audits in connection with acquisitions, and other services specifically related to accounting or audit matters such as audits of employee benefit plans.

Corporate Jurisdiction and Amended Articles

Background

The Corporation's corporate matters are currently governed by the *Business Corporations Act* (Yukon) (the "**YBCA**"). The Corporation was continued from British Columbia to the Yukon Territory, Canada on December 17, 1997 because, among other reasons, the Company Act (British Columbia) (the "**BC Company Act**") imposed strict Canadian and British Columbia residency requirements on members of boards of directors, whereas the YBCA provided the flexibility to appoint a majority of non-resident directors, if appropriate.

Effective March 29, 2004, the *Business Corporations Act* (British Columbia) (the "**BCBCA**") replaced the Company Act. As a consequence, all British Columbia companies are now governed by the BCBCA, which modernizes and streamlines company law in British Columbia and represents an improvement over the Company Act, including eliminating the residency requirements for directors imposed by the Company Act.

Management believes that continuing into British Columbia will be beneficial to the Corporation. Among other benefits, the continuation will allow the Corporation to take advantage of the recently implemented "notice and access" provisions of Canadian securities laws that will allow the Corporation to offer shareholders the option of receiving certain corporate communications such as meeting materials via the internet. The YBCA requires certain communications to be physically mailed to shareholders, thereby reducing the utility of the notice and access provisions. The Corporation's ability to fully utilize the notice and access mechanism by continuing into British Columbia is expected to result in significant cost savings to the Corporation. In addition, management expects that the continuation will result in more cost-effective operations and enhanced efficiency in the handling of corporate matters by eliminating the need to engage separate Yukon counsel.

Under the YBCA, the Corporation may, if authorized by a special resolution of its shareholders, apply to the Registrar of Companies in British Columbia to continue its corporate jurisdiction under the BCBCA.

Charter Documents

Upon the continuance becoming effective, the Corporation's current articles (the "**Yukon Articles**") and the existing by-laws of the Corporation (the "**By-Laws**") will be replaced with a notice of articles (the "**Notice of Articles**") and articles (the "**Articles**") in compliance with the BCBCA. Copies of the Notice of Articles and Articles are attached hereto in Appendix "D" and will be available for review by the shareholders at the Meeting. In addition, copies of the Notice of Articles and Articles will be mailed, free of charge, to any shareholder who requests a copy in writing.

Other than the addition of the advance notice provisions (the "**Advance Notice Provisions**"), as further described below, the provisions of the Notice of Articles and Articles are together substantially the same as the existing Yukon Articles and By-Laws, but incorporate a number of non-substantive changes, including the use of slightly different terminology adopted under the BCBCA. Appendix "E" to this Information Circular sets out a summary of certain differences between the BCBCA and the YBCA. However, the summary is not exhaustive and shareholders are urged to consult their legal and other advisors with regard to the implications of the proposed continuance that may be important to them.

The inclusion of Advance Notice Provisions in the proposed Articles is a substantive change from the Corporation's current Yukon Articles. The Advance Notice Provisions fix a deadline by which shareholders must submit director nominations to the Corporation prior to any annual or special meetings of shareholders. In the case of an annual meeting, the deadline is not less than 30 days and not more than 65 days prior to the date of the meeting. In the case of a special meeting that is not also an annual meeting, the deadline is not later than the close of business on the 15th day following the day on which the special meeting was first publicly announced. The Advance Notice Provisions also describe the information that a shareholder must include in the form of notice that must be provided to the Corporation.

The Advance Notice Provisions will: (i) facilitate orderly and efficient annual, or as required, special meetings of shareholders; (ii) ensure that all shareholders receive adequate notice of director nominations and sufficient information with respect to all nominees; and (iii) allow shareholders to register an informed vote. The full text of the Advance Notice Provisions is set out in the proposed Articles, which will be available for review

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

by the shareholders at the Meeting, or will be mailed, free of charge, to any shareholder who requests a copy in writing.

Registered Office

As part of the continuation, the Corporation will change its registered and records office from MacDonald & Company at its offices at 200 - 204 Lambert Street, Whitehorse, Yukon Territory, Canada Y1A 3T2 to Borden Ladner Gervais LLP, at its offices at 1200 - 200 Burrard Street, Vancouver British Columbia, Canada V7X 1T2.

Approval of Continuance

At the Meeting, management of the Corporation will ask shareholders to consider and, if deemed advisable, to approve the following special resolution (the "**Continuance Resolution**"):

BE IT RESOLVED as a special resolution that, subject to regulatory approval:

- (a) the continuance of the Corporation into British Columbia is hereby authorized and approved;
- (b) the Corporation:
 - (i) apply to the Yukon Registrar of Companies (the "**Yukon Registrar**") to obtain approval for a continuance pursuant to section 191 of the *Business Corporations Act* (Yukon);
 - (ii) apply to the British Columbia Registrar of Companies (the "**B.C. Registrar**") to continue as a British Columbia company pursuant to section 302 of the *Business Corporations Act* (British Columbia); and
 - (iii) deliver a copy of the Certificate of Continuation issued by the B.C. Registrar to the Yukon Registrar and request that the Yukon Registrar issue a Certificate of Discontinuance under section 191(6) of the *Business Corporations Act* (Yukon);
- (c) subject to the issuance of such Certificate of Continuation and without affecting the validity and existence of the Corporation by or under its current articles and by-laws and any act done thereunder, the Corporation adopt, in accordance with the BCBCA, a notice of articles and articles in substitution for the current articles and by-laws of the Corporation, as more fully described in the management information and proxy circular dated March 26, 2013;
- (d) any one or more of a group comprised of the directors and officers of the Corporation is hereby authorized for and on behalf of the Corporation to take all action, to do all things and to execute, under the common seal of the Corporation or otherwise, and to deliver or cause to be delivered in the name of and on behalf of the Corporation all documents and instruments as such directors or officers of the Corporation may deem necessary or advisable in connection with the matters referred to in the foregoing resolutions; and
- (e) notwithstanding that this Special Resolution has been duly passed by the shareholders of the Corporation, the Board of Directors of the Corporation may, in its sole discretion and without further approval of the shareholders of the Corporation, revoke this Special Resolution at any time prior to effecting the continuance and elect not to act on or carry out this Special Resolution.

In order to become effective, the Continuance Resolution must be approved by at least two-thirds of the votes cast by shareholder present in person or by proxy at the Meeting. The Board recommends that the shareholders vote "FOR" the Continuance Resolution.

Dissenting Shareholders Rights

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

Registered shareholders are entitled to dissent from the Continuance Resolution in the manner provided in section 193 of the YBCA. Section 193 of the YBCA is reprinted in its entirety and attached to this Information Circular at Appendix "F". Shareholders are not entitled to dissent with respect to any other matter that may be considered at the Meeting.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

A shareholder entitled to dissent under Section 193 and who complies with such section is entitled to be paid by the Corporation the fair value of the shares in respect of which the shareholder dissents, determined as of the close of business on the last business day before the day on which the resolution from which the shareholder dissents was adopted. A dissenting shareholder may only claim under this Section 193 with respect to all the shares of a class held by the dissenting shareholder or on behalf of any one beneficial owner and registered in the name of the dissenting shareholder. Fair value can be determined by an application to the Supreme Court of British Columbia after the adoption of the Continuance Resolution by either the Corporation or a dissenting shareholder who has provided proper written notice under Section 193 of their objection to the Continuance Resolution. If such application is made the Corporation shall send to such dissenting shareholder a written offer to pay an amount considered by the directors of the Corporation to be fair value of the shares. A shareholder is not required to vote against the Continuance Resolution at the Meeting to maintain its rights as a dissenting shareholder.

A dissenting shareholder must send written notice to the Corporation at or before the Meeting. Upon the adoption of the Continuance Resolution or upon an agreement between the Corporation and the dissenting shareholder to purchase the dissenting shareholders shares in relation to the adoption of the Continuance Resolution or upon order the Supreme Court of British Columbia setting the fair value of shares in accordance with Section 193, such dissenting shareholders shall no longer have the rights of a shareholders of the Corporation other than the right to be paid the fair value of the shares. Until one such events as described above occurs, a shareholder may withdraw their dissent and the Corporation may rescind the Continuance Resolution.

Information About Proxies

Solicitation of Proxies

The solicitation of proxies by management and the Board will be made primarily by mail but solicitation may be made by telephone or in person with the cost of such solicitation to be borne by the Corporation. **While no arrangements have been made to date, the Corporation may contract for the solicitation of proxies for the Meeting. Such arrangements would include customary fees which would be borne by the Corporation. Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted "FOR" the Continuous Resolution.**

Appointment of Proxyholder

The persons named in the enclosed form of proxy for the Meeting are officers of the Corporation and nominees of management and the Board. A registered shareholder has the right to appoint some other person, who need not be a shareholder, to represent such registered shareholder at the Meeting by inserting that other person's name in the blank space provided on the form of proxy, which form of proxy is set out in Appendix "A". If a registered shareholder appoints one of the persons designated in the accompanying form of proxy as a nominee and does not direct the said nominee to vote either "FOR" or "AGAINST" or "WITHHOLD" from voting on a matter or matters, or where instructions on the form of proxy are uncertain with respect to which an opportunity to specify how the Common Shares registered in the name of such registered shareholder shall be voted, the proxy shall be voted "FOR" the resolution.

The instrument appointing a proxyholder must be in writing and signed by the registered shareholder, or such registered shareholder's attorney authorized in writing, or if the registered shareholder is a corporation, by a duly authorized officer, or attorney, of such corporation. An undated but executed proxy will be deemed to be dated the date of the mailing of the proxy by the Corporation or its agent. In order for a proxy to be valid, a registered shareholder must:

- (a) sign and print his or her name on the lines specified for such purpose at the bottom of the form of proxy; and
- (b) return the properly executed and completed form of proxy:
 - (i) by mailing it or delivering it by hand in the appropriate enclosed return envelope addressed to Computershare Investor Services Inc., or

(ii)

by faxing it to Computershare Investor Services Inc. at 1-866-249-7775 (toll free in North America) or 1-416-263-9524 (international), to be received by 10:00 a.m., Vancouver time, on April 26, 2013, or no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment or postponement of the Meeting, unless the Chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Revocation of Proxy

A registered shareholder may revoke a proxy by delivering an instrument in writing executed by such registered shareholder or by the registered shareholder's attorney authorized in writing or, where the registered shareholder is a corporation, by a duly authorized officer or attorney of such corporation, either to the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, with the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof and before any vote in respect of which the proxy is to be used shall have been taken, or in any other manner permitted by law.

Voting of Proxies

A registered shareholder may direct the manner in which his or her Common Shares are to be voted or withheld from voting in accordance with the instructions of the registered shareholder by marking the form of proxy accordingly. The management nominees designated in the enclosed form of proxy will vote the Common Shares represented by proxy in accordance with the instructions of the registered shareholder on any resolution that may be called for and if the registered shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **Where no choice is so specified with respect to any resolution or in the absence of certain instructions, the Common Shares represented by a proxy given to management will be voted "FOR" the resolution. If more than one direction is made with respect to any resolution, such Common Shares will similarly be voted "FOR" the resolution.**

Exercise of Discretion by Proxyholders

The enclosed form of proxy when properly completed and delivered and not revoked, confers discretionary authority upon the proxyholders named therein with respect to amendments or variations of matters identified in the accompanying Notice of Meeting, and other matters not so identified which may properly be brought before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. If any amendment or variation or other matter comes before the Meeting, the persons named in the proxy will vote in accordance with their best judgement on such amendment, variation or matter, subject to any limitations imposed by applicable law.

Voting by Beneficial Shareholders

The information set out in this section is important to many shareholders as a substantial number of shareholders do not hold their Common Shares in their own name.

Persons who hold Common Shares through their brokers, agents, trustees or other intermediaries (such persons, "**Beneficial Shareholders**") should note that only proxies deposited by registered shareholders whose names appear on the share register of the Corporation may be recognized and acted upon at the Meeting. If Common Shares are shown on an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases the name of such Beneficial Shareholder will not appear on the share register of the Corporation. Such Common Shares will most likely be registered in the name of the broker or an agent of the broker. In Canada, the vast majority of such shares will be registered in the name of "CDS & Co.", the registration name of CDS Clearing and Depository Services Inc., and in the United States, the vast majority will be registered in the name of "Cede & Co.", the registration name of the Depository Trust Company, which entities act as nominees for many brokerage firms. Common Shares held by brokers, agents, trustees or other intermediaries can only be voted by those brokers, agents, trustees or other intermediaries in accordance with instructions received from Beneficial Shareholders. As a result, Beneficial Shareholders should carefully review

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

the voting instructions provided by their intermediary with this Information Circular and ensure they communicate how they would like their Common Shares voted in accordance with those instructions.

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as "**NOBOs**". Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Corporation are referred to as "**OBOs**". In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has elected to send the Notice of Meeting, this Information Circular and the form of proxy (collectively, the "**Meeting Materials**") indirectly through intermediaries to all of the Beneficial Shareholders. The intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each Beneficial Shareholder, unless the Beneficial Shareholder has waived the right to receive them.

Intermediaries will frequently use service companies to forward the Meeting Materials to Beneficial Shareholders. Generally, a Beneficial Shareholder who has not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which (i) has already been signed by the intermediary (typically by a facsimile, stamped signature), (ii) is restricted as to the number of shares beneficially owned by the Beneficial Shareholder, and (iii) must be completed, but not signed, by the Beneficial Shareholder and deposited with Computershare Investor Services Inc.; or
- (b) more typically, be given a voting instruction form ("**VIF**") which (i) is not signed by the intermediary, and (ii) when properly completed and signed by the Beneficial Shareholder and returned to the intermediary or its service company, will constitute voting instructions which the intermediary must follow.

VIFs should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the Common Shares which they beneficially own.

Please return your voting instructions as specified in the VIF. Beneficial Shareholders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent, trustee or other intermediary, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting or have someone else attend on their behalf, and indirectly vote their Common Shares as proxyholder for the registered shareholder should contact their broker, agent, trustee or other intermediary well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

Securities Entitled to Vote

As of March 20, 2013 the authorized share capital of the Corporation consists of an unlimited number of Common Shares, without par value of which Common Shares are issued and outstanding. Every shareholder who is present in person and entitled to vote at the Meeting shall on a show of hands have one vote and shall on a poll have one vote for each Common Share of which the shareholder is the registered holder, and such shareholder may exercise such vote either in person or by proxy.

The Board of Directors of the Corporation has fixed the close of business on March 20, 2013 as the record date for the purpose of determining the shareholders entitled to receive notice of the Meeting, but the failure of any shareholder to receive notice of the Meeting does not deprive such shareholder of the entitlement to vote at the Meeting. Every registered shareholder of record at the close of business on March 20, 2013 who personally attends the Meeting will be entitled to vote at the Meeting or any adjournment or postponement thereof, except to the extent that:

- (a) such shareholder has transferred the ownership of any of his or her Common Shares after March 20, 2013; and

- (b) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares, and demands, not later than 10 days before the Meeting, that his or her name be included in the list of shareholders entitled to vote at the Meeting, in which case the transferee is entitled to vote those Common Shares at the Meeting.

Broker Non-Votes

Brokers and other intermediaries, holding shares in street name for their customers, are required to vote the shares in the manner directed by their customers. Under the *Business Corporations Act* (Yukon), brokers are not entitled to vote shares held in street name for their customers where they have not received written voting instructions from the Beneficial Shareholders of those shares. Under the rules of the NYSE, brokers are prohibited from giving proxies to vote on non-routine matters (including, but not limited to, non-contested director elections) unless the beneficial owner of such shares has given voting instructions on the matter.

The absence of a vote on a matter where the broker has not received written voting instructions from a Beneficial Shareholder is referred to as a "broker non-vote". Any shares represented at the Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact on any matters to be acted upon at the Meeting.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

The Corporation has no charter or by-law provisions that would delay, defer or prevent a change in control of the Corporation.

The Corporation is not aware of any arrangement that might result in a change in control in the future. To the Corporation's knowledge there are no arrangements, including any pledge by any person of the

Corporation's securities, the operation of which may at a subsequent date result in a change in the Corporation's control.

Quorum

Under By-Law No. 1 of the Corporation, the quorum for the transaction of business at the Meeting is two shareholders present in person or by proxy.

Abstentions will be counted as present for purposes of determining the presence of a quorum for purposes of these matters, but will not be counted as votes cast. Broker non-votes (shares held by a broker or nominee as to which the broker or nominee does not have the authority to vote on a particular matter) will not be counted as present for purposes of determining the presence of a quorum for purposes of these matters and will not be voted.

Accordingly, neither abstentions nor broker non-votes will have any effect on the outcome of the votes on the matters to be acted upon at the Meeting.

Corporate Governance

The Corporation's Board of Directors and executive officers consider good corporate governance to be an important factor in the efficient and effective operation of the Corporation. The Canadian Securities Administrators implemented National Policy 58-201 *Corporate Governance Guidelines* and Canadian National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("**NI 58-101**") in each of the provinces and territories of Canada. The NYSE MKT ("**NYSE MKT**") has also established rules for corporate governance as detailed in the NYSE MKT's Company Guide (the "**NYSE MKT Company Guide**"). The Board of Directors is of the view that the Corporation's system of corporate governance meets or exceeds the majority of each of these sets of guidelines and requirements.

Board of Directors

The present Board of Directors consists of seven directors, four of whom are viewed as being "independent" within the meaning of NI 58-101 and five of whom qualify as unrelated directors who are viewed as being "independent" within the meaning of Section 803A of the NYSE MKT Company Guide. Nicole S. Adshead-Bell, John M. Clark, C. Thomas Ogryzlo and Tracy A. Stevenson are considered to be independent members of the Board of Directors. Dr. Adshead-Bell has determined not to stand for re-election at the Meeting. The Board has determined not to promote a replacement for Dr. Adshead-Bell and upon the conclusion of the Meeting the Board of Directors will consist of six members.

Although W. Durand Eppler is considered to be independent within the meaning of Rule 803A of the NYSE MKT Company Guide, he is not considered to be independent under Rule 10A-3 of the Exchange Act or NI 58-101 as a result of consulting fees that were paid since April 1, 2009, by the Corporation to Sierra Partners LLC ("**Sierra**"), a limited liability company in which Mr. Eppler is a managing member and one-third owner.

On April 1, 2008, the Corporation entered into an agreement with Sierra to provide investor relations and corporate finance consulting services to the Corporation. Under the terms of the agreement, Sierra provided consulting services to the Corporation between April 1, 2008 and March 31, 2009. On April 1, 2009, the Corporation entered into a subsequent agreement. Under the terms of the agreement, Sierra provided consulting services to the Corporation between April 1, 2009 and March 31, 2010, after which time Sierra has provided consulting services on a month-to-month basis. Sierra provides support and analysis of the Corporation's general corporate finance and strategy efforts. The Corporation agreed to pay to Sierra a monthly retainer fee of \$10,000 during the term of the agreement for said services. For the year ended December 31, 2012, the Corporation had made payments totalling \$127,577, which included consulting fees of \$120,000 and reimbursed expenses of \$5,577. The Board of Directors does not believe that the payment of this consulting fee will materially interfere with Mr. Eppler's ability to act in the best interests of the Corporation and has concluded that he remains able to act independently of management of the Corporation.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

Frederick H. Earnest is not an independent director because of his management position with the Corporation and Michael B. Richings is not an independent director because of his management position with the Corporation within the last three years.

Board Leadership Structure

Michael B. Richings is the Chairman of the Board and is not considered under securities laws to be an independent director. All of the members of the Corporate Governance and Nominating Committee, which meets regularly without management present are independent directors. In addition, the Audit Committee and Compensation Committee are comprised entirely of independent directors within the meaning of Rule 10A-3 of the Exchange Act and Section 803A of the NYSE MKT Company Guide. W. Durand Eppler, a non-management director who is "independent" within the meaning of Section 803A of the NYSE MKT Company Guide, the Chair of the Health, Safety, Environmental and Social Responsibility Committee. The Board has reviewed the Corporation's current Board leadership structure in light of the composition of the Board, the Corporation's size, the nature of the Corporation's business, the regulatory framework under which the Corporation operates, the Corporation's share base, the Corporation's peer group and other relevant factors, and has determined that having a non-executive Chairman of the Board with the valuable experience and knowledge of the Corporation that Mr. Richings possesses is currently the most appropriate leadership structure for the Corporation.

The Board of Directors believes that adequate structures and processes are in place to facilitate the functioning of the Board of Directors independently of the Corporation's management. A majority of the Board of Directors are independent directors. The Audit Committee, the Corporate Governance and Nominating Committee and the Compensation Committee are entirely composed of independent directors and will be entirely composed of independent directors after the resignation of Dr. Adshead-Bell. In addition, the Board of Directors has discussed the independence of Mr. Eppler and concluded that the corporate finance and strategy services provided by the firm in which he is a partner do not affect his ability to independently evaluate the matters of consideration before the Board, nor has it affected his ability to participate in the open dialogue that is essential to the function of the Board. The independent directors met together 15 times during 2012. The regularly scheduled committee meetings give the independent directors the opportunity for open and frank discussions on all matters they consider relevant, including an assessment of their own performance. In addition, the Board of Directors meets periodically with the Corporation's auditor without management present. Accordingly, the Board of Directors believes that there is adequate leadership of the independent directors and that it is currently unnecessary to appoint a lead independent director.

A number of directors of the Corporation hold directorships with other issuers. Details of those other directorships can be found above in the table under the heading "Particular Matters to be Acted Upon Election of Directors".

Mandate of the Board of Directors

Pursuant to the Yukon *Business Corporations Act*, the Board of Directors is required to manage or supervise the management of the affairs and business of the Corporation. The Board of Directors has adopted a written mandate, which defines its stewardship responsibilities in light of this statutory obligation. Under this mandate, the directors' principal responsibilities are to supervise and evaluate management, to oversee the conduct of the business, to set policies appropriate for the business and to approve corporate strategies and goals. In addition, the Board of Directors has also specifically assumed responsibility for succession planning and monitoring senior management, the Corporation's disclosure policy, and the integrity of the Corporation's internal control and management information systems. In carrying out these responsibilities, the Board of Directors is entitled to place reasonable reliance on management. The mandate and responsibilities of the Board of Directors are to be carried out in a manner consistent with the fundamental objective of protecting and enhancing the value of the Corporation and providing ongoing benefit to the shareholders. A copy of the Mandate of the Board of Directors is attached as Appendix "C".

Position Descriptions

The Board of Directors has not developed written position descriptions for the Chair of the Board of Directors, the Chair of each committee, or the Chief Executive Officer. Accordingly, the roles and responsibilities of those positions are currently delineated on the basis of customary practices.

The Chair of each committee of the Board of Directors is identified below under the heading "Committees of the Board of Directors".

Orientation and Continuing Education

New Board members receive comprehensive orientation regarding the role of the Board of Directors, its committees and the directors, as well as the nature and operations of the Corporation's business. As well, presentations are given, from time to time, to the Board of Directors on legal and other matters applicable to the Corporation and directors' duties.

Ethical Business Conduct

On December 19, 2003, the Board of Directors adopted a Code of Business Conduct and Ethics (the "**Code of Ethics**"), which is based on the fundamental principles of honesty, loyalty, fairness, forthrightness and use of common sense in general. The Code of Ethics was amended on March 2, 2009 and March 5, 2013. An integral part of the Code of Ethics is the policy that the Corporation will be managed with full transparency, and in the best interests of the shareholders and other stakeholders of the Corporation. The Code of Ethics (as amended) is available on the Corporation's website at www.vistagold.com. The Code of Ethics applies to all directors, officers and employees, including the principal executive and financial officers. The Board of Directors, through the Corporate Governance and Nominating Committee, is responsible for monitoring compliance with the Code of Ethics. The Corporate Governance and Nominating Committee reviews with management any issues with respect to compliance with the Code of Ethics. The Corporation intends to disclose any waiver from a provision of its Code of Ethics that applies to any of its principal executive officer, principal financial officer, or controller or persons performing similar functions that relates to any element of its Code of Ethics on its website. No waivers were granted from the requirements of the Corporation's Code of Ethics during the year ended December 31, 2012, or during the subsequent period through to the date of this Information Circular.

The Board of Directors ensures, through the Corporate Governance and Nominating Committee, that the directors exercise independent judgement in considering transactions and agreements in respect of which a director or executive officer has a material interest. The Code of Ethics sets out the procedure with respect to reporting conflicts of interest. Actual or potential conflicts of interests are reported to the Chair of the Corporate Governance and Nominating Committee. Members of the Corporate Governance and Nominating Committee are required to be particularly vigilant in reviewing and approving conflicts of interests.

Committees of the Board of Directors

During 2012, there were four standing committees of the Board of Directors: the Audit Committee; the Corporate Governance and Nominating Committee; the Compensation Committee; and the Health, Safety, Environmental and Social Responsibility Committee, each described below. Between meetings of the Board of Directors, certain of its powers may be exercised by these standing committees, and these committees, as well as the Board of Directors, sometimes act by unanimous written consent. All of the directors on each committee, except the Health, Safety, Environmental and Social Responsibility Committee, are "independent" within the meaning of Section 803A of the NYSE MKT Company Guide and within the meaning of National Instrument 52-110 *Audit Committees* ("**NI 52-110**"). The non-independent director on such committee is a non-management director. The Board assesses the effectiveness of its committees annually.

Audit Committee

The Corporation has a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is chaired by John M. Clark. Its other members as of the date of this Information Circular are Nicole S. Adshead-Bell and Tracy A. Stevenson. C. Thomas

Ogryzlo will replace Dr. Adshead-Bell on the Audit Committee upon conclusion of the Meeting. Each member of the Audit Committee is "independent" within the meaning of Rule 10A-3 of the Exchange Act, Section 803(B)(2) of the NYSE MKT Company Guide, and is "independent" and "financially literate" within the respective meaning of such terms in NI 52-110. In accordance with Section 407 of the United States *Sarbanes-Oxley Act of 2002* and Item 407(d)(5)(ii) and (iii) of Regulation S-K, the Board of Directors has identified John M. Clark as the "Audit Committee Financial Expert" and has confirmed that John M. Clark is "financially sophisticated" within the meaning of NYSE MKT Company Guide Section 803(B)(2). No member of the Audit Committee has participated in the preparation of the financial statements of the Corporation or any current subsidiary of the Corporation at any time during the past three years. The Audit Committee, under the guidance of the Audit Committee Charter approved by the Board of Directors, assists the Board of Directors in fulfilling its oversight responsibilities by reviewing (i) the financial statements, reports and other information provided to shareholders, regulators and others, (ii) the independent auditor's qualifications, independence and performance, (iii) the internal controls that management and the Board of Directors have established, (iv) the audit, accounting and financial reporting processes generally, and (v) compliance by the Corporation with legal and regulatory requirements. A copy of the Audit Committee Charter is available on the Corporation's website at www.vistagold.com. The Audit Committee met four times during the fiscal year ended December 31, 2012. Additional information about the Audit Committee is contained below under the heading "Audit Committee Report".

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee is chaired by C. Thomas Ogryzlo. Its other members as of the date of this Information Circular are Nicole Adshead-Bell and John M. Clark. Tracy A. Stevenson will replace Dr. Adshead-Bell on the Corporate Governance and Nominating Committee upon the conclusion of the Meeting. The Corporate Governance and Nominating Committee's functions are to review the Corporation's governance activities and policies and to review, approve and monitor related party transactions involving the Corporation and also to review proposed nominees for the Board of Directors. The Corporate Governance and Nominating Committee met twice during the fiscal year ended December 31, 2012.

The Corporate Governance and Nominating Committee recommends criteria for service as a director, reviews candidates and recommends appropriate governance practices. The Corporate Governance and Nominating Committee believes candidates for the Board of Directors should have the ability to exercise objectivity and independence in making informed business decisions; extensive knowledge, experience and judgment; the highest integrity; loyalty to the interests of the Corporation and its shareholders; a willingness to devote the extensive time necessary to fulfill a director's duties; the ability to contribute to the diversity of perspectives present in board deliberations; and an appreciation of the role of the Corporation in society. The Corporate Governance and Nominating Committee considers candidates meeting these criteria who are suggested by directors, management, shareholders and search firms hired to identify and evaluate qualified candidates. From time to time the Corporate Governance and Nominating Committee recommends highly qualified candidates who are considered to enhance the strength, independence and effectiveness of the Board. Shareholders may submit recommendations in writing by letter addressed to the Chief Executive Officer of the Corporation or the Chairman of the Corporate Governance and Nominating Committee. In addition, qualified persons may nominate directors at an annual general meeting. Persons qualified to make a nomination are either a shareholder entitled to vote at the meeting or a proxyholder with a proxy that specifically allows that proxyholder to nominate a director.

The Corporate Governance and Nominating Committee and the Board do not currently have a formal policy with regard to the consideration of diversity in identifying director nominees. The Corporate Governance and Nominating Committee oversees the evaluation of the Board composition and members. Annually, the Corporate Governance and Nominating Committee reviews and makes recommendations regarding the size, composition, operation, practice and tenure policies of the Board, with a view to effective decision making. The Corporate Governance and Nominating Committee believes it is in the best interests of the Corporation when selecting candidates to serve on the Board to consider the diversity of the Board and review candidates who possess a range of skills, expertise, personality, education, personal background and other qualities for

nomination. The Corporate Governance and Nominating Committee assesses the effectiveness of this approach as part of its annual review of its charter.

The Corporate Governance and Nominating Committee reviews the size of the Board of Directors annually. A board must have enough directors to carry out its duties efficiently, while presenting a diversity of views and experience. The Board of Directors believes that its present size effectively fulfils this goal. The Corporate Governance and Nominating Committee recommended the nominees in this Information Circular for directors.

The Corporation's Corporate Governance and Nominating Committee Charter is available on the Corporation's website at www.vistagold.com.

Compensation Committee

Until March 5, 2012, the Compensation Committee was chaired by W. Durand Eppler. Its other members were John M. Clark, C. Thomas Ogryzlo and Tracy A. Stevenson. On March 5, 2012, W. Durand Eppler stepped down from the Compensation Committee and Tracy A. Stevenson became the Chair of the Compensation Committee. Its other members as of the date of this Information Circular are Nicole Adshead-Bell and C. Thomas Ogryzlo. John M. Clark will replace Dr. Adshead-bell on the Compensation Committee upon the conclusion of the Meeting. The Compensation Committee's functions are to review and make recommendations to the Board of Directors regarding the Corporation's compensation policies and programs, as well as compensation and benefit levels for its executives. Except for delegation by the Compensation Committee of its responsibilities to a sub-committee of the Compensation Committee, the Compensation Committee does not and cannot delegate its authority to determine director and executive officer compensation. For further discussion of the Compensation Committee's process for the recommendation of the Corporation's compensation policies and programs, as well as salary and benefit levels of individual executives, including a discussion of the role of compensation consultants in advising the Compensation Committee, please see the section below under the heading "Executive Compensation Compensation Discussion and Analysis."

The Compensation Committee meets at regularly scheduled times between meetings of the Board of Directors, and sometimes acts by unanimous written consent. The Compensation Committee met three times during the fiscal year ended December 31, 2012. The duties of the Compensation Committee are described in its charter, which is available on the Corporation's website at www.vistagold.com. The Compensation Committee Charter is reviewed annually by the Compensation Committee, in order to ensure continued compliance with its stated functions and policies.

Health, Safety, Environmental and Social Responsibility Committee

The Health, Safety, Environmental and Social Responsibility Committee is chaired by W. Durand Eppler. Its other members are Frederick Earnest and Michael Richings. The primary purpose of the Health, Safety, Environment and Social Responsibility Committee is to assist the Board in its oversight of: (i) health, safety, environmental and community risks; (ii) the Corporation's compliance with applicable legal and regulatory requirements; (iii) the Corporation's performance in relation to health, safety, environmental and social responsibility matters; (iv) the performance and leadership of the health, safety, environmental and social responsibility functions of the Corporation; and (v) the Corporation's external reporting with respect to health, safety, environmental and social responsibility matters.

The Health, Safety, Environment and Social Responsibility Committee met three times during the fiscal year ended December 31, 2012. The duties of the Health, Safety, Environment and Social Responsibility Committee are described in its charter, which is available on the Corporation's website at www.vistagold.com and is reviewed annually.

The Corporation's Health, Safety, Environmental and Social Responsibility Committee Charter is available on the Corporation's website at www.vistagold.com.

Communications with the Board of Directors

Shareholders may send communications to the Board, the Chairman or one or more of the non-management directors by using the contact information provided on the Corporation's website under the headings "Corporate Governance" then "Board of Directors". Shareholders may also send communications by letter addressed to the Chief Executive Officer of the Corporation at 7961 Shaffer Parkway, Suite 5, Littleton, CO 80127 or by contacting the Chief Executive Officer at (720) 981-1185. All communications addressed to the Chief Executive Officer will be received and reviewed by that officer. The receipt of concerns about the Corporation's accounting, internal controls, auditing matters or business practices will be reported to the Audit Committee. The receipt of other concerns will be reported to the appropriate Committee(s) of the Board.

Board's Role in Risk Oversight

The Board considers the understanding, identification and management of risk as essential elements for the successful management of the Corporation. The Corporation faces a variety of risks, including credit risk, liquidity risk and operational risk. The Board believes an effective risk management system will: (i) timely identify the material risks that the Corporation faces; (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant committees of the Board; (iii) implement appropriate and responsive risk management strategies consistent with the Corporation's risk profile; and (iv) integrate risk management into the Corporation's decision-making.

Risk oversight begins with the Board of Directors and the Audit Committee. The Audit Committee is chaired by John M. Clark and two other independent directors sit on the Audit Committee.

The Audit Committee reviews and discusses policies with respect to risk assessment and risk management. The Audit Committee also has oversight responsibility with respect to the integrity of the Corporation's financial reporting process and systems of internal control regarding finance and accounting, as well as its financial statements. The Audit Committee makes periodic reports to the Board regarding briefings provided by management and advisors as well as the committee's own analysis and conclusions regarding the adequacy of the Corporation's risk management processes.

At the management level, an internal audit provides reliable and timely information to the Board and management regarding the Corporation's effectiveness in identifying and appropriately controlling risks.

The Corporation also has a comprehensive internal risk framework, which facilitates performance of risk oversight by the Board and the Audit Committee. Our risk management framework is designed to:

provide that risks are identified, monitored, reported and quantified properly;

define and communicate the types and amount of risk the Corporation is willing to take;

communicate to the appropriate management level the type and amount of risk taken;

maintain a risk management organization that is independent of the risk-taking activities; and

promote a strong risk management culture that encourages a focus on risk-adjusted performance.

In addition to the formal compliance program, the Board encourages management to promote a corporate culture that incorporates risk management into the Corporation's corporate strategy and day-to-day business operations. The Board also continually works, with the input of the Corporation's executive officers, to assess and analyze the most likely areas of future risk for the Corporation.

Audit Committee Report

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Corporation's accounting functions and internal controls. The Audit Committee acts under a written charter first adopted and approved by the Board of Directors in 2001, as amended in 2005, 2009 and 2013, which is reviewed annually. Each member of the Audit Committee is "independent" within the meaning of Rule 10A-3 of the Exchange Act and Section 803(B)(2) the NYSE MKT Company Guide and "independent" and "financially literate" within the meaning of such terms in NI 52-110. In accordance with Section 407 of the

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

United States *Sarbanes-Oxley Act of 2002* and Item 407(d)(5)(ii) and (iii) of Regulation S-K, the Board of Directors has identified John M. Clark as the "Audit Committee Financial Expert." A copy of the Audit Committee Charter is available on the Corporation's website at www.vistagold.com.

The responsibilities of the Audit Committee include recommending to the Board of Directors an accounting firm to be engaged as the Corporation's independent accountants. The Audit Committee is responsible for recommending to the Board of Directors that the Corporation's financial statements and the related management's discussion and analysis be included in its annual report. The Audit Committee took a number of steps in making this recommendation for fiscal year 2012.

First, the Audit Committee discussed with PricewaterhouseCoopers LLP those matters required to be discussed by Statement on Auditing Standards No. 61, as superseded by Statement of Auditing Standards 114 the Auditor's Communication with Those Charged with Governance, including information regarding the scope and results of the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process.

Second, the Audit Committee discussed with PricewaterhouseCoopers LLP the independence of PricewaterhouseCoopers LLP and received from PricewaterhouseCoopers LLP the letter required by applicable standards of the Public Company Accounting Oversight Board for independent auditor communications with Audit Committees concerning independence as may be modified or supplemented, concerning its independence as required under applicable independence standards for auditors of public companies. This discussion and disclosure assisted the Audit Committee in evaluating such independence.

Finally, the Audit Committee reviewed and discussed, with the Corporation's management and PricewaterhouseCoopers LLP, the Corporation's audited consolidated balance sheets at December 31, 2012, and consolidated statements of income, cash flows and shareholders' equity for the fiscal year ended December 31, 2012.

Based on the discussions with PricewaterhouseCoopers LLP concerning the audit, the independence, the financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board of Directors that the Corporation's financial statements and the related management's discussion and analysis be included in the Corporation's 2012 Annual Report on Form 10-K.

Executive Compensation

Compensation Discussion and Analysis

Compensation Program Objectives

The Corporation's compensation program and policies are designed to be competitive with similar mining companies and to recognize and reward executive performance consistent with the success of the Corporation's business. The program and policies are intended to provide management with the means to attract and retain capable and experienced people. The Compensation Committee's role and philosophy is to ensure that the Corporation's compensation goals and objectives, as applied to the actual compensation paid to the Corporation's executive officers, are aligned with the Corporation's overall business objectives and with shareholder interests.

To assist the Compensation Committee with its assessment of current compensation levels for executive officers in the Corporation's industry, two independent evaluations were undertaken to assess the competitiveness of the current compensation package for the Corporation's executive officers. In the first evaluation, the Corporation retained Coopers Consulting Ltd. ("**Coopers**"), of Vancouver, B.C., to prepare a report examining annual base, total cash and total compensation for a group of peer companies in the mining industry selected by Coopers. The Corporation received from Coopers a comparative executive compensation survey for the Chief Executive Officer, Chief Financial Officer, Vice President Project Development and Vice President Exploration positions that considered 25 North American based mining companies. Additionally, the Corporation received from Coopers a corporate report regarding the rest of the executive officers that considered 314 North American mining companies. In the latter case the report from Coopers contained companies selected by Coopers, not all of which were deemed to be comparable companies by management and the Compensation Committee. In the second evaluation, management of the Corporation worked with the Compensation Committee to develop a list of 15 comparable mining companies considered to be developers and 17 mining companies considered to be producers. Management of the Corporation then compiled information from public reporting documents for each of these mining companies to report the annual base and other cash compensation for the CEO and other executive officers. The review included companies considered to be producers because the Corporation competes with these companies in the process of hiring senior executives.

The methodology used to assess and review each of these evaluations follows.

In the first evaluation, the survey information was based on Coopers' database for annual salary, total cash and total compensation statistical summary reports for each executive position for which there were sufficient data points. Coopers' compiled the data available and compiled the consolidated information for each executive position. After reviewing the minimum, 1st quartile and median compensation levels, the Compensation Committee used its judgment and discretion in determining the appropriate target compensation for the relevant executive of the Corporation. The median base salary level was utilized in considering the degree of external competition that the Corporation might encounter in its efforts to retain key members of its executive team. Individual company information was not included in the Coopers compensation report. The Compensation Committee considered the Coopers' information as the primary component of their overall review of the Corporation's compensation program.

In the second evaluation, management of the Corporation compiled compensation information for two selected groups of gold mining companies: exploration/development companies and producing companies. The market cap of the development companies, which was the primary focus group, was a median of \$674 million and ranged from a low of \$40 million to a high of \$4.6 billion. The companies considered in the list of comparable development companies included (in order of increasing market cap): Solitario Exploration and Royalty Corp., Shore Gold Corp., Esperanza Resources Corp., Eurasion Minerals Inc., Orezone Gold Corp, Golden Minerals Company, Bear Creek Mining Corp., Augusta Resource Corporation., Midas Gold Corp., Rainy River Resources Ltd., Romarco Minerals Inc., Seabridge Gold Inc., Gabriel Resources Ltd., Detour Gold Corporation, and NovaGold Resources Inc. The available data for each comparable executive position for each company was compiled and presented, except in those cases where no such comparable position existed.

In addition to independent compensation surveys and studies of comparable companies, the Compensation Committee considers a variety of factors when determining compensation policies and programs and individual

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

compensation levels. These factors include the long-range interests of the Corporation and its shareholders, overall technical, professional and experience needs of the Corporation, the competitive requirements to attract and retain key employees, and the Compensation Committee's assessment of the position requirements for each executive's role in the Corporation. The Compensation Committee does not weigh any of these factors more heavily than others and does not use any formula to assess these factors, but rather considers each factor in its judgment and discretion.

Role of Executive Officers in Determining Compensation

The Compensation Committee reviews and recommends to the Board of Directors the compensation policies and programs to the Corporation, as well as salary and benefit levels for individual executives. The President and Chief Executive Officer of the Corporation may not be present during meetings of the Compensation Committee when his compensation is being discussed. The executive officers prepare and present to the Compensation Committee, such surveys, analyses, reports and recommendations, as the Committee may request, including the industry surveys as discussed above. The Board of Directors makes the final determination regarding the Corporation's compensation programs and practices.

Elements of the Corporation's Compensation Program for Fiscal Year 2012

The total compensation plan for executive officers is comprised of the following components: base salary, discretionary cash awards under the Short Term Incentive Plan, and stock awards under the Stock Option Plan and / or the Long Term Incentive Plan.

There is no set policy or target regarding allocation between cash and non-cash elements of the Corporation's compensation program. The Compensation Committee reviews annually the total compensation package of each of the Corporation's executives on an individual basis, against the backdrop of the compensation goals and objectives and the industry compensation data described above, and makes recommendations to the Board of Directors concerning each of the individual components of compensation.

Base Salary

As a general rule for establishing base salaries, the Compensation Committee reviews competitive market data for each executive position and determines placement of the employee at an appropriate level in a range. Compensation levels are typically negotiated with the candidate for the position prior to his or her final selection as an executive officer. Salaries for the Corporation's executive officers are reviewed at least annually to reflect external factors such as market and inflation as well as overall corporate performance and the results of internal performance reviews.

Short Term Incentive Plan

The Corporation's Short Term Incentive Plan ("**STIP**") generally allows executive officers and management personnel to earn discretionary incentive payments based on a percentage of his or her base salary, based upon individual performance combined with the performance of the Corporation. All executive officers and management personnel participate in the STIP, except Mr. Earnest, the President and Chief Executive Officer of the Corporation, who is entitled to earn a discretionary incentive payment in an amount determined annually by the Board of Directors.

In considering executive incentive compensation, the Compensation Committee makes the determination on the basis on two primary factors: (1) achievement of overall corporate goals, which are established at the start of each year, and (2) individual performance.

In 2012, the overall corporate goals were:

1. Undertake plans and utilize all resources of the Corporation to achieve improved valuations relative to peers.
2. Conduct business in an ethical and environmentally sound manner consistent with established corporate policies. Ensure operations are conducted to protect employee safety and health.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

3. Advance the development of the Mt. Todd gold project, including the completion of a positive bankable feasibility study, an authorized exploration program, a new resource estimate demonstrating conversion of inferred resources to "measured" and "indicated", an improved definitive feasibility study of a larger project and obtain the major permits in order to finalize a strategy for maximum value realization.
4. Comply with all securities regulations and provide accurate disclosures of the Corporation's activities.
5. Ensure the Corporation is at all times adequately financed.
6. Complete the Earn-in Right Agreement with Inventure Group S.A. de C.V. regarding the Los Cardones gold project. Continue to support, monitor, and encourage all Inventure efforts to obtain permits.
7. Maintain and improve the quality of existing assets. Continuously evaluate and, as appropriate, present strategies to maximize value and ultimately to generate sustainable income for the Corporation.
8. Position Guadalupe de los Reyes gold/silver project for increased market recognition through the completion of an authorized exploration program and the completion of a positive preliminary economic assessment for the project. Based on the results, develop further plans and strategies to generate increased value from Guadalupe de los Reyes.
9. Seek and evaluate opportunities for corporate growth and increased shareholder value.
10. Maintain controllable expenses in line with approved budget.

In 2012, the Compensation Committee established the following performance objectives for executive officers and determined the relative importance to be given in consideration of the incentive bonus to be paid:

	Performance Objectives and Relative Importance					Target	Maximum	Bonus
	Corp. Performance	Financial	Project Advance	Compliance	Leadership Succession	Bonus as a percentage of salary	Bonus as a percentage of salary	paid for 2012 as a percentage of salary
FREDERICK H. EARNEST, President and Chief Executive Officer	HIGH	HIGH	HIGH	HIGH	HIGH	50%	100%	62%
JOHN F. ENGELE, ⁽¹⁾ Senior Vice President and Chief Financial Officer	HIGH	HIGH	MED	HIGH	MED	50%	75%	50%
TERRI L. EGGERT, ⁽²⁾ Interim Chief Financial Officer	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
John W. Rozelle, ⁽³⁾ Senior Vice President	HIGH	MED	HIGH	HIGH	MED	35%	50%	40%

(1) John F. Engle was appointed Chief Financial Officer effective May 29, 2012.

(2) Terri L. Eggert was appointed as Interim Chief Financial Officer on May 18, 2011 through May 29, 2012 and as a contract employee did not participate in the Corporation's Short Term Incentive Program.

(3) John W. Rozelle was appointed Senior Vice President effective August 1, 2012. Mr. Rozelle served as Vice President Technical Services from May 16, 2011 through August 1, 2012.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

Within the context of the 2012 corporate goal, the specific objectives considered include, among others, the following:

1. Corporate Performance improve share price compared to the Corporation's peers, completion of accretive corporate transactions and increased analyst coverage;
2. Financial maintain adequate financial resources and effective cost controls;

3. Project Advancement add resources, obtain/advance permitting and complete technical studies for the Corporation's core projects;
4. Compliance timely and accurate reporting to appropriate exchanges and government agencies; and
5. Leadership/Succession corporate and project leadership and implementation of succession plan.

In relation to the consideration of incentive bonuses granted for the fiscal year ended December 31, 2012, the Compensation Committee reviewed a memorandum provided by management that discussed the achievement of the Corporation's goals and objectives for the year 2012, its performance compared to its peers and the individual performance of each executive of the Corporation in accordance with the STIP criteria approved by the Board of Directors at the December 20, 2012 meeting of the Board. Incentive bonuses were awarded as a percentage of salary up to the maximum, as set forth in the table above. The Compensation Committee met without management present to consider each key executive officer's incentive bonus. Incentive bonuses were then awarded, at the discretion of the Compensation Committee, using the table above as a guide to determine the incentive payment in light of overall Corporate performance and the executive officer's overall performance. The Compensation Committee does not set quantitative targets for any of the categories of performance for overall corporate goals or for the individual performance standards for the named executive officers, but instead reviews the performance in these categories over the past year and makes a discretionary determination as to whether performance in each category was adequate to warrant the award of an incentive bonus. Each discretionary determination is then weighed in accordance with the relative importance assigned to it as detailed above.

In respect of the year ended December 31, 2012, Mr. Earnest, Mr. Engele and Mr. Rozelle were eligible to receive, and did receive, a percentage based incentive bonus equal to 62%, 50% and 40% of their annual salary, respectively. The Compensation Committee determined such bonuses were warranted based, in part, on the value created through the leadership of Mr. Earnest, Mr. Engele, and Mr. Rozelle, the share price performance of the Corporation throughout the year relative to its peers, the successful execution and timing of financing activities, the exploration results and project advancement at the Mt. Todd gold project, and the success in strengthening the management team and its abilities. In addition, the Corporation paid Ms. Eggert a bonus upon the completion of a one-year contract and termination of service.

Stock Incentive Awards

Stock Options

The Corporation's stock option plan (the "**Stock Option Plan**") is intended to emphasize management's commitment to and alignment of compensation with the enhancement of shareholders' equity through, for example, improvements in operating results, resource base and an increase in the share price.

The Stock Option Plan provides for grants to directors, officers, employees and consultants of the Corporation or its subsidiaries, of options to purchase Common Shares. Subject to applicable stock exchange requirements, the maximum number of Common Shares which may be reserved, set aside and made available for issue under, and in accordance with, the Stock Option Plan (together with any other security based compensation arrangements of the Corporation) is a variable number equal to 10% of the issued and outstanding Common Shares issued and outstanding as of the date of the grant on a non-diluted basis. As of March 20, 2013, there were Common Shares (or % of the total number of issued and outstanding Common Shares) issuable under issued and outstanding options under the Stock Option Plan and Common Shares (or % of the total number of issued and outstanding Common Shares) issuable under Awards that have been granted under the LTIP. Accordingly, Common Shares (or % of the total number of issued and outstanding Common Shares) are issuable under the foregoing options or Awards. Common Shares (or % of the total number of issued and outstanding Common Shares) in aggregate remain available for future grants under the Stock Option Plan and the LTIP.

The maximum number of Common Shares that may be reserved for issuance to any individual under the Stock Option Plan is that number of Common Shares that is equivalent to 5% of the Common Shares issued and outstanding from time to time. The total number of Common Shares issuable to insiders of the Corporation at any time and issued to insiders of the Corporation within any one-year period pursuant to options under the

Option Plan, together with any other security based compensation arrangements of the Corporation, shall not exceed 10% of the issued and outstanding Common Shares on a non-diluted basis. Under the Stock Option Plan, options may be exercised by the payment in cash of the option exercise price to the Corporation. All options are subject to the terms and conditions of an option agreement entered into by the Corporation and each participant at the time an option is granted.

The Stock Option Plan is administered by the Board of Directors which has full and final discretion to determine (i) the total number of optioned shares to be made available under the Stock Option Plan, (ii) the directors, officers, employees and consultants of the Corporation or its subsidiaries who are eligible to receive stock options under the Stock Option Plan ("**Optionees**"), (iii) the time when and the price at which stock options will be granted, (iv) the time when and the price at which stock options may be exercised, and (v) the conditions and restrictions on the exercise of options. Pursuant to the terms of the Stock Option Plan, the exercise price must not be less than the closing price of the Common Shares on either the NYSE MKT or the TSX, at the Board of Directors' discretion, on the last trading day preceding the date of grant. Options become exercisable only after they vest in accordance with the respective stock option agreement and must expire no later than ten years from the date of grant provided that, if the expiry date of an option occurs during a blackout period, such expiry date shall be deemed to be extended to the date that is the 10th business day after the last day of the applicable blackout period. Options granted under the Stock Option Plan are non-transferable and non-assignable other than on the death of a participant. An Optionee has no rights whatsoever as a shareholder in respect of unexercised options.

Pursuant to the terms of the Corporation's Stock Option Plan, if any Optionee ceases to be a director, officer or employee of the Corporation or its subsidiaries, as a result of termination for "cause" (as defined in the Stock Option Plan), all unexercised options will immediately terminate. If an Optionee ceases to be a director, officer or employee of the Corporation, or its subsidiaries, or ceases to be a consultant to the Corporation, for any reason other than termination for cause, his or her options may be exercised up to, but not after, the earlier of 30 days from the date of ceasing to be a director, officer, employee or consultant, or the expiry date of the option. In the event of death of an Optionee, the legal representatives of such Optionee have the right to exercise the options at any time up to, but not after, the earlier of 90 days from the date of death or the expiry date of such option.

The Board may amend the Stock Option Plan at any time; provided, however that no such amendment may, without the consent of an optionee, adversely alter or impair any option previously granted to such optionee. Any amendment to be made to the Stock Option Plan or an option is subject to the prior approval of the TSX and the NYSE MKT and shareholders of the Corporation, if required by the rules of the TSX and the NYSE MKT. The Board has the power and authority to approve amendments relating to the Stock Option Plan or a specific option without further approval of the shareholders of the Corporation, to the extent that such amendments relate to, among other things: (a) altering, extending or accelerating the terms of vesting applicable to any option or group of options; (b) altering the terms and conditions of vesting applicable to any option or group of options; (c) changing the termination provisions of an option, provided that the change does not entail an extension beyond the original expiry date of such option; (d) accelerating the expiry date of options; (e) the application of sections 6.8 and 6.9 of the Stock Option Plan; (f) effecting amendments respecting the administration of the Stock Option Plan; (g) amending the definitions contained within the Stock Option Plan; (h) effecting amendments of a "housekeeping" or administrative nature; (i) effecting amendments necessary to comply with the provisions of applicable laws (including the rules, regulations and policies of the TSX and the NYSE MKT), or necessary or desirable for any advantages or other purposes of any tax law; (j) amending or modifying the mechanics of exercise of the options; and (k) any other amendment, whether fundamental or otherwise, not requiring shareholder approval under applicable law (including the rules, regulations, and policies of the TSX and the NYSE MKT). No amendment of the Stock Option Plan may contravene the requirements of the TSX and the NYSE MKT or any securities commission. Certain amendments to the Stock Option Plan may not be made without shareholder approval and in some cases without disinterested shareholder approval.

Long Term Equity Incentive Awards

The Corporation's Long Term Incentive Plan (the "**LTIP**") was approved by the directors of the Corporation on March 8, 2010 and was confirmed by shareholders on May 3, 2010. The purpose of the LTIP is

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

to assist the Corporation in attracting, retaining and motivating key employees, directors, officers and consultants of the Corporation and its subsidiaries, and to more closely align the personal interests of such persons with shareholders, thereby advancing the interests of the Corporation and its shareholders and increasing the long-term value of the Corporation.

The LTIP is intended to complement (not replace) the Stock Option Plan. As of March 20, 2013, there were _____ Common Shares (or _____ % of the total number of issued and outstanding Common Shares) issuable under issued and outstanding options under the Stock Option Plan and _____ Common Shares (or _____ % of the total number of issued and outstanding Common Shares) issuable under Awards that have been granted under the LTIP. Accordingly, _____ Common Shares (or _____ % of the total number of issued and outstanding Common Shares) are issuable under the foregoing options or Awards. _____ Common Shares (or _____ % of the total number of issued and outstanding Common Shares) in aggregate remain available for future grants under the Stock Option Plan and the LTIP.

The LTIP provides for grants of Awards to directors, officers, employees and consultants of the Corporation or its affiliates. "Participant" when used in this Information Circular means employee and consultant participants, but not director participants.

The maximum number of Common Shares available for issuance under the LTIP, together with all other security based compensation arrangements of the Corporation, which includes the Stock Option Plan is 10% of the issued and outstanding Common Shares on a non-diluted basis. The total number of Common Shares issuable to insiders of the Corporation at any time and issued to insiders of the Corporation within any one-year period under the LTIP, together with any other security based compensation arrangements of the Corporation, shall not exceed 10% of the issued and outstanding Common Shares on a non-diluted basis. The total number of Common Shares issuable to director participants under the LTIP shall not exceed the lesser of: (i) 1% of the issued and outstanding Common Shares; and (ii) an annual Award value of \$100,000 per director participant.

The LTIP is administered by the Compensation Committee (as delegated by the Board of Directors). The Compensation Committee determines the persons to whom Awards are to be made; determines the type, size, terms and conditions of Awards; determines the prices to be paid for Awards; interprets the LTIP; adopts, amends and rescinds administrative guidelines and other rules and regulations relating to the LTIP; and makes all other determinations and takes all other actions it believes are necessary or advisable for the implementation and administration of the LTIP.

Restricted Share Units:

The LTIP provides that the Compensation Committee may, from time to time and in its sole discretion, grant Awards of restricted share units ("**RSUs**") to any Participant or director participant. RSUs are not Common Shares, but rather represent a right to receive from the Corporation at a future date newly-issued Common Shares. All grants of RSUs are subject to the terms and conditions of an award agreement entered into between the Corporation and the Participant or the director participant (as the case may be) at the time the RSU is granted.

The Compensation Committee has the authority to make the receipt of Common Shares under the RSUs conditional upon the expiry of a time-based vesting period, the attainment of specified performance goals or such other factors as the Compensation Committee determines in its discretion. The duration of the vesting period and other vesting terms applicable to a grant of RSUs shall be determined at the time of the grant by the Compensation Committee provided that such vesting period shall be a minimum of one year in duration. Notwithstanding certain provisions that allow the Compensation Committee to accelerate vesting of an Award under the LTIP, the Compensation Committee does not intend to use this discretion in the ordinary course to accelerate the vesting of an Award (defined below) under the LTIP to a period of less than one year in duration.

Upon expiry of the applicable vesting period or at such later date as may be otherwise specified in the award agreement, the RSUs are redeemed and a share certificate representing the Common Shares issuable pursuant to the RSUs will be registered in the name of the Participant or director participant, or as the Participant or director participant may direct, subject to applicable securities laws.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

RSUs are settled in Common Shares, unless the Corporation offers the Participant or director participant the right to receive cash in lieu of Common Shares based on the Fair Market Value (as defined in the LTIP) that such Common Shares would have at the time of settlement and the Participant or director participant, in its discretion, so elects.

Restricted Stock:

The Compensation Committee may, from time to time, grant Participants or director participants, subject to the terms and conditions of the LTIP and any additional terms and conditions determined by the Compensation Committee, Common Shares subject to certain restrictions imposed by the Compensation Committee ("**Restricted Stock**" together with RSUs, "**Awards**"). All grants of Restricted Stock are subject to the terms and conditions of an award agreement entered into between the Corporation and the Participant or the director participant (as the case may be) at the time the RSU is granted.

The Compensation Committee has the authority to make the lapse of restrictions applicable to Restricted Stock conditional upon the expiry of a time-based vesting period, the attainment of specified performance goals or such other factors as the Compensation Committee may determine in its discretion. The duration of the vesting period and other vesting terms applicable to a grant of Restricted Stock shall be determined at the time of the grant by the Compensation Committee provided that such vesting period shall be a minimum of one year in duration. Notwithstanding certain provisions that allow the Compensation Committee to accelerate vesting of an Award under the LTIP, the Compensation Committee does not intend to use this discretion in the ordinary course to accelerate the vesting of an Award under the LTIP to a period of less than one year in duration.

Common Shares of Restricted Stock are subject to such restrictions as the Compensation Committee may impose (including, without limitation, forfeiture conditions, transfer restrictions or a restriction on, or prohibition against, the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Compensation Committee deems appropriate.

The Corporation shall issue and hold share certificates registered in the name of each Participant or director participant granted Restricted Stock under the LTIP. The share certificates shall bear a legend referring to the award agreement and the possible forfeiture of such shares of Restricted Stock.

Except as otherwise determined by the Compensation Committee, upon a Termination Date (as defined in the LTIP) during the applicable vesting period, all applicable Awards at such time not yet vested shall be forfeited by the Corporation and thereafter will be available for grant under the LTIP. Except as otherwise determined by the Compensation Committee, upon a Termination Date that occurred as a result of the death, disability or retirement of the Participant or director participant, all vested Awards will enure to the benefit of the Participant's or the director participant's heirs, executors and administrators. Except as otherwise determined by the Compensation Committee, if a Participant's employment, term of office or engagement is terminated for cause or in the case of a consultant participant, for breach of contract, any Awards held by the Participant (whether vested or not) are forfeited to the Corporation. Except as otherwise determined by the Compensation Committee, where a director participant's term of office is terminated for breach of the director participant's fiduciary duty, then any Awards held by the director participant (whether vested or not) are forfeited to the Corporation. The LTIP provides for a number of instances that permit the Compensation Committee accelerate the vesting of any outstanding Awards.

Unless otherwise determined by the Compensation Committee or the Board of Directors at or after the date of grant, if a Participant or director participant ceases to be a director, officer or consultant of the Corporation or its subsidiaries within 12 months following a Change in Control (as defined in the LTIP) for any reason other than for cause, voluntary resignation (other than for good reason (as defined by the LTIP)), retirement, death or disability, each Award held by that Participant or director participant that is not fully vested on the date at which such person ceases to be a director, officer or consultant shall become free of all restrictions, conditions and limitations, and become fully vested.

The Board shall have the discretion to authorize such steps to be taken as it may consider to be equitable and appropriate in the event of any Share Reorganization, Corporate Reorganization or Special Distribution

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

(each of such terms as defined in the LTIP), including the acceleration of vesting in order to preserve proportionately the rights, value and obligations of the Participants or director participants holding Awards in such circumstances.

Subject to the rules, regulations and policies of the TSX, the NYSE MKT and applicable law, the Compensation Committee may, without notice or shareholder approval, at any time or from time to time, make certain amendments to the LTIP or a specific Award for the purposes of: (i) altering, extending or accelerating the terms of vesting applicable to any Award or group of Awards; (ii) making any amendments to the general vesting provisions of an Award; (iii) changing the termination provisions of an Award, provided the change does not entail an extension beyond the original expiry date of such Award; (iv) accelerating the expiry date of an Award; (v) making any amendments to the provisions of the LTIP that relate to termination of employment in Section 5 of the LTIP; (vi) making any amendments to provide covenants of the Corporation in order to protect Participants; (vii) making any amendments not inconsistent with the LTIP as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, having in mind the best interests of the Participants and director participants, it may be expedient to make, including amendments that are desirable as a result of changes in law; (viii) making any amendments for the purposes of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error in the LTIP; (ix) making any amendments to any definitions in the LTIP; (x) effecting amendments respecting administration of the LTIP; and (xi) making amendments of a "housekeeping" or administrative nature. Certain amendments under the LTIP may not be made without shareholder approval and in some cases, without disinterested shareholder approval.

No assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards whatsoever in any assignee or transferee. Immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect, provided that any Awards held by a Participant or director participant that have vested at the Termination Date will enure to the benefit of the Participant or director participant's heirs, executors and administrators.

Perquisites and Other Personal Benefits

The Corporation's named executive officers are not generally entitled to significant perquisites or other personal benefits not offered to the Corporation's employees. The Corporation does sponsor a qualified tax-deferred savings plan in accordance with the provisions of Section 401(k) of the U.S. *Internal Revenue Code of 1986*, as amended (the "Code"), which is described further below under the heading "Pension and Retirement Savings Plans".

Effects of Regulatory Requirements on Executive Compensation

Section 409A of the Code generally affects the granting of most forms of deferred compensation which were not earned and vested prior to 2005. The Corporation's compensation program is designed to comply with the final regulations of the U.S. Internal Revenue Service and other guidance with respect to Section 409A of the Code, and we anticipate that the Compensation Committee will continue to design and administer the Corporation's compensation programs accordingly.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

Various rules under current generally accepted accounting practices impact the manner in which the Corporation accounts for grants of stock options to employees, including executive officers, on its financial statements. While the Compensation Committee reviews the effect of these rules (including FAS 123(R)) when determining the form and timing of grants of stock options to the Corporation's employees, including executive officers, this analysis is not necessarily the determinative factor in any such decision regarding the form and timing of these grants.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is or has been an executive officer or employee of the Corporation or any of its subsidiaries or affiliates. No executive officer of the Corporation is or has been a director or a member of the Compensation Committee of another entity having an executive officer who is or has been a director or a member of the Compensation Committee of the Corporation.

C. Thomas Ogryzlo was a director of Plata-Peru Resources Inc. when it was cease traded by the Ontario and Alberta Securities Commissions for failing to file financial statements for the fiscal year ended December 31, 1998. The final order to cease trade came into effect on June 24, 1999. The company

To the knowledge of the Corporation, no proposed director of the Corporation is, as at the date of this Information Circular, or has been within the 10 years before the date of this Information Circular, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

To the knowledge of the Corporation, no proposed director of the Corporation has, within 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director of the Corporation.

Review, Approval or Ratification of Transactions with Related Parties

The Corporation has adopted a written policy for the review of transactions with related persons. The policy requires review, approval or ratification of all transactions in which the Corporation is a participant and in which any of the Corporation's directors, executive officers, significant shareholders or an immediate family member of any of the foregoing persons has a direct or indirect material interest, subject to certain categories of transactions that are deemed to be pre-approved under the policy. As set forth in the policy, the pre-approved transactions include employment of executive officers, director compensation (in general, where such transactions are required to be reported in the Corporation's proxy statement pursuant to the SEC compensation disclosure requirements), as well as certain transactions where the amounts involved do not exceed specified thresholds. All related party transactions must be reported for review by the Corporate Governance and Nominating Committee of the Board of Directors. Transactions deemed to be pre-approved are not required to be reported to the Committee, except for certain pre-approved transactions, a summary of which must be submitted to the Committee for review at its next following meeting.

Following its review, the Corporate Governance and Nominating Committee determines whether these transactions are in, or not inconsistent with, the best interests of the Corporation and its shareholders, taking into consideration whether they are on terms no less favorable to the Corporation than those available with other parties and the related person's interest in the transaction. If a related party transaction is to be ongoing,

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

the Corporate Governance and Nominating Committee may establish guidelines for the Corporation's management to follow in its ongoing dealings with the related person.

Management Contracts

There are no management functions of the Corporation which are to any substantial degree performed by persons other than the directors, senior officers or managers of the Corporation. The Corporation has entered into an employment agreement with Frederick H. Earnest, President and Chief Executive Officer John F. Shareholder Proposals

Under the Exchange Act, the deadline for submitting shareholder proposals for inclusion in the management information and proxy circular for an annual meeting of the Corporation is calculated in accordance with Rule 14a-8(e) of Regulation 14A to the Exchange Act. If the proposal is submitted for a regularly scheduled annual meeting, the proposal must be received at the Corporation's principal executive offices not less than 120 calendar days before the anniversary date of the Corporation's management information and proxy circular released to the Corporation's shareholders in connection with the previous year's annual meeting. However, if the Corporation did not hold an annual meeting the previous year, or if the date of the current year's annual meeting has been changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before the Corporation begins to print and mail its proxy materials. Accordingly, unless the date of the next annual meeting is changed by more than 30 days from the date of this year's meeting the deadline for submitting shareholder proposals for inclusion in the management information and proxy circular for the next annual meeting of the Corporation will be Tuesday, December 31, 2013. If a shareholder proposal is not submitted to the Corporation by Tuesday, December 31, 2013, the Corporation may still grant discretionary proxy authority to vote on a shareholder proposal, if such proposal is received by the Corporation by February 12, 2014 in accordance with Rule 14a-4(c)(1) of Regulation 14A of the Exchange Act.

Other Matters

Management of the Corporation knows of no other matters which will be brought before the Meeting other than those set forth in the Notice of Meeting. Should any other matters properly come before the Meeting, the Common Shares represented by the proxies solicited hereby will be voted on those matters in accordance with the best judgement of the persons voting such proxies.

APPENDIX "C"

NOTICE OF CHANGE OF AUDITOR

In a Current Report on Form 8-K dated June 5, 2012, the Corporation announced that effective May 31, 2012, the Corporation changed auditors from PricewaterhouseCoopers LLP, Vancouver, British Columbia ("**PWC Vancouver**") to PricewaterhouseCoopers, LLP, Denver, Colorado ("**PWC Denver**"). The change was made because in 2012 the Corporation switched to reporting its financial statements pursuant to United States generally accepted accounting principles and because the Corporation's principal place of business is located in a suburb of Denver. Therefore, conducting the Corporation's audit out of the Vancouver office of PricewaterhouseCoopers LLP was no longer cost effective to the Corporation. On May 31, 2012, at the request of the Corporation and upon mutual agreement, PWC Vancouver resigned as the principal independent registered public accountant of the Corporation. The request for resignation of PWC Vancouver was recommended and approved by the Corporation's Audit Committee.

PWC Vancouver's principal accountant reports on the Corporation's consolidated financial statements for each of the preceding two fiscal years ended December 31, 2011 and 2010 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

In the two most recent fiscal years and any interim period preceding the resignation of PWC Vancouver, the Corporation was not aware of any disagreements with PWC Vancouver on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of PWC Vancouver, would have caused it to make references to the subject matter of the disagreement(s) in connection with its reports on the Corporation's consolidated financial statements for such years.

The Corporation is not aware of any reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K) that have occurred during the two most recent fiscal years and the interim period preceding the resignation of PWC Vancouver.

PWC Vancouver was provided the disclosure in the Current Report on Form 8-K dated June 5, 2012, and provided in connection with the Form 8-K a letter commenting on the disclosure, pursuant to Item 304(a)(3) of Regulation S-K, and attached to the Form 8-K as Exhibit 16.1.

Effective May 31, 2012, the Corporation, upon the recommendation of its audit committee, engaged PWC Denver as its principal independent registered public accountant.

During the Corporation's two most recent fiscal years and through June 5, 2012, neither the Corporation nor anyone on its behalf consulted with PWC Denver regarding either (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Corporation's consolidated financial statements, nor did PWC Denver provide either a written report or oral advice that PWC Denver concluded was an important factor considered by the Corporation in reaching a decision as to accounting, auditing or financial reporting issues, or (ii) any matter that was either the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of Regulation S-K, or a reportable event within the meaning of Item 304(a)(1)(v) of Regulation S-K.

The consent resolution may be executed in any number of counterparts, each of which when executed and delivered (by fax, e-mail or otherwise) is deemed to be an original, and all of which together constitute one consent resolution in writing.

PART 3 SHARE CERTIFICATES

3.1 **Mailing of Certificates.** Any share certificate may be mailed by registered mail, postage prepaid, to the shareholder entitled to that certificate at that shareholder's registered address and the Company is not liable for any loss occasioned to the shareholder if that share certificate is lost or stolen. In respect of a share held jointly by several persons, mailing of a certificate for that share to one of several joint holders or to a duly authorized agent of any of the joint holders is sufficient delivery to all.

3.2 **Replacement of Lost or Destroyed Certificate.** If a share certificate:

- (a) is worn out or defaced, the directors may, upon production to them of that certificate and upon such other terms, if any, that they determine, order the certificate to be cancelled and issue a new certificate to replace the cancelled certificate;
- (b)

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

is lost, stolen or destroyed, then upon production of proof to the satisfaction of the directors and upon provision of such indemnity and security, if any, that the directors deem adequate, a new share certificate must be issued to the person entitled to the lost, stolen or destroyed certificate.

3.3 **Consolidation of Certificates.** If two or more certificates are surrendered by their registered owner to the Company together with a written request that the Company issue one certificate registered in that registered owner's name representing the aggregate of the shares represented by the certificates so surrendered, the Company must cancel the certificates so surrendered and issue in their place one certificate in accordance with the request.

D-3

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

3.4 **Fee for Certificates.** There must be paid to the Company in respect of the issue of any certificate pursuant to this Part 3 such amount, if any, as the directors may from time to time determine and which must not exceed the amount prescribed in the Business Corporations Act.

3.5 **Non-Recognition of Trusts.** Except as required by law or statute or these Articles, no person is recognized by the Company as holding any share upon any trust and the Company is not bound by or compelled in any way to recognize (even when having notice of any trust) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except as ordered by a court of competent jurisdiction) any other rights in respect of any share except an absolute right to the entirety in the shareholder.

3.6 **Central Securities Register.** As required by and subject to the *Business Corporations Act*, the Company must maintain in British Columbia a central securities register. The directors may, subject to the *Business Corporations Act*, appoint an agent to maintain the central securities register. The directors may also appoint one or more agents, including the agent which keeps the central securities register, as transfer agent for its shares or any class or series of its shares, as the case may be, and the same or another agent as registrar for its shares or such class or series of its shares, as the case may be. The directors may terminate such appointment of any agent at any time and may appoint another agent in its place.

PART 4 ISSUE, TRANSFER AND TRANSMISSION OF SHARES

4.1 **Directors Authorized to Issue Shares.** Subject to any direction to the contrary contained in a resolution passed at a general meeting authorizing any increase of capital, the issue of shares is under the control of the directors who may issue, otherwise dispose of or grant options on shares authorized but not yet issued at any time, to any person including a director, in the manner, upon the terms and conditions and at the price or for the consideration as the directors, in their absolute discretion, may determine.

4.2 **Transferability and Instrument of Transfer.** Subject to the restrictions, if any, set forth in these Articles, any shareholder may transfer that shareholder's shares by an instrument in writing executed by or on behalf of that shareholder and delivered to the Company or its transfer agent. The instrument of transfer of any share of the Company must be in the form, if any, provided on the back of the Company's form of share certificate or in any other form which the directors may approve. If the directors so require, each instrument of transfer must be in respect of only one class of shares.

4.3 **Submission of Instruments of Transfer.** Every instrument of transfer must be executed by the transferor and provided to the Company or the office of its transfer agent or registrar for registration together with the share certificate for the shares to be transferred and such other evidence, if any, as the directors or the transfer agent or registrar may require to prove the title of the transferor or the transferor's right to transfer the shares. If the transfer is registered, the instrument of transfer must be retained by the Company or its transfer agent or registrar. If the transfer is not registered, the instrument of transfer must be returned to the person depositing it together with the share certificate that accompanied it when tendered for registration.

4.4 **Authority in Instrument of Transfer.** The signature of a shareholder or of that shareholder's duly authorized attorney on the instrument of transfer authorizes the Company to register the shares specified in the instrument of transfer in the name of the person named in that instrument of transfer as transferee or, if no person is so named, in any name designated in writing by the person depositing the share certificate and the instrument of transfer with the Company or its transfer agent or registrar.

4.5 **Enquiry as to Title Not Required.** Neither the Company nor any of its directors, officers or agents is bound to enquire into any title of the transferor of any shares to be transferred and none of them is liable to any person for registering the transfer.

4.6 **Transfer Fee.** There must be paid to the Company in respect of the registration of any transfer such amount, if any, as the directors may from time to time prescribe.

4.7 **Personal Representative Recognized.** Upon the death or bankruptcy of a shareholder, that shareholder's legal personal representative or trustee in bankruptcy, although not a shareholder, has the same rights, privileges and obligations that attach to the shares formerly held by the deceased or bankrupt shareholder

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

if the documents required by the Business Corporations Act have been deposited at the Company's registered office. This Article does not apply on the death of a shareholder with respect to shares registered in that shareholder's name and the name of another person in joint tenancy.

4.8 **Jointly Held Shares.** If there are joint shareholders in respect of a share and in the case of the bankruptcy of one of the joint shareholders, the trustee in bankruptcy of the bankrupt shareholder and the surviving joint shareholder or shareholders are the only persons recognized by the Company as having any title to or interest in the share so held jointly.

PART 5 PURCHASE OF SHARES

5.1 **Company Authorized to Purchase its Shares.** Subject to the provisions of this Part 5, the Business Corporations Act and the special rights and restrictions attached to any class of shares, the Company may, by a resolution of the directors:

- (a) purchase any of its shares at the price and upon the terms specified in that resolution; and
- (b) sell any of its shares so purchased but not cancelled at the price and upon the terms specified in that resolution.

5.2 **Offer to Purchase Shares.** Subject to section 5.3, before the Company purchases any of its shares, it must make an offer, to every shareholder who holds shares of the class or series of shares to be purchased, to purchase rateably from those shareholders the number of shares of that class or series of shares that the Company wishes to purchase unless:

- (a) the purchase is made through a securities exchange or a quotation and trade reporting system;
- (b) the shares are being purchased:
 - (i) from an employee or former employee of the Company or of an affiliate of the Company; or
 - (ii) in the case of shares beneficially owned by an employee or former employee of the Company or of an affiliate of the Company, from the registered owner of the shares;
- (c) in respect of a specific share purchase, the Company is, for that purchase, relieved of its obligation to make an offer to purchase rateably from those shareholders holding shares of the class or series of shares from which the shares are to be purchased by a special separate resolution of those shareholders;
- (d) the purchase is one made pursuant to an order of the court upon application by a shareholder;
- (e) the purchase is of all of the notice shares of a dissenter;
- (f) the purchase is one made pursuant to an arrangement proposed by the Company with shareholders, creditors or other persons; or
- (g) the purchase is of fractional shares.

5.3 **Shareholder may Waive.** A shareholder may, in writing, waive the right to receive an offer to purchase a shareholder's shares under this Part 5 and that waiver is effective whether given before or after the purchase by the Company of any of its shares.

PART 6 BORROWING POWERS

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

6.1 **Powers of Directors.** Subject to the Business Corporations Act, the directors may from time to time at their discretion authorize the Company to:

- (a) borrow any amount of money;
- (b) guarantee the repayment of any amount of money borrowed by any person or corporation; and
- (c) guarantee the performance of any obligation of any person or corporation;

D-5

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

and may raise or secure the repayment of any amount of money so borrowed or guaranteed or any obligation so guaranteed in any manner and upon any terms and conditions as they may think fit and in particular and without limiting the generality of the foregoing by the issue of bonds, debentures or other debt obligations or by the granting of any mortgages or other security interest on the undertaking of the whole or any part of the property of the Company, both present and future.

6.2 **Negotiability of Debt Obligations.** The directors may make any bonds, debentures or other debt obligations issued by the Company by their terms assignable free from any equities between the Company and the person to whom they may be issued or any other person who lawfully acquires them by assignment, purchase or otherwise.

6.3 **Special Rights on Debt Obligations.** The directors may authorize the issue of any bonds, debentures or other debt obligations of the Company at a discount, premium or otherwise and with special or other rights or privileges as to redemption, surrender, drawings, allotment of or conversion into or exchange for shares, attending at general meetings of the Company and otherwise as the directors may determine at or before the time of issue.

6.4 **Execution of Debt Obligations.** If the directors so authorize or if any instrument under which any bonds, debentures or other debt obligations of the Company are issued so provides any bonds, debentures and other debt obligations of the Company, instead of being manually signed by the directors or officers authorized in that behalf, may have the facsimile signatures of those directors or officers printed or otherwise mechanically reproduced thereon and in either case is as valid as if signed manually and every bond, debenture or other debt obligation so bearing facsimile signatures of directors or officers of the Company must be manually signed, countersigned or certified by or on behalf of a registrar, branch registrar, transfer agent or branch transfer agent of the Company duly authorized to do so by the directors or the instrument under which such bonds, debentures or other debt obligations are issued. Notwithstanding that any person whose facsimile signature is so used has ceased to hold the office that he or she is stated on any bond, debenture or other debt obligation to hold at the date of the actual issue of that bond, debenture or other debt obligation, the bond, debenture or other debt obligation is valid and binding on the Company.

PART 7 GENERAL MEETINGS

7.1 **Location of General Meetings.** Every general meeting must be held at such time and location as the directors may determine.

7.2 **General Meeting Participation.** A shareholder or proxy holder who is entitled to participate in, including vote at, a meeting of shareholders may do so by video conference or telephone if all shareholders and proxy holders participating in the meeting, whether by video conference, telephone or in person, are able to communicate with each other. If all shareholders or proxy holders who are entitled to participate in, including vote at, a meeting consent, a shareholder or proxy holder may participate in the meeting by a communications medium other than video conference or telephone if all shareholders and proxy holders participating in the meeting are able to communicate with each other. A shareholder or proxy holder who participates in a meeting by a communications medium other than video conference or telephone is deemed to have agreed to participate by the other communications medium. A shareholder or proxy holder who participates in a meeting by video conference, telephone or other communications medium is deemed for all purposes of the Business Corporations Act and these Articles to be present at the meeting and must be counted in the quorum for and is entitled to communicate and vote at that meeting, and the meeting is deemed to be held at the location specified in the notice of meeting.

7.3 **Notice of General Meetings.** Notice of a general meeting must specify the time and location of the meeting and, in case of special business (as described in Part 8), the general nature of that business.

7.4 **Waiver of Notice.** Any person entitled to notice of a general meeting may waive or reduce the period of notice for that meeting in writing or otherwise and may do so before, during or after the meeting.

7.5 **Record Date for Notice.** The directors may set a date as the record date for the purpose of determining shareholders entitled to vote at any meeting of shareholders. The record date must not precede the date on

which the meeting is to be held by more than two months or, in the case of a general meeting requisitioned by shareholders under the Business Corporations Act, by more than four months.

7.6 **Failure to Give Notice.** The accidental omission to send notice of any meeting to, or the non-receipt of any notice by, any of the persons entitled to notice does not invalidate any proceedings at that meeting.

7.7 **Notice of Special Business at General Meeting.** If any special business includes the presenting, considering, approving, ratifying or authorizing the execution of any document, then the portion of any notice relating to that document is sufficient if it states that a copy of the document or proposed document is or will be available for inspection by shareholders at a place in the Province of British Columbia specified in that notice during business hours in any working day or days prior to the date of the meeting.

PART 8 PROCEEDINGS AT GENERAL MEETINGS

8.1 **Special Business.** All business at a general meeting is deemed to be special business except the consideration of the financial statements and the reports of the directors and auditors, the election of directors, appointment of auditors, authorization of the directors to set the remuneration of the auditors and such other business as under these Articles ought to be transacted at an annual general meeting or any business which is brought under consideration by the report of the directors.

8.2 **Quorum.** Subject to this Part 8, and subject to the special rights and restrictions attached to the shares of any class or series of shares, the quorum for the transaction of business at a meeting of shareholders is one or more persons who are, or who represents by proxy, one or more shareholders who, in the aggregate, hold at least 25% of the issued shares entitled to be voted at the meeting.

8.3 **Requirement of Quorum.** No business other than the election of a chair and the adjournment or termination of the meeting may be transacted at any general meeting unless a quorum is present at the commencement of the meeting but the quorum need not be present throughout the meeting.

8.4 **Lack of Quorum.** If within 30 minutes from the time appointed for a meeting a quorum is not present, the meeting:

- (a) if convened by requisition of the shareholders, must be terminated; and
- (b) in any other case, must stand adjourned to the same day in the next week at the same time and place.

If at the adjourned meeting a quorum is not present within 30 minutes from the time appointed, the shareholder or shareholders present in person, by proxy or by authorized representative is or are a quorum.

8.5 **Chair.** The chair of the Board, if any, or in his or her absence the President, if any, or in his or her absence the Chief Executive Officer, if any, is entitled to act as chair at every general meeting. If at any general meeting the chair of the Board, if any, and the President, if any, and the Chief Executive Officer, if any, are not present within 15 minutes after the time appointed for holding the meeting or if neither is willing to act as chair, the directors present must choose one of their number to act as chair. If no director is present or if all the directors present decline to act as chair or fail to so choose, the persons present must choose one of their number to act as chair.

8.6 **Adjournments.** The chair of the meeting may, with the consent of any meeting at which a quorum is present and must, if so directed by the meeting, adjourn the meeting from time to time and from place to place. No business may be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. If a meeting is adjourned for 30 days or more, notice of the adjourned meeting must be given as in the case of a general meeting. It is otherwise not necessary to give any notice of an adjourned meeting or of the business to be transacted at any adjourned meeting.

8.7 **Voting.** Every question submitted to a general meeting must be decided:

- (a) if a ballot is demanded by a shareholder or proxy holder entitled to vote at the meeting or is directed by the chair or is required by applicable laws or stock exchange requirements, by ballot; or
- (b) in any other case, by a show of hands or by any other manner that adequately discloses the intentions of the shareholders or proxy holders.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

The chair must declare to the meeting the decision on every question in accordance with the result of the ballot, the show of hands or the other manner that adequately disclosed the intentions of the shareholders or proxy holders and that decision must be entered in the minute book of the Company. A declaration of the chair that a resolution has been carried or carried unanimously or by a particular majority or lost or not carried by a particular majority and an entry to that effect in the minute book of the Company is conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against that resolution.

8.8 **Resolution Need Not Be Seconded.** No resolution proposed at a meeting need be seconded and the chair of any meeting is entitled to move or second a resolution.

8.9 **Casting Vote.** In case of an equality of votes upon a resolution, whether on a show of hands or by ballot or any other manner, the chair does have a casting vote in addition to the vote or votes to which he or she may be entitled as a shareholder.

8.10 **Manner of Taking Ballot.** If a ballot is duly demanded it must be taken at once or in the manner the chair of the meeting directs. A demand for a ballot may be withdrawn. In the case of any dispute as to the admission or rejection of a vote the chair must conclusively determine whether that vote is admitted or rejected.

8.11 **Splitting Votes.** On a ballot, a shareholder entitled to more than one vote need not, if that shareholder votes, use all that shareholder's votes or cast all the votes that shareholder uses in the same way.

8.12 **Demand for Ballot Not to Prevent Continuance of Meeting.** The demand for a ballot does not prevent the continuance of a meeting for the transaction of any business other than the question on which a ballot has been demanded.

8.13 **Retention of Ballots and Proxies.** The Company must, for at least three months after a meeting of shareholders, keep each ballot cast and each proxy voted at the meeting and, during the period, make them available for inspection during statutory business hours by any shareholder or proxy holder entitled to vote at the meeting. At the end of the three-month period, the Company may destroy such ballots and proxies.

PART 9 VOTES OF SHAREHOLDERS

9.1 **Number of Votes Per Share or Shareholder.** Subject to any special rights or restrictions attached to any share contained in these Articles, on a show of hands every shareholder entitled to vote present in person, by proxy or by authorized representative has one vote and on a ballot every shareholder entitled to vote on that ballot has one vote for every whole share held by that shareholder and a fractional vote in proportion to any fraction of a share held by that shareholder.

9.2 **Votes of Persons in Representative Capacity.** A person who is not a shareholder may vote at a meeting of shareholders, whether on a show of hands or on a ballot, and may appoint a proxy holder to act at the meeting if, before doing so, the person satisfies the chair of the meeting or the directors that the person is a legal personal representative or a trustee in bankruptcy for a shareholder who is entitled to vote at the meeting.

9.3 **Votes by Joint Holders.** If there are joint shareholders registered in respect of any share, any one of the joint shareholders may vote at any meeting in person, by proxy or by authorized representative in respect of the share as if that joint shareholder were solely entitled to it. If more than one of the joint shareholders is present at any meeting in person, by proxy or by authorized representative, the joint shareholder so present whose name stands first on the central securities register in respect of the share is alone entitled to vote in respect of that share. For the purpose of this Part 9, two or more executors or administrators of a deceased shareholder in whose sole name any share stands are deemed joint shareholders.

9.4 **Representative of a Corporate Shareholder.** If a corporation, that is not a subsidiary of the Company, is a shareholder, that corporation may appoint, by an instrument in writing, a person to act as its authorized representative at any meeting of shareholders of the Company, and:

(a)

for that purpose, the instrument appointing the authorized representative must:

(i)

be received at the registered office of the Company or at any other place specified in the notice calling the meeting for the receipt of proxies at least the number of business days specified in the

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

notice for the receipt of proxies, or if no number of days is specified, not less than 48 hours before the time for holding the meeting; or

- (ii) be deposited with the chair of the meeting, or to a person designated by the chair of the meeting, prior to the commencement of the meeting;
- (b) if an authorized representative is appointed under this Part 9:
- (i) the authorized representative is entitled to exercise in respect of and at that meeting the same rights on behalf of the corporation that the authorized representative represents as that corporation could exercise if it were a shareholder who is an individual including, without limitation, the right to appoint a proxy holder; and
 - (ii) the authorized representative, if present at the meeting, is to be counted for the purpose of forming a quorum and is deemed to be a shareholder present in person at the meeting.

An instrument appointing an authorized representative of a corporation must be in writing signed by a duly authorized person on behalf of that corporation and must be sent to the Company.

9.5 Appointment of Proxy Holders. A shareholder holding one or more shares in respect of which that shareholder is entitled to vote at a general meeting is entitled to appoint one or more proxy holders to attend, act and vote for that shareholder at the general meeting and in so doing that shareholder must specify the number of shares that each proxy holder is entitled to vote.

9.6 Execution of Proxy Instrument. A proxy must cast by telephone, on the internet or in writing signed by the appointor or the appointor's attorney or, if the appointor is a corporation, by the authorized representative or a duly authorized person on behalf of that corporation.

9.7 Qualification of Proxy Holder. A person who is not a shareholder may be appointed as a proxy holder. OR A person must not be appointed as a proxy holder unless the person is a shareholder, although a person who is not a shareholder may be appointed as a proxy holder if:

- (a) the person appointing the proxy holder is a corporation or an authorized representative of a corporation appointed under this Part 9;
- (b) the Company has at the time of the meeting for which the proxy holder is to be appointed only one shareholder entitled to vote at the meeting; or
- (c) the Company, by a resolution of the directors, permits the proxy holder to attend and vote at the meeting.

9.8 Deposit of Proxy. A proxy and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy of such power of attorney or other authority must be deposited at the registered office of the Company or at such other place as is specified for that purpose in the notice calling the meeting not less than 48 hours before the time for holding the meeting at which the person named in the proxy proposes to vote or must be deposited with the chair of the meeting, or with a person designated by the chair of the meeting, prior to the commencement of the meeting. In addition to any other method of depositing proxies provided for in these Articles, the directors may from time to time make regulations:

- (a) permitting the depositing of proxies at some place or places other than the place at which a meeting or adjourned meeting of shareholders is to be held;
- (b) providing for particulars of those proxies to be sent in writing or by fax, e-mail or any other method of transmitting legibly recorded messages before a meeting or an adjourned meeting to the Company or any agent of the Company for the purpose of receiving those particulars; and

- (c) providing that particulars of those proxies may be voted as though the proxies themselves were produced to the chair of the meeting or of the adjourned meeting as required by this Article.

Votes given in accordance with proxies and particulars of proxies so deposited are valid and counted.

D-9

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

9.9 **Validity of Proxy Vote.** A vote given in accordance with the terms of a proxy is valid notwithstanding the previous death, bankruptcy or incapacity of the shareholder or revocation of the proxy or of the authority under which the proxy was executed or the transfer of the share in respect of which the proxy is given, provided that prior to the meeting no notice in writing of such death, bankruptcy, incapacity, revocation or transfer has been received at the registered office of the Company or by the chair of the meeting or of the adjourned meeting at which the vote was given.

9.10 **Form of Proxy.** A proxy appointing a proxy holder must be in the following form or in any other form that the directors approve:

(Name of Company)

The undersigned hereby appoints _____
_____ or failing him or her _____

as proxy holder for the undersigned to attend at and vote for and on behalf of the undersigned at the general meeting of the Company to be held on the ____ day of _____, _____, and at any adjournment of that meeting.

Signed this ____ day of _____, _____.

(Signature of Shareholder)

9.11 **Revocation of Proxy.** Subject to this Part, every proxy may be revoked by an instrument in writing that is received at the registered office of the Company, or such other location as is specified for that purpose in the notice of meeting or in the information circular relating thereto, at any time up to and including the two business days before the day set for the holding of the meeting at which the proxy is to be used or deposited with the chair of the meeting, or with a person designated by the chair of the meeting, prior to the commencement of the meeting.

9.12 **Revocation of Proxy Will Be Signed.** An instrument to revoke a proxy must be signed as follows:

- (a) if the shareholder for whom the proxy holder is appointed is an individual, the instrument must be signed by the shareholder or his or her legal personal representative or trustee in bankruptcy;
- (b) if the shareholder for whom the proxy holder is appointed is a corporation, the instrument must be signed by a duly authorized person on behalf of the corporation or by the authorized representative appointed for the corporation under this Part 9.

PART 10 DIRECTORS

10.1 **General Authority.** Subject to these Articles, the directors may exercise all powers and do all acts and things as the Company is by the Business Corporations Act, these Articles or otherwise authorized to exercise and do and which are not by these Articles, by statute or otherwise lawfully directed or required to be exercised or done by the Company by unanimous resolution, exceptional resolution, special resolution or ordinary resolution.

10.2 **Number of Directors.** The number of directors may be determined by ordinary resolution. The number of directors may be changed from time to time by ordinary resolution whether previous notice of that ordinary resolution has been given or not. If at any time the Company becomes a public company and the number of directors fixed pursuant to these Articles is less than three, then the number of directors is deemed to have been increased to three.

10.3 **Directors' Acts Valid Despite Vacancy.** An act or proceeding of the directors is not invalid merely because fewer than the number of directors set or otherwise required under these Articles is in office.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

10.4 **Qualification of Directors.** A director is not required to hold a share in the capital of the Company as qualification for his or her office but must be qualified as required by the Business Corporations Act to become, act or continue to act as a director.

10.5 **Remuneration and Expenses of Directors.** The remuneration of the directors as such may from time to time be determined by the directors. Any remuneration of a director is in addition to any salary or other remuneration paid to him or her as an officer or employee of the Company. Every director must be repaid such reasonable expenses as he or she may incur in and about the business of the Company. Other than remuneration for professional services described in this Part 10, if any director performs any services for the Company that in the opinion of the directors are outside the ordinary duties of a director or if he or she is specifically occupied in or about the Company's business other than as a director, he or she may be paid a remuneration to be fixed by the directors. The remuneration so fixed may be either in addition to or in substitution for any other remuneration that he or she may be entitled to receive and the additional remuneration may be charged as part of ordinary working expenses of the Company. Unless otherwise determined by ordinary resolution, the directors may pay a gratuity or pension or allowance on retirement to any director who has held any salaried office or place of profit with the Company, to his or her spouse or dependants and they may also make any contributions to any fund and pay premiums for the purchase or provision of any gratuity, pension or allowance in respect of that director.

10.6 **Right to Office and Contract with Company.** A director may hold any office or place of profit in the Company, other than auditor, in conjunction with his or her office of director for the period and on such terms as the directors may determine. Subject to compliance with the Business Corporations Act, no director or intended director is disqualified by his or her office from contracting with the Company with regard to his or her tenure of office or place of profit or as vendor, purchaser or otherwise.

10.7 **Director Acting in Professional Capacity.** Any director may act by him or herself or his or her firm in a professional capacity for the Company and he or she or his or her firm is entitled to remuneration for professional services as if he or she were not a director.

10.8 **Alternate Directors.** Any director may from time to time appoint any person who is approved by resolution of the directors to be his or her alternate director provided that approval is not required if a director is appointed alternate director for another director. The appointee, while he or she holds office as an alternate director, is entitled to notice of meetings of the directors and, in the absence of the director for whom he or she is an alternate, to attend and vote at meetings as a director and is not entitled to be remunerated otherwise than out of the remuneration of the director appointing him or her. Any director may make or revoke an appointment of his or her alternate director by notice in writing sent to the Company. A person may act as an alternate for more than one director at any given time and a director may act as an alternate director for any other director. No person may act as an alternate director unless that person qualifies under the Business Corporations Act to act as a director of the Company. Every alternate director, if authorized by the notice appointing him or her, may sign any consent resolution in place of the director appointing him or her.

PART 11 ELECTION, APPOINTMENT AND REMOVAL OF DIRECTORS

11.1 **Election and Appointment.** The shareholders may elect or appoint directors at any time and from time to time.

11.2 **Elections and Appointments at Annual General Meetings.** At each annual general meeting all the directors retire and the shareholders must elect or appoint a Board of Directors consisting of the number of directors for the time being fixed pursuant to Part 10. Any retiring director is eligible for re-election or re-appointment. If the holding of an annual general meeting of the Company is deferred or waived by a unanimous resolution of all shareholders entitled to vote at the annual general meeting, each director in office on the annual reference date selected in the unanimous resolution continues to be a director until the next annual reference date unless that director retires or is removed prior to the next annual reference date.

11.3 **Filling a Casual Vacancy.** The directors may at any time and from time to time appoint any person as a director to fill a casual vacancy among the directors or a vacancy resulting from an increase of the number of directors.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

11.4 **Power to Appoint Additional Directors.** Between successive annual general meetings, the directors have the power to appoint one or more additional directors but not more than one-third the number of directors elected or appointed at the last annual general meeting at which directors were elected or appointed. Any director so appointed may hold office only until the next following annual general meeting of the Company but is eligible for election at such meeting and, so long as he or she is an additional director, the number of directors is increased accordingly.

11.5 **Removal of Directors.** If a director is convicted of an indictable offence or ceases to be qualified to act as a director of the company and does not promptly resign, the Company may remove the director before the expiration of the director's term of office by a resolution of the directors. The Company may otherwise remove a director before the expiration of the director's term of office by a special resolution of the shareholders.

11.6 **Nomination of Directors.**

PART 12 PROCEEDINGS OF DIRECTORS

12.1 **Meetings and Quorum.** The directors may hold meetings as they think fit for the dispatch of business and may adjourn and otherwise regulate their meetings and proceedings as they think fit. The directors may from time to time fix the quorum necessary for the transaction of business and unless so fixed the quorum is a majority of the Board.

12.2 **Chair.** The chair of the Board, if any, of the Company is entitled to act as chair of every meeting of the Board but if at any meeting the chair of the Board, if any, is not present within 15 minutes after the time appointed for holding the meeting, or if the chair of the Board is not willing to act as chair, the directors present must choose one of their number to act as chair.

12.3 **Call and Notice of Meetings.** A director may at any time call a meeting of the directors. Notice specifying the time and place of that meeting may be personally given or sent to each director and must be given at least 48 hours before the time appointed for holding the meeting or such lesser time as may be reasonable under the circumstances. It is not necessary to give to any director notice of a meeting of directors immediately following a general meeting at which that director has been elected or notice of a meeting of directors at which that director was appointed.

12.4 **Validity of Meeting Despite Failure to Give Notice.** The accidental omission to give notice of any meeting of directors to, or the non-receipt of any notice by, any director or alternate director does not invalidate any proceedings at that meeting.

12.5 **Meeting Participation.** A director may participate in a meeting of the directors or of any committee of the directors by video conference or telephone if all directors participating in the meeting, whether by video conference or telephone or in person, are able to communicate with each other. If all the directors consent, a director may participate in a meeting of the directors or of any committee of the directors by a communications medium other than video conference or telephone if all directors participating in the meeting are able to communicate with each other. A director who participates in a meeting by a communications medium other than video conference or telephone is deemed to have agreed to participate by the other communications medium. A director who participates in a meeting by video conference, telephone or other communications medium is deemed for all purposes of the Business Corporations Act and these Articles to be present at the meeting and must be counted in the quorum for and is entitled to communicate and vote at that meeting.

12.6 **Competence of Quorum.** The directors at a meeting at which a quorum is present are competent to exercise all or any of the authorities, powers and discretions for the time being vested in or exercisable by the directors.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

12.7 **Committees.** The directors may from time to time by resolution constitute, dissolve or reconstitute standing committees and other committees consisting of such persons as the directors may determine. Every committee so constituted has the authorities, powers and discretions that may be delegated to it by the directors and must act in accordance with any regulations that the directors may impose upon it.

12.8 **Validity of Meeting if Directorship Deficient.** All acts done by any director or by any member of a committee constituted by the directors, notwithstanding that it is discovered afterwards that there was some defect in the appointment of any person so acting or that he or she was disqualified, are valid.

12.9 **Majority Rule and Casting Vote.** Questions arising at any meeting of the directors must be decided by a majority of votes. In the case of an equality of votes, the chair does not have a casting vote.

PART 13 OFFICERS

13.1 **Appointment of Officers.** The directors may appoint officers of the Company and may specify their duties. Any individual may be appointed to any office of the Company. Two or more offices of the Company may be held by the same individual.

PART 14 DIVIDENDS

14.1 **Declaration of Dividends.** Subject to the Business Corporations Act and the rights, if any, of shareholders holding shares with special rights and restrictions, the directors may declare dividends and fix the date of record and the date for payment of any dividend. No date of record for any dividend may precede the date of payment of that dividend by more than the maximum number of days permitted by the Business Corporations Act. No notice need be given of the declaration of any dividend. If no valid date of record is fixed, the date of record is deemed to be the same date as the date of payment of the dividend.

14.2 **Dividend Bears No Interest.** No dividend may bear interest against the Company.

14.3 **Payment in Specie.** The directors may direct payment of any dividend wholly or partly by the distribution of specific assets or of paid-up shares or bonds, debentures or other debt obligations of the Company or in any one or more of those ways and if any difficulty arises in regard to the distribution the directors may settle the difficulty as they think fit. The directors may fix the value for distribution of specific assets and may vest any of those specific assets in trustees upon such trusts for the persons entitled to those specific assets as the directors think fit.

14.4 **Fractional Interests.** Notwithstanding the provisions of this Part 14, if any dividend results in any shareholder being entitled to a fraction of a share, bond, debenture or other debt obligation of the Company, the directors may pay that shareholder the cash equivalent in place of that fraction of a share, bond, debenture or other debt obligation. The directors may arrange through a fiscal agent or otherwise for the sale, consolidation or other disposition of fractions of shares, bonds, debentures or other debt obligations of the Company on behalf of shareholders entitled to them.

14.5 **Payment of Dividends.** Any dividend payable in cash by the Company may be paid by cheque mailed to the registered address of the shareholder or in the case of joint shareholders to the registered address of the joint shareholder first named in the central securities register or to such person or to such address as any shareholder may direct in writing. Every cheque must be made payable to the order of the person to whom it is sent and in the case of joint shareholders to those joint shareholders.

14.6 **Receipt by Joint Shareholders.** If several persons are joint shareholders of any share, any one of them may give an effective receipt for any dividend, bonus or other money payable in respect of the share.

PART 15 ACCOUNTING RECORDS AND AUDITORS

15.1 **Accounts to be Kept.** The directors must cause accounting records to be kept as necessary to properly record the financial affairs and condition of the Company and to comply with the provisions of statutes applicable to the Company.

Edgar Filing: VISTA GOLD CORP - Form PRE 14A

15.2 **Location of Accounts.** The directors must determine the place at which the accounting records of the Company must be kept and those records must be open to the inspection of any director during the statutory business hours of the Company.

15.3 **Remuneration of Auditors.** The directors may set the remuneration of any auditor of the Company.

PART 16 SENDING OF RECORDS

16.1 **Manner of Sending Records.** Unless the Business Corporations Act requires otherwise, a record may be sent:

- (a) to the Company by delivery or mail to the Company at the delivery address or mailing address of its registered office or by fax or e-mail to a fax number or e-mail address specified by the Company for that purpose;
- (b) to a director by delivery or mail to the director at the prescribed address of that director or by fax or e-mail to the fax or e-mail address specified for that purpose by the director;
- (c) to a shareholder by delivery or mail to the shareholder at the registered address of that shareholder or by fax or e-mail to the fax or e-mail address specified for that purpose by the shareholder; or
- (d) to the person entitled to a share as a result of the death, bankruptcy or incapacity of a shareholder by delivery or mail or by fax or e-mail to that person at the address specified for that purpose by the person so entitled and until that address, fax number or e-mail address has been so specified, the record may be sent in any manner in which it might have been sent if the death, bankruptcy or incapacity had not occurred.

16.2 **Sending to Joint Holders.** A record may be sent by the Company to joint shareholders in respect of a share registered in their names by sending the record to the joint shareholder first named in the central securities register in respect of that share.

16.3 **Date Record Deemed Received.** If a record is sent by mail, postage prepaid, that record is deemed to have been received on the day, Saturdays, Sundays and holidays excepted, following the date of mailing. If a record is sent by fax, e-mail or any other manner of transmitting visually recorded messages, that record is deemed to have been received on the day it is sent if received before or during statutory business hours that day and is deemed to have been received on the day, Saturdays and holidays excepted, following the date it is sent if received after statutory business hours or on a Saturday or holiday.

PART 17 NOTICES

17.1 **Minimum Number of Days.** Notice of a general meeting must be sent to all shareholders holding shares that carry the right to vote at general meetings, except to shareholders who have otherwise indicated in the client response form completed and submitted by such shareholder pursuant to *National Instrument 54-101 Communication with Beneficial Owner of Securities of a Reporting Issuer*, at least 21 days before the general meeting. Notice of a class or series meeting must be sent to all shareholders holding shares of that class or series at least 14 days before the class or series meeting.

17.2 **Persons to Receive Notice.** Notice of every general meeting must be sent to:

- (a) every shareholder holding a share or shares carrying the right to vote at that meeting on the record date or, if no record date was established by the directors, on the date the notice is sent;
- (b) the personal representative of a deceased shareholder if entitled to notice by the Business Corporations Act;

D-16

No other person is entitled to receive notices of general meetings.

PART 18 EXECUTION OF DOCUMENTS

18.1 **Seal Optional.** The directors may provide a common seal for the Company and may provide for its use. The directors have power to destroy the common seal and may provide a new common seal.

18.2 **Official Seal.** The directors may provide for use in any other province, state, territory or country an official seal that must have on its face the name of the province, state, territory or country where it is to be used.

18.3 **Affixing of Seal to Documents.** The directors must provide for the safe custody of each of the Company's seals, if any, which shall not be affixed to any instrument except by the authority of a resolution of the directors and by such person or persons as may be prescribed in and by that resolution and the person or persons so prescribed must sign every instrument to which the seal of the Company is affixed in his, her or their presence, provided that a resolution directing the general use of a seal, if any, may at any time be passed by the directors and applies to the use of that seal until countermanded by another resolution of the directors. In the absence of any resolution so authorizing the use of any seal, any seal of the Company may be affixed to any document that requires the seal of the Company in the presence of all the directors.

APPENDIX "E"

**COMPARISON OF SHAREHOLDER RIGHTS
UNDER THE BUSINESS CORPORATIONS ACT (BRITISH COLUMBIA) ("BCBCA")
AND THE BUSINESS CORPORATIONS ACT (YUKON) ("YBCA")**

The following is a summary comparison of certain of the current rights of shareholders under the YBCA and the rights that they will have under the BCBCA. The statements in this section are qualified in their entirety by reference to, and are subject to, the detailed provisions of the BCBCA, the YBCA and the Corporation's constating documents including its articles and by-laws, copies of which can be obtained from the Corporation. This comparison is not intended to be, nor should it be construed to be, legal advice.

This summary is not meant to be exhaustive and reference should be made to the complete text of the YBCA and the BCBCA. It is strongly recommended that each shareholder consult with his or her legal advisors as to the nature and effect of the change in corporate jurisdiction.

Fundamental Corporate Changes

Generally, under the BCBCA, a company must not alter its notice of articles or articles unless it is authorized to do so: (a) by the type of resolution specified in the BCBCA; (b) if the BCBCA does not specify a type of resolution, then by the type of resolution specified in the company's articles; or (c) if neither the BCBCA nor the articles specify the type of resolution, then by a special resolution. Under the BCBCA and unless otherwise provided in a company's articles, a special resolution usually refers to a majority of at least two-thirds of the votes cast on the resolution and an ordinary resolution refers to a simple majority of the votes cast on the resolution.

The BCBCA permits a company to effect capital alterations by the type of resolution that is specified in the company's articles or, if not so specified, by special resolution.

Under the YBCA, the articles of a company may be amended by a special resolution to: (a) change a company's name; (b) add, change or remove any restriction on the business or businesses that the company may carry on; (c) change the maximum number of shares that a company is authorized to issue; (d) create new classes of shares; (e) change the designation of all or any of a company's shares and add, change or remove any rights, privileges, restrictions and conditions, including rights to accrued dividends, in respect of all or any of its shares, whether issued or unissued; (f) change the shares of any class or series, whether issued or unissued, into a different number of shares of the same class or series or into the same or a different number of shares of other classes or series; (g) divide a class of shares, whether issued or unissued, into series and establish the number of shares in each series and the rights, privileges, restrictions and conditions of that series; (h) authorize the directors to divide any class of unissued shares into series and establish the number of shares in each series and the rights, privileges, restrictions and conditions of that series; (i) authorize the directors to change the rights, privileges, restrictions and conditions attached to unissued shares of any series; (j) revoke, diminish or enlarge any authority conferred under items (h) and (i); (k) increase or decrease the number of directors or the minimum or maximum number of directors; (l) add, change or remove restrictions on the transfer of shares; or (m) add, change or remove any other provision permitted by the YBCA to be set out in the articles. A special resolution is also required to approve an amalgamation, continuance into another jurisdiction and an extraordinary sale, lease or exchange of property.

Under the YBCA, a special resolution refers to a resolution passed by a majority of not less than two-thirds of the votes cast by the shareholders who voted in respect of that resolution and an ordinary resolution refers to a resolution passed by a simple majority of the votes cast by the shareholders who voted in respect of that resolution.

Alteration of Special Rights and Restrictions of Shares

Under the BCBCA, a company may create, vary or delete special rights and restrictions attaching to any class or series of shares (whether issued or unissued) by the type of shareholders' resolution specified in the company's articles. If no shareholders' resolution is specified, then such changes may only be effected by a

special resolution. Authority may also be granted in a company's articles to permit the directors to create or alter the rights and restrictions of any unissued shares of any series.

Under the YBCA, a company may add, change or remove rights and restrictions of any class or series of shares (whether issued or unissued) only by special resolution (although authority may be granted in a company's articles to permit the directors to change the rights and restrictions of any unissued shares of any series).

Change of Name

Under the BCBCA, a company is permitted to change its name by the type of resolution that is specified in the company's articles or, if not so specified, by special resolution. Under the YBCA, a company may only effect a name change by special resolution.

Shareholders Meetings

Place of Meetings

The BCBCA requires that every general meeting of shareholders of a company must be held in British Columbia or may be held at a location outside of British Columbia if: (a) the articles of the company provide for such location; (b) the articles of the company do not restrict the company from approving a location outside British Columbia, and such location is approved by the resolution required by the articles for that purpose or, if the articles do not so specify, by an ordinary resolution; or (c) such location is approved by the Registrar of Companies before the meeting is held.

The YBCA provides that shareholders' meetings shall be held at the place in the Yukon provided in the by-laws or, in the absence of such provision, at the place in the Yukon that the directors determine. Shareholders meetings may be held at outside the Yukon if all the shareholders entitled to vote at such meeting agree or at one or more places outside the Yukon as specified in the corporation's articles.

Quorum for Shareholders Meetings

Under the BCBCA, the quorum is the quorum established by the articles or if no quorum is established, it is two shareholders entitled to vote at the meeting whether present in person or represented by proxy.

Under the YBCA, a quorum for a shareholders meeting is a majority of the shares entitled to vote at the meeting represented in person or by proxy, unless the by-laws of the company provide otherwise.

Shareholder Proposals

The BCBCA provides that shareholder proposals must be signed by qualified shareholders who, in the aggregate, hold shares that: (a) comprise of at least 1% of the issued shares of the company that carry the right to vote at general meetings; or (b) have a fair market value in excess of \$2,000. A qualified shareholder is any registered or beneficial owner of shares carrying the right to vote at general meetings, and who has held such shares for an uninterrupted period of at least two years prior to the date of signing the proposal, but does not include any person who, within two years before the date of the signing of the proposal, failed to present (in person or by proxy) at an annual general meeting an earlier proposal of which that person was a submitter and in response to which the company has complied with certain procedural obligations.

The YBCA provides that any shareholder who is entitled to vote at an annual meeting may submit to the company notice of any matter that the shareholder proposes to raise at the meeting and discuss such matters at the meeting. A company that solicits proxies is required, subject to certain exceptions set forth in the YBCA, to set forth a shareholder proposal in its management proxy circular and, if so requested by the submitting shareholder, include in the management proxy circular a statement of the submitting shareholder in support of the proposal. A proposal may include nominations for the election of directors if the proposal is signed by one or more holders of shares representing in the aggregate not less than 5% of the shares entitled to be voted at the meeting.

Directors and Officers

Number of Directors; Residency of Directors

The BCBCA provides that a public company must have a minimum of three directors. The YBCA requires a distributing corporation to have at least three directors, at least two of whom are not officers or employees of the company or its affiliates. Neither the YBCA nor the BCBCA impose any residency requirements on directors.

Term of Directors

The BCBCA does not expressly limit the length of the term for which a director may be elected but provides that directors shall be elected or appointed in accordance with the BCBCA and the articles of a company. Under the YBCA, directors are elected for terms expiring at the next annual general meeting of shareholders, unless the articles or an unanimous shareholder agreement provide for a longer term (not exceeding three years).

Removal of Directors

Under the BCBCA, a director may be removed by special resolution or by some other method or resolution as specified in the articles of a company. Under the YBCA, a director may be removed by an ordinary resolution at a special meeting of the shareholders.

Dissent Rights

Under the BCBCA, shareholders who dissent to certain actions being taken by a company may exercise a right of dissent and require the company to purchase the shares held by such shareholder at the fair value of such shares. The dissent right is applicable in respect of: (a) a resolution to alter the articles to change restrictions on the powers of the company or on the business it is permitted to carry on; (b) a resolution to adopt an amalgamation agreement; (c) a resolution to approve an amalgamation into a foreign jurisdiction; (d) a resolution to approve an arrangement, the terms of which arrangement permit dissent; (e) a resolution to authorize or ratify the sale, lease or other disposition of all or substantially all of the company's undertaking; (f) a resolution to authorize the continuation of the company into a jurisdiction other than British Columbia; (g) any other resolution, if dissent is authorized by the resolution; and (h) any court order that permits dissent.

Under the YBCA, a holder of shares of any class of a company may exercise dissent rights in certain circumstances, such as if the company resolves to: (a) amend its articles to add, change or remove any provisions restricting or constraining the issue or transfer of shares of that class; (b) amend its articles under to add, change or remove any restrictions on the business or businesses that the company may carry on; (c) amalgamate with another corporation, other than under certain specified sections of the YBCA; (d) be continued under the laws of another jurisdiction; or (e) sell, lease or exchange all or substantially all its property.

Oppression Remedies

Under the BCBCA, a shareholder of a company has the right to apply to the court on the grounds that: (a) the affairs of the company are being or have been conducted, or that the powers of the directors are being or have been exercised, in a manner oppressive to one or more of the shareholders, including the applicant; or (b) some act of the company has been done or is threatened, or that some resolution of the shareholders or of the shareholders holding shares of a class or series of shares has been passed or is proposed, that is unfairly prejudicial to one or more of the shareholders, including the applicant.

On such an application, the court may make any order it considers appropriate. For the purposes of the oppression remedy provisions, "shareholder" includes a beneficial owner of a share of a company and any other person whom the court considers to be an appropriate person to make an application for an oppression remedy.

The YBCA contains rights that are broader in that they are available to a larger class of complainants. Under the YBCA, a director, officer or securityholder (whether the security is legally or beneficially owned) or a former director, officer or securityholder (whether the security is legally or beneficially owned) of a company or

any of its affiliates, or any other person who, in the discretion of a court, is a proper person to seek an oppression remedy may apply to the court for an order to rectify the matters complained of where, in respect of a company or any of its affiliates: (a) any act or omission of the company or its affiliates effects a result, (b) the business or affairs of the company or its affiliates are or have been carried on or conducted in a manner; or (c) the powers of the directors of the company or any of its affiliates are or have been exercised in a manner, that is oppressive or unfairly prejudicial to, or that unfairly disregards the interest of, any securityholder, creditor, director or officer.

Shareholder Derivative Actions

Under the BCBCA, a director or a shareholder of a company may, with leave of the court, prosecute a legal proceeding in the name and on behalf of the company to enforce a right, duty or obligation owed to the company that could be enforced by the company itself, or to obtain damages for any breach of such right, duty or obligation. There is a similar right of a shareholder or director, with leave of the court, and in the name and on behalf of the company, to defend a legal proceeding brought against the company. The court may grant leave for an application to commence a derivative action if: (a) the complainant has made reasonable efforts to cause the directors of the company to prosecute or defend the legal proceeding; (b) notice of the application for leave has been given to the company and to any other person the court may order; (c) the complainant is acting in good faith; and (d) it appears to the court that it is in the best interests of the company for the legal proceeding to be prosecuted or defended.

For the purposes of the derivative action provisions of the BCBCA, "shareholder" includes a beneficial owner of a share of a company and any other person whom the court considers to be an appropriate person to make an application.

The YBCA contains similar provisions for derivative actions but the right to bring a derivative action is available to a broader group. The right under the YBCA extends to directors, officers or securityholders (whether the security is legally or beneficially owned) and former directors, officers or securityholders (whether the security is legally or beneficially owned) of a company or any of its affiliates, or any other person who, in the discretion of a court, is a proper person to bring a derivative action. Also, the YBCA permits a complainant to commence an action in the name of a subsidiary of the company.

whichever first occurs, the shareholder ceases to have any rights as a shareholder other than the right to be paid the fair value of the shares in the amount agreed to between the corporation and the shareholder or in the amount of the judgment, as the case may be.

- (15) Paragraph (14)(a) does not apply to a shareholder referred to in paragraph (5)(b).

- (20) A corporation shall not make a payment to a dissenting shareholder under this section if there are reasonable grounds for believing that
