MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

Dear Stockholder,

On March 31, 2014, SWS Group, Inc. ("SWS") agreed to merge with and into Peruna LLC, a wholly owned subsidiary of Hilltop Holdings Inc. ("Hilltop") with Peruna LLC surviving the merger as a wholly owned subsidiary of Hilltop. We are sending you this proxy statement/prospectus to invite you to attend a special meeting of SWS stockholders being held to vote on the merger agreement and to ask you to vote at the special meeting in favor of the merger agreement.

In the merger, each share of SWS common stock will be converted into the right to receive (i) 0.2496 shares of Hilltop common stock, par value \$0.01 per share, and (ii) \$1.94 in cash. **The value of the merger consideration will fluctuate with the market price of Hilltop common stock, and will not be known at the time you vote on the merger.** Hilltop common stock is currently quoted on the New York Stock Exchange under the symbol "HTH." On October 13, 2014, the last practicable trading day before the date of this proxy statement/prospectus, the merger consideration of \$1.94 in cash and 0.2496 Hilltop shares represented approximately \$6.87 in value for each share of SWS common stock. **We urge you to obtain current market quotations for Hilltop common stock.**

Based on the current number of shares of SWS common stock outstanding and reserved for issuance under employee benefit plans, Hilltop expects to issue approximately 10.3 million shares of common stock, par value \$0.01 per share, to SWS stockholders in the aggregate upon completion of the merger. Based on these numbers, upon completion of the merger, current SWS stockholders would own approximately 10% of the common stock of Hilltop immediately following the merger. However, any increase or decrease in the number of shares of SWS common stock outstanding that occurs for any reason prior to the completion of the merger would cause the actual number of shares issued upon completion of the merger to change.

SWS will hold a special meeting of its stockholders in connection with the merger. SWS stockholders will be asked to vote to approve the merger agreement and related matters as described in this proxy statement/prospectus. We cannot complete the merger unless the stockholders of SWS approve the proposal. An affirmative vote of a majority of the outstanding shares of SWS common stock entitled to vote as of the record date is required to adopt the merger agreement.

The special meeting of the stockholders of SWS will be held at Renaissance Tower, 1201 Elm Street, Suite 4200, Dallas, Texas 75270, at 9:00 a.m., local time, on November 21, 2014.

The SWS board of directors (other than Messrs. Gerald J. Ford and J. Taylor Crandall, who recused themselves), upon the unanimous recommendation of the special committee of the SWS board of directors, has determined that the merger agreement and the transactions contemplated thereby, including the merger, are advisable and fair to and in the best interests of the SWS stockholders (other than Hilltop), and recommends that the SWS stockholders adopt the merger agreement.

The obligations of Hilltop and SWS to complete the merger are subject to the satisfaction or waiver of several conditions set forth in the merger agreement. More information about Hilltop, SWS, the special meeting, the merger agreement and the merger is contained in this proxy statement/prospectus. SWS encourages you to read the entire proxy statement/prospectus carefully, including the section entitled "Risk Factors" beginning on page 32. You can also obtain information about SWS and Hilltop from documents that each has filed with the Securities and Exchange Commission (see the section entitled "Where You Can Find More Information").

**NOTICE OF SPECIAL MEETING OF STOCKHOLDERS
TO BE HELD ON NOVEMBER 21, 2014**

To the stockholders of SWS Group, Inc.:

On November 21, 2014, SWS Group, Inc. ("SWS") will hold a special meeting of stockholders in Dallas, Texas at 9:00 a.m., local time, at Renaissance Tower, 1201 Elm Street, Suite 4200, Dallas, Texas 75270, to consider and vote upon the following matters:

a proposal to adopt and approve the Agreement and Plan of Merger, dated as of March 31, 2014, by and among Hilltop Holdings Inc., Peruna LLC, a wholly owned subsidiary of Hilltop, and SWS (the "merger proposal");

a proposal to approve, on a non-binding, advisory basis, compensation that may be paid or would be payable to SWS's named executive officers in connection with the merger (the "compensation proposal"); and

a proposal to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies, in the event that there are not sufficient votes at the time of the special meeting to approve the merger proposal (the "adjournment proposal").

The approval by SWS stockholders of the merger proposal is required for the completion of the merger described in this proxy statement/prospectus.

SWS will transact no other business at the SWS special meeting except such business as may properly be brought before the SWS special meeting or any adjournment or postponement thereof. Please refer to elsewhere in this proxy statement/prospectus for further information with respect to the business to be transacted at the SWS special meeting.

The SWS board of directors has fixed the close of business on October 3, 2014, as the record date for the SWS special meeting. Only SWS stockholders of record at that time are entitled to notice of, and to vote at, the special meeting, or any adjournment or postponement of the special meeting.

Approval of the merger proposal requires the affirmative vote of a majority of the shares of SWS common stock outstanding on the record date for the SWS special meeting. Approval of the compensation proposal and the adjournment proposal require, in each case, the affirmative vote of a majority of the shares of SWS common stock represented in person or by proxy at the SWS special meeting and entitled to vote on such proposal.

Your vote is important. Whether or not you plan to attend the SWS special meeting, we urge you to vote your shares as promptly as possible by (1) accessing the internet site listed on your proxy card, (2) calling the toll-free number listed on your proxy card, or (3) signing and returning the enclosed proxy card in the postage-paid envelope provided, so that your shares may be represented and voted at the SWS special meeting. You may revoke your proxy at any time before the vote at the special meeting by following the procedures outlined in this proxy statement/prospectus. If your shares are held in the name of a bank, broker or other nominee, please follow the voting instructions furnished by the record holder.

The SWS board of directors (other than Messrs. Gerald J. Ford and J. Taylor Crandall, who recused themselves), upon the unanimous recommendation of the special committee of the SWS board of directors, has approved and adopted the merger agreement, has determined that the merger agreement and the transactions contemplated thereby, including the merger, are advisable and fair to and in the best interests of the SWS stockholders, and recommends that SWS stockholders vote "FOR" the merger proposal, "FOR" the compensation proposal and "FOR" the adjournment proposal.

This proxy statement/prospectus provides a detailed description of the special meeting, the merger, the documents related to the merger and other related matters. We urge you to read this proxy statement/prospectus and its annexes carefully and in their entirety.

QUESTIONS AND ANSWERS

The following are answers to certain questions that you may have regarding the SWS special meeting. We urge you to read carefully the remainder of this proxy statement/prospectus because the information in this section may not provide all the information that might be important to you in determining how to vote. Additional important information is also contained in the annexes to, and the documents incorporated by reference into, this proxy statement/prospectus. See "Where You Can Find More Information" included elsewhere in this proxy statement/prospectus.

Q: What is the merger?

A: Hilltop and SWS have entered into an Agreement and Plan of Merger, dated as of March 31, 2014 (which we refer to as the "merger agreement"). Under the merger agreement, SWS will be merged with and into Hilltop's wholly owned subsidiary, Peruna LLC (which we refer to as the "merger"). Peruna LLC will be the surviving entity in the merger. Immediately following the completion of the merger, SWS's wholly owned bank subsidiary, Southwest Securities, FSB, will merge with and into Hilltop's wholly owned bank subsidiary, PlainsCapital Bank (which we refer to as the "bank merger"). PlainsCapital Bank will be the surviving bank in the bank merger. A copy of the merger agreement is included as Annex A to this proxy statement/prospectus. The merger cannot be completed unless, among other things, SWS stockholders approve the merger proposal to approve the merger agreement.

Q: Why am I receiving this document?

A: This document is a proxy statement of SWS to solicit proxies from its stockholders in connection with their vote to approve and adopt the merger agreement, and certain related matters. In addition, this document constitutes a prospectus for SWS stockholders because Hilltop is offering shares of its common stock to be issued in partial exchange for shares of SWS common stock in the merger.

Q: What are holders of SWS common stock being asked to vote on?

A: SWS stockholders are being asked to vote on a proposal to approve and adopt the merger agreement (the "merger proposal"), a proposal to approve, on a non-binding, advisory basis, compensation that may be paid or would be payable to SWS's named executive officers in connection with the merger (the "compensation proposal"), and a proposal to approve the adjournment of the SWS special meeting, if necessary or appropriate, to solicit additional proxies in the event that there are not sufficient votes at the time of the special meeting to approve the merger proposal (the "adjournment proposal").

Q: What will holders of SWS common stock receive in the merger?

A: If the merger is completed, holders of SWS common stock will receive (i) 0.2496 shares of Hilltop common stock and (ii) \$1.94 in cash for each share of SWS common stock that they hold immediately prior to the merger. No fractional shares of Hilltop common stock will be issued in connection with the merger. A holder of SWS common stock who otherwise would have received a fraction of a share of Hilltop common stock will instead receive an amount in cash reflecting the market value of the fractional share of Hilltop common stock based upon the average of the high and low sales prices of Hilltop common stock on the New York Stock Exchange on each of the five consecutive trading days ending on the trading day that is two trading days prior to the closing date of the merger.

Table of Contents

Q: Will the value of the merger consideration change between the date of this proxy statement/prospectus and the time the merger is completed?

A: Because the number of shares of Hilltop common stock that SWS stockholders will receive for each share of SWS common stock as the stock component of the merger consideration is fixed, the value of the merger consideration may fluctuate between the date of this proxy statement/prospectus and the SWS special meeting, and between the special meeting and the completion of the merger, based upon the market value for Hilltop common stock. In the merger, SWS stockholders will receive cash and a fraction of a share of Hilltop common stock for each share of SWS common stock they hold. Any fluctuation in the market price of Hilltop stock will change the value of the shares of Hilltop common stock that SWS stockholders will receive.

Q: How will the merger affect outstanding SWS restricted shares and deferred shares?

A: *Restricted Shares.* Each restricted share of SWS common stock granted prior to the date of the merger agreement will vest in full at the effective time of the merger, and the holders of such restricted shares will be entitled to receive the merger consideration for each such share on the same basis as SWS stockholders generally, less applicable withholding taxes, which will be withheld first from the cash portion of the merger consideration payable in respect of each such share. As of September 30, 2014, 370,388 unvested restricted shares of SWS common stock that were granted prior to the date of the merger agreement were outstanding.

As permitted under the terms of the merger agreement, on August 20, 2014, SWS granted an aggregate of 181,814 restricted shares of SWS common stock to the following executive officers and key employees of SWS in satisfaction of their fiscal 2014 annual bonuses: James H. Ross; Daniel R. Leland; Richard H. Litton; W. Norman Thompson; Allen R. Tubb; J. Michael Edge; Larry G. Tate; Anton Berends; and Lana Calton. Such restricted shares will be converted into restricted shares of Hilltop as of the effective time of the merger (with the number of Hilltop shares determined based on the value of the merger consideration), and will be subject to accelerated vesting (i) as to all of such restricted shares on termination of employment by the employer without "cause" (as defined in the merger agreement) following the effective time of the merger, (ii) as to all of such restricted shares upon a change of control event (other than the merger) and (iii) as to a prorated portion of such restricted shares on termination of employment due to an employee's death or disability.

The merger agreement also permits SWS to grant, prior to the effective time of the merger, restricted shares of SWS common stock to its non-employee directors in the ordinary course of business consistent with past practice, with a grant date value not to exceed \$35,000 per non-employee director. The SWS non-employee directors are Robert A. Buchholz; Brodie L. Cobb; J. Taylor Crandall; Christie S. Flanagan; Gerald J. Ford; Larry A. Jobe; Tyree B. Miller; Dr. Mike Moses; and Joel T. Williams III.

Deferred Shares. As of the effective time of the merger, each deferred share of SWS common stock reflected in participant accounts under SWS deferred compensation plans will be converted into 0.3328 of a deferred share of Hilltop common stock (i.e., the sum of the portion of the merger consideration paid in Hilltop common stock and a number of shares of Hilltop common stock with a value as of immediately prior to the date of the merger agreement that is equal to the portion of the merger consideration paid in cash). Following the effective time of the merger, any such deferred shares that are not vested will continue to vest in accordance with the original terms of the SWS deferred shares and will vest in full on termination of employment by the employer without "cause" (as defined in the merger agreement) following the effective time of the merger. Hilltop deferred shares will be distributed in accordance with the terms of the applicable plan and the participants' individual elections. As of September 30, 2014, 339,989 deferred shares of SWS common stock were outstanding.

Table of Contents

For more information about these restricted and deferred shares, see "The Merger Interests of SWS Directors and Executive Officers in the Merger".

Q: What interests do SWS's directors and executive officers have in the merger that are different from, or in addition to, those of SWS stockholders generally?

A: SWS stockholders should be aware that SWS's directors and executive officers have interests in the merger that are different from, or in addition to, those of SWS stockholders generally. These interests may create potential conflicts of interest. SWS's board of directors was aware of these interests and considered these interests, among other matters, when making its decision to approve the merger agreement, and in recommending that SWS stockholders vote in favor of approving the merger proposal and the compensation proposal. For purposes of the SWS agreements and plans described below, the completion of the transactions contemplated by the merger agreement will constitute a change of control. These interests include the following:

All outstanding restricted shares of SWS common stock granted prior to the date of the merger agreement will vest in full in connection with the merger and each holder will receive the merger consideration in exchange for each such restricted share. In addition, the vesting of outstanding deferred shares of SWS common stock will accelerate in full on termination of employment by the employer without "cause" (as defined in the merger agreement) following the effective time of the merger. The estimated value of such accelerated vesting of the restricted and deferred shares currently held by the executive officers in aggregate is \$2,488,460. For the estimated value of such accelerated vesting for each individual executive officer and the methodology used to calculate such value, see footnote 2 to the table under "*The Merger Interests of SWS Directors and Executive Officers in the Merger Golden Parachute Compensation*";

As permitted under the terms of the merger agreement, on August 20, 2014, SWS granted an aggregate of 181,814 restricted shares of SWS common stock, with an aggregate grant date value of \$1,325,434, to certain executive officers and key employees of SWS in satisfaction of their fiscal 2014 annual bonuses in the ordinary course of business and consistent with past practice, which will be converted into restricted shares of Hilltop as of the effective time of the merger, and will be subject to accelerated vesting (i) as to all of such restricted shares on termination of employment by the employer without "cause" (as defined in the merger agreement) following the effective time of the merger, (ii) as to all of such restricted shares upon a change of control event (other than the merger) and (iii) as to a prorated portion of such restricted shares on termination of employment due to an employee's death or disability. For the estimated value of such accelerated vesting for each individual executive officer, see footnote 2 to the table under "*The Merger Interests of SWS Directors and Executive Officers in the Merger Golden Parachute Compensation*";

Between the date of the merger agreement and the effective time of the merger, SWS may grant non-employee directors of SWS restricted shares of SWS common stock in the ordinary course of business consistent with past practice, with a grant date value not to exceed \$35,000 per non-employee director;

Executive officers and other employees of SWS are entitled to cash severance in accordance with SWS's severance practice on termination of employment by the employer without "cause" (as defined in the merger agreement) at any time on or prior to December 31, 2015, contingent on the executive's or other employee's execution and non-revocation of a release of claims. The estimated value of such cash severance for the executive officers in aggregate is \$816,154. For the formula used to calculate this estimated value, see "*The Merger Interests of SWS Directors and Executive Officers in the Merger Severance and Retention Payments Severance practice*". For the estimated value of such cash severance for

Table of Contents

each individual executive officer, see footnote 1 to the table under "*The Merger Interests of SWS Directors and Executive Officers in the Merger Golden Parachute Compensation*";

As permitted under the terms of the merger agreement, SWS is permitted to enter into retention agreements with employees in an aggregate amount up to \$5,000,000. As of the date of this proxy statement/prospectus, SWS has entered into retention agreements with certain executive officers (and other employees) that provide for cash retention payments in the aggregate amount of \$4,418,800, of which \$975,000 in the aggregate is payable under the agreements with the following executive officers: James H. Ross; J. Michael Edge; Allen R. Tubb; W. Norman Thompson; and Robert A. Chereck. These retention amounts will be paid in a lump sum within 30 days of the six-month anniversary of the effective time of the merger, subject to the applicable executive officer's or other employee's continued employment with SWS through such six-month anniversary (except that, on a termination of employment by the employer without "cause" (as defined in the retention agreement) after the effective time, the retention payment will be paid within 30 days of such termination date, contingent on the executive's (or other employee's) execution and non-revocation of a release of claims). Each retention agreement also includes restrictive covenants relating to confidentiality and the non-solicitation of customers and employees of SWS. For the retention amount payable to each executive officer who is eligible for such amount, see footnote 1 to the table under "*The Merger Interests of SWS Directors and Executive Officers in the Merger Golden Parachute Compensation*"; and

Each of Hilltop and Peruna LLC has agreed to indemnify and advance expenses to each present and former director, officer and employee of SWS and its subsidiaries (when acting in such capacity) to the fullest extent permitted by law for any acts arising out of or pertaining to matters occurring at or existing prior to the closing of the merger. Hilltop will also provide director and officer liability insurance with respect to claims arising from facts or events occurring before the completion of the merger or, at SWS's option, SWS may purchase a "tail" policy for directors' and officers' liability insurance.

Messrs. Gerald J. Ford and J. Taylor Crandall are members of the SWS board of directors appointed by Hilltop and Oak Hill, respectively. Messrs. Ford and Crandall recused themselves from the vote of the SWS board of directors with respect to the approval and adoption of the merger agreement and the transactions contemplated thereby, including the merger. The decisions by the SWS Board that are described in this proxy statement/prospectus were all taken by unanimous vote of those directors who voted.

For more information about the interests that SWS's directors and executive officers have in the merger, see "*The Merger Interests of SWS Directors and Executive Officers in the Merger*".

Q:
When do you expect to complete the merger?

A:
We expect to complete the merger prior to the end of 2014. However, we cannot assure you when or if the merger will occur. We must, among other things, first obtain the required approval of SWS stockholders at the SWS special meeting and the required regulatory approvals described below in "*The Merger Regulatory Approvals Required for the Merger*" and satisfy certain other closing conditions.

Q:
What happens if the merger is not completed?

A:
If the merger is not completed, shares of Hilltop common stock will not be issued, and holders of SWS common stock will not receive any consideration for their shares, in connection with the merger. Instead, SWS will remain an independent company and its common stock will continue to be listed and traded on the New York Stock Exchange. Under specified circumstances in connection with the termination of the merger agreement, including circumstances involving a

Table of Contents

change in recommendation by the SWS board of directors, SWS may be required to pay Hilltop a termination fee of \$8 million. See "The Merger Agreement Termination Fee".

Q:
When and where is the SWS special meeting?

A:
The SWS special meeting will be held at Renaissance Tower, 1201 Elm Street, Suite 4200, Dallas, Texas 75270, on November 21, 2014 at 9:00 a.m. local time.

Q:
How do I vote?

A:
If you are a stockholder of record of SWS as of the record date for the SWS special meeting you may vote by:

accessing the Internet website specified on your proxy card;

calling the toll-free number specified on your proxy card; or

signing the enclosed proxy card and returning it in the postage-paid envelope provided.

After you have carefully read this proxy statement/prospectus in its entirety and have decided how you wish to vote your shares, please vote your shares promptly. You may also cast your vote in person at the SWS special meeting. If you hold SWS common stock in "street name" through a bank, broker or other nominee, please follow the voting instructions provided by your bank, broker or other nominee to ensure that your shares are represented at the special meeting. Stockholders that hold shares through a bank, broker, or other nominee who wish to vote at the SWS special meeting will need to obtain a "legal proxy" from the record holder.

Q:
How do I vote if I own shares through the SWS Group, Inc. 401(k) Profit Sharing Plan (the "SWS 401(k) Plan")?

A:
You will be given the opportunity to instruct the trustee of the SWS 401(k) Plan how to vote the shares that you hold in your account. In accordance with the terms of the plan, if you fail to instruct the plan trustee how to vote your plan shares, the trustee will generally vote your plan shares in the same proportion as the shares voted pursuant to the instructions of participants who timely give such instructions.

Q:
Why is my vote important?

A:
If you do not vote, it will be more difficult to obtain the necessary quorum to hold the SWS special meeting. In addition, we cannot complete the merger without obtaining the necessary vote of SWS stockholders in favor of the merger proposal.

Q:
How does the SWS board of directors recommend that I vote?

A:
The SWS board of directors (other than Messrs. Gerald J. Ford and J. Taylor Crandall, who recused themselves), upon the unanimous recommendation of the special committee of the SWS board of directors (the "Special Committee"), recommends that you vote "FOR" the merger proposal, "FOR" the compensation proposal and "FOR" the adjournment proposal.

Q:
What constitutes a quorum for the SWS special meeting?

Edgar Filing: Hilltop Holdings Inc. - Form S-4/A

A:

The presence at the special meeting, in person or by proxy, of holders of a majority of the outstanding shares of SWS common stock entitled to vote at the SWS special meeting will constitute a quorum for the transaction of business. Abstentions and broker non-votes will be included in determining the number of shares present at the meeting for the purpose of determining the presence of a quorum. A broker non-vote occurs under stock exchange rules when

viii

Table of Contents

a broker is not permitted to vote on a matter without instructions from the beneficial owner of the shares and no instructions are given.

Q: What is the vote required to approve each proposal at the SWS special meeting?

A: Approval of the merger proposal requires the affirmative vote of a majority of the shares of SWS common stock outstanding on the record date for the SWS special meeting. Approval of the compensation proposal and the adjournment proposal require, in each case, the affirmative vote of a majority of the shares of SWS common stock represented in person or by proxy at the SWS special meeting and entitled to vote on such proposal. As of the date of this proxy statement/prospectus, Hilltop owns 10,171,039 shares of SWS common stock, or approximately 21.0% of the currently outstanding SWS common shares.

Q: What impact will my vote on the compensation proposal have on the compensation payable to SWS's named executive officers in connection with the merger?

A: The vote on the compensation proposal is a vote separate and apart from the vote to approve the merger agreement. You may vote for the compensation proposal and against the merger proposal, and vice versa. Because the vote on the compensation proposal is advisory only, it will not be binding on SWS or Hilltop. Accordingly, because SWS is contractually obligated to pay the compensation, if the merger is completed, the compensation is payable to the named executive officers of SWS, subject only to the conditions applicable thereto, regardless of the outcome of the advisory (non-binding) vote. SWS is seeking your approval of the compensation, on an advisory (non-binding) basis, in order to comply with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and related SEC rules.

Q: If my shares are held in "street name" by my broker, will my broker automatically vote my shares for me?

A: No. Your broker cannot vote your shares without instructions from you. You should instruct your broker as to how to vote your shares, following the directions your broker provides to you. Please check the voting form used by your broker. Without instructions, your shares will not be voted, which will have the effect described below.

Q: What should I do if I hold my shares of SWS common stock in book-entry form?

A: You are not required to take any special additional action to receive the merger consideration if your shares of SWS common stock are held in book-entry form. Book-entry shares will be treated the same way as stock certificates.

Q: What if I abstain from voting or fail to instruct my broker?

A: If you are a holder of SWS common stock and you abstain from voting or fail to instruct your broker to vote your shares, it will have the same effect as a vote against the merger proposal. An abstention or broker non-vote will have no effect on the compensation proposal or the adjournment proposal.

Q: Can I attend the SWS special meeting and vote my shares in person?

A: Yes. All SWS stockholders, including stockholders of record and stockholders who hold their shares through banks, brokers, nominees or any other holder of record, are invited to attend the SWS special meeting. Holders of record of SWS common stock can vote in person at the SWS special meeting. If you are not a stockholder of record, you must obtain a proxy, executed in your favor, from the record holder of your shares, such as a broker, bank or other nominee, to be able to vote in person at the special meeting. If you plan to attend the SWS special meeting, you must

Table of Contents

hold your shares in your own name or have a statement from your bank, broker or other record holder confirming your ownership of shares as of the record date for the SWS special meeting. In addition, you must bring a form of personal photo identification with you in order to be admitted. SWS reserves the right to refuse admittance to anyone without proper proof of share ownership or without proper photo identification. The use of cameras, sound recording equipment, communications devices or any similar equipment during the SWS special meeting is prohibited without SWS's express written consent.

Regardless of whether you plan to attend the SWS special meeting, we recommend that you vote your shares early by Internet, telephone or mail to ensure that a quorum exists at the SWS special meeting and to ensure that your vote will be counted if you later choose not to attend the SWS special meeting. You may revoke any previously submitted proxy and vote your shares in person at the SWS special meeting.

Q: What do I do if I want to change or revoke my vote?

A: You may revoke your proxy and change your vote at any time before the SWS special meeting, or earlier deadline specified in the proxy card, by voting again via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the special meeting will be counted), by signing and returning a new proxy card or voting instruction form with a later date, or by attending the special meeting and voting in person. Your attendance at the special meeting, however, will not automatically revoke your proxy unless you vote again at the special meeting. We provide additional information on changing your vote under the headings "The SWS Special Meeting Proxies" included elsewhere in this proxy statement/prospectus.

Q: Am I entitled to exercise appraisal / dissenters' rights as an SWS stockholder?

A: Yes. Section 262 of the Delaware General Corporation Law ("DGCL") provides holders of shares of SWS common stock with the right to dissent from the merger and seek appraisal of their shares of SWS common stock in accordance with Delaware law. A holder of shares of SWS common stock who properly seeks appraisal and complies with the applicable requirements under Delaware law, referred to as a dissenting stockholder, will forego the merger consideration and instead receive a cash payment equal to the fair value of such stockholder's shares of SWS common stock in connection with the merger. Fair value will be determined by the Delaware Court of Chancery following an appraisal proceeding. Dissenting stockholders will not know the appraised fair value at the time such holders must elect whether to seek appraisal. The ultimate amount dissenting stockholders receive in an appraisal proceeding may be more or less than, or the same as, the amount such holders would have received under the merger agreement.

To seek appraisal, a stockholder of SWS must strictly comply with all of the procedures required under Delaware law, including:

delivering a written demand for appraisal to SWS before the vote is taken on the merger agreement at the SWS special meeting;

not voting in favor of the merger proposal; and

continuing to hold its shares of common stock through the effective time of the merger.

In connection with the foregoing, SWS stockholders who wish to seek appraisal should note that:

if you return a signed proxy without voting instructions, your proxy will be voted as recommended by the SWS board of directors and you may lose dissenters' rights;

if you return a signed proxy with instructions to vote "FOR" the merger agreement, your shares will be voted in favor of the merger agreement and you will lose dissenters' rights; and

Table of Contents

if you wish to dissent and you execute and return a proxy, you must specify that your shares are to be either voted "AGAINST" or "ABSTAIN" with respect to approval of the merger.

Failure to follow exactly the procedures specified under Delaware law will result in the loss of appraisal rights.

For a further description of the appraisal rights available to SWS stockholders and procedures required to exercise appraisal rights, see the section entitled "The Merger Appraisal/Dissenters' Rights" included elsewhere in this joint proxy statement/prospectus and the provisions of the DGCL that grant appraisal rights and govern such procedures which are attached as Annex C to this document. If a stockholder of SWS holds shares of SWS common stock through a bank, brokerage firm or other nominee and the SWS stockholder wishes to exercise appraisal rights, such stockholder should consult with such stockholder's bank, brokerage firm or nominee. In view of the complexity of Delaware law, SWS stockholders who may wish to pursue appraisal rights should consult their legal and financial advisors promptly.

Q:
Should I send in my SWS stock certificates now?

A:
No. SWS stockholders with shares represented by stock certificates should not send SWS stock certificates with their proxy cards. After the merger is completed, holders of SWS common stock certificates or shares of SWS common stock held in book-entry form will be mailed a transmittal form with instructions on how to exchange their SWS stock certificates or book-entry shares for the merger consideration.

Q:
Will SWS be required to submit the proposal to approve the merger agreement to its stockholders even if SWS's board of directors has withdrawn, modified or qualified its recommendation?

A:
Yes. Unless the merger agreement is terminated before the SWS special meeting, SWS is required to submit the proposal to approve the merger agreement to its stockholders even if SWS's board of directors has withdrawn, modified or qualified its recommendation.

Q:
What if I cannot find my stock certificates?

A:
There will be a procedure for you to receive the merger consideration in the merger, even if you have lost one or more of your SWS stock certificates. This procedure, however, may take time to complete. In order to ensure that you will be able to receive the merger consideration promptly after the merger is completed, if you cannot locate your SWS stock certificates after looking for them carefully, we urge you to contact the SWS transfer agent, Computershare Trust Company, as soon as possible and follow the procedure they explain to you for replacing your SWS stock certificates. Computershare Trust Company can be reached at (303) 262-0600, or you can write to them at the following address:

Computershare Trust Company
350 Indiana Street
Suite 800
Golden, CO 80401
(303) 262-0600

Q:
What should I do if I receive more than one set of voting materials?

A:
SWS stockholders may receive more than one set of voting materials, including multiple copies of this proxy statement/prospectus and multiple proxy cards or voting instruction cards. For example, if you hold shares of SWS common stock in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold such shares. If you are a holder of record of SWS common stock and your shares are registered in more than one

Table of Contents

name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive or otherwise follow the voting instructions set forth in this proxy statement/prospectus in respect of all shares held to ensure that you vote every share of SWS common stock that you own.

Q: Will U.S. taxpayers be taxed on the Hilltop common stock and/or cash received in the merger?

A: The merger is intended to qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Code"), and it is a condition to the respective obligations of Hilltop and SWS to complete the merger that each of Hilltop and SWS receives a legal opinion to that effect. Accordingly, an SWS common stockholder generally will recognize gain, but not loss, in an amount equal to the lesser of (1) the amount of gain realized (i.e., the excess of the sum of the amount of cash and the fair market value of the shares of Hilltop common stock received pursuant to the merger over that holder's adjusted tax basis in its shares of SWS common stock surrendered) and (2) the amount of cash received pursuant to the merger. Further, a holder of shares of SWS common stock generally will recognize gain or loss with respect to cash received instead of fractional shares of Hilltop common stock that the SWS common stockholder would otherwise be entitled to receive. For further information, please refer to "United States Federal Income Tax Consequences of the Merger." The U.S. federal income tax consequences described above may not apply to all holders of SWS common stock. Your tax consequences will depend on your individual situation. Accordingly, we strongly urge you to consult your independent tax advisor for a full understanding of the particular tax consequences of the merger to you.

Q: What is Hilltop's current relationship with SWS?

A: In March 2011, Hilltop, Oak Hill Capital Partners III, L.P. ("OHCP") and Oak Hill Capital Management Partners III, L.P. (collectively with OHCP, "Oak Hill") entered into a Funding Agreement (the "Funding Agreement") with SWS. On July 29, 2011, after receipt of regulatory and SWS stockholder approval, SWS completed the following transactions contemplated by the Funding Agreement:

entered into a \$100,000,000, five-year, unsecured loan comprised of equal commitments from each of Hilltop and Oak Hill under the terms of a credit agreement (the "Credit Agreement");

issued warrants to each of Hilltop and Oak Hill for the purchase of up to 8,695,652 shares of SWS's common stock exercisable for five years from the date of issuance at a fixed exercise price of \$5.75 per share, subject to anti-dilution adjustments; and

granted each of Hilltop and Oak Hill certain rights, including registration rights, preemptive rights, and the right for each to appoint one person to the board of directors of SWS for so long as it owns 9.9% or more of all of the outstanding shares of SWS's common stock or securities convertible into at least 9.9% of SWS's outstanding common stock.

On October 2, 2014, Hilltop exercised its warrant in full, acquiring 8,695,652 shares of SWS common stock for the warrant exercise price of \$5.75 per share. Pursuant to the terms of the warrant and Credit Agreement, the exercise price was paid by an automatic elimination of the \$50,000,000 amount outstanding due to Hilltop under the Credit Agreement. Accordingly, as of the date of this proxy statement/prospectus, Hilltop (i) owns 10,171,039 shares of SWS common stock, representing approximately 21.0% of the outstanding shares of SWS common stock and (ii) is no longer a lender under the Credit Agreement. Mr. Gerald J. Ford, who is Chairman of Hilltop's board of directors, currently serves as Hilltop's designee on SWS's board of directors.

In connection with its acquisition of PlainsCapital Corporation in 2012, Hilltop provided certain passivity commitments to the Federal Reserve Board related to SWS. These passivity commitments

Table of Contents

provide that Hilltop cannot take certain actions, namely exercising any controlling influence over management or policies of SWS, without the prior approval of the Federal Reserve Bank.

The terms of the Credit Agreement include a covenant prohibiting SWS from undergoing a "Fundamental Change," which includes any merger, amalgamation or consolidation, and which SWS would breach by engaging in a merger, amalgamation or consolidation unless compliance were waived by each lender thereunder. During the parties' negotiations with respect to the merger, Hilltop indicated to SWS that it would not be willing to grant a waiver of this covenant to permit a third party transaction (see "The Merger Background of the Merger"). The Credit Agreement also prohibits SWS from prepaying the loan other than following a period during which the closing price for SWS common stock exceeds 150% of the exercise price of the warrants (or \$8.625) for twenty out of any thirty consecutive trading days.

Q:
What rights does Oak Hill have in relation to the merger?

A:
On September 26, 2014, Oak Hill partially exercised its warrants, acquiring a total of 6,521,739 shares of SWS common stock for the warrant exercise price of \$5.75 per share. Pursuant to the terms of the warrant and Credit Agreement, the exercise price was paid by an automatic reduction by \$37,499,999.25 of the \$50,000,000 amount which had previously been due to Oak Hill under the Credit Agreement. Accordingly, as of the date of this proxy statement/prospectus, Oak Hill (i) owns and is entitled to vote 6,521,739 shares of SWS common stock, representing approximately 13.5% of the outstanding shares of SWS common stock, (ii) beneficially owns an additional 2,173,913 shares of SWS common stock pursuant to the unexercised portion of Oak Hill's warrants, equivalent to total beneficial ownership of approximately 17.2% if Oak Hill's warrants were fully exercised and (iii) remains a lender under the Credit Agreement with an outstanding loan balance of \$12,500,000.75, which is the entire amount currently outstanding under the Credit Agreement. In addition, Oak Hill Capital Management, LLC and OHCM Management LLC, which are affiliates of Oak Hill, beneficially own an additional 19,925 shares of SWS common stock, equivalent to approximately 0.04% of the currently outstanding SWS common shares.

Pursuant to a Letter Agreement dated March 31, 2014 between Oak Hill and SWS (the "Oak Hill Letter Agreement"), Oak Hill has agreed with SWS, subject to the terms and conditions of the Oak Hill Letter Agreement, to waive any terms of the Credit Agreement that would cause the merger to result in any default or event of default by SWS under the Credit Agreement.

Pursuant to the Oak Hill Letter Agreement and the merger agreement, at the closing of the merger, Oak Hill will deliver to SWS the certificates evidencing any outstanding warrants and any loans of Oak Hill to SWS then outstanding under the Credit Agreement, and SWS will issue and deliver to Oak Hill, in exchange for its outstanding warrants and loans, the following consideration: (i) the merger consideration that Oak Hill would have been entitled to receive upon consummation of the merger if its outstanding warrants had been exercised immediately prior to the effective time of the merger and (ii) an amount equal to the Applicable Premium (as defined in the Credit Agreement, being a calculation of the present value of all required interest payments due on a loan through its maturity date on the date the loan is repaid) calculated as if the outstanding loans held by Oak Hill were prepaid in full as of the closing date of the merger.

Q:
Are there any voting agreements in relation to the merger?

A:
Hilltop has agreed in the merger agreement to vote any shares of SWS that it owns as of the record date for the SWS special meeting in favor of approval and adoption of the merger agreement. As of the date of this proxy statement/prospectus, Hilltop owns 10,171,039 shares of SWS common stock, or approximately 21.0% of the currently outstanding SWS common shares, excluding the 2,173,913 shares of SWS common stock that are issuable to Oak Hill upon exercise

Table of Contents

of its outstanding warrants. Neither Oak Hill nor, to the knowledge of Hilltop and SWS, any other person has agreed to vote its shares in favor of the merger, and Oak Hill has covenanted in the Oak Hill Letter Agreement not to enter into any voting agreement with Hilltop with respect to the merger.

Q:
Where can I find more information on Hilltop and SWS?

A: You can find more information about Hilltop and SWS from various sources described in the section of this proxy statement/prospectus entitled "Where You Can Find More Information."

Q:
Whom can I talk to if I have questions?

A: SWS stockholders should contact SWS by telephone at (214) 859-1800 or MacKenzie Partners, Inc., SWS's proxy solicitor, collect at (212) 929-5500 or toll-free at (800) 322-2885.

Risk Factors (page 32)

An investment in shares of Hilltop common stock involves risks, some of which are related to the merger. Table of Contents

The Merger (page 237)

If the merger is completed, each share of SWS common stock, par value \$0.10 per share, issued and outstanding immediately prior to the completion of the merger will be converted into the right to receive \$1.94 in cash and 0.2496 of a share of Hilltop common stock. We refer to this mix of cash and stock consideration as the merger consideration. No fractional shares of Hilltop common stock will be issued in connection with the merger. A holder of SWS common stock who otherwise would have received a fraction of a share of Hilltop common stock will instead receive an amount in cash rounded to the nearest cent. For example, if you hold 100 shares of SWS common stock, you will receive (i) \$194, (ii) 24 shares of Hilltop common stock and (iii) a cash payment instead of the 0.96 shares of Hilltop common stock that you otherwise would have received.

The value of the merger consideration may fluctuate between the date of the SWS special meeting and the completion of the merger based upon the market value for Hilltop common stock. For information about the historical prices of Hilltop common stock, see "Market Prices and Dividends of Hilltop Common Stock."

The merger agreement governs the merger. The merger agreement is included in this proxy statement/prospectus as Annex A. Please read the merger agreement carefully. All descriptions in this summary and elsewhere in this prospectus of the terms and conditions of the merger are qualified by reference to the merger agreement.

Recommendation of the SWS Board of Directors (page 251)

The SWS board of directors (other than Messrs. Gerald J. Ford and J. Taylor Crandall, who recused themselves), upon the unanimous recommendation of the Special Committee, has determined that the merger agreement and the transactions contemplated thereby, including the merger, are advisable and fair to and in the best interests of the SWS stockholders and has approved the merger and the merger agreement. SWS's board of directors recommends that SWS stockholders vote "FOR" the merger proposal, "FOR" the compensation proposal and "FOR" the adjournment proposal. For the factors considered by SWS's board of directors in reaching its decision to approve the merger agreement, see "The Merger Reasons for the Merger" and "The Merger Recommendation of the SWS Board of Directors."

Opinion of Financial Advisor to the Special Committee (page 256)

On March 31, 2014, Sandler O'Neill & Partners, L.P. ("Sandler O'Neill"), financial advisor to the Special Committee in connection with the merger, rendered its oral opinion to the Special Committee, which was subsequently confirmed in a written opinion dated the same date, that, as of such date and based upon and subject to the various factors, assumptions and any limitations set forth in its written opinion, the merger consideration to be paid to the holders of SWS common stock in the proposed merger was fair, from a financial point of view, to such holders (other than Hilltop).

The full text of Sandler O'Neill's opinion, dated March 31, 2014, is attached as Annex B to this prospectus. You should read the opinion in its entirety for a discussion of, among other things, the assumptions made, procedures followed, matters considered and any limitations on the review undertaken by Sandler O'Neill in rendering its opinion.

Sandler O'Neill's written opinion is addressed to the Special Committee, is directed only to the merger consideration to be paid in the merger, and does not constitute a recommendation to any SWS stockholder as to how such stockholder should vote with respect to the merger or any other matter.

For further information, see "The Merger Opinion of SWS's Financial Advisor."

What Holders of SWS Equity-Based Awards Will Receive (page 285)

Each restricted share of SWS common stock granted prior to the date of the merger agreement will vest in full at the effective time of the merger, and the holders of such restricted shares will be entitled to receive the merger consideration for each such share on the same basis as SWS stockholders generally, less applicable withholding taxes, which will be withheld first from the cash portion of the merger consideration payable in respect of each such share. As of September 30, 2014, 370,388 unvested restricted shares of SWS common stock that were granted prior to the date of the merger agreement were outstanding. As permitted under the terms of the merger agreement, on August 20, 2014, SWS granted an aggregate of 181,814 restricted shares of SWS common stock to certain executive officers and key employees in satisfaction of their fiscal 2014 annual bonuses, which will be converted into restricted shares of Hilltop as of the effective time of the merger (with the number of Hilltop shares determined based on the value of the merger consideration), and will be subject to accelerated vesting (i) as to all of such restricted shares on termination of employment by the employer without "cause" (as defined in the merger agreement) following the effective time of the merger, (ii) as to all of such restricted shares upon a change of control event (other than the merger) and (iii) as to a prorated portion of such restricted shares on termination of employment due to an employee's death or disability. The merger agreement also permits SWS to grant to non-employee directors, prior to the effective time of the merger, restricted shares of SWS common stock in the ordinary course of business consistent with past practice, with a grant date value not to exceed \$35,000 per non-employee director.

As of the effective time of the merger, each deferred share of SWS common stock reflected in a participant account under SWS deferred compensation plans will be converted into 0.3328 of a deferred share of Hilltop common stock, which is equal to the sum of the portion of the merger consideration paid in Hilltop common stock and a number of shares of Hilltop common stock with a value as of immediately prior to the date of the merger agreement that is equal to the portion of the merger consideration paid in cash. Following the effective time of the merger, any such deferred shares that are not vested will continue to vest in accordance with the original terms of the SWS deferred shares and will vest in full on termination of employment by the employer without "cause" (as defined in the merger agreement) following the effective time of the merger. Hilltop deferred shares will be distributed in accordance with the terms of the applicable plan and the participants' individual elections. As of September 30, 2014, 339,989 deferred shares of SWS common stock were outstanding.

For more information about these restricted and deferred shares, see "The Merger Interests of SWS Directors and Executive Officers in the Merger".

SWS Will Hold Its Special Meeting on November 21, 2014 (page 62)

The SWS special meeting will be held on November 21, 2014, at 9:00 a.m., local time, at Renaissance Tower, 1201 Elm Street, Suite 4200, Dallas, Texas 75270. The purpose of the SWS special meeting is to vote on:

a proposal to adopt and approve the merger agreement;

a proposal to approve, on a non-binding, advisory basis, compensation that may be paid or would be payable to SWS's named executive officers that is based on or otherwise relates to the merger; and

a proposal to approve the adjournment of the SWS special meeting, if necessary or appropriate, to solicit additional proxies, in the event that there are not sufficient votes at the time of the SWS special meeting to approve the merger proposal.

Only holders of record of SWS common stock at the close of business on October 3, 2014 will be entitled to vote at the SWS special meeting. Each share of SWS common stock is entitled to one vote on each proposal to be considered at the SWS special meeting.

Table of Contents

As of the record date for the SWS special meeting, there were 48,456,850 shares of SWS common stock outstanding and entitled to vote at the SWS special meeting. As of the record date for the SWS special meeting, to the knowledge of SWS, directors and executive officers of SWS had the right to vote approximately 2,425,026 shares of SWS common stock (not including the shares held by Hilltop described below), or approximately 5% of the outstanding shares of SWS common stock entitled to vote at the SWS special meeting. We currently expect that each of these individuals will vote their shares of SWS common stock in favor of the proposals to be presented at the SWS special meeting. In addition, Hilltop holds 10,171,039 shares of SWS common stock as of the date of this proxy statement/prospectus, or approximately 21.0% of the currently outstanding SWS common shares. Hilltop has agreed in the merger agreement to vote any shares of SWS that it owns as of the record date for the SWS special meeting in favor of adoption of the merger agreement.

Approval of the merger proposal requires the affirmative vote of a majority of the shares of SWS common stock outstanding on the record date for the SWS special meeting. Approval of the compensation proposal and the adjournment proposal require, in each case, the affirmative vote of a majority of the shares of SWS common stock represented in person or by proxy at the SWS special meeting and entitled to vote on such proposal.

Hilltop's Relationship with SWS (page 281)

In March 2011, Hilltop, Oak Hill Capital Partners III, L.P. ("OHCP") and Oak Hill Capital Management Partners III, L.P. (collectively with OHCP, "Oak Hill") entered into a Funding Agreement (the "Funding Agreement") with SWS. On July 29, 2011, after receipt of regulatory and SWS stockholder approval, SWS completed the following transactions contemplated by the Funding Agreement:

entered into a \$100,000,000, five-year, unsecured loan comprised of equal commitments from each of Hilltop and Oak Hill under the terms of a credit agreement (the "Credit Agreement");

issued warrants to each of Hilltop and Oak Hill for the purchase of up to 8,695,652 shares of SWS's common stock exercisable for five years from the date of issuance at a fixed exercise price of \$5.75 per share, subject to anti-dilution adjustments; and

granted each of Hilltop and Oak Hill certain rights, including registration rights, preemptive rights, and the right for each to appoint one person to the board of directors of SWS for so long as it owns 9.9% or more of all of the outstanding shares of SWS's common stock or securities convertible into at least 9.9% of SWS's outstanding common stock.

On October 2, 2014, Hilltop exercised its warrant in full, acquiring 8,695,652 shares of SWS common stock for the warrant exercise price of \$5.75 per share. Pursuant to the terms of the warrant and Credit Agreement, the exercise price was paid by an automatic elimination of the \$50,000,000 amount outstanding due to Hilltop under the Credit Agreement. Accordingly, as of the date of this proxy statement/prospectus, Hilltop (i) owns 10,171,039 shares of SWS common stock, representing approximately 21.0% of the outstanding shares of SWS common stock and (ii) is no longer a lender under the Credit Agreement. Mr. Gerald J. Ford, who is Chairman of Hilltop's board of directors, currently serves as Hilltop's designee on SWS's board of directors.

In connection with its acquisition of PlainsCapital Corporation in 2012, Hilltop provided certain passivity commitments to the Federal Reserve Board related to SWS. These passivity commitments provide that Hilltop cannot take certain actions, namely exercising any controlling influence over management or policies of SWS, without the prior approval of the Federal Reserve Bank.

The terms of the Credit Agreement include a covenant prohibiting SWS from undergoing a "Fundamental Change," which includes any merger, amalgamation or consolidation, and which SWS would breach by engaging in a merger, amalgamation or consolidation unless compliance were waived

Table of Contents

by each lender thereunder. During the parties' negotiations with respect to the merger, Hilltop indicated to SWS that it would not be willing to grant a waiver of this covenant to permit a third party transaction (see "The Merger Background of the Merger"). The Credit Agreement also prohibits SWS from prepaying the loan other than following a period during which the closing price for SWS common stock exceeds 150% of the exercise price of the warrants (or \$8.625) for twenty out of any thirty consecutive trading days.

The Oak Hill Letter Agreement (page 282)

On September 26, 2014, Oak Hill partially exercised its warrants, acquiring a total of 6,521,739 shares of SWS common stock for the warrant exercise price of \$5.75 per share. Pursuant to the terms of the warrant and Credit Agreement, the exercise price was paid by an automatic reduction by \$37,499,999.25 of the \$50,000,000 amount which had previously been due to Oak Hill under the Credit Agreement. Accordingly, as of the date of this proxy statement/prospectus, Oak Hill (i) owns and is entitled to vote 6,521,739 shares of SWS common stock, representing approximately 13.5% of the outstanding shares of SWS common stock, (ii) beneficially owns an additional 2,173,913 shares of SWS common stock pursuant to the unexercised portion of Oak Hill's warrants, equivalent to total beneficial ownership of approximately 17.2% if Oak Hill's warrants were fully exercised and (iii) remains a lender under the Credit Agreement with an outstanding loan balance of \$12,500,000.75, which is the entire amount currently outstanding under the Credit Agreement. In addition, Oak Hill Capital Management, LLC and OHCM Management LLC, which are affiliates of Oak Hill, beneficially own an additional 19,925 shares of SWS common stock, equivalent to approximately 0.04% of the currently outstanding SWS common shares.

Pursuant to a Letter Agreement dated March 31, 2014 between Oak Hill and SWS (the "Oak Hill Letter Agreement"), Oak Hill has agreed with SWS, subject to the terms and conditions of the Oak Hill Letter Agreement, to waive any terms of the Credit Agreement that would cause the merger to result in any default or event of default by SWS under the Credit Agreement.

Pursuant to the Oak Hill Letter Agreement and the merger agreement, at the closing of the merger, Oak Hill will deliver to SWS the certificates evidencing any outstanding warrants and any loans of Oak Hill to SWS then outstanding under the Credit Agreement, and SWS will issue and deliver to Oak Hill, in exchange for its outstanding warrants and loans, the following consideration: (i) the merger consideration that Oak Hill would have been entitled to receive upon consummation of the merger if its outstanding warrants had been exercised immediately prior to the effective time of the merger and (ii) an amount equal to the Applicable Premium (as defined in the Credit Agreement, being a calculation of the present value of all required interest payments due on a loan through its maturity date on the date the loan is repaid) calculated as if the outstanding loans held by Oak Hill were prepaid in full as of the closing date of the merger.

The Merger is Intended to Be Tax-Free to Holders of SWS Common Stock, Except to the Extent of any Cash They Receive (page 298)

The merger is intended to qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Code"), and it is a condition to the respective obligations of Hilltop and SWS to complete the merger that each of Hilltop and SWS receives a legal opinion to that effect. Accordingly, an SWS common stockholder generally will recognize gain, but not loss, in an amount equal to the lesser of (1) the amount of gain realized (i.e., the excess of the sum of the amount of cash and the fair market value of the shares of Hilltop common stock received pursuant to the merger over that holder's adjusted tax basis in its shares of SWS common stock surrendered) and (2) the amount of cash received pursuant to the merger. Further, a holder of shares of SWS common stock generally will recognize gain or loss with respect to cash received instead of fractional shares of Hilltop common stock that the SWS common stockholder would otherwise be entitled to

Table of Contents

receive. For further information, please refer to "United States Federal Income Tax Consequences of the Merger."

The United States federal income tax consequences described above may not apply to all holders of SWS common stock. Your tax consequences will depend on your individual situation. Accordingly, we strongly urge you to consult your tax advisor for a full understanding of the particular tax consequences of the merger to you.

Interests of SWS Directors and Executive Officers in the Merger (page 275)

SWS stockholders should be aware that SWS's directors and executive officers have interests in the merger that are different from, or in addition to, those of SWS stockholders generally. These interests and arrangements may create potential conflicts of interest. SWS's board of directors was aware of these interests and considered these interests, among other matters, when making its decision to approve the merger agreement, and in recommending that SWS stockholders vote in favor of approving the merger proposal and the compensation proposal. For purposes of the SWS agreements and plans described below, the completion of the transactions contemplated by the merger agreement will constitute a change of control. These interests include the following:

All outstanding restricted shares of SWS common stock granted prior to the date of the merger agreement will vest in full in connection with the merger and each holder will receive the merger consideration in exchange for each such restricted share. In addition, the vesting of outstanding deferred shares of SWS common stock will accelerate in full on termination of employment by the employer without "cause" (as defined in the merger agreement) following the effective time of the merger;

As permitted under the terms of the merger agreement, on August 20, 2014, SWS granted an aggregate of 181,814 restricted shares of SWS common stock, with an aggregate grant date value of \$1,325,434, to certain executive officers and key employees of SWS in satisfaction of their fiscal 2014 annual bonuses in the ordinary course of business and consistent with past practice, which will be converted into restricted shares of Hilltop as of the effective time of the merger (with the number of Hilltop shares determined based on the value of the merger consideration), and will be subject to accelerated vesting (i) as to all of such restricted shares on termination of employment by the employer without "cause" (as defined in the merger agreement) following the effective time of the merger, (ii) as to all of such restricted shares upon a change of control event (other than the merger) and (iii) as to a prorated portion of such restricted shares on termination of employment due to an employee's death or disability;

Between the date of the merger agreement and the effective time of the merger, SWS may grant non-employee directors of SWS restricted shares of SWS common stock in the ordinary course of business consistent with past practice with a grant date value not to exceed \$35,000 per non-employee director;

Executive officers and other employees of SWS are entitled to cash severance in accordance with SWS's severance practice on termination of employment by the employer without "cause" (as defined in the merger agreement) at any time on or prior to December 31, 2015, contingent on the executive's or other employee's execution and non-revocation of a release of claims;

As permitted under the terms of the merger agreement, SWS is permitted to enter into retention agreements with employees in an aggregate amount up to \$5,000,000. As of the date of this proxy statement/prospectus, SWS has entered into retention agreements with certain executive officers (and other employees) that provide for cash retention payments in the aggregate amount of \$4,418,800, of which \$975,000 in the aggregate is payable under the agreements with certain executive officers. These retention amounts will be paid in a lump sum

Table of Contents

within 30 days of the six-month anniversary of the effective time of the merger, subject to the applicable executive officer's or other employee's continued employment with SWS through such six-month anniversary (except that, on a termination of employment by the employer without "cause" (as defined in the retention agreement) after the effective time, the retention payment will be paid within 30 days of such termination date, contingent on the executive's (or other employee's) execution and non-revocation of a release of claims). Each retention agreement also includes restrictive covenants relating to confidentiality and the non-solicitation of customers and employees of SWS; and

Each of Hilltop and Peruna LLC has agreed to indemnify and advance expenses to each present and former director, officer and employee of SWS and its subsidiaries (when acting in such capacity) to the fullest extent permitted by law for any acts arising out of or pertaining to matters occurring at or existing prior to the closing of the merger. Hilltop will also provide director and officer liability insurance with respect to claims arising from facts or events occurring before the completion of the merger or, at SWS's option, SWS may purchase a "tail" policy for directors' and officers' liability insurance.

Messrs. Gerald J. Ford and J. Taylor Crandall are members of the SWS board of directors appointed by Hilltop and Oak Hill, respectively. Messrs. Ford and Crandall recused themselves from the vote of the SWS board of directors with respect to the approval and adoption of the merger agreement and the transactions contemplated thereby, including the merger. The decisions by the SWS Board that are described in this proxy statement/prospectus were all taken by unanimous vote of those directors who voted.

Appraisal/Dissenters' Rights (page 270)

Section 262 of the DGCL provides holders of shares of SWS common stock with the right to dissent from the merger and seek appraisal of their shares of SWS common stock in accordance with Delaware law. A holder of shares of SWS common stock who properly seeks appraisal and complies with the applicable requirements under Delaware law, referred to as a dissenting stockholder, will forego the merger consideration and instead receive a cash payment equal to the fair value of such stockholder's shares of SWS common stock in connection with the merger. Fair value will be determined by the Delaware Court of Chancery following an appraisal proceeding. Dissenting stockholders will not know the appraised fair value at the time such holders must elect whether to seek appraisal. The ultimate amount dissenting stockholders receive in an appraisal proceeding may be more or less than, or the same as, the amount such holders would have received under the merger agreement.

To seek appraisal, a stockholder of SWS must strictly comply with all of the procedures required under Delaware law, including:

delivering a written demand for appraisal to SWS before the vote is taken on the merger agreement at the SWS special meeting;

not voting in favor of the merger proposal; and

continuing to hold its shares of common stock through the effective time of the merger.

In connection with the foregoing, SWS stockholders who wish to seek appraisal should note that:

if you return a signed proxy without voting instructions, your proxy will be voted as recommended by the SWS board of directors and you may lose dissenters' rights;

if you return a signed proxy with instructions to vote "FOR" the merger agreement, your shares will be voted in favor of the merger agreement and you will lose dissenters' rights; and

Table of Contents

if you wish to dissent and you execute and return a proxy, you must specify that your shares are to be either voted "AGAINST" or "ABSTAIN" with respect to approval of the merger.

Failure to follow exactly the procedures specified under Delaware law will result in the loss of appraisal rights.

For a further description of the appraisal rights available to SWS stockholders and procedures required to exercise appraisal rights, see the section entitled "The Merger Appraisal/Dissenters' Rights" included elsewhere in this joint proxy statement/prospectus and the provisions of the DGCL that grant appraisal rights and govern such procedures which are attached as Annex C to this document. If a stockholder of SWS holds shares of SWS common stock through a bank, brokerage firm or other nominee and the SWS stockholder wishes to exercise appraisal rights, such stockholder should consult with such stockholder's bank, brokerage firm or nominee. In view of the complexity of Delaware law, SWS stockholders who may wish to pursue appraisal rights should consult their legal and financial advisors promptly.

Regulatory Approvals Required for the Merger (page 273)

Hilltop and SWS have agreed to use their reasonable best efforts to obtain all regulatory approvals necessary or advisable to complete the transactions contemplated by the merger agreement, including the merger and the bank merger. These approvals include approvals from the Board of Governors of the Federal Reserve System (the "Federal Reserve Board") and the Texas Department of Banking and the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"), among others. Hilltop and SWS have filed, or are in the process of filing, applications and notifications to obtain the required regulatory approvals.

We are not aware of any material governmental approvals or actions that are required for completion of the merger other than those described above. It is presently contemplated that if any such additional governmental approvals or actions are required, those approvals or actions will be sought.

Although neither SWS nor Hilltop knows of any reason why these regulatory approvals cannot be obtained in a timely manner, SWS and Hilltop cannot be certain when or if they will be obtained.

No Solicitation (page 293)

The merger agreement contains restrictions on SWS's ability to solicit or engage in discussions or negotiations with any third party regarding a proposal to acquire a significant interest in SWS. Notwithstanding these restrictions, under certain limited circumstances, the board of directors of SWS may respond to an unsolicited proposal and may change or withdraw its recommendation with respect to a "superior proposal" (as defined in the section entitled "The Merger Agreement No Solicitation").

Conditions that Must be Satisfied or Waived for the Merger to Occur (page 295)

Currently, we expect to complete the merger by the end of 2014. As more fully described in this proxy statement/prospectus and in the merger agreement, the completion of the merger depends on a number of conditions being satisfied or, where legally permissible, waived. These conditions include (1) approval of the merger proposal by SWS stockholders, (2) authorization for listing on the NYSE of the shares of Hilltop common stock to be issued in the merger, (3) the receipt of required regulatory approvals (including approvals of the Federal Reserve Board and the Texas Department of Banking and the expiration or termination of the waiting period under the HSR Act), (4) effectiveness of the registration statement of which this proxy statement/prospectus is a part and the absence of any stop

Table of Contents

order or threat of any stop order by the SEC, (5) the absence of any order, injunction or other legal restraint preventing the completion of the merger or making the completion of the merger illegal, (6) subject to the materiality standards provided in the merger agreement, the accuracy of the representations and warranties of Hilltop and SWS, (7) performance in all material respects by each of Hilltop and SWS of its obligations under the merger agreement and (8) receipt by each of Hilltop and SWS of an opinion from its counsel as to certain tax matters. In addition, Hilltop's obligation to complete the merger is further conditioned on the fact that there shall not be any regulatory changes, in connection with the grant of a requisite regulatory approval, which impose or would result in the imposition of a materially burdensome regulatory condition.

We cannot be certain when, or if, the conditions to the merger will be satisfied or waived, or that the merger will be completed. For a further discussion of the conditions to the completion of the merger, see "The Merger Agreement Conditions to Completion of the Merger."

Termination of the Merger Agreement (page 296)

Either party may terminate the merger agreement prior to completion of the merger in the following circumstances:

a governmental entity that must grant a required regulatory approval has denied approval and such denial has become final, or an injunction or legal prohibition against the transaction becomes final and nonappealable;

the merger has not been consummated by March 31, 2015 unless the failure of the merger to be completed by such date is due to the failure of the party seeking to terminate the merger agreement to perform or observe its covenants and agreements under the merger agreement;

the other party breaches any of its covenants or agreements under the merger agreement in a manner that would cause the closing conditions not to be satisfied and which is not cured 30 days following written notice of the breach (provided that the terminating party is not also in material breach of any of its obligations under the merger agreement); or

the special meeting of the SWS stockholders shall have concluded without the approval of the merger proposal.

In addition, Hilltop may terminate the merger agreement in the following circumstances:

prior to obtaining SWS stockholder approval, SWS's board of directors changes its recommendation with respect to the merger;

prior to obtaining SWS stockholder approval, SWS is in material breach of its non-solicitation obligations or its obligations regarding soliciting stockholder approval for the merger; or

prior to completion of the merger, if any governmental entity that must grant a requisite regulatory approval imposes a materially burdensome regulatory condition and there is no meaningful possibility such condition can be revised prior to March 31, 2015 unless the failure to obtain such approval without a materially burdensome regulatory condition is due to any breach by Hilltop of the merger agreement.

Expenses and Termination Fees (page 296)

In general, each of Hilltop and SWS will be responsible for all expenses incurred by it in connection with the negotiation and completion of the transactions contemplated by the merger agreement.

Table of Contents

Upon termination of the merger agreement under specified circumstances, SWS may be required to pay Hilltop a termination fee of \$8 million. SWS will be required to pay the termination fee to Hilltop if:

- (i) a third party proposal has been publicly disclosed or made known to SWS management and not withdrawn, or any person has publicly announced or made known to SWS management and not withdrawn at least 10 business days' prior to the stockholder vote an intention to make a third party proposal, and thereafter the agreement is terminated:
 - by either Hilltop or SWS because the merger has not been consummated by March 31, 2015 (without SWS stockholder approval of the merger proposal having been obtained) or because the SWS stockholders failed to approve the merger proposal at a meeting called for such purpose; or
 - by Hilltop for SWS's willful breach of any of its covenants or agreements under the merger agreement, which breach would cause certain closing conditions not to be satisfied and which is not cured during the applicable cure period;and, within 12 months of termination SWS consummates a third party acquisition or enters into an agreement in respect thereof (provided that the references to "15%" in the definition of third party acquisition shall be replaced with references to "50%" for this purpose); or
- (ii) the merger agreement is terminated by Hilltop prior to the time SWS stockholders have approved the merger proposal because SWS or the board of directors of SWS changes its recommendation in favor of the merger, or SWS is in material breach of its non-solicitation obligations or its obligations regarding soliciting stockholder approval of the merger.

The Rights of SWS Stockholders Will Change as a Result of the Merger (page 305)

The rights of SWS stockholders will change as a result of the merger due to differences in Hilltop's and SWS's governing documents and states of incorporation. The rights of SWS stockholders are governed by Delaware law and by SWS's certificate of incorporation and bylaws, each as amended to date. Upon the completion of the merger, SWS stockholders will become stockholders of Hilltop and the rights of former SWS stockholders will therefore be governed by Maryland law and Hilltop's charter and bylaws as then in effect.

See "Comparison of Stockholders' Rights" included elsewhere in this proxy statement/prospectus for a description of the material differences in stockholders rights under each of the Hilltop and SWS governing documents and under Maryland and Delaware law.

Litigation Relating to the Merger (page 283)

Each of Hilltop, Peruna LLC, SWS and the individual members of the board of directors of SWS have been named as defendants in two purported shareholder class action lawsuits arising out of the merger. Both lawsuits were filed in Delaware Chancery Court (*Joseph Arceri v. SWS Group, Inc. et al* and *Chaile Steinberg v. SWS Group, Inc. et al* filed April 8, 2014 and April 11, 2014, respectively). On May 13, 2014, the court consolidated the actions. On June 10, 2014, plaintiffs filed a consolidated amended complaint, a copy of which is attached to this proxy statement/prospectus as Annex D. The complaint alleges claims for breach of fiduciary duty by the individual directors of SWS, and claims against Hilltop for aiding and abetting that breach of fiduciary duty. The complaint further alleges that the proxy statement/prospectus filed by Hilltop on May 29, 2014 omits or misstates certain material information. Plaintiffs seek, among other things, to enjoin the merger. Hilltop and SWS believe that the claims are without merit and each intends to vigorously defend against these actions.

SELECTED HISTORICAL CONSOLIDATED FINANCIAL DATA FOR HILLTOP

Set forth below is certain consolidated financial data of Hilltop as of and for the years ended December 31, 2009 through December 31, 2013 and as of and for the six months ended June 30, 2014 and 2013. The results of operations for the six months ended June 30, 2014 and 2013 are not necessarily indicative of the results of operations for the full year or any other interim period. Hilltop management prepared the unaudited consolidated information as of and for the three months ended June 30, 2014 and 2013 on the same basis as it prepared Hilltop's audited consolidated financial statements as of and for the year ended December 31, 2013. In the opinion of Hilltop management, this information reflects all adjustments, consisting of only normal recurring adjustments, necessary for a fair statement of this data for those dates. You should read Hilltop's selected historical financial data, together with the notes thereto, in conjunction with the more detailed information contained in Hilltop's consolidated financial statements and related notes and "Information About the Companies Hilltop Management's Discussion and Analysis of Financial Condition and Results of Operations" included in this proxy statement/prospectus. Hilltop Non-GAAP to GAAP Reconciliation and Management's Explanation of Non-GAAP Financial Measures

Hilltop presents two measures in its selected financial data that are not measures of financial performance recognized by GAAP.

"Tangible book value per common share" is defined as total stockholders' equity, excluding preferred stock, reduced by goodwill and other intangible assets, divided by total common shares outstanding. "Tangible common stockholders' equity to tangible assets" is defined as total stockholders' equity, excluding preferred stock, reduced by goodwill and other intangible assets divided by total assets reduced by goodwill and other intangible assets.

These measures are important to investors interested in changes from period to period in tangible common equity per share exclusive of changes in intangible assets. For companies such as Hilltop that have engaged in business combinations, purchase accounting can result in the recording of significant amounts of goodwill and other intangible assets related to those transactions.

You should not view this disclosure as a substitute for results determined in accordance with GAAP, and this disclosure is not necessarily comparable to that of other companies that use non-GAAP measures. The following table reconciles these Hilltop non-GAAP financial measures to the most comparable GAAP financial measures, "book value per common share" and "Hilltop stockholders' equity to total assets" (dollars in thousands, except per share data).

**HILLTOP HOLDINGS INC. UNAUDITED PRO FORMA CONDENSED
COMBINED FINANCIAL INFORMATION**

The following unaudited pro forma condensed combined financial statements show the impact on the separate historical financial statements of Hilltop and SWS after giving effect to the merger and the assumptions and adjustments described in the accompanying notes to the unaudited pro forma condensed combined financial statements. The following unaudited pro forma condensed combined statements of income and accompanying notes exclude the impact on Hilltop's historical statements of income of the assumption of substantially all of the liabilities, including all of the deposits, and acquisition of substantially all of the assets by PlainsCapital Bank (the "Bank"), a wholly owned subsidiary of Hilltop, of Edinburg, Texas-based First National Bank ("FNB") from the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, on September 13, 2013 (the "FNB Transaction"). Pursuant to the Purchase and Assumption Agreement (the "P&A Agreement"), the Bank and the FDIC entered into loss-share agreements whereby the FDIC agreed to share in the losses of certain covered loans and covered other real estate owned that the Bank acquired. Due to the nature and magnitude of the FNB Transaction, coupled with the federal assistance and protection resulting from the FDIC loss-share agreements, historical financial information of FNB is not relevant to future operations. Hilltop has omitted certain historical financial information and the related pro forma financial information of FNB pursuant to the guidance provided in Staff Accounting Bulletin Topic 1.K, Financial Statements of Acquired Troubled Financial Institutions ("SAB 1:K"), and a request for relief granted by the SEC. SAB 1:K provides relief from the requirements of Rule 3-05 of Regulation S-X in certain instances, such as the FNB Transaction, where a registrant engages in an acquisition of a significant amount of assets of a troubled financial institution for which audited financial statements are not reasonably available and in which federal assistance is so persuasive as to substantially reduce the relevance of such information to an assessment of future operations.

The unaudited pro forma condensed combined balance sheet of Hilltop combines the historical balance sheets of Hilltop and SWS as of June 30, 2014 as if the merger of SWS with and into Hilltop's wholly owned subsidiary, Peruna LLC (the "SWS Merger") had occurred on June 30, 2014. The unaudited pro forma condensed combined statements of income for the year ended December 31, 2013 and the six months ended June 30, 2014 are presented as if the SWS Merger had occurred on January 1, 2013. Hilltop and SWS have different fiscal year-ends. Therefore, the unaudited pro forma condensed combined statement of income for the year ended December 31, 2013 combines the audited results of Hilltop for the year ended December 31, 2013 with the unaudited results of SWS for the six months ended June 30, 2013 and the six months ended December 31, 2013. The historical consolidated financial information has been adjusted to reflect factually supportable items that are directly attributable to the SWS Merger, and with respect to the statements of income only, expected to have a continuing impact on consolidated results of operations.

The unaudited pro forma condensed combined financial information has been prepared using the acquisition method of accounting for business combinations under accounting principles generally accepted in the United States. Hilltop is the acquirer for accounting purposes. Hilltop has not had sufficient time to completely evaluate the significant assets and liabilities to be acquired in the SWS Merger. Accordingly, the unaudited pro forma adjustments related to SWS, including the allocations of the purchase price, are preliminary and have been made solely for the purpose of providing unaudited pro forma combined financial information.

A final determination of the merger consideration and fair values of SWS's assets and liabilities, which cannot be made prior to the completion of the merger, will be based on the actual tangible and intangible assets and liabilities of SWS that exist as of the date of completion of the transaction. Consequently, amounts preliminarily allocated to bargain purchase gain and identifiable intangibles could change significantly from those allocations used in the unaudited pro forma condensed combined

Table of Contents

financial statements presented below and could result in a material change in amortization of acquired intangible assets.

In connection with the plan to integrate the operations of Hilltop and SWS following the completion of the SWS Merger, Hilltop anticipates that nonrecurring charges, such as costs associated with systems implementation, employee retention and severance agreements, and other costs related to exit or disposal activities, could be incurred. Hilltop is not able to determine the timing, nature, and amount of these charges as of the date of this proxy statement/prospectus. However, these charges could affect the results of operations of Hilltop and SWS, as well as those of the combined company as a result of the transaction, in the period in which they are recorded. Therefore, the unaudited pro forma condensed combined financial statements do not include the effects of the costs associated with any restructuring or integration activities resulting from the transactions, as they are nonrecurring in nature and not factually supportable at the time that the unaudited pro forma condensed combined financial statements were prepared. We estimate transaction-related expenses aggregating approximately \$21.0 million will be incurred by Hilltop and SWS as a part of the SWS Merger for employees, advisors, counsel and other third-parties. These transaction-related expenses are not included in the unaudited pro forma condensed combined statements of income.

Pursuant to the Funding Agreement, SWS entered into a \$50.0 million unsecured loan with Oak Hill and warrants to purchase up to 8,695,652 shares of SWS common stock. The unaudited pro forma condensed combined financial statements include the effects of Oak Hill exercising its warrants prior to the closing of the SWS Merger, the effect of which is provided for in the Oak Hill Letter Agreement. The Credit Agreement governing the unsecured loan provides that upon prepayment of the unsecured loan, Oak Hill is entitled to a make-whole interest payment equal to the present value of all required interest payments due on the loan from the date the loan is repaid through its maturity date. Therefore, the unaudited pro forma condensed combined balance sheet includes the effects of an estimated make-whole interest payment by SWS of \$8.0 million to Oak Hill prior to the closing of the SWS Merger. This make-whole interest payment has been excluded from the unaudited pro forma condensed combined statements of income, as it represents a nonrecurring item that does not have a continuing impact on results of operations.

The actual amounts recorded as of the completion of the SWS Merger may differ materially from the information presented in these unaudited pro forma condensed combined financial statements as a result of:

changes in the trading price for Hilltop's common stock;

net cash used or generated in SWS's operations between the signing of the merger agreement and completion of the merger;

the timing of the completion of the merger;

other changes in SWS's net assets that occur prior to completion of the merger, which could cause material differences in the information presented below; and

changes in the financial results of the combined company, which could cause material changes in the information presented below.

The unaudited pro forma condensed combined financial statements are provided for informational purposes only. The unaudited pro forma condensed combined financial statements are not necessarily, and should not be assumed to be, an indication of the results that would have been achieved had the transaction been completed as of the dates indicated or that may be achieved in the future. NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS

1. Basis of Pro Forma Presentation

The unaudited pro forma condensed combined balance sheet as of June 30, 2014 and the unaudited pro forma condensed combined statements of income for the six months ended June 30, 2014 and the year ended December 31, 2013 are based on the historical financial statements of Hilltop Holdings Inc. ("Hilltop") and SWS Group, Inc. ("SWS") after giving effect to the completion of the merger and the assumptions and adjustments described in the accompanying notes. Hilltop and SWS have different fiscal year-ends. Therefore, the unaudited pro forma condensed combined statement of income for the year ended December 31, 2013 combines the audited results of Hilltop for the year ended December 31, 2013 with the unaudited results of SWS for the six months ended June 30, 2013 and the six months ended December 31, 2013. The unaudited pro forma condensed combined financial statements do not reflect cost savings or operating synergies expected to result from the transactions, or the costs to achieve these cost savings or operating synergies, or any anticipated disposition of assets that may result from the integration of the operations of the two companies. The unaudited pro forma condensed combined statements of income do not give effect to the recent acquisition of First National Bank ("FNB") from the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, as further described below.

On September 13, 2013 (the "Bank Closing Date"), PlainsCapital Bank (the "Bank"), a wholly owned subsidiary of Hilltop, assumed substantially all of the liabilities, including all of the deposits, and acquired substantially all of the assets of Edinburg, Texas-based FNB from the FDIC, as receiver, and reopened former FNB branches acquired from the FDIC under the "PlainsCapital Bank" name (the "FNB Transaction"). Pursuant to the Purchase and Assumption Agreement (the "P&A Agreement"), the Bank and the FDIC entered into loss-share agreements whereby the FDIC agreed to share in the losses of certain covered loans and covered other real estate owned ("OREO") that the Bank acquired. The fair market value of the assets acquired was \$2.2 billion, including \$1.1 billion in covered loans, \$286.2 million in securities, \$121.0 million in covered OREO and \$45.9 million in non-covered loans. The Bank also assumed \$2.2 billion in liabilities, consisting primarily of deposits. Due to the nature and magnitude of the FNB Transaction, coupled with the federal assistance and protection resulting from the FDIC loss-share agreements, historical financial information of FNB is not relevant to future operations. Hilltop has omitted certain historical financial information and the related pro forma financial information of FNB pursuant to the guidance provided in Staff Accounting Bulletin Topic 1.K, Financial Statements of Acquired Troubled Financial Institutions ("SAB 1:K"), and a request for relief granted by the SEC. SAB 1:K provides relief from the requirements of Rule 3-05 of Regulation S-X in certain instances, such as the FNB Transaction, where a registrant engages in an acquisition of a significant amount of assets of a troubled financial institution for which audited financial statements are not reasonably available and in which federal assistance is so persuasive as to substantially reduce the relevance of such information to an assessment of future operations.

The SWS Merger will be accounted for under the acquisition method of accounting. In business combination transactions in which the consideration given is not in the form of cash (that is, in the form of non-cash assets, liabilities incurred, or equity interests issued), measurement of the merger consideration is based on the fair value of the consideration given or the fair value of the asset (or net assets) acquired, whichever is more clearly evident and, thus, more reliably measurable.

All of the assets acquired and liabilities assumed in a business combination are recognized at their acquisition-date fair value, while transaction costs and restructuring costs associated with the business combination are expensed as incurred. The bargain purchase gain represents the excess of the preliminary estimated fair value of the underlying net tangible assets and intangible assets over the preliminary estimated merger consideration. Changes in deferred tax asset valuation allowances and income tax uncertainties after the acquisition date generally affect income tax expense. Subsequent to

the completion of the SWS Merger, Hilltop and SWS will finalize an integration plan, which may affect how the assets acquired, including intangible assets, will be utilized by the combined company. For those assets in the combined company that will be phased out or will no longer be used, additional amortization, depreciation and possibly impairment charges will be recorded after management completes the integration plan.

The unaudited pro forma information is presented solely for informational purposes and is not necessarily indicative of the combined results of operations or financial position that might have been achieved for the periods or dates indicated, nor is it necessarily indicative of the future results of the combined company.

2. Preliminary Estimated Merger Consideration

On March 31, 2014, Hilltop entered into a definitive merger agreement with SWS providing for the merger of SWS with and into Peruna LLC, a wholly owned subsidiary of Hilltop. The merger agreement provides for SWS common stockholders, excluding Hilltop, to receive a total of 10.1 million shares of Hilltop common stock and \$78.2 million in cash for SWS common stock. The value of the per share purchase consideration would be approximately \$7.25 based upon the closing price of Hilltop common stock on June 30, 2014 multiplied by the exchange ratio of 0.2496x and adding the cash portion of the merger consideration of \$1.94 per share (collectively, the "Merger Consideration"). The value of the Merger Consideration will fluctuate with the market price of Hilltop common stock.

Based on SWS's shares of common stock, equity awards and stock purchase warrants outstanding as of June 30, 2014, and assuming that, as of the closing of the SWS Merger, all equity awards are vested and exercised and all stock purchase warrants are exercised, the preliminary estimated merger consideration is as follows (in thousands).

Preliminary Estimated Merger Consideration

Number of shares of SWS common stock outstanding upon closing of merger	50,459
Less shares held by Hilltop upon closing of merger	(10,171)
Number of shares of SWS common stock to be acquired upon closing of merger	40,288
Multiplied by per share exchange ratio	0.2496x
Number of shares of Hilltop common stock as exchanged	10,055
Multiplied by Hilltop common stock price on June 30, 2014	\$ 21.26
Estimated fair value of Hilltop common stock issued	\$ 213,765
Estimated cash distribution to SWS common stockholders(1)	78,159
Estimated fair value of Hilltop existing investment in SWS	74,639
Total Preliminary Estimated Merger Consideration	\$ 366,563

(1) The estimated cash distribution to SWS common stockholders equals the cash portion of the Merger Consideration of \$1.94, multiplied by 40,288,000 shares of SWS common stock exchanged upon closing of the merger.

3. Preliminary Estimated Merger Consideration Allocation

Edgar Filing: Hilltop Holdings Inc. - Form S-4/A

Under the acquisition method of accounting, the total merger consideration is allocated to the acquired tangible and intangible assets and assumed liabilities of SWS based on their estimated fair values as of the closing of the SWS Merger. If the fair value of net assets purchased exceeds the merger consideration given, a "bargain purchase gain" is recognized. If the merger consideration given exceeds the fair value of the net assets received, goodwill is recognized.

Table of Contents

The allocation of the estimated merger consideration is preliminary because the proposed merger has not yet been completed. The preliminary allocation is based on estimates, assumptions, valuations, and other studies which have not progressed to a stage where there is sufficient information to make a definitive allocation. Accordingly, the merger consideration allocation and unaudited pro forma adjustments will remain preliminary until Hilltop management determines the final merger consideration and the fair values of assets acquired and liabilities assumed. The final determination of the merger consideration allocation is anticipated to be completed as soon as practicable after the completion of the merger and will be based on the price of Hilltop's common stock immediately prior to the effective time of the SWS Merger. The final amounts allocated to assets acquired and liabilities assumed could differ significantly from the amounts presented in the unaudited pro forma condensed combined financial statements.

The total preliminary estimated merger consideration as shown in the table above is allocated to SWS's tangible and intangible assets and liabilities as of June 30, 2014 based on their preliminary estimated fair values as follows (in thousands).

Approximately \$10.0 million has been preliminarily allocated to amortizable intangible assets acquired. The amortization related to the preliminary fair value of net amortizable intangible assets is reflected as a pro forma adjustment to the unaudited pro forma condensed combined financial statements.

Identifiable intangible assets. The preliminary fair values of intangible assets were determined based on the provisions of ASC 805, which defines fair value in accordance with ASC Topic 820, *Fair Value Measurements and Disclosures* ("ASC 820"). ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Intangible assets were identified that met either the separability
