March 31, 2015
Dear Stockholder:

On behalf of the Board of Directors, I am pleased to invite you to join us for our annual meeting of stockholders on Tuesday, May 19, 2015. The meeting will be held at 9:30 a.m., local time, at the offices of Holland & Knight LLP, 701 Brickell Avenue, Suite 3300, Miami, FL 33131.

This year you will be asked to vote on the following proposals:

- (1) the election of three Class II directors to the Board of Directors for a three-year term; and
- (2) the ratification of the Board of Directors' appointment of McGladrey LLP as our independent registered public accounting firm for our 2015 fiscal year.

The Board of Directors recommends a vote FOR proposals 1 and 2. These proposals are described in the attached proxy statement, which you are encouraged to read fully. We will also consider any additional business that may be properly brought before the annual meeting.

We are utilizing the U.S. Securities and Exchange Commission rules allowing companies to furnish their proxy materials over the Internet. Instead of a paper copy of this Proxy Statement and our 2014 Annual Report, most of our stockholders are receiving a notice regarding the availability of our proxy materials. The notice includes instructions on how to access the proxy materials over the Internet. The notice also contains instructions on how each stockholder can receive a paper copy of our proxy materials, including this Proxy Statement, our 2014 Annual Report and a form of proxy card.

The Board of Directors has fixed March 20, 2015 as the record date for the determination of stockholders entitled to notice of, and to vote at, the annual meeting and any adjournment or postponement thereof. Only holders of record of shares of Class A common stock, par value \$0.0001 per share and Class B common stock, par value \$0.0001 per share (collectively, the "Common Stock") of Hemisphere Media Group, Inc. at the close of business on the record date are entitled to notice of, and to vote at, the annual meeting. At the close of business on the record date, Hemisphere Media Group, Inc. had 15,091,401 shares of Class A common stock and 30,027,418 of Class B common stock outstanding and entitled to vote.

Your vote is important and it is important that your shares be represented at the annual meeting. To ensure that your shares are represented at the annual meeting, whether or not you plan to attend, please vote by proxy using the Internet or the telephone, or by completing, signing, dating, and returning the enclosed proxy card in the envelope provided. Stockholders of record who attend the annual meeting may revoke their proxies and vote in person at the annual meeting, if they wish to do so. We appreciate your continued support.

Sincerely,

Alan J. Sokol

President, Chief Executive Officer and Director

Stockholders of record who attend the Annual Meeting may revoke their proxies and vote in person at the Annual Meeting, if they wish to do so.

We have decided to use the Securities and Exchange Commission's Notice and Access model ("Notice and Access"), which allows us to deliver proxy materials via the Internet. We believe Notice and Access provides stockholders with a convenient method to access the proxy materials and vote, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials. On or about March 31, 2015, we will mail to our shareholders a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our proxy statement and our 2014 Annual Report online and how to vote via the Internet or by telephone. The Notice also contains instructions on how to receive a paper copy of the proxy materials and our 2014 Annual Report.

PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON TUESDAY, MAY 19, 2015**

ABOUT THE ANNUAL MEETING

Our Annual Meeting of Stockholders will be held a held on Tuesday, May 19, 2015 at 9:30 a.m., local time, at the offices of Holland & Knight LLP, 701 Brickell Avenue, Suite 3300, Miami, FL 33131, or at any subsequent time that may be necessary by any adjournment or postponement of the Annual Meeting (the "Annual Meeting").

We are making the proxy solicitation materials available to stockholders of record of Hemisphere Media Group, Inc. ("Hemisphere" or the "Company") in connection with the solicitation of proxies for use at the Annual Meeting electronically via the Internet under the Notice and Access rules and regulations of the Securities and Exchange Commission (the "SEC"). On or about March 31, 2015, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials ("Notice") in lieu of mailing a full set of proxy materials. Accordingly, our proxy materials are first being made available to our stockholders on or about March 31, 2015. The Notice includes information on how to access and review the proxy materials, and how to vote, via the Internet or by telephone. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. We believe this method of delivery will decrease costs, expedite distribution of proxy materials to you, and reduce our environmental impact. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of our Annual Meeting. Stockholders who received the Notice but would like to receive a printed copy of the proxy solicitation materials in the mail should follow the instructions in the Notice for requesting such materials.

Matters to be Voted Upon at the Annual Meeting

At the Annual Meeting you will be voting on the following proposals:

1. to elect three Class II directors to the Board of Directors for a three-year term expiring at the 2018 annual meeting;
2. to ratify the Board of Directors' appointment of McGladrey LLP as our independent registered public accounting firm for our fiscal year ending on December 31, 2015; and
3. to consider all other appropriate matters brought before the Annual Meeting.

Recommendations of Our Board of Directors

Our Board of Directors recommends that you vote your shares as follows:

1. **FOR** the election of three Class II directors to the Board of Directors for a three-year term expiring at the 2018 annual meeting (**PROPOSAL 1**); and
2. **FOR** the ratification of the appointment by the Board of Directors of McGladrey LLP as our independent registered public accounting firm for our fiscal year ending on December 31, 2015 (**PROPOSAL 2**).

Stockholders Entitled to Vote at the Meeting

Stockholders of Record

Edgar Filing: HEMISPHERE MEDIA GROUP, INC. - Form DEF 14A

Only stockholders of record of the Company's (i) Class A common stock, par value \$0.0001 per share (the "Class A common stock") and (ii) Class B common stock, par value \$0.0001 per share (the

Table of Contents

"Class B common stock" and together with the Class A common stock, the "Common Stock") as of March 20, 2015 (the "Record Date") are entitled to receive notice of and to vote at the Annual Meeting. You are considered the stockholder of record with respect to your shares if your shares are registered directly in your name with Continental Stock Transfer & Trust Company, the Company's stock transfer agent. A holder of our warrants, which are exercisable for shares of our Class A common stock, is not entitled to receive notice of or vote at our meeting unless you exercised your Warrants into shares of our Class A common stock prior to the Record Date. If you are a stockholder of record, you can vote your shares in one of two ways: either in person or by proxy at the Annual Meeting. If you are a stockholder of record and choose to vote in person, you must attend the Annual Meeting, which will be held on Tuesday, May 19, 2015 at 9:30 a.m., local time, at the offices of Holland & Knight LLP, 701 Brickell Avenue, Suite 3300, Miami, FL 33131.

If you choose to vote by proxy you may do so by using the Internet, the telephone, or by completing, signing, dating, and returning the enclosed proxy card in the envelope provided. Whichever method you use to vote by proxy, each valid proxy received in time will be voted at the Annual Meeting in accordance with your instructions. To ensure that your proxy is voted, your proxy, whether given by the Internet, the telephone, or by mailing the proxy card, should be received by 7:00 p.m., Eastern time, on May 18, 2015. If you submit a proxy without giving instructions, your shares will be voted as recommended by the Board of Directors.

On the Record Date, there were 15,091,401 shares of Class A common stock and 30,027,418 shares of Class B common stock, issued and outstanding, constituting all of our issued and outstanding voting securities. Stockholders of record are entitled to one vote for each share of Class A common stock and ten (10) votes for each share of Class B common stock they held as of the Record Date.

Shares Held with a Bank, Broker, or Other Nominee

If your shares are held in an account with a bank, broker, or another third party that holds shares on your behalf, referred to herein as a "nominee," then you are considered the "beneficial owner" of these shares, and your shares are referred to as being held in "street name." If you hold your shares in "street name," you must vote your shares in the manner provided for by your bank, broker, or other nominee. Your bank, broker, or other nominee has enclosed or provided a voting instruction card with this proxy statement for you to use in directing the bank, broker, or other nominee how to vote your shares.

If your shares are held by a bank, broker, or other nominee, they may not be voted or may be voted contrary to your wishes if you do not provide your bank, broker, or other nominee with instructions on how to vote your shares. Brokers, banks, and other nominees have the authority under the rules of the NASDAQ STOCK MARKET LLC ("NASDAQ") to vote shares held in accounts by their customers in the manner they see fit, or not at all, on "routine" matters if their customers do not provide them with voting instructions. Proposal 1 is not considered to be a routine matter, but Proposal 2 is considered to be a routine matter. When a proposal is not routine and the bank, broker, or other nominee has not received your voting instructions, a bank, broker, or other nominee will not be permitted to vote your shares and a broker "non-vote" will occur. To ensure your shares are voted in the manner you desire, you should provide instructions to your bank, broker, or other nominee on how to vote your shares for each of the proposals to be voted on at the Annual Meeting in the manner provided for by your bank, broker, or other nominee.

Quorum

A "quorum" of stockholders is necessary to hold the Annual Meeting. A quorum will exist at the Annual Meeting if the holders of record of a majority of the voting power of all shares of Common Stock outstanding as of the Record Date are present in person or represented by proxy at the Annual Meeting. Broker "non-votes" and shares held as of the Record Date by holders who are present in person or represented by proxy at the Annual Meeting, but who have abstained from voting or have

Table of Contents

not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting, will be counted as present for purposes of establishing a quorum.

Votes Required with Respect to Each Proposal

To be elected as a Class II director at the Annual Meeting (Proposal 1), each candidate for election must receive a plurality of the votes cast by the stockholders present in person or represented by proxy at the Annual Meeting. In a plurality vote, the director nominee with the most affirmative votes in favor of his or her election to a particular directorship will be elected to that directorship.

The affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to ratify the Board of Directors' appointment of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 (Proposal 2).

With regards to Proposal 1 (election of directors), shares represented by proxies that are marked "**WITHHELD**" and shares that are not voted will be excluded entirely from the vote and will have no effect on the outcome of this vote because the directors are elected by a plurality vote. With regards to Proposal 2 (ratification of McGladrey LLP's appointment as auditor), shares marked as "**ABSTAIN**" and shares which are not voted will be considered present in person or represented by proxy at the Annual Meeting and will have the effect of a vote against this proposal because approval of this proposal requires the affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy.

Proxies and Voting Procedures

What is a Proxy?

A proxy is another person that you legally designate to vote your stock. If you designate someone as your proxy in a written document, that document is called a proxy or a proxy card. For the purposes of the Annual Meeting, if you use the Internet or telephone to vote your shares, or complete the attached proxy card and return it to us by 7:00 p.m., Eastern time, on May 18, 2015, you will be designating the officers of the Company named on the proxy card to act as your proxy and to vote on your behalf in accordance with the instructions you have given via the Internet, by telephone, or on the proxy card at the Annual Meeting.

How Can I Get Electronic Access to the Proxy Materials?

The Notice will provide you with instructions regarding how to (i) view on the Internet our proxy materials for the Annual Meeting; and (ii) instruct us to send proxy materials to you by email. The proxy materials are available on our website at www.hemispheretv.com under the "Investor Relations Annual Report and Proxy Materials" tab. Choosing to receive proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment.

What is Included in the Proxy Materials?

The proxy materials include:

- (1) our Notice of Annual Meeting of Stockholders;
- (2) this proxy statement; and
- (3) our annual report to stockholders for the fiscal year ended December 31, 2014 (the "Annual Report"), containing financial statements and other information of interest to stockholders.

If you receive a paper copy of these materials by mail, the proxy materials also include a proxy card.

Voting by Proxy

Stockholders of Record

If you are a stockholder of record, you can vote your shares in one of two ways: either in person or by proxy at the Annual Meeting. If you are a stockholder of record and choose to vote in person, you must attend the Annual Meeting, which will be held on Tuesday, May 19, 2015 at 9:30 a.m., local time, at the offices of Holland & Knight LLP, 701 Brickell Avenue, Suite 3300, Miami, FL 33131. We recommend that you vote by proxy even if you currently plan to attend the Annual Meeting so that your vote will be counted if you later decide not to or are unable to attend the Annual Meeting. You may revoke your vote at any time before 7:00 p.m. Eastern time, on May 18, 2015, by:

attending the Annual Meeting in person and voting again;

casting a new vote by telephone or over the Internet by 7:00 p.m., Eastern time, on May 18, 2015; or

signing and returning a new proxy card with a later date or by submitting a later-dated proxy by telephone or via the Internet, since only your latest proxy received by 7:00 p.m., Eastern time, on May 18, 2015 will be counted.

If you are a stockholder of record, there are several ways for you to vote your shares by proxy:

By Mail. If you have received a printed copy of the proxy materials from us by mail, you may vote by mail by marking, dating, and signing your proxy card in accordance with the instructions on it and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy card. Proxy cards submitted by mail must be received by 7:00 p.m., Eastern time, on May 18, 2015.

By Telephone or Over the Internet. You may submit your proxy by telephone or via the Internet by following the instructions provided on the Notice. If you submit your proxy by telephone or via the Internet, you do not need to return a proxy card by mail. Internet and telephone proxy submission is available 24 hours a day. Proxies submitted by telephone or the Internet must be received by 7:00 p.m., Eastern time, on May 18, 2015.

In Person at the Annual Meeting. You may vote your shares in person at the Annual Meeting. Even if you plan to attend the Annual Meeting in person, we recommend that you also submit your proxy by telephone or via the Internet, or by completing, signing, dating, and returning the attached proxy card by the applicable deadline so that your vote will be counted if you later decide not to or are unable to attend the meeting.

Voting instructions are included in the Notice, or if you have received a printed copy of the proxy materials from us by mail, on your proxy card. If you properly submit your proxy by telephone, the Internet, or by mail in time for it to be voted at the Annual Meeting, one of the individuals named as your proxy, each of whom is one of our officers, will vote your shares as you have directed. **If you submit your proxy by telephone, the Internet, or by mail, but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, as necessary to vote your shares on each proposal, your shares will be voted in accordance with the recommendations of our Board of Directors: (1) FOR the election of the director nominees, (2) FOR the ratification of the appointment of McGladrey LLP as the Company's independent registered public accounting firm for fiscal year ending December 31, 2015, and (3) in accordance with the best judgment of the named proxies on other matters properly brought before the Annual Meeting.**

Our Board of Directors has no knowledge of any matters that will be presented for consideration at the Annual Meeting other than those described herein. The named proxies will also have discretionary authority to vote upon any adjournment or postponement of the Annual Meeting, including for the purpose of soliciting additional proxies.

Table of Contents

Shares Held with a Bank, Broker, or Other Nominee

If you hold your shares in "street name," you must vote your shares in the manner provided for by your bank, broker, or other nominee. Your bank, broker, or other nominee has enclosed or provided a voting instruction card for you to use in directing the bank, broker, or other nominee on how to vote your shares. To ensure that your shares are voted according to your wishes, be certain that you provide instructions to your bank, broker, or other nominee on how to vote your shares in the manner that they specify. Your bank, broker, or other nominee will be permitted to vote your shares without instruction from you on Proposal 2, but will not be permitted to vote your shares on Proposal 1 without your instructions. As a result, if you do not provide your bank, broker, or other nominee with instructions on how to vote your shares with respect to Proposal 2, your bank, broker, or other nominee may vote your shares in a different manner than you would have voted if you had provided instructions to your bank, broker, or other nominee, and your vote will not be cast for Proposal 1. Abstentions will have the same effect as a vote against adoption of Proposal 2, and broker "non-votes" will have the same effect as a vote against adoption of Proposal 2.

Revoking Your Proxy

If you are a stockholder of record, you may revoke your proxy before it is voted by:

casting a new vote by telephone or over the Internet by 7:00 p.m., Eastern time, on May 18, 2015;

signing and returning a new proxy card with a later date or by submitting a later-dated proxy by telephone or the Internet, since only your last proxy received by 7:00 p.m., Eastern time, on May 18, 2015 will be counted;

notifying the Corporate Secretary of the Company in writing by 7:00 p.m., Eastern time, on May 18, 2015 that you have revoked your proxy; or

voting in person at the Annual Meeting.

If you hold your shares in "street name," you must contact your bank, broker, or other nominee to revoke your proxy.

Voting in Person

If you are a stockholder of record and you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. All stockholders planning to attend the Annual Meeting in person must contact our Investor Relations at (212) 687-8080 by May 18, 2015 to reserve a seat at the Annual Meeting. For admission, stockholders should come to the Annual Meeting check-in area no less than 15 minutes before the Annual Meeting is scheduled to begin. Stockholders of record should bring a form of photo identification so their share ownership can be verified. A beneficial owner holding shares in "street name" must also bring an account statement or letter from his or her bank or brokerage firm showing that he or she beneficially owns shares as of the close of business on the record date, along with a form of photo identification. Registration will begin at 9:00 a.m., local time and the Annual Meeting will begin at 9:30 a.m., local time.

If your shares are held in the name of your broker, bank, or other nominee, and you plan to attend the Annual Meeting and wish to vote in person, you must bring a legal proxy from your broker, bank, or other nominee authorizing you to vote your "street name" shares held as of the Record Date in order to be able to vote at the Annual Meeting. A legal proxy is an authorization from your bank, broker or other nominee permitting you to vote the shares that it holds in its name.

Results of the Annual Meeting

We will announce preliminary results at the Annual Meeting. We will publish final results in a current report on Form 8-K that we will file with the SEC within four business days after the Annual

Table of Contents

Meeting. If the official results are not available at that time, we will provide preliminary voting results in the Form 8-K and will provide the final results in an amendment to the Form 8-K as soon as they become available.

Proxy Solicitation

We, on behalf of the Board of Directors, are soliciting proxies in connection with this Annual Meeting. The Company will bear the costs of the solicitation. No proxy solicitation firm has been hired in connection with our Annual Meeting. In addition to the solicitation of proxies by mail, proxies may also be solicited by our directors, officers, and employees in person or by telephone, e-mail, or fax, for which they will receive no additional compensation. We will also reimburse banks, brokerage firms, and other custodians, nominees, and fiduciaries for reasonable expenses incurred by them in sending proxy materials to stockholders.

Notice of Access and Delivery, Delivery of Proxy Materials and Annual Report to Households

We are making the proxy solicitation materials available to stockholders electronically via the Internet under the Notice and Access rules and regulations of the SEC. On or about March 31, 2015, we mailed to our stockholders the Notice in lieu of mailing a full set of proxy materials. Accordingly, our proxy materials are first being made available to our stockholders on or about March 31, 2015. The Notice includes information on how to access and review the proxy materials, and how to vote, via the Internet or by telephone. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. We believe this method of delivery will decrease costs, expedite distribution of proxy materials to you, and reduce our environmental impact. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of our Annual Meeting. Stockholders who received the Notice but would like to receive a printed copy of the proxy solicitation materials in the mail should follow the instructions in the Notice for requesting such materials.

We may satisfy SEC rules regarding delivery of our proxy materials, including our proxy statement, or delivery of the Notice by delivering a single copy of these documents to an address shared by two or more stockholders. SEC rules permit companies and banks, brokers, or other nominees to deliver a single copy of an annual report and proxy statement to households at which two or more stockholders reside (commonly referred to as "householding"). Beneficial owners sharing an address who have been previously notified by their broker, bank, or other nominee and who have consented to householding, either affirmatively or implicitly by not objecting to householding, will receive one set of proxy materials or one Notice, as applicable, to stockholders who share an address with another stockholder, unless contrary instructions were received prior to the mailing date. If you hold your shares in your own name as a holder of record, householding will not apply to your shares.

**CORPORATE GOVERNANCE; BOARD ACTIONS; BOARD MEMBER INDEPENDENCE;
COMMITTEES OF THE BOARD OF DIRECTORS**

Board Activities

During our fiscal year ended December 31, 2014 ("Fiscal 2014"), our Board of Directors (or "Board") held four regular meetings, one special meeting and acted by unanimous written consent on four occasions. The independent directors met separately in an executive session immediately following certain meetings of our Audit Committee. Eric C. Neuman, the Chairman of our Audit Committee, presided at the independent director executive sessions of the Board of Directors. No director missed more than one (1) meeting of the Board of Directors, or the meetings of any committee on which he served during Fiscal 2014.

Our Board of Directors has affirmatively determined that none of the following directors has a material relationship with the Company (either directly or as a partner, stockholder, or officer of an organization that has a relationship with the Company): Eric C. Neuman, Vincent L. Sadusky and John Engelman. Our Board of Directors reviews all facts and circumstances that it deems relevant to its review, including the standards set forth in the Company's Corporate Governance Guidelines, applicable NASDAQ rules and regulations and applicable federal securities laws and regulations to assist it in making determinations of independence. The Board of Directors has determined that the directors referred to above currently meet these standards and qualify as independent. The Board of Directors has made no determination with respect to the remaining directors.

Eight of our directors attended the 2014 annual meeting of stockholders. While our Board of Directors has not adopted a mandatory attendance policy for our annual meetings, directors are encouraged to attend and we expect all members of our Board of Directors to attend the Annual Meeting.

Our Board of Directors evaluates the appropriate leadership structure for the Company on an ongoing basis, including whether or not one individual should serve as both Chief Executive Officer and Chairman of our Board of Directors. While the Board of Directors has not adopted a formal policy, we currently separate the positions of Chief Executive Officer and Chairman of our Board of Directors. Alan J. Sokol currently serves as our Chief Executive Officer and Peter M. Kern currently serves as our Chairman of the Board of Directors. The Board of Directors believes that the respective roles of Mr. Sokol and Mr. Kern best utilize their skills and qualifications in the service of the Company at this time. The Board retains the ability to adjust its leadership structure as the needs of the business change, including the appointment of Co-Chairmen, each of whom may exercise the full powers and authorities of the office of Chairman.

Controlled Company

Our Board of Directors has determined that the Company is a "controlled company" within the meaning of the rules and corporate governance standards of NASDAQ, as our controlling stockholders control more than 50% of the Company's voting power. A controlled company may elect not to comply with certain NASDAQ rules, including (1) the requirement that a majority of our Board consist of independent directors, (2) the requirement that a nominating/corporate governance committee be in place that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, and (3) the requirement that a compensation committee be in place that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities. We currently avail ourselves of the "controlled company" exemptions. Our Board has determined that it is appropriate not to have a nominating/corporate governance committee or compensation committee because of our relatively limited number of directors, our limited number of senior executives and our status as a "controlled company" under applicable NASDAQ rules. Our Board undertakes the function of both committees.

Committees Established by Our Board of Directors

The Board of Directors has designated two principal standing committees: the Audit Committee and the Executive Committee. The functions of the Audit Committee and Executive Committee and the number of meetings held by each such committee in Fiscal 2014 are noted below.

Audit Committee. The Audit Committee has been established in accordance with Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and applicable NASDAQ rules, for the overall purpose of overseeing the Company's accounting and financial reporting processes and audits of our financial statements. The Audit Committee is responsible for monitoring (i) the integrity of our financial statements, (ii) the independent registered public accounting firm's qualifications and independence, (iii) the performance of our internal audit function and independent auditors (iv) preparing the report that SEC rules require to be included in our Annual Report and (iv) our compliance with legal and regulatory requirements, including, without limitation, reviewing and addressing conflicts of interests of directors and executive officers, as well as reviewing and discussing with management and the independent registered public accounting firm, and approving as the case may be, any transactions or courses of dealing with related parties that are required to be disclosed pursuant to Item 404 of Regulation S-K, which is the SEC's disclosure rules for certain related party transactions. The responsibilities and authority of the Audit Committee are described in further detail in the Charter of the Audit Committee of the Board of Directors of Hemisphere Media Group, Inc., a copy of which is available at our Internet website at www.hemispheretv.com under "Investor Relations Corporate Governance." The report of the Audit Committee for Fiscal 2014 is included elsewhere in this proxy statement.

The current members of our Audit Committee are Eric C. Neuman, Vincent L. Sadusky and John Engelman. Our Audit Committee held eight meetings during Fiscal 2014 (attended in person or by teleconference). All of the members of the Audit Committee attended all meetings, except for one committee member who missed one (1) meeting. Our Board of Directors has determined that each of the Audit Committee members is independent, as that term is defined under the independence standards for audit committee members in the Exchange Act and rules thereunder, as amended, and under the listing standards of NASDAQ.

Mr. Neuman is the Chairman of our Audit Committee and is our Audit Committee Financial Expert. Mr. Neuman possesses the attributes of an "audit committee financial expert" set forth in the rules promulgated by the SEC in furtherance of Section 407 of the Sarbanes-Oxley Act of 2002. Mr. Neuman does not serve on the audit committees of any other public companies.

Executive Committee. function is our Audit Committee. In accordance with the Audit Committee Charter, the Audit Committee is responsible for the oversight of the financial reporting process and internal controls. In this capacity, the Audit Committee is responsible for discussing guidelines and policies governing the process by which senior management of the Company and the relevant departments of the Company, including the internal auditing department, assess and manage the Company's exposure to risk, as well as the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. In addition to receiving regular reports from management on the Company's reporting processes and risk profile, the Audit Committee also meets with our independent auditors outside the presence of and without the participation of senior management. With respect to potential risks related to our compensation policies and programs, the Board of Directors acts in the primary oversight role.

Corporate Governance Guidelines and Code of Ethics and Business Conduct

These Guidelines reflect the Board's commitment to monitor the effectiveness of policy and decision making both at the Board and management level, with a view to enhancing stockholder value over the long term. The Corporate Governance Guidelines address, among other things, Board composition, director qualifications standards, selection of the Chairman of the Board and the Chief Executive Officer, director responsibilities and the Board committees. The Board of Directors has adopted a Code of Ethics and Business Conduct to provide guidance to all the Company's directors, officers and employees, including the Company's principal executive officer, principal accounting officer or controller or persons performing similar functions.

DIRECTOR NOMINATION PROCESS

As stated above, we do not have a nominating/corporate governance committee. The entire Board of Directors performs the function of the nominating/corporate governance committee. Stockholders and members of the Board may, however, submit nominees for election to the Company's Board of Directors to the entire Board for its consideration.

We do not have a formal policy concerning stockholder recommendations to the Board of Directors. The Board of Directors has determined that it is appropriate to not have such a policy given the infrequency of such recommendations and our status as a "controlled company" under applicable NASDAQ rules. We did not receive any recommendations from stockholders requesting that the Board consider a candidate for inclusion among the slate of nominees in this Proxy Statement. The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received. The Board of Directors would consider any candidate proposed in good faith by a stockholder. To do so, a stockholder should send the candidate's name, credentials, contact information and his or her consent to be considered as a candidate to our Board of Directors at 2000 Ponce de Leon Boulevard, Suite 500, Coral Gables, FL, 33134. See "Communications with the Board" below.

You should note that the foregoing process relates only to bringing potential candidates to the attention of the Board of Directors. This process will not give you the right to directly propose a nominee at any meeting of stockholders.

Under our Amended and Restated By-Laws, stockholders may nominate candidates for election at an annual meeting of stockholders. See "Stockholder Proposals for 2016 Annual Meeting" for details regarding the procedures and timing for the submission of such nominations. Director nominees submitted through this process will be eligible for election at the annual meeting, but information about these candidates will not be included in proxy materials sent to stockholders prior to the meeting, except as described in that section.

In evaluating director nominees, the Board considers the appropriate skills and personal characteristics needed in light of the makeup of the current Board, including considerations of character, integrity, judgment, knowledge, experience and other relevant factors to develop an informed opinion of the candidate's qualifications and his or her ability and dedication. Other than the foregoing, there are no stated minimum criteria for director nominees, although the Board may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Board does, however, believe it is appropriate for at least one member of the Board to meet the criteria for an "audit committee financial expert" as defined by SEC rules and for a "financially sophisticated" audit committee member as defined by NASDAQ rules. The Company also believes it is appropriate for a member or members of the Company's management to participate as members of the Board.

The Board of Directors identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board of Directors does not wish to continue in service or if the Board of Directors decides not to re-nominate a member for re-election, the Board of Directors then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors would be polled for suggestions as to individuals meeting the criteria described above. The Board of directors may also engage in research to identify qualified individuals. To date, the Company has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third party search firm, if appropriate.

The Company does not have a compensation committee. The Board of Directors has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management. Based on this review and discussion the Board of Directors has determined that the Compensation Discussion and Analysis be included in this Proxy Statement for the Annual Meeting of Stockholders.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides an overview and analysis of our compensation programs, the compensation decisions we have made under these programs, and the factors we considered in making these decisions with respect to the compensation earned by our principal executive officer, principal financial officer, and each of the next three highest paid executive officers of the Company (collectively, the "NEOs") for Fiscal 2014:

Alan J. Sokol, Chief Executive Officer and President

Craig D. Fischer, Chief Financial Officer

Jose E. Ramos, President and General Manager, WAPA-TV, a division of WAPA

Alex J. Tolston, General Counsel and Corporate Secretary

Nicolas J. Valls, Executive Vice President, Advertising Sales

Overview of the Compensation Program

Compensation Philosophy

The objective of our corporate compensation and benefits program is to establish and maintain competitive total compensation programs that will attract, motivate, and retain the qualified and skilled workforce necessary for our continued success. To help align compensation paid to executive officers with the achievement of corporate goals, we have designed our cash compensation program as a pay-for-performance based system that rewards NEOs for their individual performance and contribution in achieving corporate goals. In determining the components and levels of NEO compensation each year, the Board considers Company performance, the business objectives for specific divisions of the Company, personal management performance objectives, as well as each individual's performance and potential to enhance long-term stockholder value. To remain competitive, the Board may also periodically review compensation survey information published by various organizations or information provided by independent compensation consultants as another factor in setting NEO compensation. The Board relies on judgment and does not have any formal guidelines or formulas for allocating between long-term and currently paid compensation, between cash and non-cash compensation, or among different forms of non-cash compensation for our NEOs.

Components of Total Compensation

Compensation packages in Fiscal 2014 for our NEOs were comprised of the following elements:

Annual and Quarterly Performance-Based Bonus	Encourage the attainment of annual and/or quarterly Company, division, and individual financial, operational, and strategic goals by paying bonuses determined by the achievement of specified performance targets with a performance period of one year or one calendar quarter.
Discretionary Bonuses	Compensate executives from time to time for special contributions or extraordinary circumstances or events.

Long-Term Compensation Elements

Element	Role and Purpose
Stock Options and Restricted Stock	Encourage the attainment of long-term value creation, align executive interests with the interests of our stockholders, create accountability for executives to enhance stockholder value, and promote long-term retention through the use of multi-year vesting awards.
Severance and Change of Control Benefits	Promote long-term retention and align the interests of executives with stockholders in the event of a change in control transaction which, although in the best interests of stockholders generally, may result in loss of employment for an individual NEO.

Benefits

Employee Benefit Plans and Perquisites	Provide financial security and additional compensation commensurate with senior executive level duties and responsibilities.

Process

Role of the Board and Management

The Board meets annually to review and consider base salary and any proposed adjustments, prior year annual performance bonus results and targets for the current year, and any long-term incentive awards. The Board also reviews the compensation package for all new executive officer hires; however, an Executive Committee of the Board comprised of Peter Kern and Ernesto Vargas Guajardo is

Table of Contents

empowered to approve such compensation packages, subject to the Board's approval of any equity grants.

The key member of management involved in the compensation process is our Chief Executive Officer ("CEO"), Alan J. Sokol. Our CEO presents recommendations to the Board for each element of compensation for each NEO, other than himself, which in turn evaluates these goals and either approves or appropriately revises them.

Determination of CEO Compensation

The Board determines the level of each element of compensation for our CEO. Consistent with its determination process for other NEOs, the Board considers a variety of factors when determining compensation for our CEO, including past corporate and individual performance, general market survey data for similar size companies and the degree to which the individual's contributions have the potential to influence the outcome of the Company's short- and long-term operating goals and alignment with shareholder value.

Assessment of Market Data and Use of Compensation Consultants

In establishing the compensation for each NEO, the Board considers information about the compensation practices of companies both within and outside our industry and geographic region, and considers evolving compensation trends and practices generally. The Board may periodically review third-party market data published by various organizations for market trends and developments, and as one factor when making its annual compensation determinations. The Board does not typically use market data to establish specific targets for compensation or any particular component of compensation, and does not otherwise numerically benchmark its compensation decisions. In connection with the initial compensation packages for the CEO, CFO and General Counsel and Corporate Secretary, in anticipation of our becoming a public company, InterMedia, our controlling shareholder, sought the independent advice of Frederic W. Cook & Co. Inc. ("Cook") to analyze the reasonableness of the compensation packages in comparison to similarly sized publicly traded media companies. No fees were paid to Cook for any other services during Fiscal 2013 or Fiscal 2014.

Short-Term Compensation Elements

Base Salary

Hemisphere believes that executive base salaries are necessary to provide financial security and a minimum level of fixed compensation for services rendered to the Company, and aid in attracting and retaining talented and qualified executives. Base salary adjustments typically reflect an individual's performance, experience, and/or change in job responsibilities.

Annual base salaries for each NEO for Fiscal 2014 were as follows: \$600,000 for Mr. Sokol, \$450,000 for Mr. Fischer, \$600,000 for Mr. Ramos, \$288,750 for Mr. Tolston (as of April 9, 2014) and \$300,000 for Mr. Valls.

The actual salary earned by each NEO for Fiscal 2014 is set forth in the Summary Compensation Table that follows.

Annual Performance-Based Bonuses

Pursuant to their employment agreements or employment letter agreement, each of Messrs. Sokol, Fischer, Tolston and Valls is eligible to receive an annual cash bonus (and quarterly cash bonuses in the case of Mr. Valls) under the terms of a performance-based bonus plan. The employment agreement for Messrs. Sokol and Fischer specify an annual target and/or maximum bonus as a percentage of the NEO's annual base salary, with actual bonuses determined based on linear interpolation. Mr. Tolston's

Table of Contents

annual cash bonus is fixed at \$100,000 (subject to certain minimum guaranteed bonuses if performance goals are not met), and is increased by the same percentage that the CFO's bonus is increased above his target bonus if more than 100% of the performance goals are met in any calendar year. Mr. Valls' annual and quarterly cash bonuses are fixed at \$37,500 and \$28,125, respectively, as of April 1, 2014 (prior to that date the annual and quarterly cash bonuses were fixed at \$25,000 and \$18,750, respectively). The specific performance criteria and performance goals for the bonus plan are established annually by our Board in consultation with our CEO (other than with respect to himself) and approved by our Board. The performance goals are communicated to the NEOs following formal approval by the Board. The table below shows the target bonus and maximum bonuses established for each NEO for Fiscal 2014.

2014 Target and Maximum Bonus

Name	2014 Target Bonus	2014 Maximum Bonus
Alan J. Sokol	100% of Base Salary	150% of Base Salary
Craig D. Fischer	85% of Base Salary	100% of Base Salary
Jose E. Ramos		
Alex J. Tolston	\$100,000	\$115,000
Nicolas J. Valls	\$150,000	\$150,000

For Fiscal 2014, the performance criteria applicable to Messrs. Sokol, Fischer and Tolston was the achievement of adjusted EBITDA of \$49.1 million. The Company's actual adjusted EBITDA for Fiscal 2014 was \$50.0 million, representing a 101.8% achievement of the Fiscal 2014 performance goals. As a result, performance bonuses were paid to Messrs. Sokol, Fischer and Tolston in the amounts set forth in the Summary Compensation Table below. For Fiscal 2014, the performance criteria applicable to Mr. Valls was total advertising revenue targets of \$1.7 million for Q1, \$3.8 million for Q2, \$3.2 million for Q3, \$4.0 million for Q4 and an annual target of \$12.6 million. Mr. Valls met the advertising revenue target for Q1 only and earned a bonus for that quarter of \$18,750. The Board decided to grant Mr. Valls a \$6,000 bonus in respect of Q2 in recognition of his performance and efforts during the transition period following the acquisition of additional networks. Mr. Valls bonuses are set forth in the Summary Compensation Table.

Long-Term Compensation Elements

All equity awards are granted under the Hemisphere Media Group, Inc. 2013 Equity Incentive Plan (the "Equity Plan"). The Equity Plan is designed to align the interests of our stockholders and executive officers by increasing the proprietary interest of our executive officers in our growth and success, to advance our interests by attracting and retaining key employees, and to motivate our executives to act in our long-term best interests. We grant equity awards to promote the success and enhance the value of the Company by providing participants with an incentive for outstanding performance. Equity-based awards also provide the Company with necessary flexibility to motivate, attract, and retain the services of employees upon whose judgment, interest, and special effort the successful conduct of our operation is largely dependent. We did not grant any equity awards to our NEOs in Fiscal 2014, because the Company believes that equity grants should reflect multi-year service and performance.

Severance and Change in Control Benefits

The Company has entered into an employment agreement with each of Messrs. Sokol, Fischer, Ramos and Tolston that provides for severance payments and benefits in the event that his employment is terminated under specified conditions including death, disability, termination by the Company without "cause", or his resignation for "good reason" (each as defined in the agreements). Employment

Table of Contents

agreements for Messrs. Sokol, Fischer and Tolston, provide for certain enhanced severance payments if such termination or resignation occurs within 60 days before or 12 months following a change in control. The payments provided in the event of termination without cause or resignation for good reason following a change in control are designed to assure the Company of the continued employment, attention and dedication to duty of these key management employees and to seek to ensure the availability of their continued service, notwithstanding the possibility or occurrence of a change in control of the Company and termination of their employment. The severance payments and benefits payable both in the event of, and independently from, a change in control are in amounts that the Company has determined are necessary to remain competitive in the marketplace for executive talent. See "Potential Payments Upon Termination or Change in Control" for additional information.

Employee Benefit Plans and Perquisites

Executives are eligible to participate in the same health and benefit plans generally available to all full-time employees, including health, dental, vision, and disability insurance.

Perquisites

The Company provides certain limited perquisites to certain executives, including our NEOs, which we believe is necessary to ensure our compensation packages are competitive with our peers. Among these benefits are car allowances and executive life and disability insurance.

Miscellaneous

The Company does not have any equity or security ownership guidelines for executives, including the NEOs. The Company considers the accounting and tax treatment of particular forms of compensation awarded to NEOs as part of its overall review of compensation, but does not structure its compensation practices to comply with any specific accounting or tax treatment.

Non-Binding Shareholder Advisory Votes

The Company's executive compensation program received substantial stockholder support and was approved, on an advisory basis, by over 99% of stockholders voting on the proposal at the 2014 Annual Meeting of Stockholders. The Board reviewed the overall vote results and believes that these results reflect the stockholders' strong support for the compensation decisions made by the Board for the Company's NEOs for 2013. Following consideration of the 2014 voting results, the Board concluded that no changes to the Company's compensation programs were warranted at this time. The Board values stockholder feedback on all governance matters, including executive compensation. In addition, over 99% of the Company's stockholders indicated their preference, on an advisory basis, to conduct the advisory vote on executive compensation every three years. As a result, the Company intends to hold the next advisory vote on executive compensation at the Company's 2017 annual meeting.

Messrs. Sokol, Fischer, Tolston and Ramos are entitled to certain severance benefits following termination of employment as described below. No severance payments or benefits are payable in the event of termination for cause or resignation without good reason. All severance payments and benefits are conditioned upon the execution by the executive of a release of claims against the Company and the NEO's continued compliance with the restrictive covenants contained in his employment agreement. All of the NEO's employment agreements (including Mr. Valls' employment offer letter) require the executive not to disclose at any time confidential information of the Company or any third party to which the Company has a duty of confidentiality and to assign to the Company all intellectual property developed during employment. In addition, the executive may not make disparaging statements about the Company. Messrs. Sokol, Fischer, Tolston and Ramos are required during employment and for one year thereafter not to compete with the Company and are required not to solicit the employees of the Company. In the case of Mr. Ramos, references to the "Company" in this paragraph mean WAPA.

The severance payment will be paid during the 12 month period immediately following termination in substantially equal installments, and the pro rata bonus will be paid on the date that other executives are paid their annual bonuses in respect of the year in which the executive's termination occurs.

If the executive's employment is terminated by the Company without cause or by the executive for good reason within 60 days before, or 12 months following a change in control (defined below), the executive will be entitled to: (i) an amount equal to two times his base salary and target bonus, and (ii) a pro rata amount of the target bonus he would have been eligible to receive in the year of his termination. (1)

The amounts and percentages of our ordinary shares beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities. Under the rules of the SEC, a person is deemed to be a "beneficial owner" of a security if that person has or shares "voting power," which includes the power to vote or to direct the voting of such security, or "investment power," which includes the power to dispose of or to direct the disposition of such security. Under these rules, more than one person may be deemed to be a beneficial owner of such securities as to which such person has an economic interest.

(2)

COMPARISON OF TOTAL STOCKHOLDER RETURN

The following graph compares the performance of our Class A common stock with the performance of the S&P 500 and a peer group index of companies that we believe are closest to ours (the "Peer Group Index") by measuring the changes in our Class A common stock prices from April 5, 2013, the first day our Class A common stock began trading, through December 31, 2014. Because no published index of comparable media companies currently reports values on a dividends-reinvested basis, we have created a Peer Group Index for purposes of this graph in accordance with the requirements of the Commission. The Peer Group Index is made up of companies that engage in the broadcast and cable television programming as a significant element of their business, although not all of the companies included in the Peer Group Index participate in all of the lines of business in which the Company is engaged, and some of the companies included in the Peer Group Index also engage in lines of business in which the Company does not participate. Additionally, the market capitalizations of many of the companies included in the Peer Group Index are quite different from ours. The common stocks of the following companies have been included in the Peer Group Index: AMC Networks Inc., Discovery Communications Inc., Entravision Communications Corporation, Scripps Networks Interactive, Inc., and Starz, LLC. The chart assumes \$100 was invested on January 1, 2015 in each of our Class A common stock, S&P 500 and in a peer group weighted by market capitalization.

In accordance with the rules of the SEC, this section, captioned "Comparison of Total Stockholder Return," shall not be incorporated by reference into any of our future filings made under the Securities Exchange Act of 1934 or the Securities Act of 1933. The Comparison of Cumulative Total Return graph above, including any accompanying tables and footnotes, is not deemed to be soliciting material or deemed to be filed under the Exchange Act or the Securities Act.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Exchange Act.

Our Audit Committee consists of Eric C. Neuman, Vincent L. Sadusky and John Engelman. The Audit Committee operates under, and has the responsibility and authority set forth in, the written charter adopted by the Board of Directors, which can be viewed on our website, www.hemispheretv.com, under "Investor Relations Corporate Governance." The Audit Committee has reviewed and reassessed the adequacy of our Audit Committee Charter.

The Audit Committee Charter adopted by the Board of Directors incorporates requirements mandated by the Sarbanes-Oxley Act of 2002 and the NASDAQ listing standards. All members of the Audit Committee are independent as defined by SEC rules and NASDAQ listing standards. At least one member of the Audit Committee is an "audit committee financial expert" as defined by SEC rules.

Management is responsible for our internal controls and the financial reporting process. Our independent registered public accounting firm, McGladrey LLP, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards in the United States of America. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has reviewed and discussed with management and McGladrey LLP the audited consolidated financial statements for the fiscal year ended December 31, 2014. The Audit Committee has discussed with McGladrey LLP the matters that are required to be discussed by Statement on Auditing Standards No. 16, as amended (Communication With Audit Committees). In addition, McGladrey LLP has provided the Audit Committee with the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and the Audit Committee has discussed with McGladrey LLP their firm's independence. The Audit Committee has concluded that McGladrey LLP's provision of audit and non-audit services to Hemisphere and its affiliates is compatible with McGladrey LLP's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the fiscal year ended December 31, 2014 be included in our Annual Report on Form 10-K filed with the SEC for that year. The Audit Committee also recommended to the Board of Directors that McGladrey LLP be appointed as our independent registered public accounting firm for Fiscal 2015.

The foregoing report is furnished by the Audit Committee of the Board of Directors.

MVS Agreements

We have various agreements with MVS as follows:

An agreement through August 1, 2017 pursuant to which MVS provides Cinelatino with satellite and support services including origination, uplinking and satellite delivery of two feeds of Cinelatino's channel (for U.S. and Latin America), master control and monitoring, dubbing, subtitling and close captioning, and other support services (the "Satellite and Support Services Agreement"). Total expenses incurred were \$2.1 million for the year ended December 31, 2014, and are included in cost of revenues.

A ten-year master license agreement through July 2017, which grants MVS the non-exclusive right (except with respect to pre-existing distribution arrangements between MVS and third party distributors that are effective at the time of the consummation of the Transaction) to duplicate, distribute and exhibit Cinelatino's service via cable, satellite or by any other means in Latin America and in Mexico to the extent that Mexico distribution is not owned by MVS. Pursuant to the agreement, Cinelatino receives revenue net of MVS's distribution fees, which is presently equal to 13.5% of all license fees collected from distributors in Latin America and Mexico. Total revenues recognized were \$4.2 million for the year ended December 31, 2014.

An affiliation agreement through August 1, 2017 for the distribution and exhibition of Cinelatino's programming service through Dish Mexico (dba Comercializadora de Frecuencias Satelitales, S de R.L. de C.V.), an MVS affiliate that transmits television programming services throughout Mexico. Total revenues recognized were \$1.9 million for the years ended December 31, 2014.

In November 2013, we licensed six movies from MVS. The agreement granted Cinelatino certain cable television and free video on demand rights in the United States, its territories, possessions, and commonwealths (including Puerto Rico), and Latin America (excluding Brazil). Expenses incurred under this agreement are included in selling, general and administrative expenses and amounted to \$0 million for the year ended December 31, 2014. At December 31, 2014 \$0.1 million is included in programming rights related to this agreement.

Amounts due from MVS pursuant to the agreements noted above, net of an allowance for doubtful accounts, amounted to \$3.4 million at December 31, 2014, and are remitted monthly. Amounts due to MVS pursuant to the agreements noted above amounted to \$0.7 million at December 31, 2014 and are remitted monthly.

McNamara, a member of our Board to provide the development, production and maintenance of programming, affiliate relations, identification and negotiation of carriage opportunities, and the development, identification and negotiation of new business initiatives including sponsorship, new channels, direct-to-consumer programs and other interactive initiatives. Prior to that, Cinelatino entered into a consulting agreement with an entity owned by James M. McNamara. Total expenses incurred under these agreements are included in selling, general and administrative expenses and amounted to \$0.2 million for the year ended December 31, 2014. Amounts due this related party totaled \$0.1 million at December 31, 2014.

Panamax is owned by James McNamara, who is also the Chairman of Pantelion. The fee to be paid by Cinelatino to Lions Gate may be remunerated to Pantelion in accordance with their financial agreements.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

At the Annual Meeting, stockholders will be asked to elect James M. McNamara, Eric C. Neuman and John Engelman as Class II directors to hold office until our 2018 annual meeting of stockholders. The directors will serve until their successors have been duly elected and qualified or until any such director's earlier resignation or removal. If you submit your proxy via the Internet, by telephone, or by mail, your shares will be voted for the election of the three nominees recommended by the Board of Directors, unless you mark the proxy in such a manner as to withhold authority to vote. The named proxies will vote all shares represented by proxy for the nominees for these vacancies, except to the extent authority to do so is withheld. Stockholders may withhold authority from the named proxies to vote for the nominees by marking the box under the "WITHHOLD" column adjacent to the name of the director via the Internet or on the attached proxy card, or by indicating by telephone that authority is withheld. Withholding authority to vote for the nominee will result in the nominee receiving fewer votes. If any nominee for any reason is or becomes unable or unwilling to serve, all shares represented by proxy will be voted at the Annual Meeting by the named proxies for the person, if any, as shall be designated by the Board of Directors to replace the nominee. Please see "Proxies and Voting Procedures" for information on how your shares will be voted in the absence of your instructions if you hold shares through a bank, broker, or other nominee. Each nominee has agreed to serve as a director if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable to serve as a director.

Directors

The following incumbent directors are being nominated for election to the Board of Directors as Class II directors: James M. McNamara, Eric C. Neuman and John Engelman. Please see "Nominees for Re-Election to the Board of Directors" for information concerning each of the nominees for election as Class II directors.

Vote Required

To be elected as a Class II director at the Annual Meeting, each candidate for election must receive a plurality of the votes cast by the stockholders present in person or represented by proxy at the Annual Meeting. A plurality vote means that the director nominee with the most affirmative votes in favor of his election to a particular directorship will be elected to that directorship.

The Board of Directors recommends that you vote FOR the election of each of James M. McNamara, Eric C. Neuman and John Engelman as Class II directors of the Company.

RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2015**

General

Upon recommendation of the Audit Committee, our Board of Directors has appointed McGladrey LLP as our independent registered public accounting firm for Fiscal 2015. The stockholders are asked to ratify this action of the Board of Directors. Stockholder ratification of the selection of McGladrey LLP as our independent registered public accounting firm for Fiscal 2015 is not required by our By-Laws, or otherwise, but is being pursued as a matter of good corporate practice. If stockholders do not ratify the selection of McGladrey LLP as our independent registered public accounting firm for Fiscal 2015, our Board of Directors will reconsider the selection of our independent registered public accounting firm for Fiscal 2015. Even if the appointment is ratified, our Board of Directors, upon the recommendation of our Audit Committee, may select a different independent registered public accounting firm at any time during Fiscal 2015 if it determines such a change would be in our best interests and the best interests of our stockholders.

It is anticipated that one or more representatives of McGladrey LLP will be present at the Annual Meeting with an opportunity to make a statement, if desired, and will be available to answer appropriate questions from stockholders who are present.

"Audit-Related Fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. "Tax Fees" are fees for tax compliance, tax advice, and tax planning. Such fees were attributable to services for tax-compliance assistance and tax advice. "All Other Fees" are fees, if any, for any services not included in the first three categories.

Pre-Approval of Independent Auditor Services and Fees

It is the policy of the Audit Committee to pre-approve all services, audit and non-audit, to be provided to the Company by its independent registered public accounting firm. Under the policy, the Audit Committee is generally required to pre-approve the provision by the Company's independent registered public accounting firm of specific audit, audit-related, tax and other non-audit services, subject to the fee limits established from time to time by the Audit Committee, as being consistent with auditor independence. The Audit Committee pre-approved the Fiscal 2014 audit services engagement performed by McGladrey LLP. In accordance with the Audit Committee's pre-approval policy, the Audit Committee has pre-approved all other specified audit, non-audit, tax, and other services.
