**Item 8.01. Other Events.**

On May 11, 2009, Integrated Electrical Services, Inc. (the “Company”) issued a press release announcing that the filing of its quarterly report on Form 10-Q for the quarter ended March 31, 2009 (the “10-Q”) with the Securities & Exchange Commission (the “SEC”) will be delayed beyond the prescribed filing date. The Company has filed with the SEC a Notification of Late Filing on Form 12b-25.

The press release disclosed that the Company requires additional time to complete verification and reconciliation of certain financial information required in the Form 10-Q as well as certain non-cash charges related to the correction of prior period accounting errors. The Company stated in the press release that, upon completion of a review, it will evaluate the cumulative effect of all errors to determine if a restatement of the prior period financial statements is necessary. If no restatement is necessary, the Company stated that it will file the Form 10-Q within the prescribed five day extension period.
