BASIS OF PRESENTATION

The accompanying unaudited condensed financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Item 310 of Regulation S-B. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included.

ITEM 2. MANAGEMENT DISCUSSION AND ANALYSIS

Results of Operations

Effective as of June 30, 2003, the Company terminated the operations of Xcalibur Xpress, the only operation which had been continuing prior to that date. The Company is liquidating the assets of Xcalibur Xpress and is using the proceeds to reduce its debts.

Edgar Filing: TRANSPORTATION LOGISTICS INTL INC - Form 10QSB

The Company has no business operations at this time. The Company is negotiating with various entities for one or more acquisitions of operating companies in the field of transportation and logistics. Any such acquisition, however, will involve the issuance of a large number of shares of capital stock.

Liquidity and Capital Resources

The Company has no operating assets and \$1,380,791 in net liabilities. The Company will be unable to satisfy its liabilities unless its creditors agree to compromise their claims in connection with the Company's acquisition of an operating business.

ITEM 3. CONTROLS AND PROCEDURES

Michael Margolies, our Chief Executive Officer and Chief Financial Officer, performed an evaluation of the Company's disclosure controls and procedures as of September 30, 2003. Based on his evaluation, he concluded that the controls and procedures in place are sufficient to assure that material information concerning the Company which could affect the disclosures in the Company's quarterly and annual reports is made known to him by the other officers and employees of the Company, and that the communications occur with promptness sufficient to assure the inclusion of the information in the then-current report.

There have been no significant changes in the Company's internal controls or in other factors that could significantly affect those controls subsequent to the date on which Mr. Margolies performed his evaluation.
