SECTION 3 SECURITIES AND TRADING MARKETS

Item 3.02 Unregistered Sales of Equity Securities

We have completed the following sales of equity securities in transactions that have not been registered under the Securities Act of 1933 (the “Act”) and that have not been reported on our previously filed periodic reports filed under the Securities Exchange Act of 1934 (the “Exchange Act”), including our most recently filed Quarterly Report on Form 10-QSB for the nine months ended September 30, 2004 filed with the Securities and Exchange Commission (the “SEC”) on November 18, 2004:

1. On December 20, 2004, we completed a private placement with three investors of 2,040,000 units at a price of \$0.30 per unit for total proceeds of \$612,000 pursuant to Rule 903 of Regulation S of the Act. Each Unit is comprised of one share of common stock and one share purchase warrant (a “Warrant”). Each Warrant entitles the investor to purchase one additional share of common stock for a two year period at a price of \$0.40 per share during the period from the date of issue to the date that is one year from the date of issue and at a price of \$0.50 per share during the period from the date that is one year from the date of issue to the date that is two years from the date of issue. We did not pay any commissions or other fees in connection with the completion of the offering. We completed the offering of the units pursuant to Rule 903 of Regulation S of the Act on the basis that the sale of the units was completed in an “offshore transaction”, as defined in Rule 902(h) of Regulation S. We did not engage in any directed selling efforts, as defined in Regulation S, in the United States in connection with the sale of the units. The investors represented to us that the investors were not U.S. persons, as defined in Regulation S, and were not acquiring the shares for the account or benefit of a U.S. person. The subscription agreements executed between us and the investors included statements that the securities had not been registered pursuant to the Act and that the securities may not be offered or sold in the United States unless the securities are registered under the Act or pursuant to an exemption from the Act. The investors agreed by execution of the subscription agreement for the units: (i) to resell the securities purchased only in accordance with the provisions of Regulation S, pursuant to registration under the Act or pursuant to an exemption from registration under the Act; (ii) that we are required to refuse to register any sale of the securities purchased unless the transfer is in accordance with the provisions of Regulation S, pursuant to registration under the Act or pursuant to an exemption from registration under the Act; and (iii) not to engage in hedging transactions with regards to the securities purchased unless in compliance with the Act. All securities issued were endorsed with a restrictive legend confirming that the securities had been issued pursuant to Regulation S of the Act and could not be resold without registration under the Act or an applicable exemption from the registration requirements of the Act.

2. On December 20, 2004, we completed a private placement with two investors of 260,000 units at a price of \$0.30 per unit for total proceeds of \$78,000 pursuant to Rule 506 of Regulation D of the
-

Act. Each Unit is comprised of one share of common stock and one share purchase warrant (a “Warrant”). Each Warrant entitles the investor to purchase one additional share of common stock for a two year period at a price of \$0.40 per share during the period from the date of issue to the date that is one year from the date of issue and at a price of \$0.50 per share during the period from the date that is one year from the date of issue to the date that is two years from the date of issue. We did not pay any commissions or other fees in connection with the completion of the offering. The sales were completed pursuant to Rule 506 of Regulation D of the Act on the basis that each investor is an “accredited investor”, as defined under Rule 501(a) of Regulation D of the Act. Each investor represented to us their intent to acquire the securities for investment purposes for their own account. No general solicitation or general advertising was undertaken in connection with the offering. All securities issued were endorsed with a restrictive legend confirming that the securities could not be resold without registration under the Act or an applicable exemption from the registration requirements of the Act.

We have agreed to file a registration statement with the Securities and Exchange Commission in accordance with the requirements of the Securities Act of 1933 in order to register the resale by the investors of the shares and the shares issuable upon exercise of the warrants in each of the December 20, 2004 private placements of Units completed pursuant to Rule 903 of Regulation S and Rule 506 of Regulation D (the “Registration Statement”). We have agreed to file the Registration Statement within 120 days from the date of completion of the sale of the Units, being April 19, 2005.
