Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 23, 2014, under authority delegated by the Compensation Committee of the Board of Directors (the “Compensation Committee”) of Peabody Energy Corporation (the “Company”) the forms of agreements to be used in documenting the January 2, 2014 awards made pursuant to the Peabody Energy Corporation 2011 Long-Term Equity Incentive Plan (the “Plan”) were approved. Copies of the form of Non-Qualified Stock Option Agreement, Restricted Stock Agreement and Performance Units Agreement for executive officers other than Gregory H. Boyce are attached hereto as Exhibits 10.1, 10.2 and 10.3 and incorporated by reference. The form of Non-Qualified Stock Option Agreement for Mr. Boyce is attached hereto as Exhibit 10.4 and incorporated by reference.

The forms of award agreements reflect the following significant changes from the form agreements previously filed with the SEC: (a) the award agreements now include a “double-trigger” change in control provision such that vesting is accelerated only if the executive’s employment is terminated within 12 months following a change in control, provided such termination is by the Company without cause or by the executive for good reason ; (b) the 2014 Performance Unit award metrics include a Return on Mining Assets metric at a 50% weighting to supplement and balance the total shareholder return (“TSR”) metric; (c) the 2014 Performance Units provide that the maximum payout cannot exceed 100% if TSR performance is at or above the 50<sup>th</sup> percentile but is negative; and (d) the 2014 Performance Unit coal comparator group has been expanded to include the Market Vectors Coal Index to reflect the global nature of the Company’s business and better align comparisons between coal comparators and the S&P 500 Index (excluding financial services companies).

On April 23, 2014, the independent members of the Company's Board of Directors, upon the recommendation of the Compensation Committee, replaced Mr. Boyce’s 2014 Performance Unit award under the Plan with a new cash-settled performance unit award made outside the Plan. The new award has the same value and performance metrics as were provided for in his original 2014 Performance Unit award made under the Plan, but will be paid, to the extent earned, in cash rather than through the delivery of Company stock. A copy of the Cash-Settled Performance Units Agreement for Mr. Boyce is attached hereto as Exhibit 10.5 and incorporated by reference.
