Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b), (c) On March 6, 2017, our Board of Directors selected Dominick Zarccone, our current Chief Financial Officer, to become our new President and Chief Executive Officer, and Robert L. Wagman announced his intention to step down from the positions of President and Chief Executive Officer. Mr. Zarccone will be included in the slate of nominees for election as a member of our Board of Directors at our annual meeting of stockholders on May 8, 2017, and Mr. Wagman will not be standing for re-election to the Board. In addition, Joseph M. Holsten, our current Chairman of the Board, was appointed as Executive Chairman.

The information required by Items 401(b), (d), and (e) and Item 404(a) of Regulation S-K with respect to Mr. Zarccone is included in Part III, Item 10 of our Annual Report on Form 10-K filed with the SEC on February 27, 2017, and such information is incorporated herein by reference.

On March 9, 2017, we issued a press release announcing these matters. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated by reference herein.

(e) Under our Management Incentive Plan, the potential bonus for each of our named executive officers for the 2017 performance period depends on our earnings per share (subject to adjustment for items specified in the award memorandum) for the year ending December 31, 2017. On March 6, 2017, the Board of Directors approved the Compensation Committee's recommendation to establish the threshold, target and maximum earnings per share target range for the 2017 performance period at \$1.70, \$1.85, and \$1.94, respectively.

The threshold, target and maximum potential payout percentages of the weighted average 2017 base salary of our named executive officers are set forth below. Performance between the threshold, target and maximum would result in a proportionate payment of the award based upon achievement of earnings per share amounts.

|                   | Threshold | Target | Maximum |
|-------------------|-----------|--------|---------|
| Robert L. Wagman  | 50        | 100    | 150     |
| John S. Quinn     | 35        | 50     | 110     |
| Dominick Zarccone | 35        | 50     | 110     |
| Walter P. Hanley  | 35        | 50     | 110     |
| Victor M. Casini  | 35        | 50     | 110     |

Under our Long Term Incentive Plan, the potential award for each of our named executive officers for the performance period from January 1, 2017 to December 31, 2019 is equal to the executive officer's base salary at December 31, 2019 multiplied by a certain percentage. The percentage used to calculate the award will depend on the growth of our earnings per share, revenue and return on equity (subject to adjustment for items specified in the award memorandum) from the base year (2016) to the final year of the performance period (2019). On March 6, 2017, the Board of Directors approved the Compensation Committee's recommendation to establish the target growth rates for these three components at 30% to 60% for earnings per share, 24% to 36% for revenue, and 12.5 basis points to 72.5 basis points for return on equity. The three components of the performance targets were weighted as follows: 42.5% for earnings per share growth; 42.5% for revenue growth; and 15% for return on equity growth.

The threshold, target and maximum potential payout percentages of the base salary at December 31, 2019 of each of our named executive officers are set forth below. Between these growth levels, there are two intermediate growth levels on the upside (between target and maximum) and three on the downside (between target and minimum) which would result in a proportionate award based upon achievement of earnings per share, revenue and return on equity growth.

|                   | Threshold | Target | Maximum |
|-------------------|-----------|--------|---------|
| Robert L. Wagman  | 39        | 78     | 156     |
| John S. Quinn     | 36        | 71     | 142     |
| Dominick Zarccone | 36        | 71     | 142     |
| Walter P. Hanley  | 36        | 71     | 142     |
