MISSION WEST PROPERTIES RELEASES CIENA FROM LEASE OBLIGATIONS.
THIS WILL RESULT IN A ONE TIME NET INCREASE IN GAAP REVENUE OF \$0.45
PER SHARE IN THIRD QUARTER OF 2007

"We build the buildings for the high tech companies that build the internet"

Cupertino, CA - Mission West Properties, Inc. (AMEX: MSW) reported today that on August 15, 2007, one of the Company's tenants, Ciena Corporation ("Ciena"), completed an assignment and restructuring of lease agreement with an unrelated party, M&M Real Estate Control & Restructuring, LLC ("M&M"), in connection with a lease for approximately 445,000 rentable square feet in five buildings located in San Jose, California. M&M assumed all of Ciena's remaining obligations under the restructured lease effective July 1, 2007 (including the obligation to complete certain leasehold improvements), acquired certain personal property of Ciena located on the premises and received a payment of approximately \$53,000,000. At the same time, the Company entered into a consent for assignment of lease with both parties and a mutual release agreement with Ciena, pursuant to which all of the Ciena's obligations under the lease have been effectively transferred to M&M. M&M must continue to perform all of the restructured obligations under the assumed Ciena lease and has the right to sublease any or all of the 445,000 rentable square feet through June 30, 2011 on terms that are acceptable to the Company. Based upon the provisions of FIN 46R, the Company determined that M&M is a variable interest entity. The Company further determined that the Company is the primary beneficiary of this variable interest entity and therefore will consolidate this entity under generally accepted accounting principles ("GAAP"). During the third quarter, the Company will recognize for GAAP purposes, a net lease termination fee of approximately \$45,357,000. In addition, in connection with the FIN 46R accounting the Company will record restricted cash for the balance of the rental obligation due from M&M and a liability of \$7,000,000 related to M&M's obligation under the terms of the lease to complete certain leasehold improvements in two buildings consisting of approximately 164,000 square feet of unimproved space. On a GAAP basis this transaction will result in a reduction of quarterly revenue of approximately \$.03 per quarter until June 30, 2011 or until the buildings are subleased.
