Section 8 - Other Events

Item 8.01 Other Events.

On March 9, 2012, the Registrant filed Form 8-K with the Commission notifying it of the Registrant's entry into a Material Definitive Agreement not made in the ordinary course of its business. The parties to the agreement are the Registrant and North Homestake Mining Company, a Nevada corporation (North Homestake).

The Registrant and North Homestake agreed to an exchange of common stock to affect the Registrant's acquisition of North Homestake's gold exploration properties located in South Dakota. Conditions precedent to the closing of the transaction are: (i) The Registrant's effecting a ten for one reverse split of its common stock; (ii) Changing the name of the Registrant to Dakota Territory Resource Corp; and, (iii) Applying for and changing the ticker symbol of the Registrant consistent with the proposed name change. The transaction was agreed to close on March 31, 2012, or as soon as is legally practicable in anticipation of regulatory review by the Securities and Exchange Commission and the Financial Industry Regulatory Authority. The Material Definitive Agreement also stated that in no manner shall a closing occur after June 30, 2012.

In order to affect implementation of the Material Definitive Agreement, the Registrant and North Homestake on June 29, 2012 agreed to extend the time to complete the closure of the transaction until September 30, 2012.
