Item 2. Acquisition or Disposition of Assets

On October 18, 2002, the Registrant consummated a plan to dispose of certain of its subsidiaries. In September 2002, the Board of Directors of The Finx Group, Inc. (the "Registrant" or the "Company") approved a plan whereby it was determined to be in the best interests of the Registrant to focus all of its resources on the Security Systems business segment, whereby all business segments other than the Security Systems business segment would be disposed. The decision to dispose of all businesses unrelated to the Security Systems segment was based on management's evaluation of its capability to support multiple and diverse business segments. Management's evaluation was confirmed in a business assessment report received from vFinance Investments, Inc. ("vFinance"), who is performing management and investment banking services to the Registrant. The business assessment report received from vFinance, among other things, recommended that the Registrant streamline its operating activities to focus on its Security Systems business segment. The Registrant's management investigated various possible venues to undertake the disposal of the non Security System segments which include Sequential Electronic Systems, Inc. ("Sequential"), S-Tech, Inc. ("S-Tech"), Granite Technologies, Inc. ("Granite Technologies"), Shopclue.com, Inc. ("Shopclue"), Bizchase, Inc. ("Bizchase") and Starnet365.com, Inc. ("Starnet").

The Registrant engaged a consultant, pursuant to a consulting

Edgar Filing: FINX GROUP INC - Form 8-K

agreement, to assist in developing an exit strategy for the disposal of Granite Technologies, Shopclue, Bizchase and Starnet for which the consultant received an option to purchase 1,000,000 shares of its Common Stock at an exercise price of \$.04 per share, the fair market value on the date of grant. Through the efforts of the consultant, the Registrant found a purchaser who agreed to acquire Granite Technologies, Shopclue, Bizchase and Starnet for nominal consideration subject to the forgiveness of the amounts owed by such subsidiaries to the Registrant and the retention by the Registrant of certain rights to the assets of Granite Technologies. As a result, the Registrant entered into the following purchase agreements with Thomas Banks Ltd. ("Thomas Banks").

Granite Technologies

Granite Technologies Acquisition Corp. ("Granite Acquisition") is wholly owned by The Registrant and Granite Technologies is wholly owned by Granite Acquisition. Pursuant to the terms of a stock purchase agreement among Granite Acquisition, Granite Technologies and Thomas Banks dated as of September 30, 2002, (the "Granite Stock Purchase Agreement"), Thomas Banks agreed to purchase all of the issued and outstanding capital stock of Granite Technologies from Granite Acquisition for one dollar (\$1) and the Registrant agreed to cancel approximately \$600,000 of principal and interest owed by Granite Technologies to the Registrant. In addition, pursuant to the Granite Stock Purchase Agreement, Granite Acquisition retained the rights to all Intellectual Property of Granite Technologies, Inc. including (i) patents, pending patent applications and patent applications in process but not yet filed, owned by or assignable to Granite Technologies (the "Patents"); registered trademarks and service marks and pending applications therefor and trade names owned Granite Technologies; and copyright registrations and pending applications therefor owned by Granite Technologies and used by Granite Technologies in the conduct of its business (the "Marks"; (ii) written licenses and other agreements relating to the Patents, Marks and Copyrights, and (iii) manufacturing, process, and other technology transfer and license agreements which are material to the conduct of such business and retained all rights and benefits inured from any and all contracts between Granite Technologies and Virginia Commonwealth University. As of the date of the Granite Stock Purchase Agreement, Granite Technologies had an excess of liabilities over assets of approximately \$1.4 million, including the \$600,000 owed to the Registrant. As a result of the disposal of Granite Technologies, the net reduction in the liabilities of the Registrant will approximate \$800,000.

2

Starnet

Pursuant to the terms of a stock purchase agreement among the Registrant, Starnet, Lewis S. Schiller, the Registrant's Chief Executive Officer and Chairman of the Board, Grazyna B. Wnuk, the Registrant's Vice-President and Secretary, members of Lewis S. Schiller's immediate family (collectively, the "Starnet Sellers") and Thomas Banks dated as of September 30, 2002, (the "Starnet Stock Purchase Agreement"), Thomas Banks agreed to purchase 98.05% of the issued and outstanding capital stock of Starnet from the Starnet Sellers for one dollar (\$1) and the Registrant agreed to cancel approximately \$1.3 million of principal and interest owed by Starnet to the Registrant. As of the date of the Starnet Stock Purchase Agreement, Starnet had an excess of liabilities over assets of approximately \$1.7 million, including the \$1.3 million owed to the Registrant, resulting in remaining liabilities of approximately \$400,000. The Registrant believes that it may be required to pay approximately \$132,000 of such remaining liabilities based on the existence of corporate guarantees previously made on such amounts by the Registrant. As a result of the disposal

Edgar Filing: FINX GROUP INC - Form 8-K

of Starnet, the net reduction in the liabilities of the Registrant will approximate \$268,000.

Shopclue

Pursuant to the terms of a stock purchase agreement among the Registrant, Shopclue, Lewis S. Schiller, the Registrant's Chief Executive Officer and Chairman of the Board, Grazyna B. Wnuk, the Registrant's Vice-President and Secretary, members of Lewis S. Schiller's immediate family (collectively, the "Shopclue Sellers") and Thomas Banks dated as of September 30, 2002, (the "Shopclue Stock Purchase Agreement"), Thomas Banks agreed to purchase 100% of the issued and outstanding capital stock of Shopclue from the Shopclue Sellers for one dollar (\$1) and the Registrant agreed to cancel approximately \$8,000 of principal and interest owed by Shopclue to the Registrant. As of the date of the Shopclue Stock Purchase Agreement, Shopclue had an excess of liabilities over assets of approximately \$340,000, including the \$8,000 owed to the Registrant, resulting in remaining liabilities of approximately \$332,000. The Registrant believes that it may be required pay approximately \$169,000 of such remaining liabilities which represent delinquent payroll taxes. As a result of the disposal of Shopclue, the net reduction in the liabilities of the Registrant will approximate \$163,000.

Bizchase

Pursuant to the terms of a stock purchase agreement among the Registrant, Bizchase, Lewis S. Schiller, the Registrant's Chief Executive Officer and Chairman of the Board, Grazyna B. Wnuk, the Registrant's Vice-President and Secretary, members of Lewis S. Schiller's immediate family (collectively, the "Bizchase Sellers") and Thomas Banks dated as of September 30, 2002, (the "Bizchase Stock Purchase Agreement"), Thomas Banks agreed to purchase 100% of the issued and outstanding capital stock of Bizchase from the Bizchase Sellers for one dollar (\$1) and the Registrant agreed to cancel approximately \$2 million of principal and interest owed by Bizchase to the Registrant. As of the date of the Bizchase Stock Purchase Agreement, Bizchase had an excess of liabilities over assets of approximately \$2.3 million, including the \$2 million owed to the Registrant, resulting in remaining liabilities of approximately \$295,000. The Registrant believes that it may be required pay approximately \$136,000 of such remaining liabilities of which \$99,000 relates to delinquent payroll taxes and \$37,000 relates to corporate guarantees. As a result of the disposal of Bizchase, the net reduction in the liabilities of the Registrant will approximate \$295,000.

3

Sequential and S-Tech

Pursuant to the terms of a stock purchase agreement among the Registrant, Sequential, S-Tech, Defense Manufacturing and Systems, Inc. ("Defense Manufacturing") and Trinity Group Acquisition Corp. ("Trinity Acquisition") dated as of September 30, 2002 (the "Sequential and S-Tech Stock Purchase Agreement"), Trinity Acquisition agreed to purchase 100% of the issued and outstanding capital of Sequential, S-Tech and Defense Manufacturing from the Registrant for one dollar (\$1) and the Registrant agreed to cancel approximately \$2.3 million of principal and interest owed by Sequential and S-Tech to the Registrant. Defense Manufacturing is wholly owned by the Registrant but has had no operating activities since its organization. Trinity Acquisition is wholly owned by Lewis S. Schiller, the Registrant's Chief Executive Officer and Chairman of the Board. As of the date of the Sequential and S-Tech Stock Purchase Agreement, Sequential and S-Tech had aggregate assets \$1.2 million and aggregate liabilities of \$2.4 million, excluding the \$3.1 million owed to the

Edgar Filing: FINX GROUP INC - Form 8-K

Registrant. The aggregate liabilities include \$1.1 million of delinquent payroll taxes and the Registrant has agreed to indemnify Lewis S. Schiller for any claims made against him regarding such delinquent payroll taxes. The Trinity Group-I, Inc. is the Company's controlling shareholder and both The Trinity Group-I, Inc. and Trinity Acquisition are wholly owned by Lewis S. Schiller, and the Sequential and S-Tech Stock Purchase Agreement was not consummated at arms-length. However, the Registrant believes that because the transaction will reduce the Registrant's liabilities by approximately \$2.4 million that such transaction is in its best interests.
