sell any shares of Common Stock owned by him pursuant to the exemption under Rule 144 under the Securities Act, regardless of whether such shares are Shares covered by this Prospectus.

Such sales may be made in the OTC Bulletin Board, or otherwise at prices and at terms then prevailing or at prices related to the then-current market price or in negotiated transactions. The Shares may be sold by one or more of the following methods, without limitation: (a) a block trade in which the broker-dealer so engaged will attempt to sell the Shares as agent but may position and resell a portion of the block as principal to facilitate the transactions; (b) purchases by a broker-dealer as principal and resale by such broker-dealer for its account pursuant to this Prospectus; (c) ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers; (d) an exchange distribution in accordance with the rules of such exchange; and (e) face-to-face transactions between sellers and purchases without a broker-dealer. Edgar Filing: FINX GROUP INC - Form S-8

officers, employees or agents.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the Delaware General Corporation Law, the Company's ByLaws or otherwise, the Company has been informed that in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

RISK FACTORS

We Have a History of Losses and Cash Flow Deficit

Operating losses have increased during each of the three years ended December 2002 and as of December 31, 2002 we have a capital deficiency. We expect to incur additional losses during the time period in which we are developing products and markets for our products and we cannot be assured of when, if ever, our operations will become profitable or the extent of any future profitability. We also cannot be assured that the current trends of negative cash flow and increased losses and expenses (including compensation expense charges that may result from the issuance of our securities in the future) will not continue or, if so, for how long.

The Market for Our Common Stock is Limited

Currently, our Common Stock trades on the National Association of Securities Dealers Automated Quotation System Over-the-Counter Bulletin Board (the "NASDAQ Bulletin Board"). By its nature, the NASDAQ Bulletin Board is a limited market and investors may find it more difficult to dispose of our securities, which are owned by them. Currently, we do not meet the financial and other requirements for a NASDAQ SmallCap, listing. Apart from specific financial criteria that we would have to comply with in order to obtain such listing, there are other corporate governance criteria that must be satisfied in order to obtain any such listing. Among such corporate governance requirements is the requirement that there be no disparity in the voting rights of the holders of the Common Stock. At the present time, The Trinity Group-I, Inc. owns all of the outstanding shares of our Series A preferred stock preferred stock. The holder of our Series A Preferred Stock has the right to

7

elect a majority of the Board of Directors. The NASDAQ may consider the issuance of the Series A Preferred Stock as a violation of their voting rights rules and policy. The failure to comply with NASDAQ's voting rights rules or policy or any of its other applicable regulations relating to transactions engaged in by us may result in sanctions. Any such actions by NASDAQ could further limit the market for our Common Stock.

Trading in Our Securities May Be Restricted Due to Compliance with Applicable Penny Stock Regulations

Broker-dealer practices in connection with transactions in "penny stocks" are regulated by certain penny stock rules and regulations adopted by the SEC. Penny stocks generally are equity securities with a price of less than \$5.00 (other than securities registered on certain national securities exchanges or quoted on NASDAQ provided that current price and volume information with respect to transactions in such securities is provided by the exchange or system). The penny stock rules require a broker-dealer, prior to a transaction in a penny stock not otherwise exempt from the rules, to deliver a standardized risk disclosure document that provides information about penny stocks and the

Edgar Filing: FINX GROUP INC - Form S-8

risks in the penny stock market. These rules also impose additional sales practice requirements on broker-dealers which sell such securities to persons other than established customers or institutional accredited investors. For transactions covered by this rule, broker-dealers must also make a special suitability determination for the purchaser and receive the purchaser's written consent to the transaction prior to a sale. Consequently, the application of this rule to the trading of our Common Stock may affect the ability or willingness of broker-dealers to sell our securities and adversely affect market liquidity for such securities.

Our Company is Subject to Control by a Principal Stockholder

Trinity Group-I, Inc. has advanced significant funds to us and our subsidiaries and owns a controlling interest in our equity. The Trinity Group-I, Inc. is solely owned by Lewis S. Schiller, our Chairman of the Board and Chief Executive Officer. All of the shares of The Trinity Group-I, Inc. owned by Lewis S. Schiller are pledged to an entity controlled by Carol Schiller, the wife of Lewis S. Schiller. In addition, Carol Schiller, Douglas Schiller, Linda Schiller and Blake Schiller, the adult children of Lewis S. and Carol Schiller, own interests in our outstanding common stock. In addition, The Trinity Group-I, Inc. owns shares of our outstanding Series B Preferred Stock, which as of January 28, 2003, is convertible into approximately 96.3 million shares of our common stock. The Trinity Group-I, Inc. also owns all of our Series A preferred stock which gives it the right to elect a majority of our Board of Directors. This concentration of ownership and voting rights could delay or prevent a change of control. In addition, Lewis S. Schiller could elect to sell all, or a substantial portion, of his equity interest in The Trinity Group-I, Inc. to a third party. In the event of such a sale by Mr. Lewis S. Schiller, such third party may be able to control our affairs in the same manner that Lewis S. Schiller is able to do so by virtue of his ownership of The Trinity Group-I, Inc. Any such sale may adversely affect the market price of our common stock and could adversely affect our business, financial condition or results of operations.

We Require Additional Financing for Our Business Activities

We currently have limited operating capital and our inability to obtain a significant financing may adversely affect our business and no assurances are made that any such financing will occur, or that if any financing is completed, that additional financing will not be required.

We Have Granted Significant Benefits Under Certain Existing and Proposed Employment Agreements

Lewis S. Schiller, our Chairman of the Board and Chief Executive Officer has an employment agreement with us and Grazyna B. Wnuk, our Vice President, Secretary and a Director have substantially agreed to the terms of a proposed employment agreement. These executed and proposed employment agreements provide significant benefits to each of them. The terms of these agreements were determined by our management, who are also parties to these agreements.

Rapid Technological Change Could Render Certain of Our Products and Proposed Products Obsolete or Non-Competitive

Major technological changes can occur rapidly in the security and fingerprint identification industries. It is entirely possible that newer technologies, techniques or products will be developed with more capabilities and better performance than our present and proposed products. The development by competitors of new or improved technologies, techniques or products may make our present or planned products obsolete or non-competitive.

We Cannot Predict Market Acceptance for Our Proposed Products

Edgar Filing: FINX GROUP INC - Form S-8

Any products that we may develop in the future utilizing the security and fingerprint identification ideas, techniques or technologies may not gain market acceptance. The degree of acceptance of any such products that we may develop in the future will depend upon numerous factors, including demonstration of the advantages, uniqueness and reliability of such

8

products, their cost effectiveness, the potential barriers to market entry by alternative products, marketing and distribution support and the financial ability and credibility of such entities.

The Business in Which We Intend to Engage in is Subject to Intense Competition

We will face intense competition from numerous companies which are developing, producing and marketing products for securing access to buildings and facilities, products incorporating fingerprint identification technologies for law enforcement and other secure access purposes which will directly compete with our proposed products. We intend to distribute a security access or entrance system to customers which include government and other institutional purchasers who have been serviced by vendors, which have established and tested security products and systems that have become recognized and accepted in this industry. The type of security system that we will offer to our customers is subject to technological change and compliance with product specifications established by our intended customers. Likewise, products utilizing biometrics or fingerprint technologies for identification, access control and security face similar problems from law enforcement agencies and other institutional customers to whom our proposed products utilizing our fingerprint identification technology will be marketed. New entrants in this industry must establish product reliability through testing and use in order to gain widespread commercial acceptance of such products. Most of our competitors have far greater financial, technical, personnel and other resources than we do and that we expect to have in the foreseeable future. We cannot provide any assurances that we will be able to compete effectively with any of such competitors.

The Board of Directors May Issue Additional Preferred Stock in the Future

We are authorized to issue up to 1,000,000 shares of preferred stock, \$.01 par value (the "Preferred Stock"). The Preferred Stock may be issued in one or more series, the terms of which may be determined at the discretion of our Board of Directors, without further approval of the stockholders. Among the rights of the holders of any additional Preferred Stock that may be authorized by the Board of Directors are rates of dividends, voting rights, terms of redemption, amounts payable upon liquidation, sinking fund provisions and conversion rights. One of the effects of any such additional Preferred Stock that may be issued in the future may be to enable the Board of Directors to render more difficult or to discourage an attempt to obtain control of the Company by means of a tender offer, proxy contest, merger or otherwise and thereby protect the continuity of our current management. The terms of any such additional Preferred Stock that may be issued in the future could adversely affect the rights of the holders of Common Stock. Accordingly, the issuance of any such shares of Preferred Stock may discourage bids for the Common Stock or adversely affect the market price of the Common Stock.

A Substantial Number of Our Shares of Common Stock Will Be Available for Future Sale in the Public Market

As of January 28, 2002, 73,866,315 shares of our outstanding Common Stock are "restricted securities" as that term is defined in Rule 144

Edgar Filing: FINX GROUP INC - Form S-8

promulgated under the Securities Act and in the future may be sold only pursuant to an effective Registration Statement under the Securities Act, in compliance with the exemption provisions of Rule 144 or pursuant to another exemption under the Securities Act. Furthermore, any shares that are issued upon the exercise of any outstanding warrants or options will be eligible for sale, without registration under Rule 144 (subject to the aforementioned volume restrictions of the Rule) following the expiration of two years from the date of issuance.

We Do Not Intend to Pay Any Dividends on the Common Stock in the Foreseeable Future

We currently intend to retain all future earnings, if any, to finance our current and proposed business operations and we do not anticipate paying any cash dividends on our Common Stock in the foreseeable future. The holder of our Preferred Stock have rights senior to the holders of Common Stock with respect to any dividends. We may also incur indebtedness in the future that may prohibit or effectively restrict the payment of cash dividends on our Common Stock.

The Liability of Our Officers and Directors to Us and Our Shareholders is Limited

The applicable provisions of the Delaware Business Corporation Law and our Certificate of Incorporation limit the liability of our officers and directors to us or our shareholders for monetary damages for breaches of their fiduciary duties to us, with certain exceptions, and for other specified acts or omissions of such persons. In addition, the applicable provisions of the Delaware Business Corporation Law and of our Certificate of Incorporation and By-Laws provide for indemnification of such persons under certain circumstances. As a result of these provisions, shareholders may be unable to recover damages against our officers and directors for actions taken by them which constitute negligence, gross negligence or a violation of their fiduciary duties and may otherwise discourage or deter our shareholders from suing our officers or directors even though such actions, if successful, might otherwise benefit us and our shareholders.

9

Dependence on Key Suppliers

Should any of our key suppliers experience difficulty in providing product in a timely manner, this could adversely affect the Company's revenues and reputation in the market. Additionally, the failure on the part of these suppliers to develop and manufacture or supply new or enhanced products or software that meet or anticipate technological changes on a timely and cost-competitive basis could have a materially adverse effect on our financial condition and results of operations.

Reliance on Management

While investors have voting rights, they will not be able to take a direct role in the management of our operations. Our success is contingent on the judgment and expertise of our directors and officers and on our being able to attract and retain a senior management team, some of who are approaching retirement age.

Dependence on Key Personnel

Our success will also depend to a significant extent upon the skills of certain key personnel. Our failure to attract replacement or additional qualified employees or to retain the services of key personnel could adversely

Edgar Filing: FINX GROUP INC - Form S-8

affect our business.

Computer Viruses

The growth of the Internet has also seen the unwelcome growth of computer viruses. While many of these viruses inflict nuisance value when attacking there are a growing number of malicious viruses that can bring down whole computer systems. There is no guarantee that we will not fall victim to viruses or that our business will not be severely affected or prevent the services from operating completely.

The legality of the shares offered hereby has been passed upon for the Company by Harry Winderman, Esq., at 2255 Glades Road, Suite 218A, Boca Raton, FL 33431.

Item 6. Indemnification Of Directors And Officers

Section 145(a) of the General Corporation Law of the State of Delaware provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no cause to believe his conduct was unlawful.

Section 145(b) provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted under similar standards, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine that despite the adjudication of liability, such person is fairly and reasonably entitled to be indemnified for such expenses which the court shall deem proper.

Section 145 further provides that (i) to the extent a director or

Edgar Filing: FINX GROUP INC - Form S-8

officer of a corporation has been successful in the defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue, or matter therein, he shall be indemnified against expenses actually and reasonably incurred by him in connection therewith, (ii) indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled, and (iii) the corporation may purchase and maintain insurance on behalf of a director or officer of the corporation against any liability asserted against him or incurred by him in any such capacity or arising out of his status as such whether or not the corporation would have the power to indemnify him against such liabilities under Section 145.

Section 102(b)(7) of the General Corporation Law provides that a corporation in its original certificate of incorporation or an amendment thereto validly approved by stockholders may eliminate or limit personal liability of the members of its board of directors or governing body for breach of a director's fiduciary duty. However, no such provision may eliminate or limit the liability of a director for breaching his duty of loyalty, failing to act in good faith, engaging in intentional misconduct or knowingly violating a law, paying a dividend or approving a stock repurchase which was illegal, or obtaining an

11

improper personal benefit. A provision of this type has no effect on the availability of equitable remedies, such as an injunction or rescission, for breach of fiduciary duty. Our charter contains such a provision.

Our charter further provides that we shall indemnify our officers and directors and, to the extent authorized by the board of directors, employees and agents of ours to the fullest extent permitted by and in the manner permissible under the laws of the State of Delaware.

This summary is subject to the General Corporation Law of the State of Delaware, our charter and the by-laws and the agreements referred to above.

(a) The undersigned registrant hereby undertakes;

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to the Registration Statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

Edgar Filing: FINX GROUP INC - Form S-8

(ii) To reflect in the prospectus any facts or events which, individually or together, represent a fundamental change in the information set forth in the registration Statement;

(iii) To include any additional or changed material information on the plan of distribution.

Provided however that paragraphs (a)(1)(i) and (a)(1)(ii) shall not apply if such information required in a post-effective amendment is incorporated by reference from periodic reports filed by the Registrant under the Exchange Act.

(2) That, for the purpose of determining liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Act") may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

EXHIBIT 4.1

THE FINX GROUP, INC. 2003 EMPLOYEE AND CONSULTANT STOCK OPTION PLAN

The securities issued pursuant to The Finx Group, Inc. 2003 Employee and Consultant Stock Option Plan (the "Plan") have not been registered pursuant to the Securities Act of 1933, as amended. The securities may be offered or sold only pursuant to (i) a Registration Statement pursuant to such Act, including a Registration Statement on Form S-8, or (ii) an opinion of counsel, satisfactory to the Company, that an exemption from registration pursuant to such Act is available.

1. PURPOSE.

The purpose of this Plan is to secure long-term relationships for The Finx Group, Inc. (the "Company") and its stockholders, from the benefits arising from capital stock ownership by the Company's Consultants, Advisors, Employees and Directors, who can help in the company's growth and success and to provide an effective means of compensation for such persons and entities providing services to the Company in lieu of cash payments therefor.

2. ADMINISTRATION.

The Plan shall be administered by a "Compensation Committee" which shall consist of not less than two members appointed by the Board of Directors,

Edgar Filing: FINX GROUP INC - Form S-8

but who need not be members of such Board, and all of whom shall be disinterested persons. The term "disinterested person" shall mean a person who, at the time he or she exercises discretion in administering the Plan, has not at any time one-year prior thereto been issued shares of Common Stock pursuant to the Plan. The Board of Directors may from time to time and in its sole discretion remove members from or add members to the Committee. Vacancies, however caused, shall be filled by the Board of Directors. The Committee may act at a meeting, including telephonically, in which a majority are present, or by written consent of a majority of the Committee. The Committee shall have the authority to construe and interpret the Plan, to define the terms used herein, and to review, deliberate and act upon the written recommendations of the Chief Executive Officer of the Company with respect to shares of Common Stock proposed to be issued pursuant to the plan. All determinations and interpretations made by the Committee shall be binding and conclusive upon all participants in the Plan and on their legal representatives and beneficiaries.

3. ELIGIBILITY AND PARTICIPATION.

Consultants, Advisors, Employees and Directors, to the Company, or any of its subsidiary corporations, shall be eligible for participation in the Plan. Each person or entity acquiring shares of Common Stock pursuant to the Plan shall be acquiring such shares for investment purposes only, and in lieu of cash compensation for services rendered to the Company. Such shares shall be issued only upon opinion of counsel that an exemption from registration pursuant to the Securities Act of 1933, as amended, is available for such issuance. The Company may, but is not required to, register such shares for public sale pursuant to the Act.

4. SHARES SUBJECT TO PLAN.

Subject to modification by the Board of Directors in accordance with the By-Laws of the Company, the stock to be issued pursuant to this Plan shall be limited to 90,000,000 shares of Common Stock (\$.01 par value), which number of shares have been reserved for issuance in accordance with the terms of this Plan by prior action of the Board.

5. ALLOTMENT OF OPTIONS AND NUMBER OF SHARES.

The allotment of options among the eligible grantees and the number of shares to be covered by each option to be granted, shall be determined by the Committee.

6. OPTION PRICE.

The price to be paid by a grantee who exercises an option shall be determined by the Committee.

15

7. DURATION AND RATE OF EXERCISE OF OPTIONS.

The Committee shall fix the option period and the rate at which each option shall be exercisable.

The Committee shall determine the manner in which each option shall be exercisable and the timing and form of the purchase price to be paid by a grantee upon the exercise of an option under the Plan. To the extent provided in the option agreement, payment of the purchase price may be in cash, part in cash, part by personal promissory note (to the extent allowable) or in lieu of payment for services performed.

Edgar Filing: FINX GROUP INC - Form S-8

8. NONTRANSFERABILITY OF OPTIONS.

Each option granted under the Plan to any person shall by its terms not be transferable by him otherwise than by will or the laws of descent and distribution, and shall be exercisable during his lifetime only by him.

9. RIGHTS OF A STOCKHOLDER.

An optionee shall have no rights as a stockholder with respect to any shares covered by his options until he shall have become the holder of record of such shares, and no adjustment shall be made, except adjustments pursuant to section 10 hereof, for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions or other rights in respect of such shares for which the record date is prior to the date on which he shall have become the holder of record thereof.

10. ADJUSTMENTS.

If the outstanding shares of the Common Stock of the Company are increased, decreased, or changed into or exchanged for a different number or kind of shares or securities of the Company, through reorganization, recapitalization, reclassification, stock split or reverse stock split, an appropriate and proportionate adjustment shall be made in the maximum number and kind of shares authorized to be issued pursuant to this Plan.

11. AMENDMENT AND TERMINATION OF PLAN.

The Board of Directors of the Company may at any time, by appropriate action, suspend or terminate the Plan, or amend the terms and conditions of the Plan.

12. INDEMNIFICATION OF COMMITTEE.

In addition to such other rights of indemnification as they may have as directors of the Company, the members of the Committee shall be indemnified by the Company to the full extent permitted by the Business Corporation Law of the State of Delaware, and to indemnify and hold harmless each member with respect to any action, claim, suit or proceeding to which such indemnification applies, including the costs and expenses of defense.

13. APPLICABLE LAW.

The terms and conditions of this Plan, and all proceedings related thereto, shall be interpreted and construed in accordance with the Laws of the State of Delaware.

14. EFFECTIVE DATE.

The Plan shall become effective as of the 2nd day of January 2003, and shall expire on the 3rd day of January 2008, unless further extended by appropriate action of the Board of Directors.
