FOR IMMEDIATE RELEASE

ANGLOTAJIK MINERALS FURTHER CORPORATE UPDATE

Oct 22, 2003 Sherman Oaks, California.- Anglotajik Minerals, Inc (OTCBB) AJKM. Further to our news release of October 22, 2003 the company announces it has completed it's reorganization and is now focusing on the future growth of the company.

In July 2003, the company's board adopted, and the shareholders approved, a plan of reorganization whereby the company's common stock was reverse split 143-for-1 and its trading symbol changed. During that period the company has settled multiple debts and other corporate obligations that had accrued over the last two to three years. The company has also increased it's number of authorized common shares to 300 Million.

Upon completion of the above the company initiated a forward split of 2 common shares for one common share. To support the company's new business direction a name and symbol change has been completed. The company believes that the new name Anglotajik Minerals Inc., and its trading symbol AJKM, better reflect the company's future business. The new CUSIP number is: 035129105.

As of today's date the company has approximately 19,000,000 shares issued and outstanding.

Anglotajik Minerals Inc., is a resource company, registered in the State of Nevada, focusing on the exploration and advancement of mineral assets in The Republic of Tajikistan.
