GENERAL

The enclosed proxy is solicited by the Board of Directors of American National Financial, Inc. (the "Company") for use at the Annual Meeting of Shareholders (the "Meeting") to be held Tuesday, June 26, 2001, at 10:00 a.m., Pacific Daylight Time, or at any adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Meeting will be held at the Irvine Marriott Hotel, 18000 Von Karman Avenue, Irvine, CA 92612.

It is anticipated that such proxy, together with this Proxy Statement, will be first mailed on or about May 16, 2001, to all shareholders entitled to vote at the Meeting.

The Company's principal executive offices are located at 1111 E. Katella Avenue, Suite 220, Orange, California 92867, and its telephone number at that address is (714) 289-4300.

Edgar Filing: AMERICAN NATIONAL FINANCIAL INC - Form DEF 14A

All shares represented by each properly signed and returned proxy card in the accompanying form, unless revoked, will be voted at the Meeting in accordance with the shareholder's instructions indicated on the proxy card. If no instructions are marked on the proxy card, the shares will be voted in favor of the proposals described in this Proxy Statement. The accompanying proxy may be revoked by a shareholder at any time before it is voted, either by delivering a subsequent proxy or other written notice of revocation to the attention of the Corporate Secretary of the Company at 4050 Calle Real, Santa Barbara, California 93110 or by attending the Meeting and voting in person.

The only outstanding voting securities of the Company are shares of its Common Stock, zero par value per share ("Common Stock"). Each Shareholder of record at the close of business on April 27, 2001 is entitled to notice of and to vote at the Meeting and at any adjournment or adjournments thereof. On that date, there were 7,216,903 shares of Common Stock outstanding, with each share entitled to one vote. The presence, in person or by proxy, of a majority of the shares entitled to vote will constitute a quorum for the Meeting. Abstentions from voting, which may be specified on all matters except the election of directors, will be considered shares present and entitled to vote on a matter and, accordingly, will have the same effect as a vote against a matter. Broker non-votes are included in the determination of the number of shares present and voting; however, they are not counted for purposes of determining the number of votes cast with respect to a particular proposal. Accordingly, broker non-votes are not counted as votes for or against the proposal.

The Company will pay the cost of the solicitation of proxies, including preparing and mailing the Notice of Annual Meeting of Shareholders, this Proxy Statement and the proxy card. Following the mailing of this Proxy Statement, directors, officers and employees of the Company may solicit proxies by telephone, facsimile transmission or other personal contact, for which services such persons will receive no additional compensation. Brokerage houses and other nominees, fiduciaries and custodians who are holders of record of shares of Common Stock will be requested to forward proxy soliciting material to the beneficial owners of such shares and will be reimbursed by the Company for their charges and expenses in connection therewith at customary and reasonable rates.

EMPLOYMENT AGREEMENTS

The Company entered into a three-year employment agreement with its Chairman and Chief Executive Officer, Mr. Lowther, effective August 8, 1998. Following the expiration of the initial term, the employment agreement will automatically renew for successive one-year terms unless Mr. Lowther or the Company notifies the other of his or its intent not to renew the agreement. However, the Company may only decline to renew the agreement if the Company or any of its subsidiaries does not meet the budgeted expectations for such entities as determined by the Company's Board of Directors in the exercise of reasonable discretion. Pursuant to this agreement, Mr. Lowther's annual base salary is \$260,000. The agreement provides for additional incentive compensation in respect of each fiscal year ending during the term thereof as determined by the Chairman of the Board and the Board of Directors. The agreement allows the Company to terminate Mr. Lowther upon written notice without cause, in which case he will receive (i) severance pay in an amount equal to his annual salary in effect as of the date of termination plus the total bonus paid or payable to

Edgar Filing: AMERICAN NATIONAL FINANCIAL INC - Form DEF 14A

him for the most recent calendar year multiplied by the greater number of years remaining in the term of employment, including partial years, or 2 years, and (ii) maintenance of all benefit plans and programs for Mr. Lowther for the greater of 2 years or the number of years (including partial years) remaining in the agreement. Upon Mr. Lowther's death, his estate will receive a payment in the amount of the annual base salary for the remainder of the agreement and the minimum annual bonus without offset prorated throughout the date of termination. Upon incapacity or disability for a continuous period of nine months, the Company may terminate the employment contract with Mr. Lowther upon payment of an amount equal to his annual base salary, without offset for the remainder of the agreement. The Company entered into an amendment with Mr. Lowther to his employment agreement that provides for a change of control provision. This provision enables Mr. Lowther to terminate his employment agreement due to a change in control during the period commencing 60 days and expiring 365 days after such change in control. In the event of termination of the agreement for good reason (defined in the agreement as a change in control) or if Mr. Lowther's employment is terminated following a change in control under certain circumstances then he will receive (i) his minimum annual base salary through the date of termination, (ii) severance pay in an amount equal to his annual salary in effect as of the date of termination plus the total bonus paid or payable to him for the most recent calendar year multiplied by the greater of the number of years (including partial years) remaining in the agreement or the number 1, and (iii) maintenance of all benefit plans and programs for Mr. Lowther for the number of years (including partial years) remaining in the agreement.

The Company entered into a three-year employment agreement with Wayne D. Diaz effective August 8, 1998. Following the expiration of the initial term, the employment agreement will automatically renew for successive one-year terms unless Mr. Diaz or the Company notifies the other of his or its intent not to renew the agreement. However, the Company may only decline to renew the agreement if the Company or any of its subsidiaries does not meet the budgeted expectations for such entities as determined by the Company's Board of Directors in the exercise of reasonable discretion. Pursuant to this agreement, Mr. Diaz's annual base salary

is \$260,000. The agreement provides for additional incentive compensation in respect of each fiscal year ending during the term thereof as determined by the Chairman of the Board and the Board of Directors. The agreement allows the Company to terminate Mr. Diaz upon written notice without cause, in which case he will receive (i) severance pay in an amount equal to his annual salary in effect as of the date of termination plus the total bonus paid or payable to him for the most recent calendar year multiplied by the greater number of years remaining in the term of employment, including partial years, or 2 years, and (ii) maintenance of all benefit plans and programs for Mr. Diaz for the greater of 2 years or the number of years (including partial years) remaining in the agreement. Upon Mr. Diaz's death, his estate will receive a payment in the amount of the annual base salary for the remainder of the agreement and the minimum annual bonus without offset prorated throughout the date of termination. Upon incapacity or disability for a continuous period of nine months, the Company may terminate the employment contract with Mr. Diaz upon payment of an amount equal to his annual base salary, without offset for the remainder of the agreement. The Company entered into an amendment with Mr. Diaz to his employment agreement that provides for a change of control provision. This provision enables Mr. Diaz to terminate his employment agreement due to a change in control during the period commencing 60 days and expiring 365 days after such change in control. In the event of termination of the agreement for good reason (defined in the agreement as a change in control) or if Mr. Diaz's employment is terminated following a change in control under certain circumstances then he

will receive (i) his minimum annual base salary through the date of termination, (ii) severance pay in an amount equal to his annual salary in effect as of the date of termination plus the total bonus paid or payable to him for the most recent calendar year multiplied by the greater of the number of years (including partial years) remaining in the agreement or the number 1, and (iii) maintenance of all benefit plans and programs for Mr. Diaz for the number of years (including partial years) remaining in the agreement.

The Company entered into a three-year employment agreement with Dennis R. Duffy effective August 8, 1998. Following the expiration of the initial term, the employment agreement will automatically renew for successive one-year terms unless Mr. Duffy or the Company notifies the other of his or its intent not to renew the agreement. However, the Company may only decline to renew the agreement if the Company or any of its subsidiaries does not meet the budgeted expectations for such entities as determined by the Company's Board of Directors in the exercise of reasonable discretion. Pursuant to this agreement, Mr. Duffy's annual base salary is \$160,000. The agreement provides for additional incentive compensation in respect of each fiscal year ending during the term thereof as determined by the Board of Directors. The agreement allows the Company to terminate Mr. Duffy upon written notice without cause, in which case he will receive (i) severance pay in an amount equal to his annual salary in effect as of the date of termination plus the total bonus paid or payable to him for the most recent calendar year multiplied by the greater number of years remaining in the term of employment, including partial years, or 2 years, and (ii) maintenance of all benefit plans and programs for Mr. Duffy for the greater of 2 years or the number of years (including partial years) remaining in the agreement. The Company entered into a three-year employment agreement with Barbara Ferguson effective August 8, 1998. Following the expiration of the initial term, the employment agreement will automatically renew for successive one-year terms unless Ms. Ferguson or the Company notifies the other of her or its intent not to renew the agreement. However, the Company may only decline to renew the agreement if the Company or any of its subsidiaries does not meet the budgeted expectations for such entities as determined by the Company's Board of Directors in the exercise of reasonable discretion. Pursuant to this agreement, Ms. Ferguson's annual base salary is \$160,000. The agreement provides for additional incentive compensation in respect of each fiscal year ending during the term thereof as determined by the Board of Directors. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee was formed in 1999. During fiscal 2000, the Compensation Committee consisted of two independent directors, including Mr. Elieff and Mr. Fong, and no member of the Compensation Committee was a former or current officer or employee of the Company or any of its subsidiaries. In addition, during that year, no executive officer of the Company served (i) as a member of the compensation committee or board of directors of another entity, one of whose executive officers served on the Compensation Committee, or (ii) as a member of the compensation committee of another entity, one of whose executive officers served on the Board of Directors.

NO INCORPORATION BY REFERENCE

Notwithstanding anything to the contrary set forth in the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Report of the Compensation Committee, Report of the Audit Committee and the Performance Graph shall not be incorporated by reference into any such filings.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

GENERAL

The Compensation Committee of the Board of Directors is responsible for establishing and administering the policies that govern executive compensation and benefit practices. The Compensation Committee evaluates the performance of the executive officers and determines their compensation levels, in terms of salary, annual bonus and related benefits, all subject to Board approval. The Compensation Committee has access to independent compensation data for use in assessing levels of compensation for officers of the Company.

COMPENSATION PHILOSOPHY

The Company's executive compensation programs are designed to (i) provide levels of compensation that integrate pay and incentive plans with the Company's strategic goals, so as to align the interests of executive management with the long-term interests of the Shareholders; (ii) motivate Company executives to achieve the strategic business goals of the Company and to recognize their individual contributions; and (iii) provide compensation opportunities which are competitive to those offered by other national title insurance companies

and other middle-market corporations similar in size and performance. Although

Edgar Filing: AMERICAN NATIONAL FINANCIAL INC - Form DEF 14A

the exact identity of the corporations surveyed varies, these generally include title companies and other corporations equal to or larger than the Company. The Compensation Committee believes that the components of executive compensation should include base salary, annual cash bonus, stock option grants and other benefits and should be linked to individual and Company performance. With regard to the Company's performance, the measures used for determining appropriate levels of compensation for executive officers include the Company's national market share, net margin, quality of service, meeting strategic goals within the current economic climate and industry environment, scope of responsibilities, expansion by acquisition or otherwise, and profit retention and profitability, all of which combine to enhance Shareholder value.

The Committee approves the employment agreements and salary and bonus levels for key employees, including Mr. Lowther and Mr. Diaz. The Compensation Committee then makes recommendations with respect to the compensation to the entire Board of Directors for its approval.

COMPENSATION OF THE CHAIRMAN AND CHIEF EXECUTIVE OFFICER FOR FISCAL 2000

Mr. Lowther's compensation for fiscal 2000 was determined pursuant to the terms of his employment agreement in effect during that period. His employment agreement provided him with a base annual salary, which may be reviewed and increased at the discretion of the Chairman of the Board and/or the Compensation Committee. Mr. Lowther also received a cash bonus, which was determined by the Board of Directors based on Mr. Lowther's and the Company's performance during the preceding year. The Company, through the Board of Directors, has the discretion to award stock options to Mr. Lowther. Mr. Lowther received stock options in 2000 totaling 171,667 shares of Common Stock. Of these options, 61,667 shares vested upon date of grant, 50,000 vest in three equal, annual installments beginning on the first anniversary of the date of grant, and the remaining 60,000 vest in three equal, annual installments beginning on the first anniversary of the date of grant.

COMPENSATION OF OTHER EXECUTIVES FOR FISCAL 2000

With respect to the base salaries and incentive compensation awarded to other executive officers in respect of fiscal 2000, the Compensation Committee approved these amounts pursuant to the executives' employment agreements and the executives' performances as directed and approved by the Compensation Committee. The decision of the Compensation Committee with respect to the base salary for each such executive officer is subjective and was made after consideration of the performance of the executive in his/her particular area of responsibility, the executive's contribution to the Company's overall management team and an assessment of the future contributions the executive should be able to make to the Company.

Stock Option Grants

As indicated above, an important element of the Company's compensation philosophy is the desire to align the interests of the executive officers with the long-term interests of the Company's Shareholders. The purpose of the Company's Stock Incentive Plan is to attract, retain and award executive officers and directors and to furnish incentives to these persons to improve operations, increase profits and positively impact the Company's long-term performance. Consistent with these objectives, the Compensation Committee granted options in 2001 for their performance in 2000 to executive officers.

As additional incentive compensation, certain executive officers are permitted to participate in a program pursuant to which the officer can defer a portion of his/her bonus and apply the deferred amount to reduce the exercise price of stock options granted to him/her. In subsequent years, the exercise price of the options is further reduced by a percentage amount determined by the

Edgar Filing: AMERICAN NATIONAL FINANCIAL INC - Form DEF 14A

Compensation Committee. In 2000, Mr. Lowther, Mr. Diaz, Mr. Duffy and Ms. Ferguson participated in this bonus deferral program.

Corporate Deduction for Compensation. Section 162(m) of the Internal Revenue Code generally limits to \$1.0 million the corporate deduction for compensation paid to certain executive officers, unless certain requirements are met. The Company's policy with respect to the deductibility limit of Section 162(m) generally is to preserve the federal income tax deductibility of compensation paid to executive officers.

11

15

However, while the tax impact of any compensation arrangement is an important factor to be considered, the impact is evaluated in light of the Company's overall compensation philosophy. Accordingly, the Company has and will continue to authorize the payment of non-deductible compensation if it deems that it is consistent with its compensation philosophy and in the best interests of the Company and its Shareholders.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors submits the following report on the performance of certain of its responsibilities for the year 2000. During fiscal 2000, the Audit Committee was composed of two independent directors, including Messrs. Elieff and Fong. Mr. Nelson was elected to the Board of Directors Audit Committee on February 13, 2001. The Charter of the Audit Committee was adopted by the Board of Directors in its present form on April 4, 2000.

Management of the Company has primary responsibility for the financial statements and the overall reporting process, including the Company's system of internal controls. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States. This audit serves as a basis for the auditors' opinion in the annual report to Shareholders addressing whether the financial statements fairly present the Company's financial position, results of operations and cash flows. The Audit Committee's responsibility is to monitor and oversee these processes.

In reviewing the independence of the Company's outside auditors, the Committee has received from KPMG the written disclosures and letter regarding relationships between KPMG and its related entities and the Company and its related entities and has discussed with KPMG its independence from the Company, as required by Independence Standards Board Standard No. 1.

In fulfilling its responsibilities relating to the Company's internal control, accounting and financial reporting policies and auditing practices, the Committee has reviewed and discussed with management and KPMG the Company's audited financial statements for 2000. In this connection, the Committee has discussed with KPMG its judgments about the quality, in addition to the acceptability, of the Company's accounting principles as applied in its financial reporting, as required by Statement on Auditing Standards No. 61. Based on these reviews and discussions, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on SEC Form 10-K for the year ended December 31, 2000, for filing with the Securities and Exchange Commission.
