**Item 9. REGULATION FD DISCLOSURE.**

The following information is furnished pursuant to Item 12, "Results of Operations and Financial Condition":

On May 8, 2003 IHOP Corp. issued a press release announcing its First quarter 2003 results. A copy of the press release is attached as Exhibit 99.1, and incorporated herein by reference.

Also on May 8, 2003, IHOP Corp. held a conference call to discuss its First Quarter 2003 Financial Results. A copy of the prepared remarks of management is attached as Exhibit 99.2, and incorporated herein by reference. A copy of the slide presentation accompanying management's discussion during the conference call is attached as Exhibit 99.3, and incorporated herein by reference.

The prepared remarks of management and the slide presentation accompanying management's discussion during the conference call include references to the non-GAAP financial measure "free cash flow." The Company defines "free cash flow" for a given period as cash provided by operating activities for such period, less capital expenditures for such period. Management utilizes free cash flow as a measure of operating efficiency to determine the amount of cash remaining for general corporate and strategic purposes after funding operating activities and capital expenditures. Management believes this information is helpful to investors to determine the Company's cash available for these purposes. Free cash flow for any given period may be affected by a variety of factors, including but not limited to, changes in assets and liabilities and the timing of purchases and payments. Free cash flow is a supplemental non-GAAP measure and should not be considered in isolation or as a substitute for measures of performance prepared in accordance with generally accepted accounting principles.

The following table reconciles the Company's guidance with respect to free cash flow for the year ending December 31, 2003, to the Company's projected cash provided by operating activities for the year ending December 31, 2003:

**Year Ending December 31, 2003**  
**(dollars in thousands)**

Edgar Filing: IHOP CORP - Form 8-K

Cash flows from operating activities:	\$ 65,000 - \$ 65,000
Capital expenditures	(90,000) - (100,000)
Free cash flow	\$(25,000) - \$ (35,000)

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
