The registrant hereby amends Items 2 and 7 of its Current Report on Form 8-K dated April 15, 2003 as set forth below. Item 7(a) has been amended to include certain information previously redacted from footnote 13 of the financial statements.

Item 2. Acquisition or Disposition of Assets.

On April 15, 2003, August Technology Corporation (the Company) completed the purchase of all of the outstanding capital stock of Semiconductor Technologies & Instruments, Inc., a Delaware corporation (STI), pursuant to a Settlement and Purchase Agreement dated February 26, 2003, as amended, by and between the Company, STI and STI's sole shareholder, ASTI Holdings, Limited (ASTI) of Singapore. The Settlement and Purchase Agreement also resolved any remaining disputes between the Company and STI and ASTI regarding the May 23, 2002 Purchase Agreement with STI and ASTI that the Company terminated in August 2002. Pursuant to the Settlement and Purchase Agreement, the Company purchased all of the outstanding stock of STI for a purchase price of \$1.25 million in cash and 215,385 shares of the Company's common stock. The purchase price was determined through negotiation by the parties and the Company used existing cash resources to pay the cash portion of the purchase price. The parties have placed 215,000 shares issued in the transaction in escrow to secure ASTI's performance of certain covenants including ASTI's agreement to indemnify the Company against any damages in connection with STI's dispute with a third party.

The Company's ability to benefit from the acquisition will depend upon how quickly and effectively the Company integrates STI's operations and personnel with its business. Unanticipated difficulties or costs in this integration process may adversely affect the Company's business. STI is now a wholly owned subsidiary of the Company with nine full time employees and seven transition employees. These employees are in engineering, customer applications, service and sales. As a result of the acquisition, the Company entered into a two year lease for 10,000 square feet of space in Plano, Texas.

Item 7. Financial Statements and Exhibits.

(a) Financial statements of the businesses acquired:

Attached hereto as Exhibit 99.1 are the audited financial statements of Semiconductor Technologies & Instruments, Inc. for the fiscal years ended December 31, 2002 and 2001, and the unaudited financial statements for the three month periods ended March 31, 2003 and 2002.

(b) Pro forma financial information:

Previously filed as Exhibit 99.2 are the unaudited pro forma condensed combined financial statements for the fiscal year ended December 31, 2002 and the three month period ended March 31, 2003.
