PROXY STATEMENT FOR THE 2005 ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON MAY 25, 2005

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board of Directors or the Board) of First Community Bancorp, a California corporation (the Company, we or our), to be used at our 2005 Annual Meeting of Shareholders (the Meeting) and at any postponements or adjournments thereof. The Meeting is scheduled to be held as follows:

Date: Wednesday, May 25, 2005
Time: 10:00 a.m., Pacific time
Place: The Inn, 5951 Linea del Cielo,
Rancho Santa Fe, California 92067

This Proxy Statement and the accompanying form of proxy are first being sent to shareholders on or about April 25, 2005.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

1. *What is being voted on at the Meeting?*

The matters to be considered and voted upon at the Meeting are as follows:

1. **Election of Directors.** To elect eleven (11) members of the Board of Directors who shall hold office until the next annual meeting of shareholders and until their successors are duly elected and qualified.
2. **Other Business.** To consider and act upon such other business as may properly come before the Meeting or any postponements or adjournments thereof.

2. *Who is entitled to vote? How many votes am I entitled to?*

Only shareholders of record as of April 12, 2005 (the Record Date) may vote at the Meeting. According to U.S. Stock Transfer Corporation, our transfer agent, there were 15,960,301 shares of common stock outstanding, excluding 460,916 shares of unvested restricted stock, held by approximately 1,271 shareholders as of the Record Date.

The election of directors requires a plurality of the votes cast for the election of directors. Accordingly, the eleven (11) directorships to be filled at the Meeting will be filled by the nominees

receiving the highest number of votes. In the election of directors, votes may be cast in favor or withheld with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

Each holder of the Company's common stock is entitled to one vote for each share recorded in their name on the books of the Company as of the Record Date on any matter submitted to the shareholders for a vote, except that shareholders may vote their shares cumulatively for the election of directors if certain conditions are met at the Meeting. Cumulative voting provides each shareholder with a number of votes equal to the number of directors to be elected multiplied by the number of shares held by such shareholder, which such shareholder can then vote in favor of one or more nominees. For example, if you held 100 shares as of the Record Date, you would be entitled to 1,100 votes which you could then distribute among one or more nominees. Cumulative voting may only be exercised at the Meeting if (i) the name of the candidate or candidates for whom such votes would be cast has been placed in nomination prior to the voting; and (ii) at least one shareholder has given notice at the Meeting prior to the voting of such shareholder's intention to cumulate his/her votes.

The affirmative vote of the holders of a majority of the outstanding shares of common stock, voting in person or by proxy and entitled to vote at the Meeting, is required to approve any other matters properly brought before the Meeting. An abstention from voting will be treated as present for quorum purposes. However, since an abstention is not treated as a vote for or against the matter, it will not have any impact on the vote.

3. Who pays the cost of soliciting proxies on behalf of the Company?

The Company will pay the cost of preparing, assembling and mailing the proxy materials and soliciting proxies for the Meeting. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers and employees of the Company or its subsidiaries telephonically, electronically or by other means of communication. Such directors, officers and employees will receive no additional compensation for their services. We will reimburse brokers and other nominees for costs incurred by them in mailing proxy materials to beneficial owners in accordance with applicable rules.

4. How does the Board of Directors recommend I vote?

The Board of Directors recommends a vote FOR each of the nominees for director.

5. How many shares must be represented at the Meeting to constitute a quorum?

A majority of the outstanding shares must be present at the Meeting, either in person or by proxy, to constitute a quorum. There must be a quorum for the Meeting to be held. If you return a signed proxy card, you will be counted as being present, even if you abstain from voting. Broker non-votes (i.e., proxies from banks, brokers or other nominees indicating that such persons have not received instructions from the beneficial owners or other persons entitled to vote as to a matter which such bank, broker or other nominee does not have discretionary power to vote) will also be counted as being present for purposes of determining a quorum.

6. What do I have to do to vote?

You may vote by marking, signing and dating the enclosed proxy card and returning it in the enclosed postage-paid envelope. If you mark the proxy card to show how you wish to vote, your shares will be voted as you direct. If you return a signed proxy card but do not mark the proxy card to show how you wish to vote, your shares will be voted FOR each of the Board of Directors' nominees for election as directors and otherwise in accordance with the judgment of the person or persons voting the proxy on any other matter properly brought before the Meeting. You may change or revoke your vote at any time before it is counted at the Meeting by:

- notifying our Secretary at the address shown above in writing that you wish to revoke your proxy;

- submitting a later dated proxy card; or
- attending the Meeting and voting in person.

Attending the Meeting will not automatically revoke your prior proxy. You must comply with one of the methods indicated above in order to revoke your proxy.

7. *What do I have to do to vote my shares if they are held in street name ?*

If you hold your shares in street name (that is, through a bank, broker or other nominee), you should receive a proxy from your bank or brokerage firm asking you how you want to vote your shares. If you do not, you may contact such bank or brokerage firm in whose name your shares are registered and obtain a proxy from them.

8. *How will voting on any other business be conducted?*

We do not know of any business to be considered at the Meeting other than the election of directors. If any other business is properly presented at the Meeting, any of the persons named on the proxy card as your designated proxies may vote on such matter in their discretion. Any matter other than the election of directors must receive affirmative votes from at least a majority of the shares voting in order to be approved.

9. *Who can attend the Meeting?*

Any shareholder entitled to vote at the Meeting may attend the Meeting and vote in person. If you hold shares in street name and would like to attend the Meeting and vote in person, you will need to bring a brokerage account statement or other acceptable evidence of ownership of common stock as of the Record Date. Alternatively, in order to vote, you may contact the person in whose name your shares are registered and obtain a proxy from that person and bring it to the Meeting.

10. *How do I get more information about the Company?*

With this Proxy Statement, we are also sending you our Annual Report on Form 10-K for the fiscal year ended December 31, 2004, which includes our financial statements. If you did not receive our Annual Report, we will send it to you without charge. The bylaws of the Company provide that the authorized number of directors shall not be less than 7 nor more than 12 with the exact number of directors to be fixed from time to time by resolution of a majority of the Board of Directors or by resolution of the shareholders. On January 23, 2002 the number of directors was fixed at 11. The Board is currently composed of 11 directors. Eleven directors were elected at the 2004 Annual Meeting of Shareholders held on May 26, 2004.

All director nominees are current directors.

With respect to such election, absent any specific instruction in the proxies solicited by the Board, the proxies will be voted in the sole discretion of the proxy holders to effect the election of all eleven (11) of the Board's nominees, or as many thereof as possible under the rules of cumulative voting, if any persons are nominated other than by the Board of Directors. In the event that any of the Board's nominees are unable to serve as directors, it is intended that each proxy will be voted for the election of such substitute nominees, if any, as shall be designated by the Board of Directors. To the best of its knowledge, the Company has no reason to believe that any of the nominees will be unable to serve as directors.

The CNG Committee also monitors compliance with the Company's Corporate Governance Guidelines and makes recommendations to the Board of Directors regarding the composition and size of the Board and its committees. In furtherance thereof, the CNG Committee identifies, evaluates and recommends candidates for the Company's Board of Directors and considers nominees for director nominated by the Company's shareholders in accordance with the Company's By-Laws. The CNG Committee operates under a charter that was last amended as of December 15, 2004, a copy of which may be obtained on the Company's website at

www.firstcommunitybancorp.com under the section entitled Corporate Governance. During 2004, the CNG Committee met 6 times.

In identifying and recommending nominees for positions on the Board of Directors, the CNG Committee places primary emphasis on the criteria set forth under Selection of Directors in our Corporate Governance Guidelines, namely: (1) personal qualities and characteristics, accomplishments and professional reputation; (2) current knowledge and contacts in the communities in which the Company does business and in the Company's industry or other industries relevant to the Company's business; (3) ability and willingness to commit adequate time to Board and committee matters; (4) the fit of the individual's skills and personality with those of other directors and potential directors in building a Board that is effective, collegial and responsive to the needs of the Company; (5) diversity of viewpoints, backgrounds and experience; and (6) the ability and skill set required and other relevant experience.

The CNG Committee does not set specific, minimum qualifications that nominees must meet in order for the CNG Committee to recommend them to the Board of Directors, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of the Board of Directors. Members of the CNG Committee may seek input from other members of the Board in identifying possible candidates, and may, in its discretion, engage one or more search firms to assist in the recruitment of director candidates. The CNG Committee will consider candidates recommended by shareholders against the same criteria as nominees not proposed by shareholders. Shareholders who wish to submit nominees for director for consideration by the CNG Committee for election at our 2006 Annual Meeting should follow the process detailed in the section entitled Other Business Director Nominations on page 26 of this Proxy Statement.

COMPENSATION OF DIRECTORS

On February 4, 2004, based on recommendations from the CNG Committee, the Board of Directors approved the following compensation to be granted to non-employee directors of the Company for service on the Board during their term:

Chairman of the Board	\$ 84,000
Each other non-employee director	\$42,000

The compensation paid to directors for service on the Board is paid quarterly. The Company does not pay a per Board meeting fee or a per committee meeting fee. The Company reimburses directors for their reasonable travel, lodging, food and other expenses incurred in connection with their service on the Board of Directors.

Directors' Deferred Compensation Plan

The Company has adopted a Directors' Deferred Compensation Plan, or the Deferred Plan, that allows all directors of the Company and its subsidiaries, including employee directors of the Company and its subsidiaries, to elect by written notice to defer payment of all or a portion of their directors' fees, in the case of outside directors, or base salary, bonus or other compensation in the case of employee directors, for the next succeeding calendar year into the Deferred Plan. The Deferred Plan permits participants to elect to have deferred amounts invested in a money market account or common stock of the Company. The Deferred Plan has been designed to comply with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended. Participation in the Deferred Plan is voluntary and participants may change their elections annually, or otherwise as permitted by the Deferred Plan and applicable regulations governing the deferred tax treatment of the Deferred Plan.

The Company has established a rabbi trust (the Trust) that maintains a separate bookkeeping account for each of the participants in the Deferred Plan and holds the deferred amounts. U.S. Bank, N.A. has been appointed trustee of the Trust and recordkeeper of the Deferred Plan. All deferred amounts are deemed invested in a money market fund or deemed invested in shares of common stock of the Company depending on the election made by the participant. The value of a participant's account is measured by the value of and income from Company common stock as well as by the value of interest received from funds invested in a money market account. Full power to construe, interpret and administer the Deferred Plan is vested with an administrative committee, which consists of certain non-director executive officers of the Company and is chaired by the Chief Financial Officer of the Company (the Administrative Committee).

The Deferred Plan allows amendments to be made by the Board from time to time, provided that no such amendment may (without a director's consent) alter rights to payments of amounts already credited or delay the time at which deferred amounts are scheduled to be paid. The Company intends to maintain the Deferred Plan and Trust in a manner that will allow ongoing availability of the exemption under SEC Rule 16b-3 (unless a ruling is received indicating that such exemption is not necessary) and therefore currently intends to submit to shareholders for approval any amendments which would materially increase the benefits available or the number of shares of common stock which may be issued under the Deferred Plan, or which would materially modify the requirements for participation in the Deferred Plan.

The Company pays all administrative expenses of the Deferred Plan for its participants as well as the applicable portion of the trustee's and administrator's fees and expenses. Fees paid for administration of the Deferred Plan in 2004 were \$5,939.

Not later than the next regularly scheduled meeting of the Administrative Committee following a participant's termination of service, the Administrative Committee must direct the trustee to commence distribution of the amounts payable to such participant under the Deferred Plan and direct the trustee of the Trust (described below) as to the form of payment (whether in cash or in Company common stock). Amounts due under the Deferred Plan are paid in a lump sum or in annual installments, consistent with the method of payment selected by the participant at the time of his or her deferral election.

In the event of death, a participant's payment shall be made to the persons named in the last written instrument signed by the participant and received by the Administrative Committee prior to the participant's death, and in the event the participant fails to name any person, the amounts shall be paid to the estate or the appropriate distributee of such participant.

The Company contributes deferred amounts into the Trust, which was established to aid in the accumulation of assets for the payment of amounts deferred. The Company may, in its discretion, contribute to the Trust an amount equal to the amounts deferred by the participants.

If the Company becomes insolvent, the trustee is required to cease payments from the Trust and dispose of Trust assets pursuant to the direction of a court of competent jurisdiction.

No shareholder action on the 2003 Plan is being requested at the Meeting.

Performance Graph

The Company's common stock trades on the Nasdaq National Market® under the symbol FCBP. Prior to June 1, 2000, trading in the Company's common stock (as Rancho Santa Fe National Bank) occurred solely over the counter and was not extensive. Consequently, sales price information prior to that date consists largely of quotations by dealers making a market in the Company's common stock and may not represent actual transactions. As a result, the sales price information for the Company's common stock in the preceding graph for 1999 reflects inter-dealer prices without any adjustments for mark-ups, mark-downs or commissions. In addition, trading in the Company's common stock prior to June 1, 2000 was limited in volume and may not be a reliable indication of its market value.

The preceding graph shows the yearly cumulative total return on the Company's common stock with a comparable return on the indicated index for the last five fiscal years. The total return on the Company's common stock is determined based on the change in the price of the Company's common stock and assumes reinvestment of all dividends and an original investment of \$100. The total return on the indicated index also assumes reinvestment of dividends and an original investment in the index of \$100.

**REPORT OF THE COMPENSATION, NOMINATING AND GOVERNANCE COMMITTEE
ON EXECUTIVE COMPENSATION**

The Compensation, Nominating and Governance Committee, or CNG Committee, of the Board of Directors during 2004 consisted of Barry C. Fitzpatrick (Chairman), Charles H. Green, Timothy B. Matz, Arnold W. Messer and David S. Williams. Arnold W. Messer joined the CNG Committee in July 2004 following his election to the Company's Board of Directors at the Company's 2004 Annual Meeting of Shareholders. Each member of the CNG Committee is independent as defined by the rules of the SEC, the listing standards of Nasdaq and the Company's Corporate Governance Guidelines.

In addition to its responsibilities to make recommendations for nominees to the Company's Board and its committees and to oversee the governance and evaluation process of the Board and its committees, it is the duty of the CNG Committee to administer the Company's compensation system and various incentive plans, including the 2003 Plan and the Executive Incentive Plan. The CNG Committee reviews and approves compensation levels of members of executive management, evaluates the performance of the executive management team and considers executive management succession and related matters. With respect to the compensation of the CEO, the CNG Committee evaluates and recommends such compensation to the Board for approval. The CNG Committee reviews with the Board all material aspects of compensation for the Company's executive officers.

Compensation Philosophy. The primary goal of the Company's compensation philosophy is to link a substantial portion of executive compensation (including the compensation of the CEO) to the profitability of the Company. The CNG Committee achieves this goal by tying substantial grants of equity compensation and an annual bonus to what it believes is the most significant measure of profitability: diluted earnings per share adjusted to exclude certain extraordinary charges as well as the effects of noncash expense items (Cash EPS). The target goals for annual bonuses as well as for long term incentive awards, such as performance stock grants, are generally based on substantial increases in Cash EPS performance.

The second goal of the compensation philosophy is to attract and retain highly competent executives. The CNG Committee achieves this objective by setting base compensation and incentives at competitive levels and by awarding substantial stock-based awards. The CNG Committee reviews executive compensation levels paid by competitors of a similar asset size to the Company, based on available data. The CNG Committee intends to pay at the highest end of the compensation scale, but only if the Company achieves financial performance at the high end of the peer group.

Components of Compensation. The Company compensates its executive officers (including the CEO) in three ways: base compensation, cash bonus and stock-based awards.

Base Compensation The CNG Committee of the Board reviews the base compensation of the CEO and of the executive officers reporting to him. The CNG Committee makes compensation recommendations for the CEO to the full Board. Based on recommendations from the CEO, the CNG Committee evaluates and determines compensation levels for the other members of the Company's executive management team. The CNG Committee reviews banking-related salary survey data, and may request an opinion from outside compensation consultants, before making any significant adjustment to overall base compensation. The CNG Committee does not tie its base compensation decisions to any particular formulas, measurements or criteria, but members take into account the Company's performance and compensation levels paid by comparable competitors.

Annual Cash Bonus Pursuant to the Company's Executive Incentive Plan, annual cash bonuses are paid to executives based on the achievement of certain Cash EPS goals. The following are the bonus percentages applicable to Cash EPS targets that were approved for the Company's executives for 2004:

Achievement Level Award Opportunities	90% of Cash EPS Target	100% of Cash EPS Target	Over 100% of Cash EPS Target
CEO (Grade 1)	60% of Base Salary	100% of Base Salary	Board Discretion
Other Executive Officers (Grades 2,3,A)	50% of Base Salary	80% of Base Salary	CEO/Board Discretion

Not all eligible executive officers will necessarily receive a bonus and not all eligible executive officers will necessarily receive the same bonus. Additional amounts may be paid as bonuses to members of the Company's executive management team who are deemed by the CNG Committee to have achieved superior performance during the fiscal year. The Company met its 2004 bonus threshold. In June 2004, upon approval from the CNG Committee, nearly all members of the Company's executive management elected to receive their full target bonus in restricted stock vesting over three years, in lieu of receiving any cash bonus. One executive officer elected to receive a cash bonus and that bonus was paid in February 2005.

Stock-Based Awards Recommendations of executive management for the grant of stock-based awards to officers of the Company under the Company's 2003 Plan are generally submitted to the CNG Committee during the third quarter of each fiscal year, though such awards may be granted at other times at the discretion of the CNG Committee upon recommendation from executive management. In considering whether to recommend the grant of an award and the size of the grant to be awarded, executive management considers, with respect to the officer, the salary level, the contributions expected toward the growth and profitability of the Company and survey data indicating grants made to similarly situated officers at comparable financial institutions. The CNG Committee decides whether to approve the grant of stock-based awards, and the terms of such grant, after discussion with executive management presenting the grant proposals. Prior to 2003, the primary equity awards granted were stock options. Following the approval of the 2003 Plan at the 2003 Annual Meeting of Shareholders in May 2003, the Company chose to grant restricted and performance stock-based awards in lieu of granting stock options as future incentive compensation.

In 2003, CNG Committee made certain long-term incentive grants of restricted stock and restricted performance stock to a number of members of senior management, including all of the Company's executive officers. The restricted performance stock grants vest over a seven year period, in whole or in part, based upon the achievement of certain financial targets. The restricted stock grants generally vest in full in thirds over three to four years. Prior to vesting, recipients of restricted stock and restricted performance stock grants are entitled to receive dividends on the shares underlying the grants at the same rate paid to shareholders generally. The CNG Committee made these grants as additional incentives to the Company's senior officers to improve performance, enhance retention, and ultimately increase shareholder value. Half of the restricted performance stock vested in March 2005. Half of the remaining shares of restricted performance stock are currently expected to vest in March 2006 and the remainder is currently expected to vest in March 2007.

Annually, the CNG Committee reviews all components of compensation payable to the CEO and to executive officers, in terms of current compensation, long-term and incentive compensation, and payouts upon a change in control of the Company to ensure that the compensation system is meeting the goals of the Company's compensation philosophy.

2004 Performance. The Company achieved record results in 2004, including over \$312.5 million in organic loan growth, with net income totaling \$36.4 million for the year, an increase of 13% over 2003.

Further, the Company increased its net interest margin 34 basis points over 2003 despite the sustained low interest rate environment during 2004. The Company achieved both the Cash EPS target for payout of target bonuses under the Executive Incentive Plan, as well as the Cash EPS target for the vesting of fifty percent of the restricted performance stock granted in 2003.

2004 CEO and Executive Compensation. The CNG Committee reviewed the compensation of Matthew P. Wagner, the CEO, and each of the other nine highest paid executive officers for 2004. The compensation of the CEO and the four most highly compensated officers is set forth under Executive Compensation . It reported to the Board that in the CNG Committee's opinion, the compensation paid to those officers for 2004 was reasonable in view of the Company's consolidated performance and the contribution of those officers to that performance. In doing so, the CNG Committee also took into account how the compensation compared to that paid by competing companies as well as economic conditions in the Company's service area. The CNG Committee did not recommend an increase in the CEO's base salary for 2005. Certain executive officers received increases in base salary for 2005.

Statement Regarding Deductibility. Under Internal Revenue Code Section 162(m), the Company's tax deduction may be limited to the extent total compensation paid to the Company's chief executive officer or to any of the four other highest-paid executive officers exceeds \$1 million in any one tax year. The deduction limit does not apply to payments which qualify as performance-based provided certain requirements are met, including receipt of shareholder approval. Regulations under Section 162(m) also permit stock options to be excluded from compensation if certain conditions are met, but restricted stock and restricted stock awards (other than performance stock and performance stock awards) may not be exempt if the aggregate compensation of the executive officer would exceed the limit. The CNG Committee believes that all options and performance stock granted under the 2003 Plan, including under the 2000 Stock Incentive Plan (as predecessor to the 2003 Plan), meet these conditions. Generally, it is the intent of the CNG Committee to structure the Company's cash and stock-based compensation programs so that compensation payments and stock-based awards are tax deductible. However, the CNG Committee reserves the discretion to make payments or stock-based awards which are not tax deductible.

REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to (i) assist Board oversight of (a) the integrity of the Company's financial statements, (b) the Company's compliance with legal and regulatory requirements, (c) the independent auditors' qualifications and independence, and (d) the performance of the independent auditors and the Company's internal audit function; (ii) decide whether to appoint, retain or terminate the Company's independent auditors and to pre-approve all audit, audit-related and other services, if any, to be provided by the independent auditors; and (iii) prepare this Report. The Board has determined, upon recommendations from the CNG Committee, that each member of the Audit Committee is financially literate and that each of Ms. Susan E. Lester and Mr. Daniel B. Platt is qualified as an audit committee financial expert and that each of them has accounting or relating financial management expertise, in each case in accordance with the rules of the SEC and the listing standards of Nasdaq.

The Audit Committee operates pursuant to a written charter that was last amended and restated in December 2004. The Audit Committee Charter is attached hereto as Annex A. As set forth in such charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's consolidated financial statements, the Company's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for performing an independent audit of the financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States), expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles and audit management's assessment of the effectiveness of internal control over financial reporting.

During 2004, the Audit Committee performed all of its duties and responsibilities under the Audit Committee Charter. The Audit Committee has reviewed and discussed the audited consolidated financial statements as of and for the year ended December 31, 2004 with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as currently in effect, and has discussed with the independent auditors the independent auditors independence.

Based upon the reports and discussions described above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee's Charter, the Audit Committee recommended to the Board that the audited consolidated financial statements of the Company for 2004 be included in its Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

John M. Eggemeyer was appointed to the Board of Rancho Santa Fe National Bank on February 27, 1995 and was appointed Chairman of the Board on that date. Mr. Eggemeyer became Chairman of the Board of the Company upon the Company's formation on May 31, 2000. Pursuant to an agreement, dated October 21, 2004, with Castle Creek Financial, LLC of which Mr. Eggemeyer is Chief Executive Officer, the Company named Castle Creek Financial as the Company's exclusive financial advisor (the "Castle Creek Contract"). The Castle Creek Contract may be cancelled by either party upon thirty (30) days notice, and provides for the payment of the following fees upon the consummation of certain transactions: (a) 2% of the aggregate consideration paid in the event the Company is sold; and (b) in the event of an acquisition of another financial institution by the Company: 1.5% of the aggregate value of the transaction if the aggregate value is \$20 million or less; if the aggregate value is over \$20 million, \$300,000 plus 1.0% of the amount of the transaction in excess of \$20 million. Castle Creek Financial is also entitled to reimbursement of its reasonable expenses incurred on behalf of the Company. Castle Creek Financial and its affiliates received approximately \$955,000 of aggregate fees and expenses from the Company in 2004 for financial advice related to the acquisitions of First Community Financial Corp. and Harbor National Bank. Castle Creek also received other advisory fees and expenses incurred on behalf of the Company of approximately \$70,000 for 2004 under the Castle Creek Contract.

The Castle Creek Contract is reviewed annually by independent members of the Board of Directors. In approving the Castle Creek Contract, the Board concluded that the contract was in the best interests of the Company and its shareholders and was on terms comparable to those prevailing for similar transactions with other persons not having any relationship with the Company. On October 20, 2004, the independent directors of the Board voted to renew the Castle Creek Contract for an additional one year term.

Certain directors and executive officers, entities associated with them and members of their immediate families were customers of and had banking transactions, including loans, with the Company's subsidiary banks in the ordinary course of business during fiscal 2004. Such loans were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons. These loans did not involve more than the normal risk of collection or present other unfavorable features. The Company expects its subsidiary banks to have banking transactions with such persons in the future.

Since July 2001, the Company has engaged Martin J. Wolff & Co., Inc. as its insurance broker to help the Company evaluate and obtain certain insurance products for the Company and its subsidiaries, including its group health insurance coverage, life and disability insurance and other insurance benefit products. Martin J. Wolff, the chairman of Martin J. Wolff & Co., Inc., is the father of Jared M. Wolff, the Company's Executive Vice President, General Counsel and Secretary who joined the Company in October 2002. Jared Wolff was previously associated with the law firm of Sullivan & Cromwell LLP, which firm has been outside counsel to the Company since its formation in 2000. During 2004, the Company purchased comprehensive group insurance, disability insurance, executive life insurance and other insurance products from Martin J. Wolff & Co., Inc. totaling approximately \$3.2 million in premiums. To the best knowledge of the Company, Martin J. Wolff & Co., Inc. received approximately \$175,000 in commissions from such purchases. Jared Wolff is not involved in the analysis, negotiation or acquisition of group health, disability, executive life or other insurance products purchased by the Company from Martin J. Wolff & Co., Inc. In the opinion of the Company's management, the transactions are in the best interests of the Company and its shareholders and have occurred on terms comparable to those available from other providers of similar products who have no relationship with the Company.

In April 2005, the Company entered into an agreement with Centennial Bank Holdings, Inc. (Centennial), a bank holding company with its principal place of business in Denver, Colorado, pursuant to which certain employees of the Company will provide services to Centennial and its subsidiary banks. These services include consulting services relating to the consolidation of branches, conversion and systems integration, compliance management and electronic banking, among other things. John M. Eggemeyer, Chairman of the Company, is also the Chairman and Chief Executive Officer of Centennial, and Matthew P. Wagner, President and Chief Executive and a director of the Company, is also a director of Centennial. The agreement was reviewed and approved by the Company's independent directors. The initial term of the agreement is through December 31, 2005 and the agreement may be terminated by either party upon 30 days prior written notice. Fees payable to the Company are determined pursuant to hourly rates for the Company's employees providing the services.

INDEPENDENT AUDITORS

The Audit Committee has reappointed the firm of KPMG LLP as independent auditors to audit the financial statements of the Company for the current fiscal year. Representatives from KPMG LLP are expected to be present at the Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Independent Auditor Fees

The following is a description of fees billed to the Company by KPMG LLP during the last two fiscal years:

Audit Fees: Audit fees include fees for the annual audit of the Company's consolidated financial statements, review of interim financial statements included in the Company's quarterly reports on Form 10-Q, review of registration statements filed with the Securities and Exchange Commission, and the issuance of consents and comfort letters. The aggregate audit fees billed to the Company by KPMG LLP for the years ended December 31, 2004 and 2003 totaled approximately \$720,260 and \$379,830, respectively.

Audit-Related Fees: Audit-related fees billed to the Company by KPMG LLP consisted primarily of certain due diligence services related to acquisition and analysis conducted by KPMG in connection with such due diligence. The aggregate audit-related fees billed to the Company by KPMG LLP for the years ended December 31, 2004 and 2003 totaled approximately \$25,557 and \$170,616, respectively.

Tax Fees: Tax fees include corporate tax compliance, planning and advisory services. The aggregate tax fees billed to the Company by KPMG LLP for the years ended December 31, 2004 and 2003 totaled approximately \$201,394 and \$240,509, respectively.

All Other Fees: Other fees of \$23,184 billed to the Company by KPMG LLP for the year ended December 31, 2003 related to the completion of our then permitted internal audit outsourcing contract.

Pre-Approval Policies and Procedures: The Audit Committee has adopted a policy that requires advance approval by the Audit Committee of all audit, audit-related, tax services and all other services performed by the independent auditor. During 2004, the Audit Committee pre-approved all audit services, non-audit services, audit-related services and tax services performed for the Company by KPMG LLP. In approving any non-audit services, the Audit Committee considered whether the provision of the services would be compatible with maintaining KPMG LLP's independence.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of

Such directors, executive officers and 10% shareholders are also required to furnish the Company with copies of all Section 16(a) reports that they file. Based solely on a review of the copies of such reports received by the Company, and on written representations from certain reporting persons, the Company believes that all Section 16(a) filing requirements applicable to its directors, executive officers and 10% shareholders were complied with during 2004, except that John Eggemeyer filed one late Form 4 during 2004.

FIRST COMMUNITY BANCORP

**CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS**

DECEMBER 14, 2004

Purposes of the Audit Committee

The purposes of the Audit Committee (the *Committee*) of the Board of Directors (the *Board*) of First Community Bancorp (the *Company*) are to assist the Board in its oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors and the Company's internal audit function. The Committee shall also prepare the report required to be prepared by the Committee pursuant to the rules of the Securities and Exchange Commission (the *SEC*) for inclusion in the Company's annual proxy statement.

The function of the Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements and the effectiveness of internal control over financial reporting. Management, in consultation with the Company's internal auditors, is responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Company's annual financial statements, reviewing the Company's quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, annually reporting on management's assessment of the effectiveness of internal control over financial reporting (commencing in the fiscal year ending December 31, 2004) and other procedures. In fulfilling their responsibilities hereunder, it is recognized that members of the Committee are not full-time employees of the Company and are not, and do not represent themselves to be, performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards.

The independent auditors for the Company are accountable to the Board and the Committee, as representatives of the shareholders. The Committee is directly responsible for the appointment, compensation and oversight of the work of the independent auditors (including resolving disagreements between management and the auditors regarding financial reporting). The Committee has the authority and responsibility to appoint, retain and terminate the Company's independent auditors (subject, if applicable, to shareholder ratification). The independent auditors shall report directly to the Committee.

The independent auditors shall submit to the Committee annually a formal written statement (the *Auditors' Statement*) describing: the auditors' internal quality-control procedures; any material issues raised by the most recent internal quality-control review or peer review of the auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and (to assess the auditors' independence) all relationships between the independent auditors and the Company, including each non-audit service provided to the Company and at least the matters set forth in Independence Standards Board Statement No. 1.

The independent auditors shall submit to the Committee annually a formal written statement of the fees billed in each of the last two fiscal years for each of the following categories of services rendered by the independent auditors: (i) the audit of the Company's annual financial statements for the most recent fiscal year and the reviews of the financial statements included in the Company's Quarterly Reports on

Form 10-Q or services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements; (ii) assurance and related services not included in clause (i) that are reasonably related to the performance of the audit or review of the Company's financial statements, in the aggregate and by each service; (iii) tax compliance, tax advice and tax planning services, in the aggregate and by each service; and (iv) all other products and services rendered by the independent auditors, in the aggregate and by each service.

Committee Membership

The Committee shall be comprised of at least three directors each of whom is (i) independent under the rules of the Nasdaq Stock Market, Inc., except as permitted by Nasdaq Rule 4350(d) and the Sarbanes-Oxley Act of 2002, and the rules promulgated thereunder, (ii) does not accept any consulting, advisory or other compensatory fee from the Company or its subsidiaries other than in his or her capacity as a member of the Board or any committee of the Board, and (iii) is not an affiliate of the Company or any subsidiary of the Company, as such term is defined in Rule 10A-3 under the Securities Exchange Act of 1934, as amended. All members of the Committee must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement, and the Committee shall have at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background which results in the member's financial sophistication and qualifies as an audit committee financial expert as such term is defined in Item 401(h)(2) of Regulation S-K under the Securities Act of 1933.

No director may serve as a member of the Committee if such director serves on the audit committees of more than two other public companies unless the Board of Directors determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee, and discloses this determination in the Company's annual proxy statement.

Members shall be appointed by the Board based on nominations recommended by the Company's Compensation, Nominating and Governance Committee, and shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

Committee Structure and Operations

The Board shall designate one member of the Committee as its chairperson. The Committee shall meet once every fiscal quarter, or more frequently if circumstances dictate, to discuss with management the annual audited financial statements and quarterly financial statements, as applicable. The Committee should periodically meet separately with management, the senior representative from the entity performing the Company's Internal Audit function, the senior representative from the entity performing independent loan review and the independent auditors to discuss any matters that the Committee or any of these persons or firms believe should be discussed privately. The Committee may request any other director, officer or employee of the Company, any consultant of the Company, or the Company's outside counsel or independent auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. Members of the Committee may participate in a meeting of the Committee by means of conference call or other similar means of communication in which all persons participating in the meeting can hear one another.

Duties and Responsibilities of the Audit Committee:

Each member of the Committee shall perform his or her duties in good faith, in a manner he or she believes to be in the best interests of the Company and its shareholders and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. In discharging that obligation, members should be entitled to rely on the honesty and

integrity of the Company's senior executives and its outside advisors and auditors, to the fullest extent permitted by law.

To carry out its purposes, the Committee shall have the following duties, powers and responsibilities:

1. with respect to the independent auditors,
 - (i) to be directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditors (including the resolution of disagreements between management and the independent auditors regarding accounting and financial reporting matters), who shall report directly to the Committee;
 - (ii) to be directly responsible for the appointment, compensation, retention and oversight of the work of any other registered public accounting firm engaged for the purpose of preparing or issuing an audit report or to perform audit, review or attestation services, which firm shall also report directly to the Committee;
 - (iii) to pre-approve, or to adopt appropriate procedures to pre-approve, all audit and non-audit services to be provided by the independent auditors;
 - (iv) to ensure that the independent auditors prepare and deliver annually an Auditors' Statement (it being understood that the independent auditors are responsible for the accuracy and completeness of this Statement), and to discuss with the independent auditors any relationships or services disclosed in this Statement that may impact the quality of audit services or the objectivity and independence of the Company's independent auditors;
