Item 1.01. Entry Into Material Definitive Agreement

On March 3, 2006, Gander Mountain Company (the Company) entered into a Second Amended and Restated Loan and Security Agreement with Bank of America, N.A., as administrative agent, Bank of America Securities, LLC, as the lead arranger, Foothill Capital Corporation, as the syndication agent, The CIT Group/Business Credit, Inc., as collateral agent, General Electric Capital Corporation, as documentation agent, and the lenders named therein. The Company's credit facility provides a maximum credit ceiling of \$275 million, which may be increased to \$300 million subject to certain terms and conditions including the absence of default. Primarily, this amendment and restatement added a \$20 million term loan to the existing credit facility. The term loan bears interest at either (a) 2% over the higher of (i) Bank of America's prime rate or (ii) the Federal funds rate plus 0.5% or (b) LIBOR plus 4%.

The actual availability under the revolving credit facility is limited to 85% of eligible credit card receivables, plus the lesser of (a) 68.25% to 75.50% of eligible inventory or (b) 85% of the Company's inventory's liquidation value, in each case net of specified reserves and less any letters of credit outstanding. The amount of the term loan is not deducted in determining availability under the revolving credit facility, except to the extent that the balance of the term loan exceeds approximately 4% to 5% of the eligible borrowing base. Interest on the outstanding indebtedness under the revolving credit facility currently accrues at the lender's prime commercial lending rate plus 0% to 0.5% depending on the Company's EBITDA, as defined in the credit agreement, or, if the Company elects, at the one, two, three or six month LIBOR plus 1.25% to 2.25% depending on such EBITDA. Interests in substantially all of the Company's assets secure its obligations under the credit facility.

Bank of America, directly or through affiliates (including Bank of America Securities, LLC), has pre-existing relationships with the Company as a provider of investment banking services to the Company, including as an underwriter in the Company's initial public offering.

The foregoing description of the Second Amended and Restated Loan and Security Agreement does not purport to be complete and is qualified in its entirety by reference to such document, a copy of which is filed as Exhibit 10 hereto and is incorporated by reference in this Current Report on Form 8-K.
