**PROXY STATEMENT FOR
2006 ANNUAL MEETING OF SHAREHOLDERS**

ABOUT THE ANNUAL MEETING

The enclosed proxy is being solicited by our board of directors for use in connection with our annual meeting of shareholders to be held on Thursday, June 8, 2006 in the Jerome Hill Theater, located at 180 East Fifth Street, Saint Paul, Minnesota, at 9:00 a.m., central time, and at any adjournments thereof. The mailing of this proxy statement and our board of directors' form of proxy to shareholders will commence on or about May 5, 2006.

The board of directors requests that you vote on the proposals described in this proxy statement. You are invited to attend the meeting, but you do not need to attend the meeting in order to vote your shares. Instead, you may follow the instructions below to vote your shares over the telephone or on the Internet, or you can complete, sign and return the enclosed proxy card. Your proxy is important to ensure a quorum at the meeting.

What is the purpose of the annual meeting?

At the annual meeting we will ask our shareholders to vote on two matters:

1. to elect a board of directors of eight directors, to serve until the next annual meeting of shareholders or until their successors have been duly elected and qualified; and
2. to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending February 3, 2007;

as well as to transact other business that may properly be brought before the meeting. Following the formal portion of the meeting, our management will report on our performance and answer questions from our shareholders.

Who is entitled to vote at the meeting?

Only shareholders of record at the close of business on April 13, 2006 will be entitled to vote at the meeting or adjournments thereof. At the close of business on the record date, we had 14,285,287 shares of our common stock outstanding and entitled to vote. Every share is entitled to one vote on each matter that comes before the meeting.

Who is entitled to attend the meeting?

Subject to space availability, all shareholders as of the record date, or their duly appointed proxies, may attend the meeting. Since seating is limited, admission to the meeting will be on a first-come, first-served basis. Registration will begin at 8:30 a.m. If you plan to attend the meeting, please note that you will be asked to present valid picture identification, such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Please also note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date.

What constitutes a quorum?

A majority of the shares outstanding on the record date, present in person or represented by proxy, will constitute a quorum for the transaction of business at the meeting. If a quorum is present, the meeting can proceed. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining whether there is a quorum.

How do I vote?

Proxies in the accompanying form that are properly signed and duly returned to us, or if you hold your shares through a broker or bank, voted by telephone or through the Internet in accordance with the voting instructions set forth below, and not revoked, will be voted in the manner specified. We encourage you to vote by telephone or on the Internet, if possible, to reduce the costs of tabulating the vote.

To vote by mail:

Mark your selections on the proxy card.

Date and sign your name exactly as it appears on your proxy card.

Mail the proxy card in the enclosed postage-paid envelope.

If you hold your shares through a broker or bank, to vote by Internet:

Go to the web site at www.proxyvote.com, 24 hours a day, seven days a week.

Enter the control number and personal identification number (PIN) (if required) as shown on your proxy card or electronic notification.

Complete the electronic ballot and submit your voting instructions.

If you hold your shares through a broker or bank, to vote by telephone:

From a touch-tone telephone, call the toll-free number printed on your proxy card or electronic notification, 24 hours a day, seven days a week.

Enter the control number shown on your proxy card or electronic notification.

Follow the simple recorded instructions.

Edgar Filing: GANDER MOUNTAIN CO - Form DEF 14A

If you are a registered shareholder and attend the annual meeting, you may deliver your proxy in person. If you hold your shares in street name, you need to obtain a proxy form from the institution that holds your shares.

May I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with our corporate secretary either a notice of revocation or a duly executed proxy bearing a later date. Alternatively, if you have voted by telephone or through the Internet, you may change your vote by calling the toll-free number again and following the instructions, or by accessing the web site and following the instructions. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What is the recommendation of the board of directors on voting my shares?

Our board of directors recommends a vote *for* the election of the eight nominated directors to constitute the board of directors and *for* the ratification of Ernst & Young LLP as our independent registered public accounting firm. If any other matters come up for a vote at the meeting, the proxy holders will vote in line with the recommendations of the board of directors or, if there is no recommendation, at their own discretion.

What vote is required to approve each item?

Election of Directors. Directors are elected by a plurality of the voting power of the shares of common stock entitled to vote and present in person or represented by proxy at the meeting. For this purpose, a properly executed proxy marked **WITHHELD** with respect to the election of director nominees will be counted for purposes of determining whether there is a quorum, but will have no effect on the outcome of the vote on the election of directors.

Other Items. For all other items that properly come before the meeting, the affirmative vote of a majority of the outstanding shares of common stock entitled to vote and present in person or represented by proxy at the meeting is required for approval. A properly executed proxy marked **ABSTAIN** with respect to any such matter will be counted for purposes of determining whether there is a quorum and will be considered present in person or by proxy and entitled to vote.

What is the effect of abstentions and broker non-votes?

If shareholders indicate on their proxy that they wish to abstain from voting on a particular proposal, including brokers holding their customers shares of record who cause abstentions to be recorded, these shares are considered present and entitled to vote at the meeting. These shares will count toward determining whether or not a quorum is present. However, these shares will not be considered cast with respect to the proposal for which they

abstain from voting and will not be taken into account in determining the outcome of any of those proposals. Accordingly, an abstention will have the effect of a negative vote.

If a shareholder does not give a broker holding the shareholder's shares instructions as to how to vote the shares, the broker has authority under New York Stock Exchange rules to vote those shares for or against routine matters, such as the election of directors and the ratification of Ernst & Young LLP as our independent registered public accounting firm. Brokers cannot vote on their customers' behalf on non-routine proposals. These rules apply to us notwithstanding the fact that shares of our common stock are traded on The Nasdaq National Market. If a broker votes shares that are unvoted by its customers for or against a routine proposal, these shares are counted for the purpose of establishing a quorum and also will be counted for the purpose of determining the outcome of the routine proposals on which they are cast. Shares held by a broker on behalf of a shareholder will not be considered cast with respect to any non-routine proposals and will not be taken into account in determining the outcome of any of non-routine proposals.

May the meeting be adjourned?

If a quorum is not present to transact business at the meeting or if we do not receive sufficient votes in favor of the proposals by the date of the meeting, the persons named as proxies may propose one or more adjournments of the meeting to permit solicitation of proxies. Any adjournment would require the affirmative vote of a majority of the shares present in person or represented by proxy at the meeting.

Who pays the expenses incurred in connection with the solicitation of proxies?

We will pay the cost of soliciting proxies in the accompanying form. In addition to solicitation by the use of the mail, certain directors, officers and regular employees may solicit proxies by telephone, the Internet, email or personal interview, and may request brokerage firms and custodians, nominees and other record holders to forward soliciting materials to the beneficial owners of our shares. We will reimburse them for their reasonable out-of-pocket expenses in forwarding these materials.

How may I obtain additional copies of the annual report?

Our annual report for our fiscal year ended January 28, 2006, known as fiscal 2005, including financial statements, is enclosed. The annual report is also available online at www.gandermountain.com. For additional printed copies, which are available without charge, please contact our investor relations representative by e-mail at investorrelations@gandermountain.com or by mail to Gander Mountain Company, c/o Investor Relations, 180 East Fifth Street, Suite 1300, Saint Paul, Minnesota 55101.

What is the deadline for submitting a shareholder proposal for the 2007 annual meeting?

We must receive shareholder proposals intended to be presented at the 2007 annual meeting of shareholders that are requested to be included in the proxy statement for that meeting at our principal executive office no later than January 5, 2007. We must receive any other shareholder proposals intended to be presented at the 2007 annual meeting of shareholders at our principal executive office no later than March 10, 2007.

Edgar Filing: GANDER MOUNTAIN CO - Form DEF 14A

The inclusion of any shareholder proposals in such proxy materials will be subject to the requirements of the proxy rules adopted under the Securities Exchange Act of 1934, including Rule 14a-8. Written copies of all shareholder proposals should be sent to our principal executive offices at Gander Mountain Company, c/o Corporate Secretary, 180 East Fifth Street, Suite 1300, Saint Paul, Minnesota 55101.

Committees of Our Board of Directors

Audit Committee

Messrs. Day (Chair), Dell and Nitschke comprise our audit committee. The purpose of our audit committee is to oversee the accounting and financial reporting processes of our company and the audits of the financial statements of our company. Our audit committee's function is one of oversight and, in that regard, our audit committee meets with our management and our independent registered public accounting firm to review and discuss our financial reporting and our controls regarding accounting and risk of material loss. The responsibilities of our audit committee are set forth in the Audit Committee Charter, which is regularly reviewed on at least an annual basis in light of Securities and Exchange Commission and National Association of Securities Dealers regulations; the current version was ratified by our board of directors on March 1, 2006 and is available on our website at www.gandermountain.com and attached as Exhibit A to this proxy statement. In addition to regular consultation with our management, our audit committee held five meetings in fiscal 2005 and acted by written consent in lieu of a meeting on one occasion.

Our board of directors has determined that all members of our audit committee are independent, as that term is used in Section 10A of the Securities Exchange Act of 1934, as that term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards and as that term is defined by Section 301 of the Sarbanes-Oxley Act of 2002. Our board of directors has determined that Mr. Day, the chair of our audit committee, is an audit committee financial expert as defined by Securities and Exchange Commission regulations.

Compensation Committee

Mr. Dell (Chair), Ms. Bohn and Messrs. Day and Pratt comprise our compensation committee. All members of our compensation committee are independent, as that term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards. The purposes of our compensation committee are to discharge the responsibilities of the board with respect to all forms of compensation of our executive officers, oversee our company's equity-based incentive plans and report to the shareholders regarding our company's executive compensation practices and policies. The responsibilities of our compensation committee are set forth in the Compensation Committee Charter, which is regularly reviewed on at least an annual basis in light of Securities and Exchange Commission and National Association of Securities Dealers regulations and is available on our website at www.gandermountain.com. In addition to regular consultation with our management, our compensation committee held four meetings in fiscal 2005 and acted by written consent in lieu of a meeting on six occasions.

Stock-Based Awards Committee

Mr. Dell (Chair), Ms. Bohn and Mr. Day comprise our stock-based awards committee. All members of our stock-based awards committee are independent, as that term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards. The purpose of our stock-based awards committee is to review, consider and approve grants of stock options and other stock-based awards made to our directors and officers to the extent these individuals are persons required to file reports with the Securities and Exchange Commission pursuant to Section 16(a) of the Securities Exchange Act of 1934 and the regulations promulgated thereunder. In addition to regular consultation with our management, our stock-based awards committee held two meetings in fiscal 2005 and acted by written consent in lieu of a meeting on two occasions.

Governance and Nominating Committee

Ms. Bohn (Chair), Mr. Nitschke and Mr. Pratt comprise our governance and nominating committee. All members of the governance and nominating committee are independent, as that term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards. The purposes of our governance and nominating committee are to oversee corporate governance matters; approve director-nominees to be considered

for election by shareholders and for election by the board to fill any vacancy or newly created directorship; and make recommendations to the board concerning the appropriate size and composition of the board and each board committee, and the establishment of new board committees. Our governance and nominating committee also assists our board of directors in developing and implementing our Principles of Corporate Governance and Code of Business Conduct and Ethics. The responsibilities of our governance and nominating committee are set forth in the Governance and Nominating Committee Charter, which is regularly reviewed on at least an annual basis in light of Securities and Exchange Commission and National Association of Securities Dealers regulations and is available on our website at www.gandermountain.com. In addition to regular consultation with our management, our governance and nominating committee held four meetings in fiscal 2005 and acted by written consent in lieu of a meeting on one occasion.

Board of Directors Meetings and Attendance

Our board of directors held six meetings during fiscal 2005 and acted by written consent in lieu of a meeting on four occasions. During fiscal 2005, each director attended at least 75% of the aggregate of all meetings of our board of directors and of the board committees on which the director serves.

Principles of Corporate Governance and Code of Business Conduct and Ethics

Our board of directors has adopted Principles of Corporate Governance to assist in the performance of its responsibilities. We have also adopted a Code of Business Conduct and Ethics to guide our directors and employees in connection with their work for our company. These principles and this code are available on our website at www.gandermountain.com.

Director Independence

Our board of directors has determined that all of the members of its audit committee are independent, as that term is used in Section 10A of the Securities Exchange Act of 1934, and that all of our directors, except Messrs. Baker, G. Erickson and R. Erickson, are independent, as that term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers regulations.

Lead Independent Director

Since the chairman of our board of directors is not an independent director, our board of directors has designated Mr. Day as our lead independent director. Mr. Day works with the chairman and vice chairman of the board to establish board agendas, presides at executive sessions of the independent directors and otherwise assists the board in the discharge of its responsibilities.

Director Qualifications and Director Nominee Selection Policy

The governance and nominating committee is responsible for recommending nominees for election to the board of directors. The governance and nominating committee is responsible for reviewing with the board, on an annual basis, the requisite skills and characteristics of individual board members, as well as the composition of the board as a whole, in the context of our needs. The governance and nominating committee reviews all nominees for director and recommends to the board those nominees whose attributes it believes would be most beneficial to us. This assessment will include such issues as experience, integrity, competence, diversity, age, skills and dedication in the context of the needs of the board.

The governance and nominating committee will consider director candidates recommended by shareholders in the same manner that it considers all director candidates. Shareholders who wish to suggest qualified candidates to the governance and nominating committee should write to the office of the Corporate Secretary, Gander Mountain Company, 180 East Fifth Street, Suite 1300, Saint Paul, Minnesota 55101, stating in detail the candidate's qualifications for consideration by the governance and nominating committee. If a shareholder wishes to nominate a director other than a person nominated by or on behalf of the board of directors, he or she must comply with certain procedures set out in our bylaws.

Compensation Committee Interlocks and Insider Participation

No executive officer serves as a member of the board of directors or compensation committee of any entity that has any of its executive officers serving as a member of our board of directors or compensation committee.

Director Compensation

In connection with their service on our board of directors, for fiscal 2005 each of our non-employee directors received a \$20,000 annual retainer and an additional \$1,000 for each meeting of the board of directors attended and \$500 for each committee meeting attended other than audit committee meetings. Our lead independent director received an additional \$5,000 annual retainer. The audit committee chair received \$1,000 per audit committee meeting attended and each audit committee member received \$750 for each audit committee meeting attended. There is no separate fee paid for meetings of the stock-based awards committee. For our fiscal 2006, we currently anticipate that these fees will remain the same. All directors are reimbursed for their reasonable out-of-pocket expenses incurred in attending meetings of the board of directors and committees.

In addition, in fiscal 2005 we granted each of our non-employee directors, other than Messrs. G. Erickson and R. Erickson, options to purchase 10,000 shares of our common stock upon their election or re-election to our board of directors. For fiscal 2006, we will grant each of our non-employee directors, including Messrs. G. Erickson and R. Erickson, options to purchase an additional 10,000 shares of our common stock upon re-election to the board of directors. All option grants to directors have been, and will be, made at the fair market value of our common stock on the date of grant. Each option grant vests in full on the first anniversary of the date of grant, so long as such person remains a director.

Attendance at Annual Meeting

Directors are expected to attend annual meetings of our shareholders unless they have unavoidable scheduling conflicts. Six of the seven directors serving at the time of our 2005 annual meeting of shareholders attended that meeting.

Procedures for Contacting the Board of Directors

All interested parties may send written communications to the board of directors or specified individual directors by addressing their communication to the Corporate Secretary, Gander Mountain Company, 180 East Fifth Street, Suite 1300, Saint Paul, Minnesota 55101. The communications will be collected by the corporate secretary and delivered, in the form received, to the presiding director or, if so addressed, to a specified director.

Our board of directors unanimously recommends that you vote FOR the election of each of the eight nominees listed above to constitute our board of directors.

**PROPOSAL 2 RATIFICATION OF THE
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Ernst & Young LLP has been our independent registered public accounting firm since fiscal 2002. Our audit committee has selected Ernst & Young LLP to serve as our independent registered public accounting firm for fiscal 2006, subject to ratification by our shareholders. While it is not required to do so, our audit committee is submitting the selection of that firm for ratification in order to ascertain the view of our shareholders. If the selection is not ratified, our audit committee will reconsider its selection. Proxies solicited by our board of directors will, unless otherwise directed, be voted to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal 2006.

A representative of Ernst & Young LLP will be present at the meeting and will be afforded an opportunity to make a statement if the representative so desires and will be available to respond to appropriate questions during the meeting.

Approval of Independent Registered Public Accounting Firm Services and Fees

The Audit Committee Charter requires that our audit committee approve the retention of our independent

registered public accounting firm for any non-audit service and consider whether the provision of these non-audit services by our independent registered public accounting firm is compatible with maintaining our independent registered public accounting firm's independence, prior to engagement for these services. Our audit committee actively monitors the relationship between audit and non-audit services provided. All of the services listed under the headings Audit-Related Fees and Tax Fees were pre-approved by our audit committee with respect to engagements occurring on or after the date of our initial public offering.

Report of the Audit Committee

The role of our committee, which is composed of three independent non-employee directors, is one of oversight of our company's management and independent registered public accounting firm with regard to our company's financial reporting and controls regarding accounting and risk of material loss. In performing our oversight function, we relied upon advice and information received in our discussions with management and the independent registered public accounting firm.

Based on the review and discussions with management and the independent registered public accounting firm referred to above, our committee recommended to the board that the audited financial statements be included in our company's annual report on Form 10-K for fiscal 2005 and filed with the Securities and Exchange Commission.

On November 30, 2005, the compensation committee of our board of directors accelerated the vesting for certain outstanding options to purchase common stock that had exercise prices greater than \$5.69, the closing price of our common stock on November 29, 2005; therefore, these options are currently fully exercisable.

(2) In accordance with the rules of the Securities and Exchange Commission, the amounts shown on this table represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on the assumed rates of stock appreciation of 5% and 10% compounded annually and do not reflect our estimates or projections of the future price of our common stock. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise. Actual gains, if any, on stock option exercises will depend on the future performance of our common stock, the option holder's continued employment through the option period, and the date on which the options are exercised.

Report of the Compensation Committee

Our committee, which consists entirely of independent directors, is responsible for discharging the board's responsibilities relating to compensation of our company's executive officers, overseeing our company's compensation plans and policies and ensuring that our company's compensation and benefits philosophy is reflected in its compensation and benefits programs.

Compensation Philosophy

Our company's executive compensation program is designed to attract and retain motivated individuals who will lead our company to achieve long-term success, as measured by increasing shareholder value. Our intent is to make the executive officers' compensation packages sufficient to attract and retain persons of exceptional quality and to provide effective incentives to motivate and reward the executive officers for achieving the financial and strategic goals essential to our company's long-term success and growth in shareholder value.

Our company's executive compensation package consists of three main components: (a) base salary, (b) annual cash bonus compensation and (c) long-term incentive awards. We consider all elements of compensation and our company's compensation philosophy when determining an individual's compensation. We do not follow any principles in a mechanical fashion; rather, our members use their experience and judgment in determining the appropriate compensation for each executive officer.

Executive Officer Compensation Program

Our committee has retained Hewitt Associates LLC, a nationally recognized compensation consulting firm with retail industry expertise, to provide our committee with analysis of industry practices and peer company compensation and to make recommendations to our committee regarding the structure of the compensation program for our executive officers.

Base Salary

The purpose of base salary is to provide a set amount of cash compensation for each executive officer that is not variable in nature and is competitive with market practices. Base salaries for the executive officers are reviewed annually by our committee. Adjustments are based on each executive officer's performance for the prior year; his or her experience, expertise and position within our company; overall company performance; and compensation levels for comparable positions at other companies in the retail industry with whom our company competes, as reported in external compensation sources. The executive officers did not receive any increase in their base salaries for or during fiscal 2005, except for an annualized increase of \$25,000 received by Mr. Carlin in July 2005 based on his performance with our company. Other differences in base salaries between 2004 and 2005 for executive officers named in the summary compensation table reflect the impact in 2005 of annualized increases approved by the committee in 2004. For fiscal 2006, all executive officers, other than the chief executive officer, received base salary increases in connection with the execution of their employment agreements on March 1, 2006.

Annual Cash Bonus Compensation

Annual cash bonus compensation is a key component of our company's executive compensation strategy. The purpose of annual cash bonus compensation is to provide cash compensation that is variable based on the achievement of annual performance goals. Our committee administers the program.

In March 2006, our committee reviewed our company's performance for fiscal 2005 and determined that no bonuses would be paid for fiscal 2005 as our company did not achieve the minimum pre-tax income target under the fiscal 2005 executive officer bonus program previously established by our committee.

In March 2006, our committee implemented a bonus program for fiscal 2006 pursuant to which the executive officers are eligible to receive cash bonuses. Under this program, the executive officers will receive bonuses based upon our company's achievement of certain pre-tax income targets for fiscal 2006 that were established by our committee. This program is substantially similar to the program established for fiscal 2005 and is intended to focus our executive officers' efforts on profitable growth and to reward them if profitable growth is achieved by our company. The maximum awards payable to the executive officers under this program, as a percentage of their base salaries for fiscal 2006, are equal to 200% for the chief executive officer and 100% for the five other executive officers.

Long-Term Incentive Awards

Long-term incentives are intended to provide compensation opportunities based on the creation of shareholder value and an increase in our company's stock price, which is provided through stock options. Our committee believes this promotes the interests of our company and our shareholders by providing our personnel with an opportunity to acquire a proprietary interest in our company and thereby develop a stronger incentive to put forth maximum effort for our continued success and growth. In addition, our committee believes the program will aid in attracting and retaining personnel of outstanding ability by providing our personnel with an opportunity to acquire a proprietary interest in our company. In fiscal 2005, our committee approved the following stock option grants for the executive officers:

On March 14, 2005, Mr. Baker received an option to purchase 75,000 shares, Mr. Lindahl received an option to purchase 50,000 shares, Ms. Link received an option to purchase 32,000 and Mr. Carlin received an option to purchase 32,000 shares, all in connection with their past performance and future potential. These stock options were granted under our 2004 Omnibus Stock Plan and fully vested on November 30, 2005.

On May 2, 2005, Mr. Jacobsen received an option to purchase 50,000 shares, in connection with his commencing employment with our company. This stock option was granted under our 2004 Omnibus Stock Plan and fully vested on November 30, 2005.

On August 31, 2005, Mr. Vazquez received an option to purchase 75,000 shares, in connection with his commencing employment with our company. This stock option was granted under our 2004 Omnibus Stock Plan and fully vested on November 30, 2005.

Employee Stock Purchase Plan

Our employees, including our executive officers, may also acquire our stock through a tax-qualified employee stock purchase plan, which is generally available to all employees. Currently, this plan allows participants to buy our stock at a 10% discount to the market price, with the objective of allowing employees to profit when the value of our stock increases over time.

Chief Executive Officer Compensation

In determining Mr. Baker's incentive compensation for fiscal 2005 and his base salary for fiscal 2006, our committee took the following steps:

reviewed the financial performance of our company;

received and reviewed data regarding the types and amount of compensation, including incentive compensation, paid to the chief executive officers of other companies in the retail industry;

reviewed historical compensation information for Mr. Baker, including past stock option grants;

considered feedback from Mr. Baker and the board of directors regarding Mr. Baker's performance for fiscal 2005; and

independently evaluated Mr. Baker's performance as chief executive officer.

After completing this process, our committee determined that Mr. Baker would receive no bonus for fiscal 2005 as our company did not achieve the minimum pre-tax income target under the fiscal 2005 executive officer bonus program previously established by our committee. Mr. Baker's annual base salary was not increased for fiscal 2006. He has the potential to earn a bonus of up to 200% of his base salary for fiscal 2006 under the fiscal 2006 executive officer bonus program described above. We believe Mr. Baker's salary and bonus potential continue to be competitive based on market data, his experience and his prior-year performance.

Benefits

Our committee believes that we must offer a competitive benefits program to attract and retain our executive officers. During fiscal 2005, we provided medical and other benefits to our executive officers that are generally available to our other employees. Pursuant to his employment agreement, Mr. Baker also receives up to 50 hours of personal use of our company's airplane. In fiscal 2005, Mr. Baker received 31.8 hours of personal use of our company's airplane.

Policy on Qualifying Compensation for Deductibility

Section 162(m) of the Internal Revenue Code of 1986 limits deductions for non-performance-based annual compensation in excess of \$1 million paid to our company's chief executive officer and its other four most highly paid executive officers. The Section 162(m) limit does not apply to performance-based compensation, and the stock options granted to executive officers in fiscal 2005 have been structured to qualify as performance-based compensation for these purposes. We believe, however, that cash bonuses payable under our fiscal 2006 bonus plan would not qualify as performance-based compensation for Section 162(m) purposes, and that the excess of combined salary and bonus amounts above \$1 million paid to any of the covered executive officers would not be deductible by our company under current federal income tax laws. We believe, in order to retain the flexibility to compensate our executive officers in a competitive environment in accordance with the principles discussed above, that it would be inadvisable to adopt a strict policy of compliance with Section 162(m) in all cases. We will, however, continue to consider future opportunities for compliance with Section 162(m) that we believe are in our company's best interests, as well as the best interests of our company's shareholders. We also believe that the amount of any loss of a tax deduction under Section 162(m) will be insignificant to our company's overall tax position.

COMPANY STOCK PERFORMANCE

The following graph compares the quarterly change in the cumulative total shareholder return on our common stock from April 21, 2004, which is the day our common stock began to trade publicly, through January 28, 2006 with the cumulative total return on the Nasdaq Composite Index and S&P Retailing Index. The comparison assumes \$100 was invested on April 21, 2004 in our common stock and in each of the foregoing indices and assumes that dividends were reinvested when and as paid. We have not declared dividends on our common stock. You should not consider shareholder return over the indicated period to be indicative of future shareholder returns.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Relationship with the Erickson Family and Their Affiliates

As of April 13, 2006,

Holiday Stationstores, Inc., owned approximately 41.0% of our outstanding common stock and

to our knowledge, members of the Erickson family, the sole shareholders of Holiday Companies, which is the parent company of Holiday Stationstores, Inc., owned over 46% of our outstanding common stock, including the shares owned by Holiday Stationstores, Inc. Members of the Erickson family hold these interests both individually and through trusts primarily for the benefit of Erickson family members and their spouses.

All of our agreements and arrangements with Holiday Companies are described below. These agreements and arrangements were negotiated between Holiday Companies and us and, therefore, are not the result of arms-length negotiations between independent parties. However, we believe the terms of these agreements and arrangements are no less favorable to us than terms that we could have obtained from unaffiliated third parties.

Terms of the Shared Services Agreement

Holiday Companies historically provided certain services to us, including obtaining insurance and providing human resources services, cash management, financial analysis and other financial services, legal services, benefits administration services, various tax services, information technology services, credit card processing services and other administrative services, as well as allowing us to use Holiday Companies' airplane. On February 2, 2004, we formalized these arrangements by entering into a shared services agreement with Holiday Companies. This agreement was amended on March 17, 2005 to substantially reduce the scope of the services provided to us and was then terminated on January 27, 2006 by mutual agreement of the parties. The methods of billing for all services provided under the shared services agreement were determined by the type of service being provided and, in the aggregate, reasonably approximated expenses we might have incurred on a stand-alone basis. These methods included Holiday Companies' total cost of providing the service, actual third-party costs plus administrative expenses incurred by Holiday Companies and mutually agreed upon pre-determined fees. We believe these are commercially reasonable expense billing methods. In fiscal 2005, we paid \$159,000 to Holiday Companies for services provided under the shared services agreement.

Guarantees by Holiday Companies and Holiday Stationstores, Inc.

Holiday Companies and Holiday Stationstores, Inc. provide us with certain guarantees, though we do not pay them a fee for any of these guarantees. Holiday Companies and Holiday Stationstores, Inc. guarantee our leases with third parties for 13 of our stores and our distribution center.

Terms of Real Estate Agreements with Holiday Companies

We lease space from Holiday Companies for our store located in Bemidji, Minnesota. Until May 1, 2006, we leased space from a Holiday Companies affiliate for our store located in Fridley, Minnesota. Until March 17, 2005, we leased our corporate headquarters and other limited warehousing and administrative offices. Total occupancy charges paid to Holiday Companies in fiscal 2005 were \$739,000.

Corporate headquarters. Until March 17, 2005, we subleased 29,265 square feet (including an allocation for common area) for our corporate headquarters in Minneapolis, Minnesota, from Holiday Stationstores, Inc., for a gross annual rent of \$20.00 per square foot. Holiday Stationstores, Inc. provided, at its sole cost and expense, heating and air conditioning, water, sewer, electricity, trash removal and janitorial services to us.

Additional distribution center. Until March 17, 2005, we subleased 3,533 square feet of office space in Minneapolis, Minnesota from World Wide, Inc., an affiliate of Holiday Companies, on a month-to-month basis. We also subleased certain limited warehouse space from World Wide, Inc., which amount varied from month to month. We used this space on a temporary basis as an additional distribution center for staging inventory for new stores. Our annual gross rent was \$18.00 per square foot of office space and \$3.00 per square foot of warehouse space. World Wide provided, at its sole cost and expense, heating and air conditioning, water, sewer, electricity, trash removal and janitorial services to us.

Bemidji, Minnesota. Our Bemidji, Minnesota store is leased from Holiday Stationstores, Inc. through April 7, 2013, with options to extend the lease for an additional 15 years. We currently pay net rent of \$210,000 annually for this 36,331-square-foot store. The annual net rental will increase to \$231,000 on February 1, 2009. We also pay common area maintenance charges pursuant to a common area maintenance agreement with respect to an adjacent shopping center. If we cease operating at the store for a period in excess of six months, Holiday Stationstores, Inc. may terminate this lease.

Fridley, Minnesota. Until May 1, 2006, we subleased space for our Fridley, Minnesota store from Lyndale Terminal Co., an affiliate of Holiday Companies. We paid rent of \$316,000 for this 45,246-square-foot store in fiscal 2005 and paid a pro rata share of the operating costs of the common area maintenance, taxes and insurance. We also paid a share of utility costs based on approximate actual usage.

Registration Rights Agreement

We entered into a registration rights agreement with Holiday Stationstores, Inc., Lyndale Terminal Co. and certain individual members of the Erickson family under which we have granted certain rights to these entities and individuals. Pursuant to the registration rights agreement, each of these entities and individuals has the right to demand that we file a registration statement covering the offer and sale of their shares of our common stock, so long as the aggregate offering price of common stock to be sold under the registration statement exceeds \$5.0 million or represents an offering of at least 5.0% of our outstanding common stock. We are not obligated to register common stock pursuant to this demand right on more than one occasion during any one-year period. If we are eligible to file a registration statement on Form S-3, shareholders with registration rights have the right to demand that we file a registration statement on Form S-3 covering the offer and sale of their shares of our common stock, so long as the aggregate offering price of common stock to be sold under the registration statement exceeds \$2.0 million. We are not obligated to register common stock on Form S-3 pursuant to this demand right on more than one occasion during any six-month period. In addition, shareholders with registration rights may also require us to include their shares in future registration statements we file, subject to cutback at the option of the underwriters of any such offering. Shares sold pursuant to any of these registrations will be freely tradable in the public market without restriction. The registration rights agreement contains customary cross-indemnification provisions, pursuant to which we are obligated to indemnify the selling shareholders in the event of material misstatements or omissions in a registration statement attributable to us, and they are obligated to indemnify us for material misstatements or omissions attributable to them. The registration rights described above will terminate with respect to a particular shareholder's securities as soon as the securities (1) have been transferred pursuant to an effective registration statement or under Rule 144 of the Securities Act of 1933, (2) can be freely sold under Rule 144(k) under the Securities Act of 1933, or (3) have been transferred and can be resold by the transferee without registration under the Securities Act of 1933.

Use of Holiday Credit Cards

We accept Holiday Companies branded credit cards at our stores. During fiscal 2005, we processed approximately \$100,000 in transactions using these cards and paid Holiday Companies approximately \$1,200 in fees relating to the processing of these transactions.

Assignment of Aircraft Purchase Rights

Edgar Filing: GANDER MOUNTAIN CO - Form DEF 14A

In November 2005, we assigned our rights in an aircraft purchase contract to Erickson Petroleum Corporation, an affiliate of Holiday Companies, in exchange for a payment of \$1,450,000, including the refund of the \$1,250,000 deposit previously paid by us to the aircraft manufacturer.

Visa Check/MasterMoney Antitrust Litigation Settlement

On January 26, 2006, we received \$250,000 from Holiday Companies pursuant to an agreement whereby we agreed to accept this sum as full payment of any amounts owed to us by Holiday Companies with respect to its share of the settlement in the Visa Check/MasterMoney Antitrust Litigation.

Sublease of Airplane Hangar

We currently sublease hangar space for our corporate airplane from a company that is one-third owned by Mr. Baker at a monthly rent of \$2,750 plus a \$250 fuel surcharge for the winter months of November through March. We believe that the terms of this arrangement are no less favorable to our company than would be the terms of comparable arrangements conducted at arms-length between unrelated parties.

Sale of Stock to Dennis M. Lindahl

In December 1997, we sold 35,744 shares of our common stock to Mr. Lindahl at a purchase price of \$8.39 per share. Mr. Lindahl borrowed \$300,000 from us to finance the purchase of these shares. Mr. Lindahl issued to us a non-recourse promissory note for the amount borrowed. The promissory note bears simple interest at a rate of 3.9% per annum, payable monthly. Principal on the note is due and payable on December 29, 2007 and 35,744 shares of our common stock owned by Mr. Lindahl secure the note. As of January 28, 2006, the outstanding principal balance plus accrued interest due from Mr. Lindahl under his note was \$300,898. The principal amount of this note may not be prepaid.

Placement of Subordinated Unsecured Convertible Notes

On August 16, 2005, we completed a private offering of \$20 million of subordinated unsecured convertible notes. The notes are held by a trust, the current beneficiary of which is Mr. Pratt. Mr. Pratt was first elected to serve on the board of directors on the date of the closing of the transaction. The notes are convertible into our common stock at any time by the holder at an initial conversion price of \$16.00 per share. The notes mature on August 16, 2010 and bear interest at 7.0% per annum for the first two years, payable semi-annually, after which the rate will float at a fixed spread of 3.50% on the federal funds rate from a minimum of 6.0% to a maximum of 8.5%. We may prepay the notes, without penalty, any time after August 16, 2007, and we have the option to require conversion of the notes under certain circumstances.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 and the regulations promulgated thereunder require directors and certain officers and persons who own more than ten percent of our common stock to file reports of their ownership of our common stock and changes in their ownership with the Securities and Exchange Commission. To our knowledge, all reports required to be filed under Section 16(a) of the Securities and Exchange Act of 1934 filed on a timely basis during fiscal 2005 except: (a) Mark Gale and the David C. Pratt Irrevocable Grantor Retained Annuity Trust, dated 12/1/92 did not timely file a Form 3, (b) Marjorie Pihl did not timely file a Form 5 reporting two transactions and (c) Brian Erickson did not timely file a Form 3.

ADDITIONAL INFORMATION

As of the date of this proxy statement, we know of no matters that will be presented for determination at the meeting other than those referred to herein. If any other matters properly come before the meeting calling for a vote of shareholders, it is intended that the persons named in the proxies solicited by our board of directors, in accordance with their best judgment, will vote the shares represented by these proxies.

Eric R. Jacobsen

GANDER MOUNTAIN COMPANY

Audit Committee Charter

As Ratified on March 1, 2006

PURPOSE

The purpose of the Audit Committee (the *Audit Committee*) of the board of directors (the *Board*) of Gander Mountain Company (the *Company*) is to oversee the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company.

The Audit Committee members are not professional accountants or auditors and their functions are not intended to duplicate or certify the activities of management or the independent auditor. Further, the term "review" as applied to the Audit Committee in this Charter is not intended nor should it be interpreted to suggest that Audit Committee members should follow the procedures required of auditors performing reviews of financial statements. While the Audit Committee has the responsibilities set forth in this Audit Committee Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of the Company's management and independent auditor. Each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company that provide information to the Audit Committee and (ii) the accuracy and completeness of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board).

COMPOSITION

The Audit Committee shall consist of at least three directors appointed by, and serving at the discretion of, the Board. A director may serve on the Audit Committee only if the Board determines that he or she:

- (a) is independent as that term is defined under the listing standards of the NASDAQ Stock Market;
- (b) meets the criteria for independence under the Sarbanes-Oxley Act of 2002 (the *Sarbanes-Oxley Act*) and the rules adopted by the Securities and Exchange Commission (the *SEC*) pursuant to the Sarbanes-Oxley Act;
- (c) is free of any relationship that, in the opinion of the Board, would interfere with his or her individual exercise of independent judgment;
- (d) has not participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the three years prior to such member's appointment to the Audit Committee; and
- (e) is able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement.

At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background that results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

The Audit Committee shall also endeavor to have at all times on the Audit Committee at least one member who satisfies the definition of an audit committee financial expert as defined by the SEC.

Audit Committee members may be removed or replaced by the Board from time to time in its discretion.

The Board shall appoint one member of the Audit Committee as chairperson. He or she shall be responsible for leadership of the Audit Committee, including overseeing the agenda, presiding over the meetings and reporting to the Board.

RESPONSIBILITIES AND DUTIES

In carrying out its responsibilities, the Audit Committee believes that its policies and procedures should remain flexible. The Audit Committee may, to the extent permitted by applicable laws or regulations, diverge from the specific activities set forth in this Charter if appropriate given the circumstances. The primary duties and responsibilities of the Audit Committee shall be as follows:

Oversight of Independent Auditor

1. Be directly responsible for the appointment, retention, compensation, evaluation, termination and oversight of the work of the Company's independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) engaged for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the Audit Committee.

2. Pre-approve all audit services and permissible non-audit services by the Company's independent auditor.

3. Review and discuss representations from the independent auditor regarding:

critical accounting policies and practices to be used;

4. Ensure regular rotation of the lead and concurring audit partners and other significant audit partners of the Company's independent auditor as required by law.

5. Obtain and review a report from the independent auditor at least annually regarding all relationships between the independent auditor and the Company consistent with Independence Standards Board Standard No. 1.

6. Evaluate the qualifications, performance and independence of the independent auditor, including:

actively engaging in a dialogue with the independent auditor regarding any relationship or services that may impact the auditor's objectivity and independence;

at least annually, evaluating the independence of the auditor, including assessing whether all relationships between the independent auditor and the Company and the provisions of permissive non-audit services are compatible with maintaining the auditor's independence;

oversee practices regarding the hiring of former employees of the independent auditor;

considering whether the independent auditor's quality controls are adequate; and

reviewing and evaluating the qualifications and performance of the Company's independent auditor.

7. On an annual basis, review the independent auditor's audit plan and discuss scope, staffing, locations, reliance upon management and general audit approach.

8. Review with the independent auditor any audit problems or difficulties the auditor may have encountered and management's response thereto. Such reviews should include any difficulties encountered in the course of the audit work, including any restrictions on the scope of activities or access to required information.

9. Discuss with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61 related to the conduct of the audit.

10. Confirm that none of the audit partners earn or receive compensation based on procuring engagements with the Company for providing products or services, other than audit, review or attest services.

Oversight of Financial Reporting and Disclosure Matters

11. Review and discuss with management and the independent auditor the Company's annual audited financial statements prior to the filing of the Company's Form 10-K, and recommend to the Board whether the audited financial statements should be included in the Company's Form 10-K.

12. Review and discuss with management and the independent auditor, prior to the filing of the Company's Form 10-Q, the Company's quarterly financial statements, including the results of the independent auditor's review of the quarterly financial statements.

material financial reporting issues and judgments made in connection with the preparation of the Company's financial statements;

any material changes, including proposed changes, in the Company's selection or application of accounting principles;

any significant deficiencies or material weaknesses in the design or operation of internal controls that could adversely affect the Company's ability to record, process, summarize and report financial data;

the independent auditor's attestation of management's report on internal controls; and

any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal controls.

14. Discuss with management the Company's policies and procedures with respect to earnings press releases, including the use of pro forma or adjusted non-GAAP information, as well as with respect to financial information and earnings guidance provided to analysts and rating agencies.

15. Discuss with management and the independent auditor the effect of regulatory and accounting initiatives as well as off-balance sheet transactions, arrangements or obligations (including contingent obligations) on the Company's financial statements.

16. Review any significant reports to management prepared by the independent auditor or the internal audit personnel and management's responses.

17. Discuss with management and the independent auditor any correspondence with regulators or governmental agencies and any published reports that raise material issues regarding the Company's financial statements or accounting policies.

Oversight of Compliance and Regulatory Matters

18. Implement and oversee the Company's Code of Business Conduct and Ethics, including establishing and reviewing periodically procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters. The Audit Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities and has direct access to the Company's outside counsel and anyone in the Company with respect thereto.

19. Discuss with the independent auditor and management any other matters covered by Section 10A of the Securities Exchange Act of 1934, as determined necessary or appropriate by the Audit Committee to ensure compliance.

Other Responsibilities

20. Pre-approve all related party transactions of the Company. The term "related party transaction" shall refer to transactions required to be disclosed pursuant to Item 404 of the SEC's Regulation S-K.

21. Review with the full Board any material issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, and the performance and independence of the Company's independent auditor.

22. Review and discuss with management as necessary the internal audit department's responsibilities, supervision, budget and staffing.
23. Review and discuss with management and the independent auditor, as appropriate, the Company's risk assessment and risk management policies.
24. Periodically review with the Company's General Counsel significant legal matters that may have a material impact on the Company's financial statements and any material reports, notices or inquiries received from regulators or government agencies.
25. Perform any other activities consistent with this Audit Committee Charter, the Company's By-laws and governing law, as the Audit Committee or the Board deems necessary or appropriate.

Committee Administration

26. Prepare the Audit Committee report required by the rules of the SEC to be included in the Company's annual proxy statement.
27. Meet periodically as needed with members of management, internal audit personnel and the independent auditor in separate executive sessions.
28. Review the Audit Committee's own performance annually.
29. Review and reassess the adequacy of this Audit Committee Charter annually and recommend any proposed changes to the Board and have the Audit Committee Charter published at least every three years in accordance with SEC regulations.
