Adoption of Pre-Arranged Trading Plans by Directors

Rule 10b5-1 of the Securities Exchange Act of 1934 permits officers and directors of public companies to adopt predetermined written plans for trading specified amounts of company stock when they are not in possession of material nonpublic information in order to gradually diversify their investment portfolios, to minimize the market effect of stock sales by spreading them out over an extended period of time, and to avoid concerns about initiating stock transactions while in possession of material nonpublic information.

United Therapeutics is aware that the following three members of its Board of Directors (Board) recently entered into prearranged trading plans in accordance with Securities and Exchange Commission Rule 10b5-1 and United Therapeutics Securities Trades by Company Personnel Policy. The transactions under these plans will be disclosed publicly through Form 144 filings with the Securities and Exchange Commission. Corresponding Form 4 filings will also be completed.
