**Item 1.01      Entry Into a Material Definitive Agreement.**

On February 19, 2010, Capstone Turbine Corporation, a Delaware corporation (the Company), entered into an underwriting agreement (the Underwriting Agreement) with Lazard Capital Markets LLC, as the sole book-running manager (the Underwriter), related to a public offering of 38,095,239 shares of the Company's common stock, \$0.001 par value per share (the Common Stock), at a price to the public of \$1.05 per share (the Offering Price), less underwriting discounts and commissions (the Offering). Under the terms of the Underwriting Agreement, the Company has also granted the Underwriter a 30-day option to purchase up to an additional 15% of the shares of Common Stock offered in the Offering to cover over-allotments, if any. The net proceeds to the Company from the sale of the Common Stock, after deducting the Underwriter's fees and other estimated offering expenses payable by the Company, are expected to be approximately \$36.8 million, assuming no exercise by the Underwriters of their over-allotment option. The Offering is expected to close on February 24, 2010, subject to the satisfaction of customary closing conditions.

Northland Securities, Inc. will receive a financial advisory fee from the Company equal to 0.7% of the gross proceeds of the Offering.

The Company is offering the Common Stock pursuant to a prospectus dated February 4, 2009 and a prospectus supplement dated February 19, 2010, pursuant to the Company's shelf registration statement on Form S-3 (Registration No. 333-156459) declared effective by the Securities and Exchange Commission on February 4, 2009.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Underwriter, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions.

The Underwriting Agreement has been filed with this report to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Underwriting Agreement.

The legal opinion of Waller Lansden Dortch & Davis, LLP relating to the Common Stock being offered is filed as Exhibit 5.1 to this Current Report on Form 8-K.

The foregoing is only a brief description of the material terms of the Underwriting Agreement, does not purport to be a complete description of the rights and obligations of the parties thereunder and is qualified in its entirety by reference to the Underwriting Agreement that is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated by reference herein.
