2 During the three months ended 30 September 2009, the US Internal Revenue Service ( IRS ) completed its assessment of tax returns for the years ended 2005 and 2006 of Patni Americas Inc. Based on the completion of assessment of these years, the Company reviewed the adequacy of the previously established tax exposure reserves with respect to these years and re-measured the established tax positions for subsequent years based on the experience gained from the tax examination. Accordingly, the following amounts have been included in the income statement for the three months ended 30 September 2009:

	<b>Three months ended 30 September 2009</b>
Reduction of accrual for payroll taxes (1)	(12)
Reduction in interest expense (2)	(18)
Reduction in other expense (3)	(2)
Reduction in income taxes - current	(94)
Increase in income taxes - deferred	12
	<b>(114)</b>

---

(1) Included under Cost of revenues

(2) Included under Interest expense reversed

(3) Included under Other income/(expense)

3 In December 2008, the Company received a demand of approximately 4,587 for the Assessment Year (A.Y.) 2003-04 including an interest demand of 2,586 (\$102 including an interest demand of approximately \$58) and another demand in January 2009 of approximately 11,330 for the A. Y. 2005-06 including an interest demand of approximately 4,225 (\$252 including an interest demand of approximately \$94). These new demands concerns the same issue of disallowance of tax benefits under Section 10A of the Indian Income Tax Act, 1961( ACT ) as per earlier assessments. Subsequently, in June 2010, the Company has filed an further extension for stay of demand.

As per stay of demand order, till September 2010, the Company has paid sum of 660 (\$15) for the A. Y. 2003-04 and 2,391 (\$53) for the A. Y. 2005-06 as regards the matter under appeal. Management considers these demands as not tenable against the Company, and therefore no provision for this tax contingency has been established.

The tax department had earlier rejected the Company s claim under section 10A of the Act and raised a demand of approximately 6,302 (\$140 including an interest demand of approximately \$42) for A.Y. 2004-05 and 2,617 (\$ 58 including an interest demand of approximately \$ 31) for A.Y. 2002-03 in December 2006 and December 2007, respectively. However on appeal, in 2008 the CIT (Appeals) had allowed the claim under section 10A of the Act. The Indian Income tax department has appealed against the CIT (Appeals ) orders in respect of A. Y. 2002-03 and 2004-05 in the tribunal. Management considers these demands as not tenable against the Company, and therefore no provision for this tax contingency has been established.

In December 2009 the Income tax department has issued draft assessment order for A.Y. 2006-07 disallowing 10A deduction of the Indian Income Tax Act, 1961 as per the earlier assessments, as well as making a Transfer Pricing Adjustment for the Company s BPO operations. The company has filed the objections against the draft order before the Dispute Resolution Panel ( DRP ) newly set up under the Income Tax Act, 1961. Management considers these disallowances as not tenable against the Company, and therefore no provision for this tax contingency has been established.

## Edgar Filing: Patni Computer Systems LTD - Form 6-K

These new demands concerns the same issue of disallowance of tax benefits under Section 10A of the Indian Income Tax Act, 1961( ACT ) as per earlier assessments. Subsequently, in June 2010, the Company has filed an extension for stay of demand. As per stay of demand order, till September 2010, the Company has paid sum of 660 for the A. 6 In December 2008, the Company received a Demand of approximately 4,587 for the Assessment Year 2003-04 including an interest demand of 2,586 and another Demand in January 2009 of approximately 11,330 for the Assessment Year 2005-06 including an interest demand of approximately 4,225. These new demands concern the same issue of disallowance of tax benefits under Section 10A of the Indian Income Tax Act, 1961 as per the earlier assessments. The Company has filed an appeal with the tax authorities for stay of demand. As per stay of demand order, till June 2010 the Company has paid sum of 660 for the Assessment Year 2003-04 and 2,391 for the Assessment year 2005-06 as such the matter is under appeal. Management considers these demands as not tenable against the Company and, therefore, no provision for this tax contingency has been established.

## Edgar Filing: Patni Computer Systems LTD - Form 6-K

The Tax department had earlier rejected the Company's claim under section 10A and raised a demand of ₹ 6,302 for Assessment Year 2004-05 and ₹ 2,617 for Assessment Year 2002-03 in December 2006 and December 2007 respectively. However, on appeal in 2008, the CIT (Appeals) had allowed the claim under section 10A of the Income Tax Act, 1961. The Indian Income tax department has appealed against the CIT (Appeals) orders in respect of Assessment Year 2002-03 and 2004-05 in the tribunal. Management considers these demands as not tenable against the Company and therefore, no provision for this tax contingency has been established.

In December 2009, the Income tax department has issued draft assessment order for Assessment Year 2006-07 disallowing 10A deduction of the Indian Income Tax Act, 1961 as per the earlier assessments, as well as making a Transfer Pricing Adjustment for BPO operations of the Company. The Company has filed the objections against the draft order before the Dispute Resolution Panel (DRP) newly set up under the Income Tax Act, 1961. Management considers these disallowances as not tenable against the Company and in absence of any demand raised at this juncture, no provision is required.

Certain other income tax related legal proceedings are pending against the Company. Potential liabilities, if any, have been adequately provided for, and the Company does not currently estimate any incremental liability in respect of these proceedings. Additionally, the Company is also involved in lawsuits and claims which arise in ordinary course of business. There are no such matters pending that the Company expects to be material in relation to its business.

7 The Company's Board of Directors approved special interim dividend of ₹ 63 per equity share of ₹ 2 each in their meeting held on 13 August 2010. The record date for the purpose of payment of special interim dividend was fixed as 31 August 2010. The total amount paid in September 2010 as dividend and dividend tax was ₹ 82,444 and ₹ 13,693 respectively.

8 The Finance Act, 2009 has extended the availability of the 10-year income tax holiday by a period of one year such that the tax holiday will be available until the earlier of fiscal year ending 31 March 2011 or 10 years after the commencement of a Company's undertaking. The fringe benefit tax has also been abolished w.e.f. 1 April 2009.

9 Previous period figures have been appropriately reclassified / regrouped to conform to the current period's presentations.
