CALCULATION OF FILING FEE

Transaction Valuation(1)
\$3,092,742,455

Amount of Filing Fee(2)
\$220,512.54

(1) Calculated solely for purposes of determining the filing fee. The calculation assumes the purchase of 47,166,171 shares of common stock, par value \$0.10 per share, and 75,311 shares of common stock subject to restricted stock units, in each case, at \$63.50 per share. The transaction value also includes the aggregate offer price for a maximum of 2,811,996 shares of common stock issuable pursuant to outstanding options with an exercise price less than \$63.50 per share, which is calculated by multiplying the number of shares underlying such outstanding options by an amount equal to \$63.50 minus the weighted average exercise price of such options. The share numbers are based on representations made by the Company to Purchaser and Parent as of December 3, 2010.

(2) Calculated in accordance with Exchange Act Rule 0-11 by multiplying the transaction value by 0.0000713.

This Amendment No. 4 to the Tender Offer Statement on Schedule TO amends and supplements the Schedule TO (this Schedule TO) relating to the tender offer by Brock Acquisition Corporation, a Missouri corporation (Purchaser) and an indirect wholly-owned subsidiary of ABB Ltd, a corporation organized under the laws of Switzerland (Parent), for all of the outstanding common stock, par value \$0.10 (the Shares), of Baldor Electric Company, a Missouri corporation (the Company), at a price of \$63.50 per share net to the seller in cash, without interest and less any applicable withholding taxes, if any, upon the terms and conditions set forth in the offer to purchase dated December 8, 2010 (the Offer to Purchase), a copy of which is attached as Exhibit (a)(1)(A), and in the related letter of transmittal (the Letter of Transmittal), a copy of which is attached as Exhibit (a)(1)(B), which, together with any amendments or supplements, collectively constitute the Offer.

All the information set forth in the Offer to Purchase is incorporated by reference herein in response to Items 1 through 9 and Item 11 in this Schedule TO, and is supplemented by the information specifically provided in this Schedule TO.

This Amendment No. 4 is being filed to amend and supplement Item 11 as reflected below.

Item 11. Additional Information.

Regulation M-A Item 1011

(a) Agreements, Regulatory Requirements and Legal Proceedings.

Item 11(a) of the Schedule TO is hereby amended and supplemented by restating in its entirety the sub-section captioned *Litigation* as follows:

Litigation.

On December 29, 2010, on behalf of their respective clients, counsel to the Company, its board of directors, Parent and Purchaser entered into a memorandum of understanding (the MOU) with counsel to the plaintiffs in *Cottrell v. Baldor Electric Company, et al., Case Number CV-2010-2142 VI* (the Cottrell Action), a case filed in the Sebastian County Circuit Court of Arkansas (the Arkansas Court), the Fortier Action and the Chance Action, pursuant to which the parties to these three actions agreed to a proposed settlement of such actions. While Parent and the Company continue to believe that the lawsuits are entirely without merit and that they have valid defenses to all claims, they have agreed to enter into the settlement in order to avoid the risk that the putative stockholder class actions may delay or otherwise adversely affect the consummation of the Offer and the Merger, and to minimize the expense of defending such actions.

Subject to completion of certain confirmatory discovery by counsel to the plaintiffs, the MOU contemplates that the parties will enter into a stipulation of settlement. The stipulation of settlement will be subject to customary conditions, including court approval following notice to the Company's shareholders. In the event that the parties enter into a stipulation of settlement, a hearing will be scheduled at which the Arkansas Court will consider the fairness, reasonableness, and adequacy of the settlement. If the settlement is finally approved by the Arkansas Court, it will resolve and release all claims (excluding claims for dissenters' rights Section 351.447 and/or 351.455 of the MGBCL, as applicable) in the Cottrell Action, the Fortier Action and the Chance Action, pursuant to terms that will be disclosed to the Company's shareholders prior to final

approval of the settlement.

The plaintiff in *Ecker v. Asher, et al., Case Number 10 SL-CC 5127* (the Ecker Action), a case filed in the Circuit Court of St. Louis County, Missouri, is not a party to the MOU. Parent and the Company believe the claims in the Ecker Action are without merit and will continue to defend against the claims in such lawsuit. On December 29, 2010, Parent and Purchaser filed a motion to dismiss or, in the alternative, stay the Ecker Action.

On December 29, 2010, Parent and the Company filed in the Circuit Court of St. Louis County, Missouri a motion to transfer and consolidate the Fortier Action, the Chance Action, the Ecker Action and all subsequently-filed related actions, if any. Parent and the Company also requested that the court stay further proceedings in these actions pending the resolution of the Cottrell Action in Arkansas.
