Moody's to review ratings of major Australian banks

Westpac Banking Corporation has been advised by Moody's Investors Service that Westpac's long-term, senior unsecured debt rating has been placed on review for possible downgrade. Moody's has announced this as part of a review of the debt ratings of all the four major Australian banks.

Westpac's Bank Financial Strength Rating, assigned by Moody's, which reflects its stand-alone credit profile, was also placed on review.

At the same time, Moody's has affirmed the bank's short-term rating with a stable outlook.

In announcing the review, Moody's said it will assess the Australian banking system's structural sensitivity to conditions in the wholesale funding market.
