(with effect from 9 June 2010), Patni Computer Systems (Suzhou) Co., Limited (with effect from 18 August 2010) and Patni Computer Systems Software (Dalian) Limited (with effect from 9 November 2010).

- 3 Pan-Asia iGATE Solutions and iGATE Global Solutions Limited entered into share and securities purchase agreements on 10 January 2011 with the promoter group of Patni and General Atlantic Mauritius Limited to acquire 63% equity capital of the Company at a price of 503.50 per share, subject to fulfillment of certain conditions.

Pursuant to and in compliance with, among others, of SEBI Take Over Regulations, Pan-ASIA iGATE Solutions and iGATE Global Solutions Limited along with iGATE Corporation have made an Open Offer to acquire 2,70,85,565 shares representing 20% (diluted equity capital) of Patni Computer Systems Limited at a price of 503.50 per share. The Offer opened on 8 April 2011 and will close on 27 April 2011.

- 4 In December 2008, the Company received a demand of approximately 4,590 for the Assessment Year 2003-04 including an interest demand of 2,590 (\$ 103 including an interest demand of approximately \$ 58) and another demand in January 2009 of approximately 11,330 for the Assessment Year 2005-06 including an interest demand of approximately 4,230 (\$ 254 including an interest demand of approximately \$ 95). These demands concern the same issue of disallowance of tax benefits under Section 10A of the Indian Income Tax Act, 1961(ACT) as per earlier assessments. Subsequently, in June 2010, the Company has filed an further extension for stay of demand.

As per stay of demand order, till March 2011, the Company has paid sum of 660 (\$ 15) for the Assessment Year 2003-04 and 2,390 (\$ 53) for the Assessment Year 2005-06 in respect of the matters under appeal. Management considers these demands as not tenable against the Company, and therefore no provision for this tax contingency has been established.

The tax department had earlier rejected the Company's claim under section 10A of the Act and raised a demand of approximately 6,300 (\$ 141 including an interest demand of approximately \$ 42) for Assessment Year 2004-05 and 2,620 (\$ 59 including an interest demand of approximately \$ 31) for Assessment Year 2002-03 in December 2006 and December 2007, respectively. However on appeal, in 2008 the CIT (Appeals) had allowed the claim in favour of the Company under section 10A of the Act. The Indian Income tax department has appealed against the CIT (Appeals) orders in respect of Assessment Year 2002-03 and 2004-05 in the Indian Income Tax Appellate Tribunal. Management considers these demands as not tenable against the Company, and therefore no provision for this tax contingency has been established.

In November 2010, the Company has received demand order for Assessment Year 2006-07 for a sum of 12,620 including an interest demand of 4,420 (\$ 283 including an interest demand approximately \$ 99) disallowing tax benefits under Section 10A of the Act as per the earlier assessments, as well as making a Transfer Pricing Adjustment for the Company's BPO operations. The Company has filed the appeal before the Indian Income Tax Appellate Tribunal and also filed an appeal for the stay of demand with the tax department. Management considers these disallowances as not tenable against the Company, and therefore no provision for this tax contingency has been established.

In December 2010, the Income tax department has issued draft assessment order for Assessment Year 2007-08 disallowing tax benefits under Section 10A of the Act as per the earlier assessments, as well as making a Transfer Pricing Adjustment for delayed recoveries from Associates Enterprises. The Company has filed the objections against the draft order before the Dispute Resolution Panel (DRP) newly set up under the Income Tax Act, 1961. Management considers these disallowances as not tenable against the Company, and therefore no provision for this tax contingency has been established.

Certain other income tax related legal proceedings are pending against the Company. Potential liabilities, if any, have been adequately provided for, and the Company does not currently estimate any incremental liability in respect of these proceedings. Additionally, the Company is also involved in lawsuits and claims which arise in ordinary course of business. There are no such matters pending that the Company expects to be material in relation to its business.

5 Previous period's figures have been appropriately reclassified/regrouped to conform to the current period's presentation.

6 The Tax holiday available to the Company which was extended by Finance Act 2009 for a period of one year has expired on 31 March 2011.

7 The above statement of financial results was reviewed by the Audit Committee and approved by the Board of Directors at its adjourned meeting held on 27 April 2011.

These new demands concern the same issue of disallowance of tax benefits under Section 10A of the Indian Income Tax Act, 1961 (ACT) as per earlier assessments. Subsequently, in June 2010, the Company has filed an extension for stay of demand. As per stay of demand order, till December 2010, the Company has paid sum of ₹ 660 for the Assessment Year 2003-04 and ₹ 2,391 for the Assessment Year 2005-06 as regards the matter under appeal. Management considers these demands as not tenable against the Company, and therefore no provision for this tax contingency has been established.

The Tax department had earlier rejected the Company's claim under section 10A and raised a demand of ₹ 6,302 for Assessment Year 2004-05 and ₹ 2,617 for Assessment Year 2002-03 in December 2006 and December 2007 respectively. However on appeal in 2008, the CIT (Appeal) had allowed the claim under section 10A of the Income Tax Act, 1961. The Indian Income tax department has appealed against the CIT (Appeals) orders in respect of Assessment Year 2002-03 and 2004-05 in the tribunal. Management considers these demands as not tenable against the Company and, therefore, no provision for this tax contingency has been established.

In November 2010, the Company has received demand order for Assessment Year 2006-07 for a sum of ₹ 12,618 including an interest demand of ₹ 4,417 disallowing tax benefits under Section 10A of the Act as per the earlier assessments, as well as making a Transfer Pricing Adjustment for the Company's BPO operations. The Company has filed the appeal before the Indian Income Tax Appellate Tribunal and also filed an appeal for the stay of demand with the tax department. Management considers these disallowances as not tenable

against the Company, and therefore no provision for this tax contingency has been established.

In December 2010, the Income tax department has issued draft assessment order for Assessment Year 2007-08 disallowing tax benefits under Section 10A of the Act as per the earlier assessments, as well as making a Transfer Pricing Adjustment for delayed recoveries from Associates Enterprises. The Company has filed the objections against the draft order before the Dispute Resolution Panel (DRP) newly set up under the Income Tax Act, 1961. Management considers these disallowances as not tenable against the Company, and therefore no provision for this tax contingency has been established.

Certain other income tax related legal proceedings are pending against the Company. Potential liabilities, if any, have been adequately provided for, and the Company does not currently estimate any incremental liability in respect of these proceedings. Additionally, the Company is also involved in lawsuits and claims which arise in ordinary course of business.
