Explanatory Note

On July 27, 2011, Flextronics International Ltd. (the Company) filed a Current Report on Form 8-K reporting the results of its 2011 Annual General Meeting of Shareholders and an Extraordinary General Meeting of Shareholders. This Form 8-K/A is filed to amend the July 27, 2011 Form 8-K in order to update information provided under Item 5.07 regarding the frequency of future shareholder non-binding advisory votes on the compensation of the Company's named executive officers.

Item 5.07. Submission of Matters to a Vote of Security Holders

As previously disclosed, at the Company's 2011 Annual General Meeting of Shareholders held on July 22, 2011, a frequency of every year was the preferred frequency of the shareholders for holding future advisory votes on the compensation of the Company's named executive officers. In light of this result, on August 25, 2011, the Board of Directors of the Company, upon the recommendation of the Nominating and Corporate Governance Committee, determined that the Company will hold an advisory vote on the compensation of its named executive officers every year at its annual general meeting until the next required advisory vote on the frequency of such advisory votes or until the Board of Directors otherwise determines that a different frequency for such advisory votes is in the best interests of the Company's shareholders.
