**Sub: Outcome of the Board Meeting of Patni Computer Systems Limited**

Dear Sir / Madam,

1. This is to inform you that Patni Computer Systems Limited (the **Company**) has received a proposal from Pan Asia iGATE Solutions (**Acquirer**) and iGATE Global Solutions Limited, an affiliate of the Acquirer (**iGATE India**) and together with the Acquirer, the **Promoters**, the Promoters of the Company, are desirous of delisting the equity shares of the Company from the Bombay Stock Exchange Limited and the National Stock Exchange of India Limited as well as delisting of the American Depository Receipts (**ADRs**) from the New York Stock Exchange (the proposal to delist the equity shares as well as the ADRs is referred to as **Delisting Proposal**). The Promoters have stated that their objective in making the Delisting Proposal is to obtain full ownership of the Company, while providing an attractive exit opportunity to the public shareholders of the Company. Additionally, the Promoters believe that given the low liquidity in the Company's equity shares, the Delisting Proposal would provide the public investors of the Company with ability to exit fully from the shares of the Company.

2. Pursuant to the Delisting Proposal, the Promoters may seek to make an offer to acquire all outstanding equity shares held by public shareholders in the Company (**Delisting Offer**) if the offer price determined in accordance with the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (**Delisting Regulations**) is acceptable to the Promoters. The Delisting Offer may be made by the Promoters (or any one of them), in accordance with the Delisting Regulations.

3. Of the total capital of the Company, the Acquirer holds 75,177,901 equity shares of a face value of Rs.2 each and 20,161,867 American Depository Shares, constituting 69.6% of the current paid up equity share capital of the Company on a fully diluted basis. iGATE India holds 14,750,947 equity shares with a face value of Rs. 2 each, comprising 10.8% of the paid up equity share capital of Company on a fully diluted basis, taking the aggregate promoter holding in the Company to 80.4% of the current paid up equity share capital of the Company on a fully diluted basis. Accordingly, there is an aggregate of 17,105,993 equity shares, constituting 12.5% of the fully diluted equity share capital of the Company, which are held by the public shareholders. Additionally, as of the date hereof, there are 7,007,189 underlying American Depository Shares held by persons other than the Promoters and 2,618,787(1) employee stock options outstanding.

4. The Board of Directors (**Board**) met today to consider the Delisting Proposal. The Board has granted its approval to the Delisting Proposal and intends to seek the approval of the shareholders of the Company through postal ballot in terms of the Delisting Regulations after complying with the SEBI and SEC requirements (if any).

You are requested to take note of the same.
