JOINT PROXY STATEMENT

**ARES DYNAMIC CREDIT ALLOCATION FUND, INC.
ARES MULTI-STRATEGY CREDIT FUND, INC.
ANNUAL MEETINGS OF STOCKHOLDERS
June 18, 2014**

INTRODUCTION

This Joint Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board", the members of which are referred to as "Directors") of each of Ares Dynamic Credit Allocation Fund, Inc. ("ARDC" or a "Fund") and Ares Multi-Strategy Credit Fund, Inc. ("ARMF" or a "Fund" and, together with ARDC, the "Funds"), each a Maryland corporation, for use at the Annual Meetings of Stockholders (the "Meeting"), to be held at the offices of Ares Capital Management II LLC (the "Investment Manager"), 2000 Avenue of the Stars, 12th Floor, Los Angeles, California 90067, on June 18, 2014 at 10:00 a.m., local time, and at any postponements or adjournments thereof.

This Joint Proxy Statement and the form of proxy card are being mailed to stockholders on or about April 25, 2014. Any stockholder giving a proxy has the power to revoke it by executing a superseding proxy by telephone, Internet or mail following the process described on the proxy card or by submitting a notice of revocation to the relevant Fund(s) prior to the date of the Meeting or in person at the Meeting. All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, "FOR" the election of the nominee as Director, as described in this Joint Proxy Statement, and at the discretion of the proxy holders as to the transaction of any other business that may properly come before the Meeting.

A quorum of stockholders is constituted by the presence in person or by proxy of stockholders entitled to cast a majority of the votes entitled to be cast (without regard to class). For purposes of determining the presence of a quorum for transacting business at the Meeting for each Fund, executed proxies returned without marking a vote on Proposal 1 will be treated as shares that are present for quorum purposes for the Fund and will be voted "FOR" Proposal 1. Abstentions are included in the determination of the number of shares present at the Meeting for purposes of determining the presence of a quorum for a Fund. **If a stockholder of a Fund is present in person or by proxy at the Meeting but does not cast a vote, the stockholder's shares will count towards a quorum for the Fund.** In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, the Meeting may be adjourned by the chairman of the Meeting (as determined pursuant to each Fund's Bylaws). If a quorum is present, a stockholder vote may be taken on one or more of the proposals in this Joint Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. The chairman of the Meeting may adjourn any meeting of stockholders from time to time to a date not more than 120 days after the original record date without notice other than announcement at the meeting. At such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the Meeting as originally notified. Each Fund may postpone or cancel a meeting of stockholders by making a public announcement (as defined in the Fund's Bylaws) of such postponement or cancellation prior to the meeting. Notice of the date, time, and place to which the meeting is postponed shall be given not less than ten days prior to such date and otherwise in the manner set forth in each Fund's Bylaws.

The Board of each Fund has fixed the close of business on April 15, 2014 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting and at any postponement or adjournment thereof. Stockholders on the record date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the record date, ARDC had outstanding 17,166,012 shares of common stock and ARMF had outstanding 5,204,200 shares of common stock.

Management of the Funds knows of no business other than those mentioned in Proposal 1 of the Notice of Meeting which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their discretion.

The Funds will furnish, without charge, a copy of their annual reports for the fiscal year ended October 31, 2013 to any stockholder requesting such report. Requests for an annual report should be made in writing to Laurel Hill Advisory Group, LLC 2, Robbins Lane, Suite 201, Jericho, NY 11753, or by accessing your Fund's website at www.arespublicfunds.com or by calling 1-888-742-1305.

PROPOSAL 1 ELECTION OF DIRECTORS

Each Fund's Articles of Amendment and Restatement provide that the Board shall be divided into three classes: Class I, Class II and Class III. The terms of office of the present Directors of each Fund in each class expire at the Annual Meeting of Stockholders in the year indicated and until their respective successors are duly elected and qualify: Class I, 2014; Class II, 2015; and Class III, 2016. At each subsequent annual election, Directors chosen to succeed those whose terms are expiring will be identified as being in the same class and will be elected for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Funds by delaying the replacement of a majority of the Boards.

The term of Mr. Bruce Spector will expire at the 2014 Annual Meeting of Stockholders of each Fund. At a meeting held on March 11, 2014, each Board nominated Mr. Spector for election to serve as a Class I Director of the respective Fund until the Fund's 2017 Annual Meeting of Stockholders and until his successor is duly elected and qualifies. The persons named in the accompanying form of proxy card intend, in the absence of contrary instructions, to vote all proxies "FOR" the election of Mr. Spector to serve for a term for each Fund expiring on the date on which the Annual Meeting of Stockholders is held in 2017, and until his successor is duly elected and qualifies. The nominee has indicated that he will serve if elected. If the nominee should be unable to serve, an event not now anticipated, the proxies will be voted for such person, if any, as is designated by the Boards to replace the nominee. The election of a Director for a Fund will require the affirmative vote of the holders of a majority of the shares of common stock outstanding and entitled to vote thereon. If you submit a proxy and do not indicate whether your vote should be cast for or against the proposal, your shares will be voted "FOR" the proposal.

Information Concerning the Nominee and Members of the Boards of Directors

The following table provides information concerning the nominee and other members of the Boards of the Funds. Each Board consists of five Directors, three of whom are not "interested persons" of the Funds, as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act") (each, an "Independent Director"). The terms of the Class II and Class III Directors do not expire this year.

During the fiscal year ended October 31, 2013, the Boards of ARDC and ARMF met four and two times, respectively. Each Director then serving in such capacity attended at least 75% of the aggregate number of meetings of the Board of each Fund and of any committee of each Fund of which he is a member.

Leadership Structure, Composition and Role of Board of Directors of the Funds in Risk Oversight

The 1940 Act requires that at least 40% of the Directors be Independent Directors. Certain exemptive rules promulgated under the 1940 Act require that a majority of the Directors be Independent Directors. Currently, three of the five Directors (60%) of each Fund are Independent Directors. The Independent Directors exercise their informed business judgment to appoint an individual of their choosing to serve as Chairman of the Board, regardless of whether the Director happens to be independent or a member of management.

Each Board performs its risk oversight function primarily through (a) its two standing committees, the Audit Committee and the Nominating and Governance Committee, which report to the entire Board and are comprised solely of Independent Directors, and (b) monitoring by the Funds' Chief Compliance Officer in accordance with the Funds' compliance policies and procedures. Each Board retains the responsibility for (1) conducting periodic reviews of its Fund's investment portfolio and investment performance, (2) approving and amending its Fund's investment guidelines, (3) approving the appointment and retention terms of the Investment Manager and its Fund's other service providers and officers, and (4) providing risk management oversight by reviewing and monitoring the services and activities provided by the Investment Manager and other service providers and officers.

As described below in more detail under "Committees of each Board of Directors," the applicable Audit Committee and the Nominating and Governance Committee assist each Board in fulfilling its risk oversight responsibilities. Each Audit Committee's risk oversight responsibilities include overseeing the applicable Fund's accounting and financial reporting processes, the applicable Fund's systems of internal controls regarding finance and accounting and audits of the applicable Fund's financial statements and discussing with management the applicable Fund's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Fund's risk assessment and risk management policies. Each Nominating and Governance Committee's risk oversight responsibilities include selecting, researching and nominating directors for election by the applicable Fund's stockholders, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and its committees. Both the Audit Committees and the Nominating and Governance Committees consist solely of Independent Directors.

Each Board performs its risk oversight responsibilities with the assistance of the Funds' Chief Compliance Officer. The Funds' Chief Compliance Officer prepares a written report annually discussing the adequacy and effectiveness of the compliance policies and procedures of each Fund and certain of the Funds' service providers. The Chief Compliance Officer's report, which is reviewed by the Board, addresses at a minimum (a) the operation of the compliance policies and procedures of each Fund and certain of the Funds' service providers since the Chief Compliance Officer's last report; (b) any material changes to such policies and procedures since the Chief Compliance Officer's last report; (c) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's annual review; and (d) any material compliance matter that has occurred since the date of the Chief Compliance Officer's last report about which the Board would reasonably need to know to oversee each Fund's compliance activities and risks. In addition, the Chief Compliance Officer meets separately in executive session with the Independent Directors at least once each year.

Each Fund believes that the Board's role in risk oversight is effective and appropriate given the extensive regulation to which the Fund is already subject as a closed-end investment company registered with the Securities and Exchange Commission ("SEC"). Specifically, as a closed-end investment company registered with the SEC each Fund must comply with certain regulatory requirements that control the levels of risk in the Fund's business and operations. For example, a Fund's ability to borrow or issue debt securities is limited such that the Fund's asset coverage must equal at least 300% immediately after such borrowing or issuance. In addition, each Fund has elected to be treated as a "regulated investment company" ("RIC") under Subchapter M of the Code. As a RIC each Fund must, among other things, meet certain income source and asset diversification requirements.

Each Fund believes that the extent of the Board's (and its committees') role in risk oversight complements each Board's leadership structure because it allows the Independent Directors, through the two fully independent Board committees, a lead Independent Director, executive sessions with the Chief Compliance Officer and auditor and otherwise, to exercise oversight of risk without any conflict that might discourage critical review.

Each Board believes that Board roles in risk oversight must be evaluated on a case-by-case basis and that the existing Board role in risk oversight is appropriate. However, each Board re-examines the manner in which it administers its oversight function on a periodic basis to enable it to continue to meet its Fund's needs.

Committees of each Board of Directors

Each Board has established an Audit Committee and a Nominating and Governance Committee. Each Fund will not have a compensation committee because closed-end management investment companies, such as the Funds, are exempt from the requirement to have a compensation committee under the applicable New York Stock Exchange ("NYSE") rules.

Audit Committee. The members of each Audit Committee are Michael H. Diamond, John J. Shaw and Bruce H. Spector, each of whom is an Independent Director for purposes of the 1940 Act and the NYSE's corporate governance regulations. Mr. Shaw serves as chairman of each Audit Committee and as the Audit Committee Financial Expert for each Fund. Each Audit Committee is responsible for approving its Fund's independent accountants, reviewing with the Fund's independent accountants the plans and results of the audit engagement, approving professional services provided by the Fund's independent accountants, reviewing the independence of the Fund's independent accountants, advising the Board with respect to the valuation of portfolio assets and reviewing the adequacy of the Fund's internal accounting controls. The Audit Committees of

ARDC and ARMF met two times and one time, respectively, during the fiscal year ended October 31, 2013. The Audit Committees have a joint charter which is available on the Funds' website at (www.arespublicfunds.com).

Nominating and Governance Committee. The members of each Nominating and Governance Committee are Michael H. Diamond, John J. Shaw and Bruce H. Spector, each of whom is an Independent Director for purposes of the 1940 Act and the NYSE's corporate governance regulations. Mr. Diamond serves as chairman of each Nominating and Governance Committee. Each Nominating and Governance Committee is responsible for selecting, researching and nominating Directors for election by the Fund's stockholders, selecting nominees to fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and its committees. The Nominating and Governance Committees of ARDC and ARMF each met one time during the fiscal year ended October 31, 2013. The Nominating and Governance Committees have a joint charter which is available on the Funds' website at (www.arespublicfunds.com).

Each Nominating and Governance Committee may consider recommendations for nomination of individuals for election as Directors from stockholders. Nominations made by stockholders must be delivered to or mailed (setting forth the information required by a Fund's Bylaws) and received at a Fund's principal executive offices not earlier than the 150th day nor later than 5:00 p.m., Eastern time, on the 120th day prior to the first anniversary of the date on which the Fund first mailed its proxy materials for the previous year's annual meeting of stockholders; provided, however, that if the date of the annual meeting has changed by more than 30 days from the prior year, the nomination must be received not earlier than the 150th day prior to the date of such annual meeting nor later than 5:00 p.m., Eastern time, on the later of (a) the 120th day prior to the date of such annual meeting or (b) the 10th day following the day on which public announcement of such meeting date is first made.

Director Qualifications

The Nominating and Governance Committees seek candidates who possess the background, skills and expertise to make a significant contribution to the Board, the Fund and its stockholders. In considering possible candidates for election as a Director, each Nominating and Governance Committee takes into account, in addition to such other factors as it deems relevant, the desirability of selecting Directors who:

- are of high character and integrity;
- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to the affairs of a Fund;
- are able to work with the other members of the Board and contribute to the success of a Fund;
- can represent the long-term interests of a Fund's stockholders as a whole; and
- are selected such that the Board represents a range of backgrounds and experience.

The Directors have not set a mandatory retirement age. The Nominating and Governance Committees do not have a formal policy regarding the consideration of diversity in identifying Director candidates. However, the Nominating and Governance Committees may consider whether a potential nominee's professional experience, education, skills, and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's

overall qualifications relative to diversity considerations. The following is a summary of the experience, qualifications, attributes and skills of each Director and Director nominee that support the conclusion that each Director and Director nominee should serve as a Director of each Fund.

The Boards believe that each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Directors lead to the conclusion that the Board possesses the requisite attributes and skills. The Boards believe that the Directors' ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the Investment Manager, other service providers, counsel and the auditor, and to exercise effective business judgment in the performance of their duties, support this conclusion. In addition, the following specific experience, qualifications, attributes and/or skills apply to each Director.

Each Director, except for Mr. Spector, has served as a board member of the closed-end funds in the Ares fund complex for approximately one and a half years. Mr. Sachs has substantial experience as a founding member and Senior Partner of Ares Management LLC and advising clients with respect to the credit markets. Mr. Brufsky has substantial experience as a founding member and Senior Partner of Ares Management LLC and advising clients with respect to the credit markets. Mr. Diamond has substantial experience practicing law and advising clients with respect to corporate governance and fiduciary matters, and as a legal consultant. Mr. Shaw has substantial experience as a senior executive of an operating company and as a business consultant. Mr. Spector has substantial experience as a senior advisor for a private equity firm, practicing law and advising clients with respect to restructurings, insolvency reorganizations and related bankruptcy matters, and as a business consultant. References to the experience, qualifications, attributes and skills of Directors are pursuant to requirements of the SEC, do not constitute holding out of a Board or any Director as having any special expertise, and shall not impose any greater responsibility or liability on any such person or on the Board.

Broker Non-Votes

Brokers holding shares of a Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on Proposal 1 before the Meeting. Under the rules of the NYSE, such brokers may, for certain "routine" matters, grant discretionary authority to the proxies designated by the Boards of Directors to vote if no instructions have been received from their customers and clients prior to the date specified in the brokers' request for voting instructions. Proposal 1 is a "routine" matter and accordingly beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of Proposal 1. Consequently, a properly executed proxy card or other authorization by a beneficial owner of shares that does not specify how the beneficial owner's shares should be voted

on Proposal 1 may be deemed an instruction to vote such shares in favor of the proposal.

Stockholder Approval

Election of the listed nominee for Director requires the affirmative vote of the holders of a majority of the shares of common stock outstanding and entitled to vote thereon. If you submit a proxy and do not indicate whether your vote should be cast for or against the proposal, your shares will be voted "FOR" the proposal.

**THE BOARD OF DIRECTORS OF EACH FUND RECOMMENDS THAT THE STOCKHOLDERS VOTE
"FOR" THE NOMINEE FOR DIRECTOR.**

Independent Registered Public Accounting Firm

Ernst & Young LLP ("EY") was engaged to serve as the Funds' independent registered public accounting firm for the fiscal year ending October 31, 2013.

The engagement of EY as the Funds' independent registered public accounting firm was approved by the Audit Committees of the Boards of Directors and ratified by the full Boards of Directors of the Funds.

EY's reports on the Funds' financial statements for the fiscal year ended October 31, 2013 did not contain adverse opinions or disclaimers of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles.

During the Funds' fiscal year ended October 31, 2013, there were no disagreements with EY on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EY, would have caused it to make reference to the subject matter of the disagreement in its reports on the financial statements for such year.

EY furnished letters addressed to the SEC stating that it agreed with the above statements. A copy of each letter dated December 23, 2013 that was sent to the SEC was filed as an exhibit with the Funds' Forms N-SAR (in accordance with Sub-Item 77k of Form N-SAR) on December 30, 2013.

EY served as the Funds' independent registered public accounting firm for the fiscal year ended October 31, 2013, auditing and reporting on the annual financial statements of the Funds and reviewing certain regulatory reports and the Funds' federal income tax returns. EY also performed other professional audit and certain allowable non-audit services, including tax services, when the Funds engaged it to do so.

Audit-Related Fees. For the fiscal years ended October 31, 2013, EY did not bill either Fund any fees for assurances and related services that were reasonably related to the performance of the audit or review of the Fund's financial

statements and were not reported under the section Audit Fees above.

Tax Fees. The aggregate fees billed by EY for professional services rendered by EY for tax compliance, tax advice and tax planning (consisting of a review of the Funds' income tax returns and tax distribution requirements) for ARDC and ARMF for the fiscal year ended October 31, 2013 were \$1,000 and \$0, respectively.

All Other Fees. For the fiscal years ended October 31, 2013, EY did not bill either Fund any fees for products and services other than those disclosed above.

Audit Committee Pre-approval. The Audit Committees' policy is to pre-approve all auditing and non-auditing services to be provided to the Funds by the Funds' independent registered public accounting firm. All of the audit and the tax services described above for which EY billed the Funds fees for the fiscal year ended October 31, 2013 were pre-approved by the Audit Committees.

Non-Audit Fees. For the fiscal years ended October 31, 2013, EY provided non-audit services to certain entities in the Funds' Fund Complex that were not required to be pre-approved by the Funds' Audit Committees. These services primarily include: (1) tax advisory amounts of \$9,830, (2) tax compliance amounts of \$0 and (3) other advisory fees of \$0 related to performance improvement.

The Funds expect that a representative of EY will be present at the Meeting, and will have an opportunity to make a statement if he or she so chooses and will be available to answer questions.

Audit Committee Report

The Audit Committees have reviewed and discussed each Fund's audited financial statements for the fiscal year ended October 31, 2013 with management of the Funds and with EY, and have discussed with EY the matters required to be discussed by Statement on Auditing Standards No. 114 (Codification of Statements on Auditing Standards), as may be modified or supplemented. The Audit Committees have received the written disclosures and the letter on auditor independence from EY required by Independence Standards Board No. 1 (Independence Standards Board No. 1, Independence Discussion with Audit Committees), as may be modified or supplemented, and has discussed with EY its independence. Based on the Audit Committees' review and discussions referred to in the two preceding sentences, the Audit Committees recommended to the Boards of Directors that the audited financial statements of each Fund for the fiscal year ended October 31, 2013 be included in its annual report to stockholders and each Fund's annual report filed with the SEC.
