Item 1.01 Entry into a Material Definitive Agreement.

On July 29, 2014, MVB Financial Corp. (*MVB Financial*) and its subsidiary, MVB Bank, Inc. (*MVB Bank*), have entered into Amendment No. 1 to Purchase and Assumption Agreement (the *Amendment*) with CFG Community Bank (*CFG Bank*) and its parent, Capital Funding Bancorp, Inc., (*CF Bancorp*), and affiliates, Capital Finance, LLC, and Capital Funding, LLC, which amended and modified certain terms and conditions of a Purchase and Assumption Agreement, between and among MVB Financial, MVB Bank, CFG Bank, and CF Bancorp (the *Agreement*).

Under the Agreement, based upon the terms and subject to the conditions set forth therein and modified by the Amendment, MVB Bank would, subject to regulatory approvals, purchase certain assets and assume certain liabilities of CFG Bank and its subsidiaries for \$30 million in consideration, consisting of \$26 million in cash and \$4 million in shares of MVB Financial common stock, subject to certain adjustments (the *Transaction*).

The Amendment modifies the consideration to allow for a purchase price adjustment based upon net asset value of the assets and assumed liabilities transferred from CFG Bank to MVB Bank at the closing of the Transaction (the *Closing*), modifies the termination date of the Agreement, modifies the terms of the Agreement regarding regulatory approvals, provides for the hiring of certain CFG Bank personnel by MVB Bank in the event of that there is not a Closing, adds Capital Finance and Capital Funding as parties to the Agreement, and confirms the consent of MVB Financial to certain actions taken by CFG Bank's affiliate, Capital Funding Group, Inc. with regard to certain loans.

Consummation of this transaction remains subject to certain customary closing conditions, including requisite regulatory approvals and material third-party consents, the absence of certain legal impediments to the consummation of the transaction and subject to certain exceptions, the accuracy of the representations and warranties and compliance with the covenants of each party.

The parties have preserved customary representations, warranties and covenants in the Agreement, including among others, covenants by CFG Bank with respect to the conduct of its business during the interim period between the execution of the Agreement and the Closing.

The representations, warranties and covenants set forth in the Agreement (and unchanged by the Amendment, unless referenced therein) have been made only for the purposes of such agreement and were solely for the benefit of the parties to the Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Accordingly, the Agreement is included with this filing only to provide investors with information regarding the terms of the Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses.
