Item 1.01. Entry into a Material Definitive Agreement.

See the disclosure in Item 8.01 regarding the Fourth Supplemental Indenture (as defined below), and the Fifth Supplemental Indenture (as defined below), which disclosure is incorporated herein by reference.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On July 3, 2017, PHH Corporation (the Company) closed the sale, effective July 1, 2017, of substantially all of the Fannie Mae portion (the Fannie Mae MSR Portfolio) of PHH Mortgage's portfolio of mortgage servicing rights (MSRs) as of October 31, 2016 (excluding the Ginnie Mae MSRs that were part of the sale transaction announced in November 2016, the MSR Portfolio), to New Residential Mortgage LLC (New Residential) under the Agreement for the Purchase and Sale of Servicing Rights, dated December 28, 2016, by and between New Residential and PHH Mortgage Corporation (PHH Mortgage) and, for the limited purposes set forth therein, the Company (the Sale Agreement), together with the servicing advances related to the Fannie Mae MSR Portfolio. The Company sold the Fannie Mae MSR Portfolio, together with all servicing advances related to the Fannie Mae MSR Portfolio, for total proceeds of approximately \$333.1 million, of which approximately \$309.6 million was attributable to the purchase price for the Fannie Mae MSR Portfolio and approximately \$23.5 million was attributable to the related servicing advances. The purchase price paid is net of an approximately \$17.2 million holdback to address potential indemnification claims by New Residential and an approximately \$17.2 million holdback to address any mortgage loan document deficiencies, in each case subject to release in accordance with the Sale Agreement.

PHH Mortgage will subservice the approximately 302,000 mortgage loans included in the Fannie Mae MSR Portfolio on behalf of New Residential pursuant to the Subservicing Agreement, dated December 28, 2016 and amended as of June 16, 2017, by and between PHH Mortgage and New Residential, and such mortgage loans will also be subject to the MSR Portfolio Defense Agreement dated as of June 16, 2017 by and between PHH Mortgage and New Residential.

The sale of the Fannie Mae MSR Portfolio, together with the sale of the Freddie Mac portion of the MSR Portfolio previously disclosed in the Company's Current Report on Form 8-K filed with the United States Securities and Exchange Commission on June 19, 2017, represent an aggregate MSR fair value of \$456 million and servicing advances of \$32 million, in each case as of March 31, 2017. Following such sales, there remains \$98 million in MSR fair value and \$249 million in servicing advances, in each case as of March 31, 2017, committed for sale pursuant to the Sale Agreement. There can be no assurance that the sales of the remaining balance of the MSR Portfolio contemplated by the Sale Agreement will close as contemplated, if at all.

The Company and PHH Mortgage are parties to the Sale Agreement with New Residential, in addition to the above-referenced Subservicing Agreement and MSR Portfolio Defense Agreement. There are no other pre-existing relationships between New Residential and the Company.

Item 8.01 Other Events.

On July 3, 2017, the Company issued a press release announcing that it had received the requisite consents in its cash tender offers (the Tender Offers) and consent solicitations (the Consent Solicitations) made pursuant to the offer to purchase and consent solicitation statement dated June 19, 2017 (the Offer to Purchase and Consent Solicitation Statement) to execute (i) the Fourth Supplemental Indenture, dated as of July 3, 2017 (the Fourth Supplemental Indenture), among the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the Trustee), to the indenture governing the Company's 7.375% Senior Notes due 2019 (CUSIP No. 693320AR4) (the 2019 Notes), and (ii) the Fifth Supplemental Indenture, dated as of July 3, 2017 (the Fifth Supplemental Indenture) and, together with the Fourth Supplemental Indenture, the Supplemental Indentures), among the Company and the Trustee, to the indenture governing the Company's 6.375% Senior Notes due 2021 (CUSIP No. 693320AS2) (the 2021 Notes) and, together with the 2019 Notes, the Notes).

The Early Tender Deadline for the Tender Offers and Consents Solicitations was 5:00 p.m., New York City time, on June 30, 2017 (the Early Tender Deadline). As of the Early Tender Deadline, (i) \$177,454,000 aggregate principal amount of 2019 Notes had been validly tendered and not withdrawn, which represented approximately 64.53% of the outstanding aggregate principal amount of the 2019 Notes, and (ii) \$318,407,000 aggregate principal amount of 2021 Notes had been validly tendered and not withdrawn, which represented approximately 93.65% of the outstanding aggregate principal amount of the 2021 Notes. On July 3, 2017, the Company accepted for purchase and payment all of the Notes that were validly tendered and not withdrawn on or prior to the Early Tender Deadline.

The Supplemental Indentures were executed on July 3, 2017, and became operative upon payment by the Company with respect to the Notes on such date. The Supplemental Indentures eliminate or modify substantially all of the restrictive covenants as well as certain events of default and other provisions contained in each of the indentures governing the Notes, give effect to the consent to the Sales (as defined in the Offer to Purchase and Consent Solicitation Statement) and waive any potential default that may occur resulting from the Sales. A copy of the Fourth Supplemental Indenture is attached hereto as Exhibit 4.1 and is incorporated herein by reference. A copy of the Fifth Supplemental Indenture is attached hereto as Exhibit 4.2 and is incorporated herein by reference.

A copy of the press release is filed herewith as Exhibit 99.1 and is incorporated herein by reference.

The Company has certain relationships and engages in various transactions with the Trustee and its affiliates (collectively, BNY Mellon), including financial services, commercial banking and other transactions. In addition to functioning as the indenture trustee with respect to the Notes, BNY Mellon has functioned, and continues to function, as the custodian for the Company's mortgage loan files. These transactions were entered into in the ordinary course of business upon terms substantially the same as those prevailing at the time for comparable transactions.
