**Item 3.03. Material Modifications to Rights of Security Holders.**

On September 28, 2017, Investors Real Estate Trust (the Company) adopted Articles Supplementary (the Articles Supplementary) to the Company's Articles of Amendment and Third Restated Declaration of Trust, as amended and supplemented, classifying and designating 8,000,000 of the Company's authorized shares of beneficial interest, no par value per share, as 6.625% Series C Cumulative Redeemable Preferred Shares (Liquidation Preference \$25.00 Per Share), no par value per share (Series C Preferred Shares). A summary of the material terms of the Series C Preferred Shares is set forth under the caption Description of the Series C Preferred Shares in the Company's prospectus supplement, dated September 26, 2017 and filed with the Securities and Exchange Commission (the SEC) on September 26, 2017 (the Prospectus Supplement). The summary of the Series C Preferred Shares in the Prospectus Supplement and the following description of the Series C Preferred Shares are qualified in their entirety by reference to the Articles Supplementary, which are hereby incorporated by reference into this Item 3.03 and which were filed as Exhibit 3.2 to the Company's Registration Statement on Form 8-A, filed with the SEC on September 28, 2017.

The Company adopted the Articles Supplementary in connection with its previously announced underwritten public offering of Series C Preferred Shares, as further described below.

The Series C Preferred Shares rank senior to the Company's common shares of beneficial interest, no par value per share (Common Shares), with respect to distribution rights and rights upon the voluntary or involuntary liquidation, dissolution or winding up of the Company. The Series C Preferred Shares rank on a parity with the Company's 7.95% Series B Cumulative Redeemable Preferred Shares of Beneficial Interest, no par value per share (the Series B Preferred Shares), with respect to distribution rights and rights upon the voluntary or involuntary liquidation, dissolution or winding up of the Company.

In addition to other preferential rights, each holder of Series C Preferred Shares is entitled to receive a liquidation preference, which is equal to \$25.00 per Series C Preferred Share, plus any accrued and unpaid distributions to, but not including, the date of the payment, before the holders of Common Shares, in the event of any voluntary or involuntary liquidation, dissolution or winding-up of the Company. Furthermore, the Company is restricted from declaring or paying any distributions, or setting aside any funds for the payment of distributions, on the Common Shares or Series B Preferred Shares or, subject to certain exceptions, redeeming or otherwise acquiring Common Shares or Series B Preferred Shares, as applicable, unless full cumulative distributions on the Series C Preferred Shares have been declared and either paid or set aside for payment in full for all past distribution periods.

**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

The information about the Articles Supplementary set forth under Item 3.03 of this Current Report on Form 8-K is hereby incorporated by reference into this Item 5.03.

IRET, Inc. (the General Partner), as the general partner of IRET Properties, A North Dakota Limited Partnership (the Operating Partnership), has amended the Agreement of Limited Partnership of the Operating Partnership (the Partnership Agreement) to provide for the issuance of up to 8,000,000 6.625% Series C Cumulative Redeemable Preferred Units (liquidation preference \$25.00 per unit) (the Series C Preferred Units). Such amendment is filed as Exhibit 3.2 to this Current Report on Form 8-K and incorporated by reference herein. The Company expects to contribute the net proceeds from the sale of the Series C Preferred Shares in the Preferred Shares Offering (as defined below) to the Operating Partnership in exchange for a like number of Series C Preferred Units. The Series C Preferred Units have economic terms that mirror the terms of the Series C Preferred Shares. The issuance of the Series C Preferred Units will be exempt from registration pursuant to Section 4(a)(2) of the

Securities Act of 1933, as amended.

The Series C Preferred Units will rank, as to distributions and upon liquidation, senior to the Partnership Units and on a parity with the Operating Partnership's 7.95% Series B Cumulative Redeemable Preferred Units and other parity units the Operating Partnership may issue in the future.

## Edgar Filing: INVESTORS REAL ESTATE TRUST - Form 8-K

This description of the material terms of the amendment to the Partnership Agreement is qualified in its entirety by reference to the amendment to the Partnership Agreement, which is filed as Exhibit 3.2 to this Current Report on Form 8-K and is hereby incorporated by reference into this Item 5.03.

### **Item 7.01. Regulation FD Disclosure.**

On September 26, 2017, the Company issued a press release announcing the pricing of an underwritten public offering of Series C Preferred Shares. A copy of that press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is hereby incorporated by reference into this Item 7.01.

### **Item 8.01. Other Events.**

On September 26, 2017, the Company and the Operating Partnership entered into an underwriting agreement (the "Underwriting Agreement") with the several underwriters named on Schedule I therein (the "Underwriters"), for whom BMO Capital Markets Corp. and Raymond James & Associates, Inc. are acting as representatives, pursuant to which the Company agreed to offer and sell 4,000,000 Series C Preferred Shares (or up to 4,600,000 Series C Preferred Shares if the Underwriters exercise their option to purchase up to an additional 600,000 Series C Preferred Shares) at a public offering price of \$25.00 per share (the "Preferred Shares Offering"). In the Underwriting Agreement, the Company and the Operating Partnership made certain customary representations, warranties and covenants and agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended. The closing of the Preferred Shares Offering occurred on October 2, 2017.

The Company estimates that the net proceeds from the Preferred Shares Offering, after deducting underwriting discounts and commissions and estimated offering expenses payable by the Company, will be approximately \$96.7 million (or approximately \$111.2 million if the Underwriters exercise in full their option to purchase additional Series C Preferred Shares).

The Series C Preferred Shares have been registered on the Company's shelf registration statement on Form S-3 (File No. 333-220378), which became effective upon filing with the SEC on September 7, 2017.

This description of the material terms of the Underwriting Agreement is qualified in its entirety by reference to the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is hereby incorporated by reference into this Item 8.01. For a more detailed description of the Underwriting Agreement, see the disclosure under the caption "Underwriting" contained in the Prospectus Supplement, which disclosure is hereby incorporated by reference into this Item 8.01.

In connection with the filing of the Underwriting Agreement, the Company is filing as Exhibit 5.1 to this Current Report on Form 8-K the opinion of its counsel, Stinson Leonard Street LLP, with respect to matters of North Dakota law.
