ITEM 7.01 REGULATION FD DISCLOSURE

On October 5, 2018, Ashford Inc. (the Company) filed a registration statement on Form S-3 (the Registration Statement) with the Securities & Exchange Commission (the SEC). The prospectus included in the Registration Statement relates to common stock, preferred stock, depositary shares, debt securities, warrants, rights and units that we may sell from time to time in one or more offerings up to a total dollar amount of \$150,000,000 on terms to be determined at the time of sale. We will provide specific terms of these securities in prospectus supplements to the prospectus. Commencing any offerings is subject to a number of conditions, including the Registration Statement being declared effective by the SEC. The Company believes that it is both prudent capital management and customary to preserve flexibility to commence such offerings, subject to market conditions, but does not currently have any plans to offer or sell securities under the Registration Statement. The Registration Statement also relates to the offer and sale, from time to time, by selling stockholders named therein of up to 8,120,000 shares of Series B Preferred Stock and up to 1,450,000 shares of common stock issuable upon conversion of the Series B Preferred Stock. The registration of these shares is being made in compliance with the registration rights granted to the sellers of the Project Management Business in connection with the issuance of the Series B Preferred Stock representing the consideration for such sale to the Company in August 2018. The registration of these shares does not necessarily mean that any of the shares will be offered or sold by the selling stockholders.

The securities included in the Registration Statement may not be sold nor may offers to buy be accepted prior to the time the Registration Statement is declared effective by the SEC. Any offering of the securities covered by the shelf registration statement will be made solely by means of a prospectus and an accompanying prospectus supplement relating to that offering. A copy of the prospectus included in the registration statement may be obtained on the SEC s website at www.sec.gov. This communication shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any offer for sale, or solicitation of an offer to buy, any of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

The information in Item 7.01 of this report is being furnished pursuant to General Instruction B.2 of Current Report on Form 8-K and is not deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor is it subject to the liabilities of that section or deemed incorporated by reference in any filing by the Company under the Securities Act of 1933, as amended.
