Torch Offshore Announces Appointment of  
Chief Restructuring Advisor

New Orleans, Louisiana USA, December 21, 2004

Torch Offshore, Inc. (NASDAQ: TORC) (the "Company") announced today that its Board of Directors has appointed David Phelps of Bridge Associates LLC, a nationally known turnaround and crisis management consulting firm, as Chief Restructuring Advisor of the Company. The Company engaged a Chief Restructuring Advisor as part of its previously announced strategy to overcome its current liquidity situation. As Chief Restructuring Advisor, Mr. Phelps' tasks will include working with the Company's senior management to monitor and improve the Company's liquidity; reviewing and assisting in the negotiation of all material contracts; reviewing the financial aspects of all operations and working directly with the Company's other advisors to review

and negotiate any proposed financial transactions. Lyle G. Stockstill, the Company's Chairman and Chief Executive Officer, will continue to be responsible for the daily operational activities of the Company.

Established in 1978, Torch Offshore, Inc. is involved in offshore pipeline installation and subsea construction for the oil and natural gas industry. Torch Offshore, Inc. is expanding beyond its established shallow water niche market in order to serve the industry's worldwide growing needs in the deep waters.

Any statements made in this news release, other than those of historical fact, about an action, event or development, which the Company hopes, expects, believes or anticipates may or will occur in the future, are forward-looking statements under the Private Securities Litigation Act of 1995. The forward-looking statements in this news release include statements about the roles of the Chief Restructuring Advisor and the Chairman and Chief Executive Officer. Such statements are subject to various assumptions, risks and uncertainties, which are specifically described in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 filed with the Securities and Exchange Commission, as well as other factors that may not be within the Company's control, including, specifically, oil and natural gas commodity prices, weather conditions and offshore construction activity levels. Although the Company believes its expectations are based on reasonable assumptions, it gives no assurance that the Company's assumptions and projections will prove to be correct. Actual results may differ materially from those projected.
