TrustCo Bank Corp NY

Item 2.02. Results of Operations and Financial Condition

On January 22, 2014, TrustCo Bank Corp NY (“TrustCo”) held a conference call to discuss results for the quarter ended December 31, 2013. During the call, management provided an incorrect amount in response to a question about expected cash flow from the Company’s investment securities for 2014. The correct amount of cash flow that management expects from the Company’s investment securities in 2014 is approximately \$149 million assuming current interest rates.

Safe Harbor Statement

All statements in this report that are not historical are forward-looking statements within the meaning of the Securities Exchange Act of 1934, as amended. The "forward-looking statements" may include statements regarding future events or performance. Such forward-looking statements are subject to factors that could cause actual results to differ materially for TrustCo from those discussed. TrustCo wishes to caution readers not to place undue reliance on any such forward-looking statements, which speak only as of the date made. The following important factors, among others, in some cases have affected and in the future could affect TrustCo's actual results and could cause TrustCo's actual financial performance to differ materially from that expressed in any forward-looking statement: credit risk, the effects of and changes in, trade, monetary and fiscal policies and laws, including interest rate policies of the Board of Governors of the Federal Reserve System, inflation, interest rates, market and monetary fluctuations, competition, the effect of changes in financial services laws and regulations (including laws concerning taxation, banking and securities), real estate and collateral values, changes in accounting policies and practices, as may be adopted by the bank regulatory agencies, the Financial Accounting Standards Board or the Public Company Accounting Oversight Board; changes in local market areas and general business and economic trends and the matters described under the heading "Risk Factors" in our annual report on Form 10-K for the year ended December 31, 2012, as amended, and in our subsequent securities filings. Any forward-looking statement made by TrustCo speaks only as of the date on which it is made, and TrustCo undertakes no obligation to publicly update any forward-looking statement, whether as a result of new information, future developments, or otherwise, except as may be required by law.
