Item 8.01 Other Events

On April 7, 2008, ICO Global Communications (Holdings) Limited ("ICO") issued a press release announcing that its subsidiary, ICO North America, Inc., closed on the funding of its recently announced \$40 million working capital facility agreement. The facility was arranged by Jefferies Finance LLC, an affiliate of Jefferies and Company, and was funded by several major lenders on the terms and conditions previously announced. Additionally, in the press release, ICO announced that the U.S. Federal Communications Commission has granted ICO's request to extend the remaining two milestone dates outlined in ICO's authorization for the construction and launch of ICO's satellite as follows: satellite launch - April 15, 2008; and certification that mobile satellite services systems are operational - May 15, 2008. Also, the press release announced that the ICO G1 satellite was mated to its launch vehicle and final preparations are underway for its launch on April 14, 2008 from Cape Canaveral, Florida. A copy of the press release is attached hereto as Exhibit 99.1.
