**PROXY STATEMENT**

---

**General Information**

This Proxy Statement is furnished to you and other shareholders of AmTrust Financial Services, Inc. (“AmTrust Financial,” “Company,” “our,” “us,” or “we”) in connection with the solicitation of proxies by our Board of Directors (the “Board”) to be used at the 2008 Annual Meeting of Shareholders (the “Annual Meeting”) to be held at the Millennium Hilton Hotel, 55 Church Street, New York, New York 10007, on May 23, 2008, at 10:00 a.m. (local time) and any adjournment or postponement thereof. All shareholders are entitled and encouraged to attend the Annual Meeting in person. This Proxy Statement together with the accompanying proxy card was first mailed to shareholders on or about April 21, 2008.

All Common Stock represented by properly executed proxies received pursuant to this solicitation will be voted in accordance with the shareholder’s directions specified on the proxy. If no directions have been specified by marking the appropriate squares on the accompanying proxy card, the shares will be voted “FOR” the slate of directors described herein, and “FOR” the ratification of BDO Seidman, LLP as our independent auditors. In connection with any other business that may properly come before the Annual Meeting, all properly executed proxies delivered pursuant to this solicitation and not revoked will be voted in the discretion of the Proxy Committee named in the proxy. A shareholder signing and returning the accompanying proxy has the power to revoke it at any time prior to its exercise by giving written notice of revocation to our Corporate Secretary, by submitting a proxy bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not constitute, in itself, revocation of a proxy.

All expenses in connection with this solicitation of proxies will be paid by us. Proxies will be solicited principally by mail, but directors, officers and certain other individuals authorized by us may personally solicit proxies. AmTrust Financial will reimburse custodians, nominees or other persons for their out-of-pocket expenses in sending proxy material to beneficial owners.

The Board has fixed the close of business on April 2, 2008, as the record date for determining the holders of Common Stock entitled to notice of and to vote at the Annual Meeting. Each such shareholder is entitled to one vote per share. As of the record date, there were 59,989,839 shares of Common Stock outstanding.

In voting by proxy with regard to the election of directors, shareholders may vote in favor of each nominee or withhold their votes as to each nominee. Should any nominee become unable to accept nomination or election, the Proxy Committee will vote for the election of such other person as a director as the present directors may recommend in the place of such nominee. The information set forth below regarding the nominees and the other directors continuing in office is based on information furnished by them. In voting by proxy with regard to the ratification of our independent auditors, shareholders may vote in favor of or against the proposal or may abstain from voting.

A majority of the outstanding Common Stock, represented in person or by proxy, constitutes a quorum for the transaction of business at the Annual Meeting. The seven candidates receiving the greatest number of votes will be elected as our directors. The affirmative vote of the holders of shares entitling them to exercise a majority of the voting power of AmTrust Financial, represented in person or by proxy at the Annual Meeting, is necessary to ratify the selection of BDO Seidman, LLP as our independent auditor.

Shareholder abstentions and broker non-votes will be included in the number of shareholders present at the Annual Meeting for the purpose of determining the presence of a quorum. Brokers who do not receive shareholder

instructions are entitled to vote on the election of directors and the ratification of our independent auditors. Broker non-votes and shareholder abstentions will have no effect on the outcome of the proposals.

## CORPORATE GOVERNANCE

### Board of Directors

Our Certificate of Incorporation provides that our Board shall consist of not less than five directors and not more than thirteen directors, with the exact number to be set by the Board from time to time. Currently, our Board of Directors consists of seven members, with each director elected to serve a one-year term. Directors elected at the Annual Meeting will each serve for a one-year term until the 2009 Annual Meeting of Shareholders and until the election or appointment and qualification of his successor, or until his earlier death, resignation or removal.

Our Board of Directors met on eight occasions during 2007. Each of our directors attended 75% or more of the regular and special Board and Board committee meetings on which such director served. We have adopted a policy requiring that each member of our Board of Directors attend our Annual Meeting.

### Independence of Directors

Five of our seven directors, George Karfunkel, Donald T. DeCarlo, Abraham Gulkowitz, Isaac M. Neuberger and Jay J. Miller, are Independent Directors under the NASDAQ Marketplace Rules. The remaining two directors, Barry D. Zyskind and Michael Karfunkel, do not qualify as Independent Directors.

We are a “controlled company” as defined in Rule 4350(c)(3) of NASDAQ’s listing qualification standards because George Karfunkel, Michael Karfunkel and Barry D. Zyskind, directly or indirectly, collectively beneficially own or control approximately 59.1% of our voting power. See “Security Ownership Of Certain Beneficial Owners”. Therefore, we are exempt from the requirements of Rule 4350(c) with respect to having:

- a majority of the members of our Board of Directors be independent;
- our Compensation and Nominating and Corporate Governance Committees comprised solely of Independent Directors;
- the compensation of our executive officers determined by a majority of our Independent Directors or a Compensation Committee comprised solely of Independent Directors; and
- director nominees being selected or recommended for selection by our Board of Directors, either by a majority of our Independent Directors or by a Nominating Committee comprised solely of Independent Directors.

Michael Karfunkel is a member of our Compensation and Nominating and Corporate Governance Committees.

### Executive Sessions

As required under NASDAQ’s Marketplace Rule 4350(c)(2), our Independent Directors have regularly scheduled meetings at which only Independent Directors are present. Our Independent Directors met in Executive Session four times during 2007.

### Board Committees

Our Board has established the following committees: Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Executive Committee. Each committee has its own charter. Our Audit Committee is comprised entirely of Independent Directors. Our Board may, from time to time, establish or maintain additional committees as it deems necessary or appropriate.

The membership of the existing committees as of April 2, 2008 and the function of each committee are described in the following table.

Audit Committee Financial Expert and Chair

#### ***Audit Committee***

The Audit Committee oversees our auditing, accounting, financial reporting and internal control functions, appoints our independent public accounting firm and approves its services. One of its functions is to assure that the independent public accountants have the freedom, cooperation and opportunity necessary to accomplish their functions. The Audit Committee also assures that appropriate action is taken on the recommendations of the independent public accountants. Our Audit Committee Charter, which describes all of the Audit Committee's responsibilities, is posted on our website and is available in print to any shareholder who requests a copy.

The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended, and currently consists of the following Independent Directors: Mr. Gulkowitz, who is also the Chairman of the Committee, Mr. DeCarlo and Mr. Neuberger. The Board has determined that each member of the Audit Committee meets the independence requirements contained in the NASDAQ listing standards and Rule 10A-3(b)(1) of the Exchange Act. In addition, the Board has determined that Mr. Gulkowitz qualifies as an “audit committee financial expert” within the meaning of Securities and Exchange Commission (“SEC”) regulations and applicable NASDAQ listing standards.

During 2007, the Audit Committee met six times on March 14, 2007, March 20, 2007, May 11, 2007, June 28, 2007, August 10, 2007 and November 7, 2007. The Report of the Audit Committee appears on page 20.

#### ***Executive Committee***

The Executive Committee has responsibilities that include exercising the authority of the Board of Directors with respect to matters requiring action between meetings of the Board of Directors; and deciding issues from time to time delegated by the Board of Directors.

The members of our Executive Committee are Mr. Zyskind, who is also the chairman of the committee, George Karfunkel and Michael Karfunkel.

The Executive Committee met on a monthly basis in 2007.

#### ***Nominating and Corporate Governance Committee***

The Nominating and Corporate Governance Committee identifies and nominates members of the Board of Directors; develops and recommends to the Board of Directors a set of corporate governance principles applicable to us; and oversees the evaluation of the Board of Directors and management.

The members of our Nominating and Corporate Governance committee are Mr. Neuberger, who is also the chairman of the committee, Mr. Miller and Michael Karfunkel. The Nominating and Corporate Governance Committee does not have a charter.

In carrying out its function to nominate candidates for election to our Board, the Nominating and Corporate Governance Committee considers the mix of skills, experience, character, commitment, and diversity of background, all in the context of the requirements of our Board at that point in time. The Nominating and Corporate Governance Committee believes that each candidate should be an individual who has demonstrated integrity and ethics in such candidate’s personal and professional life, has an understanding of elements relevant to the success of a publicly-traded company and has established a record of professional accomplishment in such candidate’s chosen field. Each candidate should be prepared to participate fully in Board activities, including attendance at, and active participation in, meetings of the Board, and not have other personal or professional commitments that would, in the Nominating and Corporate Governance Committee’s judgment, interfere with or limit such candidate’s ability to do so. Each candidate should also be prepared to represent the best interests of all of our shareholders and not just one particular constituency. Additionally, in determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director’s past attendance at Board and committee meetings and participation in and contributions to the activities of our Board.

The Nominating and Corporate Governance Committee considers recommendations for director candidates submitted by shareholders. A shareholder recommending an individual for consideration by the Committee must provide (i) evidence in accordance with the provisions of Regulation 14a-8 under the Securities Exchange Act of 1934, as amended, of compliance with the shareholder eligibility requirements and (ii) all information regarding the

candidate(s) and the security holder that would be required to be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board including, without limitation, name, age, address, principal occupation or employment, and stock ownership. Shareholders should send the required information to AmTrust Financial Services, Inc., c/o Corporate Secretary, 59 Maiden Lane, 6th Floor, New York, New York 10038.

In order for a recommendation to be considered by the Committee for the 2009 Annual Meeting of Shareholders, the Corporate Secretary must receive the recommendation no later than the close of business local time on January 1, 2009. Such recommendations must be sent via registered, certified or express mail (or other means that allows the shareholder to determine when the recommendation was received by us). The Corporate Secretary will send any shareholder recommendations to the Committee for consideration at a future Committee meeting. Individuals recommended by shareholders in accordance with these procedures will receive the same consideration as other individuals evaluated by the Committee.

The Nominating and Corporate Governance committee met one time in 2007 to nominate the incumbent directors for election to the Board of Directors at the 2007 annual meeting.

### ***Compensation Committee***

The Compensation Committee reviews and determines, together with the other directors if directed by the Board of Directors, the compensation of our executive officers and reviews and approves employment and severance agreements with our executive officers. The Compensation Committee also administers the grant of stock options and other awards under our 2005 Equity Incentive Plan and establishes and reviews policies relating to the compensation and benefits of our employees and consultants.

The members of the Compensation Committee are Mr. DeCarlo, who is also the chairman of the committee, Mr. Miller and Michael Karfunkel. Michael Karfunkel does not participate in any matters relating to Mr. Zyskind's compensation. The Compensation Committee does not have a charter.

To date, the Compensation Committee has not retained a compensation consultant. The Compensation Committee's sets compensation levels for our executive officers by reviewing the compensation levels of comparable executives at companies of similar size and development operating in our industry. Final compensation decisions are made by our Chief Executive Officer in consultation with the Compensation Committee and the Board of Directors, other than with respect to the Chief Executive Officer's compensation, which has been determined by the Compensation Committee and the Board of Directors.

The Compensation Committee met twice in 2007.

### Compensation of Directors

We pay an annual retainer of \$55,000 to each non-employee director of the Company other than George Karfunkel and Michael Karfunkel. In addition, each such director received a fee of \$2,000 for each meeting of the Board of Directors attended in person and \$1,000 for each meeting of the Board of Directors attended via teleconference. Each such non-employee director who chaired a committee also received an annual retainer of \$5,000, as well as \$1,000 for each meeting of such committee of the Board chaired. Each such non-employee director received a fee of \$1,000 for each meeting of a committee of the Board of Directors attended. We also reimbursed our directors for reasonable expenses they incurred in attending Board of Directors or committee meetings.

In 2007, we also paid Mr. Miller an additional \$73,000 in consideration of his serving a director on the boards of our subsidiaries and made a grant of options to purchase 100,000 shares of common stock. These options will fully vest in two years after the date of grant. Additionally, we paid Mr. DeCarlo an additional \$33,750 in consideration of his serving as a director on the boards of certain of our subsidiaries.

Pursuant to our 2005 Equity Incentive Plan, in 2007 we made a grant of options to purchase 6,250 shares of our Common Stock, which will vest over a period of one year to each of our non-employee directors other than George Karfunkel and Michael Karfunkel. We intend to make additional annual grants of options to purchase 6,250 shares of our Common Stock to each of our non-employee directors other than George Karfunkel and Michael Karfunkel. Each such option will fully vest one year after the date of grant. Such options will have an exercise price equal to the fair market value as of the date of the grant, will expire ten years from the date of the grant and, unless otherwise provided, vest over four years, commencing one year after the date of grant. George Karfunkel and Michael Karfunkel will not receive any compensation for serving on our Board of Directors.

The following table sets forth compensation earned by the non-employee members of our Board of Directors during the fiscal year ending December 31, 2007:

Name	Fees Earned or Paid in Cash \$(1)	Option Awards \$(2)	Total (\$)
Michael Karfunkel	—	—	—

Abraham Gulkowitz	78,000	29,318	107,318
Isaac M. Neuberger	73,000	29,318	102,318

Jay J. Miller	140,000	82,507	222,507
---------------	---------	--------	---------

- (1) The amounts in this column reflect retainer fees, Board meeting fees and committee fees earned in 2007 for service on our Board of Directors and its committees and, with respect to Mr. DeCarlo and Mr. Miller, for service on the boards of directors of various of our subsidiaries.
- (2) The amounts in this column reflect the compensation costs for financial reporting purposes for the year under FAS 123R without regard to forfeiture assumptions. See Note 11 "Share Based Compensation," in the Notes to our Consolidated Financial Statements included in Item 8 of our Annual Report on Form 10-K for the year ended December 31, 2007 for our assumptions used to determine the compensation costs associated with stock option awards that we expensed in 2007. At December 31, 2007, the aggregate number of option awards outstanding was: Mr. DeCarlo - 18,750 shares; Mr. Gulkowitz - 18,750 shares; Mr. Neuberger - 18,750 shares; and Mr. Miller - 118,750 shares. Unvested options are forfeited upon termination of the director's service; however, if the director's termination of service is due to (i) retirement on or after his sixty-fifth birthday or, with consent of the Company, on or after his fifty-fifth birthday; (ii) disability; or (iii) death, the options become fully vested. Following the named executive officer's termination date, except if terminated for cause, he may exercise vested options for up to three months following the termination, or six months if termination was due to death, or, if sooner, the expiration dates of the options.

### **Shareholder Communications**

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers to file reports of ownership and changes of ownership of our Common Stock and common share units with the SEC. We believe that during fiscal year 2007, all filing requirements applicable to our directors and executive officers were timely met.

**PROPOSAL 1:  
ELECTION OF DIRECTORS**

Our Board of Directors consists of seven members, with each director elected to serve a one-year term. All directors will be elected at the Annual Meeting, each to serve for a one-year term until the 2009 Annual Meeting of Shareholders and until the election or appointment and qualification of his successor, or until his earlier death, resignation or removal. Upon recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has unanimously nominated Messrs. Donald T. DeCarlo, Abraham Gulkowitz, Michael Karfunkel, George Karfunkel, Jay J. Miller, Isaac M. Neuberger and Barry D. Zyskind for election as directors at the Annual Meeting. Proxies cannot be voted for more than seven director nominees.

Each of the director nominees is standing for re-election to the Board of Directors and has consented to serve for a new term. The Board of Directors does not contemplate that any of the nominees will be unable to stand for election, but should any nominee become unable to serve or for good cause will not serve, all proxies (except proxies marked to the contrary) will be voted for the election of a substitute nominee as our Board of Directors may recommend.

## DISCUSSION OF EXECUTIVE COMPENSATION

### Employment Agreements

#### *Barry D. Zyskind*

Under Mr. Zyskind's employment agreement, dated as of January 1, 2005, Mr. Zyskind serves as our President and Chief Executive Officer. Mr. Zyskind's term of employment under his agreement continues until December 31, 2009, at which time the employment agreement automatically renews for successive three year terms, unless Mr. Zyskind or the Company provides 180 days' written notice of an intention not to renew. His salary is subject to review by the Board of Directors or the Compensation Committee annually. Effective January 1, 2007, Mr. Zyskind receives an annual base salary in the amount of \$625,000. Mr. Zyskind is also entitled to an annual profit bonus equal to two percent (2%) of the Company's pre-tax profit, subject to a cap equal to two and one-half times his salary if certain financial goals are met. See "Compensation Discussion and Analysis - Bonus" for further details regarding the calculation of Mr. Zyskind's bonus. Mr. Zyskind is also eligible to receive special bonuses at the discretion of the Board of Directors or the Compensation Committee and to participate in any long-term incentive compensation plan established for his benefit or in any such plan established for the benefit of the senior management of the Company.

If Mr. Zyskind's employment terminates due to death, his heirs are entitled to his salary payable for the remainder of his term of employment or one year, whichever is greater, at the rate in effect immediately before such termination, any annual or special bonus earned or awarded through the date of termination, any deferred compensation under any incentive or other deferred compensation plan, any other compensation or benefits that have vested through the date of termination or to which he may then be entitled according to the terms and conditions of each grant, plan or award and any reimbursements of expenses due him through the date of termination. If Mr. Zyskind's employment terminates due to disability, he will be entitled to the compensation and benefits enumerated above, except that his salary shall be offset by the amount of any long-term disability insurance benefit the Company may have elected to provide for him.

We may terminate Mr. Zyskind's employment for cause upon written notice to Mr. Zyskind at least 30 days prior to the intended termination. If Mr. Zyskind's employment were terminated for cause, he would be entitled to his salary through the date of termination, any annual or special bonus earned or awarded through the date of termination, any deferred compensation under any incentive or other deferred compensation plan, any other compensation or benefits which may have vested through the date of termination or to which he then may be entitled according to the terms and conditions of each grant, plan or award and any reimbursements of expenses due him through the date of termination. Cause is defined in Mr. Zyskind's employment agreement as (i) the conviction of a felony involving an act or acts of dishonesty on his part and resulting in gain or personal enrichment at the expense of the Company; (ii) willful and continued failure of Mr. Zyskind to perform his obligations under the employment agreement, resulting in demonstrable material economic harm to the Company; or (iii) Mr. Zyskind's willful and material breach of the noncompetition and nonsolicitation provisions of the employment agreement to the demonstrable and material detriment of the Company.

If we terminate Mr. Zyskind's employment without cause or if Mr. Zyskind terminates his employment with good reason, then Mr. Zyskind is entitled, in addition to the compensation and benefits specified in the paragraph above, to (i) a lump-sum payment equal to the salary payable to him for the remainder of his employment term at the rate in effect immediately before the termination, (ii) a lump-sum payment equal to the annual profit bonuses for the remainder of his term of employment (to be prorated for any partial fiscal year) equal to the greater of the average of the bonuses awarded to him during the three fiscal years preceding the fiscal year of termination or the bonus awarded to him for the fiscal year immediately preceding termination, (iii) continued participation, for the remainder of his term of employment, in all employee benefit plans or programs in which he was participating on the date of his termination; or, if such participation is prohibited, he shall be entitled to the after-tax economic equivalent of any such benefit which shall be determined by the lowest cost Mr. Zyskind would incur in obtaining such benefit individually,

(iv) continued payment, for the remainder of his term of employment, of 100% of the cost of health insurance through the Company's group health plan for himself, his spouse and dependent children and (v) other benefits in accordance with applicable plans and programs of the Company. Good reason is defined in Mr. Zyskind's employment agreement as one of the following actions taken without Mr. Zyskind's prior written consent or his acquiescence: (i) a reduction in his then current salary; (ii) a diminution, reduction or other adverse change in the level of bonus or incentive compensation opportunities, the applicable performance criteria and otherwise the manner in which the bonuses and incentive compensation are determined for Mr. Zyskind; (iii) the Company's failure to pay Mr. Zyskind any amounts otherwise vested and due him hereunder or under any plan or policy of Company; (iv) a diminution of Mr. Zyskind's titles, position, authorities or responsibilities, including not serving on the Board of Directors; (v) the assignment of duties incompatible with Mr. Zyskind's position of President; (vi) imposition of a requirement that Mr. Zyskind report other than to the full Board of Directors; or (vii) a material breach of the Agreement by Company that is not cured within 10 business days after written notification by Executive of such breach.

Mr. Zyskind has agreed to keep confidential all information regarding the Company that he receives during the term of his employment and thereafter. He also agreed that, upon termination of employment, other than a termination without cause or due to good reason, he will not solicit any customer or employee of the Company for one year after termination.

(1) Each named executive officer's employment agreement, other than Mr. Pipoly's, provides for an annual bonus equal to a pre-determined percentage of the Company's profits, which is subject to a maximum amount. There is no threshold or target amount, other than with respect to Mr. Pipoly, whose bonus will be no less than 30% of his base salary. See "Compensation Discussion and Analysis - Bonus" for further explanation of the calculation of these bonuses.

(2) Stock options were granted to our named executive officers under our 2005 Equity Incentive Plan. Twenty-five percent of the stock options vest and become exercisable on the first anniversary of the grant date, with an additional 6.25% of the stock options vesting each quarter thereafter based on continued employment. Each stock option award expires on the tenth anniversary of the grant date. Unvested options are forfeited upon termination of employment; however, if the executive's termination is due to (i) retirement on or after his sixty-fifth birthday or, with consent of the Company, on or after his fifty-fifth birthday; (ii) disability; or (iii) death, the option becomes fully vested. Following the named executive officer's termination date, except if terminated for cause, he may exercise vested options for up to three months following the termination, or six months if termination was due to death, or, if sooner, the expiration dates of the options. To the extent permissible, the stock options are incentive stock options within the meaning of Section 422 of the Internal Revenue Code.

### Options Exercises and Stock Vested

In 2007, none of our named executive officers exercised any stock option awards that were granted to them. The following table sets forth the aggregate number of stock options that became vested for our named executive officers during fiscal year 2007. The table also sets forth the value realized on vesting of the stock options (the market price on the date of vesting multiplied by the number of shares). These stock options awards were granted under our 2005 Equity Incentive Plan.

Michael J. Saxon	150,390	1,746,672
Christopher Longo	150,390	1,746,672

(1) The market value of the shares on the vesting date was determined based on the trading price on the NASDAQ on that date.

### Potential Payments upon Termination or Change-In-Control

The table below sets forth the potential payments to our named executive officers under various termination scenarios including termination without cause, termination for good reason, termination as a result of death or disability and termination as a result of retirement, as per their respective employment agreements. See "Compensation Discussion and Analysis - Employment Agreements" for further discussion of termination events. The potential payments to our named executive officers assume that the termination event occurs as of the last day of our fiscal year (December 28, 2007). Since the Board of Directors has discretion as to whether or not to accelerate the vesting of unvested stock options and restricted share awards granted under the 2005 Equity Incentive Plan upon a change in control of the Company, the financial effect of such an event has not been included in this table. We do not include the financial effect of a termination for cause or gross misconduct (as defined in the named executive officer's employment agreement) because the named executive officers are not entitled to any further compensation or benefits following such a termination.

### **COMPENSATION COMMITTEE REPORT**

AmTrust Financial Services, Inc.'s Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by item 402(b) of Regulation S-K with management and, based on such review and discussion, has recommended to the Board that the following Compensation Discussion and Analysis be included in the Proxy Statement and, as incorporated by reference, in our Annual Report on Form 10-K.

Donald T. DeCarlo (Chairman)  
Michael Karfunkel  
Jay J. Miller

### **COMPENSATION DISCUSSION AND ANALYSIS**

This compensation discussion and analysis explains the material elements of the compensation awarded to, earned by, or paid to each of our named executive officers during the last completed fiscal year.

#### **Overview**

The objectives of our executive compensation policy have been to retain the executives who have been integral to our growth, to attract other talented and dedicated executives and to motivate each of our executives to increase our overall profitability. To achieve these goals, we have strived to offer each executive an overall compensation package, which is simple, but competitive and a meaningful portion of which is tied to the achievement of specific objectives.

Our overall strategy is to compensate our named executive officers with a mix of cash compensation, in the form of base salary and bonus, and equity compensation, in the form of stock options.

To date, we have not retained a compensation consultant. Our policy for setting compensation levels has focused on compensating our named executive officers at levels competitive for executives at companies of similar size and development operating in the industry. Compensation decisions have been made by our Chief Executive Officer in consultation with the Compensation Committee and the Board of Directors, other than with respect to the Chief

Executive Officer's compensation, which has been determined by the Compensation Committee and the Board of Directors. In addition to frequent discussions between the Chief Executive Officer and the Board of Directors, we also gather market compensation data through negotiations related to newly hired executives. We believe that the compensation levels for our named executive officers are competitive. We expect that as we continue to progress our compensation policies will evolve to reflect our achievements and to remain competitive.

### **Executive Compensation**

Our executive compensation policy includes the following elements:

*Base Salary.* The base salaries we provide to our named executive officers are designed to provide an annual salary at a level consistent with individual experience, skill and contribution to our business. When setting base salary, we take into account the compensation paid to similarly situated executives employed at our competitors and cost of living considerations. The salaries of the named executive officers are reviewed on an annual basis.

*Bonus.* We believe that bonuses should be dependent on and tied to the Company's performance, and should only be paid in the event of superior performance. Our bonus policy is designed to reward each named executive officer for his contributions to our profitability for the fiscal year. Except for Mr. Pipoly, the employment agreements for our named executive officers specify the annual bonus targets for each executive. In March 2008, the Compensation Committee proposed the bonus payments for our named executive officers for the 2007 fiscal year and such recommendations were adopted by the Board of Directors.

Annual profit bonuses paid to each named executive officer, other than Mr. Pipoly, are equal to a pre-determined percentage of profits, as set forth in their respective employment agreements. Each such named executive officer's bonus is subject to an annual cap, based on a percentage of the officer's base salary for the respective fiscal year, as set forth in their respective employment agreements. The maximum annual profit bonuses for these named executive officers are as follows: 250% of base salary for Mr. Zyskind; 150% of base salary for Mr. Caviet; 100% of base salary for Mr. Saxon; and 150% of base salary for Mr. Longo. Mr. Pipoly's bonus, which is not subject to an annual cap, is determined in a different manner (as described below). We believe it would not be appropriate for the Chief Financial Officer's bonus to be directly based on the Company's results.

In addition to the annual profit bonus, under the terms of their respective employment agreements, each named executive officer is also eligible for a discretionary bonus, as determined each fiscal year by the Board of Directors. The actual amount of any discretionary bonus will be determined following a review of each named executive officer's individual performance and contribution to our strategic goals during the fiscal year. The named executive officers did not receive discretionary bonuses in 2007.

Mr. Zyskind's employment agreement provides an annual profit bonus equal to two percent (2%) of our pre-tax profits for the fiscal year, provided that our pretax profit equals or exceeds a given threshold, subject to the annual cap discussed above. Profit is defined in Mr. Zyskind's employment agreement as our revenues less expenses, determined in accordance with generally accepted accounting principles on a consistent basis. The threshold profit for fiscal year 2007 was \$24.2 million.

The employment agreements for Mr. Saxon and Mr. Longo provide that the annual profit bonus will equal one percent (1%) of our profits for the fiscal year, subject to the annual caps discussed above. Profit is defined in Mr. Saxon's and Mr. Longo's employment agreement as our after tax net income, excluding extraordinary income.

Mr. Pipoly's employment agreement provides that the annual bonus will equal an amount comparable to our other senior executives, provided that we have met the targets set forth in our business plan for the subject annual period, and Mr. Pipoly's annual bonus will be no less than thirty percent (30%) of his base salary.

Mr. Caviet's annual bonus is equal to ten percent (10%) of our pre-tax net operating income, exclusive of extraordinary items and investment income or loss, arising from special risk and extended warranty business written by us and our affiliates under the direct or indirect supervision of Mr. Caviet, subject to the annual cap discussed above. The bonuses awarded to each named executive officer for 2007 are shown below in the "Summary Compensation Table for Fiscal Year 2007".

### ***Stock and Stock-Based Grants***

*Stock Options.* Stock-based awards are a critical component of our executive compensation policy as equity ownership helps closely align our named executive officers' interests to those of our shareholders. Our 2005 Equity Incentive Plan (the "2005 Plan") has provided the principal method for our named executive officers to acquire equity interests in the Company. The 2005 Plan was established to award our employees and named executive officers with proprietary interests in the Company and to provide an additional incentive to promote our success and to remain in our service. The 2005 Plan authorizes us to grant incentive stock options, non-qualified stock options and restricted stock awards to our employees, officers, directors and consultants. There are currently approximately 535 people who are eligible to participate in the plan at the discretion of our Board of Directors, which oversees the administration of the Plan.

In 2007, our named executive officers, other than Mr. Zyskind who holds a significant equity interest in the Company, were awarded stock options in the amounts indicated below in the "Grants of Plan-Based Awards for Fiscal Year 2007" table. The stock options are intended to be treated as incentive stock options within the meaning of Section 422 of the Internal Revenue Code to the extent possible. The stock options were granted at an exercise price equal to the fair

market value of our Common Stock on the date of grant. Under the 2005 Equity Incentive Plan, unless otherwise determined by the Board of Directors and provided in the award agreement, 25% of the stock options become exercisable on the first anniversary of the grant date, with an additional 6.25% of the stock options vesting each quarter thereafter based on continued employment, and expire ten years after the date of grant. Incentive stock options also include certain other terms necessary to assure compliance with the Internal Revenue Code.

*Restricted Stock.* The Board of Directors has made, and may in the future elect to make, grants of restricted stock to our named executive officers. Under the 2005 Equity Incentive Plan, unless otherwise determined by the Board of Directors and provided in the award agreement, 25% of the restricted stock vests on the first anniversary of the grant date, with 6.25% of the restricted stock vesting each quarter thereafter and based upon continued employment.

*Retirement Plan.* We do not provide a qualified or non-qualified pension plan for our named executive officers. All of our employees, however, participate in a defined contribution plan under Section 401(k) of the Internal Revenue Code. The plan allows eligible employees to defer up to 75% of their compensation to the plan on a pre-tax basis, subject to the applicable dollar limit set by the Internal Revenue Service. We make a Company contribution of up to 50% of an employee's contribution to the plan, up to 6% of eligible compensation. We may also make discretionary profit sharing contributions to the Plan. No profit sharing contributions were made in 2007.

*Change of Control and Severance Arrangements.* The employment agreements for each of our named executive officers do not contain change of control provisions, nor do we maintain change of control agreements with any of our named executive officers. Mr. Zyskind's and Mr. Caviet's employment agreements, which are as discussed in more detail below, provide certain severance benefits should they be terminated without cause and, with respect to Mr. Zyskind, should he terminate his employment agreement for good reason. Mr. Caviet's severance benefits are tied to non-solicitation provisions. We do not provide any other severance benefits.

*Perquisites and Other Benefits.* As a general matter, we limit the use of perquisites in compensating our senior management. We do, however, cover the full cost of health insurance premiums for Mr. Zyskind and Mr. Caviet and their families and provide Mr. Zyskind with an individual permanent life insurance policy. We also make the lease payments on an automobile leased by Mr. Zyskind and reimburse Mr. Caviet for the lease payments that he makes on an automobile. The amount of Mr. Zyskind's and Mr. Caviet's health and automobile benefits are shown below in the "Summary Compensation Table for Fiscal Year 2007."

We also maintain a number of health and welfare programs to provide life, health and disability benefits to our employees. Other than with respect to the benefits we provide to Mr. Zyskind discussed above, our named executive officers in the U.S. participate in these plans on the same terms as other U.S. employees. In addition to the benefits discussed above, Mr. Caviet participates in the employee benefits offered for employees of our U.K. affiliates.

*Other Compensation.* The employment agreements entered into with our named executive officers will remain in their current form until such time as the Board of Directors determines, in its discretion, that revisions are appropriate. In addition, we intend to continue to maintain our current benefits and perquisites for our named executive officers; however, the Board of Directors, in its discretion, may modify, amend or add to a named executive officer's executive benefits or perquisites if it deems it advisable.

#### **Tax Deductibility of Executive Compensation**

Limitations on deductibility of compensation may occur under Section 162(m) of the Internal Revenue Code, which generally limits to \$1 million the tax deductibility of compensation paid by a public company to its chief executive officer and to any of the other four most highly compensated executive officers. Section 162(m) provides an exception to this deduction limit for performance based compensation that meets certain requirements. Two types of compensation can qualify as performance based compensation under section 162(m): (i) annual bonuses and other incentive awards, if they are payable or vest based on achievement of objective performance goals under a plan that meets the 162(m) requirements, and (ii) stock options and stock appreciation rights, if they are granted under a shareholder approved plan that meets certain criteria.

## **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

Other than as stated below, no director, executive officer or security holder who is known to us to own of record or beneficially more than five percent of our common securities, or any member of the immediate family of such director, executive officer or security holder, had or will have a direct or indirect material interest in a transaction or series of transactions in which we are, or one of our subsidiaries is, a party and the amount involved exceeds \$120,000. We have adopted a policy that requires that all related party transactions be approved by our Audit Committee.

### **Leap Tide Transactions**

AmTrust Capital Management, Inc. (“ACM”), our wholly owned subsidiary, currently manages approximately \$69 million dollars of our assets. These assets are held in a Bermuda managed account.

ACM also serves as the Investment Manager of Leap Tide Partners, L.P., a domestic partnership, and Leap Tide Offshore, Ltd., a Cayman exempted company, both of which were formed for the purpose of providing qualified third-party investors the opportunity to invest funds in a vehicle managed by ACM (the “Hedge Funds”). As of December 31, 2007, approximately \$27 million dollars have been invested in the Hedge Funds. Approximately 88% of these funds were contributed by Michael Karfunkel, George Karfunkel and Barry D. Zyskind. Our Audit Committee has reviewed the Leap Tide transactions and determined that they were entered into at arms’ length and did not violate our Code of Business Conduct and Ethics.

### **Corporate Office Lease Agreement**

In June 2002, we entered into a lease for approximately 9,000 square feet of office space at 59 Maiden Lane in downtown Manhattan from 59 Maiden Lane Associates, LLC, an entity which is wholly owned by Michael Karfunkel and George Karfunkel. We paid annual rent of approximately \$348,000 for this space in fiscal 2007. At the time we entered into the lease we were privately held and did not have an Audit Committee. Effective January 1, 2008, we entered into an amended lease whereby we increased our leased space to 14,807 square feet and extended the lease through December 31, 2017; the annual rent increased to \$621,894 for the period from January 1, 2008 to December 31, 2012, and then \$666,315 for the period from January 1, 2013, to December 31, 2017. The Audit Committee reviewed and approved this most recent extension of the lease.

### **Barry Karfunkel Employment Relationship**

In 2007, Barry Karfunkel, an analyst with ACM earned \$250,000 in salary and received \$25,000 for relocation costs. Barry Karfunkel is the son of Michael Karfunkel and the brother-in-law of Barry D. Zyskind. Our Audit Committee has reviewed Barry Karfunkel’s employment relationship and has determined that it is an arms’ length relationship and that it does not violate our Code of Business Conduct and Ethics.

### **Maiden Agreements**

During the third quarter of 2007, AmTrust and Maiden Holdings, Inc. (“Maiden”) entered into a master agreement, as amended, by which our Bermuda affiliate, AmTrust International Insurance, Ltd. (“AII”) and Maiden entered into a quota share reinsurance agreement (the “Reinsurance Agreement”) by which (a) AII retrocedes to Maiden an amount equal to 40% of the premium written by AmTrust’s U.S., Irish and U.K. insurance companies (the “AmTrust Ceding Insurers”), net of the cost of unaffiliated inuring reinsurance (and in the case of AmTrust’s U.K. insurance subsidiary, IGI Insurance Company Limited (“IGI”), net of commissions) and 40% of losses and (b) AII transferred to Maiden 40% of the AmTrust Ceding Insurer’s unearned premium reserves, effective as of July 1, 2007, with respect to current lines of business, excluding risks for which the AmTrust Ceding Insurers’ net retention exceeds \$5 million (“Covered

Business”). We also have agreed to cause AII, subject to regulatory requirements, to reinsure any insurance company which writes Covered Business in which we acquire a majority interest to the extent required to enable AII to cede to Maiden 40% of the premiums and losses related to such Covered Business. The Agreement further provides that the AII receives a ceding commission of 31% of ceded written premiums. The Reinsurance Agreement has an initial term of three years and will automatically renew for successive three year terms thereafter, unless either AII or Maiden notifies the other of its election not to renew not less than nine months prior to the end of any such three year term. In addition, either party is entitled to terminate on thirty days notice or less upon the occurrence of certain early termination events, which include a default in payment, insolvency, change in control of AII or Maiden, run-off, or a reduction of 50% or more of the shareholders’ equity of Maiden or the combined shareholders’ equity of AII and the AmTrust Ceding Insurers. We recorded approximately \$59 million of ceding commission during 2007 as a result of this transaction.

Maiden is a Bermuda insurance holding company formed by Michael Karfunkel, George Karfunkel and Barry Zyskind. Messrs. Karfunkel and Mr. Zyskind contributed \$50 million to Maiden and have an 18.6% ownership interest in Maiden, assuming the full exercise of all common stock purchase warrants.

### **Principal Shareholders Consolidation**

AmTrust Financial Group, Inc. (“AFG”) was the principal shareholder of the Company, owning approximately 24,089,286 shares of common stock of the Company (the “Common Stock”). Messrs. Michael Karfunkel, George Karfunkel and Barry Zyskind directly or indirectly held approximately 37.5%, 37.5% and 25.0%, respectively, of AFG. To simplify the stock ownership of AmTrust, two mergers were consummated, in 2007, whereby AFG and G/MK Acquisition Corp. were merged with and into a wholly owned subsidiary of AmTrust. AFG and G/MK Acquisition Corp. were primarily shell holding companies with no other assets, except for common stock. As a result, we issued and delivered 24,088,000 shares of Common Stock in exchange for 24,089,286 shares of Common Stock held by AFG, which shares were then issued in proportion to their respective AFG holdings: Michael Karfunkel received 9,033,000 shares, George Karfunkel received 9,033,000 shares, Barry Zyskind received 6,022,000, and the remaining 1,286 shares were returned to the treasury of the Company. The mergers had no impact on our financial position, results of operations or cash flows for the year ended 2007.

We have reviewed and discussed the audited financial statements with management and with our independent auditors. We met with our independent auditors, with and without management present, to discuss results of their examinations, their evaluation of our internal controls, and the overall quality of our financial reporting.

We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees. In addition, we received the written disclosures from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees and discussed with the independent auditors their independence, including a review of both audit and non-audit fees.

Based upon the review and discussions described in the preceding paragraph, we recommended to our Board that the audited financial statements of the Company be included in the Annual Report on Form 10-K for the year ended December 31, 2007 filed with the SEC.

**PROPOSAL 2:  
RATIFICATION OF INDEPENDENT AUDITORS**

The Audit Committee has appointed the firm of BDO Seidman, LLP, independent accountants, to be our independent auditors for the fiscal year ending December 31, 2008. Although not required by our bylaws or otherwise, the Board believes it is appropriate to seek shareholder ratification of this appointment. If ratification is not obtained, the Audit Committee intends to continue the employment of BDO Seidman, LLP at least through the end of the fiscal year ending December 31, 2008, but will consider shareholder input for future appointments.

A representative of BDO Seidman, LLP will be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and to respond to appropriate questions from shareholders.

Before making its recommendation to the Board for appointment of BDO Seidman, LLP, the Audit Committee carefully considered that firm's qualifications as independent auditors for us, which included a review of BDO Seidman, LLP's performance last year, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee expressed satisfaction with BDO Seidman, LLP in these respects.

**Audit and Non-Audit Fees**

Our Audit Committee approves the fees and other significant compensation to be paid to our independent auditors for the purpose of preparing or issuing an audit report or related work. Our Audit Committee also preapproves all auditing services and permitted non-audit services, including the fees and terms thereof, to be performed for us by our independent auditors, subject to the de minimis exceptions for non-audit services described in the Exchange Act. Our Audit Committee delegates to our Audit Committee Chair preapproval authority for non-audit services up to \$25,000 subject to subsequent approval by the full Audit Committee at its next scheduled meeting. Our Audit Committee reviewed and discussed with BDO Seidman, LLP the following fees for services rendered for the 2007 fiscal year and considered the compatibility of non-audit services with BDO Seidman, LLP's independence. The following table presents the aggregate fees billed for professional services rendered to us by BDO Seidman, LLP, our principal auditors, and BDO International affiliate firms, for 2007 and 2006. Other than as set forth below, no professional services were rendered or fees billed by BDO Seidman, LLP or its international affiliates during 2007 and 2006.

<b>BDO Seidman, LLP</b>	<b>2007</b>	<b>2006</b>
Audit Fees(1)	\$ 1,665,000	\$ 1,033,000
Audit-Related Fees(2)	—	—
Tax Fees(3)	—	—
All Other Fees(4)	—	4,400
<b>Total</b>	<b>\$ 1,665,000</b>	<b>\$ 1,037,400</b>

(1) Audit fees relate to professional services rendered for: (i) the audit of our annual financial statements and the review of our quarterly financial statements on Form 10-Q for the fiscal years ended December 31, 2006 and 2007, (ii) the audit of the Company's internal control over financial reporting and (iii) services performed in connection with filings of registration statements and securities offerings.

(2) Audit-related fees relate to services rendered to us primarily related to benefit plan audits.

(3) Tax fees relate to services rendered to us for tax compliance, tax planning and advice.

(4) Other services performed include certain advisory services in connection with accounting research and do not include any fees for financial information systems design and implementation.

**Pre-Approval Policies and Procedures of the Audit Committee**

Pursuant to its charter, the Audit Committee pre-approves all audit and permitted non-audit services, including engagement fees and terms thereof, to be performed for us by the independent auditors, subject to the exceptions for certain non-audit services approved by the Audit Committee prior to the completion of the audit in accordance with Section 10A of the Securities Exchange Act of 1934, as amended. The Audit Committee must also pre-approve all internal control-related services to be provided by the independent auditors. The Audit Committee will generally pre-approve a list of specific services and categories of services, including audit, audit-related and other services, for the upcoming or current fiscal year, subject to a specified cost level. Any material service not included in the approved list of services must be separately pre-approved by the Audit Committee. In addition, all audit and permissible non-audit services in excess of the pre-approved cost level, whether or not such services are included on the pre-approved list of services, must be separately pre-approved by the Audit Committee.

The Audit Committee may form and delegate to a subcommittee consisting of one or more members (provided that such person(s) are Independent Directors) its authority to grant pre-approvals of audit, permitted non-audit services and internal control-related services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.
