EXPLANATORY NOTE

This Amendment No. 1 to Form 20-F (the "Form 20-F/A") amends our annual report for the fiscal year ended December 31, 2007, originally filed with the Securities and Exchange Commission ("SEC") on June 30, 2008 (the "Form 20-F"). The Form 20-F/A responds to SEC comments provided to us and therefore expands the disclosure in "Item 15. Controls and Procedures" to correct rule references and typographical errors and to clarify that as of December 31, 2007 our disclosure controls and procedures are effective and designed to ensure that information required to be disclosed by us in reports that we file or submit to the SEC is recorded, processed, summarized and reported within the time periods specified in applicable SEC rules and they effectively ensure that information required to be disclosed in our reports filed or submitted to the SEC is accumulated and communicated to our management allowing for timely decisions regarding required disclosure.

This Form 20-F/A includes the CEO and CFO certifications filed herewith as Exhibits 12.1 and 12.2 and corrects those exhibits to add a required paragraph.

This Form 20-F/A continues to speak as of the date of the Form 20-F and no attempt has been made in this Form 20-F/A to modify or update disclosures in the original Form 20-F except as noted above. This Form 20-F/A does not reflect events occurring after the filing of the Form 20-F or modify or update any related disclosures and information not affected by the amendment is unchanged and reflects the disclosure made at the time of the filing of the Form 20-F with the SEC except as noted above. In particular, any forward-looking statements included in this Form 20-F/A represent management's view as of the filing date of the Form 20-F. CONTROLS AND PROCEDURES

(a) Evaluation of Disclosure Controls and Procedures

Our Chief Executive Officer and Chief Financial Officer has evaluated the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934 (“Exchange Act”) as of the end of the period covered by this Annual Report on Form 20-F. Based on such evaluation, they have concluded that as of such date, our disclosure controls and procedures are effective and designed to ensure that information required to be disclosed by us in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in applicable Securities and Exchange Commission (“SEC”) rules and forms and they effectively ensure that information required to be disclosed in our reports filed or submitted under the Exchange Act is accumulated and communicated to our management, including, our Chief Executive Officer and Principal Financial Officer, allowing for timely decisions regarding required disclosures.

(b) Management’s Annual Report on Internal Control over Financial Reporting

Our management, under the supervision of our Chief Executive Officer and Chief Financial Officer, is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Rule 13a-15(f) and Rule 15d-15(f) of the Exchange Act. Our internal control system was designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation and fair presentation of our consolidated financial statements for external purposes in accordance with generally accepted accounting principles. Our Chief Executive Officer and Chief Financial Officer assessed the effectiveness of our internal control over financial reporting as of December 31, 2007. In making this assessment, they used the criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (“COSO”). Based on this assessment, our Chief Executive Officer and Chief Financial Officer have concluded that, as of December 31, 2007, our internal control over financial reporting is effective based on those criteria. Notwithstanding the foregoing, all internal control systems, no matter how well designed, have inherent limitations. Therefore, even those systems determined to be effective may not prevent or detect misstatements and can provide only reasonable assurance with respect to financial statement preparation and presentation. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

As of the date of this filing, Management of the Company has evaluated internal controls of the Company during the period ended December 31, 2007 and only a staffing deficiency was noted. Management of the Company has rectified the staffing deficiency.

This annual report does not include an attestation report of the Company’s registered public accounting firm regarding internal control over financial reporting. Management’s report was not subject to attestation by the Company’s registered public accounting firm pursuant to temporary rules of the SEC that permit the Company to provide only management’s report in this annual report.

(c)

Changes in Internal Controls

There were no changes in our internal controls that occurred during the period covered by our annual report that has materially affected, or is reasonably likely to materially affect our internal control over financial reporting.
